# April Fools 2022 Shenanigans

HAPPY APRIL FOOLS DAY 2022 EVERYONE!

---

It was once again what would have been the most feared day for Nico and his family as well as the Loud's. But not this time because Luan and Connor have their Dark Sides locked in crystal. In my room I was waking up.

Me: (YAWNS) Man I was really tired.

Eli: Morning bro. You were asleep the entirety of the rest of the day and the night.

Me: Wow I must've been really tired after having fun in that competition.

Eli: Yep.

I went and got dressed and then I went to the table.

Nico: Morning Sleeping Beauty.

Me: Morning Nico.

Nico: Better be careful though. It's April Fools Day.

Me: I know.

I then sat down and then…

FAAAAAARRRRRRTTTT!

Me: Whoa! Pardon me!

I looked and I saw that I sat on a Whoopee Cushion!

Nico: (LAUGHS HYSTERICALLY) APRIL FOOLS!

Me: (LAUGHS) Good one Nico! You got me. Hey what's that on your shirt?

Nico: Where?

POINK!

I flicked Nico on his nose.

Nico: HEY!

Me: (Laughs) APRIL FOOLS!

Rainbow Dash: (LAUGHS) Good one!

We got to eating breakfast.

Eli: That was funny.

---

Later, Flying over Budapest in Hungary, me, Nico, Eli, Marceline and the Goths of Darkness were flying over the city and even in the day it still showed a creepy flair.

Nico: Thanks for coming with me, Marceline

Marceline: No problem Nico. Feels weird flying like this in the middle of the day though.

Brittney: Yeah you get used to it though. But it's really awesome that our next rescue is in Budapest.

Me: One of my favorite cities.

Eli: Mine too. It's beautiful.

Nico: Is it okay if we do our entrance here?

Me: Sure. And the scans show that we're going to meet some vampires.

Nico: Oh boy.

Eli: Wait I sense that they are familiar vampires too. Vampires that I know.

Nico: Wow.

Eli used the Force and found them in an underground lair.

Eli: Under that manhole.

Nico: We'll have to do our entrance later.

We went to the manhole and I opened it and we went down it.

Nico: And after Vakama's mission today, expect more April Fool's pranks from me.

Me: I'm counting on it.

We then heard voices and we followed them. We then saw vampires and they then saw us!

Brittney: Vampires!

David (Underworld): (Czech accent) What are you all doing here?

Selene (Underworld): Team Loud Phoenix Storm! It's okay they're friends.

Eli: Selene. It's awesome to see you.

Selene (Underworld): You too Eli.

Eli: What's going on?

Selene (Underworld): I was captured.

She told us everything about what happened and how she escaped from a Research facility.

We were shocked.

Marceline: It's good to meet fellow vampires.

Natasha Hernandez: That is true.

David (Underworld): Pleasure is ours. We found this girl here.

Selene (Underworld): She's more than that. She's my daughter. We were both captured by Dr. Jacob Lane.

Me: I've heard of him. He's the director Antigen Research Labs. He's trying to make all Lycan's immune to silver.

Nico: Good luck with that.

Selene (Underworld): And he wants to kill us and eradicate all vampires.

Eli: Oh man.

Nico: We got to stop him.

Natasha and Eve were talking.

Eve: (British Accent) You're a vampire too.

Natasha Hernandez: That's right. I was born a vampire but I have the power to walk in the sunlight. I'm a pureblood Daywalking Vampire. You're part vampire yourself right?

Eve: Yes. I'm also part Lycan.

Natasha Hernandez: Wow. A human-Lycan-Vampire Hybrid. That is amazing.

Eve: Yes it sure is.

Nico: That makes you a Super-Vampire.

Natasha Hernandez: That's right. I know how it feels to be a vampire. Endless thirst for blood, vulnerabilities to sunlight, silver, garlic and Holy Water, having incredible speed, strength, power and immortality. It's amazing. But I am a vampire hero that fights for good.

Eve: That is amazing.

Eli: It sure is. Eve we will help you out.

Nico: We should probably kill Dr. Lane before he succeeds in his plan.

Me: Good idea.

Brittney: What he is doing is pure evil.

Me: Only Blade is known to kill vampires. All evil vampires.

Nico: Because evil vampires all have no idea who they are fucking around with.

Natasha Hernandez: That's right.

Eve saw her ring on her finger.

Eve: That right. That crest on your ring is the symbol of the House of Damaskinos.

Natasha Hernandez: That's right. It was given to me by Nico.

Nico: It's true.

Eve: Wow.

Selene (Underworld): We heard that the House of Damaskinos was destroyed by Blade and J.D. and Lincoln.

Nico: That's right.

Eli: What they were going to do was terrible.

Haiku: Yeah it was awful.

Nico: But anyway we need to come up with a plan.

Eli then pulled up holographic plans for the building of Antigen and our plan was to attack them from above with Silver Nitrate Gas Bombs as well as flood the entire building with molten silver.

Nico: So it's a building all run by Lycans.

Me: Wow. But this will be good.

Nico: NOW we should do our entrance.

Me: Lets lock and load!

I put silver bullets into a machine gun and so did Eli and Nico and the Goths.

We went to Antigen and then we were on the roof and in the air vents I put a huge silver nitrate C4 Bomb in the air vent and it was activated by Remote Detonator.

Nico: Ready.

Me: Here we go. Okay Lycans, make my day!

BEEP!

I pressed a button on a remote and then…

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

Silver Nitrate Gas flooded the entire building like a storm and then it was burning the entirety of the Lycans in it.

We went at the building.

Quint came into the lab.

Quint: They're using silver nitrate gas! Bombs on all the floors. Molten silver poured all throughout the floors and melted many of our men. It's Subject 1. We need to evacuate.

But then the spirits of the Animals of Pain swirled around them and blasted the men and then they converged and then a blast of silver light shined onto the men and burned them into dust and we came in.

Me: You're not going anywhere!

Nico: Except Hell.

Marceline: You're through killing vampires everywhere!

Nico: We're not going to let you get away with in.

Eli: Yeah!

Nico and Eli fired blasts of energy and destroyed Quint the Super Lycan in an instant and then Eve went at Lane and she grabbed him and ripped his neck open and killed him!

Nico: NICE!

Marceline: Anything else we need to do here?

More Lycans were heard coming.

Me: We got more company!

?: I'll take care of them!

A Vladat appeared and then as the Lycans all came she fired a wave of energy and obliterated them all into nothing. Then it reverted back and was a girl with black hair, red eyes and had dark red and black clothes.

Nico: Gloria Gellespie!

Gloria Gellespie: Yep. Awesome to see you again Nico.

Selene (Underworld): You are really skilled there.

Gloria Gellespie: Thanks Selene.

Marceline: What's your favorite memory of Nico?

Gloria Gellespie: I have a lot of memories. But most of them are in art class. But my favorite moment was when we pranked the local bully in our class. She was sleeping and me and

Nico did a really funny prank on her by painting her face to look like that of dumb clown idiot and she was the laughingstock of the whole school.

Nico: (Laughs) The Artsy-Fartsy Clown Makeup Fiasco.

Me: That is funny.

Dante: Yeah it sure is.

Gloria Gellespie: Yep.

Nico and Gloria hugged.

Nico: I really missed you.

Gloria Gellespie: Me too Nico.

Me: Uh we got more company.

Eli: They just keep on coming.

Me: Lets get out of here.

We teleported back home.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and Yumi are heading to Nowhere in the Simulator, and not only is Lincoln going to rescue the twelve girls, but we're going to stop the Cajun Fox from turning Muriel into Granny Stew. The Simulator activated, and we're in Nowhere.

Lincoln: Wow, we're here in Nowhere in The Simulator, and I know what we're going to do here, not only am I going to rescue the twelve girls, but we're going to stop the Cajun Fox from turning Muriel into Granny Stew.

Nico: That's right, big guy. Since we already have the Cajun Fox in the Masters of Evil, we'll throw his Simulator counterpart in the Uranus Prison, and he'll take on the job as the prison chef there.

Lincoln: That's right, and you, Eli, J.D, Marceline, Brittney and The Goths of Darkness had a lot of fun killing the Lycans in Budapest, while helping Selene of the Vampires rescue her daughter, Eve, and her hybrid lover, Michael Corvin.

Eli: We sure did.

Me: And in the process, we also found out about the ancient blood war between the Vampires and Lycans that's been going on in Budapest for over 600 years.

Lincoln: To think there's been a secret war between Vampires and Lycans that's been raging for over 600 years and unseen by the eyes of humans, but when the Lycans began pursuing Michael Corvin for his blood, that's when things changed.

TLPS Mr. Wolf: And when Selene found out that Viktor was the one who killed her family and lied to her saying that it was the Lycans that killed them, she took her revenge and killed Viktor. But, this doesn't mean we're out of the woods, we're now dealing with the Lycans, and without Lucian keeping them in check, they're now a pack of animals running loose and they need to be put down.

Yumi Ishiyama: You got that right, luckily we're well-equipped with silver nitrate bullets. Selene told us that if a silver nitrate bullet penetrates a Lycan, it goes straight into their bloodstream, and they won't be able to get it out, like with regular silver rounds.

Lincoln: Right, Yumi, and it's a good thing we also put Selene, Michael, and Eve under our protection, because like TLPS Mr. Wolf said, we're now dealing with the Lycans. But without Lucian keeping them in check, they're now a pack of animals running loose and they need to be put down.

?: HELP!

Suddenly, Lincoln heard the sound of twelve girls calling for help, along with hearing the sound of a loud scream. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the twelve girls, along with Courage and Muriel, but they've been cornered by the Cajun Fox.

Lincoln: Guys, I found the twelve girls, along with Courage and Muriel, but they've been cornered by the Cajun Fox.

?: Why that crazy Cajun Fox! Let's get him.

Suddenly, we saw the Duel Monster, Honest, appear before us.

Lincoln: That voice, I knew it was you, Natasha Katariina. But, we'll have to talk later, we got a Cajun Fox to stop.

We rushed on over to the Cajun Fox's cave, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, and they hit the Cajun Fox and that allowed the twelve girls to get away, along with Courage and Muriel.

Lincoln: Sorry, Cajun Fox. Kitchen's closed.

Lincoln turned into Inferno Lincoln, as the the 17-year-old 7'5" tall, handsome, and extremely muscular man's long, white hair that reached the bottom of his neck turned red except for the rainbow lightning bolts on the bangs, his deep sapphire blue eyes turned deep red, the eight large orange orbs orbiting around his legs turned neon red, his large blue pants turn red, but the rainbow colored lightning bolts on them remained the same, his massive orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs turned red, his orange version of He-Man 2002's loincloth and long orange trenchcoat coattails with elemental forces, thunderbirds, buffalo, and angels with hanging small silver lightning bolts remain the same, and his massive deep sapphire blue angel wings with stars turned deep red.

Then, Lincoln got out a bottle of hot sauce made of Dragon's Breath Peppers, and he drank it, and it caused blood to leak out from his tattoo. Then, he fired a powerful blast of fire from his mouth, and charbroiled the Cajun Fox and it knocked him out. Then, he sent him to the Uranus Prison, where he was made the chef of the prison's kitchen. We cheered wildly as Lincoln changed back to normal.

Nico: (Laughs) Now, that's what I call spicy. You not only transformed into Inferno Lincoln, but you also chugged a bottle of hot sauce made from Dragon's Breath Peppers, and fired a blast of fire from your mouth and charred him, awesome job, Lincoln

Lincoln: Thanks, Nico. But, I'm not trying anything like that again. (To Natasha Katariina) And it's so good to see you again, Natasha.

Natasha Katariina: You too, Lincoln, it's been a long time.

Lincoln went up to Natasha Katariina and they hugged, and Natasha Katariina was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Natasha Katariina: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Natasha Katariina, I met her when she came to my school on a Foreign Exchange Program from Estonia, and she's one of my close friends.

Natasha Katariina: And I'm also one of Lincoln's Guardian Angels, and I was born with extremely powerful Photokinesis, and I also defended Lincoln from one of the worst bullies in the city and I show no mercy on them and I leave them in body casts for years.

Lincoln: And the worst bully she faced and defeated and sent to prison was a bully named Nathaniel Durrest, and he's a rotten to the core monster!

Nico: Whoa, we'll have to hear about that later, that probably sounds awesome.

Lincoln: Trust me, you'll love how it went down. Right now, let's get you back to normal, Natasha.

Natasha Katariina: No need, Lincoln.

Natasha Katariina reverted back to normal, and she is a beautiful 18-year-old girl with long flowing orange hair tied in a ponytail, orange eyes, fair skin, she's 6'5" in height, she has the body of a goddess, and she has massive rainbow angel wings, as she reigned in the power of the Duel Monster, Honest, and she's dressed in a sleeveless orange vest, sleeveless dark orange dress top, long orange skirt, dark orange bellbottom pants with flowers on them, dark orange high heels, and long orange sleeveless trenchcoat with angels on the coattails and on the back is the Duel Monster, Honest.

Lincoln: Wow, that's one awesome outfit, Natasha, and I got you a little something for you.

Lincoln also gave her a massive Honest-themed sword with a 6'9" massive, wide, double-edged rainbow blade with the Duel Monster, Honest, etched on it, large rainbow angel wings for the crossguard, large rainbow gem embedded in the rainguard, longer black handle, and large rainbow gem surrounded by angel wings for the pommel.

Natasha Katariina: Wow, I also love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Natasha Katariina's neck with rainbow gems on the gold lightning bolts and orange crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Natasha Katariina: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Natasha.

Natasha Katariina had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist and Lincoln wrapped his abnormally massive and powerful muscular arms around her body, and he leaned down and kissed Natasha Katariina on the lips, and she returned it, and we cheered for them. Then, we went up to the twelve girls, and when Lincoln saw them, he immediately recognized them. The twelve girls are Kisaragi Alice, Astaroth, Belial, Grimm, Honoo no Heine, Lilith, Rose, Snow, and Tillis from Combatants Will Be Dispatched!, Rimu, Belza Schubach, and Kinou Shia from The Dungeon of Black Company.

Lincoln: Oh wow, it's Kisaragi Alice, Astaroth, Belial, Grimm, Honoo no Heine, Lilith, Rose, Snow, Tillis, Rimu, Belza Schubach, and Kinou Shia.

Nico: From Combatants Will Be Dispatched! and The Dungeon of Black Company, awesome.

Lincoln: Are you girls okay?

Kisaragi Alice: Yes, we're okay, thanks to you.

Then, when Kisaragi Alice and the other eleven girls saw who it was that saved them from the Cajun Fox, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Kisaragi Alice: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eleven clones of himself, and he and the eleven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Kisaragi Alice: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, twelve Thunderbird Necklaces of Eternal Love appeared on the necks of Kisaragi Alice, Astaroth, Belial, Grimm, Honoo no Heine, Lilith, Rose, Snow, Tillis, Rimu, Belza Schubach, and Kinou Shia with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We exit the Simulator, and we told everyone what happened, and they were shocked when they found out the villain we went after was the Cajun Fox.

But, when Lincoln showed what he did to the Cajun Fox in the Simulator, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Natasha Katariina now have a lot of catching up to do, now that she's back.

---

After Lincoln's rescue in Nowhere in the Simulator, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Natasha Katariina saw Lincoln working out like crazy, she had an atomic red blush on her face.

Natasha Katariina: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Natasha, and now, I can also defend myself.

Natasha Katariina: That's incredible.

Nico: It sure is, Natasha. So, can you tell us about how you faced and defeated Nathaniel Durrest and sent him to prison?

Natasha Katariina: Gladly, Nico. One day, I was heading for the cafeteria with Lincoln to get lunch and join Clyde, Stella, Liam, Zack, and Rusty, but things got bad when Nathaniel Durrest showed up and he had a knife in hand, and that asshole was going to kill Lincoln. I got so mad at that moron, I went up to him and punched him hard in the face, and I also blasted him with a powerful blast of light, and when I spread my rainbow angel wings, everyone saw that I also had powers as well. Then, I went on to pulverize Nathaniel Durrest badly, and in the end, he was expelled from school, and I also found out from the police that he was a ROTTEN TO THE CORE MONSTER! He did it all, murders, arsons, bank robberies, kidnappings, assaults, etc. After he was expelled, he was also arrested for his many crimes in Gotham Royal York. Then, he was convicted for his crimes, thanks to my testimony and for providing the evidence of his crimes, and he was sent to prison for life.

Me: Whoa!

Nico: Awesome job.

Lincoln: Yeah, it was so awesome. Plus, like I said, she's defended me from the worst bullies in all of the city, and that also included Lori, Lynn, Lola, Lisa, and Luan.

Lori: None of us could literally take her down, because the second we do, she'll absolutely show no mercy on us and she'll leave us in body casts for years.

Eli: Ouch.

Nico: Damn. To be left in a body cast for years, I don't even want to think about that one!

May: Say, maybe you could dress up in sadomasochistic clothes and make the bullies beg for their lives.

Lincoln: May, she's not into torture.

Natasha Katariina: Lincoln's right, I'm not into torture, but if I dress up in biker clothes, it'll teach any braindead moron a lesson and send the message: cross me and my man and they die.

TLPS Mr. Wolf: If those banshees Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan saw you in biker clothes and with your man, they won't even care, they're completely heartless, sadistic, evil, bloodthirsty, monstrous, insane, and unfeeling. And I swear, if they dare break out again, they better pray we don't find them.

Lori: You said it.

Selene (Underworld): After what J.D. told us of how bad the Dark Sides of the Louds are, I'm indeed tempted to teach them a lesson they'll never forget.

TLPS Mr. Wolf: Well, they're not as bad as the Lycans, or even Kraven, the Vampire Elders, Viktor and Marcus Corvinus, and Marcus' twin brother, William Corvinus, Selene. But, they got a bad reputation here in Michigan for all sorts of bad things they've done.

TLPS Ms. Tarantula: Which is why if they break out, Lincoln's going to give them the Crystal Dragon's Vengeance Curse, which'll trap them in crystal prisons and they'll be drained of their negative energy, and it'll make us stronger when we absorb the negative energy.

We then got a shower afterwards, but then, the alarm in the TLPS World Tree Estate sounded, and when Lincoln checked it, he saw that Strider Hiryu's enemies, Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh are here, and they're causing havoc in the city.

Lincoln: Oh no, guys, Strider Hiryu's enemies, Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh are here, and they're causing havoc in the city.

Strider Hiryu: I knew it was only a matter of time before any of my enemies arrive to cause havoc.

But, before we were about to head out to deal with Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh, suddenly, Lincoln's deep sapphire blue eyes glowed even more, as he sensed many dark energy signals, and he saw who those figures were in the vision: it was none other than our old enemy, Claude and his werewolf cult, and they've returned from the dead to get revenge on us for killing them years ago in Paris, France. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and J.D., you're not going to like who it is: the dark energy signals I sensed belonged to Claude and the members of his werewolf cult, and they've returned from the dead to get revenge on us for killing them years ago in Paris, France.

We gasped in shock.

Me: What? Oh man, I thought we got rid of him and his werewolf cult for good years ago.

Lincoln: We did, but now, after six years, they've come back from the dead to get revenge on us. Okay, first, we'll deal with Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh, then, we'll deal with Claude and the members of his werewolf cult.

Ookami Ranka the Wolf Girl: Good idea, Lincoln, and I also got this to help kill Claude.

Ookami Ranka the Wolf Girl took out a gun, and in the ammunition clip were silver nitrate bullets, the bullets that Kahn, the Death Dealer, made in response to the UV rounds of the Lycans.

When Selene saw the gun, she saw that this gun was once used by Kraven.

Selene (Underworld): Kraven's gun, where did you get that? I thought it was lost for good when Kraven was killed by Marcus Corvinus.

TLPS Mr. Wolf: I can answer that one, I found it among the ruins of Ördögház, and I gave it to Ookami Ranka the Wolf Girl, this would be in case if any of the Lycans show up from Budapest.

Eve: You feared what could happen if the Lycans show up in Gotham Royal York, that's indeed quite an insight you had.

Lincoln: Like with the many friends we meet, their enemies are now ours. Alright, everyone, let's go.

We head out of the World Tree Estate, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces at Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh, and they hit them on the back and exploded. When Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh saw us, they were enraged.

Xi Wang Mu: Team Loud Phoenix Storm?! How dare you fools show yourselves before us? And just when we're about to kill Strider Hiryu.

Lincoln: That's not going to happen, you four are heading straight for the grave.

Suddenly, the eyes of Koorimoto Man the Mammoth Girl, Kei, Yuri, and Ulala turned neon, and they were surrounded by colored energy auras with elemental forces and animals, and as they approach Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh, they left colored energy, elemental forces, and animals with every step. Suddenly, Koorimoto Man the Mammoth Girl, Kei, Yuri, and Ulala were surrounded by massive vortexes of colored energy with elemental forces surrounding it, there were animals running around the vortex, and in the vortexes are colored phoenixes. Then, as the vortexes faded, the four girls emerged, but they were changed forever.

Ulala has transformed into SUPER ANGEL INFINITY STELLAR HEAVENLY OUTER SPACE ANGEL OF DIVINE JUSTICE AND STELLAR LOVE!

We were amazed by the transformations of Koorimoto Man the Mammoth Girl, Kei, Yuri, and Ulala, and when Lincoln saw them, he had an atomic red blush on his face and hearts in his eyes. But, when Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh saw them, they fell into a rage.

Lincoln: Wow, girls, you look beautiful. How do you all feel?

Koorimoto Man the Mammoth Girl: (Divine Echoing Cosmic Voice of The Firestorm Mammoth and Divine Love) **We feel incredible, Linky. Now, shall we take care of these four monsters once and for all?**

Lincoln: (Smirks) With pleasure.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined the four girls.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Time to put an end to your ambitions once and for all.**

Lincoln, Koorimoto Man the Mammoth Girl, Kei, Yuri, and Ulala went after Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh, and they fire powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Mammoths, and they exploded with incredible power as they hit Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh. Then, they thrashed Xi Wang Mu and her trio of assassins, and Lincoln left nasty slash marks with his massive sword. Then, the four girls tied Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh with neon colored energy ropes.

Koorimoto Man the Mammoth Girl: **Okay, Lincoln, you know what to do?**

Lincoln: (Smirks) **You got it, Koorimoto.**

Lincoln spreads his massive deep sapphire blue angel wings, and red energy was being charged in them, and this horrified Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh, and it meant their dreams of world domination and their lives are about to come to an end.

Lincoln: **DEATH WING LIFE DRAIN!**

Lincoln fired massive red energy beams from his massive deep sapphire blue angel wings, and as they hit Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh, Lincoln began sucking out their life forces, along with the powers and abilities of Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh, and his rainbow energy aura with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo flared up extremely, as he gained a massive power boost, and he made Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh's powers his own. Then, as he was done, Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh were reduced to mummified husks drained of life, and as their spirits appeared, they were marked with a kanji on their foreheads by Lincoln, and Xi Wang Mu, Tong Pooh, Sai Pooh, and Pei Pooh are erased from existence forever. We cheered wildly as they holster their weapons and power down, and Koorimoto Man the Mammoth Girl, Kei, Yuri, and Ulala's new bodies, clothes, weapons, jewelry, and massive angel wings are permanent.

Lincoln shared a romantic kiss with Koorimoto Man the Mammoth Girl, Kei, Yuri, and Ulala, and we all cheered for them. Then, they came back to us.

Ranka Ookami the Wolf Girl: We got rid of more of Strider Hiryu's enemies, but we're not done yet.

Lincoln: That's right, there's still the matter of Claude and his werewolf cult, who are also heading to our location to get revenge on us.

TLPS Mr. Wolf: Hope you got plenty of silver nitrate bullets in that gun, Ranka.

Lincoln chanted a powerful spell, which gave her unlimited silver nitrate bullets in the gun.

TLPS Mr. Wolf: Unlimited silver nitrate bullets, since we know Claude isn't coming here alone. Smart thinking, Lincoln. Let me, Selene, Michael, and Eve join in too.

Lincoln: Are you sure?

Eve: Yes, we are. While we take care of Claude's men, you and Ranka take down Claude, and see to it they never come back.

Selene (Underworld): And I already know you also have a Nocturnal Werewolf form as well, Lincoln, since J.D. transformed into J.D. the Nocturnal to take care of the Lycans.

Nico: Yeah, so this means, you can transform into Lincoln the Nocturnal and you and Ranka Ookami can go wild and rip Claude's heart out of his chest and devour it, Lincoln.

Lincoln: That's all I want to hear.

?: I will have my revenge on you for destroying me and my cult years ago, J.D. Knudson!

Me: There's no mistaking the scent of a werewolf from anywhere. You can come out now, Claude.

A figure came out, and it was none other than our old enemy from Paris years ago, Claude, the werewolf and leader of a werewolf cult in Paris, France.

Me: Should've known you'd show up again, Claude.

Lincoln: But, this'll be the last time that we deal with you and your cult of werewolves, because we're going to make sure you never come back.

Claude: I will tear all of you to shreds for what you all have done to us!

One of the werewolves was about to attack, but Ranka Ookami the Wolf Girl shot it with Kraven's gun, and it died immediately as we saw its veins turning dark silver, as the silver nitrate worked its way through its body.

Nico: Whoa.

Selene (Underworld): Kahn did an excellent job in creating the silver nitrate bullets, and it'll only be used on evil werewolves and the Lycans, should they show up.

Me: Impressive.

Ranka Ookami the Wolf Girl: And I've had it up to hear with you to last an eternity.

Suddenly, Ranka Ookami's orange-yellow eyes turned neon orange-yellow, and she was surrounded by a pink energy aura with wolves and pink flames, and as she approached Claude, she left pink energy, wolves, and pink flames with every step.

Ranka Ookami the Wolf Girl: Claude, the crimes you've committed against mankind with luring the tourists to your bar so you and your cult can kill them cannot go unanswered. You shouldn't have returned from the dead, and now, I'll see to it that you and your cult never rise again.

Then, Ranka Ookami the Wolf Girl was surrounded by a massive vortex of pink energy with pink fire surrounding it, there was a wolf running around the vortex, and in the vortex is an orange-yellow phoenix. Then, as the vortex faded, Ranka Ookami the Wolf Girl emerged, but she was changed forever.

Ranka Ookami the Wolf Girl has transformed SUPER ANGEL INFINITY SAKURA FIRESTORM WOLF ANGEL OF HEAVENLY JUSTICE AND DIVINE LOVE!

We were amazed by Ranka Ookami the Wolf Girl's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Claude saw it, he fell into a rage and ordered more werewolves to kill her. But, Ranka Ookami shot them with more silver nitrate bullets, and they too died.

Lincoln: Wow, Ranka, you look beautiful. How do you feel?

Ranka Ookami the Wolf Girl: (Divine Echoing Cosmic Voice of The Firestorm Wolf and Divine Love) **I feel incredible, Linky. Now, shall we rip this evil werewolf to shreds?**

Lincoln: (Smirks) With pleasure, Ranka.

Suddenly, Lincoln let out a growl as the 7'5" tall, handsome, and extremely muscular man's black pupils in his deep sapphire blue eyes turned into slits, his canines grew into sharp fangs, his nails then grew into sharp claws, large white pointed werewolf ears grew out of his head, and then, his massive and powerful muscular body was covered in white fur and his chest and abs were also covered in white fur, his face elongated into a sturdy white wolf's snout, and his massive, long, and powerful eleven white werewolf tails with large black wolf heads sprouted out, and he let out a loud howl. Lincoln transformed into Lincoln the Nocturnal, and he unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he also transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Ranka Ookami the Wolf Girl.

Lincoln: (Divine Echoing Beastly Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's rip Claude and his minions to shreds!**

This made Claude so mad, he injected himself with the drug and he turned himself into a werewolf, and the other members of his cult did the same and turned themselves into werewolves.

Selene (Underworld): Shall we?

TLPS Mr. Wolf: Let's give Lincoln and Ranka a hand, and send those werewolves to Hell!

TLPS Mr. Wolf transformed into Super Angel Infinity Moonlight Firestorm Wolf Angel of Lunar Justice and Life and he unholstered his massive Fenrir's Sword of The Moonlight Wolf from his wider and more muscular back, Selene got out her two pistols, and Michael Corvin transformed into his hybrid form, and they went at the werewolves and they attacked them with midnight blue and rainbow energy, moonlight, wolves, darkness, vampire bats, and silver nitrate bullets, and killed most of the werewolves.

Then, Ranka Ookami the Wolf Girl and Lincoln went after Claude and the remaining werewolves, and they fired very powerful blasts of rainbow energy, pink energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Wolves at them, and they exploded with incredible power as they hit the werewolves. Then, Ranka Ookami and Lincoln engaged in a powerful fight against Claude, and they dodged Claude's attacks, and they tore at the werewolves with their claws and Lincoln slashed at the werewolves and sent his tails at them, and the wolf heads bit them and they all sucked out their blood and energy and killed them. Then, Ranka Ookami fired a silver nitrate bullet into Claude's heart, and it killed him immediately, as the silver nitrate worked its way through his bloodstream and killed him.

Then, as Claude's spirit and the spirits of his followers appeared, Ranka Ookami and Lincoln marked their foreheads with kanjis, and their spirits were erased from existence forever. We cheered for what Lincoln and Ranka Ookami the Wolf Girl did as they powered down, and Ranka Ookami's new body, clothes, weapons, jewelry, and massive pink angel wings were permanent.

Ranka Ookami the Wolf Girl: That's it for Claude and his werewolf pack. Thanks for helping me with getting rid of Claude, Lincoln.

Lincoln: (Smiles Warmly) (Beastly Voice) You're welcome, Ranka.

Ranka Ookami the Wolf Girl: But, don't turn back just yet.

Suddenly, Ranka Ookami the Wolf Girl wrapped her arms around Lincoln's waist, and her chest was pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and Lincoln wrapped his abnormally massive and powerful muscular arms around Ranka's waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Ranka's face, they kissed passionately as Ranka wrapped her left arm around Lincoln's wider and muscular back, and she'd placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, and Angel flying in the air, along with flames behind them, and we also saw a herd of Buffalo and the packs of wolves running across the field, and the display of the elemental forces behind them, and we cheered for them, and we heard wolves howling behind them, and they're underneath the full moon.

Nico: Now, that's so awesome.

Me: And now, we're finally rid of Claude and his minions for good.

Then, Lincoln changed back, and he and Ranka Ookami came back to us.

Lincoln: Yep, after six long years, Claude and his werewolf minions are now finally gone for good, and they're never coming back.

TLPS Mr. Wolf: Now, tourists and the people of Paris can breathe a lot easier now that there's not any threats of werewolves running loose in the Parisian streets.

TLPS Mr. Shark: And during Nico's rescue, we also got rid of the Lycans as well.

Lincoln: But, there's bound to be more Lycans running loose in Hungary, but we're more than ready for them.

TLPS Mr. Wolf: If I see so much as one Lycan here in Gotham Royal York, the last thing they'll ever see in their life is a shadow of death looming over them, right before I take their lives and make them regret ever coming to Gotham Royal York and leaving the safety of Budapest, Hungary.

Later it was time for Vakama's 3rd Ambassador Mission.

Nico: Pyro, you can go with Vakama. I'll watch the Estate for you two and J.D.

Unknown to everyone, Nico had a stack of water balloons prepared in his room.

Pyro: Okay. Be careful Nico. Watch out for any pranks.

Nico: Oh I will.

Me: Yeah they are gonna strike at any time.

Nico: Oh boy.

We were off to Florida.

We arrived in Florida later.

Me: Hey guys.

Max (Dino Squad): Hey Vakama, J.D.!

Vakama: Guys, meet my archenemy.

Pyro: Awesome to meet you. I'm St. John Allerdyce. But you can call me Pyro.

Fiona (Dino Squad): Pleasure to meet you. What powers to do you have?

Pyro: Fire Powers and I was born with amazing fire powers.

Vakama: Yep.

Ms. Moynihan: Young man, I hope you're not planning on lighting anything on fire in here.

Pyro: Relax. I'm not gonna be stupid enough to cause a chemical explosion in here.

Me: It's all right John. There are no chemicals that will explode here. But we're really after Victor Veloci.

Pyro: I'll gladly burn him all over.

Me: That is awesome. The Curse that I put on him will prevent him from dying till we defeat him on June 7th.

Vakama: Good. We don't want the fun to be over already.

Pyro: (looks outside) Guys, I dont see Veloci. But I DO see a mutated Falcon outside

We saw giant mutated falcons and they were as big as Rhamphorynchus and on one of them was Veloci!

Pyro: Looks like one of them have Veloci!

Me: Good! I'll get him down so you can burn him!

I flew up and swooped in and kicked Veloci down and then he crashed into the ground.

Pyro then went up to him.

Pyro: (smirks) Hi there. My name's Pyro. I'll be your ass kicker for today.

Veloci: Wait, aren't you with the Brotherhood of Mutants?

Pyro: Not anymore. Now I have a new group.

Pyro fired a wave of fire and it slammed into Veloci and burned him all over the place.

Veloci: That really hurt.

Vakama used his Mask to turn invisible, confusing the mutated Eagles.

They looked around for him.

Vakama then blasted the Mutated Eagles all over and I fired waves of energy and sucked out the ooze and Max and team sucked it up and the falcons reverted back to normal.

Me: That was easy.

Pyro: Veloci got away but he was burned to a crisp.

Me: That will show him not to mess with a former member of the Brotherhood of Mutants.

Me and Pyro high five.

Rodger (Dino Squad): (to Max) Nice job, man! (about to high five Max)

Max (Dino Squad): (sees Rodger's joy buzzer) Don't even think about it.

Me: (Laughs) The old joy buzzer. Luan did that to me when we first met in 2016 and it was awesome and funny.

Rodger (Dino Squad): Neat.

Me: Was a nice try though.

Pyro: Yeah it sure was.

We later came back.

Nico: How did it go?

Me: Awesome. Pyro burned Veloci to a crisp.

Nico: Nice.

Vakama: And we cured a bunch of mutated Falcons.

Nico: Man I can't wait till we kill Veloci.

May: Who should go with you next time?

Vakama: This time I would like all the Toa Metru and Toa Nuva to come with too.

Nico: Ooh good call on that.

Nokama: It'll be awesome.

Hypno Woman: Thanks for having me on the team, guys.

Nico: No problem Hypno Woman. Dr. Light is happy to have built you.

Hypno Woman: Yes he is.

I came in and I had all of Nico's Water Balloons held in place by my psychic energy.

Me: Nice try Nico. I believe these are yours.

I threw them at him and they splattered him all over and drenched him.

Nico: You know how much trouble it was to get all those in one place?

Brock: Probably a lot of trouble.

Me: Sorry dude. But it's gonna take more than a bunch of water balloons to get me.

Nico: Well it was worth a try.

Me: Better luck next time.

Hypno Woman: Yeah that was funny.

I left.

Submarauder: Where'd you get those water balloons anyway?

Nico: Eddy gave them to me. But J.D. won't like the other pranks I have for him.

I was walking to the library and then I suddenly saw an anvil coming at me and then I grabbed it and set it down.

Me: Whoa! Nice try Nico.

Then I dodged a bunch of coconuts firing at me and they hit Patrick in his face.

Searchlight: Damn, J.D.'s good!

I then saw a bunch of skunks coming and then I pulled out a flute and played a tune and lead the skunks out of the estate and into the forest.

Then I came back.

Me: Nice try. But Nico save the pranks for Flip and the others.

Nico: Oh you're right.

Skullgrin: This first fun April Fool's Day is a perfect day for humiliations.

Nico: It sure will. By the way J.D. how did you dodge those pranks really well?

Me: I learned from past experiences with Luan and your brother Connor. Also I have someone on the inside telling me about your tricks.

Laney: (Smirks)

Nico: Oh right Laney knows those pranks too. Anyway lets get ready.

Then Seadramon, Titania, Titanium Titan, Batroc the Leaper, Whirlwind, Chillyfish, Harpymon, Killer Croc, King Shark, and Goro appeared.

Seadramon: Can me, Titania, Titanium Titan, Batroc the Leaper, Whirlwind, Chillyfish, Harpymon, Killer Croc, King Shark, and Goro go with you guys?

Nico: You sure can.

Lisa Loud: Also I have a perfect alarm clock just in case our friend Flip sleeps.

She called in a bunch of robots that looked like a bunch of girl scouts.

Nico: Wow!

Me: Robots that look like Girl Scouts.

Eli: This is gonna be awesome.

Titania: Very well created.

Lisa Loud: Thank you. Meet the Girl Scout Robot Pulverizers. They act like Girl Scouts selling cookies but if you don't buy their cookies they will thrash and pulverize you into dust.

Nico: Whoa! Very genius. Awesome to use in these humiliations.

Thrust: Nico, which Gene Slammer do you think you'll find on your next rescue?

Nico: Hmm. Lets see. I'm hoping to go meet a Gimlinopithecus Gene-Slammer next.

Me: Ooh go meet one that's of Shocksquatch's kind. Good idea.

Eli: Yeah that would be awesome.

Me: It sure will.

Then I saw a bunch of water balloons filled with sewage coming at me and then Eli held them in place with the Force.

Eli: Nice try Luan. Use these pranks for the humiliations.

Luan: Aw man! Okay then.

---

We were walking to Lynn's Table.

Titanium Titan: Is this your first fun April Fool's Day?

Nico: Yes it sure is.

Me: I'm looking forward to this one.

Eli: Me too. For once an April Fools Day where the Loud's and Chan's don't live in fear.

Nico: Yep. Well said Eli.

Lisa Loud: Just what I was anticipating Billy to do. Go get him robots.

The Robot Girl Scouts went up to Billy and they pulled on his shirt and woke him up.

Billy McLean: Huh? Oh hey there.

Girl Scout Robots: Hello. We're selling cookies. Would you like to buy some?

Billy McLean: No thanks.

Their vision told them to terminate him. Their eyes glowed red and their teeth turned monstrous

Girl Scout Robot 1: (Techno Voice) That William McLean is a decision you will live to regret!

They went at Billy McLean and thrashed and pulverized him all over the place with incredible brutality and more.

Zenet: What about the others?

Pinkie Pie: But it's really amazing that these vampires are out there.

Featherweight: Yeah usually vampires are dangerous and evil.

Aquaman: But at least Selene is not like that. And her daughter Eve is a triple hybrid. How cool.

One day, Natasha was heading for the cafeteria with Lincoln to get lunch and join Clyde, Stella, Liam, Zack, and Rusty, but things got bad when a really horrible bully named Nathaniel Durrest showed up and he had a knife in hand, and that asshole was going to kill Lincoln. Natasha got so mad at that moron, and she went up to him and punched him hard in the face, and she also blasted him with a powerful blast of light, and when she spread her rainbow angel wings, everyone saw that she also had powers as well. Then, she went on to pulverize Nathaniel Durrest badly, and in the end, he was expelled from school, and she also found out from the police that he was a ROTTEN TO THE CORE MONSTER! He did it all, murders, arsons, bank robberies, kidnappings, assaults, etc. After he was expelled, he was also arrested for his many crimes in in the city. Then, he was convicted for his crimes, thanks to my testimony and for providing the evidence of his crimes, and he was sent to prison for life.

Magneto: Goodness! That kid was a total psychopath! But thank goodness that Natasha helped Lincoln and friends just in time. That is amazing.

Whirlwind: It sure was awesome to hear about.

Natasha Hernandez the Red-Eyes Zombie Dragon Gene-Slammer, Princess Celestia, Princess Luna, Princess Cadance, Minuette, Twinkleshine, Lemon Hearts, Moondancer, Lyra Heartstrings, Sunset Shimmer, Twilight Sparkle, Brittney Knudson and Misty Tredwell VS Su Yung

Su Yung was next.

Su Yung: Out of all the enemies of Sly Cooper who was the worst of them all?

Natasha HErnandez: That's an easy one. That would have to be Clockwerk. He was a giant immortal Eurasian Eagle Owl and for over 12,000 years he has harbored an incredibly intense and massively burning hatred towards the entirety of the Cooper Clan for its Thieving Reputation. Clockwerk got his power from sheer burning intense hatred and jealousy. He was a monster!

Princess Celestia: Yes he sure was and his jealousy and hatred was so bad that it rivaled many people over the years.

Princess Luna: It was far more powerful than what I went through when I turned into Nightmare Moon. It was horrible.

Princess Cadance: He did not have one single shred of love or empathy.

Minuette: Having to live like that for 12,000 years just to wipe out a rival clan is really awful.

Twinkleshine: Yeah it sure is awful. Clockwerk was Pure Evil Incarnate.

Lemon Hearts: Yeah he sure was horrible. What he did made him worse than anyone.

Moondancer: Yeah no kidding. That was absolutely horrible.

Lyra Heartstrings: Yeah and his hatred was so intense that he replaced his mortal body with soulless machinery.

Sunset Shimmer: And because of that he lived on for over 12,000 years.

Twilight Sparkle: That is so terrible.

Brittney Knudson: Yeah I'll never forget Clockwerk. He was the ultimate enemy of the Cooper Clan and he is now gone for good.

Misty Tredwell: He got what was coming to him thank goodness.

Su Yung: Yeah. Lets do it!

They fired waves of darkness and magic and smashed her down.

Natasha Hernandez: DARKNESS FALLS!

Princess Celestia: That was so fun.

---

Catherine Iroh Lan Kai the Firebird Gene-Slammer, Layla MacKenzie, Sakura Avalon, Madison Taylor, Chelsea, Rita, Nikki, Kero, Li, Yue (Cardcaptors), Carly Atlas and Misty Tredwell VS Admiral Zhao

---

Admiral Zhao was next.

Admiral Zhao: What was the difference between Cyrille Le Paradox and Clockwerk?

Catherine Iroh: That's an easy one. We found out lots of things about them. Like the Cooper Clan, Cyrille Le Paradox came from a clan of thieves himself. Not as big as the Cooper Clan but right up there. But they didn't write down all their techniques and styles in a book that they kept for many generations. Another factor that sets the Le Paradox Family apart from the Cooper's is that they are all a family of Anthropomorphic Skunks and they were caught so easily because their stench made them easy to find. So in a way their stench made them like living beacons so to speak. Clockwerk lived for over 12,000 years because of sheer jealousy and hatred over the entire Cooper Clan's thieving reputation. But Clockwerk went after one Cooper at a time over the millennia where as Cyrille Le Paradox blamed the entirety of the Cooper Clan for his family's past misfortunes and he used time travel to wipe them out completely!

Admiral Zhao: Oh man! That is scary.

Layla MacKenzie: Yeah that was scary and crazy.

Sakura Avalon: It's horrible that they both are that dangerous and evil.

Madison Taylor: Yeah it sure is. But they both had different outcomes for each of them.

Chelsea: Cyrille Le Paradox was locked up in prison forever and Clockwerk is dead.

Nikki: Yes because Brittney crushed the source of Clockwerk's power with her bare hands.

Rita (Cardcaptors): The Hate Chip. She crushed that with her bare hands.

Admiral Zhao: She just wiped out 12,000 years of crimes just like that.

Kero: Brittney sure did there.

Li: Yeah that was awesome and cool.

Yue (Cardcaptors): Hard to imagine.

Carly Atlas: It's good he is destroyed and Le Paradox is now in jail forever.

Misty Tredwell: Lincoln should curse him too just in case.

Admiral Zhao: I agree there. But man Sly Cooper has been through a lot.

Catherine Iroh: All of his family over the millennia has.

Admiral Zhao: Yeah. Lets do it!

Catherine did some stances and fired blasts of fire and the group fired waves of magic and smashed him down.

Catherine Iroh: FOR THE FIRE NATION!

Sakura Avalon: That was awesome!

Sunny Starscout: Those books are all awesome.

Izzy Moonbow: They sure are and I like the Hound of The Baskervilles.

Hitch Trailblazer: I liked the stories about Jack the Ripper.

Pipp Petals: It's amazing that there are so many stories like that for him.

Zipp Storm: But the 2 villains that Sherlock Holmes could never bring in were Arsene Lupin and Jack the Ripper.

Himiko Toga: That's right. But it's amazing how forensic science was able to identify Jack the Ripper after over 140 years. He was really an Immigrant from Poland that was mental ill.

Diamond Tiara: That is amazing.

Cozy Glow: That is so awesome.

Sunfire: Forensic Science sure has come a long way hasn't it. Lets do it!

Shinoa Hiragi: You have no idea. He wants all that money all for himself.

Me: Yes he does. We heard many rumors going on about him and we were told that he has 500 times more than our entire wealth.

Brittany Gresh: Wow! That is an amazing amount of wealth.

Witchfire: No kidding! That is amazing. Lets do it!

We fired waves of blue fire and energy and smashed her down.

Shinoa: TAKE THAT!

Me: (HOWLS)

Laney Sonnya Romanov the Infernal Flame Emperor Gene-Slammer, Sam S.L., Lady Rainicorn, Finn, Princess Bubblegum, Flame Princess and Eli VS Lady Flamicorn

Lady Flamicorn was next.

Lady Flamicorn: (Speaking in Korean) 우리 몬태나 버전의 이 사악한 버전은 돈과 그 모든 것에 대한 그의 사랑 때문에 따라가기 힘든 쿠키

중 하나임에 틀림없습니다. (This evil version of our version of Montana must be one difficult cookie to go after because of his love of money and all that.)

Laney Sonnya Romanov: (Speaking in Korean) 당신은 거기에서 농담하지 않습니다. 우리는 그가 우리보다 몇 배나 더 많은 돈을 가지고 있고 강렬하다는 소문을 들었습니다. 그러나 그가 한 모든 일 후에 그는 그 모든 돈을 받을 자격이 없습니다. (You are not kidding there. We heard rumors flying around that he has many times more money than we do and that is intense. But after everything he did he doesn't deserve all that money.)

Sam S.L.: I have a feeling that he stole all that money and tried to go after our money but couldn't do so because of our encrypted accounts and more.

Lady Rainicorn: (Speaking in Korean) 그는 그때 완전히 운이 없었습니다. 우리 계좌에 들어가는 것은 세계에서 가장 어려운 은행에 백만 배나 들어가려고 하는 것과 같습니다. (He is totally out of luck then. Getting into our accounts is like trying to get into the toughest bank in the world times a million.)

Finn: That is amazing.

Flame Princess: But at least he won't try.

Eli: Yeah no kidding.

Princess Bubblegum: Yeah no kidding.

---

The giant fowl Moby Duck is a scourge of the sea and enemy of Captain James P. Dirt and his filthy crew.

History

According to legend, Moby Duck will relentlessly pursue anyone whom it deems unclean until such time as it can clean them. When Tommy Gilligan joined the Filthy Crew and helped them capture Moby Duck, Tommy and Jimmy learned the truth behind Moby Duck: that it was actually a robot controlled by Jimmy's mother Mrs. Dirt, who had been trying to make him take a bath for 36 years.

---

Moby Duck: (QUACK)

Natasha Katariina: Whoa! That is an awesome Rubber Ducky. But it's not my bathtime already is it?

Mrs. Dirt: No it's not.

Natasha Katariina: WHOA!

Mrs. Dirt: Sorry for the scare. My name is Mrs. Dirt. I built this giant Rubber Duck robot to go after my son James T. Dirt. He hasn't taken a bath for 36 years.

Natasha Katariina: I get that a lot. Sorry you went through all this trouble to get your son to take a bath for 3 and a half decades.

Mrs. Dirt: I'll be okay.

Gloria Gellespie the Vladat Gene-Slammer VS Zimbo (AAAHH! Real Monsters)

---

Gloria Gellespie was looking around and then out came ZIMBO!

---

Zimbo is The Snorch's partner. He is the only monster who can understand the Snorch's words. He looks like a bee and can fly. Zimbo doesn't treat any of the students at the Monster Academy nicely, but he is nice to Gromble(the teacher). He often spreads rumors, showing he's more of a trouble maker than a helper. He may even be more of a bully than others see the Snorch as, as he takes joy in seeing others in torment. In the episode I Heard the Snorch Call My Name, he grew very jealous when Snorch wanted to befriend Oblina and took great joy at the idea that without the voice box, Oblina wouldn't be his friend. Zimbo is voiced by the great voice actor, Tim Curry.

Gloria Gellespie: So my archenemy is a bug monster.

Zimbo: Oh indeed. My name is Zimbo.

Gloria Gellespie: Pleasure.

Zimbo: Shall we get this challenge on?

Gloria Gellespie: Lets.

Gloria fired waves of energy and smashed him down.

Miana & Maina VS Demon Peter Puppy.

Nico teleported and opened Vulpes' safe and in it was a bunch of guns called the Destroyers of the Lycans, and they also have unlimited ammunition clips of silver nitrate bullets and UV bullets, in case if Kraven, Viktor, or Marcus Corvinus dare to come back from the dead. Once in hand, they'll get a massive power and energy increase.

Nico: Cool guns.

Nico teleported back with them.

Samurai Rangers: SAMURAIZER! GO GO SAMURAI!

Antonio: SAMURAI MORPHER! GOLD POWER!

They transformed and were ready!

Megaforce Rangers: LEGENDARY RANGER MODE! SAMURAI!

The Megaforce Rangers turned into the Samurai Rangers too!

Nico: Lets get him!

Jayden: FIRE BUSTER CANNON MODE!

He turned the Fire Buster into a cannon!

Nico loaded an Inferno Dragon Disk and they loaded their disks!

Nico: FIRE!

They fired waves of elements and energy and Vulpes exploded!

Nico: YEAH!

Jayden: Samurai Rangers Victory is ours.

Nico: Vulpes you have failed this city again!

Troy Burrows: Rangers that's a Super Mega Win.

---

The battles were done and we regrouped and cheered.

Absorbing Man: Nice way to spend April Fool's, huh?

Nico: You said it!

Kyd Wykkyd: And no Dark Luan to mess it up.

P'andor: And no Dark Connor either.

Nico: Thank goodness. Mr. Lynn how did you like doing April Fools day here the right way?

Lynn Sr.: I liked it it better than the way we had to go through with it. It was awful. But it's nice to see April Fools day done normally now.

Me: That is for sure.

Trumbipular: Tomorrow is Sheila and Eric's wedding.

Nico: You said it.

Whiger: We'll need to get a very special cake.

Eric Loud: I hope it's a great one.

Lynn Sr.: We're really proud of you kiddo.

Eric Loud: Thanks Uncle Lynn. It's gonna be awesome.

Nico: Yeah it sure will. (To the viewers) Hope you all have a safe and fun and happy April Fools Day. This was a funny adventure.

Me: Boy it sure was. Now we have to get ready for tomorrow.

Nico: Yep.

We went back to the estate and we enjoyed the rest of the day and went to sleep. It was fun.

Meanwhile half way around the world, Lupin III and his gang were getting ready for our arrival.

Lupin III: This will be so fun! I can't wait to see what kind of heist we're doing tomorrow with Team Loud Phoenix Storm.

Jigen: It will be awesome.

Goemon Ishikawa XIII: Lets get ready for this everyone and make it fun and honorable.

Lupin III: Yep. Lets do it!

They went at the screen!

CHOIR: LUPIN III!

TO BE CONTINUED!

Another awesome fanfic done!

Hope you all got a great laugh out of this one. The first part was for the awesome movie Underworld 4: Awakening. That was an awesome movie series. The second part was for the episode of Courage the Cowardly Dog called Cajun Granny Stew. One of my favorites and it was great. That episode aired on November 12th, 1999 and it was awesome! NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Thor, me and Eli face an evil version of Loki from The Avengers and we're going to take down that evil traitorous god for good! We're also going to meet a Gimlinopithecus Gene-Slammer named Shelley Laurence and she is from Nico's Ceramics Classes. The next rescue for Lincoln is gonna be in the in the Earthworm Jim world of New Junk City and they are going to face that Fish Vomiting freak Chuck and get him to join the Masters of Evil. Also they are going to meet an Ocean Dragon Lord Neo Daedalus Gene-Slammer named Violet Alabama, Violet is one of Lincoln's Guardian Angels and she is also the Gene-Slammer of Ocean Dragon Lord Neo Daedalus and she has many horrible revelations about Chandler and his evil dad. Also she has many dark secrets about Princess Morbucks. She is going to reveal 10 revelations each for Chandler and then 10 revelations for that evil spoiled brat Princess Morbucks in the Limburger Cheese Mines. Also I'm gonna do a test rescue for myself. I'm going to rescue girls in Bikinis in the Mirrodin Forest in the world of Magic the Gathering and they are gonna be under attack by a bunch of wild Alpha Kavu. Me, Laney, Eli, Varie, Allie Wilde, Nicole Knudson, Marle, Nico and Ruby Rose will head out to rescue them. So I'll need the scene for that please Guest. Also for phase one of Sheila's transformation against Evil Montana Max so I'll need the sequence for that please too. Also as you all saw tomorrow is gonna be for the awesome anime Lupin III and we're going to have not only Eric Loud and Sheila's wedding but it's gonna be a trap for an evil version of Montana Max and we're going to make that evil spoiled brat pay big time and send him to the worst place ever known on Earth: The Brussel Sprouts Mines in Belgium!

See you all tomorrow

# THE ULTIMATE HEIST OF LUPIN III

Flying over New York City was Nico, Thor, me, Eli and the Hulk and we got word that something big was going down.

Nico: Thanks for coming with me, Thor.

Thor: It was my pleasure Nico and this will most be fun for all of us.

Me: It sure will. I have a feeling this will be a fun one.

Eli: I sense a lot of godly activity at work here.

Nico: Oh man and I have a strong feeling that this is the work of an evil version of your brother Loki.

Me: That accursed traitorous fiend! He just doesn't know when to stop.

Nico: No he doesn't. But Hulk will know how to deal with him.

Hulk: Hulk will smash puny god into pulp like Hulk did before.

Me: I remember seeing that on TV. That was awesome.

Nico: Thor, I promise after Vakama's missions, Princess Celestia will meet your Yost Version and the other Yost Avengers on her missions.

Thor: I am most looking forward to that Nico.

Eli: This will be so awesome.

Nico: It sure will.

Me: It'll be really cool to meet the Yost versions of the Avengers. They are gonna be awesome. And they are gonna be in for a surprise when we tell them that I killed the Yost Dr. Doom.

Nico: That's true. You had a lot of unfinished business with him J.D.

Me: Boy I sure did.

We then saw Loki fighting the Avengers! We saw him fighting Black Widow, Hawkeye, Captain America, Iron Man and Director Fury!

Me: Awesome! Just like in the movie.

Nico: And like in the U.A. World. Lets go!

Me: Lets teach that fuckass god wannabe some manners!

Nico: Hulk, wait here until I give the signal.

Hulk: Hulk do.

We went at Evil Loki.

Evil Loki was laughing maliciously!

But then…

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM

A massive fiery explosion went off above him and a phoenix cry was heard and then Nico teleported and swooped in and punched Evil Loki and kicked him down and smashed him into a bus!

Nico then took Evil Loki's staff and gave it to Eli.

Eli: I could use this.

Evil Loki: (British Accent) You dare challenge the God of Mischief!?

Nico: You're god of nothing! (Goes Super Saiyan 5!)

I went Super Angel Infinity Friendship God!

Eli went Super Human 3!

Thor: This ends now brother!

Nico punched Evil Loki… only to reveal that he punched an illusion.

Nico: Okay, this might take a while.

Me: (Divine Echoing Elemental Voice of Friendship) We have all the time in the world.

I then sensed him and kicked him and sent him crashing into a wall.

Nico fired waves of energy and blasted Evil Loki all over.

Thor then fired waves of lightning and smashed him around all over!

Evil Loki then came out of the rubble.

Evil Loki: HOW DARE YOU!?

Nico: How dare we what? You are the one that brought all this on yourself.

Nico made a grab for Evil Loki… only to reveal that it was another illusion

Nico: OH, COME ON! SERIOUSLY?!

Me: He's a trickster Nico! But use the Sharingan!

Nico: Oh right! I forgot I had that.

Nico activated the Sharingan and he saw the Real Evil Loki!

Nico: Peek-a-boo!

POW!

Nico punched the evil Loki!

Nico: No… more… illusions!

Evil Loki: Can't you appreciate a little humor during battle?

Nico: I've had enough illusions from you to last an eternity!

KROW!

Nico kicked Evil Loki in the face and knocked him down and then Eli slashed him with his staff.

Thor blasted him with lightning!

Evil Loki: You must be good at this Nico.

Nico: Do you ever shut up!?

Me: Nico he's trying to mess with your mind. Tune him out.

Nico: Right. (takes a deep breath) Calm down, Nico. Don't let him get to you. Think pleasant thoughts.

Nico thought of him and May and his harem kissing in the beautiful mountains of the Swiss Alps and enjoying the beautiful scenery.

Nico: So beautiful.

I teleported and kicked Evil Loki in his face and smashed him down and Hawkeye fired arrows and they hit him all over.

Nico: Hulk, where are you?

Hulk: (offers Nico hot dog) Nico want hot dog?

Nico: No thanks Hulk.

Me: I think he's ready to thrash that god freak.

Nico: Yep.

Me: Yeah.

Nico: (to Hulk) Instead of just waiting for Evil Loki to make another illusion, how about you just end this now?

Hulk: Hulk glad to!

Me: Go for it!

?: Let me help too!

A Gimlinopithecus came out and fired a blast of lightning at Evil Loki and electrocuted him all over!

It reverted back and it was a girl with golden hair and golden clothes.

Nico: Shelley Laurence!

Shelley: Awesome to see you again Nico. We can catch up after taking down this malevolent menace of Asgard.

Evil Loki: ENOUGH! ALL OF YOU ARE BENEATH ME! I AM A GOD, FOOLISH MORTALS! AND I WILL MOT BE BULLIED BY- (Hulk grabs him)

Then he mercilessly thrashes and smashes him into the ground all over and pulverizes him into pulp!

Nico: YEAH! GO HULK!

The Hulk really thrashed him all over the place and stopped 10 minutes later.

Hulk: Puny God!

Me: Now he is god of nothing.

I then pulled out a dagger and slashed my wrist and coated the dagger in my poisonous blood.

Me: For your crimes against Asgard and the world you are never gonna be welcome in either place.

I then stabbed Evil Loki in his black heart and killed him and he disintegrated into nothing! HE WAS DEAD AND GONE!

Nico: Good riddance.

Shelley Laurence: Yeah he was really giving us a headache.

Nico: No kidding! But it's awesome to see you again Shelley.

Shelley Laurence: Same here Nico. Now we can catch up.

Thor: What is your favorite memory of Nico, my fine lady?

Shelley Laurence: I have a lot of them but my favorites would have to be in Ceramics class. Nico was having a hard time making a beautiful vase and he then spun the wheel to fast and made a mess. It was funny.

Me: Oops!

Nico: Yeah that was funny.

Shelley Laurence: Yeah. But my favorite was when I saw a bad kid hurting someone and their project. I went and grabbed some clay and I shoved it down his pants and then I kicked him in the face and sent him crashing into a wall. He was expelled after that.

Eli: Nice one!

Hulk: Hulk think that cool.

Shelley Laurence: That was fun.

Me: Very heroic too.

Shelley Laurence: Yeah. But J.D. how did that dagger kill a god like Loki?

Eli: My brother's blood is poisonous.

Me: Yep. My blood is extremely toxic to Immortal Beings. It has the power to destroy them.

Nico: It's true. We have seen it in action many times before.

Shelley Laurence: Wow that is awesome.

Nico and Shelley hugged.

Nico: I really missed you.

Shelley Laurence: Me too Nico. Me too.

Eli: Aww. And we've seen the last of that Evil Loki and I got his awesome staff to use.

Nico: And I know just how you can use that Eli.

Me: Yep. It's part of my plan for our big heist later on today.

Eli: Awesome.

Thor: This will be most enjoyable to watch.

We later went back home.

* * *

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and Hikaru are heading to New Junk City, and not only is Lincoln going to rescue the twenty girls there, but we're also going to face that Fish Vomiting freak, Chuck, and get him to join the Masters of Evil.

Lincoln: Whoa, we're here in New Junk City, and I know what we're going to do here, not only am I going to rescue the twenty girls there, but we're also going to face that Fish Vomiting freak, Chuck, and get him to join the Masters of Evil.

Nico: That's right, big guy.

Me: So, this is New Junk City, what a dump!

Lori: You said it, and it's a good thing we're flying in the air. This place is really cluttered with junk all over the place.

Lincoln: And we also got word that an Ocean Dragon Lord Neo Daedalus Gene-Slammer's here in New Junk City, so this is going to be awesome. And thanks for coming with us on this rescue, Hikaru.

Hikaru: You're welcome, Lincoln.

?: HELP!

Suddenly, Lincoln heard the sound of twenty girls calling for help, along with hearing the sound of a loud scream. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the twenty girls, but they've been cornered by that fish vomiting freak, Chuck, and he's going to kill them.

Lincoln: Guys, I found the twenty girls, but they've been cornered by that fish vomiting freak, Chuck, and he's going to kill them.

?: That fish vomiting freak, let's get him!

Suddenly, we saw the Ocean Dragon Lord Neo Daedalus appear before us.

Lincoln: That voice, I knew it was you, Violet Alabama. But, we'll have to talk later, right now, we've got a fish vomiting freak to pulverize.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, and they hit Chuck, and that allowed the twenty girls to get away. When Chuck saw us, he was mad.

Lincoln: It's over, fish boy. Hope you're ready to get clobbered.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and turned into Maelstrom Lincoln, as the the 17-year-old 7'5" tall, handsome, and extremely muscular man's long, white hair reaching the bottom of his neck turned ocean blue except for the rainbow lightning bolts on the bangs, his deep sapphire blue eyes turned deep ocean blue, the eight large orange orbs orbiting around his legs turned ocean blue, his large deep sapphire blue pants turn ocean blue, but the rainbow colored lightning bolts on them remained the same, his massive orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs turned ocean blue, his orange version of He-Man 2002's loincloth and long orange trenchcoat coattails with elemental forces, thunderbirds, buffalo, and angels with hanging small silver lightning bolts turned ocean blue, and his massive deep sapphire blue angel wings with stars turned deep ocean blue.

Lincoln: I think it's time we gave that fish vomiting freak a bath!

Then, we all fired massive blasts of water at Chuck, and they drenched him badly, and the blasts also knocked him out, and Lincoln tied him up with a rainbow energy straitjacket with rainbow chains, and beamed him to the Masters of Evil HQ. We cheered wildly, as we holstered our weapons and Lincoln changed back.

Lincoln: That's it for that fish vomiting freak. (To Violet Beauregard) And it's so good to see you again, Violet.

Violet Beauregard: You too, Lincoln, it's been a long time.

Lincoln went up to Violet Beauregard and they hugged, and Violet Beauregard was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Violet Beauregard: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Violet Beauregard, she's a local girl from Michigan, and she's one of my many Guardian Angels.

Violet Beauregard: Plus, I have ten evil revelations about Chandler and his evil dad, Anthony McCann, and ten horrible revelations about that evil spoiled brat, Princess Morbucks.

We gasped in pure shock.

Me: Whoa, ten horrible revelations about Chandler and his evil dad, Anthony McCann.

Lola: And ten horrible revelations for that evil spoiled brat, Princess Morbucks, who's in the Limburger Cheese Mines, whoa.

Lincoln: Makes sense, since we'll be going after a more evil version of Acme Acres' spoiled brat, Montana Max, later on. We'll hear about that later, right now, let's get you back to normal, Violet.

Violet Beauregard: No need, Lincoln.

Violet Beauregard reverted back to normal, and she is a beautiful 17-year-old girl with short neck-length light pink hair, light pink eyes, fair skin, she's 6'5" in height, she has the body of a goddess, and she has massive ocean blue angel wings, as she reigned in the power of Ocean Dragon Lord Neo Daedalus, and she's dressed in a sleeveless ocean blue blouse, sleeveless ocean blue turtleneck sweater with black vertical stripes, long ocean blue skirt, ocean blue bellbottom pants with flowers on them, ocean blue sneakers with stars on them, and long ocean blue sleeveless trenchcoat with ocean waves and sea dragons on the coattails and on the back is the Ocean Dragon Lord Neo Daedalus.

Lincoln: Wow, that's one awesome outfit, Violet, and I got you a little something for you.

Lincoln also gave her a massive Ocean Dragon Lord Neo Daedalus-themed sword with a 6'9" massive, wide, double-edged ocean blue blade with the Ocean Dragon Lord Neo Daedalus etched on it, large ocean blue fins for the crossguard, large ocean blue gem embedded in the rainguard, longer black handle, and large ocean blue gem surrounded by angel wings for the pommel.

Violet Beauregard: Wow, I also love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Violet Beauregard's neck with ocean blue gems on the gold lightning bolts and ocean blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Violet Beauregard: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Violet.

Violet Beauregard had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist and Lincoln wrapped his abnormally massive and powerful muscular arms around her body, and he leaned down and kissed Violet Beauregard on the lips, and she returned it, and we cheered for them. Then, we went up to the twenty girls, and when Lincoln saw them, he immediately recognized them. The twenty girls are Yūki Kurama, Ai, and Yayoi Hoshikawa from G-On Riders, Nanaka Yatsushiro, Aoi Oribe, Shuri Wakatsuki, Yuzuki Fujimura, and Asami Hoshino from Myself; Yourself, Ran, Tsubasa, Kurumi, Yuki, Mika, Ayumi, Akane, Midori, Tamami, Momo, Nana, and Lulu from Angel Tales.

Lincoln: Oh wow, it's Yūki Kurama, Ai, Yayoi Hoshikawa, Nanaka Yatsushiro, Aoi Oribe, Shuri Wakatsuki, Yuzuki Fujimura, Asami Hoshino, Ran, Tsubasa, Kurumi, Yuki, Mika, Ayumi, Akane, Midori, Tamami, Momo, Nana, and Lulu.

Nico: From G-On Riders, Myself; Yourself, and Angel Tales, awesome.

Lincoln: Are you girls okay?

Yūki Kurama: Yes, we're okay, thanks to you.

Then, when Yūki Kurama and the other nineteen girls saw who it was that saved them from Chuck, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Yūki Kurama: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made nineteen clones of himself, and he and the nineteen clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Yūki Kurama: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, twenty Thunderbird Necklaces of Eternal Love appeared on the necks of Yūki Kurama, Ai, Yayoi Hoshikawa, Nanaka Yatsushiro, Aoi Oribe, Shuri Wakatsuki, Yuzuki Fujimura, Asami Hoshino, Ran, Tsubasa, Kurumi, Yuki, Mika, Ayumi, Akane, Midori, Tamami, Momo, Nana, and Lulu with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate and we told everyone of what happened in New Junk City, and they were shocked when they found out the villain we went after was Chuck.

But, when Lincoln showed what we did to that fish vomiting freak, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Violet Beauregard now have a lot of catching up to do, now that she's back, and Chuck is now a member of The Masters of Evil.

---

After Lincoln's rescue in New Junk City, me, Laney, Eli, Varie, Allie Wilde, Nicole Knudson, Marle, Nico, and Ruby Rose are heading to the Mirrodin Forest in the world of Magic the Gathering, and I'm going to rescue the nine girls here, and they're going to be under attack by a bunch of wild Alpha Kavu.

Me: Whoa, we're here in the Mirrodin Forest in the world of Magic the Gathering, and I know what we're going to do here, I'm going to rescue the nine girls who are located here.

Nico: That's right, J.D. It's been a long while since you've had any rescues.

Me: It sure has.

Laney: We also need to be careful here, Luna told us that a bunch of wild Alpha Kavu are lurking here in the Mirrodin Forest.

Me: Yeah, but we'll be careful with those wild beasts.

Eli: And when we get back, Violet's going to reveal the ten revelations about Chandler and his evil dad, Anthony McCann and the ten revelations about Princess Morbucks.

Nico: You got that right, Eli. We haven't heard about any revelations about Princess Morbucks before, but we've heard a lot about Chandler and his evil dad.

?: HELP!

Suddenly, I heard the sound of nine girls calling for help. With my eyes and superhuman sight, along with sensing energy signals, I saw and heard exactly where the call for help was coming from. I saw the nine girls, but they're under attack by a bunch of wild Alpha Kavu.

Me: Guys, I found the nine girls, but they're under attack by a bunch of wild Alpha Kavu.

Nico: Let's get those ugly beasts!

We rushed on over, and I unholstered my massive sword from my wider and more muscular back, and transformed, and Nico, Eli, Laney, Varie, Allie Wilde, Nicole Knudson, Marle, and Ruby Rose did the same with unholstering their weapons and transformed, and we went at the wild Alpha Kavu, and we fired powerful blasts of rainbow energy, colored energy, and elemental forces at them, and they exploded with incredible power and killed them. We cheered as we holster our weapons and powered down. Then, we went over to the nine girls, and when I saw them, I immediately recognized them, the nine girls are Yayoi Asuka, Sakuya Kazamatsuri, Hifumi Inokai, Akiwo Suzuka, and Orie Kano from Koi Koi 7, Yai Ayano, Annetta, Ms. Mari, and Maddy from Megaman NT Warrior, and they're in bikinis.

Me: Oh wow, it's Yayoi Asuka, Sakuya Kazamatsuri, Hifumi Inokai, Akiwo Suzuka, Orie Kano, Yai Ayano, Annetta, Ms. Mari, and Maddy.

Nicole Knudson: From Koi Koi 7 and Megaman NT Warrior, awesome.

Laney: And they're in bikinis. Looks like they were at a beach before they got sent to the Mirrodin Forest.

Me: Looks like it, Laney. (To the girls) Are you girls okay?

Yayoi Asuka: Yeah, we're okay, thanks to you for saving us from those wild beasts.

Then, when Yayoi Asuka and the other eight girls saw me, their faces turned atomic red when they saw me, a 7'5" tall, handsome, and extremely muscular hunk with abnormally massive and powerful upper and lower body muscles and eight-pack abs, long rainbow colored hair, rainbow colored eyes, and massive rainbow angel wings.

Yayoi Asuka: Oh wow, you're J.D. Knudson of Team Loud Phoenix Storm.

Me: That's right, and it's a pleasure to meet you all.

Then, I made eight clones of myself, and me and my eight clones went up to the girls, and we wrap the girls' waists around our abnormally massive and powerful muscular arms, and we leaned down to the girls' faces and we kissed the girls on their lips, and the girls returned the kiss, as they wrapped their arms around our necks, and Laney, Nico, Eli, Varie, Allie Wilde, Marle, Ruby Rose, and Nicole cheered for us.

Yayoi Asuka: (Seductively and rubs her right hand on my massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Phoenix Necklaces of Eternal Love appeared on the necks of Yayoi Asuka, Sakuya Kazamatsuri, Hifumi Inokai, Akiwo Suzuka, Orie Kano, Yai Ayano, Annetta, Ms. Mari, and Maddy with colored gems on the gold flames and crystals links from their merged Crystal Necklaces of The Buddha. We then returned home.

Lincoln: Hey, guys. Whoa, what happened?

Me: We went to the Mirrodin Forest in the world of Magic the Gathering, and we rescued Yayoi Asuka, Sakuya Kazamatsuri, Hifumi Inokai, Akiwo Suzuka, Orie Kano, Yai Ayano, Annetta, Ms. Mari, and Maddy who were there, and they were under attack by a bunch of wild Alpha Kavu, and they now have Elemental Phoenix Necklaces of Eternal Love with colored gems on the gold flames and crystals links from their merged Crystal Necklaces of The Buddha.

Everyone gasped with awe.

Lincoln: It's been a while since you've rescued any girls, J.D. But, this was your first test rescue in a long while.

Me: It sure has, big guy.

Lincoln: But, the question is how did the girls wind up in the Mirrodin Forest in the world of Magic the Gathering?

Yayoi Asuka: Wait, now I remember: we were dragged into that forest by an even more evil version of Montana Max. He knocked us out with knockout gas and dragged us there to be killed by that bunch of wild Alpha Kavu, and he was laughing malevolently at the thought of having us killed there, for his own sick amusement.

We gasped in shock.

Me: Why, that evil little spoiled brat, he's going to be sent to the worst place ever on our mission later on today.

Lincoln: You said it, J.D.

* * *

After the rescues were done, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Violet Beauregard saw Lincoln working out like crazy, she had an atomic red blush on her face.

Violet Beauregard: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Violet, and now, I can also defend myself.

Violet Beauregard: That's incredible.

Nico: It sure is, Violet. So, can you tell us the ten revelations about Chandler and his evil dad and the ten revelations about Princess Morbucks?

Violet Beauregard: Of course. For Chandler and his evil dad, I found out that Chandler and his evil dad are a lot worse than you guys first thought. The first revelation is that after their plot to have Lincoln killed with arsenic failed, those two monsters tried to hire hitmen to kill him and his family, but as soon as I found out, I busted the hitmen and got them sent to prison, and Anthony McCann got another Life Sentence added to his original sentence after the hitmen caved in. Then, I punched Chandler hard in the face and gave him a nasty black eye, and when everyone in school found out of the plot, they wanted Chandler's head on a pike, but he got sent to detention. The second is that they tried to destroy Lynn Sr.'s restaurant with a bomb, but I stopped that, and after sending the bomb to the FBI, Anthony McCann got yet another Life Sentence added, and Chandler got pulverized by the Louds. The third is that they tried to destroy the Gotham Royal York schools with yet another bomb, but I stopped their plot, and Anthony McCann got another Life Sentence added, and Chandler got three months detention, and another black eye to his face. The fourth is that Chandler tried to bust his dad out of prison, but I already alerted the police, and they caught the brat and Anthony in the process of breaking out of prison, and Anthony McCann got another Life Sentence added to his original sentence, and Chandler was sent back home, but that didn't stop him. The fifth was that they tried to kill Lincoln's sisters with another bomb, but Lincoln and I stopped that, and when it was found out Anthony McCann also had a hand in it, Anthony McCann got yet another Life Sentence, and we pulverized Chandler and we sent him to the hospital. The sixth is that they tried to blow up Sunset Canyon, but before they could go through with it, a prison snitch tipped off the police, and Anthony McCann got even another Life Sentence added to his original sentence, and Chandler got another beating but not from me, but from Lincoln, since his Pop-Pop lived in Sunset Canyon. The seventh is that they tried to kill Mayor Davis with a hitman at City Hall, but their plot was stopped and Anthony McCann got yet another Life Sentence added to his original sentence, and Chandler got sentenced to Community Service and another three months detention. The eighth was that they tried to destroy the Royal Woods Police Department with another bomb, but a prison snitch tipped off the police, and the bombing plot was eventually stopped, and Anthony McCann got another Life Sentence added to his sentence, but Chandler got away from the police. The ninth was that they tried to kill the Louds yet again with some Arsenic, but I stopped Chandler from doing so, and when I found out that his evil dad was behind it, that asshole got another Life Sentence added to his original sentence. And the tenth was that they tried to destroy all of Royal Woods with a powerful nuclear bomb, but their plan was foiled when the Bomb Squad disabled it, and not only did Anthony McCann got another Life Sentence added to his original sentence, but because he was considered to be way too dangerous, he was sent to Maximum Security Solitary Confinement, where he was eventually shackled to the wall with Neutronium chains, and Chandler got a sentence that was considered almost impossible to even accept, even for him: Detention for Life!

We gasped in pure shock.

Nico: Oh my God, that's just pure evil and disgusting!

Me: I knew Chandler was a jerk because of his Dark Side, but I never knew just how murderous and evil he really was, along with Anthony McCann, and he's nothing but pure evil from the day that he was born.

Lincoln: That's just how bad Chandler's dad and Chandler who still had his dark side inside him really are, guys.

TLPS Mr. Wolf: Now, I'm really glad I gave Dark Chandler such a pummeling, he truly is nothing more than a monstrous, sadistic, blackhearted, no-good, malevolent, selfish, two-faced, son of a bastard from the darkest depths of Hell! But, as much as he deserves even worse, getting put inside of an indestructible diamond prison and thrown back in the Pluto Prison is a perfect punishment for him.

Selene (Underworld): And you did make the right choice before you went after him.

Eve: (British Accent) Laney told us about that incident when she killed him and he was only a kid, but because his crimes were so foul, he was eventually sent to Purgatory.

David (Underworld): (Czech Accent) But, you eventually removed his dark side, and had him put into a crystal prison for the rest of his life. But, you should also put the Crystal Dragon's Vengeance Curse on him.

TLPS Mr. Wolf: Already on it, David.

TLPS Mr. Wolf put the Crystal Dragon's Vengeance Curse on Dark Chandler who's in his indestructible

crystal prison, and it began to constantly drain him of his negative energy, and we absorbed it, and it made us even stronger than ever.

Violet Beauregard: That's ten revelations for Chandler and his evil dad, now for the ten revelations about Princess Morbucks, and she's a lot worse than all of you first thought. The first revelation is that she tried to hire hitmen to kill you all, even from her prison in the Limburger Cheese Mines, but as soon as I'd found out, I busted the hitmen and got them sent to prison, and Princess Morbucks got another Life Sentence added to her original sentence after the hitmen caved in. Then, I punched her hard in the face and I gave her a nasty black eye. The second is that she tried to kill the Powerpuff Girls with a bomb that she'd gotten, but, I sent the bomb to the FBI, and she got yet another Life Sentence added to her original sentence in prison. The third is that she tried to destroy the Gotham Royal York schools with yet another bomb, but I stopped her plot, and that little demon got another Life Sentence added, and another black eye to her face. The fourth is that Princess Morbucks tried to bust out of the Limburger Cheese Mines so she can get revenge on you guys, but I already alerted the guards, and they caught the evil brat who tried to break out, and she got another Life Sentence added to her original sentence, but that didn't even stop her. The fifth was that she tried to kill Lincoln's sisters with another bomb, but I stopped that, and when it was found out Princess Morbucks had a hand in it, she got another Life Sentence, and I went down to the Limburger Cheese Mines and I pulverized her badly. The sixth is that she tried to blow up the Townsville City Hall, but before she could go through with it, I tipped off the police, and she got yet another Life Sentence added to her original sentence. The seventh is that she tried to kill the Mayor with a hitman at City Hall, but her plot was stopped and she got another Life Sentence added to her original sentence again. The eighth was that she tried to destroy the Royal Woods Police Department with another bomb, but a prison snitch tipped off the police, and the bombing plot was eventually stopped, and she got another Life Sentence added to his sentence. The ninth was that she tried to kill the Louds yet again with Arsenic, but I stopped her from doing so, and when the police found out, that little demon got another Life Sentence added to her original sentence. And the tenth was that they tried to destroy all of Townsville with a powerful nuclear bomb, but her plan was foiled when the Bomb Squad disabled it, and not only did Princess Morbucks got yet another Life Sentence added to her original sentence, but because she was considered to be way too dangerous, she was sent to the Limburger Cheese Mines' Maximum Security Solitary Confinement wing, where she was eventually shackled to the wall with Neutronium chains and rainbow energy chains.

We gasped even more in shock.

Lola: Whoa, I knew that she was bad, but to find out she's gotten even worse after we defeated her, now she's gone too far.

Lana: But, now she's in Maximum Security Solitary Confinement, and now, she'll no longer be a danger to anyone ever again.

We then got a shower afterwards, and then, Lincoln, his harem, and his kids are getting ready for their date, this time, it's at Diamond City Amusement Park.

Lincoln: Alright, guys, we'll be right back.

TLPS Mr. Wolf: Alright, Lincoln. You guys have fun.

Lincoln, his harem, and his kids left the TLPS World Tree Estate, and as soon as they arrive at Diamond City Amusement Park, everyone was amazed at the park.

Girl Jordan: Wow, what is this place, Linky?

Lincoln: This, Girl Jordan, is Diamond City Amusement Park, and it's known for its amazing rides, such as the Chromaconda, a snake-shaped roller coaster which goes one hundred miles per hour; Breakneck Falls, a log flume ride; Precious Prancers, a carousel; the Diamond Wheel, a ferris wheel ride; an unnamed tornado ride; and an unnamed teacup ride.

Storm Rainbow: Oh man, I'm getting on all those rides.

Lincoln, his harem, and his kids got started by going on the Chromaconda, then, they went on The Diamond Wheel, Precious Prancers, and Breakneck Falls, and they had a ton of fun. Then, they went to have some lunch at a picnic spot in the park. Then, as the sun was about to set, Lincoln made clones of himself, and they went up to the girls in his harem, and they wrapped their abnormally massive and powerful muscular arms around the girls' waists and brought them into an embrace, and then, Lincoln and the clones leaned down, and they kissed the girls on their lips, which they also returned with equally intense passion and they wrapped their arms around the muscular waists of Lincoln and his clones, and the kids cheered for them. Then, they returned home to the TLPS World Tree Estate.

Nico: Hey, Lincoln, how was your date?

Lincoln: It was awesome, Nico. We went to Diamond City Amusement Park in the world of Mario.

Me: Whoa, and you guys really had some fun, awesome.

Lincoln: We sure did, J.D.

Suddenly, Lincoln's deep sapphire blue eyes glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Akio Othori, the chairman of the Ohtori Academy. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Utena, you're not going to like it: the energy signal I sensed belonged to Akio Othori, the chairman of the Ohtori Academy.

Utena Tenjou gasped in shock.

Utena Tenjou: Oh no, I was hoping that I wouldn't see or hear from him ever again. Lincoln, are you sure?

Lincoln: Yes, I am, Utena. The chairman of the Ohtori Academy is heading for us, and he wants revenge on you.

Sheila Castille: This guy is looking at getting sent to prison for the rest of his life.

Eric Loud: You bet he is, Sheila. But, Lincoln, I got to ask: were you suspicious about Akio Ohtori from the beginning when Utena's world merged with ours and we first met the staff there?

Lincoln: I was, Eric. He may be intelligent and he tried to pass himself off as a gentleman, but I felt his true nature: he's nothing more than a sexually abusive power-hungry fallen hero, and he needs to be stopped once and for all.

Sheila Castille: But, you opted not to take any action against him until he slips up and reveals his true nature, right?

Lincoln: That's right.

Nico: (Laughs) That's why you're known as The Man With A Plan, Lincoln. Wait until Akio finds out the truth that you've been on to him ever since we first met him.

Me: He'll be in for the biggest surprise of his life.

Lincoln: And like Sheila said, he deserves to spend the rest of his life in prison for what he's done. However, we'll need to find a new chairman for Ohtori Academy, as soon as the news gets out.

Me: We'll make sure of that, Lincoln.

---

Mizuki Kakihara: (Bows) It's an honor. I'm Mizuki Kakihara.

Rarity: Oh it's a pleasure. (Bows) Same to you.

Me: (Bows) Pleasure to meet you too Mizuki. We were told so much about you and how you helped Juru and the team out before against the Glue Jamen.

Nico: That was awesome and epic.

Rainbow Dash: Boy it sure was.

Sena: Yeah. Rainbow Dash you and I would get along great. Same with you Lynn. You guys are awesome athletes like me.

Lynn: We have a great love of sports.

Rainbow Dash: We sure do.

Laney: Juru I noticed that you have a great love of drawing like I do and that is awesome.

Juru: Thanks. Check it out.

He showed her some of his pictures in his sketchpad and it was cool.

Laney: Wow these drawings are great.

She then saw Emperor Yodon's Drawing and it was scary.

Me: Whoa I remember seeing that one. Emperor Yodon was scary in this picture here. But he was horrifying and incredibly powerful when you all faced him.

Eli: Yeah his power was intense.

Nico: Yeah. But what really infuriates me is how he manipulated and poisoned Galza with lies like that and then killed him in the end.

Me: If Emperor Yodon ever comes back when we face him on June

14th, I want to be the one that destroys him and use the Black Gates on.

Leni: Guys, why are there mannequins in the middle of the city?

Juru: (eyes widen) Those aren't real mannequins.

Me: Oh man! I remember this! This is the work of Mannequin Jamen. Rarity you, Leni and Maria would like him. He has the power to freeze people into a state of suspended animation to turn them into mannequins. He is also the vainest of the Jamen.

Nico: Yep. That was wicked.

Maria: Looks like someone that has a great sense of beauty.

Eli: But Beauty is only skin deep.

Mizuki Kakihara: Yeah.

Lola: We're going to make that monster pay.

We went to find him.

We found him and then he fired a blast at us.

The good news is that all the girls avoided Mannequin Jamen's blast. The bad news is that it turned me, Nico, and the rest of the boys minus Eli into mannequins!

Sena: Oh no! The boys are mannequins now!

Mannequin Jamen: (laughs) Without the Red Kiramager and J.D., what are you going to do?!

Rarity: Fight you with girl power, of course!

But then my head got free and breathed heavily for air!

Me: WHOA! That was crazy! But only my head got free! I'll have to root for you girls on the sidelines. I'm frozen stiff as a mackerel!

Sena: Thanks J.D.

Me: Rarity, Leni, please don't use me as a model for clothes like this. No offense.

Leni: None taken.

Me: But I can still use my powers from my eyes and I know just what to do.

I fired a beam of energy from my eyes and it hit Mizuki's left wrist and she got a BROWN KIRAMAI MORPHER!

Mizuki Kakihara: Wow! My own Kiramai Morpher!

Me: Go for it Mizuki! Now you are part of the team as well.

Mizuki Kakihara: Okay. Now it's my turn to defend Juru!

Rarity, Mizuki and the Female Kiramagers: Kiramai Change!

Sena: THE DASHING LIGHTNING! KIRAMAI GREEN!

Sayo: THE INCREDIBLE DEXTERITY! KIRAMAI PINK!

Rarity: THE GENEROUS DAZZLE! KIRAMAI AQUA!

Mizuki: THE GORGEOUS REFRACTION! KIRAMAI BROWN!

All: ARRIVING IN A FLASH! WITH A 24-CARAT SOLUTION! MACHINE SENTAI KIRAMAGER!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready to kick some butt!

Eli: COOL! Mizuki you look awesome as a Brown Kiramager!

Mizuki Kakihara: I sure do! Wow!

Rarity rushed at Mannequin Jamen.

Rarity then blasted him all over with jewels and Twilight and friends blasted him all over too.

Eli: Chew on this!

He fired a blast of Force Lightning and electrocuted Mannequin Jamen all over the place.

Me: YEAH!

Sayo and Sena blasted and slashed Mannequin Jamen all over.

I tried to move but I WAS REALLY FROZEN!

Me: (GROANING) (Stops) Man I'm pretty much useless like this!

?: Need some help?

Out came Yodonna and Sylvia Exetor.

Me: Yodonna and Sylvia. Thank goodness.

Sylvia Exetor: We'll have you freed.

They freed me.

Me: Thanks. I owe you one. Now for me to help. KIRAMAI CHANGE!

I turned into KIRAMAI ORANGE!

Me: THE AMBER FLIGHT! KIRAMAI ORANGE!

I went and joined the battle.

Sylvia Exetor: Lets help out oo.

Yodonna: With pleasure.

Yodonna spread pitch black and dark blue angel wings and they flew and helped us.

Mannequin Jamen: Yodonna! Are you here to help me out?

Yodonna: After how I was betrayed by Emperor Yodon? Fat chance!

Sylvia Exetor: She is now in a new group!

They fired waves of darkness and blasted Mannequin Jamen all over the place.

Me: Yeah!

Eli: Take that you Vain Freak!

Maria: No one turns our friends into statues and gets away with it!

Laney: Especially our brother!

We fired waves of elements and energy and smashed him all over!

Rarity: Time to finish this!

Female Kiramagers: Kiramai Rush Stream!

Rarity: JEWEL STORM KAMEHAMEHA!

Princesses of Equestria: MAGIC OF HARMONIOUS FRIENDSHIP BLAST!

Eli: JEDI FORCE BLAST!

Me: PHOENIX KAMEHAMEHA BLAST!

Loud Kids: LOUD PRIDE ULTRABLAST!

Yodonna and Sylvia: DARKNESS ANGEL ECLIPSE BLAST!

We fired waves of energy and elements and then the blasts all hit Mannequin Jamen and he exploded with incredible power!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

HE WAS DEAD!

Me: To quote Nico: Mannequin Jamen you have Failed This City!

Then everyone came unfrozen!

Nico: What happened?

Lincoln: That was weird.

Nico: Wow. Is he dead?

Me: Yep. And we all destroyed him.

Yodonna: You have me and Sylvia to thank for freeing J.D.

Sylvia Exetor: Thank goodness you're safe Nico.

Nico: Thanks girls.

Me: Yeah and I helped and turned Mizuki into a Kiramager too.

Nico: Cool!

Lincoln: That is awesome!

William: Wow! Awesome job.

Me: (Senses something) We're not done yet though!

Torso Hildon appeared.

Leni: Is that the top half of a mannequin on its' head?!

Nico: Yep!

Eli: I got this! ARISE GODZILLA!

A familiar roar was heard and then we saw GODZILLA THE KING OF THE MONSTERS!

GODZILLA THEME SONG PLAYS!

Eli: Lets get him!

Godzilla roared and Eli got on his head.

Nico: Looks like Eli will need some help.

Me: Right!

Male Kiramagers and Nico: KIRAMAI CHANGE!

They transformed too!

Juru: THE SPARKLING INSPIRATION! KIRAMAI RED!

Tametano: THE PRECISE SHOOTING! KIRAMAI YELLOW!

Shiguru: THE UNSTOPPABLE EDGE! KIRAMAI BLUE!

Nico: THE GLISTENING BRAWN! KIRAMAI PURPLE!

Takamichi: PIERCING SHINING! KIRAMAI SILVER!

Nico: J.D. thanks for helping the girls in this one.

Me: Don't forget Eli as well. Yodonna and Sylvia too.

Rarity and the Kiramagers: Kiramazin!

Takamichi: Mashin Drijan!

Me: Lets do it!

We summoned our machines and Mizuki's machine was a massive brown Missile Tank!

Nico: Awesome!

Mizuki Kakihara: YEAH!

We went at the Torso Hildon!

Godzilla fired his Atomic Ray and it hit Torso Hildon and exploded all over with incredible power!

Torso Hildon used its tentacles on Kiramazin.

But Godzilla blasted them with his Atomic Ray and destroyed them.

Nico: YEAH! Not even the monsters of Yodonheim are a match for the power of Godzilla.

Eli: That is for sure!

We then formed the Kiramai Ultrazord and it was awesome!

Nico: YEAH!

Shiguru: See how your tentacles like this?!

He slashed them all and destroyed them and Godzilla fired a massive Atomic Ray Blast and blasted him all over.

Eli: Now comes the fun part!

Godzilla then powered up to his strongest and had red energy swirled around him and then pink lightning emanated from his spines and then he fired a red spiral atomic ray and it hit Torso Hildon and he exploded all over with intense fiery power!

Me: Now for the finisher!

Godzilla fired another Atomic Ray blast!

KRABBBOOOOOOM!
KRABBBBBBBBOOOOOOOOOOOOOOMMMM!

Nico: YEAH! Lets do it!

We fired a massive energy blast and the blasts all hit Torso Hildon and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

KRABBBBOOOOOOOOOOMM!
KRABBBBBOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOMMMMMMMM!

Massive fiery explosions blasted up all over.

Nico: ALL RIGHT! Torso Hildon you have failed this dimension!

Godzilla roared in victory!

Juru: (to Yodonna) I never thought I'd see the day where you'd help us out.

Yodonna: You were right Juru. There really is good in me after all.

Sylvia Exetor: Yodonna is gonna like working in the Masters of Evil.

Nico: Thanks for helping J.D. out Sylvia.

Sylvia Exetor: No problem Nico. Me and Yodonna did it too. It was awesome.

Me: Yep. Yodonna I owe you big time for it too.

Yodonna: Think nothing of it.

Nico: Yeah. But this was epic!

Eli: Yeah it sure was! Now the rangers have the help of Godzilla and the Kaiju as well.

Juru: We sure do and it was awesome!

Sena: Yeah no kidding! Wow!

Me: For over 68 Years, Godzilla has been a feared force here in Japan. Now he is a big help for all of us.

Eli: That is for sure.

Maria: Yep.

Nico: I have to admit. Mannequin Jamen's the first one to catch us off guard like that. But that won't happen again.

Me: Yeah no kidding. But it was really strange being frozen like that. I felt as frozen as a fish in an ice box.

We laughed.

Nico: That was strange though.

Rarity: But you're right darlings. I would like Mannequin Jamen being that I am a fashionista.

Maria: Yep. Who will you bring next time Rarity?

Rarity: Oh I'm going to bring my archenemy Duff Killigan next.

Me: Awesome.

Twilight Sparkle: But this was a great adventure Rarity.

Sunset Shimmer: Yes and it was fun before the big mission starting soon.

Sena: That's true and Rainbow Dash, Lynn, you and I will definitely get along great.

Lynn: You know it Sena.

Rainbow Dash: It is gonna be awesome having you all with us in the future after June 14th.

* * *

Later back at Gotham Royal York, a massive crime wave was happening all over the city.

Mr. Krabs and Eric were fighting Duncan Paine.

Sheila: (through Eric's communicator) Eric, we have a major problem.

Eric: (avoids Paine's punch) Yep, fighting it right now!

Sheila: No, no, it's about our wedding!

Eric: (Paine picks him up) This is not the best time!

Duncan Paine tossed him into a building, sending him back through several walls. But before he could finish him off, Mr. Krabs knocked him out.

Sheila: Well, the caterers need a final count tomorrow morning, and not everyone has RSVP'd yet.

Mr. Krabs: That's ridculous, lass. Who hasn't RSVP'd?

Sheila: My fellow members on the force.

Mr. Krabs: We'll have to ask them.

Ophiuchus Sam: (fires Laser guns at Ace) Hold still, stupid rabbit!

Lexi: (through Ace's communicator) Hey, Ace, we gotta talk.

POW!

Sly was keeping Ophiuchus Sam busy while this was going on

Lexi: Hey! Earth- to Ace!

Ace: Kinda busy right now!

Lexi: Well, it's not like you're dealing with Optimatus! I mean, this is just Ophiuchus Sam.

Tech: If you were here, you wouldn't underestimate him!

Lexi: OK, guys, this is serious. Sheila and Eric need to know if we're going to their wedding.

Ace: Of course we're going!

Lexi: Yes! So I'll RSVP yes, then?

BLAM!

Sly knocked Ophiuchus Sam out.

Sly Cooper: Barring any other bad guys.

Lexi: Perfect.

Ace Bunny: Great!

Jack Landors: Freeze! SPD!

The drug dealers didn't listen and fired at the SPD Rangers, who avoided the blast.

Cruger: Rangers, did you RSVP for Sheila and Eric's wedding?

Bridge Carson: (fires his Deltamax Striker) Actually, we didn't!

Tidal Wave: Tidal Wave think Rangers should RSVP ASAP.

Jack Landors: We plan to.

The Drug Dealers were locked in containment cards.

Me and Nico were facing an army of gangsters in the park!

POW BLAM BIFF SMASH!

Nico: Did you RSVP for the wedding J.D.?

Me: Yes I did Nico.

Nico: Good.

Ickis, Oblina and Krumm were facing a bunch of bad counterfeiters and then they SCARED THE LIVING SHIT OUT OF THEM AND LEAD THEM INTO COP CARS!

Ickis: That was great!

Oblina: It was! And just in time for the wedding.

Krumm: Good thing we RSVP'd.

Umika: (fires VS Changer at Terrorists) Hey, guys! I just remembered that we never RSVP'd to Sheila and Eric's wedding!

Wideload: Well, I did!

Tsukasa: Well, are we going?

Keiichiro: Of course. Everyone who already said yes is going!

Kairi Yano: Well, let's get this done so we can get that RSVP in.

Touma: Wouldn't miss this for anything.

Umika: Yeah!

We stopped the crime wave!

Sandpit: Okay. Did everyone RSVP?

Nico: All those that did Raise your hands.

We all did so and we saw that we ALL DID RSVP.

Nico: Awesome. Looks like we're all going. Besides Sheila is our friend and we can't miss her big day.

Me: I agree. But wow! This was a HUGE Crime wave and on the day we meet Lupin and his gang.

Laney: Yeah no kidding.

Rarity: This was a massive Crime Wave there darlings.

Eli: But hopefully it will hold out long enough for us to get back.

Natasha Kateriina: Lets hope so.

Nico: Anyway lets get ready.

Then KGBeast, Titanium Man, Magneto, Firepower, Misty Tredwell, Absorbing Man, Kyd Wykkyd, P'andor, Trombipulor, and Whiger appeared.

KGBeast: Can me, Titanium Man, Magneto, Firepower, Misty Tredwell, Absorbing Man, Kyd Wykkyd, P'andor, Trombipulor, and Whiger go with you guys?

Nico: You all sure can and today is the big day.

Eli: Yep it sure is.

Laney: Yep. Cousin Eric is getting hitched.

Notacon: Nico, which Gene Slammer do you think will appear on your next rescue.

Nico: Hmm. Good question. Lets see. How about a gene-slammer for the Terroranchula,

Me: Ball Weevil's Natural Predator next. Awesome choice. So it'll be a spider master next.

Spiderman: I'll go with you Nico.

Nico: Awesome and Rachnera can come too.

Rachnera: Awesome.

Nico: Yep. But also one of the Goths too.

Me: Yep.

Nico: Anyway we better head out. The wedding is being held in England.

Me: And we're in luck. Our satellites picked up that's where Evil Montana Max is hiding out. His mansion is on an island that is very hard to get to by boat.

Eli: Cool!

We left for England.

---

We arrived on the coast of Western England in the town of Penzance, England and it was a beautiful and magnificent place.

Me: Here we are.

Whiger: This must be the place.

Nico: Welcome to Penzance, England.

Eli: It's beautiful.

Me: Yep and see that tiny island out there? That's Evil Montana

Max's mansion. Our biggest heist is to steal everything in it.

Nico: It's not gonna be easy. But it's nothing that the greatest master thieves in the world can't handle.

Lupin III and his gang came.

Lupin III: Well look who is all here!

Sunny Tennyson: Hey there, Lupin!

Lupin III: Hey guys. Looks like we're all gonna try and raid Evil Montana Max's mansion.

Me: We sure are. It's not gonna be easy.

Maria: But we can do it.

Eli: First we need to come up with a plan for it.

Me: Yeah.

Maria: We want to thank you for helping us take down Evil Sasuke.

Lupin III: It was no problem. I'm actually surprised that I helped kill him despite me not being a ninja.

Nico: That is amazing. But you'll develop powers as we help you all out.

Fujiko Mine: Just like me and it's awesome.

Goemon Ishikawa XIII: That will be awesome to see.

Me: Yep but you must remember that with Great Power Comes Great Responsibility.

Nico: Yep.

Allie Wilde: That is for sure on that.

Me: But still one thing still puzzles me. When we were fighting in the U.A. Universe, how did you all manage to get to where we are there?

Jigen: Lisa teleported us to you guys to help out.

Lisa Loud: Thanks to my special interdimensional teleporter.

Me: Lisa you never cease to amaze us.

Misty Tredwell: I was just about to say the same thing.

Lupin III: (to UA Tony) Hey, Tony! How's your new job as Commander of SHIELD?

UA Tony: My wallet. Now.

Lupin III: (gives it to UA Tony) No need to be a sourpuss.

UA Tony: (looks inside it) There's no cash in it!

Titanium Man: At least the credit cards are still there.

UA Tony: Am I really getting comments from an alternate version of one of my enemies?

Me: He's right they still are there. But here Tony.

I gave him $25,000.00 in cash.

Me: I didn't need this cash anyway. We got more money than we know what to do with.

UA Tony: Oh thanks J.D. (Takes it)

Me: You're welcome. And no Lupin you can't take our stuff. Also after that battle in the U.A. Universe I crashed and fell right to sleep after you swiped his money. Used up a lot of energy.

Lupin III: Wow.

Inspector: Lupin, I hope you realize that Sheila and Eric's wedding is after this heist.

Lupin III: I sure do Pops.

Me: And we're all looking forward to this heist.

Maria: Me too. This will be fun.

Nico: Taking on a spoiled brat like Evil Montana Max is gonna be a challenge.

Laney: It sure will.

Poromon got out 4 beer bottles.

Lupin III: Don't tell me those are-

Poromon: 4 bottles of beer!

Mega Man Aqua Man: (sighs) At least they're adults.

Lupin III: We do like beer. Thanks.

Lupin III and Jigen took some.

Me: That's all right. As long as they don't drink too much.

Nico: That's true. We don't want them to be Barney Gumble Drunk.

Barney Gumble: Yeah that would not be good. (BELCH)

Kyd Wykkyd: I'll wait out here while you guys do your heist.

Maria: Good thinking. We'll need a fast getaway for this.

Me: Good thinking.

Sly Cooper: All right Operation: Spoiled Brat Fortune Swipe.

Lincoln: Nice name Sly.

Sly Cooper: It was the first name that came to my mind but thanks Lincoln.

Me: I like it. Lets do it.

Nico: Get ready Evil Max. (Eyes glow red) Your fortune is about to be seized.

We went over and used the shadows and the water for cover.

Energon Scorponok: No offense, Lincoln. But Sly's name for this operation is a lot shorter than yours.

Lincoln: None taken Scorponok but yeah I do come up with long names huh?

Laney: That's all right bro. But they are neat.

Varie: Yeah.

At the mansion island, me, Sly, Eli, Bentley and Lupin went in and using our quiet and cunning and sneakiness we went in and used stealth, speed and skill. We then got to the vault and we saw that it was guarded and we saw that it was an incredibly advanced security system.

Me: (Whispers) Wow this is gonna be tough.

Sly: (Whispers) That vault is nothing I can't handle.

We saw security cameras, blasters and spotlights all over.

Me: (Thinking) (Gets an idea)

I used my perfect transformation jutsu and turned Evil Montana Max.

Eli: Awesome.

I went over and told the guards to stand down and take a break and then I disabled the security system and more and then opened the vault.

Nico: I got an idea.

P'andor: (Russian Accent) What is it?

Nico cut off his hand.

May: Honey, are you crazy?!

Nico: Nope. Look.

Nico then concentrated and then, Nico's cut off hand started moving on its own.

William: I get it! You can control any of your cut off limbs like a remote control.

Nico: Exactly.

May: Very genius.

Nico then had his hand grab the keys to Evil Montana Max's wall safes and brought them over to him and then his hand reattached.

Nico: Got the keys.

Blaster Tron: Duration time of not being caught remaining: 1 hour.

Laney: They better hurry.

Me and my group was emptying out the vault and then we got ALL the jewels out of the safe. IT WAS BONE DRY EMPTY! We sealed them into a scroll.

Me: That's the last of it.

Sly Cooper: Lets go.

We left the vault and closed it. Nico and the rest emptied out all the the safes. We then got outside.

Nico: Piece of cake!

Kyd Wykkyd: Awesome. Lets go!

We teleported back to the mainland.

Evil Montana Max then opened the vault and then to HIS SHOCK, RAGE, HORROR AND INFURIATION HE SAW THAT IT WAS BONE DRY EMPTY AND HE GASPED!

Evil Montana Max: WHAT!? IT'S ALL GONE!

But then he saw all his wall safes empty too!

Then…

Evil Montana Max:
NNNNNNNNOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO
(ECHOING)

Me: And the crowd goes wild!

Firepower: Now to prepare for the wedding.

Nico: After the usual battles. Lupin you guys are in for an awesome display of our power.

Lupin: I have a feeling this will be good.

Eli: Yep. It sure will.

Nico: Maria call it in.

Paragus: Hold on. First, we have to get the wedding set up. Then, we can have the usual battles in a safe spot.

Nico: Right. Lets set everything up for this. But that was an awesome heist.

Lupin III: Yeah it was. Great job guys.

Me: You helped too Lupin.

We got to setting up everything for the wedding.

Sheila was wearing a magnificent green wedding dress with emeralds and green jewels on it courtesy of Rarity.

Magneto: (to Sheila) I think that wedding dress fits you, my dear.

Sheila: Thanks Erik and it's so beautiful.

Carol: It really is beautiful on you Sheila.

Maria: I'll say. You are gonna be the talk of the entire team and the city.

Nanette: I agree too.

In the men's side of the dressing rooms we were getting Eric ready. And we were dressed in our special clothes for special occasions.

Me: This looks awesome on you Eric. And you look awesome in a United States Navy Seals Uniform too.

Eric Loud: Thanks J.D.

Me: No problem. My grandfather on my dad's side was in the army back in World War II. He had a great wedding like this too.

Nico: Neat.

Eric Loud: How do I look?

Nico: Like you're ready for anything.

Eli: That's right. And Lincoln did say he would be your best man too.

Eric Loud: Yeah that's true.

Nico: Yeah.

Cybertron Scourge: This wedding might be a trap for Evil Montana Max. But it really is a real wedding for Eric and Sheila

Nico: That's right Scourge.

Eli: And we're really exciting for this too.

Laney: Yes we sure are.

Misty Tredwell: (to me) This makes me excited for our own wedding.

Me: (Blushes and chuckles) Yeah me too Misty. But we still have a while left.

Misty Tredwell: That's true. But I'm still so excited.

Me: We all are. Right girls?

Celica: You know it J.D.

Varie: You got that right.

Maria: Lupin, are you familiar with Simon Templar?

Lupin III: Yes I sure am.

Me: He was from the series The Saint from the 1920's. He was a Robin Hood-like outlaw in that series.

Lupin III: That's right.

Eli: Really cool.

May: Sheila, I see you brought your mom here.

Sheila: I sure have. She has more than earned the right to see me get hitched.

Me: Absolutely. Mrs. Castille we're so happy you came.

Mrs. Castille: Same here and I'm so happy for Sheila.

Eli: We all are. Sheila's father doesn't deserve to see this wedding.

Nico: Not after everything he did.

Then Springfield Mafia, Wiggum, Chalmers, Abis Mal, Control Freak, Vreedle Brothers, Cargill, Krusty, Pete, and Kalin appeared.

Krusty: HEY HEY KIDDIES! (Laughs Goofily)

Nico: Springfield Mafia, Wiggum, Chalmers, Abis Mal, Control Freak, Vreedle Brothers, Cargill, Krusty, Pete, and Kalin.

Fat Tony: This really is a beautiful wedding.

Nico: It sure is.

May: It'll be even more beautiful when Evil Montana Max is taken

down.

Me: And sent to the Brussel Sprouts mine in Belgium for Greedy Spoiled Brats.

Wiggum: But he might have Pordermen and Krybots with him.

Nico: Awesome. We'll be ready for them.

Chalmers: But I'm sure we'll take them down anyway.

Me: Yeah.

Abis Mal: (to Nico) We heard you fought an Evil Loki.

Nico: We sure did. And it was so awesome.

Control Freak: Did you get Hulk to do the Puny God manuever?

Nico: Oh you bet he did. And it was so awesome!

?: That was fun.

Then a figure came out and it was PSYCHOTICK from episode 9 of Megaforce!

---

After Hisser is defeated by the untimely arrival of Robo Knight, Psychotick is summoned by Vrak to aid him in ensnaring Robo Knight in order to reprogram him to serve Warstar as a means of ensuring he no longer interferes on the plans of Admiral Malkor. He lures Robo Knight in by attacking an amusement park and succeeds in capturing him with his Tick Attack. While Robo Knight's energy is getting drained, Vrak send Psychotick to distract the Rangers by draining electricity around town. He fails in doing so but succeeds in pounding the Rangers into submission after teaming up with Vrak in battle. Unfortunately for him, this triggers Robo Knight and he is freed from his confinement and Psychotick is destroyed by Robo Knight's Vulcan Cannon after taking the shot for Vrak. Vrak uses the Zombats to revive him but he is destroyed again by the Gosei Grand Megazord.

---

Jake Holling: Psychotick!

Psychotick: Been a while rangers.

Me: I remember you! You were sent by Vrak to ensnare Robo Knight to reprogram him and serve the Warstar.

Psychotick: Yep. Good memory on you J.D.

Me: Never missed an episode.

Jake Holling: Are you the real deal or an illusion made by Distractor?

Psychotick: Relax, Black Ranger. I'm the real deal.

Me: Awesome. And I remember seeing that too. That was awesome.

Nico: Yep.

We got the usual battles underway.

---

Sora Takenouchi, Sunset Shimmer, Pipsqueak, Fire Skylanders, Donna Keppel, Phoenixmon, Gargoyle and Sandpit VS The Springfield Mafia - Nico's rescue

---

The Springfield Mafia was first.

Legs: (to Sora) Man, I don't think Nico had an easy time taking down Evil Loki in his rescue.

Louie: Good thing the Loki we know and love told us everything about his own moves.

Sora Takenouchi: That is a good thing. What that evil version of Loki did was unforgivable.

Sunset Shimmer: He is known as the Scourge of Asgard and he deserved to be destroyed.

Pipsqueak: (British Accent) Yeah you got that right. What he was doing was terrible!

Sunburn: No honor and no love at all.

Donna Keppel: He brought it all on himself.

Phoenixmon: Yes I agree there. What a jerk!

Fat Tony: That is true. Lets do it guys.

Legs: Get in my way and I'll whack you in the lobanza.

Sora Takenouchi: Get in MY way Legs and I'll kick you in the fucking balls!

They fired waves of fire and smashed them down.

Sora Takenouchi: YEAH!

Sunset Shimmer: That was amazing!

---

Homer, Bart, Pinkie Pie, Featherweight, Tech Skylanders, Wednesday Addams, Pugsley, Notacon and Dash VS Wiggum - Lincoln's rescue

---

Wiggum was next.

Wiggum: (to Homer) I heard Lincoln's rescue was in New Junk City. How'd that go?

Homer: Went really well and it was a place that was a massive junkyard. It was a total dump.

Bart: Yeah most of it was made entirely out of old tires.

Pinkie Pie: It was really amazing! It was funny too and we faced

Chuck too.

Featherweight: He was a gross guy. He threw up fish every time we hit him.

Sprocket: That was a gross move too.

Wednesday Addams: That was really cool though.

Pugsley: Yeah it sure was.

Wiggum: But he will make a great member of the group. Lets do it!

They fired waves of donuts, metal, gears, lightning and energy and smashed him down.

Homer: WOOHOO!

Bart Simpson: COWABUNGA!

Pinkie Pie: BEST USUAL BATTLE EVER!

## Stella (Winx Club), Princess Celestia, Amber Morning, Light Skylanders, Ripping Friends, Luna Loud, Lincoln Loud, Michael Morningstar and Sunny Tennyson VS Chalmers - Meeting an Ocean Dragon Lord Neo Daedalus Gene-Slammer

Chalmers was next.

Chalmers: (to Stella) I heard you guys met an Ocean Dragon Lord Neo Daedalus Gene-Slammer. What's her name?

Stella: Her name is Violet Beauregard and she is from Alabama. Her hair is really pretty.

Princess Celestia: Yeah it sure is. But we also found out some horrible revelations about Chandler and his evil dad and Princess Morbucks who is in the Limburger Cheese Mines.

Amber Morning: Yeah it's awful. First here's Chandler. Violet found out that Chandler and his evil dad are a lot worse than what we first thought. The first revelation is that after their plot to have Lincoln killed with arsenic failed, those two monsters tried to hire hitmen to kill him and his family, but as soon as she found out, she busted the hitmen and got them sent to prison, and Anthony McCann got another Life Sentence added to his original sentence after the hitmen caved in. Then, Violet punched Chandler hard in the face and gave him a nasty black eye, and when everyone in school found out of the plot, they wanted Chandler's head on a pike, but he got sent to detention. The second is that they tried to destroy Lynn Sr.'s restaurant with a bomb, but Violet stopped that, and after sending the bomb to the FBI, Anthony McCann got yet another Life Sentence added, and Chandler got pulverized by the Louds. The third is that they tried to destroy the Gotham Royal York schools with yet another bomb, but Violet stopped their plot, and Anthony McCann got another Life Sentence added, and Chandler got three months detention, and another black eye to his face. The fourth is that Chandler tried to bust his dad out of prison, but Violet already alerted the police, and they caught the brat and Anthony in the process of breaking out of prison, and Anthony McCann got another Life Sentence added to his original sentence, and Chandler was sent back home, but that didn't stop him. The fifth was that they tried to kill Lincoln's sisters with another bomb, but Lincoln and Violet stopped that, and when it was found out Anthony McCann also had a hand in it, Anthony McCann got yet another Life Sentence, and they pulverized Chandler and we sent him to the hospital. The sixth is that they tried to blow up Sunset Canyon, but before they could go through with it, a prison snitch tipped off the police, and Anthony McCann got even another Life Sentence added to his original sentence, and Chandler got another beating but not from Violet, but from Lincoln, since his Pop-Pop lived in Sunset Canyon. The seventh is that they tried to kill Mayor Davis with a hitman at City Hall, but their plot was stopped and Anthony McCann got yet another Life Sentence added to his original sentence, and Chandler got sentenced to Community Service and another three months detention. The eighth was that they tried to destroy the Royal Woods Police Department with another bomb, but a prison snitch tipped off the police, and the bombing plot was eventually stopped, and Anthony McCann got another Life Sentence added to his sentence, but Chandler got away from the police. The ninth was that they tried to kill the Louds yet again with some Arsenic, but Violet stopped Chandler from doing so, and when she found out that his evil dad was behind it, that asshole got another Life Sentence added to his original sentence. And the tenth was that they tried to destroy all of Royal Woods with a powerful nuclear bomb, but their plan was foiled when the Bomb Squad disabled it, and not only did Anthony McCann got another Life Sentence added to his original sentence, but because he was considered to be way too dangerous, he was sent to Maximum Security Solitary Confinement, where he was eventually shackled to the wall with Neutronium chains, and Chandler got a sentence that was considered almost impossible to even accept, even for him: Detention for Life!

Chalmers gasped in shock!

Chalmers: WHOA! That is bad. And about Princess?

Stella: That one is just as terrible.

Amber Morning: The first revelation is that she tried to hire hitmen to kill us all, even from her prison in the Limburger Cheese Mines, but as soon as she'd found out, Violet busted the hitmen and got them sent to prison, and Princess Morbucks got another Life Sentence added to her original sentence after the hitmen caved in. Then, Violet punched her hard in the face and she gave her a nasty black eye. The second is that she tried to kill the Powerpuff Girls with a bomb that she'd gotten, but, Violet sent the bomb to the FBI, and she got yet another Life Sentence added to her original sentence in prison. The third is that she tried to destroy the Gotham Royal York schools with yet another bomb, but she stopped her plot, and that little demon got another Life Sentence added, and another black eye to her face. The fourth is that Princess Morbucks tried to bust out of the Limburger Cheese Mines so she can get revenge on all of us, but Violet already alerted the guards, and they caught the evil brat who tried to break out, and she got another Life Sentence added to her original sentence, but that didn't even stop her. The fifth was that she tried to kill Lincoln's sisters with another bomb, but she stopped that, and when it was found out Princess Morbucks had a hand in it, she got another Life Sentence, and Violet went down to the Limburger Cheese Mines and she pulverized her badly. The sixth is that she tried to blow up the Townsville City Hall, but before she could go through with it, Violet tipped off the police, and she got yet another Life Sentence added to her original sentence. The seventh is that she tried to kill the Mayor with a hitman at City Hall, but her plot was stopped and she got another Life Sentence added to her original sentence again. The eighth was that she tried to destroy the Royal Woods Police Department with another bomb, but a prison snitch tipped off the police, and the bombing plot was eventually stopped, and she got another Life Sentence added to her sentence. The ninth was that she tried to kill the Louds yet again with Arsenic, but Violet stopped her from doing so, and when the police found out, that little demon got another Life Sentence added to her original sentence. And the tenth was that they tried to destroy all of Townsville with a powerful nuclear bomb, but her plan was foiled when the Bomb Squad disabled it, and not only did Princess Morbucks got yet another Life Sentence added to her original sentence, but because she was considered to be way too dangerous, she was sent to the Limburger Cheese Mines' Maximum Security Solitary Confinement wing, where she was eventually shackled to the wall with Neutronium chains and rainbow energy chains.

Chalmers: WHOA MAN! Those two kids are trouble! Thank goodness Princess Morbucks is not like the one we know and that Chandler had his dark side removed.

Spotlight: Thank goodness for that.

Crag: Yeah those two kids are monsters.

Lincoln: But I put the Crystal Dragon's Vengeance curse on Dark Chandler.

Luna Loud: Good thinking bro.

Chalmers: Yeah that was awesome. Lets do it!

Crag: Come on fellas!

Ripping Friends: IT'S RIPPING TIME!

The Ripping Friends bashed and smashed and pulverized Chalmers all over the place. They fired waves of light and lightning and energy and smashed him down.

Stella: ALL RIGHT!

Princess Celestia: That was So AWESOME!

---

Teresa: It sure was awesome.

Abis Mal: Yeah you guys were busy. But great job. By the way Rarity I heard you faced Mannequin Jamen during your ambassador

Mission. How did that go?

Rarity: Oh thank you Sweetie.

Applejack: Hoowee! Yeah it sure does.

Apple Bloom: And I HATE Brussel Sprouts.

Flashwing: Nobody likes those vegetables. Ironically they were the vegetables that he sent his parents to prison over when they tried to make him eat them.

Octagon: What!? He sent his own parents to prison for making him eat Brussel Sprouts!? What kind of kid does that!?

Jaina Proudmoore: A ruthless monster that's what!

Krusty: (to Jackie) How much money did Evil Montana Max steal? Was it really that much?

Jackie: We counted $728 Nongentillion in gold, jewels, platinum and more. That's 728 with 2,703 zeroes.

Twilight Sparkle: Wow! That was the biggest and most incredible heist of all.

Starshine Sparkle: Yeah that was awesome and cool!

Sunny Starscout: It was the biggest ever!

Spyro: Yeah no kidding! That makes the Cooper Clan and Lupin III and his gang the greatest thieves ever in history!

Cubix: Yeah that was awesome pulling it off.

Connor (Cubix): Evil Montana Max may have all that money but he is not smart at all in keeping good security.

Abby (Cubix): Yeah no kidding. What an idiotic spoiled brat.

Krusty: Wow! He had all that money!? That's more than the entirety of the Global Economy!

Jackie: I know it's amazing.

Penny: Yeah that was really awesome!

Starlight Glimmer: I didn't even know Nico had that kind of power. That is really genius.

Cozy Glow: That is really cool. Gruesome but really awesome.

Hex: It sure was cool.

Megamind: Now thanks to all that, Evil Montana Max will be penniless and in prison.

Pete: Yes he sure will. Lets do it1

Morpheus: Take that!

Princess Luna: A True Victory of the night!

## Lupin III VS Bug-Eaten

Lupin III was facing his archenemy for the first time: BUG-EATEN! He looked more like a giant rat!

Lupin III: This will be good.

Lupin kicked him and blasted him all over and smashed him down.

---

Inspector VS Donquixote Doflamingo

---

Inspector Zanigata was facing Donquixote Doflamingo.

Fiona Hernandez the Uria, Lord of Searing Flames Gene-Slammer, Himiko Toga, Apple Bloom, Sweetie Belle, Scootaloo, Diamond Tiara, Silver Spoon, RD Lola and Misty Tredwell VS Kimberly Ann Hart the Pink Ranger Slayer

---

Pink Ranger Slayer was next.

Pink Ranger Slayer: Is it true that someone put the secret to destroying the entire universe into a children's pop-up book?

Fiona Hernandez: Yeah it sure is true. It was put into that book by a stupid dimwited printing shop apprentice. It was put in that book.

Pink Ranger Slayer: What is the secret?

Fiona Hernadez: Don't get any ideas if I tell you this. "Just as the proper note can shatter a glass, so can the proper sound shatter the universe. This sound is the shriek made by the Reeking Beasts of Malodoron VI. Every beast must make the sound all at once for it to work. The Beasts will only make the proper sound when they see a Fondue Fork."

Pink Ranger Slayer: That is all it is? That is stupid and crazy.

Himiko Toga: Yeah no kidding. That is really stupid and crazy if you ask me.

Apple Bloom: Yeah everyone put that secret in the vault thank goodness.

Sweetie Belle: Very smart thinking there.

Scootaloo: If that secret fell into the wrong hands there's no telling what would have happened.

Diamond Tiara: I heard that Evil the Cat tried that secret once but thankfully one of the Reeking Beasts was blind as a bat and too stupid to know what a fondue fork is.

Silver Spoon: Yeah what an idiot.

Misty Tredwell: At least it was too dumb to know what it was.

Pink Ranger Slayer: That is true. Lets do it!

They fired waves of fire and energy and smashed her down.

Fiona Hernandez: FIRE WINS!

Cutie Mark Crusaders: CUTIE MARK CRUSADERS VICTORY! YAY!

---

Marie Hernandez the Gene-Slammer of Hamon, Lord of Striking Thunder, Ibara Shiozaki, Frozen Fright, Thunder Terror, Magma Gloom, Toxic Horror, Louie PoisonSea, RD Lincoln and Elena VS Weddinmon

---

Weddinmon was next.

Weddinmon: How many villains were there in the world of My Hero Academia?

Marie Hernandez: Hmm lets see. That's a good question. With 80%

of the entire population of that world having superpowers and many of the villains were made by All For One, that number must be undeterminable.

Ibara Shiozaki: We don't know that number unfortunately.

Frozen Fright: But they are all going to be destroyed when we face them all on April 7th.

Thunder Terror: Wow that's only 5 days away. Time sure flies when you're either having fun or saving the world.

Magma Gloom: Yeah that is true. But it sure is awesome that we're all going to meet everyone again in the world of My Hero Academia.

Toxic Horror: Yeah no kidding. This will be awesome.

Louie PoisonSea: Yeah it will be awesome.

Weddinmon: It sure will. And after all this we're gonna have a lot of archenemies for the heroes of M.H.A. Lets do it!

---

Nicole Hernandez the Raviel, Lord of Phantasms Gene-Slammer, Star Swirl the Bearded, Rockhoof, Somnambula, Mistmane, Flash Magnus, Mage Meadowbrook, Gusty the Great, Clover the Clever, RD Lucy and Carly Atlas VS Marcel Bonaparte

---

Marcel was next.

Marcel: How is it possible for 80% of the population of the world of My Hero Academia to get superpowers like that?

Nicole Hernandez: Boy that's a really good question. But it can be a number of reasons. Either chemical, biological, divine, supernatural, mystic, genetics, laboratory experiments gone wrong, mutation, atomic radiation or anything like that. Like what happens with the Mutant X Gene from X-Men.

Star Swirl: That is really strange that 80% of that world can get powers like that.

Rockhoof: (Scottish Accent) Aye it sure is. That is amazing too.

Somnambula: (Egyptian Accent) Yes it most sure is strange.

Mistmane: And there are those that would use their powers for evil.

Flash Magnus: And J.D. and Nanette killed many of those villains there.

Mage Meadowbrook: Thank goodness they are all dead. But it's All For One that is our intended target.

Gusty the Great: Yeah that is true.

Clover the Clever: That is for sure and he will be getting the Black Gates or Super Hakai.

Carly Atlas: What he did to so many people is unforgivable.

Marcel: I agree there. All For One is a monster. They will all be destroyed.

Nicole Hernandez: But one thing is for sure. J.D. left his mark on All For One by blowing his entire crotch to smithereens by with a Final Flash blast.

Marcel: That is for sure. Lets do it!

They fired waves of darkness and magic and smashed him down.

Nicole Hernandez: DARKNESS WINS!

# Natasha Hernandez the Red-Eyes Zombie Dragon Gene-Slammer, Princess Celestia, Princess Luna, Princess Cadance, Minuette, Twinkleshine, Lemon Hearts, Moondancer, Lyra Heartstrings, Sunset Shimmer, Twilight Sparkle, Brittney Knudson and Misty Tredwell VS Su Yung

---

Su Yung was next.

Su Yung: What is the true goal of All For One?

Natasha Hernandez: Nico said that his goals are pure evil. They are these:

Raise Tomura Shigaraki as the next successor of the League of Villains (succeeded).

Kill All Might (failed, but succeeded in destroying the "Symbol of Peace").

Take over Tomura Shigaraki's body.

Use Tomura Shigaraki and the Nomus to free himself from the Tartarus prison (both succeeded).

Merge with Tomura Shigaraki to become a stronger being

Steal One For All from Izuku Midoriya.

Collapse the world's economy and destroy essential resources, then use his Quirks to create new resources, forcing everyone in the world to obey and rely on him (all ongoing)

They gasped.

Su Yung: That is crazy! But J.D. drained him significantly when he blasted him right?

Princess Celestia: That's right he did. When he blasted him with a Final Flash, he freed all the Quirks he stole from numerous people.

Princess Luna: That's good he did. What All For One did is pure evil. He will pay for his crimes.

Princess Cadance: He is no god that is for sure. If J.D. can blast half of him to pieces like that then that shows that he is no god and can easily be destroyed by anyone.

Minuette: That is true. He deserves to be destroyed forever.

Twinkleshine: I agree too. What All For One was doing to the world is unforgivable.

Lemon Shine: I agree there too. I think All For One is a total freak!

Moondancer: Yeah no kidding. And J.D. killed Tomura too and threw a monkey wrench into his plans.

Lyra Heartstrings: That is for sure.

Sunset Shimmer: And all it took was just one powerful energy blast to do that.

Twilight Sparkle: Not only that but Izuku and his friends all have amazingly great potential to be part of the team.

Brittney: They sure do.

Misty Tredwell: And they have perfect skills as well.

Su Yung: I agree too. Lets do it!

They fired waves of darkness and magic and smashed her down.

Natasha Hernandez: DARKNESS FALLS!

Princess Celestia: That was so fun!

## Catherine Iroh Lan Kai the Firebird Gene-Slammer, Layla MacKenzie, Sakura Avalon, Madison Taylor, Chelsea, Rita, Nikki, Kero, Li, Yue (Cardcaptors), Carly Atlas and Misty Tredwell VS Admiral Zhao

Admiral Zhao was next.

Admiral Zhao: I heard that Tomura did all kinds of terrible things to the kids and to humanity.

Catherine Iroh: Yes he sure did. And he was the first ever MHA Villain that J.D. destroyed. I'm still against Tomura joining our Frenemies but if Vypra thinks he can be one of them then we'll give him a shot.

Layla MacKenzie: Yes I agree myself. It'll be a longshot but it'll be a good effort.

Sakura Avalon: It's worth a shot. But what really is sad is what Himiko went through because of her Quirk being unstable.

Madison Taylor: Yeah poor girl. She needed blood like a vampire.

Chelsea: But we heard that Cammi has a crush on J.D.

Rita (Cardcaptors): She sure does.

Nikki: And she is really beautiful too. Her Quirk is awesome too.

Kero: When we meet all of the kids of MHA on April 7th we're gonna have a lot of awesome fun in that one.

Li: We sure will be in for a wild ride.

Yue (Cardcaptors: I agree too as well.

Carly Atlas: That is gonna be an awesome adventure when it comes.

Misty Tredwell: J.D. will no doubt unleash his full power on that monster All For One.

Admiral Zhao: I agree there. This will be an awesome adventure in 5 days. Lets do it!

Catherine did some stances and fired a wave of fire and the group fired waves of magic and energy and smashed him down.

Catherine Iroh: FOR THE FIRE NATION!

Sakura Avalon: That was awesome!

---

## Himiko Toga, Princess Platinum, Commander Hurricane, Chancellor Puddinghead, Smart Cookie, Private Pansy, Clover the Clever, Penance and RD Carol VS LeFou

---

LeFou was next.

LeFou: What is the world you are from like?

Himiko Toga: Well it's a really strange place but that is because 80% of the human race was born with superpowers. We call those powers Quirks. They are really cool and everyone is born with different powers. The Powers that I had before was Transform and that was a Shapeshifting Quirk. I had to drink blood to use it. But my quirk was unstable and it was destroying my mind and body.

Princess Platinum: But it is just amazing that so many people in that world all have powers.

Commander Hurricane: But there are those that use their powers for evil and those people must be destroyed.

Chancellor Puddinghead: Yeah those people must die.

Smart Cookie: But yeah it's amazing that there are so many people out there that have powers like that.

Private Pansy: It sure is. But at least we're going there to face All For One and take him down for good.

Clover the Clever: That will be an easy one because J.D. crippled him.

Penance: Yeah it sure will.

LeFou: No kidding. This will be awesome to face him. Lets do it!

They fired waves of elements and magic and smashed him down.

Himiko: TAKE THAT!

Princess Platinum: That was most fun!

---

Rhonda Monroe the Phoenix and Evil HERO Inferno Wing Gene-Slammer, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Himiko Toga, Diamond Tiara and Cozy Glow VS Sunfire

---

Sunfire was next.

Sunfire: (Japanese Accent): Who is the worst villain in the world of MHA?

Rhonda Monroe: Oh gosh there are so many of them but I would have to say that the worst one of them all currently is Tomura Shigoraki because he killed so many people including his entire family as well as many heroes.

Sunny Starscout: He was a monster! But thank goodness that he is now in the Book of Vile Darkness.

Izzy Moonbow: The Masters of Evil will have to keep a really strong leash on him.

Hitch Trailblazer: Yeah he needs to be reigned in.

Pipp Petals: Yeah no kidding. Many of the villains would make great candidates for the M.O.E.

Zipp Storm: I agree too.

Himiko Toga: Yeah I think it's really awesome.

Sunfire: How does one become a villain like that?

Rhonda Monroe: Number of ways actually. Physical and emotional and mental abuse, abandonment, insane powerlust, born with mental illness or they were just born pure evil or they somehow just (Snaps Fingers) Snaps.

Diamond Tiara: Yeah no kidding.

Cozy Glow: What they go through is awful.

Sunfire: I agree. Like J.D. there are some villains that I too feel sorry for. Lets do it!

They fired waves of fire and magic and smashed him down.

Rhonda Monroe: YEAH!

Sunny Starscout: That was awesome!

Irena Malkovich the Flame Cerebrus Gene-Slammer, Indigo Zap, Lemon Zest, Sunny Flare, Sugarcoat, Sour Sweet, Frosty Orange, Twilight Sparkle, Princess Cadance and Flurry Heart VS Abacus Cinch.

Abacus Cinch was next.

Abacus Cinch: If you all had very specific targets in the world of My Hero Academia who would you pick to destroy?

Irena Malkovich: Oh that is a really good question. For me it would be Dabi. His fire powers from what I heard are really powerful.

Indigo Zap: I would go for Nine because of his Weather Control Powers.

Lemon Zest: I would pick an evil version of Himiko Toga.

Sunny Flare: I would go after Slice because her hair cuts through anything. Even metal.

Sugarcoat: I would go after Tomura because I would make that monster pay killing so many people.

Sour Sweet: I would go after Kurogiri because his shadow powers are amazing.

Frosty Orange: I would go after Needle Hair because her hair is deadly and powerful.

Twilight Sparkle: I would go after Stain because he was ruthless.

Princess Cadance: I would go after the Gentleman Thief duo Gentle and La Brava because they both are gentleman thieves and are very chivalrous.

Flurry Heart: For me I would go after Endeavor. I know he's a hero but I would go after him just to test my power on him.

Abacus Cinch: All very good and great reasons. Lets do it!

They fired waves of elements and smashed her down.

Irena Malkovich: YEAH!

Indigo Zap: That was awesome!

---

Shinoa Hiragi, J.D. Knudson as Wolf Moon and Brittany Gresh the Shaymin Gene-Slammer VS Witchfire.

---

Witchfire was next.

Witchfire: All For One must have done a lot of terrible things to get you all mad at him.

Shinoa Hiragi: We're not just mad we're infuriated with him.

Me: Yeah what he has done to so many people is absolutely beyond all forms of pure evil.

Brittany Gresh: Yeah he must be destroyed.

Witchfire: Yeah he needs to be destroyed. Lets do it!

Me: KIBAL LETS HOWL! (HOWLS)

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON!

We fired waves of blue fire and energy and smashed her down.

Shinoa: ALL RIGHT!

Me: (HOWLS)!

(The villains of the world Ibara and Himiko came from must be stopped or many people are going to continue to die because of those monsters. No way are we gonna let the villains get away with everything they did.)

Laney Sonnya Romanov: (Speaking in Korean) 나는 그들에게 승리의 악취와 함께 정의의 불길을 풀어주기를 기다릴 수 없습니다. 아침에 죽은 악당의 냄새 같은 것은 없습니다. 승리의 냄새가 난다. (I can't wait to let loose the flames of justice along with the stench of victory on them. There's nothing like the smell of dead villains in the morning. It smells like Victory.)

Sam S.L.: Yeah it sure does. Those villains in the world of MHA are gonna get the worst ever buttkicking of all.

Lady Rainicorn: (Speaking in Korean) 그들이 살고 있는 세상에 한 일은 절대적으로 불명예스럽고 이해할 수 없을 정도로 용서할 수 없으며 모든 형태의 순수한 악을 초월합니다. (What they have done to the world they live in is absolutely dishonorable and incomprehensibly unforgivable and beyond all forms of pure evil.)

Finn: No kidding there.

Flame Princess: They brought all this on themselves.

Princess Bubblegum: I agree there too.

Eli: Yeah no kidding. They have brought all this on themselves.

Lady Flamicorn: 나도 거기에 동의한다. 하지만 그 몬스터들을 영원히 쓰러뜨리는 행운을 빕니다. 해보자! (I agree there myself. But good luck in taking down those monsters for good. Let's do it!)

They fired waves of fire and energy and smashed her down.

Sheilla: Thanks J.D. You all made this so much fun and awesome.

Me: We're just so happy for you both.

Eli: Yeah.

Now it was time for the battle.

Absorbing Man: Better absorb something for the upcoming battle.

He turned into pure Adamantium.

A big figure came and it was HAWK!

---

**Hawk** is a character introduced in The Blood Spray of Goemon Ishikawa.

History

Hawk is an assassin known for his superhuman strength, his reflexes, his use of his axe heads to attack people and has metallic teeth. One of his characteristics is that he rides on motorcycles to the point of stealing them to get away.

In the past, he was a legendary commando and once killed two thousand soldiers in a single campaign but 13 years ago, he was claimed to be killed in action while on a special ops mission in Bermuda as a bomb from a fighter plane was dropped.

After the explosion, Hawk managed to survive and has been working as a lumberjack at a private estate where he shows affection towards Salifa outside of his assassin job. Due to what happened, he got the nickname "The Ghost of Bermuda" and intelligence agencies have been on the lookout as they figured that he was still alive.

As he was cutting logs of wood, Salifa came running towards him and they both hugged each other. She showed him three photos as an unknown master gave him another job. While the photos are not shown, it is implied that they are Lupin III, Daisuke Jigen and Fujiko Mine. He replied that it shouldn't be a problem taking them out.

Hawk managed to board a casino ship and using his axe heads started to destroy the engine, this caught the attention of Goemon Ishikawa XIII and asked why he was doing this. He turned around, put the axe heads behind him and decided to smoke from his cigar. He grinned with his teeth. As Goemon is ready to grab his Zantetsuken, Hawk asked "Who are you?". The engine exploded and it flung Goemon back however Hawk stayed where he was and grabbed a metal panel.

As Goemon escaped the exploded ship, Hawk used his axe heads to create a clearing and got out as he climbed onto the roof. Goemon found him and the battled against each other, using his Zantetsuken created a hole and Hawk fell through. With his sword poing towards Hawk, Goemon asked what he was doing on the ship. His response as he sees a boat getting away is "Lupin the Third" but Goemon asked why and the reason given by Hawk was to protect the environment. Then after Goemin saying says that Lupin is his target, he used his axe heads swipe the Zantetsuken to the roof and ran off with Goemon following. He then broke some tiles for Goemon to slow down deflecting them with his sword, Hawk cut the ropes from a nearby speedboat and jumped out to the water then jumped into the speedboat to get away.

He went to Hiroki's bar early morning and ate to himself ribs with everyone watching, each rack that he ordered were enough for ten servings. After eating the lot, he put his hat on, went towards Tachikawa and knocked his lighter so he could get some keys. He left the bar and stole the motorbike to drive off. According to Koichi Zenigata who did some investigating, Hawk had entered Japan illegally to pursue Lupin.

As Lupin was massaging Fujiko's back, Hawk drove straight into their hideout smashing the window. The bike touched the top of Lupin's hair that crashed towards the wall as he dived towards the piles of money and landed on the couch. He got up and smoked his cigar as Jigen asked what "Mister Cowboy" wanted and he replied to "chop you up and turn you into fertilizer". Lupin then provoked him by saying that he should be the one being fertilizer.

Jigen decided to duel with Hawk and as he fired from his magnum, he got out his axe heads and deflect the bullet as it went towards the direction of Fujiko but the bullet missed her. Afterwards Jigen fired his round but he deflected all the bullets, two that landed on Jigen. One on his shoulder and the other on his hat that he was concerned about. Fujiko decided to run away with Jigen following her, Lupin with reluctance ran with them.

Hawk smoked his cigar and put it on the bike that was leaking oil. He then threw an axe head towards Fujiko as he jumped off the balcony and she ran towards the car in a panic as he grabbed his axe head. Due to the cigar being in contact with the oil, the motorbike in the hideout caused the building to explode, he then stole Fujiko's motorbike and drove off following the car that Lupin was driving.

As they were driving through a forest, Hawk took a shortcut on a dirt track and landed on the road. He grabbed his axe heads but Goemon chopped down a tree causing him to squeeze through while Lupin spun out. Goemon chopped down another tree but this time Hawk drove straight towards it and he landed on the other side rolling down the road. He got up and Goemon walked towards him as he had a score to settle. Goemon asked that he wanted to avenge the person that he was suppose to protect but died, Hawk replied to "give it up." The samurai refused and got out his Zantetsuken ready to strike him but Hawk grabbed his sword and using his axe heads fought him by attacking his sword, his shoulder and flew him towards the tree. This image haunted Goemon as he was training.

He picked up his axe head and as he was walking, he wanted his three targets to return to the soil. Zenigata turned up and told him to drop his weapons, he complied and was arrested even though he claimed to be tired.

In his cell marked 4, Hawk fell asleep while Zenigata was watching. When he woke up and Zenigata was gone to argue with the chief, he managed to barge out opening the door and killed the guard as it landed on the door. Hawk grabbed the keys and got his axe heads then murdered all of the officers as he got out of the police station. He then stole a police motorbike and drove off.

As Takeo and Tachikawa were driving in the "Blue Thunderbolt of Izu", they saw Hawk thinking at first that they were the cops. After seeing the person, they decided to go after him as he stole Tachikawa's motorbike. Hawk threw a cigar at Takeo's head causing him to crash towards the barrier, stopping their car. The police and Zenigata were chasing after him, he then slashed the tires from a truck causing the police to lose his tail.

Zenigata fired from his Colt as he was still after him, Hawk crashed into a barrier and fell towards the cliff. He relocated his shoulder and looked at Zenigata, showed his teeth and walked away.

As Zenigata was driving with Lupin and Jigen, they stopped by the road and noticed the rubble. Hawk carved the stones and jumped down towards the car, he used his axe heads to smash the car that Lupin and Jigen were in. Zenigata fired but the bullets deflected towards his leg and screamed in pain, he says that he'll chop down Zenigata if he gets in his way. Lupin and Jigen got out of the car but he went after them.

They arrived at a temple as Lupin and Jigen hid inside, Hawk however found them as he chope through the window and they flung on the floor. As Lupin had a stake stuck in his arm and Jigen has a headache, he noticed that Goemon had arrived. he told him not to interfere but like last time, Goemon got out his Zantetsuken ready to strike him and he grabbed his sword. This time Goemon kicked him and sliced a cut into his hand as he moved towards the roof. It is shown that Hawk had sliced a part of Goemon's shoulder and a deep cut on his back.

Grabbing his axe heads, he ran and single-handedly demolished the temple with Goemon falling towards the ground. Hawk comments that Goemon "seem peaceful in the face of death" and never fought someone like him before as he shut down his five senses. It was a while since he saw blood coming from him as he licked his cut and claims that Goemon would make excellent fertilizer. He ran towards him and threw his axe head that was then destroyed by the Zantetsuken. With the other axe head, he sliced the side of Goemon's arm however he chopped off his right arm and breathed heavily. It is revealed that Goemon sliced his arm at the same time as Hawk sliced his arm. Hawk then picked up his only axe head with his left arm.

Goemon gave him a vision where he chopped off his head with the Zantetsuken and was shocked. Goemon proved that he is human as he lit up a cigar and smoked. Hawk said that Goemon won and told Lupin that he had "impressive bodyguard".

He then reappeared in Fujiko Mine's Lie where he was cutting logs on an island with Miss Salifa. His sliced arm managed to return back to normal. After Lupin spied on the island, it turned out that Hawk is a modified human. It is implied that this is a second Hawk made by Mamo's assassin clone factory.

---

Me: Wow you're a tall guy.

Hawk: Yes. My name is Hawk and I was sent to kill you all.

Me: You have a metal mouth. You remind me a lot about Jaws from James Bond.

Hawk: (Laughs) Yeah I get that a lot.

Me: Very iconic classic villain.

Lupin III: Hawk! Geez, it's good to see you!

Hawk: Always the smartass, huh, Lupin? Well, you're not gonna be running your mouth for long!

?: I don't think so!

Izuku and all his friends then appeared!

Nanette: Izuku! You all made it!

Izuku: Wouldn't miss this for the world.

Bakugo: Especially when we destroy this asswipe!

Cammi: And I get to kiss J.D. too.

Me: (Blushes) (Chuckles) Thanks Cammi.

Nanette: Let me help you guys!

Me: I'll help too.

Me and Nico and the Hernandez Sisters formed Shadow Clones.

Nico: Lets go guys.

We got ready.

Unicorn waited and then a figure came and it was EVIL MONTANA MAX!

Evil Montana Max: YOU WRETCH!

Unicorn: What did I do?

Evil Montana Max: Give me back my stuff!

Unicorn: You can have them over our dead bodies.

Evil Montana Max: That can be arranged!

Then the spirits of the the Elemental Lizards of Darkness appeared and swirled around him and then smashed Evil Montana Max All over the place and really pulverized him and then they converged and then…

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and we came out!

Nico: You are in a lot of trouble you brat!

Me: You fell right into our trap!

Evil Montana Max: Wait. This was a trap?!

Nico: Of course it was. But at the same time, it's not fake.

Me: The wedding was all real but it was also a trap! Now it's time for some buttkicking!

Evil Montana Max: I'll teach you all to make a fool out of me! Krybots! Pordermen!

An army of Krybots and Pordermen appeared.

Me: Krybots and Pordermen.

I fired waves of energy and smashed them to pieces.

Lupin III: Yeah! Take that!

We punched and pulverized the Krybots and Pordermen all over.

Lupin and his friends lay defeated at the hands of the Krybots and Pordermen. But then Lupin and gang were jumped by the Krybots and Pordermen.

Evil Montana Max: (laughs evilly) You and your friends really shouldn't have allied with Team Loud Phoenix Storm, Lupin. Because now, you idiots are gonna die with them!

Danger Duck: (Slam eats a Krybot) Guys, Lupin and his buddies could use a hand!

Sheila got an idea.

Sheila: Everyone in the audience! Lend Lupin and friends your strength! They get stronger with your support! When I go 1, 2", shout "Go, Lupin"! Okay? 1, 2…

All: GO, LUPIN!

Sheila: One more time! 1, 2…

All: GO, LUPIN!

Sheila: Louder! 1, 2…

All: (LOUDER) GO, LUPIN!

With that, Lupin found the strength to get back up.

Lupin: (smirks) You really think you have us pinned down? Think again!

Lupin grabbed a Krybot and threw it at a Porderman, knocking them both down.

Goemon slashed them all over the place.

Lupin: Thanks for the help, folks.

Jigen: It's kinda weird to be praised like this.

Goemon: Yeah. No kidding.

Fujiko: I'm used to it. After all, I've been on the team the longest.

A massive fiery explosion went off behind them and they were ready!

Sheila Loud: I've had it up to hear with you to last an eternity.

Suddenly, Sheila Loud's yellow eyes turned neon yellow, and she was surrounded by a green energy aura with webs, spiders, and rocks surrounding her, she unholstered her massive Sword of The DNA Spliceteam from her back, and as she approached Evil Montana Max, she left green energy, rocks, webs, and spiders with every step.

Sheila Loud: You've always been nothing more than an evil spoiled brat, Montana Max, but to try and ruin our wedding and kill us, you just crossed a serious line, and you're about to get yourself a beating you'll never forget.

Suddenly, Sheila Loud was surrounded by a massive vortex of green energy with webs, spiders, and Earth surrounding the vortex, there was the image of Shredlegs running around the vortex, and in the vortex is a grey phoenix. Then, as the vortex faded, Sheila Loud emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:35 TO 2:14)

Sheila Loud grew to 6'5" in height, she had the body of a goddess, she has spring green highlights in the bangs of her long flowing green hair, she has neon yellow eyes, and a green energy aura with rocks, spiders, and webs surrounding her, she has the image of Shredlegs holding the Earth Kanji in its hands emblazoned on her forehead, she has on spiders earrings with green crystals for the eyes and the Earth Kanji in its legs, and her Crystal Necklace of The Buddha with green crystal links and a spider with green crystals for the eyes and the Earth Kanji inside its legs for the pendant. Sheila Loud has on a long sleeveless purple blouse, purple short-sleeved top with a green phoenix and rocks on it, lavender pants, lavender leg warmers, spring green shoes with butterflies on it, and a long green sleeveless trenchcoat with spiders and rocks on the coattails and on the back is Shredlegs surrounded by rocks. Suddenly, Sheila Loud felt a sharp pain on her back, and then, massive green angel wings with light green tips on the large green feathers, sprouted out from her back. Sheila Loud has on her Ring of the Phoenix on her left ring finger, Green Lantern Corps ring on her right ring finger, and gold wedding ring on her right pinky finger. Suddenly, Sheila Loud's massive Sword of The DNA Spliceteam was surrounded by a kaleidoscope of green energy, rocks, spiders, and webs, and when it emerged, it was transformed into Shredlegs' Earth Spider Sword of Nature Justice, it's a new large sword with a 6'10" massive, wide, double-edged, man-sized green blade with the image of Shredlegs etched on it, large brown spider heads for the crossguard, large green gem embedded in the rainguard, longer black handle, and four large spider heads with red gems for eyes and in their open mouths for the pommel. Sheila Loud has on her brand-new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, gold Belt of Elemental Bravery with a gold spider with a large green gem inside its open mouth for the belt buckle, large green Spellbook of The Gods and The Universe and large green Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's a dark green kanji below Shredlegs that said, "Sheila Castille Loud, Gene-Slammer and Partner of Shredlegs, Dear Friend and Ally of The Underground Girls and The Turtles, Police Officer of The Gotham Royal York Police Department, Loving Wife of Eric Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Destroyer of Ch'Rell, The Ultrom Shredder, and Master of Earth, Spiders, and Webs."

シーラカスティーユ 遺伝子を大声で-シュレッドレッグのスラマーとパートナー、地下の女の子とタートルズの親愛なる友人と同盟国、ゴッサムロイヤルヨーク警察署の警察官、エリッククラウドの愛する妻、悪の殺し屋、混乱した、殺人、冷酷、そしてサディスティックろくでなし、Ch'Rellの破壊者、Ultromシュレッダー、そして地球、蜘蛛、そしてウェブのマスター

Sheila Loud has transformed into SUPER ANGEL 750,000,000,000 EARTH SPIDER LAVASTORM ANGEL OF UNDERGROUND WILL AND NATURE JUSTICE!

We were amazed by Sheila Loud's Super Angel 750,000,000,000 transformation, and when Eric Loud saw her, he had an atomic red blush on his face and hearts in his eyes. But, when

Evil Montana Max saw it, he fell into a rage and got out a cannon.

Evil Montana Max: Time to die, fool, and soon, your husband and everyone will join you in Hell! (LAUGHING MALEVOLENTLY)

But, before Evil Montana Max could fire, Sheila Loud transformed into her Shredlegs form, and it gained an awesome transformation: Shredlegs gained four extra legs and eight green eyes above its head. Then, Shredlegs fired a powerful sticky web, which grabbed Evil Montana Max's cannon, and sent it far into space for good. Then, Shredlegs fired another web and snagged Evil Montana Max, and then, Shredlegs roared ferociously at Montana Max, and it caused the color in his face to drain out and he was white as a ghost. Then, she sent him flying into a wall, where he hit the wall back first.

Nico: Almost Izuku. We just got to finish up here.

Me: Now for this! SPD MORPHER! JUDGEMENT MODE!

I pulled out my SPD Morpher and a timer came on. 15 seconds later a Red X came on!

Me: Guilty! Lets get him! FIRE!

We fired waves of elements and energy and the blasts all hit Evil Montana Max and he exploded!

EXTREMELY MASSIVE EXPLOSION!

We cheered!

Lupinrangers: Furthermore… adieu!

Patrangers: Mission complete!

SPD Rangers: Shut down!

Then Nico saw a Containment Card and in it was The Evil Montana Max in it!

Nico picked it up!

Nico: Evil Montana Max you have failed this world! And it's the Brussels Sprouts Mine for you!

Evil Montana Max: NOT THAT! ANYTHING BUT THAT!

Nico: Too bad.

Nico teleported him to the Belgium Brussel Sprouts Mine and he was sentenced to there for eternity and Rainbow Energy and neutronium chains to make sure he doesn't escape.

We regrouped.

Lupin III: So, sis. How does it feel to finally tie the knot with Eric?

Sheila: It feels very good.

Octagon: Glad to hear it!

Cargill: You've earned it after everything you went through with us.

Me: Absolutely!

Krusty: I hope this was this wedding was what you wanted.

Sheila: Oh it sure was! And it was the best ever!

Pete: (to Izuku) You and your friends helped too.

Izuku: We sure did!

Me: We owe you guys big time for helping us out. And you all did really well.

Nico: Yeah you sure did and we're proud of you all too.

Tsuyu: Thanks Nico.

Cammi: This was really fun.

Lupin III: Just wait for us in 5 days, alright?

Izuku: I'll remember that!

Lupin and Izuku then gave each other a high five.

Me: This was awesome though.

Then I got a surprise as Cammi kissed me full on the mouth and I returned it. We broke away

Cammi: You did awesome J.D.

Me: Thanks Cammi. That was awesome.

Kalin: We should still have fun in the wedding even though Sheila and Eric already tied the knot.

Nico: Good idea. It was awesome. But we all had fun. Lets have the reception back at the estate. (To Izuku) You're more than welcome to join us for the fun.

Izuku: Oh thanks but we have to get back and wait for you guys.

Me: Well just hold on for five days.

Cammi: We'll do that. See ya around J.D.

Me: Oh you bet Cammi.

They teleported back.

?: I will have my revenge on you for ruining everything for me, Tenjou!

Utena Tenjou: I knew there's no mistaking that voice from anywhere. You can come out now, Akio Ohtori.

A figure came out, and it was none other than Akio Ohtori, the soon-to-be former Chairman of Ohtori Academy.

Utena Tenjou: You just don't even know when to quit, Akio? Even after I stopped you long ago, you refuse to quit.

Akio Ohtori: I've always despised you for always ruining my plans, and now, I'll make sure that all of you will die here and now!

Sheila Loud fired a blast of green energy, and it hits Akio Ohtori, and really hurt him.

Lincoln: And guess what, I already knew you were nothing but pure evil from the very beginning, I was just waiting for you to finally slip up and reveal your true nature.

This caught Akio Ohtori completely off guard.

Akio Ohtori: You what?!

Nico: Yeah, we all knew you were nothing but pure evil from the start, and Lincoln was right for us to wait until you finally slipped up, and you finally reveal your true colors.

Sheila Loud: And I've had it up to hear with you to last an eternity, Akio Ohtori.

Suddenly, Sheila Castille's yellow eyes turned neon yellow, and she was surrounded by a green energy aura with webs, spiders, and rocks surrounding her, she unholstered her massive Sword of The DNA Spliceteam from her back, and as she approached Evil Montana Max, she left green energy, rocks, webs, and spiders with

every step.

Sheila Loud: Akio Ohtori, I will never forgive you for the crimes that you've committed against your own students and to your academy. You have besmirched the honor of your own academy, and for that, I'm placing you under arrest for attempted murder, incest, and abuse.

Suddenly, Sheila Loud was surrounded by a massive vortex of green energy with webs, spiders, and Earth surrounding the vortex, there was the image of Shredlegs running around the vortex, and in the vortex is a grey phoenix. Then, as the vortex faded, Sheila Loud emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sheila Loud grew to 6'5" in height, she had the body of a goddess, she has spring green highlights in the bangs of her long flowing green hair, she has neon yellow eyes, and a green energy aura with rocks, spiders, and webs surrounding her, she has the image of Shredlegs holding the Earth Kanji in its hands emblazoned on her forehead, she has on spiders earrings with green crystals for the eyes and the Earth Kanji in its legs, and her Crystal Necklace of The Buddha with green crystal links and a spider with green crystals for the eyes and the Earth Kanji inside its legs for the pendant. Sheila Loud has on a long sleeveless purple blouse, purple short-sleeved top with a green phoenix and rocks on it, lavender pants, lavender leg warmers, spring green shoes with butterflies on it, and a long green sleeveless trenchcoat with spiders and rocks on the coattails and on the back is Shredlegs surrounded by rocks. Suddenly, Sheila Castille felt a sharp pain on her back, and then, massive green angel wings with light green tips on the large green feathers, sprouted out from her back. Sheila Castille has on her Ring of the Phoenix on her left ring finger, Green Lantern Corps ring on her right ring finger, and gold wedding ring on her right pinky finger.

Suddenly, Sheila Loud's massive Sword of The DNA Spliceteam was surrounded by a kaleidoscope of green energy, rocks, spiders, and webs, and when it emerged, it was transformed into Shredlegs' Earth Spider Sword of Nature Justice, it's a new large sword with a 6'10" massive, wide, double-edged, man-sized green blade with the image of Shredlegs etched on it, large brown spider heads for the crossguard, large green gem embedded in the rainguard, longer black handle, and four large spider heads with red gems for eyes and in their open mouths for the pommel. Sheila Loud has on her brand-new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, gold Belt of Elemental Bravery with a gold spider with a large green gem inside its open mouth for the belt buckle, large green Spellbook of The Gods and The Universe and large green Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's a dark green kanji below Shredlegs that said, "Sheila Castille Loud, Gene-Slammer and Partner of Shredlegs, Dear Friend and Ally of The Underground Girls and The Turtles, Police Officer of The Gotham Royal York Police Department, Loving Wife of Eric Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Destroyer of Ch'Rell, The Ultrom Shredder, and Master of Earth, Spiders, and Webs."

シーラカスティーユラウドジーン・スラマーとシュレッドレッグスのパートナー、地下の女の子とタートルズの親愛なる友人と同盟者、ゴッサムロイヤルヨーク警察署の警察官、エリックラウドの愛する妻 邪悪な、混乱した、殺人的な、冷酷な、そしてサディスティックな野郎の殺し屋、Ch'Rellの駆逐艦、Ultromシュレッダー、そして地球、クモ、そしてウェブのマスター

Sheila Castille has transformed into SUPER ANGEL INFINITY NATURE SPIDER EARTHSTORM ANGEL OF UNDERGROUND WILL AND NATURE JUSTICE!

We were amazed by Sheila Loud's Super Angel Infinity transformation, and when Eric Loud saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Akio Ohtori saw it, he fell into a rage and tried to kill her. But, Sheila Loud transformed into her Shredlegs form, and it gained an awesome transformation: Shredlegs gained four extra legs and eight green eyes above its head. Then, Shredlegs fired a powerful sticky web, which grabbed Akio Ohtori, and tossed him all over the place, and he crashed back first into a wall. Then, Shredlegs changed back to Sheila Loud.

Nico: Whoa, now that's awesome. Sheila's transformed into her

Super Angel Infinity form for Phase 2.

Lincoln: First, against Evil Montana Max, and now, the traitor of Ohtori Academy. We'll be sure the rest of the academy knows all about your little abusive actions, Akio.

Eric Loud: Wow, Sheila, you look beautiful. How do you feel?

Sheila Loud: (Divine Echoing Cosmic Voice of the Nature Spider and Earth Justice) **I feel incredible, Eric, and now, I'm going to teach this monster a very painful lesson.**

Sheila Loud went after Akio Ohtori, and she fired powerful blasts of green energy, plants, Earth, and spiders at the abusive and soon-to-be former Chairman of Ohtori Academy, and they exploded with incredible power. Then, she transformed into Shredlegs, and fired powerful balls of web infused with energy, and as they stuck onto Akio, they exploded with incredible power.

Lincoln: Whoa, now that's awesome.

Spider-Man: Energy-infused web balls? I've so got to learn how do that trick!

Then, she attacked him with her massive Shredlegs' Earth Spider Sword of Nature Justice, and she left some pretty nasty scars on his body.

Nico: Ooh, that's going to leave a mark.

Then, she formed a massive club made of Shredlegs' web, and she pulverized him into the dirt, and he was knocked down and out. Then, she put the handcuffs on him, and wrapped him in Shredlegs' webs, along with a rainbow energy straitjacket and rainbow chains, and she hauled him off to the Neptune Cryo-Prison, where he was flash frozen and thrown in a cryogenic cell for the rest of his life, and once evidence of his misdeeds was made public in Ohtori Academy, he was terminated forever. We cheered wildly as Sheila Loud holstered her massive Shredlegs' Earth Spider Sword of Nature Justice on her back and powered down, and her new body, clothes, weapons, jewelry, and massive angel wings are permanent.

But, before she could come back to us, Eric Loud rushed on over, and he hugged Sheila Loud, and it caught her by surprise. Then, he leaned down and he kissed her on the lips, which she returned, as she hugged Eric, and we all cheered wildly for the newly married couple.

Lori: We're literally so happy for Eric and Sheila.

Lynn Sr.: We all are, honey.

Lincoln: This is what I call one awesome mission and wedding, and that evil version of Montana Max is going to be in for a nasty time at the Brussel Sprouts Mines in Belgium.

Nico: Ugh, surrounded by Brussel Sprouts and forced to mine for them for the rest of his life, that spoiled brat's got a lot to answer for.

Buster Bunny: For what he's done to so many people in Acme Acres and all over the U.S., he's just lucky he's not looking at spending the rest of his life for prison. (To Lincoln) So, Lincoln, which Gene-Slammer are you expecting to see on tomorrow's rescue?

Lincoln: Hmm, that's a good question, Buster. Ooh, how about Gene-Slammers for the Lightsworn Monsters?

Nico: Ooh, now that's a good one, big guy.

Me: You said it, Nico.

Sheila Loud: And you planning on bringing me and Eric on your rescue tomorrow, Lincoln?

Lincoln: Why, of course, Sheila. And if someone tries to mess with you and Eric, they'll be answering to us.

Lori: You said it, bro. No one's going to mess with the married couple and gets away with it.

Laney: Yeah.

Nico: You got that right. We'll pulverize the losers who try to hurt the married couple, and we'll throw the book at 'em!

Sheila Loud: (Giggles) Yeah, we sure will, Nico.

Nico: Lets go home.

Lupin III: (To the viewers) This was an awesome wedding and battle! The heist was the biggest ever! Hope you all liked it.

Nico: I know we did.

Me: Yep.

Nico: Lets go home.

We went back home and it was awesome. Evil Montana Max was found guilty of stealing $728 Nongentillion in gold, jewels, platinum and more and he was also convicted of numerous other crimes. He was sentenced to eternal hard labor in the Brussel Sprout Mines in Belgium and he was to be guarded 24/7 and if he ever gets out he will be killed on sight. But there was also a curse put on him too. If he ever tried to get out 25 feet beyond the mines, he will be automatically killed by the Black Gates. We enjoyed the rest of the day and went to sleep. Man this was an awesome Adventure.

THE END

Another awesome fanfiction done!

Lupin III was a great anime and it was one that I have known for years since I was in High School. It was a great show. I watched Part 2 of the show back then and it was awesome and Fujiko Mine is one smoking hot bombshell. HUBBA HUBBA! The first part of the chapter was for the Avengers from 2012 and that was a great movie! The second part was for the Earthworm Jim game level called New Junk City and that was a funny one. The third part was a test rescue for me in the world of MTG And it was awesome. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one. But I hope you guys don't have weak stomachs because Nico, Sheila, Eli, me, Varie and Ibara Shiozaki are going to the world of Earthworm Jim and we're gonna go into the level of INTESTINAL DISTRESS and we're going to also meet a TERRORANCHULA Gene-Slammer, From Kenya and one of Nico's friends from Science, she is a really awesome master of chemistry. We're going to face an evil version of Dr. Duodenum. Lincoln's rescue is gonna be in the world of the 1997 movie called Planetary Traveller and that is gonna be an awesome adventure as we journey to 8 planets and see what each world is like as well as take down 8 villains of Sly Cooper. One for Each Planet. We're going to face evil versions of Sir Raleigh the Frog, Mugshot, Mz. Ruby, Panda King, Dimitri LouSteau, Rajan, Contessa and Jean Bison. One for each planet. And we're going to meet 13 Gene-Slammers for the Lightsworn Monsters. The Gutierrez Sisters:

Kira Gutierrez, Jaina - Lightsworn Paladin

Hayley Gutierrez, Lumina - Lightsworn Summoner

Natalie Gutierrez, Lyla - Lightsworn Sorceress

Joan Gutierrez, Gragonith - Lightsworn Dragon

Naomi Gutierrez, Ehren - Lightsworn Monk

Luna Gutierrez, Wulf - Lightsworn Beast

Gina Gutierrez, Shire - Lightsworn Spirit

Reggie Gutierrez, Ryko - Lightsworn Hunter

Janet Gutierrez, Jenis - Lightsworn Mender

Celeste Gutierrez, Celestia - Lightsworn Angel

Tammy Gutierrez, Aurkus - Lightsworn Druid

Violet Gutierrez, Minerva - Lightsworn Maiden

Rachel Gutierrez, Garoth - Lightsworn Warrior

They are thirteen powerful girls that have amazing light powers and have faced the full force of Lincoln's sisters minus Lily and Laney at their worst. They were born with amazing light powers and were actually gene-slammed with the Lightsworn Monsters on purpose to help Lincoln out. They have lots of terrible revelations about each loud sister minus Laney and Lily. NOT REALLY Bad Revelations about Luna just that she was bullied for something.

The next chapter is gonna be a special one as we go into the world of the awesome 1965 show called Green Acres and we're going there to take down Anna Maria who is out for revenge.

See you all tomorrow.

# GREEN ACRES IS THE PLACE TO BE

IN MEMORIUM OF THE GREAT SHOW GREEN ACRES

---

It was a really gross sight as Nico, Sheila, Eli, me, Varie and Ibara Shiozaki were flying through a REALLY MASSIVE AND GROSS intestine!

Nico: Geez this place is disgusting!

Me: No kidding and I thought going inside my stomach looked really bad.

Varie: That was gross but this is much more disgusting! And it smells worse than Lori's farts!

Eli: No kidding. It's gross! Lana would love it though.

Ibara Shiozaki: Yeah no kidding. But this is amazing going through an intestine like this.

Me: Yeah and the Heartbeats add an ominous tone.

Nico: No kidding. Thanks for coming with me, Sheila.

Sheila: Anytime Nico. You all gave me the best wedding I've ever had.

Eli: It was really fun.

Me: Yeah it sure was.

Nico: But this is really cool being inside a huge intestine like this.

Eli: To some but not to me. But this is what Earthworm Jim must've seen.

Nico: So, how do you feel to finally be married?

Sheila: I feel amazing Nico. And I'm so happy to be married to Eric.

Me: And he is the Loud's cousin.

Nico: Yep that is cool.

Ibara Shiozaki: It sure is.

We were walking through the intestine and it was gross. We saw fish flying with helicopter propellers and the floor was sticky, slimy and smelled like SHIT!

Nico: YUCK!

Eli: This is gross!

Nico: Sheila, if you want to go Shredlegs, now's the time.

Sheila: With pleasure!

She concentrated and then transformed into SHREDLEGS!

Nico: YEAH!

Eli: All right!

FART FART FART FART FART FARTFARTFARTFFART!

Me: That wasn't me!

Nico: I think it was from him!

We saw DR. DUODENUM! HE WAS A LIVING FART GLAND!

---

Doc Duodenum is a minor villain from the Earthworm Jim series. He was once the duodenum of a gigantic alien entity, but he got bored of his life and then decided to leave on his own (this probably was not very good for the alien). He created his own planet, shaped over his vision of perfection. The planet, the Intestinal Planet, is actually a gigantic intestine. He lives on digesting anyone that comes into his planet, spitting acid on his victims. Earthworm Jim came into his planet while chasing Psy-Crow, so Doc decided to have him for dinner. Jim obviously disliked the idea, and was forced to fight him. Victorious and disgusted, he left the planet. However, Jim needed to cross the planet a second time, so in order to avoid being detected, he used his stealth disguise of Sally, the blind cave salamander, thus being able to squeeze over the intestinal tracts without being noticed by the Doc.

---

Ibara Shiozaki: That must be Dr. Duodenum!

Nico: Sheila, let me hop on your back.

Sheila: Okay!

Nico did so.

?: Let me thrash this monster.

A TERRORANCHULA APPEARED!

Nico: Whoa a Terroranchula!

Terroranchula: (In a Girl's voice) (Kenyan Accent) Been a long time Nico.

Nico: Krystal Flemmington? Wow!

Me: Awesome to meet you.

Terroranchula: Thanks.

Terroranchula punched and pulverized Dr. Duodenum all over.

Ibara Shiozaki held him in place with her hair and blasted him all over.

He was farting and belching from each hit.

Me: Geez! This guy is a walking gas factory!

He then fired bile all over and we dodged it!

Nico: GROSS! He's spraying Bile.

Me: YUCK!

Nico: Shredlegs, let's wrap things up!

Sheila: YEAH!

Then she fired a wave of web and wrapped him up in it and then the Terroranchula ATE DR. DUODENUM! YUCK!

Me: OH SICK!

Eli: I think I've lost my appetite for the day!

Nico: YUCK!

Then the Terroranchula reverted back and she was a girl with black hair, brown eyes and purple clothes.

Krystal Flemmington: YUCK! I'll never get that bad taste out of my mouth.

Ibara Shiozaki: I don't blame you for that.

I pulled out some mouthwash and gave it to her.

Krystal Flemmington: Thanks J.D.

She drank and gargled and then spit.

Krystal Flemmington: Ahh that's better.

Nico: Yeah. But it's awesome to see you again Krystal.

Sheila reverted back and she was back in her clothes again. We invented a spell that enables gene-slammer to have their clothes on every time they change back.

Sheila: That was awesome though.

Nico: Good thing you're wearing the same clothes you had on when you transformed yesterday.

Sheila: Yeah thank goodness.

Eli: Yeah.

Sheila: What's your favorite memory with Nico?

Krystal Flemmington: We went to chemistry class together and I was working on a potion to give people laser vision. But I accidentally made a Fountain of Youth Potion and I spilled some on the teacher accidentally and turned her into a little kindergarten kid.

Me: Wow! A Fountain of Youth Potion. That rings a bell. Like with what happened when Lisa made one and Leni turned all her sisters minus Laney and Lisa into babies.

Nico: I remember that. That was awesome.

Eli: It sure was and it put our parenting skills to the test.

Ibara Shiozaki: That must've been fun. I would have loved to see them as babies.

We laughed.

Varie: It was so awesome. And that happened after Jack and Carly's wedding after we saved the world from being destroyed by a massive asteroid that was gonna destroy the planet.

Eli: Yep.

Krystal Flemmington: That is cool.

Nico and Krystal then hugged.

Nico: I really missed you.

Krystal Flemmington: Me too Nico.

Me: Hate to interrupt this reunion but can we please get the hell out of here? I don't want to stay here another second.

Nico: Yeah you're right. This place is really grossing me out.

Eli: Me too.

Nico: And don't expect the Gene Slammers to still have their clothes every time they revert back now. They may still tear apart on most occasions.

Me: Noted.

We left for home.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Cooper Gang and Cooper Clan, Sheila and Eric Loud, and Qin are heading into the world of the 1997 movie Planetary Traveller, and not only is Lincoln going to rescue the fifteen girls there, but we're also going to travel to the eight planets and see what each world is like, along with meeting the 13 Gene-Slammers for the Lightsworn Monsters, and we're also going to destroy the evil versions of Sir Raleigh the Frog, Mugshot, Mz. Ruby, Panda King, Dimitri LouSteau, Rajan, Contessa, and Jean Bison, who are on those planets.

Lincoln: This is so awesome, we're here in the world of the 1997 movie Planetary Traveller, and I know what we're going to do here, not only am I going to rescue the fifteen girls there, but we're also going to travel to the eight planets and see what each world is like, along with meeting the 13 Gene-Slammers for the Lightsworn Monsters, and we're also going to destroy the evil versions of Sir

Raleigh the Frog, Mugshot, Mz. Ruby, Panda King, Dimitri LouSteau, Rajan, Contessa, and Jean Bison, who are on those planets.

Me: That's right, big guy. I saw that movie long ago, and it was so awesome.

Nico: The planets there are said to be amazing, this is going to be so awesome.

Lincoln: That's right, Nico. And I want to thank you, Sheila, and Eric for coming with us, Qin.

Qin: You're welcome, Lincoln.

Sly Cooper: We've already got Sir Raleigh, Mugshot, and Mz. Ruby in The Masters of Evil, and we got Panda King, Dimitri LouSteau, Rajan, Contessa, and Jean Bison in The Redemption Squad, so we're getting a shot at taking their evil versions down for good.

Inspector Fox: (Spanish Accent) Same here.

We then began travelling to the eight planets, and they were so diverse and beautiful. Then, during our travels to the planets, we battled against the evil versions of Sir Raleigh the Frog, Mugshot, Mz. Ruby, Panda King, Dimitri LouSteau, Rajan, and Contessa, and after we tied them up in neon rainbow energy straitjackets and rainbow energy chains, and we've found the Lightsworn Paladin, Lightsworn Summoner, Lightsworn Sorceress, Lightsworn Dragon, Lightsworn Monk, Lightsworn Beast, Lightsworn Spirit, Lightsworn Hunter, Lightsworn Mender, Lightsworn Angel, Lightsworn Druid, and Lightsworn Maiden.

Lincoln: Now, there's only one last planet to head for, and that's where we'll find the fifteen girls, and the Lightsworn Warrior.

?: HELP!

Suddenly, Lincoln heard the sound of fifteen girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the fifteen girls, along with the Lightsworn Warrior, but they've been cornered by Evil Jean Bison, and he's going to kill them.

Lincoln: Guys, I found the fifteen girls, along with the Lightsworn Warrior, but they've been cornered by Evil Jean Bison, and he's going to kill them.

Lightsworn Paladin: (Girl's voice) That evil version of Jean Bison's going to try and kill our sister, let's get him!

Lightsworn Summoner, Lightsworn Sorceress, Lightsworn Dragon, Lightsworn Monk, Lightsworn Beast, Lightsworn Spirit, Lightsworn Hunter, Lightsworn Mender, Lightsworn Angel, Lightsworn Druid, and Lightsworn Maiden: (Girls' voices) Yeah, we'll tear him to shreds if he hurts one hair on our sis.

When Lincoln heard those voices, he knew who they belonged to.

Lincoln: Those voices, Kira, Hayley, Natalie, Joan, Naomi, Luna, Gina, Reggie, Janet, Celeste, Tammy, and Violet Gutierrez, I knew it was you girls. Then, that means the Lightsworn Warrior is none other than Rachel. Come on, we got to help the fifteen girls and your sister. (To Evil Sir Raleigh the Frog, Mugshot, Mz. Ruby, Panda King, Dimitri LouSteau, Rajan, and Contessa) If Evil Jean Bison hurts one hair on Rachel's head, you better start praying.

The evil versions of Sir Raleigh the Frog, Mugshot, Mz. Ruby, Panda King, Dimitri LouSteau, Rajan, and Contessa gulped in dread. We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hits Evil Jean Bison, and it allowed the fifteen girls to get away and allowed Rachel Gutierrez to join with the rest of her sisters. When Evil Jean Bison saw us here, he was enraged.

Jean Bison: You've made a mockery of my name for the last time.

Panda King: And the same goes with my evil version of myself. Now, we shall put an end to these monsters for good.

Lincoln: That's right, in fact.

Lincoln tossed the tied up evil versions of Sir Raleigh the Frog, Mugshot, Mz. Ruby, Panda King, Dimitri LouSteau, Rajan, and Contessa at Evil Jean Bison, then Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sima Yi, Sun Quan, and Jiang Wei got out their weapons, The Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Sheila and Eric Loud, Qin, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, The Cooper Gang and Cooper Clan got out their weapons, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at the evil versions of Sir Raleigh the Frog, Mugshot, Mz. Ruby, Panda King, Dimitri LouSteau, Rajan, Contessa, and Jean Bison, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, steel orbs, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit them.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Time to you monsters to face justice for all of your crimes.

Lincoln powered down, but then, he was surrounded by a massive vortex of rainbow energy with the shimmering crystals of many beautiful colors, and when Lincoln emerged, the 17-year-old 7'5" tall, handsome, and extremely muscular man's long, white hair that reached the bottom of his neck turned into rainbow colors except for the rainbow lightning bolts on the bangs, his deep sapphire blue eyes turned deep rainbow colors, the eight large orange orbs orbiting around his legs turned rainbow, his large blue pants remain the same, along with the rainbow colored lightning bolts on them, his massive orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs turned rainbow, his orange version of He-Man 2002's loincloth and long orange trenchcoat coattails with elemental forces, thunderbirds, buffalo, and angels with hanging small silver lightning bolts turned rainbow, and his massive deep sapphire blue angel wings with stars turned rainbow. Lincoln transformed into CRYSTAL LINCOLN, The Crystal Elemental HERO.

Suddenly, Lincoln was surrounded by colorful crystals and crystal clusters, and we knew what he's going to do: he's going to use the Crystal Dragon's Vengeance Curse on the evil versions of Sly Cooper's enemies.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Evil Sir Raleigh the Frog, Evil Mugshot, Evil Mz. Ruby, Evil Panda King, Evil Dimitri LouSteau, Evil Rajan, Evil Contessa, and Evil Jean Bison. Now, the future is a cold nightmare.

Nico and I really had shivers going down our spines and so did many of us when Lincoln sang that song, and we saw icicles going down our spines.

Then, Lincoln fires powerful blasts of rainbow energy with colorful crystals, and once they hit Evil Sir Raleigh the Frog, Evil Mugshot, Evil Mz. Ruby, Evil Panda King, Evil Dimitri LouSteau, Evil Rajan, Evil Contessa, and Evil Jean Bison, they were trapped inside their separate colorful crystal prisons for all eternity, and it drains them of their negative energy and we're absorbing all of the negative energy and convert it into positive energy, and we gained a massive power boost. Then, Lincoln beamed the imprisoned villains to the Pluto Prison for good. We cheered as we holster our weapons and powered down.

Lincoln: Now, that's it for Evil Sir Raleigh the Frog, Evil Mugshot, Evil Mz. Ruby, Evil Panda King, Evil Dimitri LouSteau, Evil Rajan, Evil Contessa, and Evil Jean Bison. (To the Gutierrez Sisters) And it's so good to see you all again, Kira, Hayley, Natalie, Joan, Naomi, Luna, Gina, Reggie, Janet, Celeste, Tammy, Violet, and Rachel Gutierrez.

Kira Gutierrez: You too, Lincoln, it's been a long time since we last saw you.

Lincoln went up to the Gutierrez Sisters, and they hugged, and Kira and her sisters were also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time that I haven't seen all of you, and as you and your sisters can see, I really grew a lot since then.

Kira Gutierrez: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Hayley Gutierrez: Yeah, you really have, Lincoln.

Nico: Whoa, Lincoln, you know these thirteen girls.

Lincoln: Indeed I do, Nico. The Lightsworn Paladin is Kira Gutierrez, The Lightsworn Summoner is Hayley Gutierrez, The Lightsworn Sorceress is Natalie Gutierrez, The Lightsworn Dragon is Joan Gutierrez, The Lightsworn Monk is Naomi Gutierrez, The Lightsworn

Beast is Luna Gutierrez, The Lightsworn Spirit is Gina Gutierrez, The Lightsworn Hunter is Reggie Gutierrez, The Lightsworn Mender is Janet Gutierrez, The Lightsworn Angel is Celeste Gutierrez, The Lightsworn Druid is Tammy Gutierrez, The Lightsworn Maiden is Violet Gutierrez, and the Lightsworn Warrior is Rachel Gutierrez.

Me: Dang, that's a lot of sisters.

Sally Huntington: Just like with me and my sisters.

Kira Gutierrez: But, unlike you and your sisters, Sally, we decided to Gene-Slam ourselves with the Lightsworn Monsters on purpose to help Lincoln out.

We were amazed and stunned.

Nico: Whoa, so you girls Gene-Slammed yourselves on purpose to help Lincoln out? That's so amazing!

Kira Gutierrez: That's right, and we also had a bit of a crush on Lincoln as well. And we also got lots of terrible revelations about Lori, Lynn, Lola, Lisa, and Luan, and not really bad revelations about Leni, Luna, Lucy, and Lana.

Me: (Gasps) Oh, that's not good.

Nico: You said it, J.D. But, I'm curious, why didn't you girls include Laney and Lily?

Lily Loud: Nah, we actually got along with the Gutierrez Sisters, and when they told us the reason of why they purposefully Gene-Slammed themselves to help our brother out, we promised to keep that a secret from Lori, Leni, Luna, Luan, Lynn, Lucy, Lana, Lola, and Lisa.

Nico: Oh, that makes sense.

Lincoln: That's right. Now, let's get you and your sisters back to normal, Kira.

Kira Gutierrez: No need, Lincoln.

Kira Gutierrez and her sisters reverted back to normal, and they're thirteen beautiful 17-year-old girls with long flowing colored hair, colored eyes, fair skin, they're 6'5" in height, they have the bodies of goddesses, and they each have massive colored angel wings, as they reigned in the power of the Lightsworn Monsters, and they're dressed in sleeveless colored blouses, sleeveless colored midriff tops and short-sleeved tops, long colored skirts, colored pants, colored high-heeled sneakers, and long colored sleeveless trenchcoats with lights on the coattails and on the backs are the Lightsworn Monsters they were Gene-Slammed to.

Lincoln: Wow, those are some awesome outfits. And I've got something for you and your sisters, Kira.

Then, Lincoln gave the Gutierrez Sisters thirteen large Lightsworn Monster-themed swords, they're large swords with the Lightsworn Monsters etched on the 6'9" massive, wide, double-edged colored blades, colored angel wings for the crossguards, large colored gems embedded in the rainguards, longer black handles, and large colored gems with surrounding angel wings for the pommels.

Kira Gutierrez: Wow, we love the new swords you made for us, Lincoln.

Suddenly, thirteen Thunderbird Necklaces of Eternal Love appeared on the necks of the Gutierrez Sisters with colored gems on the gold lightning bolts and colored crystal links from her brand-new Crystal Necklace of the Buddha which merged with their Thunderbird Necklaces of Eternal Love.

Kira Gutierrez: (Surprised) Whoa, is this…?

Lincoln: Yep, those are Thunderbird Necklaces of Eternal Love, which means you and your sisters are now part of my harem and my many future wives, Kira.

The Gutierrez Sisters had smiles on their faces and tears coming from their eyes, as they wrapped their arms around Lincoln's waist, along with his twelve clones and Lincoln and his clones wrap their abnormally massive and powerful muscular arms around their bodies, and they leaned down and kissed the Gutierrez Sisters on their lips, and they returned it, and we cheered for them. Then, we went up to the fifteen girls, and when Lincoln saw them, he immediately recognized them. The fifteen girls are Mami Shimura, Saori Inzuzuka, Yurika Tani, Reiko Takagi, Izumi Totsuka, Shizuka Nakamoto, Cindy Sakurai, Ryōko Minami, Misako Ishibashi, Maina Yasuda, Yukie Itō, Maki Nishikawa, Mika Katō, Kiyomi Arai, and Megumi Yokoyama from Sotsugyō.

Lincoln: Oh wow, it's Mami Shimura, Saori Inzuzuka, Yurika Tani, Reiko Takagi, Izumi Totsuka, Shizuka Nakamoto, Cindy Sakurai, Ryōko Minami, Misako Ishibashi, Maina Yasuda, Yukie Itō, Maki Nishikawa, Mika Katō, Kiyomi Arai, and Megumi Yokoyama from Sotsugyō.

Nicole Knudson: From Sotsugyō, awesome.

Lincoln: Are you girls okay?

Mami Shimura: Yes, we're okay, thanks to you.

Then, when Mami Shimura and the other fourteen girls saw who it was that saved them from the evil versions of Sly Cooper's enemies, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The

He had his massive Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings and the stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and

Mami Shimura: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made fourteen clones of himself, and he and the fourteen clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Mami Shimura: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, fifteen Thunderbird Necklaces of Eternal Love appeared on the necks of Mami Shimura, Saori Inzuzuka, Yurika Tani, Reiko Takagi, Izumi Totsuka, Shizuka Nakamoto, Cindy Sakurai, Ryōko Minami, Misako Ishibashi, Maina Yasuda, Yukie Itō, Maki Nishikawa, Mika Katō, Kiyomi Arai, and Megumi Yokoyama with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate and we told everyone of what happened in the world of Planetary Traveller, and they were shocked when they found out the villains we went after were the evil versions of Sly Cooper's villains, Sir Raleigh the Frog, Mugshot, Mz. Ruby, Panda King, Dimitri LouSteau, Rajan, Contessa, and Jean Bison.

But, when Lincoln showed what he did in cursing them with the Crystal Dragon's Vengeance Curse, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and the Gutierrez Sisters now have a lot of catching up to do, now that they're back.

Lincoln and the Gutierrez Sisters now have a lot of catching up to do, now that they're back.

---

After dealing with the evil versions of Sly Cooper's enemies, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when the Gutierrez Sisters saw Lincoln working out like crazy, they had thirteen atomic red blushes on their faces.

Kira Gutierrez: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Luna Gutierrez: That's so awesome.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and now, I can also defend myself.

Natalie Gutierrez: That's incredible.

Nico: It sure is, girls. So, what are these terrible revelations about Lori, Leni, Lynn, Lola, Luan, Lucy, Lana, and Lisa, along with the not really bad revelations about Luna?

Kira Gutierrez: Ooh, have we got something to tell you guys? First is Lori, one day, while Lincoln and I were working on a science project, that cell-phone obsessed control freak wanted Lincoln to be an ottoman so she can paint her toenails. But, Lincoln told her "no", and she went ballistic and wanted to turn Lincoln into a human pretzel. But, I fired a blast of light at her, and she hit the wall. When I told Mr. and Mrs. Loud about what Lori tried to do, Lori got her cellphone taken for five weeks and she was grounded for that same amount of time.

Hayley Gutierrez: Now for Leni, one day, Lincoln and I were at Gus' Games and Grub, but then, Leni showed up and wanted to dress Lincoln in a dress, that's going to lead to an embarrassing situation. I then found out that it was Lori's idea to do that, thanks to Leni blabbing it out. So, we went back to the Loud House, and when Mr. and Mrs. Loud found out it was Lori's idea, she got grounded for two weeks for trying to humiliate Lincoln, and she swore revenge.

Natalie Gutierrez: Now for a not really bad revelation about Luna, I know she's Lincoln's guardian, but I soon found out she was forced to be a mean sister to Lincoln, and the ones who bullied her into this were Lori, Lynn, Lola, Lisa, and Luan. I gave Luna a talking to, and when she realized Lori, Lynn, Lola, Lisa, and Luan were the ones who forced her to be a bully. When Luna found out, she smashed her cymbals into Lori, Lynn, Lola, Lisa, and Luan's ears, and they went deaf for two weeks, and the five mean sisters were also grounded for eight weeks because of it.

Joan Gutierrez: Now for Luan, I found out that prank-crazy prankster was going to give Lincoln the biggest pranking of his life, but when I found out she littered the place with traps such as raccoon cages, electric eels, poisonous snakes, greased-up floors, bear traps, and many more, I knew I had to save Lincoln. So, I fired a blast of light at the traps and ruined them all, and when Luan found out I ruined her pranks, she wanted to destroy me. But, I fired a blast of light and blinded her, and then, I tied that lunatic up with nylon rope, and I told Lincoln about what Luan was going to do to him, and he thanked me for saving him, and as for Luan, she was grounded for nine weeks and she had to clean the whole house.

Naomi Gutierrez: Now for Lynn, Lincoln and I were playing in the park, but then, Lynn showed up and she proceeded to pulverize Lincoln, and said she needed her training dummy, and she laughed at him and I got so mad, I pulled her off of Lincoln and I gave her such a nasty black eye by punching her in the face, and then, I tied that animal up with nylon rope, and we dragged her back home. When Mr. and Mrs. Loud found out, Lynn was grounded for nine weeks with no sports or sports competitions, and she was so mad, she wanted revenge on me. But, I made a ball of light and I threatened, if she tried to hurt me or Lincoln, she'd blast her and send her flying to jail.

Luna Gutierrez: Now for Lucy, one day, I was with Lincoln at the park, but then, we got scared by the sudden appearance of Lucy, and she wanted to brutally harm Lincoln But, I stopped her from doing so, and when I found out from her that Lynn was the one who put the thought of murdering her own brother in her head, I went down there and I brutally pulverized Lynn, and as soon as I told Mr. and Mrs. Loud, Lynn got grounded for three weeks. Lucy got grounded for two days, but she earned the forgiveness of Lincoln, and when he also found out Lynn put that thought of him being possessed by demons into Lucy's head, he got so mad at Lynn, he didn't talk to her for ten whole weeks.

Gina Gutierrez: Now for Lana, one day, I went with Lincoln to Tall Timbers for relaxation, but then, we got interrupted by Lana, who threw mud at Lincoln, and wanted to wrestle him into the ground. But, I wasn't going to let Lana do that, so I grabbed the grease monkey and we dragged her back to the Loud House, and she got grounded for two days. But, she eventually apologized to Lincoln, and they made up.

Reggie Gutierrez: Now for Lola, while what Lana did was bad, it's nothing compared to what Lola did. One day, I was going for a walk, but I heard the sound of screams coming from The Loud House, and the sounds of objects being smashed on the walls. I knew the sound of that scream came from only one person: Lincoln, and it was the terrified scream, and the sound of objects being smashed on the walls and an angry scream of rage could only come from one person: Lola Loud. I headed in, and I got the little monster away from Lincoln. I found out that Lincoln accidentally stepped on Lola's tiara, and Lola went mad with rage and thought Lincoln did it on purpose, and she wanted to kill him. But, I knew that it was an accident, and Lola had gone too far again. So, I dragged her butt to the parents, and when I told them about what Lola was about to do to Lincoln, Mrs. Loud paddled Lola and the little pageant demon was grounded for three weeks.

Janet Gutierrez: Now for Lisa, and this is something me, Celeste, Tammy, Violet, and Rachel did together to defend Lincoln. One day, me, Celeste, Tammy, Violet, and Rachel were walking to the Loud House to help Lincoln with a project for school, but then, we heard the sound of screams coming from The Loud House: we broke the door down and we rushed on in, we then found the source of the screams: it was Lincoln, and he was strapped to Lisa's table, and he had a laser pointed at his head, and we saw Lisa laughing madly and she was about to be fire the laser. We fired blasts of light at the laser and destroyed it, and we got Lincoln out, and we pulverized Lisa and tied her up in nylon rope. We then told Mr. and Mrs. Loud about it, and Lisa got her science equipment confiscated for three weeks and Lisa got grounded for five weeks.

We were shocked at the revelations about Lori, Leni, Luna, Luan, Lynn, Lucy, Lana, Lola, and Lisa.

Me: Jeez.

Nico: Now, those are some really terrible revelations that we've heard.

Laney: Me and Lily heard about that from Lincoln and the Gutierrez Sisters, and we were really really horrified.

Lily Loud: And you girls really protected Lincoln from Lori, Lynn, Lola, Lisa, and Luan. And you also talked some sense into Leni, Luna, Lucy, and Lana.

Luna Loud: Yeah, dude, when Natalie talked to me, she freed me from the influence of Lori, Lynn, Lola, Lisa, and Luan, and I was right to have smashed my cymbals in their faces and gave them two weeks of deafness, they're lucky I didn't use my axe because their ears would be bleeding for weeks on end, and I was back to being Lincoln's guardian.

Sly Cooper: Those rotten, good-for-nothing Dark Sides of the Louds are really starting to piss me off. Even more so than the TLPS Bad Guys gang, and they've almost had it up to hear with them as well.

TLPS Mr. Wolf: You got that right, Sly. In fact, I was about to ask Lincoln to give them the Crystal Dragon's Vengeance Curse.

Lincoln: Way ahead of you two.

Lincoln gave the Dark Sides of The Louds minus Dark Lynn who couldn't be found and the Crystal Dragon's Vengeance Curse, and not only were they trapped in their crystal prisons for eternity, but we also gained a massive power boost from the curse constantly draining the negative energy out of the dark sides and we absorbed it.

We then got a shower afterwards, and then, Lincoln and his harem were getting ready for their beach date, this time, it's at Orange Ocean in Kirby's world.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of

trouble.

And his harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble.

Lincoln: Alright, ladies, shall we?

Paige: Of course, Linky.

Lincoln and his harem left the Estate, and they head for Orange Ocean in Kirby's world, and when they saw it, it was a beautiful place named after its perpetual sunset and the orange glow that it casts on the water with small islands in the sea as well as underwater levels in the orange water.

Kira Gutierrez: Whoa, what is this place, Lincoln?

Lincoln: This, Kira, is Orange Ocean in Kirby's world, it's named after the perpetual sunset and the orange glow it casts on the water. I figured it's perfect for our date, shall we?

Lincoln and his harem right into the waters at Orange Ocean, and they had a lot of fun there. Then, both of our groups went to the picnic areas to have lunch that Lincoln packed. Then, Lincoln made clones of himself, and Lincoln and his clones went up to the girls in his harem, and they picked them up in their abnormally massive and powerful muscular arms, and then, they passionately kissed and hugged with supercharged and intense passion. Then, they came back home to the Estate, and were in their original clothes.

Nico: Hey, guys, how was your date?

Lincoln: It was awesome, Nico, we went to Orange Ocean in Kirby's world.

Nicole Knudson: Orange Ocean, named after its perpetual sunset and the orange glow that it casts on the water? That's so awesome!

Girl Jordan: And with Lincoln's favorite color being orange, we really enjoyed ourselves with Lincoln.

Kira Gutierrez: And we also had a romantic and passionate kiss with Lincoln after our date was about to end.

Sally Huntington: That's how he always ends the dates, Kira, and you and your sisters are in for a lot more dates with Lincoln.

Luna Gutierrez: You said it, and we can't wait.

TLPS Mr. Wolf: Alright, and now that you guys are back, we got something to tell you. Eve just found Michael Corvin, and he also escaped from Antigen.

This surprised Lincoln and his harem, after they came back.

Lincoln: Really, is he still…?

TLPS Ms. Tarantula: Yeah, he's still in Budapest, Hungary. But, we've got to get him out of there, and here to Gotham Royal York before any of the Lycans capture him.

TLPS Mr. Wolf: We asked Nico for permission, and he agreed. Plus, he also gave us some silver nitrate grenades for a little ambush on the Lycans.

Nico: Plus, they beefed up security after what we did to Quint and Dr. Lane on my rescue.

TLPS Ms. Tarantula: Not a problem, Nico. I'll hack into the system, disable it, and then, we ambush the Lycans with the silver nitrate grenades and get Michael Corvin out of there.

Selene (Underworld): You know it won't be an easy task for any of you.

TLPS Mr. Shark: We know, but we're not letting the Lycans get away with this. Trying to kill all of the Vampires, especially vampires like you, Eve, and David, that's not right.

TLPS Mr. Piranha: Besides, we also know you're like a sister to Eli.

TLPS Mr. Wolf: So, we're doing this mission, and we'll see to it the Lycans never run free ever again.

David (Underworld): Then, we're also coming with you.

Eve: (British Accent) He's right, we're all coming with you, and since I can sense for the presences of my father and mother, I'll be able to lead you all to my father.

Selene (Underworld): She's right, it's time to end this war once and for all.

TLPS Mr. Wolf: Right, let's go.

After Lincoln's date, The TLPS Bad Guys Gang, Selene (Underworld), Eve, and David (Underworld) are heading to Budapest, Hungary, to rescue Michael Corvin, the only human descendant of the immortal 5th Century Hungarian warlord, Alexander Corvinus, and a powerful Lycan-Vampire Hybrid, who's also escaped from Antigen, and is hiding out from the Lycans.

TLPS Mr. Wolf: So, we're here in Budapest, Hungary. Now, there's no time to waste, we need to find Michael before the Lycans do. Then, we deal with the one who's re-organized the Lycans again after Quint and Dr. Lane were killed.

TLPS Mr. Snake: First, we need to find out where Michael's at.

Suddenly, Eve had a vision, and she saw where her father's located at: he's hiding at the safehouse where Selene took him to after she killed Viktor. But, the Lycans were heading there now to capture him again.

Selene (Underworld): What is it? Michael?

Eve: (British Accent) He's at the safehouse where you took him to after you killed Viktor. But, the Lycans are heading there now.

TLPS Mr. Wolf: We need to head there right now.

The TLPS Bad Guys Gang, Selene (Underworld), Eve, and David (Underworld) head straight over to the safehouse. Then, they see a figure heading for them, but Selene recognized who the figure was: it was Michael Corvin.

Selene (Underworld): Michael?

Then, Michael rushed on over to Selene, and they hugged.

Michael Corvin: Thank God you're okay.

TLPS Mr. Wolf: And before you take action, we came here to help you, Michael.

Selene (Underworld): It's okay, they're with Team Loud Phoenix Storm.

Michael Corvin: Team Loud Phoenix Storm, ah, I see. Before we get out of here, I need to tell you all of who's re-organized the Lycans after Quint and Jacob Lane were dealt with: his name is Marius, he rose to power after the deaths of Quint and Jacob Lane, and now, he seeks to finish their plans and destroy the Covens for good.

TLPS Mr. Wolf: What? This is not good, we need to find Marius and kill him.

Michael Corvin: It won't be that easy, Marius is more ruthless and cruel than Lucian, the previous leader and creator of the Lycans, and he wants my blood, the same with Selene and my daughter, Eve.

TLPS Mr. Wolf: That bastard. Lucian may have been driven by revenge against the Vampires for what Viktor did in killing Sonja centuries ago, but what Marius is planning to do, this is something I refuse to allow. I will see to it that Marius dies a painful and agonizing death for what he's done, and the Lycans will be destroyed for good.

Suddenly, TLPS Mr. Wolf's massive Fenrir's Sword of The Moonlight Wolf unholstered itself from his wider and more muscular back, and it's surrounded by a vortex of rainbow energy and a kaleidoscope of midnight blue energy with moonlight and wolves, and when it emerged, the sword's transformed into Fenrir's Lunar Nordic Wolf Sword of The Eternal Moon, it's a brand-new large sword with a 6'10" massive, wide, double-edged midnight blue blade with silver lining the blade and a wolf howling at the full moon etched on the blade, large midnight blue wolf heads with midnight blue crystal eyes for the crossguard, large white pearl embedded in the rainguard, longer black handle, and four large midnight wolf heads with midnight blue gems for the eyes and in the open mouths, and a midnight blue gem on the bottom the wolf heads for the pommel.

Selene (Underworld): It appears your sword's undergone a transformation, Mr. Wolf.

TLPS Mr. Wolf: I'll be sure to ask Lincoln about that later.

Suddenly, the sword beckoned to TLPS Mr. Wolf, and when he grabbed the large sword's longer black handle, the rest of the team saw the amber colored sclera of his eyes glow, and then, he grew from 7'0" to 7'4" in height, and his abnormally massive and powerful upper and lower body muscles grew a little bit bigger and he still retained his eight-pack abs, and his clothes grew longer. Then, as if he's picked up on the Lycans' presence, he slashed at the incoming Lycans with such incredible speed, and he cut them all down and killed them, as the silver lining of his new sword dealt them a serious blow.

TLPS Mr. Wolf: Now, to head for Marius.

The TLPS Bad Guys Gang, Selene (Underworld), Eve, Michael Corvin, and David (Underworld) head for Antigen, where Marius is still hiding out. TLPS Ms. Tarantula hacked the system, and they were able to sneak inside without warning any of the Lycans. Then, they see Marius in his office, along with many other Lycans.

Marius: I can't believe Selene and Eve escaped, and just when we're finally getting close to finally destroying the Vampires.

Suddenly, the spirits of the vampires and werewolves appeared and swirled around the room, along with darkness appearing out of nowhere, and silver nitrate grenades were dropped in every room in Antigen. Then, an explosion appeared out of nowhere, and the howl of a werewolf echoed through the air, and as the dust cleared, The TLPS Bad Guys Gang, Selene (Underworld), Eve, Michael Corvin, and David (Underworld) appeared.

Marius: Who are all of you?

TLPS Mr. Wolf: That's of no concern to you, Marius. It won't matter though, because in a few minutes, you will die here and this war will be brought to an end.

Suddenly, something snapped in TLPS Mr. Wolf's mind, as the amber colored sclera of his eyes turned neon amber, and he was surrounded by a rainbow energy and midnight blue energy aura with wolves and moonlight, and as he approached Marius, he left rainbow energy, midnight blue energy, wolves, and moonlight with every step.

TLPS Mr. Wolf: Marius, I will never forgive you for your attempts to capture Selene, Eve, and Michael Corvin, so you could get their blood to end this centuries old blood war that was caused by Viktor's paranoia. (Getting Angry) But, what you tried to do in attempting to kill Michael Corvin for his blood and the fact that you're only solely driven by hatred… , YOU CROSSED ONE MORAL LINE TOO MANY, MARIUS, AND FOR THAT, I WILL MAKE YOU PAY FOR EVERYTHING THAT YOU'VE DONE, AND I WILL SEE TO IT THAT YOU DIE A HORRIBLE AGONIZING DEATH, YOU SELFISH, HEARTLESS, MURDEROUS BASTARD!

The rest of the TLPS Bad Guys Gang gasped in pure shock.

TLPS Mr. Shark: There's no turning back now, the boss is going to see to it that Marius pays for what he's tried to do.

Then, TLPS Mr. Wolf screamed like a madman and let out a really loud howl. But then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of power blasted out and he was surrounded by a massive vortex of rainbow energy and midnight blue energy with moonlight and moonlight fire surrounding it, there's a wolf running around the vortex, and in the vortex is a midnight blue phoenix. Then, as the vortex faded, TLPS Mr. Wolf emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS 1:45 TO 2:14)

The 7'4" tall and extremely muscular TLPS Mr. Wolf remained the same, he has neon amber sclera and a rainbow energy aura with moonlight, midnight blue energy, moonlight fire, and wolves surrounding him, he has a wolf howling at the full moon emblazoned on his forehead, his tail's gotten longer for his new body, he has on a Crystal Necklace of the Buddha with midnight blue crystal links and a silver wolf with midnight blue crystal eyes and the Moon and Eternity Kanjis in its paws for the pendant, he still has on large weighted midnight blue bands on his massive biceps and thighs and they have silver phoenixes on them, along with the eight large midnight blue orbs orbiting around his legs. He now has on a long black shirt that outlines his eight-pack abs and massive pecs and it has a midnight blue phoenix and a howling wolf on it, long black leather pants with wolves on them, black leather ankle-high combat boots with wolf heads for the buckles, and a long white long-sleeved fur coat with wolves on the coattails and on the back is a wolf howling at the full moon and a phoenix flying in the skies. TLPS Mr. Wolf's massive gray angel wings with midnight blue tips on the large gray feathers grew bigger for his new body, he has on his Ring of The Phoenix with large midnight blue gem on the gold ring on his left ring finger and a White Lantern Corps ring on his right ring finger.

TLPS Mr. Wolf has his massive Fenrir's Lunar Nordic Wolf Sword of The Eternal Moon in his larger left paw, TLPS Mr. Wolf has on his new large gold cuff Bracelets of the Champions of The Universe with midnight gems on his wrists, gold Belt of Elemental Bravery with gold wolf head with midnight blue gems for eyes and a large midnight blue gem in its mouth for the belt buckle, large midnight blue Spellbook of The Gods and The Universe and large midnight blue Spellbook of The Elemental Gods on his left hip and Eater of Sins revolver holstered on his right hip. There's a midnight blue kanji below the wolf that said, "TLPS Mr. Wolf, Awesome Skilled Leader and Boss of The Bad Guys Gang, Former Pick Pocket, Awesome and Hilarious Member of Team Loud Phoenix Storm, Destroyer of Marius and The Lycans, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Defender of Wolves and Warrior of the Full Moon, Emissary of Fenrir, and Master of Moonlight and Wolves."

TLPSウルフ氏、バッドガイギャングの素晴らしい熟練したリーダーとボス、元ピックポケット、チームラウドフェニックスストームの素晴らしい陽気なメンバー、マリウスとライカンの破壊者、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、オオカミの擁護者と満月の戦士、フェンリルの使者、そして月光とオオカミのマスター

TLPS Mr. Wolf's transformed into SUPER ANGEL ETERNITY INFINITY MOONLIGHT FIRESTORM WOLF ANGEL OF LUNAR JUSTICE AND LUPINE MOONLIGHT LIFE!

This is more than enough to send Marius into a fit of rage, as they hear him roar and they see his eyes turn cloudy deep blue, his teeth turned jagged, and then, he transformed into his Lycan form, and he roared.

Underworld OST: Fire Falling From The Sky

Mr. Wolf: (Divine Echoing Cosmic Voice of The Midnight Wolf Moon and Lunar Justice) **Roar at us all you want, Marius, you're still going to die here and now!**

The rest of the TLPS Bad Guys Gang got out their swords and transformed, Selene (Underworld), Eve, and David (Underworld) got out their Destroyers of The Lycans guns, and Michael Corvin transforms into his hybrid form, and after he was fed blood from a blood bag that TLPS Mr. Wolf gave him, he was now much stronger. Then, they went after Marius, who tried to attack them, but they dodged his attacks, and the TLPS Bad Guys Gang, Selene (Underworld), Eve, David (Underworld), and Michael Corvin fired powerful blasts of rainbow energy, elemental forces, moonlight, darkness, silver nitrate bullets, bats, wolves, spiders, piranhas, snakes, and tarantulas at Marius, and they exploded with incredible power as they hit him.

Then, TLPS Mr. Wolf and Selene snuck up behind Marius, and they ripped his spine out of his back, killing Marius, and then, TLPS Mr. Wolf slashed off the Lycan's head, and banished him to The Black Gates forever. TLPS Mr. Wolf holstered his massive Fenrir's Nordic Lunar Wolf Sword of The Eternal Moon on his wider and muscular back and powered down, and TLPS Mr. Wolf's new body, clothes, weapons, jewelry, and massive angel wings are permanent. Then, TLPS Mr. Wolf shows the other Lycans Marius' severed head.

TLPS Mr. Wolf: Lycans, your leader, Marius, is dead. Now, leave here and tend to your wounded.

Then, they leave to head back to the TLPS World Tree Estate, but not before implanting Marius' head on a stake to give the Lycans a message not to cause trouble ever again, and it was also put on tape.

Nico: Guys, you're back. So, how was the mission?

TLPS Mr. Wolf: A success, Nico. We rescued Michael Corvin, and we dealt with Marius, a Lycan who rose to power after the fall of Antigen.

Nico: What, Marius re-organized the Lycans even after we dealt with Dr. Jacob Lane and Quint on my rescue? Sheesh.

TLPS Mr. Snake: Michael told us everything that Marius attempted to do, and he's even more ruthless and cruel than Lucian, the deceased leader and creator of the Lycans.

Me: Whoa.

Lincoln: And we sensed a powerful energy signal from TLPS Mr. Wolf. Wait, did he…?

TLPS Mr. Wolf: Yeah, after my sword transformed, I also transformed into my Super Angel Eternity Infinity form, and we took down Marius. Then, I showed the other Lycans his severed head, and the surviving Lycans were forced to retreat, and before we left, I implanted Marius' severed head on a stake to give the Lycans a message not to cause trouble ever again.

They showed us the tape, and we were stunned.

Nico: Whoa, now that was brutal, and you sure were mad at Marius big time for that.

Selene (Underworld): Indeed he was. He absolutely showed no mercy to Marius, in the same way the Death Dealers had shown the Lycans none.

TLPS Mr. Wolf: The Lycans aren't going to cause any trouble anymore, now that they have no leader and you guys also scrapped their plans at Antigen, we won't have any trouble from them anymore.

We then put Michael Corvin under our protection as well, and he was also reunited with Eli, who also knew of him, along with Selene.

---

Later it was time for Vakama's final Ambassador Mission.

Me: This will be awesome guys.

Vakama: You guys will love the Dino Squad.

Nokama: I have a feeling it will be awesome.

Matau: It sure will and I hope that Veloci gets a good buttkicking.

Eli: I have a feeling he will. Can I go with you guys too?

Me: You sure can bro.

Tahu: This will be so awesome my brothers.

Gali: It sure will.

We were off to Florida.

We arrived.

Max (Dino Squad): Hey guys!

Me: Hey Max.

Vakama: Guys, meet my fellow Toa.

Nokama: Awesome to meet you all. My name is Nokama, Toa Metru of Water.

Matau: Matau, Toa Metru of Air.

Nuju: Nuju, Toa Metru of Ice.

Onewa: Onewa, Toa Metru of Stone.

Whenua: Whenua, Toa Metru of Earth.

Tahu: And we are the Toa Nuva. I am Tahu, Toa of Fire.

Gali: Gali, Toa of Water.

Lewa: Lewa, Toa of Air.

Kopaka: Kopaka, Toa of Ice.

Pohatu: Pohatu, Toa of Stone.

Onua: Onua, Toa of Earth.

Takanuva: And I'm Takanuva, Toa of Light.

Fiona (Dino Squad): Wow it's a pleasure to meet you all.

Eli: Awesome to meet you too. I'm Eli Winston Bullock.

Me: Eli is my little brother. We're not related by blood. He is someone that I looked out for a while.

Eli: Yep.

Lewa: I find it hardly a coincidence that Veloci would mutate a falcon and a gorilla on Vakama's last two missions.

Fiona: You're saying that there's a connection between the two?

Matau: Wait. Aren't a falcon and a gorilla Cole's Zords?

Me: Yes they are. And the lion is his main zord too.

Eli: But what does he want with those two?

Gali: Hmm. If my hunch is correct, Veloci will most likely send a mutated Lion after us next.

Tahu: That will not be good.

Me: No it won't.

Eli: (Senses something) Wait! I sense something. It's coming over the hill!

We looked out and we saw a HUGE MUTATED LION!

Kopaka: Looks like your hunch was right, Gali.

Gali: This will be fun!

Eli: And look who is on it!

We saw Veloci!

Nokama: That must be Veloci!

Eli: I'll face him and you guys take on the Lion.

Me: Go get him brother!

Vakama aimed his disk launcher at the lion.

Vakama: Chew on this!

He fired a disk of fire and smashed the Lion and Veloci down and Eli teleported and kicked Veloci in the face and smashed him down.

Veloci saw Eli.

Veloci: Who are you brat!?

Eli: Eli Winston Bullock. Your executioner.

Veloci: You can't kill me.

Eli: Oh no?

Eli fired a blast of Force Lightning and it hit Veloci and sent him crashing into a wall.

Eli: I'm a master of both the Light and Dark Sides of the Force.

Eli electrocuted Veloci all over with a powerful onslaught of Force Lightning and really burned him all over with massive voltage.

Vakama fired another disk at the lion.

It lit on fire and smashed it down some more.

Eli was still firing Force Lightning at Veloci and REALLY ELECTROCUTING HIM ALL OVER WITH INCREDIBLE VOLTAGE!

Eli stopped.

Eli: I don't want to deprive my brother of all his fun when he faces you soon.

Veloci was burned all over and he had lightning arching all over him.

Veloci: You are a monster!

Eli: No. I am a warrior. But first. (Ignites Lightsaber)

Eli slashed off Veloci's legs!

Max and the team cured the lion.

Max (Dino Squad): There.

Me: Nice!

I saw what Eli did to Veloci.

Me: Holy crap!

Fiona (Dino Squad): My god! Eli you did all that to him?

Eli: Yep.

Me: Nice job bro.

Veloci's severed legs reverted back to their velociraptor state.

Rodger: I get it! Since Veloci's legs were severed, they got forced to turn back to their original state.

Me: Since he was a dinosaur millions of years ago. But the Chicxulub Impact should have killed him.

Gali: Yeah that is crazy.

Lewa: Yeah. That is really strange.

Eli: Yeah.

Max: Vakama, you might think this sounds weird. But ever since I met, I've come to see you as a big brother I've always wanted.

Vakama: I'm truly honored Max.

He and Max hugged.

Me: So awesome.

Eli: Yeah. But what do we do with Veloci?

We saw him trying to get away and I stopped him.

Me: I think I know just what to do with him. We'll keep him in our prison at the estate like we did with the Yost Doom. (In my head) And then send him out only for us to track him down and kill him like a wild animal.

We came back.

Nico: How did it go? (Sees Veloci in Eli's hands) You all captured Veloci!?

Eli: We sure did.

Nico: Wow!

I went over and whispered to him what we're gonna do with him later on when the time comes.

Nico: Oh I get it.

Me: Yep.

Nico: Princess Celestia, two days from now, your ambassador missions are next.

Princess Celestia: Oh this will be most fun!

Nico: It sure will.

Girl Jordan: I hope this world will be awesome and fun.

We threw Veloci in jail.

* * *

Outside we were all hiding behind a fort of sandbags and riot shields.

William saw us and we had army helmets on.

Weather Vane: William, you might want to get over here!

William: Why? Is All For One attacking us early?!

Weather Vane: No. Worse!

Me: Maria and Carol are having a Hot Pepper Eating Contest!

William: Oh man!

He ducked behind the wall of the fort.

Maria and Carol were about to chow down on a bowl of chili made by Chief Wiggum out of the newest hottest pepper in the entire universe: THE WHITE NOVA MERCILESS PEPPERS OF NICARAGUAN DEATH! They are white peppers that have neon blue stripes on them and they were grown by the inmates of a Nicaraguan Death Row Prison! OH BOY!

Homer: Hey! I want to take part in this contest too!

Poliwag: Well, if you want to die from too much spiciness, be my guest!

Me: Yeah Homer you couldn't handle the heat like you did in that chili cook off and Chief Wiggum's Chili drove you bonkers!

Homer: You're right. But I'll do it.

Me: Me too!

EVERYONE GASPED IN HORROR!

Nico: Oh man. J.D. it was nice knowing you.

We went over and we got to eating. I then suddenly bursted into a massively intense pillar of white hot flames and Maria, Carol and Homer did too! WHOA!

Marge: OH MY GOODNESS!

Dirt Boss: Geez, that chili's gonna kill J.D. before All For One gets the chance!

Nico: No it won't. If J.D. can handle Chief Wiggum's Blue Apocalypse chili then he can handle this.

The flames subsided and I had a waterfall of blood POURING out of my arm and it showed that I WAS A STRONG AND TOUGH GUY!

Homer was liking it too and so was Maria and Carol.

Carol: (Wheezing) You like the chili Maria?

Maria: (Wheezing in pain) Really awesome.

Nico: Oh man.

Sureshot: You guys okay?

Nico: Anyone dead?

Me: Nope. It was delicious!

Homer: Yeah!

Chief Wiggum came.

Chief Wiggum: Boy you guys are tough! To eat that new batch of chili I made makes you really strong.

Me: Yeah it was great!

Maria and Carol then groaned in pain!

Laney: Uh oh! Spicy stomachache incoming!

Varie: I'll take them to their rooms. I'm afraid they won't be coming with us on our next mission.

Varie did so.

Nico: Whoa that is one awesome chili Chief Wiggum.

Homer: Yeah great job.

Me: Yep.

Maria: Guys, I'm ok! I can still go with you all on the next mission!

Crystal Man: Well, if you say so…

Nico: Yeah.

Maria: But Carol is not.

Carol was on the Toilet and she was releasing farts of pure fire and then the toilet broke from the intense heat!

Carol: Sorry about that!

Nico: WHOA! Chief Wiggum you made a REALLY POTENT batch of chili this time.

Me: He sure did and it was really delicious.

Chief Wiggum: Thanks guys. Sorry about Carol though.

Rainbow Dash: She'll be okay. Pickle and Barley Barrel, Front and Center!

They came.

Barrel Twins: (Salutes) REPORTING FOR DUTY CAPTAIN RAINBOW DASH!

Rainbow Dash: I need you two to look out for Carol like you did before when she had the stomach flu. Can you do that?

Pickle Barrel: Yes ma'am!

Barley Barrel: We'll do our best!

They went to help her.

Varie: Chief that chili was lethal. But good thing Carol will be all right.

Vince: Good.

Then Cargill, Springfield Mafia, Chalmers, Abis Mal, Control Freak, Vreedle Brothers, Krusty, Pete, and Kalin appeared.

Cargill: I know Wiggum's going with you guys on the next mission. But can me, Springfield Mafia, Chalmers, Abis Mal, Control Freak, Vreedle Brothers, Krusty, Pete, and Kalin go with you guys too?

Nico: Yes you can.

Me: Good thing Saix is not having his turn with the usual battles today.

Nico: He already had his turn a while back.

Eli: That's true.

Me: And you guys will love this next mission. We're going to the town of Hooterville, Missouri.

Nico: Cool! That's where Green Acres is.

Chalmers: My goodness I haven't watched that show in forever!

Nico: Very popular back in the 1960's. Until the Rural Purge in 1971.

Me: Lots of famous stars back then. Eddie Albert, Eva Gabor, Pat Buttram, Tom Lester, Frank Cady, Hank Patterson, Barbara Pepper and Alvy Moore and they are all dead.

We took off our hats and had a moment of silence for all of them.

Nico: May they all rest in peace.

Gabriel: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: Hmm. Lets see. I'm hoping to go meet one of Surge's kind next.

Lola: Who is Surge?

Ben: This is Surge.

He turned into SURGE! Surge is a purple alien who looks like a blocky purple X with a green eye on the top right side. He has green circuitry over his body. He wears the Omnitrix symbol in the center of his body.

Ben: SURGE!

Shanan: Whoa! He is what's called a Xerge.

Qin: A Xerge? What are they?

Shanan: A Hive-Mind Species from the planet Xergerna and they are also like the Borg.

Nico: Whoa! That's perfect.

Me: Yeah and they are like in every way like the Borg.

Surge: Except they say it like this. "We are Xerge and we come for us. Surrender it now or face the consequences."

Nico: Whoa! Very similar.

Me: And the Borg say it like this. "We are the Borg. Lower your shields and surrender your ships. We will add your biological and technological distinctiveness to our own. Your culture will adapt to service us. Resistance is futile"

Nico: Yep.

Wiggum: Sorry my chili put Carol out of commission, guys.

Legs: I hope you guys still liked it.

Me: It was delicious. I liked it the most.

Homer: Same here Chief. It was great.

Nico: You make awesome chili Chief.

Laney: Yeah I know what Carol is going through. I ate the hottest peppers myself when I went up against Lynn.

Nico: Did you really Laney?

Lynn: Yeah she has a really powerful fire in her belly.

Me: I'll never forget seeing that Nico.

I went over what happened during the events of chapter 254.

---

It starts in the kitchen. Laney goes in and she sees Lynn putting peppers on her meatball sub sandwich.

Laney: Uh, Lynn? Why are you putting that many peppers in your sandwich?

Lynn: You know how I like my sammies, Laney. Hot 'n' spicy! [Pours hot sauce on her sandwich]

Laney: Yeah, I know that. But aren't you worried that it might be too spicy? You might burn your tongue off with that much hot sauce.

Lynn: If I get lucky! Me? I'm a maniac for spicy! I crave the hotness! [Lynn takes a bite out of her sandwich and her face starts to turn red] AAAAAAHHHH! [She was so hot that she breathed out fire from her mouth. Laney puts out a small flame in her hair]

Laney: Okay, that can't be good for your intestines.

Lynn: (Taunting) What's the matter Laney? You afraid of a little spice?

Laney: What? No! I'm not scared! In fact, I welcome a bit of spice in my life.

Lynn: Then I guess you won't mind taking a bite out of my sub then. [Lynn gives her sandwich to Laney. Feeling nervous, Laney struggles to take one bite. A meatball from the sub falls into Laney's mouth and then her face turned burning red and a burst of fire came out of her mouth]

Laney: AAAAAAHHH! [She frantically ran to the sink and drank some water out of the faucet; pants]

Lynn: HA! I knew you couldn't handle it! You should've seen your face! [laughs, Laney growls at her]

Laney: Oh yeah!? Well if you think you can handle spice better then prove it!

Lynn: [smirks] Do I smell a challenge?

Laney: Oh yeah! I challenge you to a SPICE-OFF!

Lynn: Oh it is on!

---

In the backyard me, Varie, Vince, Aylene, Cody, Hercules, Zoe, The Eds, Naruto and the girls, Jeri & the Lion Guard, the rest of the Loud Kids, the Teen Titans, My Children, Sasuke, Kakashi, Lady Tsunade, Minato, Kushina, Lynn Sr., Rita, Riley, Sector V, Ronnie Anne, Lilly, Clyde, Star Girl, Hulk, and Sandman & Penny were sitting in rows. Laney and Lynn were on opposite sides of a table with plates by them. Lincoln was a referee for this.

(Satanic Cultist Choir sings)

Lincoln: All right, lets go over the rules. Both of you will taste food that has been slathered in hot sauce. Each one hotter than the last. Last one standing wins.

Me: This is gonna be intense guys. I love blazing nuclear hot spicy food, but I've never seen Laney take on Lynn like this.

Varie: Me neither.

Aylene: This is gonna get rough.

Lynn: You won't last a minute Lanes.

Laney: Oh I'll last way longer than you!

Lynn: Not if I last first!

Laney: Oh you'll be last all right. Last place! [Laney and Lynn growled at eachother. Lincoln blows a whistle]

Lincoln: Enough! Lets get this competition started. [Lisa walks up]

Lisa: Indeed big brother. I have done some research on some of the hottest peppers in the known world and I've taken the liberty to concoct some of my own brands of fermented spicy condiments; street name: Hot Sauce for your competition today. First challenge… [Holds out a bottle of hot sauce] Peruvian Party Jalapeño Sauce on Jambalaya. [Pours the sauce on two bowls of Jambalaya] You may begin.

Laney and Lynn each hold a spoon and throw them away and they started drinking the Jambalaya from the bowl.

Lynn & Laney: Ahh.

Lincoln: Looks like we got a tie.

Naruto: Boy that was good.

Sasuke: It sure was.

Lynn: Come on Lis. You call that spicy? That barely made me sweat!

Lisa: That's because that sauce was at the blandest on the list.

Vince: We have just begun to scratch the surface of the world of spice.

Carol: We sure have.

Lisa: Moving on. Challenge #2: [Holds out another bottle with a picture of a skeleton in a hard hat working in a steel mill] Industrial Spanish Serrano Sauce on Meatloaf. [Pours the sauce on the meatloaf and Lincoln cuts two slices for Lynn and Laney] You may begin.

Serrano peppers are at 25,000 Scoville Units and are one of the most commonly used peppers in the world.

Laney uses a knife and fork to cut a piece of the meatloaf and eats it while Lynn uses a fork to eat her whole slice. The two then begin to sweat.

Lynn: What's the matter Laney? Too much for ya? [Laney glares at her and then eats the whole slice of meatloaf. We all gasped and then tears started to flow from Laney's eyes.]

Lincoln: Another tie!

Lori: Wow. I've literally never seen Laney like this before.

Lola: Yeah. I always thought that she was a complete scaredy who's too afraid to take risks. [We glare at her] I said thought! That doesn't mean it's true.

Ino: I don't like spicy food that much but I can't believe that Laney is eating such deadly food.

Tenten: The only one in the Leaf that loves spicy food is Lee.

Nicole: I remember. He knows a curry shop that saved his life.

Naruto: Don't remind me of that sis.

Sasuke: My tongue still burns from that.

Sakura: Mine too.

Fu: Same here.

Kakashi: This is turning out to be an interesting challenge for her.

Lady Tsunade: I agree Kakashi.

Laney: Come on Lisa! Gimmie something spicier! Bring it!

Lisa: Very well. Challenge #3: [Brings out another bottle with a picture of a belly dancer in the middle of a desert with fire in the background] Sahara Sriracha Spice on Shrimp Cocktail. [Pours the sauce in two cocktail glasses and gives them to Lynn and Laney]

Lynn starts eating one shrimp covered in sauce and starts to turn red while Laney eats the shrimp cocktail one by one and drinks the entire hot sauce on the glass. We all cheered as Laney's face turned even redder. Lynn glared at her.

Lynn: I know I said this before but. Oh it is on!

A montage played of Lynn and Laney eating hot sauce covered foods, each one hotter than the last. They ate hot dogs, chips & salsa, sandwiches covered in jalapeños and more. Soon enough they were both completely red from head to toe with yellow bloodshot eyes.

Me: Sweet Fireballs! These two are really tough!

Jared: They sure are dad.

Laney: Just give up Lynn. I'm clearly the sauce master!

Lynn: Nu-uh! No way I'm gonna let you take my crown sis- [Burps out fire and then covers her mouth] Lisa! Bring on the next sauce!

Lincoln: (Worried) I don't know about this guys. You have eaten alot of spicy foods. Anymore and I think you're gonna explode!

Laney: (Aggressive) YOU CALLIN' ME A WIMP FRECKLES!

Me: Whoa!

Cody: That is cruel.

Linka: Yeah.

Lincoln: Whoa! Laney! Calm down! You're not acting like yourself!

Luna: That's just the spice talkin' bro. I've seen this case before. She's gone into Full Heat Nirvana. Her mind is only focused on one thing now: Spicyness.

Hercules: I know this all too well. It's what happens when you eat a lot of spicy food.

Lincoln: You've seen this before?

Luna: Yeah. One time Chunk and his friend were having a hot sauce drinking contest and Chunk had gone hog wild on everyone! [Holds out her phone] I still have a video of the whole thing. You should've seen Chunk dudes. It was crazy.

Lincoln gulps.

I look at the video and it was nuts. Chunk went absolutely ballistic and pulverized a rival into pulp.

Me: Whoa! He sure did a number on him Luna.

Luna: Yeah.

Sam: He sure did.

Lisa: Pfft. Illogical. People can't have psychological breakdowns from drinking too much hot sauce. Chunk and his friend were probably acting like complete buffoons.

Lori: Like those two? [Points to Lynn and Laney who were fighting eachother on the table]

Lincoln: [gasps then blows the whistle] All right! Break it up you two! [Lynn and Laney growled at eachother and went back to their seats] Okay, lets get this over with.

Lisa: Indeed. I've saved the hottest one for last… [Lisa ran to her room and comes back pushing a black safe. She dials in the combination and opens it revealing a glowing neon red bottle of hot sauce with a picture of a Nuclear Explosion with a pepper shaped cloud and a devilish skull right behind it] Behold! (Thunder & Lightning crashes) Netherworld Tonsil Torture Death Sauce! (A huge wall of Fire erupts behind them in the background and Demonic Laughter and Satanic Cultist Music is heard) Made from concentrated extract of the Carolina Reaper and Dragon's Breath Peppers! The hottest peppers known to man!

We all gasp in sheer horror. But Lynn and Laney were ready for anything.

Me: This is not gonna be pretty!

Varie: Oh man!

Aylene: I can't believe that they are gonna eat a sauce that blazing!

Vince: Me neither!

Lana: No one can survive that much spice!

Lori: This will literally kill them!

Lucy: I'll be sure to say something nice at your funerals.

Naruto: That sauce will destroy them!

Fu: No kidding.

Hinata: That sauce is gonna rip their stomachs open!

Tayuya: Like I said before. I don't like peppers but this is awesome!

Me: That hot sauce is so powerful and radioactive that it's making my geiger counter go haywire!

Brittney: That's like eating a sauce made from the Earth's Core!

Natilee: That's like handling a nuclear fuel rod.

Edd: I can't believe that they are gonna eat that much painful spice.

Ed: It's not gonna be pleasent Double D.

Luan: This will definitely SPICE up the competition. (Laughs to rimshot) Get it?

Most of us laugh while Luan's siblings groan.

Me: (Laughs) That was a good one Luan.

Eddy: (Laughs) That was funny.

Lilly: It was funny.

Lynn Sr.: (Laughs) Good one.

Ronnie Anne: (Laughs) That was funny.

Lisa poured two drops on each cracker and places them to both Lynn and Laney.

Lynn: I have one question Laney. When you scream uncle after you eat this, will you be referring to our uncle or just uncles in general?

Laney: It won't really matter anyway Lynn. 'Cause you won't be able to hear me over the sound of a steam whistle coming out of your ears! [Laney and Lynn glare at each other]

Lisa: Ready? Commence consuming.

Lynn and Laney ate their hot sauce covered crackers and they started to glow red with hottness and began to shake. Their color changed from red to neon blue. We all backed away and braced ourselves for what's about to happen. Lynn and Laney continued to shake violently until they stopped. And we all look on with confusion.

Lincoln: Well… Looks like this whole thing is a ti-

KRABOOOOOOMMMM!

Suddenly a huge explosion went off and Lynn was seen flying high into the sky and then fireworks exploded in the sky.

Everyone: Ooooh.

Lynn then fell right back to Earth in a smoldering mess.

Lynn: Ughhh…

We all cheer wildly for Laney.

Lori: And the new reigning champion of spice is Laney Loud!

We continue to cheer until Laney burps out a huge burst of fire.

Me: Look out!

We were running away and screaming for our lives and then Laney fell to the ground.

Laney: Uhh… (Coughs)

Me: Laney that was awesome!

Lynn: Yeah. Well Laney… Looks like you've beaten me. I never actually thought any of you guys other than Lincoln could beat me at anything. Nor do I like the idea of losing. But you! You've got fire in your belly Lanes!

Laney: (Raspy) Yeah. I guess I got a little carried away… (Coughs)

Volcana: But you have got to be the toughest girl of fire ever Laney.

Lola: Yeah. You have a strong flame.

Lana: That was awesome!

Lily: It sure was.

Lily put her hand on Laney's shoulder and it burned.

Lily: (In Pain) YEOWCH! That is hot!

Lily splashed her hand with her water.

Lynn: Yeah. But don't feel too bad for that Laney! That was awesome! I guess you can handle a little spice in your life after all.

Laney: Thanks Lynn. But I think it's best if I stay away from spice for a while… [Her stomach gurgles loudly and Laney groans in pain] AAAUGH! [Holds her stomach in pain] WHAT IS THAT!?

Lynn: That would be the sound of your bowels screaming. That's the price you have to pay for living the spicy life.

Laney: OH SWEET CORN IT HURTS! [Runs off to the bathroom] OUTTA MY WAY!

Varie: I better help her.

Varie follows Laney.

Lynn: Heh. That's my sister. [Lynn's stomach growls loudly] ACK! WAIT FOR ME! [Runs after Laney.

---

2 hours later, Laney was in her bed with a cold rag on her head and she had a glass water and antacid pills on her nightstand.

Varie: You have a bad stomachache because you ate too much spicy food.

Laney: I know Varie. But I beat Lynn and proved that I can be spicy.

Varie: You sure did. And you and Lynn destroyed the toilet after throwing up like that. It was all like acid.

Laney: That was an extreme challenge. But I sure showed Lynn and now I'm paying for it.

Varie: Yeah but you'll be better by tomorrow. Get some rest okay?

Laney: Okay.

Varie left and Laney got some sleep.

When I was done everyone that hadn't heard it was shocked and in awe!

Rainbow Dash: Laney, that was AWESOME!

Nico: Wow! Laney you are one tough girl.

Eli: Yeah you sure are.

Chalmers: I'm very impressed Laney.

Laney: Thanks.

We were off to Missouri.

* * *

HOOTERSVILLE, MISSOURI

* * *

We arrived in Green Acres in Missouri!

Me: Here we are guys.

Nico: Wow it's beautiful.

Ruckus: This place looks peaceful.

Nico: It sure does. Wow.

Me: And this place was so awesome back in the mid 1960's.

Eli: It sure was. Too bad the Rural Purge took it off the air.

Laney: Yeah darn shame.

Twilight Sparkle: Did your dad really watch that show back then

J.D.?

Me: He sure did Twilight. Awesome show back then. There were many shows that awesome back during that time.

Nico: Oh yeah.

We saw house owners.

Abis Mal: Hi there! You must be the house owners!

Citizen 1: Yes we are and we are honored to see you here Team Loud Phoenix Storm.

Nico: Same here ma'am.

We walked around and it was a beautiful place.

Nico: Boy it sure is awesome here.

Me: I remember the theme song for Green Acres and it was quite catchy.

Nico: It sure was.

Chalmers went up to the house owners.

Chalmers: You two must be Oliver and Lisa Douglas.

Oliver Douglas: Yes we are.

Me: Pleasure to meet you both.

Lisa Douglas: Same here.

Nico: This is so awesome though. Green Acres is awesome.

Oliver Douglas: It's beautiful and amazing. Get so much done here.

Eli: It's an agricultural town here.

Itasis: Can we relax here at your house?

Oliver Douglas: Certainly.

Applejack: Boy howdy. This here is my kind of place to live.

Me: I had a feeling you would like this place Applejack.

We went into the house. We were having a great time there.

Totally Spies Timmy: You two have seen our adventures on TV, right?

Lisa Douglas: We sure have and they are really incredible.

Oliver Douglas: They sure are great.

Me: We don't brag about them. But we have to do what we can to save the world.

Laney: It's true. Big job but we have to do it.

Nico: So, J.D. Any more new… KR stuff?

Rhomboid: Kneeling Rabbits?

Octagon: (facepalms) Boid, he's talking about Kamen Riders.

Nico: Thank you, Octagon.

Me: Haven't seen anything more yet but I'm looking. But I did find the Den-O Kamen Riders and I just killed Kai.

Nico: Whoa! Awesome!

Eli: Cool.

Me: And no I didn't make a contract with an Imagin. But they are awesome and I restored Nogami's memories all completely.

Nico: Wow.

Strike Man: Kai may have been the main bad guy Den O faced. But he wasn't the final boss.

Nico: That's true.

Me: But he deserved it for messing up time like that. You wouldn't believe what he did and what I went through to fix the damage he did.

Nico: I can only speculate.

Kalin: Do you have any forms from the Den O team?

Me: No I don't sorry. Like I said, I didn't make a contract with any Imagin.

Nico: Darn shame.

Laney: Yeah.

Windsweeper: Personally, I liked Monty Python's Flying Circus. When Megatron wasn't looking, it was one of the classic TV shows that I watched.

Me: Awesome. I also liked watching Gilligan's Island.

Nico: Man lots of awesome shows were taken away.

Laney: Blast that Rural Purge.

Louie: You feeling okay, Maria?

Maria: It's okay, Louie. I'm fine.

Fat Tony: Good. Your water powers probably healed any side effects you got from the chili.

Me: Yeah.

Maria: That's good. I wonder how Carol is doing.

Back at the estate Carol was in a lot of pain from the chili. It really turned her stomach into a REALLY NASTY VOLCANO of Agony!

Pickle Barrel: Boy Carol you really are in a lot of pain.

Carol: (GROANS) No kidding!

But then rumbling was heard and then…

Carol belched out a huge jet of fire!

Carol: Pardon me!

Back with us…

May: Please be careful next time. The last thing I want is to lose my sister.

Meowth: Man, Maria should've just been your sister since the day me and my pals first met you.

Nico: I agree there.

Maria: I know.

Pete: Just in case, you should eat some ice cream to cool yourself off.

Maria: Good idea.

Nico used his ice cream synthesis powers and gave Maria a great sundae.

Laney: Awesome how you can do that Nico.

Nico: It sure is.

Me: Yep.

But then I felt something weird and then in my subconscious I saw an armored man.

Me: WHOA! Who are you?

Phoenix: My name is Phoenix and I'm an Imagin.

Me: Whoa! We were just talking about you guys a few minutes ago. I take it you are here to form a pact with me.

Phoenix: That's right and it's an honor to meet you J.D.

Me: Same to you.

Nico: (telepathically) J.D., are you there?

Phoenix: Who is this?

Nico: Okay, who's messing with the telepathic links?

Me: Phoenix it's all right. That's Nico. He's my superior officer.

Nico: Phoenix? As in Phoenix from Kamen Rider? Wow!

Phoenix: Wow! It's a pleasure to meet you.

Nico: Same here.

Phoenix: It's awesome to talk to you although it's not in person.

Nico: Do Momotaros and the other Imagins know about your existence?

Phoenix: Yes they do. I was a bad guy before and I am trying to redeem myself.

Nico: That's right I remember that in Kamen Rider Wizard. At least you're going to set yourself straight.

Me: That is amazing.

Phoenix: Yes it is. Here J.D. I'm giving you my sword and this.

He gave me his sword and then my device got an AWESOME PHOENIX MORPHER!

Me: WOW!

Phoenix: Let me tell you about my history first.

He did so.

Phoenix

**Phoenix** (フェニックス, *Fenikkusu* ) was a Greater Phantom that was born from the body of a youth named **Yugo Fujita** (藤田 雄吾, *Fujita Yūgo* ), whom he killed and assumed his form. More overbearing than Medusa, Phoenix pressures their subordinates into following their orders.

Phoenix came into being the day that Yugo Fujita, a kind, quiet and hard-working florist, was abducted as a sacrifice for the Sabbath ritual. As a result, Yugo died with Phoenix assuming his original self's form. However, Phoenix is very hot-blooded and violent, a stark contrast to the Gate he was born from. That mindset and berserker habit had also got him to be an observer with Medusa after he killed an assigned Gate by mistake. From there, he observed the other Phantoms as they attempt to create more Phantoms from despairing humans.

But after Minotauros, Hellhound, Caitsìth, and Gnome were all killed by Kamen Rider Wizard who foiled their plans, Yugo loses his cool and begins to rage because of Haruto's interference. When Medusa turned down his offer to handle a young Gate named Hiroki Itoh, Pheonix talks Wiseman into letting him do it and is given directions to go after the boy's parents. Though he used his chance to overpower Wizard, Phoenix is quickly destroyed by Wizard's Flame Dragon yet revived at nightfall with much of his mana depleted. Phoenix later confronts Wizard to prevent his interference in a Phantom's attack, introducing himself.

During Christmas Eve, Phoenix goes after a Gate named Tatsuro and sends him into despair by burning the presents that Tatsuro was going to give to the children of the orphanage he grew up in. Though he overwhelms Flame Dragon, Phoenix is destroyed by Water Dragon and revived only after Wizard undid the Phantom's handiwork.

He, along with Medusa were order from Wiseman to work with the Akumaizer, but they have no interest of them. They let Wizard enters one of the Gates' Underworld to stop the Akumaizer.

When Wiseman orders him to not meddle in Medusa's affairs or attack Wizard, Phoenix took his anger out on some drunkards by picking a fight with them. It was at that time that Phoenix learns he is being followed by Rinko Daimon, who learned of Yugo yet was not fully aware of his true identity other than being a Phantom. After being amused by her determination, he gave her intel on Beelzebub's method of controlling people and won her trust. Eventually, the two got into discussion about his reluctance to make people despair before Rinko convinces Phoenix to make his own decisions. Taking her words to heart, Phoenix reveals his true form to a shocked Rinko before knocking her out, planning on using her as a hostage for his scheme to settle things with Haruto on Sora's advice.

Phoenix then takes Rinko to a warehouse and waits for Haruto to come. Sora then comes to check up on Phoenix. After Sora tells Haruto to come to the warehouse, Rinko regains consciousness and Phoenix thanks her for her advice. Medusa arrives to deliver punishment to Phoenix for his disobedience, and the two Phantoms engage in a battle, ending with Medusa outsmarting him and using her ability to turn Phoenix into stone. Medusa leaves Phoenix thinking that she had finished her job, but the stunned Phantom doesn't stay a stone statue for long and breaks free from the ocular curse, shocking Medusa and forcing her to flee. When Haruto arrives to save Rinko, Phoenix was already waiting for him, still having the energy to fight. Haruto then changes into Wizard to battle Phoenix. Wizard changes to Water Dragon due to Flame Style working poorly against Phoenix, knowing that water can put out fire and uses the Blizzard Ring against the firebird Phantom. However, Phoenix's heat now can now withstand and overpower the Dragon Freeze attack, much to the mage's shock. Wizard then changes to Hurricane Dragon and using the Hurricane Dragon Strike Wizard then Dragon Slash Strike and successfully destroy Phoenix. However, much to Wizard's dismay, Phoenix instantly resurrected with no delay and grew more powerful. Wizard then use Land Dragon's Dragon Levitate only for Phoenix to break free from the imposed gravity with little effort. With Wizard exhausted from the fight, Phoenix continues beating Wizard without mercy.

## Final Battle

Thanks to a distraction in the form of Kamen Rider Beast, Wizard changes to Hurricane Dragon, takes Rinko and escapes, letting Beast keep Phoenix busy. After defeating Beast, Phoenix starts wreaking havoc across the city in order to call out Wizard so they can finish out their fight at the place where it all started. Haruto steels himself to face Phoenix for their last battle and changes to Kamen Rider Wizard in Flame Dragon form. The two battle with both on equal footing but Phoenix then quickly overpowers Wizard, even when he summons the Dragon Styles clones via the Drago Timer.

However, remembering that he is everyone's final hope to give him resolve, Wizard unleashes All Dragon. Phoenix is quickly overpowered by the combined might of Wizard utilizing Wizardragon's powers at its very limit. Though he confidently reminds Wizard that he will still resurrect, Phoenix realizes that the magician has no intent to kill him before being sent out of the stratosphere by the Strike Dragon and hurtling toward the Sun.

As a result, due to Phoenix's ability to resurrect after dying and that he is fully trapped in the Sun, the ability has become an endless curse. Phoenix will have an endless loop of rapid deaths and rebirths all at the same time, to which Haruto claims that he will have no finale due to this happening.

## Super Hero Taisen GP

Through an alteration to history rewritten by Shocker's History Modifying Machine, Phoenix is among the many monsters that serve Shocker that rules the world in this alternate timeline created by Kamen Rider 3's assassination of the Double Riders in 1973. During the final battle against the Kamen Riders, Phoenix is destroyed by Wizard Flame Style's Kick Strike.

## Zi-O

In an alteration to history brought about by the Time Jacker Uhr transforming Hayase into Another Wizardon December 25th 2012, Phoenix was erased from history just as he was about to be slain for the second time by Haruto, who lost his identity as Kamen Rider Wizard.

When he was finished we were amazed and shocked!

Nico: Wow! That is cool!

Me: Yeah it sure is. I'm sorry you had to go through all that.

Nico: Yeah. I remember watching that on TV and that was awful.

Phoenix: I know. But I want to redeem myself by hekping you all.

Me: You are definitely making the right choice.

I then woke up.

Me: WHOA! What a rush!

Phoenix: (From inside my head) But it'll be awesome working with you J.D.

Me: It sure will Phoenix. But how about you talk to me through the crest on my forehead? Makes it much easier.

Phoenix: You know that is much better for me.

He went to my crest.

Phoenix: How is this?

Me: Much better.

Eli: Cool! You have an Imagin inside you.

Me: Yep. It's Phoenix.

Nico: Awesome.

Doofenshmirtz: Guys, you might want to look outside!

We looked outside and we saw Anne Maria and she was REALLY PISSED!

Teresa: Time for our entrance!

Nico: Lets do it! Oliver and Lisa you are in for a front row seat and show.

We went at Anna Maria.

She was really mad and tearing much of the town apart. But then the spirits of the Elemental Giants of Crime swirled around and then converged and then a massive tornado of leaves swirled around and then we came out.

Nico: Hello Anna Maria. Nice to see you again.

Control Freak: Now, which monster should I summon to deal with you?

Nicole: We both have one.

Nicole summoned FLAME MAMMOTH from Mega Man X and Control Freak summoned YELLOW DEVIL from Mega Man.

Nico: Awesome choices!

Me: Yeah!

Anna Maria: YOU RUINED MY LIFE AND I WILL KILL ALL OF YOU FOR IT!

Nico: I think all that hair spray you use must be rotten your brain!

Then Anti Wanda, Rex Goodwin, Roxy Rocket, Raven Branwen, Nergal, Duff Killigan, Dr. Polaris, Toiletnator, Mr. Mittens, and Leonard appeared.

Nico: Anti Wanda, Rex Goodwin, Roxy Rocket, Raven Branwen, Nergal, Duff Killigan, Dr. Polaris, Toiletnator, Mr. Mittens, and Leonard.

Anti Wanda: Man, this town is peaceful.

May: Of course it is.

Rex Goodwin: Too bad Anna Maria had to ruin it.

Me: Yeah what a heartless Bimbo!

Roxy Rocket: Good thing she won't be a problem for long.

Nico: Yep and Lincoln will use the Chronos' Vengeance Curse on her. She deserves it.

Raven Branwen: (to Nico) We heard you faced Dr. Duodenum.

Nico: I sure did.

Nergal: Did you really go to somewhere gross too?

Nico: Yeah inside an intestine. (Shudders)

Me: It was really disgusting.

Nergal: Yuck!

?: That is gross.

A figure came out and it was Liquidroid Wateru from episode 16 of Gokaiger!

---

Liquidroid Wateru (リキッドロイド ワテル Rikiddoroido Wateru): A blue colored liquid-based giant produced after Basco loses his remaining sixth hero Ranger Keys to the Gokaigers. It has a flexible body and stretching arms while using electricity-based attacks. Destroyed by Shinken GokaiOh.

---

Eli: Liquidroid Wateru! I remember you! You were sent to destroy the Gokaigers after Basco lost the remaining Sixth Ranger Keys.

Liquidroid Wateru: That's right Eli. Awesome memory you have. Just like your brother.

Eli: Thanks.

Me: You're one of the unadapted monsters. Darn shame you weren't in the American Series.

Troy Burrows: Yeah what a darn shame.

Liquidroid Wateru: I see you guys have my archenemy already picked out.

Nico: Yeah we sure did. Joe Kido.

Joe Kido: Awesome!

Nico: This will be awesome.

We got the usual battles underway.

---

Loni Loud, Pinkie Pie, Featherweight, Tech Skylanders, Season 1 Digidestined, Napalm Man and Crystal Man VS Anti-Wanda - Nico's rescue

---

Anti-Wanda was first.

Anti Wanda: (to Loni) On a scale of 1 to 10, how gross was Nico's rescue? Because I bet he needed a shower afterwards!

Loni Loud: EW! It was totes disgusting! I give it a 10 out of 10.

Pinkie Pie: But it was really gross like seeing the inside of J.D.'s Stomach!

Featherweight: YUCK! That was disgusting.

Sprocket: Yeah that was gross.

Tai Kamiya: Not NEARLY as gross as when Nico went down a Graboid's throat to save Brianna.

Anti-Wanda: Now that was disgusting. Lets do it!

They fired waves of gravity, metal, gears, lightning and energy and

smashed her down.

Loni Loud: That was totes amazing!

Pinkie Pie: BEST USUAL BATTLE EVER!

Rex Goodwin: (to Brittney) I heard Lincoln's rescue was on 8 planets this time. How was it?

Brittney: It was really amazing. The planets were beautiful and really awesome.

Princess Luna: They most sure were amazing.

Moondust: I liked Lhodwi, it was cold and awesome.

Snowdrop: That was awesome.

Gari: We had a lot of fun on that one. We got to explore another solar system all in that one.

Blackout: That was cool.

Lazlo: It sure was cool!

Raj: (Indian Accent) That was a really amazing thing to see.

Clam: Really fun!

Rex Goodwin: Wow! That must've been fun. Lets do it!

They fired waves of purple fire and darkness and smashed him down.

Brittney: DARKNESS FALLS!

Princess Luna: A True Victory of The Night!

## Danny Phantom, Starlight Glimmer, Cozy Glow, Undead Skylanders, Ghostbusters, Crankcase and Ruckus VS Roxanne Sutton A.K.A. Roxy Rocket - Meeting 13 Gene-Slammers for the Lightsworn Monsters

---

Roxy Rocket was next.

Roxy Rocket: (to Danny) I heard you guys met 13 Gene-Slammers for the Lightsworn Monsters. What are their names?

Danny Phantom: They are awesome. They are the Gutierrez Sisters, Kira, Hayley, Natalie, Joan, Naomi, Luna, Gina, Reggie, Janet, Celeste, Tammy, Violet, and Rachel Gutierrez.

Starlight Glimmer: And they were each turned into 13 Lightsworn Monsters all on purpose. They are awesome.

Cozy Glow: Boy they sure are. I think they are beautiful too.

Hex: Yes they sure are.

Peter V.: I think so too. And maybe they can take down that Dickless motherfucker Walter Peck.

Roxy Rocket: Awesome! What did J.D. call him?

Peter V.: A pencil dickless motherfucker.

They laughed.

Roxy Rocket: (LAUGHS) That was funny! Any revelations from the Lightsworn Gene-Slammers?

Starlight Glimmer: Yes there are. Here's what they are.

Kira Gutierrez: Ooh, have we got something to tell you guys? First is Lori, one day, while Lincoln and I were working on a science project, that cell-phone obsessed control freak wanted Lincoln to be an ottoman so she can paint her toenails. But, Lincoln told her "no", and she went ballistic and wanted to turn Lincoln into a human pretzel. But, I fired a blast of light at her, and she hit the wall. When I told Mr. and Mrs. Loud about what Lori tried to do, Lori got her cellphone taken for five weeks and she was grounded for that same amount of time.

Hayley Gutierrez: Now for Leni, one day, Lincoln and I were at Gus' Games and Grub, but then, Leni showed up and wanted to dress Lincoln in a dress, that's going to lead to an embarrassing situation. I then found out that it was Lori's idea to do that, thanks to Leni blabbing it out. So, we went back to the Loud House, and when Mr. and Mrs. Loud found out it was Lori's idea, she got grounded for two weeks for trying to humiliate Lincoln, and she swore revenge.

Natalie Gutierrez: Now for a not really bad revelation about Luna, I know she's Lincoln's guardian, but I soon found out she was forced to be a mean sister to Lincoln, and the ones who bullied her into this were Lori, Lynn, Lola, Lisa, and Luan. I gave Luna a talking to, and when she realized Lori, Lynn, Lola, Lisa, and Luan were the ones who forced her to be a bully. When Luna found out, she smashed her cymbals into Lori, Lynn, Lola, Lisa, and Luan's ears, and they went deaf for two weeks, and the five mean sisters were also grounded for eight weeks because of it.

Joan Gutierrez: Now for Luan, I found out that prank-crazy prankster was going to give Lincoln the biggest pranking of his life, but when I found out she littered the place with traps such as raccoon cages, electric eels, poisonous snakes, greased-up floors, bear traps, and many more, I knew I had to save Lincoln. So, I fired a blast of light at the traps and ruined them all, and when Luan found out I ruined her pranks, she wanted to destroy me. But, I fired a blast of light and blinded her, and then, I tied that lunatic up with nylon rope, and I told Lincoln about what Luan was going to do to him, and he thanked me for saving him, and as for Luan, she was grounded for nine weeks and she had to clean the whole house.

Naomi Gutierrez: Now for Lynn, Lincoln and I were playing in the park, but then, Lynn showed up and she proceeded to pulverize Lincoln, and said she needed her training dummy, and she laughed at him and I got so mad, I pulled her off of Lincoln and I gave her such a nasty black eye by punching her in the face, and then, I tied that animal up with nylon rope, and we dragged her back home. When Mr. and Mrs. Loud found out, Lynn was grounded for nine weeks with no sports or sports competitions, and she was so mad, she wanted revenge on me. But, I made a ball of light and I threatened, if she tried to hurt me or Lincoln, she'd blast her and send her flying to jail.

Luna Gutierrez: Now for Lucy, one day, I was with Lincoln at the park, but then, we got scared by the sudden appearance of Lucy, and she wanted to brutally harm Lincoln But, I stopped her from doing so, and when I found out from her that Lynn was the one who put the thought of murdering her own brother in her head, I went down there and I brutally pulverized Lynn, and as soon as I told Mr. and Mrs. Loud, Lynn got grounded for three weeks. Lucy got grounded for two days, but she earned the forgiveness of Lincoln, and when he also found out Lynn put that thought of him being possessed by demons into Lucy's head, he got so mad at Lynn, he didn't talk to her for ten whole weeks.

Gina Gutierrez: Now for Lana, one day, I went with Lincoln to Tall Timbers for relaxation, but then, we got interrupted by Lana, who threw mud at Lincoln, and wanted to wrestle him into the ground. But, I wasn't going to let Lana do that, so I grabbed the grease monkey and we dragged her back to the Loud House, and she got grounded for two days. But, she eventually apologized to Lincoln, and they made up.

Reggie Gutierrez: Now for Lola, while what Lana did was bad, it's nothing compared to what Lola did. One day, I was going for a walk, but I heard the sound of screams coming from The Loud House, and the sounds of objects being smashed on the walls. I knew the sound of that scream came from only one person: Lincoln, and it was the terrified scream, and the sound of objects being smashed on the walls and an angry scream of rage could only come from one person: Lola Loud. I headed in, and I got the little monster away from Lincoln. I found out that Lincoln accidentally stepped on Lola's tiara, and Lola went mad with rage and thought Lincoln did it on purpose, and she wanted to kill him. But, I knew that it was an accident, and Lola had gone too far again. So, I dragged her butt to the parents, and when I told them about what Lola was about to do to Lincoln, Mrs. Loud paddled Lola and the little pageant demon was grounded for three weeks.

Janet Gutierrez: Now for Lisa, and this is something me, Celeste, Tammy, Violet, and Rachel did together to defend Lincoln. One day, me, Celeste, Tammy, Violet, and Rachel were walking to the Loud House to help Lincoln with a project for school, but then, we heard the sound of screams coming from The Loud House: we broke the door down and we rushed on in, we then found the source of the screams: it was Lincoln, and he was strapped to Lisa's table, and he had a laser pointed at his head, and we saw Lisa laughing madly and she was about to be fire the laser. We fired blasts of light at the laser and destroyed it, and we got Lincoln out, and we pulverized Lisa and tied her up in nylon rope. We then told Mr. and Mrs. Loud about it, and Lisa got her science equipment confiscated for three weeks and Lisa got grounded for five weeks.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was knocked down!

Lincoln: It's over for you Anne Maria! You will never poison people with your hair spray as well as your monstrous attitude!

Suddenly, Lincoln was surrounded by a massive vortex of silver energy with clocks ticking, and when he emerged, the 17-year-old 7'5" tall, handsome, and extremely muscular man's long, white hair that reached the bottom of his neck silver except for the rainbow lightning bolts on the bangs, his deep sapphire blue eyes turned deep silver, the eight large orange orbs orbiting around his legs turned silver, his large blue pants turned white, but the rainbow colored lightning bolts on them remained the same, his massive orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs turned silver, his orange version of He-Man 2002's loincloth and long orange trenchcoat coattails with elemental forces, thunderbirds, buffalo, and angels with hanging small silver lightning bolts turned silver, and his massive deep sapphire blue angel wings with stars turned deep silver. Lincoln transformed into CHRONO LINCOLN, his ninth Elemental HERO form.

We were amazed by the new Elemental HERO form of Lincoln, and the girls in his harem had atomic red blushes on their faces. Suddenly, we saw clocks surrounding Lincoln, and then, the bell tolling in the air, the sound of judgement.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Anne Maria. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song.

Then, Lincoln fires powerful blasts of silver energy and time energy from his massive angel wings, and as they hit Anne Maria, the Chronos' Vengeance curse he created took effect as she was aged rapidly to the point where she looked like a 150 years old woman, her looks were all gone, and when she saw what happened to her, she was horrified.

SHE SCREAMED IN HORROR!

Me: Wow!

Nico: Perfect for her!

And she was beamed to the Neptune Prison!

Me: Good riddance to that monster.

Duff Killigan: That's it for Anna Maria.

TD Mike: Got that right.

Dr. Polaris: Sorry if we caused any trouble here, Oliver.

Oliver Douglas: Oh, you didn't cause any trouble here at all. Me and Lisa loved seeing you guys in action.

Toiletnator: That's nice to hear.

Mr. Mittens: How would you two love to move into Gotham Royal York?

Leonard: We promise you two will love it there.

Oliver Douglas: We would be honored.

Lisa Douglas: We have been getting tired of the life out here anyway.

Me: That's all right. Good.

?: Soon, I will destroy this entire world and every living thing on it!

Suddenly, the eight large planets and stars orbiting around my legs, the eight large orange orbs orbiting around Lincoln, Linka, TLPS Ms. Tarantula's, and Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the eight large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the eight large crimson red orbs orbiting around Naruto and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lucy, Lars, and Dudley Puppy's legs, the eight large pink orbs orbiting around Lola and Lexx Loud's and Steven Universe's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight emerald green orbs orbiting around Yakko Warner's legs, the eight large sapphire blue orbs orbiting around Wakko Warner's legs, the eight large hot pink orbs orbiting around Dot Warner's legs, the eight large marine blue orbs orbiting around Liam, Lana, and Leif Loud's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr.'s legs, the eight coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the eight large blue orbs orbiting around Lori, TLPS Mr. Shark, Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Leni and Loni Loud's legs, the eight large yellow orbs orbiting around Luan, TLPS Mr. Snake, and Lane Loud's legs, the eight large brown orbs orbiting around Laney and Larry Loud's legs, the eight large light green orbs orbiting around Lisa and Levi Loud's legs, the eight large lavender orbs orbiting around Lily and Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eight large rainbow orbs orbiting around Rainbow Dash's legs, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eight large white orbs orbiting around Timmy Turner's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our Bracelets of The Champions of the Universe were glowing, and that means we've got big trouble incoming.

Ahri the Nine-Tailed Fox: I knew there's no mistaking that voice from anywhere. You can come out now, Aatrox.

A demonic figure with a large sword came out, and it was none other than Aatrox.

Ahri the Nine-Tailed Fox: I should've known you'd show up here, Aatrox. You should've never returned to this world, but now, we'll see to it that you never rise again.

Eric Loud: That's right, and I've had enough of you to last an eternity.

Suddenly, Eric Loud's deep turquoise blue eyes turn neon deep turquoise blue, and he's surrounded by a green energy aura with winds, fire, and eagles surrounding him, he unholstered his massive Huracan's Hurricane Fire Sword of Storm Justice from his wider and more muscular back, and as he approached Aatrox, he left green energy, winds, fire, and eagles with every step.

Eric Loud: Aatrox, the crimes that you've committed against the realm of Runeterra centuries ago can never be forgiven, but now, I will see to it that you never rise again.

Suddenly, Eric Loud was surrounded by a massive vortex of green energy with winds and fire surrounding the vortex, there's an eagle flying around the vortex, and in the vortex is a turquoise blue phoenix. Then, as the vortex faded, Eric Loud emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

The 7'5" tall and extremely muscular Eric Loud remained the same, along with his brand-new clothes, he has green and orange highlights in the bangs of his long brown hair that reached the bottom of his neck, he has neon deep turquoise blue eyes, and a green energy aura with fire, winds, eagles, and snakes surrounding him, he has an eagle and a snake with the Fire, Wind, and Eternity Kanjis in the eagle's claws emblazoned on his forehead, he has on eagle earrings with turquoise blue gems for the eyes and holding the Fire, Wind, and Eternity Kanjis in their claws, he has on his Crystal Necklace of The Buddha with deep turquoise blue crystal links and an eagle and snake with deep turquoise blue crystals for the eyes and the eagle holding the Fire, Wind, and Eternity Kanjis in its claws for the pendant across his bare chest, and on his wider and more muscular back is an American Bald Eagle surrounded by winds and flames, and on his left shoulder is a tattoo of the American Flag on it. Suddenly, Eric Loud felt a sharp pain on his wider and more muscular back, and then, massive brown angel wings with green and orange tips on the large brown feathers, sprouted out from his wider and more muscular back.

Eric loud has on his new large gold cuff Bracelets of the Champions of The Universe with turquoise blue gems on his wrists, his new large gold Belt of Elemental Bravery with a golden eagle head with turquoise blue gems for eyes and a large turquoise blue gem in its open mouth for the belt buckle on his waist, large green Spellbook of The Gods and The Universe and large green Universal Spellbook of

The Elemental Forces on his left hip and Eater of Sins revolver holstered on his right hip, a Ring of the Phoenix with large turquoise blue gem on his left ring finger, Blue Lantern Corps ring on his right ring finger, and his wedding ring on his right pinky finger. There's a deep turquoise blue kanji below the eagle that said, "Eric Loud, Cousin of The Loud Family, Military Man of The United States, Loving Married Husband of Sheila Castille-Loud, Loving Father of Landon and Han Loud, Killer of Osama bin Laden, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary of Huracan, and Master of Fire, Wind, and Storms."

エリック・ラウド、ラウド家のいとこ、アメリカの軍人、シーラ・カスティーユ・ラウドの愛する既婚夫、ランドンとハン・ラウドの愛する父、オサマ・ビンラーディンの殺し屋、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、フラカンの使者、そして火、風、嵐のマスター

Eric Loud has transformed into SUPER ANGEL ETERNITY INFINITY HURRICANE FIRESTORM EAGLE SNAKE ANGEL OF AMERICAN JUSTICE AND MILITARY HOPE!

We were amazed by Eric Loud's Super Angel Eternity Infinity transformation, and when Sheila saw him, she had an even more atomic red blush on her face and hearts in her eyes, but when Aatrox saw it, the demon fell into a rage and tried to kill Eric Loud, but Eric Loud fired a powerful green energy blast with fire, winds, eagles, and snakes at the demon, and it hit the demon and it sent him into a tree.

Landon Loud: Wow.

Lincoln: This is so awesome, Eric's transformed.

Lori: Literally incredible.

Sheila Loud-Castille: Wow, Eric, you look amazing. How do you feel?

Eric Loud: (Divine Echoing Cosmic Voice of The Hurricane

American Eagle and Firestorm Snake Justice) I feel incredible, Sheila. Now, if you'll excuse me, I've got a demon to destroy.

Eric Loud went after Aatrox, who fired blasts of dark energy at Eric, but he dodged them, and he fired powerful blasts of green energy, wind, fire, eagles, and snakes at Aatrox, and they explode with such incredible power as they hit him. Then, Eric engaged Aatrox in a powerful sword fight, but Eric, with his training on how disarm opponents, disarmed Aatrox of his sword, and sent him flying into the air with one powerful swing of his sword.

Eric Loud: (Divine Echoing Cosmic Voice of The Hurricane American Eagle and Firestorm Snake Justice) And now, this is the end for you, Aatrox.

Eric Loud cupped his hands, and a red energy ball with fire and winds formed inside, and we knew what he was about to do.

Eric Loud: (Divine Echoing Cosmic Voice of The Hurricane American Eagle and Firestorm Snake Justice) HURRICANE FIRESTORM KAMEHAMEHA!

Eric Loud fired a massive Kamehameha energy wave made of red energy with fire and winds, and as it hits Aatrox, it exploded with incredible power, and it destroyed him. Then, his spirit was then sent to the Black Gates by Eric Loud, and he was erased forever. We cheered wildly as Eric Loud holstered his massive Huracan's Hurricane Fire Sword of Storm Justice on his wider and more muscular back and powered down, and Eric Loud's new body, clothes, weapons, jewelry, and massive brown angel wings are permanent.

But, before he was about to head back, Sheila Loud-Castille ran up and hugged Eric Loud's waist, and he wrapped his abnormally massive and powerful muscular arms around Sheila, and then, he leaned down to her face, and they kissed, and we cheered for them.

Lincoln: Just like what happened yesterday, that was so awesome.

Nico: You said it, big guy.

Landon Loud: That was so awesome, really awesome.

Lori: First, Sheila transformed yesterday, and now, Eric transformed, this is literally so amazing.

Lynn Sr.: You said it, honey.

Mike (Total Drama): (To the viewers) This was an awesome adventure everyone! I hope you all liked this one.

Nico: We all did. Great job everyone. Lets head back home.

We went back home and Oliver and Lisa were given a new home in the city. We enjoyed the rest of the day and went to sleep. Same with me.

THE END

Another awesome fanfic done and it was awesome doing one for Green Acres.

Green Acres was a great show back in the 1960's. Lots of great shows back then in the 60s even though I wasn't born back then. Lots of big stars back then. It as awesome. Never watched the show myself unfortunately but this was made to honor the great actors and actresses of that show. They will be missed. May they rest in peace. The first part for this chapter was for the Earthworm Jim level Intestinal Distress and that was a weird and creepy level. The music was scary too. Heartbeats, Psycho Strings and Organ Music was a perfect horror trifecta. The 2nd part was for the 1997 movie from TV called Planetary Traveller and that was a great movie. Watched it all the time and more. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one. Me, Nico, Eli, Varie, Lincoln, Twilight and Friends and Rex Salazar will be in an awesome Superhero mission as we bust a jewel robber that stole jewelry from a local jewelry store and we'll chase after him like in the Equestria Girls episode Super Squad Goals and we're going to have fun in that one. We're also going to meet a Xerge Gene-Slammer and her name is Suzie Remmington and she is from Nico's Computer Classes and she is an awesome technogenius and super strategist. Lincoln's next rescue is gonna be in the awesome episode of My Gym Partner's A Monkey called Leaf of Absence and that is gonna be funny! We're going to face Principal Wolverine and WE'RE gonna give that Butt-Biting Tyrant what for! Eli is gonna unleash a really nasty Rant Fest on him SO YOU BETTER BE READY FOR A REALLY NASTY RANT OF EPIC PROPORTIONS! We're also going to meet one of the Dark World Gene-Slammers. They are a bunch of Goth Girls that were also Gene-Slammed on Purpose to destroy Team Rocket as well as defend Lincoln from bullies. The first one is gonna be for Nicholette Torrington and she is a Gene-Slammer for Zure, Knight of Dark World and she is gonna have a really awesome and powerful revelation about the local dirtbag bullies Hawk and Hank. The next chapter is gonna be for where we meet the iconic and famous picnic basket stealing duo Yogi Bear and his best friend Boo Boo. We're gonna face MAX who as you recall escaped during the Ridonculous Race. And we're gonna give Ranger Smith a good talking to about all these rules that Yogi has to follow.

See you all tomorrow.

# The Picnic Basket Stealing Bear

In the middle of the city, Me, Nico, Eli, Varie, Lincoln, Twilight and Friends and Rex Salazar were there to go on an awesome rescue but also have some fun while we're there.

Nico: Been a while since we had a rescue in the middle of the city.

Eli: Yeah it sure has been a while.

Lincoln: This is gonna be fun.

Nico: Thanks for coming with me, Rex.

Rex Salazar: No problem Nico. This will be so fun to go on one of your rescues.

Me: It always is fun.

Eli: I can't wait to thrash some criminals.

Varie: Me too.

Twilight Sparkle: Yeah it has been a while since we busted criminals in this part of the city though.

Me: Boy those sound tasty double P.

Pinkie Pie: Double P?

Me: It's your name. Pinkie Pie. Your initials.

Pinkie Pie: Oh I get it!

But then!

[smash!]

A THIEF SMASHED A WINDOW IN A STORE AND STOLE JEWELS IN BROAD DAYLIGHT!

Jewelry Store Owner: Help! He's getting away with my jewels!

Me: Uh oh! Looks like we got a 2-11 In Progress!

Rarity: [gasps] The puffcakes will have to wait for justice!

We turned into our Crystal Guardian Forms!

Nico: Lets get him guys!

Me: YEAH!

[1960s Batman-esque music]

Rex rode up to him in his cycle.

Rex: Buddy, we're gonna have to ask you to give those back!

But the thief knocked him to the side.

Me: Oh no he just didn't!

Lincoln helped Rex up and the thief went into a building and locked the door. Then Rainbow Dash went around to the back and the thief smashed her down by going out through the back door!

Rainbow Dash had a dizzy look on her face!

Me: Geez R.D. that was a nasty hit!

Lincoln and Fluttershy helped her up.

Twilight Sparkle: That way!

[music continues]

We chased after him!

Me: GET BACK HERE MEAT!

Varie: YEAH!

Applejack picked up a bench with an old lady knitting on it.

Me: Wait Applejack!

I picked up the woman.

Me: Pardon us ma'am. We got a criminal to catch.

I helped her off.

Old woman: Thank you young man.

Me: You're welcome.

Applejack threw the bench at the thief but he got out of the way.

Nico: Man this guy is quick!

Rex: First, Mannequin Jamen freezes you. And now, that thief knocked me down. Are we starting to lose our touch?!

Me: No we aren't.

The thief bumped into a kid on a bike and Sunset and the kid were about to fall into the pond at the park when Twilight used her magic and saved them.

Eli brought the kid his bike.

Me: Sorry about that. Are you okay?

Kid: Yeah thanks to you guys.

Pinkie Pie looked and peered through a bush and popped 2 eyeholes in it and she saw the thief going down an alley!

Pinkie Pie: He went this-a-way!

We went to the alley and then a Xerge appeared and blocked his path!

Me: We got you now bub!

Nico: And it looks like our Xerge friend helped stop you.

Xerge: (In a girl's voice) Yeah you aren't going anywhere!

Nico: Suzie Remmington? Wow!

Xerge: We'll catch up later Nico.

Me: We got him trapped like a rat.

Rarity tied him up in a jewel brace!

Fluttershy: Oh, um, excuse me, but, um, can we please have the jewelry back now?

Then birds came and grabbed the jewels he took and handed them to us.

Me: What a pretty necklace.

Nico: It sure is.

Me: I know just what to do with these when we return them.

Sunset went up to the thief and touched him and her eyes glowed.

[shimmering]

Sunset Shimmer: You didn't need to give her the jewels to impress her.

Thief: I'm… so… sorry. [sobs]

Me: So he was trying to steal these jewels to impress a girl he likes.

Nico: Not cool dude.

Sunset Shimmer: But now you'll have plenty of time to think about that…

Rainbow Dash:… from jail!

Eli: For about 5 to 15 years.

[clang!]

HE WAS LOCKED UP!

We got the jewels returned.

Store Owner: Oh thank you all so much.

Me: Our pleasure sir. And if it's possible I would like to buy these jewels.

Store Owner: Of course.

I went in and bought them and they were worth $4,240.00.

I came out.

Nico: Who are you gonna give the necklace to?

Me: Camie when we see each other again on April 7th.

Nico: I knew it! But that's really thoughtful of you J.D. She does have a big crush on you.

Me: Yep.

We were having Puffcakes and they were delicious and Suzie reverted back and she was a girl with purple hair and had purple clothes and green eyes.

Suzie Remmington: That was awesome.

Nico: It sure was and it's great to see you again Suzie.

Suzie Remmington: You too Nico.

Rex: What's your favorite memory of Nico?

Suzie Remmington: I have a lot of them. But my favorites are in computer classes. I'm a technogenius and I was born with a really high IQ and I'm a master of computers. My favorite memory is when me and Nico found a bully girl picking on someone and we humiliated her by putting pictures of her in a bikini all over social media and telling a kid she hates and the kid that loves her to make love together and she was so embarrassed about it and she moved out of the city for good.

We laughed at that!

Nico: That is funny!

Me: Very clever and funny!

Eli: Yeah!

Varie: Very awesome too.

Starlight Glimmer: That was funny.

Nico and Suzie then hugged.

Nico: I really missed you.

Suzie Remmington: Me too Nico. Me too.

Me: And this was really rewarding too. We got to have awesome new Puffcakes and I got this awesome necklace for Camie.

Eli: Yeah we sure did bro. This was fun.

Varie: It sure was.

Later we went back to the estate and Sunset showed us an awesome comic book she drew that was based on our rescue. It was really perfectly well drawn. Awesome!

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Cooper Gang and Cooper Clan, and Ben are heading to Charles Darwin Middle School, and not only is Lincoln going to rescue the twenty one girls there, but we're also going to face Principal Wolverine and give that Butt-Biting Tyrant what for!

After we came back from Nico's rescue in Equestria, Lynn got the call from Adam Lyon that Principal Pixiefrog had left the school, because of losing a lawsuit case, and Principal Wolverine is making the students miserable.

Lincoln: Whoa, we're here in Charles Darwin Middle School, and I know what we're going to do here, not only am I going to rescue the twenty one girls there, but we're also going to face Principal Wolverine and give that Butt-Biting Tyrant what for!

Me: That's right, big guy.

Lynn: When Adam and the others told me of what Principal Wolverine is doing in making the students here miserable, I was shocked. We can't let that butt-biting tyrant get away with this!

Sly Cooper: Abusing students physically and mentally, that's just sick. I hope Eli unleashes a really nasty Rant Fest on him.

Nico: Same here, Sly.

Lincoln: He needs to be stopped once and for all. And thanks for joining us on the rescue, Ben.

Ben: You're welcome, Lincoln.

We saw just how miserable and on edge the students are because of Principal Wolverine.

Lincoln: This is disgusting, I can't believe what that tyrant is doing to the students. He's going to get such a brutal telling off from Eli once we find him, and we got to get Principal Pixiefrog back here and restore order to the school.

?: HELP!

Suddenly, Lincoln heard the sound of twenty one girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the twenty one girls, along with Adam Lyon and his friends, but they've been cornered by Principal Wolverine, and he's going to attack them.

Lincoln: Guys, I found the twenty one girls, along with Adam Lyon and his friends, but they've been cornered by Principal Wolverine, and he's going to attack them.

?: Why, that Butt-Biting Tyrant! Let's get him!

Suddenly, we saw the Duel Monster, Zure, Knight of Dark World, appear before us.

Lincoln: That voice, I knew it was you, Nicholette Torrington, but we'll have to talk later, we got a butt-biting tyrant of a principal to deal with.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hits Principal Wolverine, and that allowed the twenty one girls to get away, and Adam Lyon and his friends joined us, and Adam Lyon unholstered his massive Maahes' Maelstrom Sword of War and Protection sword from his wider and more muscular back and transformed into Super Angel Infinity Ocean Animal Kingdom Maelstrom Lion Angel of Ocean Justice and Oceanic Hope. When Principal Wolverine saw us, he was really furious at us.

Principal Wolverine: Do I need to bite you all on the buttocks?! How dare you interfere with me disciplining these troublemakers!

Lincoln: Shut your trap, you butt-biting monster! You've terrorized Charles Darwin Middle School for the last time!

Eli: And I've got some nasty words to say to you. You are a SELFISH, RUDE, INCONSIDERATE, BAD TEMPERED, NASTY, GOOD-FOR-NOTHING, BUTT-BITING, PATHETIC, ABUSIVE, EVIL, EXCUSE FOR A SUBSTITUTE PRINCIPAL, DISGRACEFUL TYRANT WHO SHOULD BE IN PRISON FOR THE REST OF HIS LIFE!

The students and all of us cheered Eli on, and that really set Principal Wolverine off.

Lincoln: Nice one, Eli. Alright, everyone, let's get him.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and they unholstered their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Ben Tennyson, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, The Cooper Gang and Cooper Clan got out their weapons, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at Principal Wolverine, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, steel orbs, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit him.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Sorry, Principal Wolverine, but you've just been fired!

Lincoln fired a rainbow energy blast, and it transformed into a straitjacket with rainbow energy chains and it tied Principal Wolverine up, so he can't escape, and Sly Cooper grabbed him with his Cooper Clan's Ancestral Cane of Elemental Justice, and tossed him into a police wagon, which drives off. We cheered as we holster our weapons and power down.

Then, Principal Pixiefrog came back to the school, and when he found out that Principal Wolverine was making them miserable, he took charge yet again, and everything went back to normal.

Lincoln: That's it for that miserable butt-biting tyrant. (To Nicholette Torrington) And it's so good to see you again, Nicholette Torrington.

Nicholette Torrington: You too, Lincoln, it's been a long time.

Lincoln went up to Nicholette Torrington and they hugged, and Nicholette Torrington was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time that I haven't seen you since you were sixteen, and as you and can see, I really grew a lot since then.

Nicholette Torrington: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Nicholette Torrington, she's a Goth Girl from a High School Goth Club in Royal Woods, and she and her friends are a bunch of Goth Girls that got gene-slammed on purpose with the Dark World Monsters to defend me from bullies. She's a true master of the sword and the Dark Magic Arts as well as a reader of the Dark World Grimoire.

Nico: Whoa, that's awesome. Which means we'll run into more of Nicholette's friends on some of your rescues later on.

Lincoln: That's right, Nico.

Nicholette Torrington: And I've got a really awesome and powerful revelation about the local dirtbag bullies from Hazeltucky, Hawk and Hank.

We gasped in shock.

Lincoln: Those rotten dirtbag stinkers from Hazeltucky, we'll have to hear about that later. Right now, let's get you back to normal, Nicholette.

Nicholette Torrington: No need, Lincoln.

Nicholette Torrington reverted back to normal, and she's a beautiful 17-year-old girls with long flowing dark purple hair, dark purple eyes, fair skin, she's 6'5" in height, she has the body of a goddess, and she has massive dark purple angel wings, as she reigned in the power of Zure, Knight of Dark World, she has the Dark World Grimoire with her, and she's dressed in a sleeveless black blouse, sleeveless black midriff top, long black skirt, purple pants, purple high-heeled sneakers, and long black sleeveless trenchcoat with darkness on the coattails and on the back is Zure, Knight of Dark World.

Lincoln: Wow, I love your new outfit, Nicholette, and I got you a little something as well.

Lincoln gave Nicholette Torrington a large Zure, Knight of Dark World-themed sword with Zure, Knight of Dark World etched on the 6'10" massive, wide, double-edged dark purple blade, black angel wings for the crossguard, large dark purple gem embedded in the rainguard, longer black handle, and large dark purple gem with black angel wings surrounding it for the pommel.

Nicholette Torrington: Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Nicholette Torrington's neck with dark purple gems on the gold lightning bolts and dark purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklaces of Eternal Love.

Nicholette Torrington: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Nicholette.

Nicholette Torrington had a smile on her faces and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Nicholette Torrington on her lips, and she returned it, and we cheered for them.

Then, we went up to the twenty one girls, and when Lincoln saw them, he immediately recognized them. The twenty one girls are Ichigo Hoshimiya, Aoi Kiriya, Ran Shibuki, Otome Arisugawa, Yurika Tōdō, Sakura Kitaōji, Kaede Ichinose, Akari Ōzora, Hinaki Shinjō, Juri Kurebayashi, Madoka Amahane, Mizuki Kanzaki, Aine Yūki, Mio Minato, Wakaba Harukaze, Karen Kamishiro, Mirai Asuka, and Hibiki Tenshō from Aikatsu, Keiko Furukawa, Cindy Campbell, and Eiko Aizawa from Squid Girl.

Lincoln: Oh wow, it's Ichigo Hoshimiya, Aoi Kiriya, Ran Shibuki, Otome Arisugawa, Yurika Tōdō, Sakura Kitaōji, Kaede Ichinose, Akari Ōzora, Hinaki Shinjō, Juri Kurebayashi, Madoka Amahane, Mizuki Kanzaki, Aine Yūki, Mio Minato, Wakaba Harukaze, Karen Kamishiro, Mirai Asuka, Hibiki Tenshō, Keiko Furukawa, Cindy Campbell, and Eiko Aizawa.

Me: From Aikatsu and Squid Girl, awesome.

Lincoln: Are you girls okay?

Ichigo Hoshimiya: Yes, we're okay, thanks to you.

Then, when Ichigo Hoshimiya and the other twenty girls saw who it was that saved them from Principal Wolverine, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings and the stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left legs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Ichigo Hoshimiya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made twenty clones of himself, and he and the twenty clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Ichigo Hoshimiya: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, twenty one Thunderbird Necklaces of Eternal Love appeared on the necks of Ichigo Hoshimiya, Aoi Kiriya, Ran Shibuki, Otome Arisugawa, Yurika Tōdō, Sakura Kitaōji, Kaede Ichinose, Akari Ōzora, Hinaki Shinjō, Juri Kurebayashi, Madoka Amahane, Mizuki Kanzaki, Aine Yūki, Mio Minato, Wakaba Harukaze, Karen Kamishiro, Mirai Asuka, Hibiki Tenshō, Keiko Furukawa, Cindy Campbell, and Eiko Aizawa with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone of what happened at Charles Darwin Middle School, and they were shocked when they found out the villain we went after was Principal Wolverine.

But, when Lincoln showed what we did to Principal Wolverine, especially when Eli went on a really nasty Rant Fest on him, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Nicholette Torrington have a lot of catching up to do, now that she's back. As for Principal Wolverine, his teaching license was terminated and he was sent to the Saturn Insane Asylum's Bad Animal Wing, where he'll remain there for the rest of his life.

---

After kicking Principal Wolverine out of Charles Darwin Middle School and getting Principal Pixiefrog back, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Nicholette Torrington saw Lincoln working out like crazy, she had an atomic red blush on her face.

Nicholette Torrington: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Nicholette, and now, I can also defend myself.

Nicholette Torrington: That's incredible.

Nico: It sure is, Nicholette. So, what's this revelation about those two dirtbag bullies, Hawk and Hank?

Nicholette Torrington: You guys aren't going to like it one bit. I found out those two dirtbag bullies have terrorized not only Royal Woods, but they've also terrorized all of Hazeltucky for who knows how many years, and anyone who dared to even get in their way, they'd have their victims thrown into what was known as the Pit of Eternal Pain, it's a pit where the victims are thrown into and they're pulverized into pulp by Hawk and Hank, and even worse, they're tossed back to Royal Woods with every bone in their body broken and they're also covered in horrible bruises.

We gasped in shock.

Me: Damn, I knew those two buttfaces were trouble, but this takes the cake.

Nico: You said it, J.D. Now, we're really glad those two are in prison for the rest of their lives.

Lincoln: They deserve to spend every second of it in prison for what they've done: terrorizing all of Royal Woods and Hazeltucky, not to mention when they broke out thanks to a Number Card during the 20 Days of Darkness, and they also broke out again, thanks to Dario Bossi.

TLPS Mr. Wolf: We need to have them put into Solitary Confinement, so they won't try to break out ever again.

Lincoln: Already on it.

Lincoln called the guards, and they had Hawk and Hank tied up in rainbow energy straitjackets with rainbow energy chains wrapped around them, and they were eventually put into separate cells in Solitary Confinement, and were chained to the walls with rainbow energy and Neutronium chains, and they were going to stay there for the rest of their lives.

Lincoln: There we go.

Nicholette Torrington: Awesome job, Lincoln. Oh, and there's also another reason why me and my friends also Gene-Slammed ourselves on purpose, not only did we Gene-Slam ourselves on purpose to defend Lincoln from bullies, but we also Gene-Slammed ourselves on purpose to destroy Team Rocket. What Giovanni and Team Rocket were planning on doing can never be forgiven.

Lincoln: Whoa.

Nico: That's awesome, but there's also something you should know: we destroyed Team Rocket, and we sent Giovanni to The Warp, and before we destroyed Team Rocket, Jessie, James, and Meowth got themselves canned, and they became members of The Redemption Squad.

Meowth: It's true.

Nicholette Torrington: Yeah, we already knew you guys got canned by Giovanni before the attack, and you three have since become members of The Redemption Squad.

We then got a shower afterwards. Suddenly, a bright light descended on the World Tree Estate, and we covered our eyes to keep the light out. Then, as the bright lights faded, we uncovered our eyes, and to our surprise, the world of Aikatsu has merged with ours.

Lincoln: Oh wow, Ichigo, Aoi, Ran, Otome, Yurika, Sakura, Kaede, Akari, Hinaki, Juri, Madoka, Mizuki, Aine, Mio, Wakaba, Karen, Mirai, Hibiki, your world's merged with ours.

Ichigo Hoshimiya: Wow, that's incredible.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he found out that Mr. Pingrey is here, and he's causing havoc as revenge against Carol and everyone who had him castrated years ago.

Carol Pusateri: Oh, great, my former father's here and he's causing havoc.

Vince Pusateri: That man just doesn't even know when to quit, does he? I'm going to see to it that he gets locked up for good, how dare he try to cause havoc, because of his hatred for my wife.

Lori: Looks like getting castrated by Will's mom years ago has made him even more bitter and angry at Carol even more, including getting betrayed by his ex-wife and former son.

Lincoln: He needs to be stopped and put in prison, he can't go about and cause havoc whenever he wants.

We then head on out, and we then hid in the bushes. Then, we saw Carol's former father, Mr. Pingrey, and he was really mad and furious at what happened years ago. Suddenly, the spirits of the Kaiju all appeared and swirled around Mr. Pingrey, and he was shocked beyond belief. Then, a massive explosion erupted and the sound of a thunderbird and phoenix cry were heard, and out of the smoke, we appeared. When Mr. Pingrey saw us, he was enraged, especially when he saw his former family.

Mr. Pingrey: How dare all of you get in my way, especially you two traitors and the harlot I refuse to even see as my daughter!

Nico: Mr. Pingrey, you have gone too far this time. I would've thought you'd stay away from your former family after you got yourself castrated, but it looks like you refuse to take a hint.

Mr. Pingrey: I will kill you all if it's the last thing I ever do! Starting with you and your bratty children!

Vince Pusateri: You lay one hand on my wife and kids, and I'm going to do a lot worse to you.

Lincoln put Mr. Pingrey into a rainbow energy straitjacket with rainbow energy chains, so he can't even escape. Then, he fired a rainbow energy beam and it surrounded Mr. Pingrey's head, and the beam formed into a videotape, which he gave to Sheila and Tom, and Mr. Pingrey was put into a police wagon, and taken away.

Then, as we played the videotape, we then found out that Mr. Pingrey was plotting his revenge on us for years, he planned to steal bombs and use them to blow up the World Tree Estate, and tried to hire some hitmen to kill us all, and even worse, he expressed completely and explicitly of how he hated us all and he wants to kill us all. Mr. Pingrey was declared far too dangerous and he was found guilty for attempted murder and attempted murder for hire, and he was sent to the Lansing Maximum Security Insane Asylum, and put in Maximum Security Solitary Confinement, where he'd be monitored 24/7 by guards, and he'll never be free again.

Lincoln: Sorry that the exploration to see your world ended up turning into a mission to stop Carol's former dad from trying to get revenge on us, girls.

Ichigo Hoshimiya: It's okay, Lincoln. But, he needed to be stopped for good.

Nico: And like Carol said, she cut her ties with her father for good, and he's no longer a man after he wound up getting castrated by Will's mom, ouch.

Me: Yeah, that was incredibly painful.

Lori: But, what he did proves that he's a bad father and a bad husband, but when he tried to kill us as revenge, he crossed a serious line.

But, before we were about to head to Jellystone Park, suddenly, Lincoln's deep sapphire blue eyes glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Adria, the evil malevolent witch from the Diablo franchise, and she's here to cause havoc and chaos. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Nicole, you're not going to like this one: the dark energy signal I sensed belonged to Adria.

Nicole Knudson gasped in shock.

Nicole Knudson: Adria the Witch, from the Diablo franchise?! Oh, she's really bad news, she's the servant of the main antagonist, Diablo, and she's skilled with using all kinds of black magic.

Liberty Loud: Using the dark arts to inflict pain and suffering in the name of Diablo, that's something I can't allow to let happen. I'll make sure that witch pays for everything that she's done.

Lincoln: This is going to be your first fight, Liberty, and you're about to transform. This is going to be so awesome.

Nico: Yeah, and the magic that we use is far more powerful than the black magic of that witch. Alright, Liberty, you got yourself a deal.

Lyra: Alright, our sister's going to have her first fight against a dangerous opponent, just like with the rest of our siblings and everyone on the team.

---

Later it was time for Rarity's third Ambassador Mission.

Me: This is gonna be awesome. And these 3 missions we took down 4 Jamen.

Eli: We sure did and that was awesome.

Me: We faced Golf Jamen, Vise Jamen, Mannequin Jamen and who knows who we will face this time.

Lynn: Yeah it will be cool! I hope we face Rugby Jamen next. That will be awesome. Out of all the sports that I know, Rugby is the only sport that I haven't tried yet.

Nico: It's really tough Lynn. It's football without helmets and protective padding.

Eli: He's right on that.

Duff Killigan then appeared.

Duff Killigan: (Scottish Accent) It's pretty fitting that I go with you after my battle.

Rarity: Oh it will be most fun for you Duff. I think you're gonna have fun on this one.

Me: Sorry we took down Gold Jamen first. You would have loved to get a good shot in on him.

Duff Killigan: That's all right lad. But you did a great shot on the first mission.

Me: That was awesome to do.

Nico: Yep. Anyway lets get moving.

We were off to Japan. This was gonna be so awesome!

We arrived at C.A.R.A.T. HQ.

Juru: Hey guys!

Lynn: What's up Kiramai HQ.

Me: Hey guys!

Rarity: Juru, this is my archenemy.

Duff Killigan: Pleasure to meet you laddies. Name's Duff Killigan. I'm from Scotland.

Me: Duff is originally one of the enemies of Kim Possible and he is also a great golfer too.

Sena: Awesome to meet you Duff.

Sayo: Yeah love the kilt too.

Duff Killigan: Thank you lass.

Juru: And congratulations to Sheila for getting married.

Me: We'll tell her the message. Thank you.

Juru: No problem.

Sena: Sorry you and the boys got frozen last time.

Me: It's all right. But Yodonna and Sylvia both helped us out in that one. That was really awesome.

Rarity: It sure was darlings and we had a lot of fun in that one.

Tametano: No kidding. But Eli how did you not get frozen?

Eli: I have been trained really well by a lot of awesome teachers. The Force told me that Mannequin Jamen was gonna fire and I jumped out of the way just in time.

Sena: The Force? Are you a Jedi?

Eli: I sure am. Born on Earth but I was taught the ways of the Force on the planet Coruscant.

Sayo: Wow! So everything in Star Wars is all real?

Me: It sure is. 100% real and awesome.

Nico: We had a lot of awesome adventures with that one. Our biggest one was taking down Palpatine.

Eli: Yeah that was awesome.

Rainbow Dash: It was really awesome.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We then heard an explosion.

Nico: Please tell me that's not Emperor Yodon already.

Tametano: (looks on the monitor) No. It's worse!

Me: If it was Emperor Yodon then I would sense a tremendously enormous and evil power.

Sayo: He's right. It's actually Rugby Jamen!

Lynn: Cool! Looks like I'm gonna get my shot in at him.

Nico: Awesome!

Me: I remember Rugby Jamen. He's a really cool Football themed Jamen and he packs one nasty punch. And Sena I remember seeing how you chased him to stop him from blowing up that power plant. That was awesome.

Sena: Yeah it sure was.

Lynn: That might have been a reckless move but it was awesome.

Laney: It sure was cool.

Rarity: It sure was.

Nico: Yep. Lets cite that Jamen for Unsportsmanlike Conduct!

We went to face him!

Rugby Jamen: Hello, Kiramagers! It's been a while!

Juru: Well, at least all we have to deal with are your exploding rugby balls.

Rugby Jamen: (laughs) By the time I'm done with you all, you'll be wishing you were still frozen by my fellow Jamen!

Me: We'll see about that.

Lynn: But let me have some fun first.

Rugby Jamen: Ooh bring it on!

Lynn ran fast and Rugby Jamen had a football and she dogpiled him and grabbed the ball and jumped away and then Rugby Jamen summoned numerous Bechats!

Nico: WHOA! Bechats!

Me: The Footsoldiers of the Kiramagers! This will be awesome.

Nico: I wonder how Lynn will handle them?

Eli: Lets watch.

Lynn ran fast and plowed through them and jumped off of each of them all over.

Sena: Wow! Lynn is good!

Me: Yep and she and Rainbow Dash and you would get along great Sena.

Eli: Yep.

She then kicked Rugby Jamen down and put the ball in his hands and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The ball exploded in his face!

Eli: WHOA!

Nico: Wow!

Lynn: TOUCHDOWN!

Sayo: Way to go Lynn!

Sena: That was awesome!

Rainbow Dash: Yeah it was!

Me: YEAH! Now it's Buttkicking time!

Eli: Lets get him!

Me, Nico, Rarity, Mizuki and the Kiramagers: Kiramai Change!

We transformed!

Juru: THE SPARKLING INSPIRATION! KIRAMAI RED!

Tametano: THE PRECISE SHOOTING! KIRAMAI YELLOW!

Sena: THE DASHING LIGHTNING! KIRAMAI GREEN!

Shiguru: THE UNSTOPPABLE EDGE! KIRAMAI BLUE!

Sayo: THE INCREDIBLE DEXTERITY! KIRAMAI PINK!

Nico: THE GLISTENING BRAWN! KIRAMAI PURPLE!

Me: THE AMBER FLIGHT! KIRAMAI ORANGE!

Takamichi: PIERCING SHINING! KIRAMAI SILVER!

Rarity: THE GENEROUS DAZZLE! KIRAMAI AQUA!

Mizuki: THE GORGEOUS REFRACTION! KIRAMAI BROWN!

All: ARRIVING IN A FLASH! WITH A 24-CARAT SOLUTION! MACHINE SENTAI KIRAMAGER!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind us and we were ready to kick some butt!

Me: YEAH!

We went at the Bechats and kicked and slashed and blasted them all over.

Rugby Jamen: Have some of this!

Rugby Jamen threw several rubgy balls at us.

Duff Killigan: How about you try some golf for a change?!

Duff used his golf clubs to hit several golf balls at the rugby balls.

Rugby Jamen: Do I look like Golf Jamen to you?!

The Golf Balls hit the balls and they exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOMMMMM!

KRABBBBBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOMMMMM!

They exploded in huge fiery explosions.

Lori: No but this literally is golf! FORE!

She hit a ball and it hit Rugby Jamen in his face and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded!

Nico: Nice shot Lori!

Eli fired a massive blast of Force Lightning and electrocuted the Bechats all over.

Juru: Insparklation! Let's hit his rugby balls right back at him!

Nico: Nice idea Juru!

Me: Time to work my magic!

I formed a bunch of Rugby Ball Bombs with my Imagination Powers and we kicked them at him and they hit Rugby Jamen and they exploded all over and turned the area around him into a massive and amazing inferno!

Laney: ALL RIGHT!

Rainbow Dash: Never thought I would see the day when Rugby would be used as a weapon.

Rarity: That is really something.

Me: I have an idea. Power down!

I powered down.

Me: Watch this.

I unsheathed my sword.

Me: EXPLOSION!

My Sword of Harmony turned into the Explosion Sword.

Rugby Jamen threw a bunch of ball bombs at me and I held them up with my power.

Me: FIRE ONE!

I used my sword like a bat and hit one at him!

Me: FIRE TWO!

I hit it and repeated the attack and they hit Rugby Jamen all over and exploded with 40 pounds of C4!

MASSIVE AND FIERY EXPLOSIONS!

Nico: WOW! This is turning into a warzone!

Laney: It sure is. But this is awesome!

Kiramgers: Kiramai Rush Stream!

Nico: Lets get him!

Me: FIRE!

We fired a massive blast of energy and the blasts all hit Rugby Jamen and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Me: YEAH!

Nico: Rugby Jamen you have failed this city!

Me: But we're not done yet.

Eli: I sense trouble coming!

Rugger Ligany appeared!

Sayo: At least it's not using a gas tank as a rugby ball this time.

Eli: This looks like a job for King Ghidorah!

Nico: Go get him Eli!

Eli: KING GHIDORAH ARISE!

Eli held up his hand and a massive fiery explosion blasted out and flew into the air and then exploded multiple times and took on a form and then it formed into KING GHIDORAH!

Eli: YEAH!

Eli jumped onto his middle head.

King Ghidorah fired Gravity Lightning blasts at Rugger Ligany and blasted him all over the place.

Nico: AWESOME!

Juru: Wow! King Ghidorah too!? That is awesome!

Me: Yeah it sure is! Lets go help them out!

We summoned our zords!

Kiramagers: Kiramazin!

Takamichi: Mashin Drijan!

The Zords came and we had them combine and they were ready!

Nico: YEAH!

Lincoln: Go get them! But lets help them out!

They agreed.

Lori: FIRE!

They fired massive energy blasts and blasted Rugger Ligany all over!

Rugger Ligany tried to whip Mashin Drijan with his tail.

But then…

SLASH!

His tail got slashed off and he roared in agony!

Nico: WHOA!

Yodonna and Sylvia were flying and they smirked at Rugger Ligany's agony!

Nico: WHOA! Yodonna and Sylvia.

Sylvia Exetor: Thought you all might like some help.

Me: Thank you girls!

Yodonna: No problem.

Me: Lets finish him!

Nico: With pleasure! Lets do it!

We had the Megazord Form into the new Ultrazord.

Nico: YEAH!

Me: Lets get him! FIRE!

We fired a massive blast of energy and the blast all hit Rugger Ligany and he exploded in a massive fiery explosion! HE WAS DEAD!

Juru: Next time, you'll get to see our super modes.

Me: That will be awesome to see!

Nico: Yeah that was awesome!

Leni: It totes will be awesome.

Laney: But that was awesome seeing how Lynn demonstrated her stuff like that.

Lynn: Thanks Lanes. It was cool testing out my sports prowess on Rugby Jamen.

Eli: Yeah it sure was.

Lana: Lynn will love facing him in the usual battles when the time comes.

Yodonna: It sure will.

Sylvia Exetor: Yes it sure will be awesome.

We later came back.

Varie: How did it go?

Me: Really awesome! Lynn got to show her sports skills against Rugby Jamen.

Lynn Sr.: Oh I had a feeling she would. That's my Lynnsanity Jr.!

Nico: (LAUGHS) Yep. And Sheila, Eric, Juru and the Kiramagers send their congratulations on getting married.

Sheila: Thanks Nico.

Eric Loud: It was awesome. But thanks.

Duff Killigan: If you lads don't mind, I'll just hang here until it's time for the next mission.

Nico: Not at all Duff. It was awesome having you come with on this one. Next time we'll have ALL the Power Rangers come.

Tommy Oliver: Wow! That will be awesome to see.

Me: Wow! It sure will! Show all the Ranger Teams from over the course of 45+ Years.

Nico: Yep. In America and Japan.

---

At Gotham Royal York High School we were at the conference room for a very important meeting.

Nico: It'll be all right Taylor.

Cloud Man: Relax, Taylor. We're just gonna convince the school board to reinstate you back in school.

Maria: How hard can it possibly be?

Me: Yeah you at least got to have some form of education.

Naomi: I agree honey,

Taylor (Loud House): Okay.

We went in and we saw the School Board there.

Me: Thank you all for coming. We appreciate you all coming. Now I'm sure you all are wondering why you are here.

Nico: It's to get Taylor here back into school.

Superintendent Chen: But she was expelled.

Nico: Yes we know. But there is a reason why she was doing all that with those two nutjobs Pablo and Anderson.

Eli: Whom you all know are in prison for life now.

Laney: Yes.

Huggins: No.

Davis: Oh, come on, Huggins! She deserves to get a second shot in her education.

Huggins: Davis, I have no problem with that. But the rest of the school board has had it up to here with Taylor to last an eternity.

William: Okay, if people are really gonna keep throwing those words back at us, we might as well not say them anymore!

Nico: William calm down. Principal Huggins at least let us finish before you come to a decision. Taylor did not mean to do all those things to everyone like that. It's because she came from a very troubled background. Because her father raped her a lot and murdered her own mother here in cold blood.

Naomi: It's true. I was murdered three years ago and J.D. resurrected me.

Sunset Shimmer: And I saw into Taylor's past and it was horrible.

Me: I can show it all to you. But I must warn you. What you are about to see is incredibly graphic.

We shut the blinds and I used my Memory Projection Powers on Taylor to show them what she went through and more and it was ABSOLUTELY HORRIBLE! 1 hour later the principal and everyone was HORRIFIED AND SHOCKED BEYOND ALL WORDS!

Cybertron Ransack: Listen, folks. Just because Taylor's bullying was stopped during the 20 Days of Darkness doesn't mean she should be condemned along with Plankton's former buddies. Now, are you gonna let her continue school here or are we gonna have a problem?

Superintendent Chen: Oh man! Taylor we had no idea you were going through all that.

Principal Huggins: We had no idea this was what you were going through. We're sorry about all this. We should have gotten you help before that. But we'll have to gather everyone in the assembly hall for this.

Nico: Okay.

Superintendent Chen: As of right now we're revoking your expulsion.

But first lets get everyone together and tell them what you went through.

Taylor (Loud House): Okay. I have a lot of making up to do.

Later we gathered everyone in the cafeteria.

Me: Hello everyone. I'm sorry to have to call you all here for this. But you all remember Taylor here. I know she has been harsh on you all but there is a reason why she did all the things she did to you.

Nico: It's because we found out during the 20 Days of Darkness that she has a REALLY DARK Past.

Eli: It's all true.

Me: But we have to warn you all, what you are about to see is really graphic.

I told them everything and we showed everyone Taylor's memories and IT WAS SHOCKING BEYOND ALL FORMS OF WORDS FOR EVERYONE!

Pointblank: We're very sorry we showed guys that horrible memory. But the truth needed to come out.

Nico: That's right. So you see everyone, it wasn't just those imbecilic jerks Pablo and Anderson that did all this, it was also because of Taylor's Dark Past and evil father too. She was lashing out at all of you because of her dark past. So please everyone will you give her another shot like we have? Her evil father was destroyed when we threw him into the Black Hole at the Center of our Galaxy after getting his sentence upgraded to Death and J.D. resurrected her mom on Christmas. After everything that happened to her she more than deserves the right to get a fresh start.

Taylor was crying and then a bunch of kids came and they comforted her and agreed to help her out.

It was a touching and great moment.

Joe Swanson: That was great guys. You helped her out.

Me: Thanks Joe.

20 minutes later we were having lunch at Lynn's Table.

Taylor (Loud House): Thank you so much guys for helping me out.

Me: It was the least we can do for you Taylor.

Laney: Yeah no one should EVER have to go through anything like that.

Concrete Man: Whelp, now the school's scarred for life.

Me: Just goes to show how evil some people can get. But Ino, Mr. Yamanaka and Carrie White will gladly help them out.

Nico: Yeah but look on the bright side. Taylor is no longer an outcast and now has tons of amazing friends at school and she is gonna be a bodyguard to many people to watch over in case there are bullies like Pablo and Anderson out there.

Laney: That's awesome.

Leif: It sure is.

Rarity: We're happy for Taylor though darlings.

Duff Killigan: Aye we sure are laddies.

Then Dr. Polaris, Anti Wanda, Rex Goodwin, Roxy Rocket, Raven Branwen, Nergal, Toiletnator, Mr. Mittens, and Leonard appeared.

Dr. Polaris: I know Duff's coming with you guys. But can me, Anti Wanda, Rex Goodwin, Roxy Rocket, Raven Branwen, Nergal, Toiletnator, Mr. Mittens, and Leonard come with you guys too?

Nico: Yes you all sure can. You will like where we're going next. We're going to Jellystone Park to meet Yogi Bear.

Roxy Rocket: Wow! I love Yogi Bear. I watched him a lot back when I was a little girl.

Me: He is awesome. And I love how he is always stealing Picnic

Baskets. (Imitating Yogi Bear) Hey Boo Boo lets get ready to swipe some Pic-a-nic baskets. (Imitating Boo Boo) You got it Yogi.

Everyone laughed at my imitation.

Leonard: Hey that was really good!

Nergal: Awesome imitation.

G1 Bombshell: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to meet a Gene-Slammer for one of the Amperi's Predators.

Shanan: That's gonna be an Alombolic. This is what they look like.

She pulled up a picture of one and it looked like a Sunfish mixed with a piranha.

Nico: Whoa!

Me: Wow that is ugly! And they are another one of the predators of the Amperi? Weird.

Nico: Yeah no kidding. So it looks like this one will be an underwater rescue for that one.

Maria: I'll gladly go with you on that one Nico.

Eli: And one of the Water Users too.

Laney: Yep.

We were later off to Jellystone.

---

JELLYSTONE NATIONAL PARK, WYOMING

---

We arrived in Jellystone National Park in Wyoming.

Toiletnator: Here we are!

Nico: Yep. Welcome to Jellystone National Park.

Me: Not far from Yellowstone. How cool.

Eli: Awesome. This is gonna awesome.

Roxy Rocket: It sure will. But we have to give Ranger Smith a good talking to. He wants the animals here to act like men.

Nico: That is not right.

Chef Pepperjack: I should give Yogi some of my cooking.

Nico: If I know Yogi from watching what he did on TV and on the internet, he eats ANYTHING and he is funny too.

Me: Billy didn't you meet bears that looked like Yogi and Boo Boo too?

Billy: Yeah I did!

Me: Wow!

Nico: That is coincidental.

We then saw Yogi and Boo Boo and they were awesome.

Anti Wanda: Howdy! You must be Yogi!

Yogi: Well look who we have here Boo Boo!

Boo Boo: Team Loud Phoenix Storm, Yogi. It's an honor to meet you all.

Me: Same here. I love all of your cartoons and they are awesome.

Laney: It sure is. Even though I never watch TV, I think you guys are funny.

Lana: Yeah no kidding.

Colleen: (British Accent) It's great that you guys are funny bears.

Nico: Yeah and you guys love to eat.

Yogi: Don't forget I'm smarter then the average bear!

Hornet Man: Is an Olympic black bear as nice as you?

Yogi: I suppose so.

Nico: You are still a great and funny guy yogi. You always crack us up.

Yogi: Want to join us for lunch guys?

Nico: Sure.

Nergal: I hope you two like pizza.

Boo Boo: We eat anything.

Yogi: We sure do. I'll go get us a great pic-a-nic basket for us.

?: AHA!

Out came RANGER SMITH!

Ranger Smith: Well Team Loud Phoenix Storm it's an honor to meet you all.

Nico: Same to you Ranger Smith. I never got tired of you scolding Yogi like that.

Ranger Smith: Indeed and whenever I'm on lunch I would read the paper for your adventures.

Eli: As long as you recycle those papers.

Ranger Smith: Yogi, with that other troublemater that came by earlier, your antics are the last thing I need today!

Mewtwo: Wait. This other troublemaker. What did he look like?

Me: We didn't get word of another troublemaker here. But yeah what did he look like?

Ranger Smith: Well lets see. He had purple hair and a very iconic Dr. Evil style outfit on.

WE GASPED IN SHOCK AS WE KNEW WHO HE WAS TALKING ABOUT!

Everyone: MAX IS HERE!

Ranger Smith: Max?

Owen: He's my cousin and he is pure evil!

Owen told Ranger Smith about him.

---

Max labeled The Super Villain is a supporting antagonist of the Canadian animated franchise Total Drama, serving as a recurring antagonist of Total Drama: Pahkitew Island.

He is a short purple-haired boy who is openly evil and takes pride in it. While he strives to be greatest villain ever in Total Drama, despite actively trying to be a villain, he is very pathetic at being evil while unconsciously working for a truly evil contestant, and usually causes more trouble for himself than he does for others. Despite him being nice and polite sometimes, such as in "Three Zones and a Baby" where he treats a baby so nicely and became his friend, he did try to be evil many times, but failed to do so. However, he did have many villainous moments which he never felt remorseful, such as Electrocuting Ella in "A Blast From the Past" and killing, torturing and being cruel to ants "I Love You, I Love You Knots". However, Max isn't much of a threat in most of the episodes, due to his lack of skills and occasionaly polite nature. He also was a pain magnet/ comic relief of his season.

In Pahkitew Island, he was voiced by Bruce Dow. In Total DramaRama, he is instead voiced by Tristan Mammitzch.

Total Drama: Pahkitew Island

In "So, Uh This Is My Team?", he chokes on gum Sky gave him, he is then places on Pimâpotew Kinosewak. He doesn't help much during the challenge.

In "I Love You, Grease Pig!", he participates by making the wild pig evil, making it throw mud on Dave, causing him to have a panic attack, and Max himself. As he passes to Jasmine the "evil helmet" broke.

In "Twinning Isn't Everything", he finds Samey interesting, thinking that she's "pure evil" for yelling at Amy, and forms a one-sided friendship with her, on his side. He and Scarlett formed alliance to fight with Dave and Sky by blowing a sharp needle to pop their balloons and they got hit by Shawn, swearing revenge and sneezes, bores Scarlett.

While Max doesn't realize it, Scarlett is very upset about being called Max's sidekick and tries to get him eliminated in Mo Monkey, Mo Problems. After Max complains about not getting any respect from Topher or Jasmine, shortly after being given a wedgie by the latter, he is encouraged by Scarlett to express his "true evil" to them by building a trap and keeping them there until they give him respect. Little to his knowledge, however, Scarlett plans for him to be the only one caught in his own trap so then he could get eliminated that night. After the entire team gets caught in the trap, Scarlett is not sure that the plan will work, but Max foolishly admits that he was the one who built it. While Max receives the most votes that night, Ella is disqualified due to singing against Chris' orders, meaning Max is safe from elimination.

Max continues to be a nuisance towards Scarlett during This Is The Pits!, as when the two are separated from the rest of their team, Scarlett attempts to ditch him by convincing Max to make a crocodile that confronted him his evil minion and, once this crocodile is revealed to be robotic when a stalactite crushes it, Max pesters Scarlett to suck the "crocodile venom," out of his behind. Max and Scarlett end up escaping the cave by using an elevator found using Scarlett's device, but Max throws it out of the door, much to her dismay. The significant amount of time they spend together makes Chris believe the two are in a relationship, causing Max to switch teams with Sky. On his new team, which he only spends one episode on, he gets along well enough with most of them, particularly Sugar who finds the way he talks about evil hilarious. This episode also shows his soft side towards babies that was hinted in his audition tape, enough to the extent that he does not want to give up his baby at the end of the challenge until he is forced to do so. While he tries to conduct an evil scheme against his former team in the form of throwing pepper at them, he is startled by Sugar, causing him to start sneeze uncontrollably and ultimately accomplish nothing.

In "Scarlett Fever", while the weather kept changing due to Pahkitew Island being artificial (and that Max threw up on the controls), Chris sent three teams into infiltrating the island to the control room to deactivate the bomb. Near the control room, Max attempted to type the code a few times, but gets shocked each time thanks to Scarlett's suggestion on making the panel run out of power. In the control room, when Max called her sidekick once more, Scarlett reveals her pure evil (yet insane) identity that made Max so scared that he sucked his thumb like a baby. After Scarlett was foiled and ready to be launched by the cannon, Max gloated that with her gone, he is the only true evil left on the island. Chris, however, decides that he is "done with evil for now" and disqualified Max, who is subsequently put in the Cannon of Shame by Chef Hatchet and eliminated along with Scarlett.

---

When he was finished Ranger Smith, Yogi and Boo Boo were shocked!

Nico: Yeah we've had a lot of problems with him over the years.

Eli: He is pure evil.

Me: No kidding.

Rex Goodwin: It's a miracle you were able to walk away from him before he could do anything to you!

Nico: Yeah. He is pure evil. He wants to take over the world.

Me: But thankfully he will never do that.

Eli: After today we're going to use the Hinon's Vengeance Curse on him.

Nico: Good idea Eli.

Rex Goodwin: What does that one do?

Lincoln pulled out the piece of paper for the curses.

Lincoln: Lets see. "Hinon's Vengeance Curse, Lincoln fires powerful blasts of electric blue energy and rainbow super lightning from his massive angel wings, and once it hits the unrepentant, the curse marks them with a Thunderbird on the back, and when it reaches the heart, they die and are sent to Hell for all eternity."

Nico: Whoa! That's perfect for him. Like the Curse of the Cobra.

Me: Yep.

Pharaoh Man: (guiltily) Ranger Smith, we really don't want to have this other talk with you now that you told us that Max is here.

Nico: But yeah. Yogi is not a man Ranger Smith. He's a bear and he needs to be treated like one.

Laney: Yeah all these rules for him to follow with you are getting out of hand.

Nico: Yeah I saw this version of Yogi Bear where Boo Boo goes Feral. You don't want that to happen do you?

Ranger Smith: (sighs) Maybe I am being a bit harsh with Yogi.

Roxy Rocket: That's one way to describe it.

Nico: Yeah. Cruel is the better way to say it.

Ranger Smith: Oh you're right.

Blitz: (Arnold Schwarzenegger Accent) But you better remember this.

CLANG CHOMP!

Blitz bit Ranger Smith in his butt!

Blitz: You do mean things to Yogi and me biting you in the butt will be the least of your worries ja?

Ranger Smith: Okay okay! I'm sorry.

Me: Good.

Ranger Smith: I'm sorry Yogi. And Boo Boo.

Yogi: Apology accepted Ranger Smith.

Me: (Imitating Yogi) As long as we can steal more pic-a-nic baskets we'll be good.

Ranger Smith: Huh?

Me: That was me.

Ranger Smith: Hey that was a good imitation.

Marah: By any chance, did you ask Peter Griffin to get rid of Yogi in the past?

Meg: My former dad said that's the worst thing he's ever done.

May: (Scoffs) I doubt it.

Nico: That was just a cutaway gag right Brian?

Brian: Yeah it never really happened.

Marah: Oh good.

Stewie: Stupid fat man lying to us!

Raven Branwen: Just goes to show you that you can't trust cutaways.

Nico: That's for sure.

Laney: Some of them were true though. Peter has awesome trophies of junk food animals.

Nico: True. Those are in my room now. They were silly.

Lana: And they are cool.

Exile: (Russian Accent) Those are great trophies comrades.

Xion: Now, what's this about Boo Boo going feral?

Nico: That's another version of Yogi Bear. Look.

Nico showed the cartoon of that. It's called Boo Boo Runs Wild which came out on September 24th, 1999.

---

Ranger Smith has gone on a rulemaking spree, posting arbitrary and nonsensical rules across all of Jellystone Park, including to the backside of a familiar-sounding moose, to his own glee. While Yogi Bear takes the new regulations with irritated annoyance, Boo Boo, usually the composed and sane one of the duo, feels increasingly repressed, and eventually, after a Ren Höek-esque rant, he loses his grip on sanity and goes feral, to Ranger Smith's dismay, as he always expected Yogi to be the one who rebelled.

Boo Boo's actions go from clawing the backsides off trees to savagely devouring honey from a hive. Cindy Bear, aroused by Boo Boo's new attitude, joins him in an affair to Yogi's shock. The Chief orders Ranger Smith to put Boo Boo down, which Yogi refuses to allow out of loyalty to Boo Boo. When Boo Boo witnesses the ensuing fight, he tries to intervene but is knocked out; this, along with Ranger Smith throwing water on him returns him to normal, much to everyone's' delight.

---

When it was done we were shocked!

My jaw then fell to the ground!

CLANG!

Eli put my mouth back.

Me: Thanks Eli.

Ranger Smith: Well, I'm glad you guys talked to me before it came to that.

Duff Killigan: At least no one died there.

Me: Except for some trees getting the bark ripped off their trunks.

Nico: I guess even trees have feelings too.

Laney: Yes they sure do.

Ren Hoek: That was a really strange cartoon guys.

Stimpy: Yeah it sure was.

Nico: No kidding.

Hunter (Road Rovers): Yeah it sure was strange though.

Blitz: It was a strange one wouldn't you agree Colleen?

Colleen: Do I know you?

Blitz: Not this bit again!

Brawl: Anyway, lets have some lunch before we go after Max. And pray he doesn't do anything to the rest of the animals here.

Nico: Good idea. And Yogi, Boo Boo getting a picnic basket won't be necessary.

Nico used his imagination powers and made an Ultimeatum, Lynn-Sagna, Every Meat Burrito and sandwich and hot dog tree.

Nico: There.

Laney: Awesome.

Me: Cool huh?

Yogi: Yeah that is amazing.

Mr. Mittens: It's nice to eat with fellow animals.

Me: Same here Mr. Mittens. Oh.

I used my imagination powers and made CatDog and Mr. Mittens a steak and fish bush.

Cat: Wow! That is great J.D.

Me: Thanks.

Mr. Mittens: It's purr fect.

Me: Yeah.

We got to eating.

Me: Can't fight on an empty stomach,

Earthworm Jim: The sooner I make Max eat dirt the better.

Nico: Yeah.

---

French Narrator: (French Accent) One delicious meal later.

---

We were stuffed.

Me: Ahh now that was great. (BELCH) Oops pardon me.

Nico: No worries.

Veon: Now, time to go after Max.

Me: Yep.

Eli: (Concentrates) He's 500 yards to the east of here.

Lola: Then that's where we'll go.

Nico: Get ready Max. (Eyes Glow Red) It's time to kick your evil ugly butt back to prison!

Out to the east, Leonard was facing Max!

Leonard: Time for us to take you down, Max!

Max: You and what army?!

Leonard: (smirks) Me and THIS Army!

Suddenly the elements of darkness fashion swirled around him and then they converged and out came a blast of lightning and it hit Max and electrocuted him all over and then a massive storm appeared and a thunderbird call was heard and then we came out.

Nico: Okay Max you're time has come!

Me: Get ready for the worst ever buttkicking of your life!

Leonard: And lets not forget this army too.

An army of his pig minions came.

Nico: Looks like you are in for it now mammas boy.

Me: Yep. (Cracks knuckles) Prepare yourself for the most unpleasant buttkicking you'll ever have in your miserable and worthless life.

William: Hope you like this. (Blaster Clicks) Welcome to the end of your life. I promise you that it's going to hurt. REAL BAD!

Then Koragg, Condiment King, Brain Freezer, Key, Springfield Bullies, Toyman, Artie Ziff, King Hiss, Mammoth, and 2016 Morbucks appeared.

Nico: Koragg, Condiment King, Brain Freezer, Key, Springfield Bullies, Toyman, Artie Ziff, King Hiss, Mammoth, and 2016

Morbucks.

Jimbo Jones: Looks like the fun is about to start.

Dolph: Yeah I can't wait to give this purple haired maniac the worst wedgie of them all.

Kearney: Me too. This will be awesome and perfect.

Koragg: It sure is a nice day out in the park.

Condiment King: Until Max ruined it.

Yogi Bear: Is Cindy Bear okay?

Brain Freezer: No need to worry. We told her to get somewhere safe!

Me: Good thinking. Thanks guys.

Key: (to Nico) We heard you had a nice time in the city.

Nico: We sure did.

Jimbo: Anything exciting happen?

Me: We busted a thief that stole jewelry in broad daylight.

Nico: Yep. And J.D. bought a really awesome necklace. The same one that the thief stole and he got it for Camie.

Eli: So awesome.

Sunset Shimmer: And I made a comic book for it too.

She showed the comic to them and it was cool.

Kearney: Oh this comic rocks! (Makes Imaginary Guitar Riff)

Nico: Sunset makes awesome comics.

?: Boy that is cool.

A figure came out and it was SPIKETRON from episode 21 of Beast Morphers!

---

Spiketron was first mentioned by Commander Shaw to be breaking into a Morph-X Tower in "Section Bravo 4-8" and we first see him harassing a truck driver. Scrozzle then appeared and seemed to have been the one to have created him and gloated about acquiring an entire truck of Morph-X. Much to his surprise, the Rangers appeared (having thought to have been brainwashed by a movie he created) so he summoned some Tronics and Spiketron joined them in the fight against the Rangers whilst he left to create a Gigadrone. Spiketron fought Devon one on one until Spikedrone showed up and Devon left to destroy it so Spiketron fought Ravi as Zoey joined Devon. When the Gigadrone proved to be too much for the Chopper and Racer Zords, Ravi had to leave so Nate and Steel fought the Robotron and quickly destroyed him with their Striker Beast Slash.

---

Devon Daniels: Spiketron!

Spiketron: Been a while rangers!

Me: I remember you! You were sent to fight the rangers while Scrozzle was going to make a Gigadrone. And the rangers were brainwashed by a movie you made.

Spiketron: Good memory.

Me: Yeah.

Maria: So let me get this straight. When you appeared, Devon's team were acting like their Halloween costumes.

Spiketron: It's true. Only the Red Ranger wasn't affected at the time.

Nico: You would make an awesome future Halloween Party monster.

Spiketron: Thanks.

We got the usual battles underway.

Lincoln: It's over, Max, your days of evil are finally done. And just for a little added measure.

Lincoln transformed into Lightning Lincoln, as the 7'5" tall, handsome, and extremely muscular man's long, white hair that reached the bottom of his neck had turned electric blue except for the rainbow lightning bolts on the bangs, his deep sapphire blue eyes turned deep electric blue, the eight large orange orbs orbiting around his legs turned electric blue, his large blue pants had turned black, but the rainbow colored lightning bolts on them remained the same, his massive orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs turned electric blue, his orange version of He-Man 2002's loincloth and long orange trenchcoat coattails with elemental forces, thunderbirds, buffalo, and angels turned electric blue, and his massive deep sapphire blue angel wings with stars turned deep electric blue.

Suddenly, a thunderstorm came out of nowhere, and bolts of lightning came crashing down from the Heavens, and Lincoln was surrounded by rainbow super lightning. We knew what Lincoln was going to do: he's going to inflict Max with the Hinon's Vengeance Curse.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Max. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song.

Then, Lincoln fired powerful blasts of electric blue energy and rainbow super lightning from his massive deep electric blue angel wings with stars in the feathers, and once the blasts hits the unrepentant Max, the curse marked him on the back with a Thunderbird.

Max (Total Drama): What did you inflict me with, you fools!

Lincoln: What I inflicted you with is the Hinon's Vengeance Curse, that very curse marked you on the back with a Thunderbird, but, it's not going to kill you. You see, we have a better position for you: you are going to be put in the Masters of Evil.

Nico: But, you're going to be put on strict supervision, because of the fact that you're also one of the Total Drama Sore Loser who's wanted revenge on us.

Lincoln: But, let me give you a warning: should you attempt to double-cross The Masters of Evil and try to destroy them and us as well, the Thunderbird on your back will continue to spread, and once it reaches your heart, you will die from the curse, and you'll be sent to Hell for all eternity.

Gumball Watterson: If I were you, Max, I'd take the deal that's been offered to you, because should you refuse, the curse will take your life.

Max (Total Drama): Fine.

Max was then sent to The Masters of Evil's HQ, but he'd be put under strict supervision, since he's one of the Total Drama Sore Losers.

Kuja: I'm glad you put that curse on Max, Lincoln. But, if he proves himself trustworthy to The Masters of Evil, what'll happen to the Thunderbird on his back?

Lincoln: I'm glad you asked, Kuja. The curse I put on Max will kill him should he double-cross The Masters of Evil and try to kill them and us, but if he proves himself trustworthy to them, then, the Thunderbird on his back will disappear and the curse will lift.

Nico: So, there's a loophole to the Hinon's Vengeance Curse, eh?

Lincoln: That's right, Nico.

Me: And I just realized now, but the Hinon's Vengeance Curse is just like The Curse of The Cobra.

Lincoln: You guessed it, J.D.

Nico: So, the Hinon's Vengeance Curse is inspired by The Curse of The Cobra, I got to admit, you really surprised us, big guy.

Me: Nice thinking there buddy.

Hunter (Road Rovers): To the Power of The Pack!

Road Rovers: (HOWLS)

Me: (HOWLS)

Nico: That was awesome!

Yogi: Thanks for the help, everyone.

Toyman: It was our pleasure, Yogi.

Nico: Yeah!

Artie Ziff: Now, Max won't be troubling us again.

Me: And he is now under the services of the Masters of Evil. But if he tries something funny the curse will kill him.

King Hiss: How would you and Boo Boo like to leave in the park of Gotham Royal York?

Boo Boo: We would like that.

Mammoth: Glad to hear it!

Nico: Awesome! You will be perfect for our park at home.

2016 Morbucks: We can still finish our meal here though.

Nico: Good idea.

Nicole Knudson: I knew there's no mistaking that voice from anywhere. You can come out now, Adria the Witch.

A figure came out, and it was none other than Adria the Witch from the Diablo franchise.

Adria the Witch: Well, if it isn't the foolish Goddess of Video Games, Nicole Knudson. And now, I will destroy all of Team Loud Phoenix Storm, and occupy this world in the name of my lord, Diablo.

Liberty Loud fired a blast of orange energy at Adria the Witch, and it hurt her badly. Then, she fired a blast of magic from her Spellbook of Hecate and it hit the evil witch, and really burned her.

Liberty Loud: I don't think so, Adria. This is where you will die.

Suddenly, Liberty Loud's eyes turned neon orange, and she was surrounded by a white and orange energy aura with magic and griffins, and as she approached Adria, she left white and orange energy, magic, and griffins with every step.

Liberty Loud: Adria, the crimes that you've committed in the name of your lord, Diablo, can never be forgiven. Now, I shall make sure that you never rise again to torment the living, you evil witch.

Suddenly, Liberty Loud was surrounded by a massive vortex of white and orange energy with magic surrounding it, there was a griffin flying around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, Liberty Loud emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Liberty Loud grew to 6'5" in height, she had the body of a goddess, and she has orange highlights in the bangs of her long flowing white hair, she has neon orange eyes and a white and orange energy aura with magic and griffins surrounding her, she has a griffin holding the Triple Goddess symbol in its claws emblazoned on her forehead, she has on griffin earrings with orange gems for eyes and the Magic Kanji in its claws and her Crystal Necklace of the Buddha with orange crystal links and a griffin with orange gems for eyes and holding the Magic Kanji in its claws for the pendant, she has on a sleeveless blue blouse, her Triple Goddess with magic book cutie mark on her left shoulder was also glowing, she has on a sleeveless orange top with white phoenix on it, blue skirt with magic, blue pants, and orange high-heeled sneakers, and an orange sleeveless trenchcoat with magic and griffins on the coattails and on the back is a griffin surrounded by magic. Suddenly, Liberty Loud felt a sharp pain on her back, and then, massive white angel wings with orange tips on the large white feathers, sprouted out of her back. Liberty Loud has on her Ring of the Phoenix with large orange gem on her left ring finger and Blue Lantern Corps ring on her right ring finger.

Liberty Loud has out her Spellbook of Hecate and it's open, she has on her new gold cuff Bracelets of The Champions of The Universe with orange gems on her wrist, large gold Belt of Elemental Bravery with gold griffin head with orange gems for eyes and a large orange gem in its mouth for the belt buckle, she also has out her large orange Spellbook of The Gods and The Universe and large orange Spellbook of The Elemental Gods, and her Eater of Sins revolver holstered on her right hip. There's a white kanji below the griffin that said, "Liberty Loud, Master Magician, Lost Sister of The Loud Family, Long Lost Twin of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary of Hecate, and Master of Magic and Griffins."

Liberty Loud has transformed into SUPER ANGEL INFINITY MAGICAL ELEMENTAL GRIFFIN ANGEL OF MAGICAL JUSTICE AND ARCANE HOPE!

We were amazed by Liberty Loud's Super Angel Infinity transformation, but when Adria saw it, the demon witch fell into a rage and fired a blast of dark magic to try and kill her, but Liberty fired a powerful blast of orange energy with magic, and it overwhelmed Adria's blast of dark magic, and it hits the evil witch.

Lincoln: Wow, Liberty's transformed.

Nico: She's transformed into an Angel of True Magical Justice, and she's going to make that witch pay with her life.

Liberty Loud: (Divine Echoing Cosmic Voice of The Magical Griffin and Magical Justice) **That's right, Nico. Alright, Adria, it's time for you to die.**

Liberty Loud went after Adria, who transformed into her true demonic form and tried to attack Liberty, but Liberty dodged Adria's attack, and she fired powerful blasts of orange and white energy, magic, and griffins at the witch, and they exploded with incredible power as they hit her. Then, Liberty fired powerful blasts of magic from her Spellbook of Hecate, Spellbook of The Gods and The Universe, and Spellbook of the Elemental Gods, and they hit Adria, and exploded with incredible power. Then, Liberty fired a powerful red energy blast, and she sucked out all of Adria's magical powers and abilities, and she and the rest of us made them our own, and Adria was left powerless.

Liberty Loud: **This is the end for you, you evil witch. AVADA KEDAVRA!**

Liberty Loud fired a powerful blast of magic from her wand, and it hits Adria, killing her for good, and it also erased her spirit for good when she was sent to the Black Gates. We cheered wildly for Liberty as she powered down, and her new body, clothes, weapons, jewelry, and massive angel wings are permanent. Then, the Louds piled on and hugged her.

Lincoln: Wow, Liberty, you did an awesome job in getting rid of Adria the Witch forever.

Liberty Loud: Thanks, Lincoln.

Nico: That was one awesome battle between a magic user of good and a magic user of evil, and your training with magic outclassed Adria's, and you sent her to her death using the Killing Curse, Liberty.

Lori: Your training at Hogwarts has definitely proven itself greatly, sis.

Liberty Loud: Thanks, everyone.

Lincoln: Hey, when Luan has a birthday party lined up sometime this week, we should do a magic show.

Luan: That's a great idea, Lincoln. You guys sure are bound to wow them.

Me: Good idea.

Yogi: (To the Viewers) Hey there folks. This was an awesome adventure. It was great for me and us.

Nico: It sure was. Hope they liked it. But great job everyone! This was an awesome one to remember. Lets go home.

We went back home and Yogi and Boo Boo and Cindy live with us now. Ranger Smith agreed to visit Yogi and Boo Boo from time to time. We later went to sleep after enjoying the rest of the day.

---

Another awesome fanfic done.

Yogi Bear is one of my favorite cartoons from my past and it was so awesome and funny back then. Very popular back in the 1960s and it was so awesome and funny. The great cartoons of the Hanna Barbera era were awesome. The first part of the chapter was for the short of Equestria Girls called Super Squad Goals and that was awesome and cool and Sunset Shimmer made an awesome comic for that too. The second part was for the My Gym Partner's a Monkey episode Leaf of Absence and it was funny and awesome and Principal Wolverine was one badass teacher! HE HAD A REALLY NASTY LINE FOR BITING PEOPLE IN THE BUTTOCKS! OUCH! That episode aired on August 8th, 2006 and it was funny! Especially with Principal Pixiefrog belching like Wakko from Animaniacs! NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as we go underwater for that one. BUCKLE YOUR SEATBELTS EVERYONE! We're going to face an evil version of Mr. Krabs in this one as Nico, Varie, Nokama, me, Lily, Rarity, Eli and Allie Wilde are heading to Bikini Bottom to take him down in the SpongeBob episode PLANKTON PARANOIA! Varie is going to transform in that one so I'll need the transformation sequence for that one. And we're going to meet an Alombolic Gene-Slammer named Sarah Lindsington and she is from Nico's Woodworking Classes. The next rescue for Lincoln is gonna be in the scary and bloody movie HOSTEL! We're also gonna be meeting a Gene-Slammer for Snoww, Unlight of Dark World named Giselle Harrington and she is from Lincoln's classes and she is one of Lucy's friends and she is a powerful staff and magic master. She has a really powerful and dark revelation about a rival goth club that was trying to destroy them named The Church of Necrom and it will be scary and awesome. The next chapter is gonna be one where I have some unfinished business to take care of with an old enemy from my past as we face the evil powerhungry kidnapper named Gaito and we're gonna meet Kaito and Lucia of Mermaid Melody and we're going to team up with them to destroy Gaito once and for all.

See you all tomorrow.

# Mermaid Melody Unfinished Business

Walking through the ocean was Nico, Varie, Nokama, me, Lily, Rarity, Eli and Allie Wilde and we were in Bikini Bottom.

Me: So the next rescue is in Bikini Bottom. Yet Again.

Lily: I hope things are going good at work.

Eli: One can only hope Lily.

Nico: Thanks for coming with me, Nokama.

Nokama: Not a problem Nico. It'll be an awesome honor to go with you on a rescue. I'm looking forward to this.

Allie Wilde: Me too. It's gonna be awesome.

Me: It always is fun.

Eli: Yeah. Wait I sense something.

Eli felt something odd in the Force.

Me: I think that is a reason.

We saw a bunch of fish with red BANNED marks on them.

Lily: Uh oh. This is not good.

Me: I have a bad feeling about this one.

Nico: Same here but why does everyone have "Banned" marked on them?

Nokama: No idea but something is telling me that this has something to do with the Krusty Krab.

Nico: I feel it too. Nokama, it won't be long before you have your Ambassador missions.

Nokama: I know. This will be fun.

Me: Yep.

Varie: Something tells me that an evil version of Mr. Krabs is behind all this.

Eli: Yes I sense it.

Rarity: And we'll make that bad crab pay for this.

We went to the Krusty Krab.

Nico: Didn't Gazpacho try this crazy shit before?

Me: Yeah that's what Chowder said.

Eli: Man his paranoia was crazy.

We got to the Krusty Krab and it was all boarded up.

Me: Uh oh!

We looked in and we saw Mr. Krabs and he was sitting on the floor and he was foaming at the mouth and he was ALL CRAZY AND INSANE and he had looks of Plankton in his eyes and he looked like a crazy nutbag in an insane asylum.

Me: (Whispers) Look.

Nico looked in the knothole in a board and it was terrible.

Me: Shh Nico this is bad. We got to come up with a plan.

Nico: (Nods)

We went to the ruins of the Crab Net and hid.

Me: Man this is crazy.

Nico: He might try to put Banned labels on us next!

Me: Shh. We can't let this version of Mr. Krabs see us.

Lily: This is exactly like what happened when Mr. Krabs was completely paranoid after we sent Plankton to jail.

Nico: Oh man.

Varie: One thing is for sure this is a crazy version of Mr. Krabs that we have to take down and throw in a nuthouse for good.

Rarity: I most agree darlings. What he is doing shows that he is in need of serious therapy.

Eli: No kidding.

Nokama: But the way he is now he must be totally unpredictable. Our best chance we have is to lure him out into the open and fight him there.

Me: And there is one thing that this version of Mr. Krabs likes more than anything.

I pulled out a huge stack of $1,000.00 bills.

Nico: Money.

Me: Yep.

I pulled out a fishing rod and had the money tied to a line and then I casted it and put on fishing gear.

Me: Now we wait.

Nokama: I can just picture him right now. He's probably talking to his reflection and probably banned it too.

Nico: Yeah that was stupid. That's what Chowder told me that Gazpacho did.

Eli: Yeah. But big bro I always love going fishing with you.

Me: Same here. Fishing is a fun thing to do.

Rarity: Oh it most certainly is darling.

Lily: Yeah.

Nico: Yep.

Me: Nico what Gene-Slammer are you hoping to go meet next?

Nico: After this I'm hoping to meet one that's a Tamaranean.

Me: Wow one of Starfire's kind. It's obvious that she and Blackfire will go with you on that one as well as Nicole or Starlight Glimmer too.

Nokama: That will be awesome to see. And it will take place on Tamaran.

Eli: Awesome.

Allie Wilde: Neat.

But then I felt a pull on the line!

Me: WHOA! I got a bite!

Nico grabbed onto my waist!

Me: Pull!

We reeled it in and pulled!

The Insane Version of Mr. Krabs was pulling hard and we were pulling hard too!

Nokama: He's a tough one!

Nico: No kidding!

Me: (GROAN) HE IS STUBBORN LIKE AN INGROWN BACK HAIR!

Eli: HOLD ON BRO!

We were pulling and then we heard a crash and he was outside1

Varie: HE'S OUT!

Nico: CHARGE!

Varie: I've had it with this evil paranoid cheapskate version of Mr. Krabs.

Suddenly, Varie's aqua blue eyes then turned neon aqua blue, and she was surrounded by a rainbow energy aura with ocean waves, mermaids, and sea animals, she unholstered her massive Sword of The Neptune Crusaders from her back, and as she approached Evil Mr. Krabs, she left rainbow energy, ocean waves, mermaids, and sea animals with every step.

Varie: You really make me sick, Evil Mr. Krabs, you've turned your backs on everyone including your own employees and all because of your Plankton paranoia. Now, you're going to get what you deserve, and that's a full-blown beatdown.

Suddenly, Varie was surrounded by a massive vortex of rainbow energy with ocean waves, mermaids, and sea animals surrounding it, there was a mermaid swimming around the vortex, and inside of the vortex was an aqua blue phoenix. Then, as the vortex faded, Varie emerged, but she was changed forever.

Suddenly, her massive Sword of The Neptune Crusaders was surrounded by a kaleidoscope of water and sea creatures and it also merged with her Trident of Poseidon, and when it had emerged, it was transformed into Poseidon's Raging Seas of Oceanic Neptune Justice, it's a new large sword with a 6'10" massive, wide, double-edged man-sized ocean blue blade with the Trident of Poseidon etched on it, large ocean blue angel wings for the crossguard, large aqua blue gem for the hilt, longer ocean blue handle with scales decorating it, and large ocean blue gem surrounded by angel wings for the pommel. Varie has transformed into SUPER ANGEL ETERNITY INFINITY OCEANIC MAELSTROM MERMAID SEA ANGEL OF NEPTUNE'S JUSTICE AND OCEANIC HOPE!

We were amazed by Varie's Super Angel Eternity Infinity transformation, and when I saw it, my face had an atomic red blush, my eyes turned into hearts, and steam came whistling out of my ears. But, when Evil Mr. Krabs saw it, he went ballistic and tried to attack her, but Varie fired a powerful blast of aqua blue energy with ocean waves and mermaids, and it hits Evil Mr. Krabs, and he hits the wall.

Varie: (Divine Echoing Voice of Water and Mermaid Justice) **Lets dance!**

She fired waves of elements and energy and smashed him down.

?: I'll get him!

An Alombolic appeared and swooped in and then it ATE THE INSANE MR. KRABS! YUCK!

Alombolic: (In a girls voice) Now that is a tasty crab.

Nico: Sarah Lindsington? Wow!

The Alombolic reverted back and she was a girl with blue hair and blue eyes and had blue clothes on.

Nico: Sarah it's awesome to see you again.

Sarah Lindsington: Same to you Nico. You look as awesome from our days in Woodworking.

Nokama: What's your favorite memory of Nico?

Sarah Lindsington: I have a lot of them. But my favorite was when me and Nico built the largest log hotel in the world up in the Alaskan Wilderness.

Me: The Grand Wolf McKinley Lodge? That was both you and Nico? Wow! That is so awesome.

Eli: It sure is. That is an amazing hotel.

Varie: I'll say. It sure is amazing and beautiful and the view of the Aurora Borealis is amazing.

Nico: Yep.

Rarity: Oh that is absolutely amazing darlings.

Nico: It sure is.

Nico and Sarah then hugged.

Nico: I really missed you.

Sarah Lindsington: Me too Nico. Me too.

Me: Aww.

Nico: Yeah.

Nokama: But I don't know how we're going to break this to our Mr. Krabs.

Mr. Krabs: I saw the whole thing lass.

We gasped.

Nico: Mr. Krabs!

Lily: I am sorry that we killed that version of you.

Mr. Krabs: It's all right lass. But I can't believe I was that crazy! Over Plankton too!

Nico: Boy no kidding! That was awful.

Lily: Yeah it sure was.

We later went back home.

And with us was Sima Zhao's trusted ally, Jia Chong, who's in his Dynasty Warriors 8 appearance and wielding his Dancing Peng throwing axes. He heard much about us, along with Lincoln, and he knew about Lincoln's plan to unite The Three Kingdoms into one, along with finding out that Sima Zhao is already taking things a lot more seriously from now on.

Lincoln: Whoa, we're here in Slovakia, the setting for the scary and bloody movie, Hostel, and I know what we're going to do here, not only am I going to rescue the eighteen girls there, but we're also going to take down and arrest the Elite Hunting group, the main villains from Hostel.

Nico: That's right, big guy.

Me: I've seen that movie long ago, and it was really scary and bloody. And it's absolutely sick that people just can't get enough of torturing others just to get cheap thrills.

Eli: That's just disgusting.

Lincoln: And Agent Waco's been after them for a long time, but they've always evaded the authorities for so long. But, that ends today. (To Jia Chong) And it's also an honor to meet you, Jia Chong.

Jia Chong: It's an honor to meet you too, Lincoln. Sima Zhao has told me much about you, and I've known all along about your plan to unite The Three Kingdoms. But, this is the choice you've made.

Lincoln: Yes, that's correct. Plus, I also want to thank you, Clyde, and Squid Girl for joining us, Gali.

Gali: You're welcome, Lincoln. We're going to make sure that those torturers pay for what they've done.

Clyde: You got that right. Plus, from what I heard from Squid Girl, some of the girls located here in Slovakia are familiar to her. But, we'll have to see who they are.

We went through the Slovakian hostel, and Lincoln and Eli disabled many of the traps that were set up by the Elite Hunting group.

?: HELP!

Suddenly, Lincoln heard the sound of eighteen girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eighteen girls, but they've been cornered by Sasha Rassimov, Dutch Businessman, American Client, Natalya, Svetlana and Alexi, Vala, Desk Clerk, Jedi, Roman, Beth Salinger, Axelle, Flemming, Carter, and Travis, and they're going to kill them.

Lincoln: Guys, I found the eighteen girls, but they've been cornered by Sasha Rassimov, Dutch Businessman, American Client, Natalya, Svetlana and Alexi, Vala, Desk Clerk, Jedi, Roman, Beth Salinger, Axelle, Flemming, Carter, and Travis, and they're going to kill them.

?: Those heartless perverted torturers, let's get them!

Suddenly, we saw a Snoww, Unlight of Dark World, appear before us.

Lincoln: That voice, I knew it was you, Giselle Harrington.

Nicholette Torrington: Giselle's here, awesome. But, we'll have time to talk later. Right now, we've got a group of perverted torturers to take down.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hits Sasha Rassimov, Dutch Businessman, American Client, Natalya, Svetlana and Alexi, Vala, Desk Clerk, Jedi, Roman, Beth Salinger, Axelle, Flemming, Carter, and Travis, and Jia Chong sent his throwing axes at the numerous men and guards of the Elite Hunting group and killed them all, and it allowed the eighteen girls to get away. When Sasha Rassimov, Dutch Businessman, American Client, Natalya, Svetlana and Alexi, Vala, Desk Clerk, Jedi, Roman, Beth Salinger, Axelle, Flemming, Carter, and Travis saw us, they were enraged.

Sasha Rassimov: What have you fools done?! You've ruined our business!

Lincoln: You don't deserve to say another word, you perverted murderer. You bastards have gotten off on making profits by providing other rich people who pay your organization the means of fulfilling their darkest fantasies. If it were up to us, we'd kill every last one of you. But, no, you're looking at a one-way trip to prison where you'll stay there until the day you all die.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and they unholstered their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sima Yi, Sun Quan, Jia Chong, and Jiang Wei got out their weapons, The Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Gali, Clyde, Squid Girl, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at Sasha Rassimov, Dutch Businessman, American Client, Natalya, Svetlana and Alexi, Vala, Desk Clerk, Jedi, Roman, Beth Salinger, Axelle, Flemming, Carter, and Travis and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, steel orbs, throwing axes, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit them.

Lincoln: That's it for those perverted torturers. (To Giselle Harrington) And it's so good to see you again, Giselle Harrington.

Giselle Harrington: You too, Lincoln, it's been a long time. And it's good to see you again, Nicholette.

Nicholette Torrington: You too, Giselle.

Lincoln went up to Giselle Harrington, and they hugged, and Giselle Harrington was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time that I haven't seen you since you were sixteen, and as you and can see, I really grew a lot since then.

Giselle Harrington: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Giselle Harrington, she's also another Goth Girl from the same High School Goth Club in Royal Woods, she's a lover of vampires and demons. Giselle's from my class and she's also one of Lucy's friends, and she's a powerful staff and magic master.

Nico: Now, that's awesome.

Giselle Harrington: Plus, I've got a really powerful and dark revelation about The Church of Necrom.

Nico: Whoa, who are they?

Lincoln: They're a rival Goth club that's tried to destroy the Goth club Nicholette and Giselle belonged to, and they're really bad. But, we'll hear about that later, right now, let's get you back to normal, Giselle.

Giselle Harrington: No need, Lincoln.

Giselle Harrington reverted back to normal, and she's a beautiful 17-year-old girl with long flowing dark brown hair, purple eyes, fair skin, she's 6'5" in height, she has the body of a goddess, and she has massive dark brown angel wings, as she reigned in the power of Snoww, Unlight of Dark World, she has the Dark World Grimoire with her, and she's dressed in a short-sleeved black top, long black skirt, purple pants, purple high-heeled sneakers, and long black sleeveless trenchcoat with darkness on the coattails and on the back is Snoww, Unlight of Dark World, and she has on her back the staff of Snoww, Unlight of Dark World.

Lincoln: Wow, I love your new outfit, Giselle, and you also have the staff of Snoww, Unlight of Dark World, that's awesome.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Giselle Harrington's neck with white gems on the gold lightning bolts and purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklaces of Eternal Love.

Giselle Harrington: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Giselle.

Giselle Harrington had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Giselle Harrington on her lips, and she returned it, and we cheered for them. Then, we went up to the eighteen girls, and when Lincoln saw them, he immediately recognized them. The eighteen girls are Shiori Fujiksaki, Saki Nijino, Megumi Mikihara, Mio Kisaragi, Nozomi Kiyokawa, Ayako Katagiri, Yuko Asahina, Yumi Saotome, Yukari Koshiki, Miharu Tatebayashi, Mira Kagami, and Yuina Himoo from Tokimeki Memorial, Sanae Nagatsuki, Chizuru Aizawa, Nagisa Saitō, Kiyomi Sakura, Tomomi Mochizuki, and Ayumi Tokita from Squid Girl.

Lincoln: Oh wow, it's Shiori Fujiksaki, Saki Nijino, Megumi Mikihara, Mio Kisaragi, Nozomi Kiyokawa, Ayako Katagiri, Yuko Asahina, Yumi Saotome, Yukari Koshiki, Miharu Tatebayashi, Mira Kagami, Yuina Himoo, Sanae Nagatsuki, Chizuru Aizawa, Nagisa Saitō, Kiyomi Sakura, Tomomi Mochizuki, and Ayumi Tokita.

Nicole: From Tokimeki Memorial, Squid Girl, and Squid Girl, awesome.

Squid Girl: Whoa, Chizuru Aizawa, Nagisa Saitō, Kiyomi Sakura, Tomomi Mochizuki, and Ayumi Tokita were also among the group? Incredible.

Lincoln: Are you girls okay?

Shiori Fujiksaki: Yes, we're okay, thanks to you for saving us from those perverted torturers.

Then, when Shiori Fujiksaki and the other seventeen girls saw who it was that saved them from Sasha Rassimov and his cronies, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings and the stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left legs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal

Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Shiori Fujiksaki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seventeen clones of himself, and he and the seventeen clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Shiori Fujiksaki: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eighteen Thunderbird Necklaces of Eternal Love appeared on the necks of Shiori Fujiksaki, Saki Nijino, Megumi Mikihara, Mio Kisaragi, Nozomi Kiyokawa, Ayako Katagiri, Yuko Asahina, Yumi Saotome, Yukari Koshiki, Miharu Tatebayashi, Mira Kagami, Yuina Himoo, Sanae Nagatsuki, Chizuru Aizawa, Nagisa Saitō, Kiyomi Sakura, Tomomi Mochizuki, and Ayumi Tokita with colored gems on the gold lightning bolts and crystals links from the merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone of what happened in Slovakia, and they were all shocked when they found out the villains we went after were the Elite Hunting organization from Hostel.

But, when Lincoln showed what we did to those perverted torturers, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Giselle Harrington have a lot of catching up to do, now that she's back. As for Sasha Rassimov and his cronies, they were all found guilty for multiple crimes of international kidnapping and murder for profit, and they were all sentenced to Life in Prison in the newly built Proteus Prison for Perverted Torturers, a prison built on Proteus, one of Neptune's moons, and it's reserved for the most dangerous perverted torturers.

---

After throwing Sasha Rassimov and his cronies in prison for good, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Giselle Harrington saw Lincoln working out like crazy, she had an atomic red blush on her face.

Giselle Harrington: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Giselle, and now, I can also defend myself.

Giselle Harrington: That's incredible.

Nico: It sure is, Giselle. So, what's this powerful and dark revelation about The Church of Necrom?

Giselle Harrington: You won't like them, Nico. The Church of Necrom is a rival goth club from Royal Woods, and our goth club, The Defenders of The Night, have been hated enemies of those monsters for years, and they've tried constantly to destroy all of us, and for one reason: they sought to bring Necrom into our world, so that they can be bestowed with incredible power and destroy the world of man, and send the world back into The Dark Ages.

We gasped in pure shock.

Nicholette Torrington: Yeah, those bastards have caused us a ton of trouble, and they've tried many times to destroy us.

Me: Whoa, and Necrom is one of the most dangerous magical villains in the Marvel Comics universe.

Nico: That's right. And these monsters of The Church of Necrom sought to be bestowed power that is far beyond their comprehension, they've toyed with the dark forces for the last time.

Just then, Selene Gallio appeared in the TLPS World Tree Estate, and she had someone tied up in neon energy ropes: it was Necrom, the dangerous sorcerer of the Marvel Comics.

Sam Simpson: Selene, what brings you here?

Selene Gallio: When I heard the mere mention of a group of Necrom's worshippers, I had to capture Necrom and bring him here to the Estate.

Giselle Harrington: So, that's Necrom, the very monster that The Church of Necrom worshipped for years.

Lincoln: Yep, and he's a dangerous monster alright. I think it's time I dealt with him for good before he tries to escape.

Lincoln grabbed Necrom by his neck, and Lincoln began draining Necrom of his life energy, along with the many other life energies of those Necrom's drained, and he also absorbed all of Necrom's powers and abilities, and his rainbow energy aura with elemental forces, Buffalo, Thunderbirds, Angels, and Phoenixes flared up extremely, as he gained an extremely massive power boost. Then, when Lincoln was all done, Necrom was reduced to a charred and mummified husk, and then, Lincoln sent him to The Black Gates for good.

Giselle Harrington: Whoa, Lincoln, that was awesome. That's bound to piss off The Church of Necrom.

Nico: You said it. So, Giselle, who are the members of The Church of Necrom?

Giselle Harrington: I'm glad you asked, Nico.

Giselle Harrington showed us the photos of the members of The Church of Necrom, and she and Nicholette Torrington told us who they are.

Giselle Harrington: The tall 17-year-old boy with blood red eyes and long black hair going down to his neck is Damian Alaister, he's the leader of The Church of Necrom, and a dangerous dabbler in The Black Arts.

Nicholette Torrington: The creepy looking 16-year-old boy with blue eyes and crazy blood red hair going down to his neck is Michael Devlin, he's the second-in-command of The Church of Necrom, and he's a deranged psychopath who'll destroy anyone who dares to interfere with Damian's plans.

Giselle Harrington: The dark and evil 17-year-old girl with long black hair and deranged sadistic grin on her face is Carmen Sullivan, she's Damian's girlfriend and a witch who messed with black magic, and it drove her completely insane, she's also a fanatical supporter of The Church of Necrom, and any who get in her way, she will destroy them all.

Nicholette Torrington: And finally, the two muscular twin boys with black hair and red eyes are Nigel and Douglas Moreau, "The Twin Demons" and The Church of Necrom's enforcers, more specifically, Damian's enforcers.

Nico: Whoa.

Lori: I remembered hearing Nicholette talking with her Goth Club about The Church of Necrom, and everyone at school's had to deal with those five dark psychopaths in school, and they were literally trouble with a capital "T".

Nicholette Torrington: If those assholes show up later on, we'll be sure to take them all down, and send them straight to Hell for what they've tried to do.

Lincoln: And don't forget, I'm also going to help you girls out too.

Lori: Lincoln's right, once we've found the rest of your friends, Nicholette, then, the fight to take down The Church of Necrom will be on, and your future husband's also going to help you all out.

Nico: That's right, and since Lincoln killed Necrom, they'll be so pissed off and seeing red, their rage will be their undoing.

Nicholette Torrington: That's a good idea, Nico. And Lincoln, you can use your Nightmare Demon's Vengeance Curse on them.

Me: Even better, those five dirtbags of darkness will hate having to deal with that curse.

We got a shower afterwards, but then, the alarm sounded, and when Lincoln checked the computer, he saw who it was: it was Redd White, the murderer of Phoenix Wright's mentor, Mia Fey, and owner of Bluecorp, an office in charge of gaining information about media celebrities and law enforcement professionals in order to blackmail them to do his bidding.

Lincoln: Oh shoot, it's Redd White.

Nicole Knudson: The murderer of Phoenix Wright's mentor, Mia Fey, and owner of Bluecorp, that evil monster, he's going to pay.

Then, Lincoln saw that he's fighting Phoenix Wright and his girlfriend, Maya Fey.

Lincoln: And Redd White's fighting Phoenix Wright and Maya Fey. Let's give them a hand.

We head out of The TLPS World Tree Estate, and Lincoln fired a rainbow energy ball at Redd White, and it hits him in the back. When Phoenix Wright and Maya Fey saw us, they were honored, but when Redd White saw us, he was enraged.

Redd White: Team Loud Phoenix Storm, now?! Just when I was that close to getting rid of Phoenix Wright, along with Maya Fey, so she can join Mia Fey in death!

Lincoln: You truly don't have any respect for life, Redd White. Now, we're going to see to it that you get exactly what you deserve.

Fujiko Mine: And that's spending the rest of your miserable life in prison.

Phoenix Wright: Let us help out too. We're not going to let the man who murdered my mentor long ago get away.

Lincoln: Right. Let's get him.

Lincoln, Fujiko Mine, Phoenix Wright, and Maya Fey went after Redd White, and they fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, and Magic at Redd White, and they exploded with incredible power as they hit him. Then, Lincoln fired magnetic blasts, and they removed all the jewelry and jewels from Redd White, and he decided to have the jewels put into rings, which he gave to the members of his harem. Then, he knocked Redd White out with one strong punch, and he tied Redd White up in a rainbow energy straitjacket and rainbow energy chains, and he made a videotape of Redd White's crimes, so he can show them to the jury.

Later at trial, we presented the videotape of Redd White's crimes, and Lincoln played it for the entire jury, and everyone saw Redd White's crimes that he's committed for years: bribing law enforcement and other powerful services to cover up his crimes, blackmailing attorneys and prosecutors, murder, forced suicides, blackmail, extortion, assault, perjury, incrimination, bribery, and wiretapping, along with the murder of Mia Fey. Everyone was horrified at the crimes, and after the jury took only ten minutes for deliberations, Redd White was found guilty for all of his crimes.

Katie Rockell: Redd White, never in all my life have I ever seen this kind of criminal behavior: you've bribed law enforcement and many others to cover up your crimes, you've blackmailed attorneys and prosecutors alike, and you've also committed acts of murder, blackmail, extortion, assault, perjury, incrimination, bribery, forced suicides, and illegal wiretapping. It is with the full power of this court's justice system that I hereby sentence you to Life in Prison Without the Possibility of Parole.

Redd White: You can't do this to me!

Lincoln: She can, and she did, and guess what, you're going right to a prison that's even worse than federal prison.

Katie Rockell: That's right, Lincoln. Redd White, because of your treacherous acts against the people of The United States, you are to spend your Life Sentence in The Neptune Prison for Traitors, where you will be locked up in Maximum Security Solitary Confinement, and put on strict 24/7 supervision. I'd normally say May God have mercy on your soul, but I believe that you have no soul. Get him out of my courtroom.

Lincoln beamed Redd White to The Neptune Prison for Traitors, and he was shackled to the wall of his cell in Maximum Security Solitary Confinement with rainbow energy and Neutronium Chains, and he'd never be a free man ever again.

Phoenix Wright: Team Loud Phoenix Storm, thank you all for what you've done. Redd White is now in prison for the rest of his life, and my mentor's murder has now been avenged.

Lincoln: You're welcome, Phoenix Wright.

Nico: If you want, we can get you a job here as a prosecutor in The Gotham Royal York courtroom.

Me: That's a good idea, and Lincoln, are you going to have The Church of Necrom's members brought to this courtroom to face judgement for their crimes?

Lincoln: That's right, but first things first, we need to get all of Nicholette's friends back home, then, I'm going to personally send my threat to The Church of Necrom, and this'll also mean a declaration of war on The Church of Necrom.

Lori: But, all of you will literally be ready for them, Lincoln.

Luna Loud: That's right, bro. Those creeps better make out their wills, because this'll be the last time we even deal with any of them.

Sam Sharp Loud: Yeah, this one time, they brutally attacked one of the students, and they said that if they don't bow before Necrom, they will all die a bloody death.

Nicholette Torrington: Yeah, and we sent those assholes running when we fired a blast of darkness at them, and they hated us even more.

Lincoln: They truly are nothing more than hated monsters filled with hatred and rage.

---

It was now time for Princess Celestia's first ever Ambassador Mission and she was going to the Yost Universe to meet the Yost Avengers.

Nico: This is gonna be awesome for you Princess.

Princess Celestia: Yes it sure will but I shouldn't be surprised. I go on these kinds of things all the time because of me being the ruler of Equestria.

Nico: That is true.

Yost Reed: When you see Tony, tell him I said hi.

Princess Celestia: I'll be sure to relay the message.

Twilight Sparkle: And it'll be awesome going with you Princess.

Me: Same here. Princess and student as well as boyfriend and best friend to go with too.

Lincoln: That is true.

Twilight Sparkle: We're really excited for this.

Laney: We sure are.

Me: Yep.

Princess Celestia: Shall we get going?

Me: We shall Princess.

We were off to the Yost Universe.

We arrived in New York City.

Me: Wow. The Yost Version of New York City.

Lincoln: Feels like we haven't left home at all.

Me: It sure feels that way.

Then we saw the Yost versions of Captain America, Hawkeye and Hulk!

Yost Captain America: Excuse me, Miss. I don't think I've seen you before.

Yost Hawkeye: (stares at Celestia) The Hell did I eat last night?

Yost Hulk: You ate all the peanut butter, Cupid. But I can see her too.

Princess Celestia: It's all right everyone. I mean you all no harm. My name is Princess Celestia and I'm here as an ambassador for you all.

Me: It's part of a special diplomatic mission program we have set up. Sorry my name is James Dean Knudson, but you can call me J.D. I'm the former leader of Team Loud Phoenix Storm.

Yost Captain America: Wow! It's an honor.

Yost Hawkeye: We heard so much about you J.D. and it's an honor to meet you too Princess.

Princess Celestia: Same to you.

Twilight Sparkle: Pleasure to meet you all too. I'm Twilight Sparkle the Princess of Friendship and the Magic Skylanders. I'm Princess Celestia's student.

Lincoln: And I'm Lincoln Loud, J.D.'s best friend and Twilight's fiance.

Yost Hulk: Hulk honored to meet you.

Yost Hawkeye: Wait J.D. as in J.D. Knudson, the one that killed Dr. Doom here?

Me: That's right. I had some unfinished business with a Dr. Doom in my universe that I failed to kill because he blew himself up. But I made up for it by killing the one in this universe.

Yost Captain America: Wow! That is amazing.

Me: It sure is Steve.

Yost Captain America: How did you know my name?

Me: In our universe we know all the Superhero and Supervillains real names so all their hero names are pretty much squat.

Yost Cap: I can imagine it must be really hard to be the ruler of an entire realm.

Yost Wasp: Well, it's not like your leadership position's any easier.

Princess Celestia: Oh it is. But it's a really fun job too.

Me: But it's also amazing because you get to help a lot of people and go to neat places and see new people and help out whoever is in need too.

Lincoln: It's true.

Me: Lots of things to do. But with Great Power comes Great Responsibility.

Lincoln: Yep.

Yost Iron Man: You know it was Spiderman that came up with that line.

Me: That's true and it's one of our most important rules that we always follow. Because our powers are all so strong that we can destroy the entire universe in an instant if they are not used right.

Yost Iron Man: That is true.

Princess Celestia: It sure is. And Tony, Reed says hello to you.

Yost Iron Man: Tell him I said hello back.

Princess Celestia: I will.

Yost Hulk: (to the other Yost Avengers) FYI, I'm pretty much giving you guys one last chance to act as a team. If you guys end up splitting up again, I'm gone for good, no matter what Banner says.

Yost Black Panther: Hulk, I don't think you can blame us considering the situation with the Skrulls.

Yost Hulk: I'm not just talking about that. How many times have any of us left the team due to issues?

Yost Thor: You make a fine point.

Me: Whoa I'm getting a really strong case of Deja-Vu here.

Twilight Sparkle: Me too. Just like what happened with many of us a long time ago with Nico and everyone.

Lincoln: Yeah same with me and my sisters.

Me: Yeah. This is definitely bringing back a lot of bad memories and also I've dealt with the Skrulls before in our universe too. They are NASTY Shapeshifting monsters from another world. Not as Gruesome and terrifying as the Thing but just as terrible.

Lincoln: Wow.

Me: Yep.

Princess Celestia: We're not the only team in our world. There's also the Masters of Evil as well.

Yost Hawkeye: Hate to break it to you. But the Masters of Evil are pretty much disbanded thanks to Enchantress' rampage against Zemo and the others.

Yost Thor: (growls) And because of that, Amora is now Surter's slave!

Me: Wow! Also no this is NOT Baron Zemo's Masters of Evil. This is OUR version of the Masters of Evil. They are lead by one of the Power Rangers enemies. They were formed right after we destroyed Thanos on December 26th, 2019. It's a really strange and powerful story that will forever be remembered as one of the most devastating battles of all time.

Yost Hawkeye: Wow.

Me: And as for Baron Zemo, he and all of HYDRA in our universe are all destroyed and banished to Oblivion.

Yost Thor: Amazing.

Princess Celestia: Yes it sure is.

Jarvis: I hate to interrupt. But the Serpent Society are on the loose again.

Princess Celestia: They would make good recruits for the Masters of Evil.

Yost Hulk: You can do the recruiting. I just want to get back to smashing stuff with you guys.

Yost Yellowjacket: (sighs) Must you always have an excuse to punch something.

Yost Hulk: Last time I heard, you gave up that peace talk after your new look.

Yost Yellowjacket: Not exactly. I still believe in rehabilitating criminals. But I also now realize that that there's a time to talk and a time to punch a guy out.

Me: That is coincidental hank. So do we. Some criminals CAN be rehabilitated. Others? No they only deserve death.

Twilight Sparkle: That's right. Some criminals are so evil that they can never change.

Lincoln: That's right.

Princess Celestia: Yeah. Lets get moving.

We were off.

We then appeared and we saw THE YOST SERPENT SOCIETY!

King Cobra: Avengers! It's been a while, hasn't it?

Anaconda: (sees Celestia) Looks like you've got another girl on the team. That's good! You guys need more females.

Yost Ms. Marvel: That's what me and Jan keep trying to tell Steve!

Me: I agree there. Also it's a pleasure to finally meet you all. Klaus Voorhees A.K.A. King Cobra, Quincy McIver A.K.A. Bushmaster, Blanche Sitznski A.K.A. Anaconda, Roland Burroughs A.K.A. Death Adder, Gustav Krueger A.K.A. Rattler and Frank Payne A.K.A. Constrictor.

King Cobra: Impressive that you know our real names. You must be J.D. Knudson, the former leader of Team Loud Phoenix Storm. We heard that you killed Doom.

Me: That's right. I had some unfinished business to take care of with him.

Rattler charged at Hulk tackling him to the ground.

Yost Thor: I will help Hulk. All of you can have the others!

While Thor went to help Hulk, Anaconda charged at Ms. Marvel and Wasp, King Cobra shot missiles at Cap and Iron Man, Bushmaster fought Yellowjacket and Vision, and Death Adder charged at Hawkeye and Black Panther. This left Constrictor with me, Celestia, Twilight, and Lincoln.

Constrictor: (groans) Why did I have to get stuck fighting the new guys?

Me: Because rule number 3 in the team, never underestimate your opponent.

We punched him in the face and knocked him down and Lincoln fired blasts of lightning and electrocuted Anaconda.

Twilight fired beams of magic and smashed down Death Adder.

Yost Iron Man decided to counter King Cobra's missiles with his own.

And I fired energy blasts at King Cobra and Lincoln used Magnetic powers and had King Cobra's missiles fired back at King Cobra and the blasts all hit him and exploded!

EXTREMELY POWERFUL EXPLOSIONS!

King Cobra was knocked down and I tied him up.

Princess Celestia: Wow! Nice job Lincoln.

Me: Very clever using magnetism like that.

Lincoln: Thanks.

Bushmaster: Alright, you got me.

Twilight Sparkle: That's it?

Bushmaster: Hey, I've been trying to punch an intangible Vision for the last 5 minutes!

I swooped in and tied him up.

Me: Vision is cool that way. Also That's because she knows the Afterimage technique.

Lincoln: Yep.

Twilight Sparkle: It was awesome.

We defeated the Yost Serpent Society Members.

Me: That was awesome! Not bad for your first Ambassador Mission Princess.

Princess Celestia: Yeah.

Yost Iron Man: That was cool.

Princess: Celestia: The 6 of you would make excellent Masters of Evil recruits.

King Cobra: (growls) I told Zemo I wasn't interested!

Me: No no this is completely different. This is the one that we face on a daily basis.

I told them all about it and it was amazing.

King Cobra: That is different. What do you think guys?

Anaconda: I think it would be an awesome change.

They agreed.

Me: All right then. When we go back to our universe we'll give Vypra a call.

Lincoln: Yep.

Me: Oh Tony before we head back to tell Nico the great news, I have a way for us to flush out the members of the Skrulls that are left. It's a spell I made that is very handy.

Yost Iron Man: Really?

Me: Yep. Watch.

I chanted a powerful incantation and I fired a blast of energy and it spread out all over the globe and everyone thought it was nothing. But then everyone saw a man with a black aura around him.

Me: There's one!

I fired an energy blast and obliterated him.

Me: It's part of the spell. It marks those that are evil and inhuman and full of evil with black auras like beacons and not even perfect shapeshifting will be able to make them hide.

Yost Captain America: Wow! That is genius!

Yost Wasp: Well done.

Me: Thanks. You all will have no problem figuring out who is who now.

We later came back.

Nico: How did it go?

Princess Celestia: It went really well.

Nico: Wow and you have the Yost versions of the Serpent Society with you. Awesome catch. They are perfect for Vypra's M.O.E.

Maria: I'll have them come get them.

Maria called them.

Me: Princess Celestia did really well for her first mission and I'm happy to report that the Yost Avengers will have no trouble finding the Skrulls there and Princess Celestia did a great job.

Lincoln: She sure did.

Nico: Awesome.

Twilight Sparkle: It was fun.

Nico: If you guys thought that was fun, wait until we recruit the Serpent Society from THIS Earth.

Me: That is gonna be a challenge.

Eli: Boy it sure will be. But it'll be fun.

Kimimaro: If our Zemo DOES show up, Vypra should fight him.

Nico: Good idea Kimimaro. She'll have the honor of destroying him.

Eli: Without a doubt she will battle him for the right to decide who will lead the M.O.E.

Nico: Yep.

Donkey Kong: Didn't she already fight the Disk Wars Zemo?

Maria: Exactly. Which means she won't have any trouble fighting the one here.

Me: No we won't. It'll be awesome to see. And we already have that one locked in a DISK.

Nico: Yep.

Eli: It's awesome.

Nico: Who will you bring next princess?

Princess Celestia: I was thinking of bringing my sister Princess Luna and the Rest of Twilight's Friends too.

Me: That's an awesome idea Princess.

Nico: It sure is.

Starfire came in frantic!

Starfire: Guys! Something is wrong with Friend Raven!

Me: Uh oh!

We went into her room and we saw Raven's skin glowing with terrifying bright red marks all over her and the Mark of Scath was also emblazoned in the middle of her forehead!

Nico: Whoa man!

Me: Those red marks are terrifying.

I looked at them and they looked really ominous.

William: (sees what's on Raven's skin) The fuck is going on here?

Cindersaur: That's what we want to know. We already destroyed Trigon already!

Raven: This is not Trigon that's coming. It's the work of a demon on the move.

Brittney: Hmm.

Brittney pulled out her book and she scrolled through it and found a really interesting page.

Brittney: Whoa this is strange. Demon Birthmark Resonance. Raven's birthmark is acting as a warning to a demon that's on the move.

Nico: Never heard of this kind of power.

Tara: It's not just Raven. My Mark of Scath on my forehead is feeling it too.

Tara's mark was glowing red.

Nico: Whoa.

Me: Raven do you know which demon it is that's on the move?

Raven: Yes it's a monster named Gaito.

I gasped when I heard that name!

Nico: Who is Gaito?

Me: Someone I thought I would never have to see again. He is one of my enemies and he and I have a terrible history.

Crosshairs: So the marks on Raven's skin aren't just for Trigon?

Brittney: No it's warning us that a demonic force is moving.

Nico: Wow that is amazing. But J.D. who is Gaito?

Me: A monster that wants to take over the world. It was long before I made the team.

I went over his history and it was awful.

---

Like Kaito, Gaito is part of the Panthalassa race and was one of the descendants who was given a cursed fate, Gaito possessing the power of darkness. Because Aqua Regina lacked the power to break the curse, she had to separate them, causing Gaito to become very lonely. He lived at the very bottom of the sea and was only accompanied by his sea creatures, whom later became the Dark Lovers with his dark powers. He later came across Sara, whom he believe was going through the same sort of loneliness that he was going through, causing him to fall in love with her.

On the first season, Gaito was the main antagonist. He is always seen in his castle. He is in love with Sara, and as he said in the last episode of Mermaid Melody Pichi Pichi Pitch, Sara shared the same loneliness with him. His destruction of the human world was Sara's request. When he lost his power, he stayed with his castle, only to feel shocked and delighted when Sara decided to join him in the end. They both died at the end of the first season.

In the second season of Episode 14, he appears as a spirit appears before Kaito, reminding him who is his most important person after falling into the ocean.

His main goal in the entire first season is to collect all of the seven countries princesses to call forth Aqua Regina. He then will use her power to control all the oceans. From the very first episode his minions had already captured the South Pacific Ocean Princess Coco, and the Arctic Ocean Princess, Noel. He also initially had Sara by his side, whose personality turned cold after she believed

Tarou Mitsuki had betrayed her. Ultimately, even after Sara reformed, he would still have Sara by his side as they died together at the end of the first season.

---

When I was finished everyone was shocked and horrified!

Nico: WHOA MAN!

Eli: It's like having to deal with Ursula and Morgana all over again!

Me: That's right. And I actually know the 7 Ocean Princesses and Kaito. They are all really great friends and I love them like sisters.

Nico: That's really cool.

Laney: It sure is.

Luna: Wait a second. Do you mean to say that you know the girls of Mermaid Melody Pichi Pichi?

Me: Yep I sure do.

Luna: Dude that is amazing!

Sam S.L.: That is awesome!

Me: Yep. You guys will love them. They have great songs like the Rainbooms and many bands we know.

Bone Chompy came down wearing a scuba mask.

May: (giggles) Looks like Bone Chompy's prepared!

Nico: Yep. But this is gonna be awesome.

Me: Yeah and we're going to Japan. Our target is Gaito and we're going to kill him.

Nico: Awesome.

Eli: And we're going to meet Kaito and Lucia.

Me: Yep.

Finn: Wow! It's like battling the Ice King all over again for protecting the Princesses of Ooo.

Me: Exactly. Let me tell you about the 7 Princesses.

I did so.

---

Lucia Nanami (七海 るちあ, Nanami Ruchia)

Voiced by: Asumi Nakada

Lucia is the mermaid princess of the North Pacific Ocean and keeper of the pink pearl. She goes up to land to search for her pearl which she used to save a boy named Kaito seven years ago. Later in the series, Lucia and Kaito become lovers. She is unaware of the danger in the marine world and of her real mission until she is told of them by her "older sister", Nikora. She is characterized by her simplicity and naïveté, but with having a strong will, typical traits of shōjo manga heroines. In the Pure season, Seira, is about to be born as well, waiting to meet Lucia. Lucia now has the job of retrieving all the pieces of her heart contained in Michel's feathers. Overall, no matter what the situation, she never gives up hope. Of all the mermaids in the series, Lucia's mermaid form and human form contrast the most (Lucia has short dark blonde hair and brown eyes in the surface while having long lighter blonde hair and light blue eyes while at sea). Her idol form is Pink Pearl Voice.

Some western fans spell her name with an "h" due to a misunderstanding of the spelling systems of different languages. The Italian name, Lucia, follows Italian spelling rules, which say that "c" is pronounced as a post-alveolar affricate (the same sound that is written as "ch" in English) when it appears before a front vowel (in this case, "i"). That pronunciation is correctly represented in Japanese kana as るちあ. When attempting to transliterate the kana back into Latin characters, some people, unaware of the Italian spelling of the name, tried using the English "ch" to represent that consonant, resulting in the incorrect spelling "Luchia".

Hanon Hosho (宝生 波音, Hōshō Hanon)

Voiced by: Hitomi Terakado

Hanon is the Mermaid Princess of the South Atlantic Ocean and keeper of the aquamarine (水色 mizu-iro "water-color") pearl. She is Lucia's best friend, but fights with her like any teenage girl. Unlike Lucia, Hanon goes up to land to escape water creatures. She is perky and feminine and a bit more worldly than Lucia, although she tends to be lazy in cleaning. This worldliness is evidenced by many of her actions-especially by her romantic pursuit of her music teacher, Tarō Mitsuki. In the Pure season, she develops an interest in a boy, Nagisa. Her idol form is Aqua Pearl Voice, although the first time that it is named in the manga, she is erroneously called Blue Pearl Voice.

Rina Toin (洞院 リナ, Tōin Rina)

Voiced by: Mayumi Asano

Rina is the Mermaid Princess of the North Atlantic Ocean and keeper of the green pearl. During school, she wears the boys' uniform instead of the girls. Initially she is depicted as beautiful but stern and bent on revenge for the capture of her best friend, Noel. Later, however, she evolves into a more mature character, and acts as an older sister figure to Lucia and Hanon. She seems to love plasma TVs and shows this gag in many anime episodes. She eventually becomes close to a boxer, Masahiro. Her idol form is Green Pearl Voice.

Some fans in the West still spell her name as Lina, because the Japanese language does not distinguish the sounds "r" and "l", treating them as the same. This means that "ri" and "li" are both represented as リ, and it can be difficult to figure out what the intended romanization is until it is established by official sources.

Caren (かれん, Karen)

Voiced by: Ema Kogure

Caren is the Mermaid Princess of the Antarctic Ocean, keeper of the purple pearl, and twin sister of Noel. In the anime, she first appears as the winner of a beauty contest that the main trio enters. In the first season, Tarō asks her about his mermaid, and she later blames Rina for Noel's kidnapping. Even after things are straightened out, she chooses to go find Noel alone. She is Noel's polar opposite, having a mysterious personality. Caren and Noel are twins, born on opposite sides of the Earth. Even though the two had not met before, Caren cares most for Noel and would do anything to save her, even if it meant Caren having to find her on her own. While she is cold and distant in the first season, she is found to be wild, humorous, and even a bit strange in the second. Caren finds a love interest, Subaru Carraford Hashimoto, a British glaciologist helped resolve a meltdown in the Pure season episode 15. Her idol form is Purple Pearl Voice. Some fans refer to Caren's name as Karen.

Noel (ノエル, Noeru)

Voiced by: Ryoko Nagata

Noel is the Mermaid Princess of the Arctic Ocean and keeper of the indigo (i.e. 藍色, ai-iro) pearl. She loves to read books and is a good friend of Rina. She helped Rina escape from the sea monsters, which led to her capture. She is calm, gentle, caring, and studious (as she sometimes wears glasses on land later in the second season of the anime). She is Caren's older twin sister by about a minute at the most. Noel cares deeply for Caren, the one that she had always wanted to meet. Her idol form is Indigo Pearl Voice.

In the third volume of the English manga, ai-iro was translated as indigo, but deep blue makes more sense regarding the character's color scheme. Some refer to Noel's name as Noelle (the French spelling of the male/female name Noel), but the official English translation as well as the official Japanese romanization uses Noel.

Coco (ココ, Koko)

Voiced by: Satomi Arai

Coco is the Mermaid Princess of the South Pacific Ocean and keeper of the yellow pearl. She is incarcerated by the sea monsters for most of the first season, so not much is known about her other than that she is a friend of fellow Mermaid Princess Sara and seems to know Lucia's existence. Coco normally worries for her friends, especially Sara and can keep their secrets very well. She is bit of a flirtatious but doesn't have any relationships with boys in the manga and anime. Her idol form is Yellow Pearl Voice.

Seira (星羅, Seira)

Voiced by: Eri Kitamura

Seira is the future mermaid princess of the Indian Ocean and successor keeper of the orange pearl. She appears as an unborn spirit to Lucia in the Pure season, taking the form of a young mermaid. When her time of birth finally came, Michel seized his chance and absorbed Seira into his body, and her birth was therefore delayed until Lucia could retrieve all the pieces of her heart contained in Michel's feathers. Every time Lucia retrieves a piece of her heart from one of Michel's fallen feathers, Seira learns something about an emotion, such as love or friendship. Seira is very child-like and sees the good in Michel, realizing that he has good intentions for the Earth. Once born, she is destined to become Orange Pearl Voice.

---

When I was finished everyone was amazed.

Nico: Wow! That is awesome.

Me: It sure is.

Then Toyman, Koragg, Condiment King, Brain Freezer, Key, Springfield Bullies, Artie Ziff, King Hiss, Mammoth, and 2016 Morbucks appeared.

Toyman: Can me, Koragg, Condiment King, Brain Freezer, Key, Springfield Bullies, Artie Ziff, King Hiss, Mammoth, and 2016 Morbucks go with you guys?

Dolph: And nice job recruiting the Yost Serpent Society to our ranks.

Nico: Thanks. Also yes you all can come with.

Me: The mission we're going on is to meet some friends as well as take down an old enemy from my past. It's why Raven's skin is glowing with her birthmark.

Dolph: Whoa man!

Me: I'll explain when we get there. It's a really long story.

Sissi: Nico, J.D. probably asked this question already. But which Gene Slammer do you think will appear on your next rescue?

Nico: I am hoping that I'm going to meet a Tamaranean Gene-Slammer next.

Starfire: A gene-slammer for one of my kind? Wow that would be most glorious.

Varie: Yep it sure will be awesome.

Laney: That I'm looking forward to see. So it'll be Starfire, Blackfire, Wildfire for that one and either Nicole, Twilight Sparkle or Starlight Glimmer next.

Nico: Yep.

Me: This will be awesome to see.

Eli: Yep.

Suddenly, Lincoln's deep sapphire blue eyes glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Hard Drive, another enemy of the Swat Kats, who's broken out of his prison cell in Megakat City, and he wants revenge on The Swat Kats. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Chance, Jake, Alexis, you guys aren't going to like it: the energy signal I sensed belonged to Hard Drive, he broke out of his prison cell in Megakat City, and he wants revenge on you guys for throwing him in prison.

The Swat Kats gasped in shock.

Chance Furlong: Sheesh, I thought we'd never have to deal with that electric crazy cat ever again.

Jake Clawson: But, now that he's broken out of prison, it looks like we'll be dealing with him yet again.

Lyra Loud: Guys, let me handle that crazy lunatic. I'm not going to let that lightning crazed cat get away with trying to hurt you guys.

Alexis (Swat Kats): Okay, Lyra. We'll let you handle that maniac.

Lincoln: He's looking at a one-way trip to Oblivion for what he's done.

Nico: You got that right, Lincoln.

2016 Morbucks: Let's get a move on.

Me: Get ready Gaito, (Eyes Glow Red) You and I have some unfinished business to settle.

We were off to Japan.

---

We arrived.

Me: Here we are.

Nico: Awesome to be back in Japan.

Long Haul: Are they around here?

Me: They would be in the park and they love my flute playing. So I'll make an entrance with the song of the sirens.

Nico: Ooh this I got to see.

I pulled out my flute and I was playing Siren Song by Yuki Kajiura as

I was walking.

At the park, Kaito and the 7 Mermaid Princesses were having fun and then they heard music coming and then they saw me coming and ocean waves were swirling around me and it was amazing.

Then when it was done we all were there.

Kaito Dōmoto: Wow! J.D. its been a while bro!

Me: You too Kaito!

We hugged and fistbumped and high five.

Lucia: J.D.!

She jumped into my arms and it was awesome.

Me: Lucia, it's awesome to see you again. Girls you're all looking great!

Noel: You are too J.D.

Caren: Man we missed you bro.

Me: I missed you all too. Everyone meet the team.

Nico: You must be Kaito Dōmoto and Lucia. Awesome to meet you.

Key: It's really nice to meet you.

Kaito Dōmoto: Same here and it's an honor.

Caren: We love all your adventures.

Hanon: They are all awesome.

Me: We get that all the time. But I wish we could have come at a better time.

Lucia: Oh no. Is Gaito coming?

Me: Yep. We were warned about him and we have an old score to settle.

Torch Man: Should we expect to go underwater at some point today?

Kearney: Bone Chompy is REALLY looking forward to it.

Kaito Dōmoto: I can tell. But yes we're all going underwater to face him. If you guys are going to destroy him for good then we'll all go with you.

Lucia: Just like old times right bro?

Me: You said it Lucia. I can't wait to sock it to that monster.

Nico: We all can't wait.

Kaito Dōmoto: Then lets get moving right away.

Bone Chompy jumped in joy.

Jimbo: (laughs) I can tell you're REALLY happy, little dude.

Starlight Glimmer: He sure is happy.

Kaito Dōmoto: Yeah we've had it with Gaito to last a lifetime.

Me: Make that an eternity for both of us. When we defeat him he'll get the Poseidon's Maelstrom Vengeance Curse for everything he did to the oceans.

Lucia: What is that?

Lincoln: It's one of the curses I made. "Poseidon's Maelstrom Vengeance Curse, Lincoln fires powerful blasts of ocean blue energy and water from his massive angel wings, and once it hits those who've committed the worst crimes against the sea, the victim is then ripped apart and drowned by the tides created by Poseidon."

Nico: Whoa! That is perfect for a monster like Gaito.

Eli: It sure is.

Nico: Lets go.

We were off to the ocean.

We arrived at Tokyo Bay and then we dove in Kaito was given the power to Breathe Underwater and we saw Lucia and the girls turn into mermaids!

Nico: Oh wow!

Eli: That is cool!

Lucia: Thanks.

Caren: Being a mermaid is great.

Rice the Robot: Alert! Hostiles approaching!

Nico: Looks like Caito sent his goons at us already!

We saw that they were MERMAIDS FROM THE DARK SIDE OF THE LEGEND!

Nico: It's Dark Side Mermaids!

Lucia: These monsters make all mermaids everywhere look bad!

Laney: I got them!

Laney fired a massive blast of energy and obliterated them into nothing!

Laney: You Dark Side Mermaids have failed this ocean!

Nico: Well said Laney.

Kaito Dōmoto: Wow that was cool!

We saw a bunch of amazing fish.

Nico: Wow look at all the fish.

Artie Ziff: Is that an angelfish?

Nico: Yep it sure is.

Heidi: Lots of beautiful fish out here too.

Me: There are TONS of fish in the oceans.

Eli: Yep.

Ariel: And it's all amazing too.

We were swimming and looking at all the fish.

Kraven: Hay Lin, on your first Ambassador mission, I hope you get to meet my Yost counterpart.

Hay Lin: I have a feeling I will.

Girl Jordan: I wonder how he will react when I tell him that I killed Yost Kasady in Alcatraz.

Nico: Probably relieved but J.D. I still can't believe you threw up on me.

Me: I said I was sorry dude! Also I wouldn't be able to find a working toilet in Alcatraz anyway. They shut down 60 years ago and weren't working anyway.

Nico: Oh right. That makes sense.

Eli: But I'm sure that the Yost Spiderman will be relieved.

Laney: Me too.

Brain Freezer: I think Yost Kasady is the last thing on Yost Spidey's mind right now. Because I don't mean to point out that a scumbag has a point. But if what he says is true, then Yost Web Head might be having issues in his civilian life.

Me: I agree there.

Nico: Yeah no kidding. I'll go with Hay Lin on those missions this time.

Me: Okay. That works fine.

Princess Celestia: Why hasn't Yost Steve told me about Yost Spider Man having problems in his life?

Sheep Man: Yost Spidey probably didn't want to bother Yost Cap with his personal issues.

Me: That's probably a good reason. We'll have to ask next time we go back.

Lucia: Sounds like you guys have been really busy on those ambassador missions. We talked to Kaito of the Zenkaigers about the Ambassador Missions you all went on and they were amazing.

Me: It's awesome that you guys talked to Kaito and the Zenkaigers.

Nico: Yeah we had a lot of fun on those with Zarya.

Zarya: Yeah no kidding.

Koragg: (to Lucia) Wait. You've been talking with the Zenkaigers?

Lucia: Yep and they are awesome. Kaito and the girls and I met them and we helped them out and took down one of their enemies too.

Lola Ferrington: Did you face Stacey too?

Caren: We sure did and he is awesome.

Lola Ferrington: Wow! He's my archenemy in the Masters of Evil and he is a really amazing and powerful adversary.

Eli: It's true. Also Zocks is a great dancer.

Rina: Wow! Yeah he sure is.

Will Vandom: I love his song too. (Singing like Zocks Goldtsuiker) "Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!"

Lucia: Hey that was awesome!

On land in the restaurant of the Zenkaigers, Zocks sneezed.

Kaito (Zenkaigers): Uh oh is someone talking about you?

Zocks: Yeah I think so.

Flamefeather: J.D., how did you first meet the 7 Ocean Princesses and Kaito?

Me: Now That is a great story. It was back 10 years ago. I was 10 years old when it happened. I met Lucia when she saved Kaito's life. A huge rogue wave hit the cruise ship Kaito was on and he fell into the water and nearly drowned. I dove in and me and Lucia helped him and ever since then we became close like siblings. Later on Over the years I met the seven Ocean Princesses and saved them from Gaito many times in the past. And our bonds during each of the rescues made us all one awesome family.

Kaito Dōmoto: Yep it's true.

Caren: It was amazing. And it was really awesome seeing J.D. humiliate that dirtbag Gaito.

Nico: That is really cool that you know Kaito and the Seven Ocean Princesses, J.D.

Me: It sure is.

King Hiss: (to Lucia) J.D. might not be leader anymore. But he's still pretty powerful.

Lucia: We all heard and it was awesome how he has gotten so powerful. We're proud of our awesome bro.

Eli: That is cool that you all view J.D. as a brother. That makes me and Ariel siblings too.

Lucia: It sure does Eli.

Laney: You guys are really awesome as a family too.

Jack Spicer: Dude, I hope you had fun humiliating Gaito over the years. Because we're killing him today. Alright? No delaying his death. We waste him and watch his corpse fall to the ground.

Me: And I can't wait to get rid of him.

Lucia: How did you know about Gaito returning?

Me: Raven's birthmark warned us.

Raven: It's true. I have this really unusual birthmark that warned everyone.

Lana: It was scary but cool.

Me: Yep. And now Gaito and I have some unfinished business to settle.

Nico: Yep.

Me: There. Target at 6:00.

We looked up ahead and at 1,000 yards away was GAITO'S LAIR!

Trent Fernandez: Time for our entrance.

Me: First let me face him and when I give the signal you all come in.

Nico: Okay.

I went into the castle and I used my powers to form a huge whirlpool around it and it opened a vortex to the surface.

Gaito: What is going on!?

My eyes shined in the darkness of his entrance on the throne room.

Gaito: Who is that!?

I came in.

Me: Hello Gaito. 10 years hasn't been too friendly on you hasn't it?

Gaito: Well well well. J.D. Knudson. Its been a long time. I heard you formed Team Loud Phoenix Storm.

Me: That's right. I became the leader of the most powerful force in the entire universe. But I'm not the leader anymore. My best friend Nico is.

Gaito: So I see. You came here to humiliate me like old times?

Me: No. We're here to kill you.

Gaito: You think you can kill me!?

Me: I'm not the same as I was when we fought the last time. I've gotten more powerful since then. Right guys!?

Then the spirits of the Elemental Animals of Horror all appeared and swirled around Gaito and they converged and then a massive explosion of water blasted out and the song of the sirens was heard and then everyone appeared.

Nico: You got that right. (To Gaito) You must be Gaito. Nice to finally meet you. For the first and last time.

Mammoth: Hope you had a good time running from J.D. all those years. Because that won't happen this time!

Gaito: We'll see about that! So you didn't like my dark mermaid army?

Laney: They were powerless against us.

Nico: And soon you will be forgotten.

Me: Yep. You see Gaito, when we fought the last time, you didn't see me do this.

I then transformed into my Super Angel Infinity God of Friendship Form!

Lucia and the girls and Kaito gasped! Gaito growled ferociously!

Lucia: Wow!

Caren: Wow! J.D. you transformed!

Rina: Wow! J.D. you look amazing! What happened!?

Me: I've mastered many transformations and I've gotten more powerful with each one and all that.

Gaito: Get them you fools!

His minions came at us! Then I fired a massive energy blast and obliterated all of his minions in an instant!

Gaito: WHAT THE!?

Me: You're next Gaito.

Then Trap Jaw, Living Laser, INSTIGATOR, Captain Cold, Man Ray, Common Cold, Major Disaster, Cluemaster, Cantwell, and Beetle appeared.

Nico: Trap Jaw, Living Laser, INSTIGATOR, Captain Cold, Man Ray, Common Cold, Major Disaster, Cluemaster, Cantwell, and Beetle

Captain Cold: Looks like the fun is starting. Also J.D. we had no idea that you and Kaito and Lucia know each other. That is amazing.

Me: It sure is Leonard.

Lucia: Awesome to meet you all.

Man Ray: Same to you.

Trap Jaw: I gotta say. The Yost Serpent Society are a big addition to our team.

Princess: Celestia: I'm glad you think so.

Me: Many more where that came from.

Living Laser: I just hope my counterpart's okay now. I heard he was attacked by Yost Enchantress during her revenge spree against the Yost Masters of Evil.

Me: That's what we heard from Yost Reed.

INSTIGATOR: Don't worry. Yost King Cobra told me that he's recovered from what she did to him.

Nico: That's a good relief.

Captain Cold: (to Nico) We heard you had another underwater adventure against a paranoid Mr. Krabs.

Nico: We sure did and it was crazy!

Man Ray: I'm glad I wasn't there to see it!

Nico: You would not like it one bit.

Gold Digger came.

Nico: Back for round 2 Gold Digger.

Gold Digger: Yep I sure am and J.D. that is so cool that you beat Gaito before.

Me: Many times actually.

Laney: It's awesome.

Gold Digger: This is my first time underwater!

William: How do you like it?

Gold Digger: It's weird but it's cool.

Me: Yeah it sure is.

We got the usual battles underway.

## Sydney Burlington, Princess Luna, Moondust, Snowdrop, Children of The Night, Dark Skylanders, Osmosis Jones, Drix, Bone Chompy and Broccoli Guy VS Trap Jaw - Nico's Rescue

---

Trap Jaw was first.

Trap Jaw: (to Sydney) Nico's rescue was very crazy! I'm surprised that insane version of Mr. Krabs didn't put a Banned mark on him.

Sydney Burlington: No kidding! That version of Mr. Krabs REALLY went off the deep end.

Princess Luna: He sure did and it was really stupid of him. His paranoia really ruined him too.

Moondust: No kidding and Plankton is now redeemed too.

Snowdrop: You got that right.

Gari: Yeah that was nuts. And he was consumed with Paranoia and fear about Plankton.

Blackout: No kidding. But at least that versions love of money never died.

Osmosis Jones: That is for sure.

Drix: Absolutely for sure.

Trap Jaw: One thing that Mr. Krabs is always known for is his love of money. Lets do it!

They fired waves of darkness and energy and smashed him down.

Sydney Burlington: ALL RIGHT!

Princess Luna: A true victory of the night!

---

## Megan McCallister, Princess Celestia, Amber Morning, Light

## Skylanders, Kiyo & Zatch Bell, Sissi Delmas and Pacifica VS Living Laser - Lincoln's rescue

---

Living Laser was next.

Living Laser: (to Megan) I heard Lincoln's rescue was in the Hostel movie. How was it?

Megan McCallister: Really awesome! We busted the Elite Hunting Group and they got a sick thrill out of torturing people for their own enjoyment!

Princess Celestia: That was absolutely horrible!

Amber Morning: Yeah no kidding! They are now in prison for eternity!

Spotlight: Thank goodness. They deserve to stay there forever.

Kiya: I agree there.

Zatch Bell: Same here.

Living Laser: No kidding! I watch Hostel a long time ago and that movie was sick! Gave me nightmares. Even as a villain I was scared! Lets do it!

They fired waves of stars and light and smashed him down.

Megan McCallister: YEAH BABY!

Princess Celestia: That was so awesome!

---

## Pinkie Pie, Featherweight, Tech Skylanders, Snow White and the Seven Dwarfs, Hook and Long Haul VS INSTIGATOR - Meeting a Snoww, Unlight of Dark World Gene-Slammer

---

INSTIGATOR was next.

INSTIGATOR: (to Pinkie) I heard you guys met a Snoww, Unlight of Dark World Gene-Slammer. What's her name?

Pinkie Pie: Her name is Giselle Harrington and she is a really amazing Goth Girl.

Featherweight: She sure is and she and her fellow Goth Girl Friends have been at war with a rival Goth Gang.

Sprocket: It's not pretty. It was crazy.

Snow White: It sure was. But we're going after them later.

Doc: Yes that is true.

INSTIGATOR: That is amazing. Lets do it!

They fired waves of metal, gears, jewels, lightning and energy and smashed him down.

Pinkie Pie: BEST USUAL BATTLE EVER!

Snow White: That was so fun!

---

Qin, Starlight Glimmer, Cozy Glow, Undead Skylanders, Charlie McGee, Volcana and Torch Man VS Captain Cold - Raven's Birthmark warning us about Gaito

---

Captain Cold was next.

Captain Cold: (to Qin) I didn't expect Raven's birthmark to warn you guys about Gaito. I thought it could only warn us about Trigon.

Qin: That's what we all thought would happen too. But that is really cool that Raven's Birthmark can all do that. That is neat too.

Starlight Glimmer: Those marks are scary but now we were given a really awesome new tool to know when demons are coming or on the move.

Cozy Glow: And Tara has the Mark of Scath emblazoned on her forehead too and that glows too whenever demons are coming too.

Hex: That's true. That is cool.

Charlie McGee: I agree with that as well. That is awesome.

Captain Cold: It sure is cool. Lets do it!

They fired waves of fire, lightning, stars, bones, magic and energy and smashed him down.

Qin: ALL RIGHT!

Starlight Glimmer: That was amazing!

---

## Gali, Rarity, Sweetie Belle, Water Skylanders, Nadia, Rico the Robot and Heckyl VS Man Ray - Amazing how Lucia, Kaito and I have a huge history

---

Man Ray was next.

Man Ray: (to Gali) It's amazing how Lucia, Kaito and J.D. have a huge history. They must've been happy to see each other again.

Gali: They sure were! And we're so happy for them too. And it's awesome that they have been friends for a long time as well.

Rarity: Oh it sure is darlings and we're happy for J.D. as well.

Sweetie Belle: Me too. That is so awesome.

Gill Grunt: Yeah it sure is awesome.

Nadia: J.D. is one lucky guy to know Lucia and the princesses and Kaito.

Man Ray: He sure is. Lets do it!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Gaito was knocked down!

Lincoln: It's over, Gaito, your days of kidnapping mermaids are over!

Lincoln transforms into Maelstrom Lincoln, as the 7'5" tall, handsome, and extremely muscular man's long, white hair that reached the bottom of his neck turned ocean blue except for the rainbow lightning bolts on the bangs, his deep sapphire blue eyes turned deep ocean blue, the eight large orange orbs orbiting around his legs turned ocean blue, his large blue pants had turned ocean blue, but the rainbow colored lightning bolts on them remained the same, his massive orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs turned ocean blue, his orange version of He-Man 2002's loincloth and long orange trenchcoat coattails with elemental forces, thunderbirds, buffalo, and angels turned ocean blue, and his massive deep sapphire blue angel wings with stars turned deep ocean blue.

Suddenly, mermaids and sea creatures began swimming around Lincoln, and the ocean waves formed a circle around his feet, and we knew what Lincoln was going to do to Gaito.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Gaito. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song.

Then, Lincoln fired powerful blasts of ocean blue energy and water from his massive deep ocean blue angel wings with stars in the feathers, and once the blasts hits Gaito, the blasts entombed him inside a ball of water, and then, he was ripped apart and drowned by the tides created by Poseidon, and his evil spirit was then sent to The Black Gates, where he was erased from existence forever.

Nico: Whoa.

Girl Jordan: Was that the…?

Lincoln: Yep, that's the Poseidon's Vengeance Curse, Girl Jordan. This is what happens to those who's committed crimes against the seas, they're entombed inside a ball of water, and then, they're ripped apart and drowned by the tides created by Poseidon.

Nico: A perfect punishment for Gaito.

Me: And now, my unfinished business with that monster is now finished. Gaito will never threaten any mermaids ever again.

Lincoln changed back.

Common Cold: That's it for Gaito.

Lucia: Thank goodness.

Me: Good riddance.

Major Disaster: How would you and your friends like to join the team?

Lucia: We would be honored.

Kaito Dōmoto: It will be awesome.

Cluemaster: Gaito might be gone. But your other enemies are still at large.

Cantwell: You guys joining the team would ensure your protection against them.

Beetle: But it's really up to you guys.

Kaito Dōmoto: We'll gladly join the team.

Me: Yeah it will be awesome.

Nico: Yep.

?: I will have my revenge on you for throwing me in prison, Swat Kats.

Suddenly, the eight large planets and stars orbing around my legs, the eight large orange orbs orbiting around Lincoln, Linka, TLPS Ms. Tarantula's, and Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the eight large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the eight large crimson red orbs orbiting around Naruto and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lucy, Lars, and Dudley Puppy's legs, the eight large pink orbs orbiting around Lola and Lexx Loud's and Steven Universe's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight emerald green orbs orbiting around Yakko Warner's legs, the eight large sapphire blue orbs orbiting around Wakko Warner's legs, the eight large hot pink orbs orbiting around Dot Warner's legs, the eight large marine blue orbs orbiting around Liam, Lana, and Leif Loud's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr.'s legs, the eight coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the eight large blue orbs

orbiting around Lori, TLPS Mr. Shark, Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Leni and Loni Loud's legs, the eight large yellow orbs orbiting around Luan, TLPS Mr. Snake, and Lane Loud's legs, the eight large brown orbs orbiting around Laney and Larry Loud's legs, the eight large light green orbs orbiting around Lisa and Levi Loud's legs, the eight large lavender orbs orbiting around Lily and Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eight large rainbow orbs orbiting around Rainbow Dash's legs, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eight large white orbs orbiting around Timmy Turner's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our Bracelets of The Champions of the Universe were glowing, and that means we've got big trouble incoming.

Chance Furlong: I knew there's no mistaking that voice from anywhere. You can come out now, Hard Drive.

A figure came out, and it was none other than Hard Drive, another enemy of The Swat Kats.

Jake Clawson: I should've known you'd escape from prison, Hard Drive, and if you think you're going straight back to prison, you're wrong. This is where you will die.

Hard Drive: You first.

Hard Drive fired a blast of lightning, but Lyra Loud fired a blast of lightning, and her blast of lightning overwhelmed his, and he got seriously electrocuted.

Lyra Loud: I've had just about enough of you to last an eternity.

Suddenly, Lyra Loud's eyes turned neon electric blue, and she was surrounded by a purple energy aura with electric blue lightning and keys, and as she approached Hard Drive, she left purple energy, electric blue lightning, and keys with every step.

Lyra Loud: Hard Drive, the crimes you've committed against

Megakat City can never be forgiven, and now, I will see to it that you never come back to cause trouble to anyone ever again.

Suddenly, Lyra Loud was surrounded by a massive vortex of purple energy with electric blue lightning bolts and keys surrounding it, there's a Raiju running around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Lyra Loud emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Lyra Loud grew to 6'5" in height, she had the body of a goddess, and she has electric blue highlights in the bangs of her long flowing dark brown hair, she has neon electric blue eyes and a purple energy aura with lightning bolts and treasure keys surrounding her, she has a Raiju holding a key in its claws emblazoned on her forehead, she has on Raiju earrings with electric blue gems for eyes and the Thunder Kanji in its paws and her Crystal Necklace of the Buddha with purple crystal links and a Raiju with purple gems for eyes and holding the Thunder Kanji in its claws for the pendant, she has on a sleeveless dark blue leather jacket, her lightning bolt and key cutie mark on her left shoulder was also glowing, she has on a sleeveless purple top with electric blue phoenix on it, purple skirt with lightning bolts, dark blue pants, and dark blue high-heeled boots with lightning bolts, and a dark blue sleeveless trenchcoat with lightning bolts on the coattails and on the back is a Raiju surrounded by lightning bolts. Suddenly, Lyra Loud felt a sharp pain on her back, and then, massive dark brown angel wings with electric blue tips on the large dark brown feathers, sprouted out of her back. Lyra Loud has on her Ring of the Phoenix with large purple gem on her left ring finger and Blue Lantern Corps ring on her right ring finger.

Lyra Loud has a brand-new large sword in her right hand called Raiju's Lightning Sword of Treasure Hunting Hope, it's a large sword with a Raiju etched on the 6'10" massive, wide, double-edged purple blade, large Raiju heads for the crossguard, large electric blue gem embedded in the rainguard, longer black handle, and four large Raiju heads with a large electric blue gem on the bottom of the Raiju heads for the pommel. Lyra Loud has on her new gold cuff Bracelets of The Champions of The Universe with purple gems on her wrist, large gold Belt of Elemental Bravery with gold Raiju head with electric blue gems for eyes and a large purple gem in its mouth for the belt buckle, she also has out her large purple Spellbook of The Gods and The Universe and large purple Spellbook of The Elemental Gods, and her Eater of Sins revolver holstered on her right hip. There's an electric blue kanji below the Raiju that said, "Lyra Loud, Master Treasure Hunter, Lost Sister of The Loud Family, Long Lost Twin of Luna Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary of Raiju, and Master of Lightning and Treasure Hunting."

ライララウド、マスタートレジャーハンター、ラウドファミリーのロストシスター、ルナラウドのロングロストツイン、スレイヤーオブイービル、混乱、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、雷獣の使者、そして稲妻のマスターとトレジャーハンティング

Lyra Loud has transformed into SUPER ANGEL INFINITY LIGHTNING THUNDERSTORM RAIJU ANGEL OF TREASURE JUSTICE AND ELECTRIC LOVE!

We were amazed by Lyra's Super Angel Infinity transformation, but when Hard Drive saw it, he fired a blast of lightning at her, but she absorbed it and it made her stronger than ever.

Lyra Loud: (Divine Echoing Cosmic Voice of The Electric Kaiju and Electric Love) **Nice try, Hard Drive, and now, it's time for you to die.**

Lyra Loud went after Hard Drive, and she fired powerful blasts of purple energy, lightning, treasure keys, and Raijus at him, and they exploded with incredible power as they hit him. Then, she attacked him with her massive new sword, and left painful scars on him. Then, without warning, Lyra snuck up from behind and grabbed Hard Drive, and she sucked out all of the electricity from within the Surge Coat, stripping Hard Drive of his powers and his abilities. Then, she cuts Hard Drive down, and Super Hakaied his spirit for good. We cheered wildly as Lyra holstered her massive Raiju's Lightning Sword of Treasure Hunting Hope on her back and powered down, and her new body, clothes, weapons, jewelry, and massive dark brown angel wings are permanent. Then, the Louds piled on and hugged her.

Lincoln: Wow, Lyra, that was so awesome. You did away with Hard Drive and Super Hakaied him for good.

Lyra: Thanks, Lincoln.

Luna Loud: Looks like you're going to have to tell Commander Feral of what you just did to Hard Drive, dude.

Just then, Commander Feral arrived.

Commander Feral: No need, Luna. I saw the fight Lyra had against Hard Drive. Sorry I missed you all before you headed off, I was about to head for the World Tree Estate to warn you all of Hard Drive's escape.

Nico: That's okay, Commander Feral. Lincoln warned us about it, thanks to his ability to see and warn us of any uninvited villains.

Commander Feral: Ah, I see. But, in any case, Lincoln's ability still warned you of Hard Drive's escape from prison, and you were able to stop him.

Lyra then handed Commander Feral the Surge Coat. But, he told her to keep it, it'd be safer in more capable hands.

Hard Drive was taken to prison for a 9 Life Prison Sentence.

Lucia: (To the viewers) This was an awesome underwater adventure. Hope you all loved seeing us kick Gaito's butt.

Me: We all did on this one.

Nico: Yep. Great job today everyone. Lets go home.

We all went back home and we rested and enjoyed the rest of the day. Then we went to sleep.

BUT LITTLE DID WE KNOW THAT SOMETHING EVIL WAS GOING ON ELSEWHERE! IN THE CRATER THAT WAS ONCE QUAHOG, RHODE ISLAND, A HAND ROSE UP OUT OF THE

GROUND AND A FIGURE CAME OUT OF THE GROUND WITH GLOWING RED EYES THAT WERE OVERFLOWING WITH INTENSE BURNING HATRED AND VENGEANCE!

Figure: (SINISTERLY) GIGGITY!

TO BE CONTINUED!

Another awesome fanfiction complete!

Mermaid Melody was an awesome and amazing series and I love mermaids out of all the mythological creatures. They are all beautiful and amazing. Darn shame that there wasn't an English Dub series. The first part of the chapter was for the SpongeBob episode Plankton Paranoia and that was a really cool episode. That episode aired on September 28th, 2018. The second part was for the Hostel movies and that was a really scary movie. Never watched it but it was scary. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as me, Nico, Eli, Lincoln, Laney, Dawn, Flannery, Starfire, Blackfire, Wildfire, and the Three Mage Sisters go to the planet Tamaran and we're going to face the Lynch Mob from Beauty and the Beast minus Gaston and LeFou and we're going to REALLY SOCK IT TO THOSE CLODS! We're also going to meet a Tamaranean Gene-Slammer named Gabrielle Victoria. Gabrielle Victoria is a normal girl that was diagnosed with a very dangerous blood disease and the only way to save her life was a blood transfusion. But unfortunately she was born with a very extremely rare blood type and no one in the human race matched her blood type. Starfire of Tamaran decided to help her and her blood saved her life. But in doing so it made her a hybrid. She is now half Human and half Tamaranean and she has all of Starfire's powers. She is also one of Nico's friends in Nico's gym class and is quite a force to be reckoned with. The second part for Lincoln's Rescue is gonna be in Aron City and we're going to meet Johnny Bravo and save him, Bunny Bravo, Little Suzi, Carl and Pops from a horrible LYNCH MOB of all the women and girls that Johnny Bravo met and are out to kill him and his friends. We'll also meet a Gene-Slammer for Scarr, Scout of Dark World and her name will be Scarlet Rosenburg. She is the third member of the Goths of Dark World that Lincoln knows and she is from Lynn's Middle School and she is a powerful one too. She will have a really awesome revelation about how she and Lincoln took down a robber at a bank and became heroes. The next chapter as you all have seen is gonna be an epic battle before the big battle coming up on the 7th. We're going into battle with the people of Quahog, Rhode Island and they are back from the dead to get revenge on us for destroying them!

See you all tomorrow

# REVENGE OF QUAHOG

BUCKLE YOUR SEATBELTS FOR A GREAT BATTLE!

On the planet Tamaran was Nico, Eli, Lincoln, Laney, Dawn, Flannery, Starfire, Blackfire, Wildfire, and the Three Mage Sisters and they were there for an awesome and great rescue.

Nico: Thanks for coming with me, Starfire.

Starfire: Oh it is my pleasure Nico. And it is great to be back home after a while.

Wildfire: Boy it sure feels good to be back home on Tamaran.

Blackfire: It has been a while since we all were back home.

Eli: Boy you guys have been gone from home for a while.

Flannery: So this is the planet Tamaran. Wow. Starfire your home planet is amazing.

Starfire: Thanks Flannery. It's pretty amazing isn't it?

Nico: Starfire, you know you pretty much caused the formation of the Teen Titans, right?

Starfire: I sure do Nico and it was me.

Eli: What happened in that Starfire?

Starfire: It was a really amazing story.

She told them everything.

In space aboard an alien cruiser, screams ring out as aliens prepare to deliver a prisoner. The cell door cracks open and a figure steps out - Starfire. Starfire sends her captors flying and sets off an alert before flying off into space and escaping to Earth.

In the city, a caped figure looms over a burglar then disarms him with a birdarang. Bats swarm out of the shadows and then Robin shows up and takes him out while talking out about how he's new in town and is now working alone. Their fight is interrupted when Robin sees a flash of light through the sky and goes to investigate. Starfire has crashed to Earth in the middle of a street and is confused by the alien environment and unable to speak English. She lashes out, wrecking cars and buildings, as she tries to free herself from her manacles. Robin throws a birdarang to catch her attention and then the two fight. From the shadows, Raven watches as Beast Boy leaps in to send Starfire flying. Another figure, Cyborg wearing a sweat suit to conceal his body, shows up as well.

Starfire manages to free her hands enough to fire energy blasts at the three heroes, missing but further devastating the city. When she weakens, Raven appears to them and raises a force field, suggesting that fighting isn't the answer. Robin approaches Starfire and manages to get through to her, calming her enough to free her from the manacles. She kisses Robin, gaining the ability to speak English, then tells them to leave her alone lest they meet destruction and flies off.

Robin goes off on his own to track down Starfire and the other three go their own way although Beast Boy wants to hang out. Cyborg pulls off his hood to reveal his cybernetics but Beast Boy is impressed rather than repulsed. They're interrupted when the alien cruiser flies over the city then releases a holo-projector that lets the aliens state they're here to recover Starfire, and they'll destroy anyone who gets in their way. Hundreds of the alien slaves fly out seeking Starfire. Robin returns and agrees to team up - Raven is reluctant and warns that if they know who she was, they wouldn't want her around. Robin accepts her anyway and they're off.

Raven telepathically senses Starfire and Beast Boy picks up the scent while Cyborg scans for her unique heart beat. They eventually found Starfire in a video store eating candy and popcorn, who doesn't believe they're friends. Starfire reveals that the slaves, the

Gordanians, are delivering her to their Citadel and have her serve them as their slave. The others vow not to let her go back. The Gordanians arrive and the five heroes fight back, driving them off. The Gordanian leader, Trogaar, sends another message announcing the city will be destroyed then puts his ship into position.

The group starts to blame each other, until Raven interrupts and Robin resolves they need to get out of the mess together. Raven teleports them aboard the ship and they head for the firing controls. While Raven still wonders if she will fit in, Cyborg reassures her, given the backgrounds of himself, Beast Boy and Starfire. As Starfire apologizes to Robin for the earlier argument, they are interrupted by the arrival of Gordanian soldiers. Meanwhile in the ship's bridge, Trogaar orders his men to prepare the firing sequence, when he was interrupted by the arrival of the five heroes who took out his men outside the bridge. Raven saves Beast Boy by blocking Trogar's attacks with a black telekinetic shield. And, in turn, Robin saves Raven from his attacks. When Trogaar stuns Robin, Starfire lashes out at him and then Cyborg joins in. He knocks them back and Robin suggests Cyborg rewire his electronics and parts into a weapon.

As the trio are surrounded by Gordanians, Raven commands them to "Get away from my friends!" and she lashes out with her powers, causing the ship to crash into the water knocking out all the Gordanians except for Trogaar. He prepares to destroy her and Beast Boy, but Cyborg takes him out with his Sonic Cannon at the last moment from behind, with a simple triumphant statement of "Boo-yah."

Standing on the island where the Gordanians placed their hologram-transmitter, they congratulate one another and Starfire gives them her name in their English language and asks them if she can stay. They welcome her as a friend and decide to stay together, with Robin and Cyborg providing communicators for them all to stay in contact and Robin's final words being: "When there's trouble, you know who to call."

When she was done they were amazed!

Laney: Wow! So that's how the Teen Titans formed for the first time.

Dawn (Pokemon): That is really cool.

Lincoln: Wow!

Nico: That is incredible and the Saiyans and the Gordanians have been going at each other for years. I remember when I destroyed a Gordanian Ship and freed the slaves on the ship one time. That was awesome.

Flamberge: Wow! That is amazing Nico.

Francisca: It sure is.

Nico: And most of us went against Trogar before the Royal Defenders war.

Flannery: Wow that is amazing!

Nico: And that was the prelude to the war. We saw what happened in Starfire's past. That is amazing.

Wildfire: It sure is.

Flannery: Yeah. So Starfire was kidnapped by the Gordanians to be sold into Slavery, Robin left Batman for some reason, Cyborg was made when he got blown up in an accident, Beast Boy left the Doom Patrol and Raven was hiding from her destiny to destroy the world.

Nico: Yep. That is a really amazing series of origins.

Eli: It sure is. And for the Years the Teen Titans have faced many dangerous enemies.

Nico: Yep. And the most dangerous one of them all was Slade Wilson A.K.A. Deathstroke.

Dawn (Pokemon): No kidding. And Shanan hated his guts.

Nico: The majority of the Titan's enemies are in the Masters of Evil.

Starfire: That is true.

Blackfire: It sure is and we also took many of them down.

Nico: But no bad guy has been taken down by us and the Titans more times than anyone else other than Slade.

Flannery: Wow! That is amazing.

Blackfire: It most sure is.

Flannery: I heard that Shanan destroyed Slade forever. What caused her to hate Slade like that?

Eli: It was because Shanan witnessed Tara sacrificing herself to atone for her deeds under Slade. It was something that she will forever hate Slade for.

Eli told Flannery everything that happened with Shanan's babysitting adventure.

FLASHBACK - CHAPTER 504

---

Shanan, Lincoln and Janeen found themselves in Jump City. It was under turmoil by Slade's robots and the Teen Titans had just finished them off. Beast Boy went off to find Terra.

Shanan: I know where Beast Boy is heading to. Come on.

They flew down into a cave and it was 2,624 feet below the surface.

Shanan: Keep your wits above you.

Lincoln: Okay.

Janeen: I sense trouble up ahead.

They went into the a huge pocket and it was Slade's lair. They found Slade and he had Terra under his control somehow.

CONTROL ROOM

Tara: That was the most horrific ordeal I've ever gone through.

Robin: I'll never forget that.

Nico: What happened there?

Tara: Slade put a suit on me that fused itself into my nervous system and he had some kind of control on me.

Linka: Like a remote control suit.

Tara: That's right.

Lilly: That suit is an abomination to nature.

Laney: You'll get no argument from me Lilly.

Riley: Same here.

SIMULATOR

Janeen: That is sick.

Janeen and Lincoln fired a blast of lightning and it hit Slade before he could even react and electrocuted him badly. This short-circuited the suit and severed his control link to Terra.

Shanan: Slade you will pay for everything you've done.

Shanan went Super Angel 10,000 Nature Fairy.

Slade: Impressive. You got me before I could act. Terra you can kill them.

Terra: NO!

Lincoln fired a blast of lightning at Terra and electrocuted her. But the lightning destroyed the suit she had on and she had bandages on her chest and black underwear.

Terra: I'm free.

Lincoln: Lightning is far more powerful than Earth.

Terra: Thank you for freeing me. Now it's personal.

Lincoln went Super Angel 3 and Shanan went after Slade and punched him in the face and kicked him in the stomach. Terra moved the earth around and had Slade at a terrible disadvantage. Shanan kicked him in the back of the head and punched him in the stomach and chest and kicked him in the face. Terra threw a bunch of rocks at him.

Lincoln and Janeen fired a huge blast of lightning at Slade and electrocuted him badly. The other Titans arrived and they saw the savage onslaught on Slade. They saw Shanan, Lincoln and Janeen and a redeemed Terra tearing Slade apart.

Lincoln flew up to Slade and fired a lightning ball at Slade and knocked him off the rock pillar and sent him falling.

Terra went to see if he was dead, but she was caught off guard as Slade jumped up from the chasm and punched her in the face. He grabbed her by the bandages. She built up her power.

Terra: YOU… CAN'T… CONTROL… ME… ANYMORE!

She released her power and in a huge explosion it killed Slade in an instant.

KRABOOOOOOOOOOMMMMMM!

Shanan: Go to Hell Slade!

Terra was exhausted. Suddenly without warning massive geysers of lava erupted out of the cave floor and the ground was shaking violently.

Robin: Terra's power! It's triggered a Volcano!

Cyborg looked at his analyzer.

Cyborg: Big enough to take out the whole city and way too big to stop!

Raven: We have to get out off here!

The Titans left.

Beast Boy: Terra! Come on we got to go!

Terra: I have to stay.

Shanan: (Gasp) No you can't! It's too dangerous!

Lincoln: Yeah we have to go!

Terra: I'm the only one that can stop it.

Janeen: That's crazy Terra.

Beast Boy: Please Terra you can't! It's too late.

Terra: It's never too late.

They embraced for one last hug and she cried.

Terra: You're the best friend I've ever had.

Terra got them out of there and the volcano was getting worse.

(Terra's Theme Song plays)

Terra built up her power to an incredible degree. Slade's mask of evil was consumed by the lava. Shanan, Lincoln and Janeen watched on in sheer horror as Terra released the full potential of her power and stop the volcano!

Terra: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

Shanan: Terra.

The explosion of power she released was so powerful and so devastating that it was unbelievable.

Shanan: (SCREAMING) TEEEEEERRRRRRRRRRAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

Lincoln and Janeen were gasping at the sheer magnitude and ferocity of the level of power being released.

Lincoln: Has Terra lost her mind or what!? It's too much! She could die!

The level of power Terra released was unbelievable.

Lincoln: What has she done!?

Janeen: Terra! I can't let her do this!

Lincoln: Janeen wait! You know as well as I do she can't survive a blast like that. She's doing this to redeem herself and save people from destruction. She's risking her own life for the sake and love of her friends! Let her finish what she started.

The power of the earth was incredible.

DBZ Narrator: AND SO ONE OF THE EARTH'S MIGHTIEST SUPERHEROES HAS VANISHED IN A BLINDING FLASH OF LIGHT, HAVING MADE THE ULTIMATE SACRIFICE FOR THE LOVE AND SAFETY OF HER FRIENDS. HER NAME WAS TARA MARKOV A.K.A. TERRA, A PRINCESS, A TRUE HERO, AND A BRAVE… TEEN… TITAN.

When the smoke cleared Terra's power had ultimately done the trick. But with a heavy price. Terra was now a stone statue frozen in time for all eternity.

Shanan, Lincoln and Janeen saw the statue and Shanan was overtaken with grief.

Janeen: Are you sensing what I'm sensing Lincoln?

Lincoln: Yes. Terra's energy signal has completely disappeared. She's gone.

She walked up to the statue and broke down crying.

Shanan: (Crying hard) It's all my fault! It's all my fault!

She punched the ground and cracked it.

Lincoln: Shanan, no it's not.

Shanan: I should've stopped it! (Crying) I should've stopped her from doing this! TERRA! WHY!? WHY!?

Janeen came and comforted her.

Janeen: I'm so sorry Shanan.

Shanan's sadness quickly turned into extreme hatred and rage. She got up and flared up her power.

Shanan: SLADE! THIS IS ALL YOUR FAULT! IF YOU EVER COME BACK, I SWEAR THAT I WILL KILL YOU! I WILL NEVER FORGIVE YOU FOR ANY OF YOUR CRIMES SLADE! AS LONG AS I HAVE MY FRIENDS AND LOVED ONES BY MY SIDE, I… WILL… HAVE… MY… REVENGE!

Shanan had sworn to get Vengeance on Slade Wilson and she will make sure that he pays for everything he has done. He will pay far beyond the Ultimate Price for everything he has done. Not just to the Teen Titans, but to Terra and to the world.

FLASHBACK ENDS

---

When he was done Flannery was shocked!

Flannery: Whoa man! That is terrible! And ever since then she had an immensely burning hatred towards Slade?

Nico: Yep.

Eli: It was awful. But she vowed to make sure that Slade paid for everything he did times ∞.

Flannery: Whoa.

Nico: Anyway, let's keep an eye out for trouble.

They nodded.

Nico: It's quiet. Too quiet.

But then they saw a bunch of Starfire's people hiding. Galfore signaled for them to come over.

They did so and Galfore revealed that an angry lynch mob is coming and they are on the warpath to raid the castle and Galfore and everyone in the castle formed an ambush attack on the mob.

The mob came in.

When Galfore yells now the attack begins.

They were ready.

They got in and then…

Galfore: NOW!

THEY JUMPED THE MOB AND BRUTALLY AND MERCILESSLY THRASHED THEM ALL OVER THE PLACE!

WILHEIM SCREAM!

They were thrashing everyone all over the place.

Nico: What are they after?!

Galfore: Our most powerful and most valuable treasure, the Jewel of Xex'thal!

Nico: WHOA MAN! I've heard about that one! (PUNCHES A MANS FACE) It's a powerful jewel that can give eternal life and incredible omnipotent power!

Starfire blasted a bunch of people with laser blasts and Blackfire blasted the men with star bolts.

Blackfire: Yes it is powerful.

Nico: Tell me the jewel's safe!

?: Yes it's safe Nico!

A girl flew in and blasted and smashed the entire mob out of the castle!

Eli: AND STAY OUT!

Nico: Yeah! Gabrielle Victoria!? Wow!

Gabrielle Victoria: It's awesome to see you again Nico.

Nico: Same to you.

Starfire: Gabby!

Starfire and Gabrielle hugged.

Gabrielle Victoria: Starfire! Awesome to see you.

Nico: How do you know Starfire?

Gabrielle Victoria: She is the one that saved my life. I was dying and I needed a blood transfusion. Starfire volunteered and saved me and she gave me her blood to save me. But as part of an unexpected side effect I got all her powers.

Nico: Wow!

Eli: That is incredible!

Flannery: It sure is.

Galfore: I see you two know each other.

Gabrielle Victoria: Yes we do Galfore. Nico and I went to school together years ago before I became ill.

Starfire: What is your favorite memory of Nico?

Gabrielle Victoria: I have a lot of them. But my favorite is where me and Nico were in Gym Class and we did a lot of great athletic events there. One time we were up against a rival football team and we beat them and won the national championship.

Nico: That was awesome.

Eli: It sure is.

Laney: That is cool. Starfire you are a hero to save her life.

Starfire: Thanks Laney. It was great.

Nico: It sure is.

Nico and Gabrielle hugged.

Nico: I really missed you.

Gabrielle Victoria: Me too Nico.

Eli: But Gabrielle it must be really cool for you to be part Tamaranean now.

Gabrielle Victoria: It sure is. I'm now half Tamaranean because of it.

Blackfire: That is really amazing.

Wildfire: It sure is cool.

Nico: Yeah.

Galfore: But thank you all for helping us.

Nico: It was our pleasure Galfore.

They later came back home.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks,

Alternate Tawna, Spyro, Cynder, and Ilana are heading to Aron City, and not only is Lincoln going to rescue the twenty one girls, but we're also going to save Johnny Bravo, Bunny Bravo, Little Suzi, Carl, and Pops from a lynch mob of all the women and girls that Johnny Bravo met and are out to kill him and his friends.

Lincoln: Wow, we're here in Aron City, and I know what I'm going to here, not only am I going to rescue the twenty one girls, but we're also going to save Johnny Bravo, Bunny Bravo, Little Suzi, Carl, and Pops from a lynch mob of all the women and girls that Johnny Bravo met and are out to kill him and his friends.

Nico: That's right, big guy. This is going to be one crazy rescue, but we got to stop those women and girls from ripping Johnny Bravo and his friends limb from limb.

Me: I knew that the women and girls that Johnny Bravo meet wind up hurting him, but I never thought they'd form into a horrible lynch mob. We got to stop that lynch mob before it's too late.

Lily the Mermaid: That's right, and if those women and girls so much as hurt Linky, we'll pulverize them into the dirt.

Lori: Uh oh, I'm literally hoping it won't come to that.

Lincoln: Let's hope not, Lori. And thanks for coming with us on our rescue, Ilana.

Ilana: You're welcome, Lincoln. Plus, we'll give Johnny Bravo, Bunny Bravo, Little Suzi, Carl, and Pops a new home in Gotham Royal York, since Aron City is no longer going to be their home for much longer.

Nico: Not after this whole lynch mob incident.

?: HELP!

Suddenly, Lincoln heard the sound of twenty one girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the twenty one girls, along with Johnny Bravo, Bunny Bravo, Little Suzi, Carl, and

Pops, but they're on the run from the lynch mob made up of all the women and girls that Johnny Bravo met, and they're out to kill him and his friends, along with the twenty one girls.

Lincoln: Guys, I found the twenty one girls, along with Johnny Bravo, Bunny Bravo, Little Suzi, Carl, and Pops, but they're on the run from the lynch mob made up of all the women and girls that Johnny Bravo met, and they're out to kill him and his friends, along with the twenty one girls.

?: That crazy lynch mob, let's put a stop to their riot!

Suddenly, we saw the Duel Monster, Scarr, Scout of Dark World, appear before us.

Lincoln: That voice, I knew it was you, Scarlet Rosenburg.

Nicholette Torrington: Scarlet Rosenburg's here, awesome. But, we'll have to talk later.

Giselle Harrington: Yeah, we've got to stop that lynch mob.

We rushed on over, and Lincoln made a ring of rainbow energy, and it shielded the twenty one girls, along with Johnny Bravo, Bunny Bravo, Little Suzi, Carl, and Pops from the lynch mob of women and girls out for blood. The women and girls were already mad at Lincoln for interfering, but he stood his ground. He had a stern look in his eyes, as he took a deep breath, and then, he yelled at the top of his lungs.

Lincoln: HOLD IT!

This got the lynch mob of women and girls to stop, and we knew he was going to give them a stern talking to.

Everyone: Uh oh.

Lincoln: Do you really think killing Johnny Bravo and his friends is going to do you any good? No, it's not! You would all be committing cold-blooded murder, Johnny doesn't mean any harm to any of you, all he's wanted was to find someone to be with, but none of you gave him the chance. You treat him like a plague, and you rough him up the chance you get. You should all be ashamed of yourselves.

This got to the lynch mob, and they realized what they were about to do was wrong.

Lincoln: Now, I'm going to drop the ring I made to protect Johnny Bravo, his friends and mother, and the twenty one girls from all of you, and when I do, I want all of you to apologize. Understand?

The lynch mob agreed, and they apologized.

Johnny Bravo: Thanks for saving us from that angry lynch mob, Team Loud Phoenix Storm.

Lincoln: You're welcome, Johnny. But, it looks like Aron City's no longer going to be your home.

Bunny Bravo: After what just happened, I think we need to move.

Carl: But, where to?

Pops: Hey, how about Gotham Royal York? I can start a business there.

Lincoln: That's just what I was about to say to all of you.

Lincoln already packed the bags of Johnny Bravo, Pops, Carl, Bunny Bravo, and Little Suzi, and they'd be ready to move to Gotham Royal York.

Lincoln: Whew, now that was a close one. (To Scarlet Rosenburg) And it's so good to see you again, Scarlet Rosenburg.

Scarlet Rosenburg: You too, Lincoln, it's been a long time. And it's good to see you again, Nicholette and Giselle.

Nicholette Torrington and Giselle Harrington: You too, Scarlet.

Lincoln went up to Scarlet Rosenburg, and they hugged, and Scarlet Rosenburg's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time that I haven't seen you since you were thirteen, and as you and can see, I really grew a lot since then.

Scarlet Rosenburg: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Scarlet Rosenburg, she's another Goth Girl from Royal Woods and a member of The Defenders of Darkness, she's not only another of my Guardian Angels, she's also from Lynn's Middle School, and she's pretty powerful.

We were amazed.

Nico: Whoa, that's awesome.

Scarlet Rosenburg: And like Lincoln said, I'm also a member of The Defenders of Darkness, and I also hate The Church of Necrom for all the dark things they've tried to do. Plus, I've got a really awesome revelation about how Lincoln and I took down a robber at a bank and became heroes.

Nico: Whoa, I'm so looking forward to hearing about this one. Plus, we heard from Giselle about The Church of Necrom, and we know about their members. Plus, Lincoln killed Necrom yesterday when he drained Necrom of his life energy and sucked out and absorbed not only Necrom's life force, powers, and abilities, but also, the life energy of those he's drained and killed over the years.

Scarlet Rosenburg: That's so awesome, which means he's really pissed off The Church of Necrom big time. And there's no need for you to get me back to normal, Lincoln.

Scarlet Rosenburg reverted back to normal, and she's a beautiful 17-year-old girl with long flowing scarlet red hair, scarlet red eyes, fair skin, she's 6'5" in height, she has the body of a goddess, and she has massive scarlet red angel wings, as she reigned in the power of Scarr, Scout of Dark World, and she's dressed in a sleeveless red buttoned-up blouse, sleeveless red buttoned-up dress shirt, red blouse, red pants, red high-heeled sneakers, and long scarlet red sleeveless trenchcoat with darkness on the coattails and on the back is Scarr, Scout of Dark World.

Lincoln: Wow, I love your new outfit, Scarlet, and I got you a little something.

Lincoln gave Scarlet Rosenburg a large Scarr, Scout of Dark World-themed sword with Scarr, Scout of Dark World etched on the 6'10" massive, wide, double-edged scarlet red blade, scarlet red angel wings for the crossguard, large scarlet red gem embedded in the rainguard, longer black handle, and large scarlet red gem with black angel wings surrounding it for the pommel.

Scarlet Rosenburg: Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Scarlet Rosenburg's neck with scarlet red gems on the gold lightning bolts and scarlet red crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklaces of Eternal Love.

Scarlet Rosenburg: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Scarlet.

Scarlet Rosenburg had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Scarlet Rosenburg on her lips, and she returned it, and we cheered for them. Then, we went up to the twenty one girls, and when Lincoln saw them, he immediately recognized them. The twenty one girls are Tina Golding, Abby Beckingham, Tia Kajiyama, Hayley Reid, Juliana Blanco, Roxy Munoz, Nicole Slater, Jessica Johansson, and Megan Lionello from Summer Heat Beach Volleyball, Trixie, Summer, Shawnee, Harley, Donna Maroni, Lizzy, Harvest, Chica Chavez, and Natasha from Outlaw Volleyball, Natalie from Ape Escape, Shermie and Bonne Jenet from King of Fighters.

Lincoln: Oh wow, it's Tina Golding, Abby Beckingham, Tia Kajiyama, Hayley Reid, Juliana Blanco, Roxy Munoz, Nicole Slater, Jessica Johansson, Megan Lionello, Trixie, Summer, Shawnee, Harley, Donna Maroni, Lizzy, Harvest, Chica Chavez, Natasha, Natalie, Shermie, and Bonne Jenet.

Me: From Summer Heat Beach Volleyball, Outlaw Volleyball, Ape Escape, and King of Fighters, awesome!

Lincoln: Are you girls okay?

Tina Golding: Yes, we're okay, thanks to you.

Then, when Tina Golding and the other twenty girls saw who it was that saved them from the lynch mob, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of

He had his massive Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of

Tina Golding: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made twenty clones of himself, and he and the twenty clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Tina Golding: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, twenty one Thunderbird Necklaces of Eternal Love appeared on the necks of Tina Golding, Abby Beckingham, Tia Kajiyama, Hayley Reid, Juliana Blanco, Roxy Munoz, Nicole Slater, Jessica Johansson, Megan Lionello, Trixie, Summer, Shawnee, Harley, Donna Maroni, Lizzy, Harvest, Chica Chavez, Natasha, Natalie, Shermie, and Bonne Jenet with colored gems on the gold lightning bolts and crystals links from the merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone of what happened in Aron City, and they were shocked that a lynch mob of women and girls that Johnny Bravo's met were out to kill him, Bunny Bravo, Little Suzi, Carl, and Pops.

But, when Lincoln showed what he did in sternly scolding them and then giving them the chance to apologize to Johnny Bravo, his mama, and his friends, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Scarlet Rosenburg have a lot of catching up to do, now that she's back. Johnny Bravo, Bunny Bravo, Little Suzi, Carl, and Pops have moved to the TLPS World Tree Estate, and they're going to like being in Gotham Royal York.

---

After stopping the lynch mob in Aron City, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Scarlet Rosenburg saw Lincoln working out like crazy, she had an atomic red blush on her face.

Scarlet Rosenburg: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Scarlet, and now, I can also defend myself.

Scarlet Rosenburg: That's incredible.

Nico: It sure is, Scarlet. So, how did you and Lincoln take down that robber at a bank in the city and became heroes?

Scarlet Rosenburg: Oh, you'll love hearing this one. One day, Lincoln and I were walking home from a day of fun in the park. But, then, we heard the sound of an alarm going off in the bank, and we saw a robber escaping from the bank, and he had bags full of money, the total is about $564 billion dollars. So, we had to stop him, and Lincoln fired a blast of lightning and electrocuted him, and then, I fired a blast of darkness and entombed him inside a sphere of darkness. Then, as Lincoln returns the money to the bank, I threw the robber into the back of a police wagon. I'd unmasked the robber, and to our disgust, it was none other than Flip, Royal Woods' cheapskate smelly mutant. I made sure to create handcuffs and shackles made of shadow energy, so he can't escape, and he was carted off to jail. We became heroes that day, because not only did we stop a bank robbery in Royal Woods, but we also carted Flip off to jail.

When Scarlet Rosenburg was finished, we cheered wildly for Lincoln and Scarlet Rosenburg.

Me: That… was… so… AWESOME!

Nico: You said it, J.D.! Lincoln, you and Scarlet really put that smelly cheapskate mutant in his place and stopped him from making off with the money from the bank!

Lincoln: But, it's clear that Flip refused to learn his lesson, I swear he's had money on the brain since the day he was born, and his perpetual greed has destroyed every last bit of morality.

Nico: You got that right, big guy.

Me: And now, he's paying the price for his greed: getting humiliated by us for the rest of his life.

Scarlet Rosenburg: I'd heard about the humiliations and they're so funny, and I know that Giselle's told you guys about the assholes of The Church of Necrom.

Lincoln: That she did, Scarlet, and we know about the members. Damian Alaister, the leader of The Church of Necrom and dangerous dabbler in The Black Arts, Michael Devlin, the second-in-command of The Church of Necrom and deranged psychopath who'll destroy anyone who dares to interfere with Damian's plans, Carmen Sullivan, Damian's girlfriend and a witch who messed with black magic long ago, and it drove her completely insane, and a fanatical supporter of The Church of Necrom, and Nigel and Douglas Moreau, "The Twin Demons" and The Church of Necrom's enforcers.

Scarlet Rosenburg: Yes, but they're only the main five members of The Church of Necrom, there's more of them out there.

Nicholette Torrington: Oh crap, and me and Giselle know who they are, but I thought we'd never have to deal with them ever again.

Nico: Whoa, so there's more of them out there. Who are they?

Scarlet Rosenburg took out the photos, and it showed the thirteen other members of The Church of Necrom, six boys and seven girls, all of them are 16-years-old and with black hair and pale skin and with red eyes of hatred and insanity.

Giselle Harrington: You're not going to like any of the bastards and bitches one bit, Nico, the thirteen members of The Church of Necrom are Cole Sullivan, Duncan Alarie, Douglas Griffin, Nigel Tinuviel, Cary Blakewell, and Damian's younger brother, Nigel Alaister, these six 16-year-old boys with black hair going down to their necks are Damian's warlocks who'd messed with the forbidden dark arts long ago, and not only did it destroy their sanity, but they also enjoyed causing fear and panic among the students of the high school for their sick amusement, and the seven 16-year-old girls are Adrienne Hawthorne, Chandra Mortlake, Drusilla Draven, Edana Baudelaire, Ianira Dormund, Jezebel Lanira, and Jocasta Belladona, they messed with the black arts and they enjoyed tormenting others for their sick amusement.

We gasped in shock.

Me: That's just fucking sick.

Nico: Beyond sick.

Brittney Knudson: The Goths of Darkness and I are so looking forward to teaching them a lesson in the true art of darkness and black magic.

Lori: I literally remember those thirteen monsters all too well, but if I remember correctly, you girls literally got them expelled, and when Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel, and Douglas Moreau found out, they swore revenge on you all.

Nicholette Torrington: Yes, that's right, and quite frankly, I don't give a damn about the spouting of delusional revenge coming from Damian, his fucked-up brother, nor the rest of the damned Church of Necrom, and once we've been reunited, then, the fight's on.

Lincoln: Yeah, and once that happens, I send my threat to those eighteen monsters, and then, they'll come after us. But, I'll then have them all cursed with the Nightmare Demon's Vengeance Curse, and that'll drive them even more insane than ever.

We then got a shower afterwards, and then, Lincoln and his harem were getting ready for their beach date, this time, it's at Gelato Beach in the world of Mario. But, they're not the only ones, Clyde and his harem are also going.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble.

Clyde snapped his fingers, and the 17-year-old 7'0" tall, white-haired, handsome, and extremely muscular teen was dressed in large blue swim trunks with a phoenix, angel, and clocks on it, along with his large weighted silver bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large silver orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble.

And Lincoln and Clyde's harems were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble.

Lincoln: Alright, everyone, are we ready?

Clyde: We're ready, buddy.

Lincoln, Clyde, and their harems left the World Tree Estate, and they head for Gelato Beach in the world of Mario. When Clyde and his harem saw it, they were amazed.

Clyde: Whoa, so this is Gelato Beach. This is so awesome.

Lincoln: That's right, Clyde, and this is also your first time coming here.

Syd Chang: That's right, Lincoln. Wow, this is so awesome.

Ronnie Anne: And I hope you're also ready to get wet, Syd.

Lincoln, Clyde, and their harems dived right into the waters at Gelato Beach, and they had a lot of fun there. Then, they went to the picnic area to have lunch that Lincoln and Clyde packed. Then, as the sun's about to set, Lincoln and Clyde made clones of themselves, and Lincoln, Clyde, and their clones went up to the girls in their harems, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kiss and hugged with supercharged and intense passion. Then, they came back home to the Estate, and were in their original clothes.

Nico: Hey, guys, how was your date?

Lincoln: It was awesome, Nico, we went to Gelato Beach.

Clyde: It was also our first time going on a date, Nico.

Nico: That's right, you and your harem haven't gone out on a date before, Clyde.

Me: And Lincoln made sure you and your harem stayed safe, as he promised your dads.

Clyde: That's right, J.D.

Syd Chang: It was so much fun, we'll be sure to do that again sometime soon.

Ronnie Anne: Better be prepared, next time, I'm going to take you down in a swimming competition, Syd.

Syd Chang: Bring it on.

Nico: And you'll be keeping track of them, boys.

Lincoln: Yep, that's right.

Later Lincoln was doing meditations in the gym, and Nico asked Bianca Dehli to help him out with a special training in Nirvana and energy.

Bianca Dehli: Okay, Lincoln. Now, then, during this part of the training, I want you to confront the very source that led to your anxiety and stress.

Lincoln went into a deep meditative state, and he went into the deep recess of his mind, where he met with Lincoln 2, Lincoln 3, and Lincoln 4, his counterparts/ancestors, and he had to confront the very source of his anxiety and stress: the horrible actions caused by the dark versions of Lori, Lynn, Lola, Lisa, and Luan, and how they formed a hive mind and forced the other sisters to join them and turn against Lincoln, along with those who've bullied Lincoln in the past.

Lincoln: I'm no longer afraid of any of you, you may have tried to humiliate and ruin me in the past, or even worse, tried to kill me. But, I've survived far worse, and I know that my real sisters wouldn't hurt me, all of you are nothing more than the last bit of that darkness that's haunted me for so many years. Once I get rid of you all, my heart, mind, and soul will finally be at ease for good.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super

Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he went after the shadows of the dark versions of Lori, Lynn, Lola, Lisa, and Luan, along with those who've bullied Lincoln in the past, and he fired powerful blasts of rainbow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, and rainbow crystals, and they explode with incredible power as they hit them. Then, he dealt the final deathblow as he cuts them down, and they explode in purple flame and were obliterated forever. Lincoln holstered his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds on his wider and muscular back, and he powered down.

Lincoln 2: You've done it, Lincoln.

Lincoln 3: This is exactly what Bianca wanted you to do: to destroy the very source of the stress and anxiety you'd carried for so many years.

Lincoln 4: And now, you've achieved True Nirvana just like Bianca, and it's all gone according to our plan.

Lincoln: Heh, you guys really are just like me, The Men With a Plan.

Lincoln's counterparts/ancestors and Lincoln shared a laugh together. Then, they heard the sounds of the angels singing and total peace being restored to Lincoln's mind, soul, and heart, and he and his counterparts/ancestors felt his infinite power and energy rising like crazy, and we also felt it from outside as well, as we saw Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Buffalos, Angels, and elemental forces flaring up like crazy, and then, we saw something happen: we saw a Third Eye open in the middle of Lincoln's forehead with the rainbow Thunderbird with gold lightning bolt emblazoned on his forehead, and the iris of the eye is rainbow colored, and it was so awesome.

Bianca Dehli: You've done it, Lincoln, by destroying the very source of that anxiety and stress in you, you have finally achieved True Nirvana, and you also now have a Third Eye just like me, and you also have a powerful mastery over Nirvana, chakra, and energy.

Lincoln: And my counterparts/ancestors had a plan for that one, and they asked you for help.

Nico: Whoa, so this was…?! They really are just like you, since you're The Man With A Plan, big guy, and you now have a Third Eye, that's even more awesome.

Lisa Simpson: A Third Eye of The Buddha, amazing.

---

Later it was time for Rarity's final Ambassador Mission.

Deadpool: I'll go with you guys too. If Digital Camera Jamen's there, someone needs to make sure he doesn't snap your pictures.

Me: Didn't expect that Wade. (To Author me) Did you expect that?

Jamesdean5842: No I sure didn't. Just make sure he doesn't cause trouble.

Me: Will do.

Laney: This will be awesome though.

Nico: Yep but thanks for looking out for us Wade.

Deadpool: Anytime.

Nico: But Tommy it'll be awesome for you all to meet the Kiramagers.

Tommy Oliver: It sure will be cool. I'm really looking forward to this one.

Eli: We all are.

Me: Too bad the previous Sentai Teams can't make it. 45+ Years is a long time for them. They are all retired now.

Nico: Yep.

Rarity: But it will be fun darlings.

Nico: Yep. Lets roll.

We were off to Japan.

We arrived at C.A.R.A.T. HQ.

Nico: Hey guys! We have a treat for you all today. Meet your fellow Sentai and Power Rangers.

They saw them.

Juru: Kairi! Good to see you, Lucky, Right, Keiichiro, and Yamato again!

Nico: You know each other?

Kairi Yano: Yep! It was when-

Deadpool: Hold it! No spoilers! (to the viewers) Sorry, folks. But until Zenkaiger vs Kiramager vs Senpaiger comes out, we can't reveal anything yet.

Jamesdean5842: He's right it doesn't come out till April 29th.

Nico: Yeah. But we can't wait for that.

Juru: Who is that?

Nico: Oh meet Wade Winston Wilson but you know him better as Deadpool.

Deadpool: Pleasure to meet you all.

Tommy Oliver: But it's a pleasure to meet you all.

Sayo: Likewise and it's an honor.

Sena: It's really an honor to be in the prescense of so many Sentai and Power Ranger teams.

Tommy Oliver: Same here.

Lynn: We have met many Power Rangers teams over the years and they are awesome.

Me: But we're still waiting to meet the Dino Fury Rangers. We had to wait about a year and a half to two years to meet them. But we also have to wait about another year to a year and a half to meet the Donbrothers currently in progress.

Nico: Yeah no kidding. But once we have the Dino Fury Rangers with us we'll have all the Power Rangers teams of America covered.

Eli: We still don't know what is gonna be planned for the 30th Anniversary of Power Rangers in America.

Rarity: Oh I agree darlings but it will be most fun to see.

Juru: It sure will be fun.

Me: Yep.

Sayo: It's a shame all of the Super Sentai teams aren't with you guys.

Jason Lee Scott: Well, the ones before the counterpart of my team are retired. Even though they did help out against Thanos.

Sayo: Thanos?

Me: You know him as the Mad Titan. That was one of the most devastating battles we've ever had in our entire history. On December 26th, 2019, we went into battle with the most powerful enemy of the Avengers, Thanos the Mad Titan. His goal was to destroy the Entire Universe and remake it in his own image with the power of the Infinity Stones.

I unsheathed my sword and showed them the Infinity Stones in it.

Me: Their power is completely immeasurable as they are the most powerful stones in the entire universe and are said to have created the entirety of the universe into what it is.

Juru: Wow!

Sayo: That is amazing!

Me: Yep. And to help us out one last time, the Sentai Rangers before the Zyurangers all helped us out for one last job.

Nico: That was amazing. But because of Thanos we suffered 2 casualities.

Eli: It was awful.

Shiguru: That is terrible! I'm sorry that happened to you all.

Takamichi: Yeah no kidding.

Princess Momoshiki: Yeah but at least you're all okay.

Me: Yeah but we saved the entire universe from total destruction.

Right: (to Juru) Expect my team to help out on the big day.

Juru: Oh you can count on it Right.

Me: It'll be awesome when we all team up.

Laney: It sure will.

Tametomo: Guys, I hate to interrupt but Digital Camera Jamen's back!

Nico: Just like Wade said.

Jamesdean5842: Well it's what was coming.

Me: Yep. This is gonna be a massive first for us. 44+ Years of Rangers helping out!

Lincoln: It'll be awesome! Sorry the Zenkaigers couldn't come help.

Me: Yeah we're gonna meet them on May 21st.

Juru: We understand. But this will be awesome.

Me: Yep.

Rarity: We're ready for this!

We were off to face Digital Camera Jamen!

We were facing DIGITAL CAMERA JAMEN!

Digital Camera Jamen: Smile for the camera!

Deadpool knew what was coming and sliced off his own arm. He then threw said arm in the way of Digital Camera Jamen just as he was about to take a picture of Yamato with his camera head. As a result, the arm was captured inside of his head.

Sena: Oh no! Deadpool doesn't have his arm now!

Deadpool: No worries. I can regenrate it after we beat this asshole!

Nico: Nice!

Me: That's just the start! Come on out guys!

Troy: Dammit, I don't have a pre battle catchphrase!

Juru: Neither do I. But let's kick some ass anyway!

Me: Not very many ranger teams do have that.

Nico: That's okay. We'll have to come up with those later on.

Eli: Plenty of time to do that in the neverending battle of good and evil.

Even with only one arm, which was his right one, Deadpool was still able to kick ass by using his gun to shoot the Bechats.

Takamichi: How are you still able to fight with one arm?

Deadpool: Most people prefer to use their right arm!

Me: He's right on that!

I slashed Digital Camera Jamen all over the place.

Lily: And I would like you Digital Camera Jamen. I'm into photography myself.

Digital Camera Jamen: Glad to hear that.

Nico kicked him down.

Applejack then lassoed Digital Camera Jamen.

Applejack: YEEHAW!

Applejack threw him into the ground and smashed him all over the place.

Juru: Rarity, you're about to see our super modes! (takes out Kiraful Go Arrow)

Rarity: Oh that is a beautiful bow.

Me: But watch this.

The Kiramagers donned their AWESOME SUPER MODES!

Rarity: Oh my! This is amazing!

Me: I like it!

Nico: YEAH!

Mizuki: This is amazing!

Me: It sure is. And I'll never forget seeing that awesome shot that killed Yodon.

Juru: OSK?

Me: One Shot Kill.

Juru: Oh I get it!

Nico: But it's not just you guys that have awesome Battlizers.

Me: Show him guys.

Andros: You got it!

The Red Rangers all donned their AWESOME BATTLIZERS!

Juru: Me and my team need to use these wisely. It lasts 100 seconds.

Me: That's a little over a minute and a half. We'll have to invent a power that enables it to last indefinitely.

Nico: Not a very big window of opportunity when we use it.

Eli: Yeah.

Juru charged at Digital Camera Jamen. He then smashed and kicked and pulverized him all over.

Nico: YEAH!

Eli: Chew on this!

Eli fired waves of Force Lightning at Digital Camera Jamen and electrocuted him all over.

Laney: Take this!

She formed a bramble vine whip and slashed him all over.

Me: I think it's time to call in some special backup.

I pulled out a dog whistle?

Nico: What's the dog whistle for?

I took off my helmet.

Me: You'll see Nico.

I blew it and then dog howls were heard and then THE ROAD ROVERS CAME!

Hunter (Road Rovers): LETS ROLL!

Colleen kicked and pulverized Digital Camera Jamen all over.

Colleen: (British Accent) Take that brute!

Blitz bit him in the butt!

Digital Camera Jamen: EEEEEEEEYOUCH!

Blitz: (Arnold Schwarzenegger Accent) Take that you big dummy!

Juru: Time for the finishers!

Me: Now this is the Fun Part!

The Rangers brought forth their powerful finishing weapons!

Nico: When I yell now, Fire!

Me: We're ready!

Nico: FIRE!

We fired a massive barrage of energy blasts and they all hit Digital Camera Jamen and he exploded!

EXTREMELY MASSIVE EXPLOSION!

HE WAS DEAD!

Nico: YEAH!

We cheered!

Nico: Digital Camera Jamen you have failed this city!

Emma Goodall: Serves him right for giving all photographers everywhere a bad name!

Me: It's not over yet!

Cloud Hildon then appeared.

Nico: The term cloud storage comes to mind right now.

Me: Cloud Hildon's name is really clever.

Kiramagers: Kiramazin!

Takamichi: Mashin Drijan!

Me: Time for some awesome Megazord power!

WE SUMMONED THE ZORDS!

Nico: YEAH!

Cloud Hildon fired explosive clouds at Kiramazin.

Nico blasted the clouds away and we fired waves of energy and lasers at him.

Eli: Time for this! JET JAGUAR! RODAN! ARISE!

A figure zoomed in at incredibly fast supersonic speed and it was RODAN!

Rodan: Looks like we got a nasty cloud freak!

He fired a powerful fire laser from his mouth and blasted him all over.

Jet Jaguar grew to huge size and smashed and kicked Cloud Hildon all over and knocked him down.

Nico: YEAH!

Juru: Wow! Eli is full of surprises!

Me: That's my bro. Now for the fun part! I was saving this for when you officially join the team but now is a great time. OMEGA SUPERZORD! ACTIVATE!

I put a key in My Kiramaiger Zord and then ALL THE MEGAZORDS MERGED TOGETHER AND FORMED INTO THE ULTIMATE POWER RANGERS ZORD! IT WAS THE SUPER OMEGA LEGACY SUPERZORD!

Me: SUPER OMEGA LEGACY SUPERZORD! ONLINE!

I was in the bridge!

Cloud Hildon roared.

Rodan: Oh Roar yourself!

Eli: You tell him Rodan!

Nico: Now this is gonna be awesome.

Me: You haven't seen anything yet. Everyone, LEGACY SUPERLASER BLAST!

We had the Super Omega Superzord fire a massive superlaser blast and the blast hit Cloud Hildon and he exploded into nothing! HE WAS DEAD!

Nico: YEAH!

Me: Cloud Hildon you have failed this universe!

Laney: TAKE THAT!

Nico: YEAH!

Sayo: All the Kaiju are amazing!

Eli: Yes they sure are.

Nico: Yep.

Pinkie Pie: BEST AMBASSADOR MISSION EVER!

Rarity: Yeah darlings this was so fun!

Juru: Rarity, ever since I met you, I've come to see you as the big sister I've always wanted.

Rarity: Really? (Tears up) OH JURU! (BAWLING) I'M SO HAPPY TO HEAR THAT!

She hugged him with tears streaming out of her eyes.

Nico: Oh Rarity. That is cool.

We came back.

Laney: That was so awesome and fun!

Hay Lin: YEAH IT WAS!

May: Hay Lin, in two days, your Ambassador missions are next.

Hay Lin: I'm looking forward to that.

Lana: It was so awesome.

Lola: Yep.

---

Nico was getting ready for something.

Nuova Shenron: Nico, the mascots want to ask you something.

Poromon: Can we prank call some of the others?

Nico: (chuckles) Alright. But make sure not to prank call ME, okay?

Poromon: Why?

Nico: You remember the Zenkaiger gears that me, J.D., Zarya, and Eli have? Well, me and Double D are developing ones that are based on the other 35 Sentai Teams. But our progress is going to take the whole day. So, please don't disturb, alright?

Poromon: Okay. We won't disturb you.

Poliwag: No we won't!

Manaphy: This will be fun! Bart Simpson gave us the idea. He and J.D. have awesome ideas.

Nico: I figured. Have fun.

He and Double D went into the lab and the door shut.

Kushina: So, who's first?

Bart Simpson: Lets start with Moe.

Me: Ah Moe Szyslak. This will be good.

Bart dialed and Moe answered.

Moe Szyslak: Moe's Tavern?

Bart: Is Normous there?

Moe Szyslak: Who?

Bart: Normous. First name Dixie.

Moe Szyslak: Hold on I'll check. (To patrons) Is there a Dixie Normous here? Dixie Normous? Come on do I have a Dixie Normous!?

The Patrons laughed and we laughed too!

Barney Gumble: Then you should get dick reduction surgery!

Moe Szyslak: WHY YOU LITTLE! YOU LITTLE S.O.B.! IF I GET MY HANDS ON YOU I'M GONNA RIP OUT EVERY SINGLE BONE IN YOUR BODY! (HANGS UP)

Seawing: Hey that was a good one!

Kushina: Yeah it sure was!

Seawing: (to the mascots) You guys can have a shot now!

Poromon: Okay and I know just the one.

Poromon called Mr. Burns in his cell in the Neptune Prison.

Guard: Hey Burns call for you.

Burns: Ooh!

He got the phone.

Burns: Ahoy hoy?

Poromon: (In a falsetto) Hello I was wondering if you know anyone named Ole Tabooger?

Burns: Ole Tabooger?

Guard: EW! Give me that Burns!

We laughed!

Guard: That was a good one.

He hung up.

Hardhead: Who's next?!

Kushina: Lets see. Ooh I got one.

Kushina then called Benson.

Benson: Hello?

Kushina: Hello I would like to speak to a Mr. Snotball. First name Ima.

Benson: I'm a Snotball?

Mordecai: YOU SURE ARE!

They laughed at Benson!

BENSON ROARED AT THEM!

We laughed too!

Manaphy came and she had the mail.

Manaphy: Mail's here!

Me: Lets see.

I looked through it and then got a strange letter and I opened it and then read it and I gasped in shock!

In Nico's room, he was having a private conversation with Double D through com link.

Nico: Tell me about the Zenkaiger gears we're working on. What's the status of their development? (listens to what Double D says) Mm-hm. Uh-huh.

I then entered Nico's room.

Me: Nico, buckle your seatbelt. We've got a situation going on right now!

Nico: Not now, J.D.! Please, continue Double D. No, nothing important.

I then groaned in frustration and exited Nico's room. In the hallway, the others were waiting.

Lincoln: Did you speak to Nico about the… invitation we just got?

Me: (sighs) He was otherwise engaged.

Eli: Busy with something?

Me: Yep.

William: J.D., I don't think this is a good idea.

Me: Why not?! I've had it up to here with the assholes from Quahog! It's time that they got a lesson in pain! Also Nico was busy with something so what else are we gonna do?

William: No argument here! But we shouldn't go behind Nico's back for a war. After all, we do report to him. Especially me!

Me: Not this time! I was the one who lead the attack on Quahog all those years ago! Meaning, dear William, that you now report to me. Do I make myself clear?

William: Yes sir and I remember that!

Me: Lets go get them!

Lord Drakkon then appeared.

Lord Drakkon: I better film this for Nico just in case.

Me: Thanks Drakkon. Lets go!

We were off!

Tantrum: Boss, you can't seriously agree that going behind Nico's back is a good idea!

William: There's nothing I can do about it, Tantrum. Like it or not, J.D.'s right. He was the one who led the attack on Quahog the first time. So, the only option is to follow him.

Tantrum: I wasn't there when it happened. What went down?

Me: Well it was before Nico joined us. We blew it up with M.O.A.B. Bombs and reduced to it nothing but a crater after we found out more about its corruption.

I went over what happened in the events of chapter 371 and it was awesome. When I was done they were shocked.

Tantrum: WHOA! That was amazing.

Me: Yep.

Then Major Disaster, Trap Jaw, Living Laser, INSTIGATOR, Captain Cold, Man Ray, Common Cold, Cluemaster, Cantwell, and Beetle appeared.

Major Disaster: I know Nico's not here right now. But can me, Trap Jaw, Living Laser, INSTIGATOR, Captain Cold, Man Ray, Common Cold, Cluemaster, Cantwell, and Beetle go with you guys anyway?

Me: Yes you all can. And this was a mission that we did before Nico joined us. Also this was a mission we had when the team was just starting out with its name.

Lincoln: That's right! I remember that! That was awesome.

Captain Cold: I remember that! Your name came up all over the news at Legion Of Doom HQ. It was called The Rise of Team Loud Phoenix Storm.

Me: Yep. That's right Leonard.

Overbite, in his robotic shark form, was gathering abalones.

Maria: Overbite, now isn't the time to be swimming!

Overbite: I know that! But I'm gathering these abalones to unleashed on the Quahog scumbags.

Me: Good idea.

Lincoln: Yeah.

Me: We're almost there. I'll send a couple of warning shots.

Lincoln: Okay.

I fired energy blasts and they hit the Quahog Crater and blasted it all over in powerful explosions.

Hundreds of people were destroyed in the explosions.

Lord Drakkon: Nice shooting J.D.

Me: That was just for starters.

We then went over and we saw QUAGMIRE!

Me: QUAGMIRE!

Quagmire: YOU!

Me: YES ME!

Cuckoo Clocker: Wait. Quagmire's leading the Quahog citizens against us?!

Me: It sure looks like it! I've had enough of this fuckwad to last an eternity!

Lincoln: Me too! This rapist needs to be destroyed forever!

We fired waves of elements and energy and blasted them all over.

Cantwell: (to Connie) From teacher to student, you need to be disciplined! (to Sheppard) And I'm filing a complaint to you from teacher to principal!

Me: Yeah you are BAD STUDENTS! If I were a Superintendent I would say to you Connie, YOU'RE EXPELLED AND FORBIDDEN FROM EVER ATTENDING ANY SCHOOLS EVER AGAIN! And you Principal Shepherd, YOU'RE FIRED AND YOU'RE LICENSE IS FOREVER REVOKED!

I punched them both and kicked them down.

Quick Man: (to Jeff) You're siding with your brother against us even after what he did?!

Jeff: Hey, I don't like working alongside Glenn after all the rape crimes he did! But I have to get back at you guys somehow! My hands are tied!

Quick Man: I know. When this is over, you can tell the authorities about what Quagmire has done to prepare for this assualt against us.

Me: That's right you SHITSUCKING FUCKBUCKET!

CRUNCH!

I kicked him square in the crotch with devastating force and he screamed like a little girl!

Quick Man: (WINCES) OOH! That had to hurt!

Cluemaster: I think we should go after the weaker ones first.

Me: Good idea.

We went at the weaker targets and smashed and pulverized and blasted them all over.

Lincoln: TAKE THAT!

Captain Cold: Chill out!

He fired an ice blast and froze many citizens all over.

Carter Pewterschmidt: You are cold!

Me: Not as cold as this!

I punched him in the face and smashed Carter down.

Me: That's what you get for hurting your own daughter!

We then saw Peter Griffin!

Peter Griffin: Where's Nico? I don't see that piece of shit here! Maybe he doesn't know about this whole thing!

Me: OH SHUT YOUR FUCKING TRAP YOU TESTICLE CHINNED ASSFUCKER! No wonder your moron fucksack father hates your fucking guts!

Breach: J.D., as much as I hate agreeing with this fatso, we have to regroup and come up with a solid plan of attack!

With that, Breach got everyone out with her portals.

Quagmire: That's right! Run, you cowards!

Jeff: Back off, dude! They'll be back!

Quagmire: I thought you were on our side!

Jeff: For now! But after this, I never want to see your rapist face again!

Quagmire: Says the guy who beat my sister!

Jeff: At least I'm man enough to admit that!

They beat each other up in a brutal fight!

Later we came back.

We were enraged!

Me: I can't believe we ran! FROM THE QUAHOG CITIZENS!

Jackie Chan Finn: Only so we can stock up on some of the more powerful weapons that we go. (turns to walk into the estate) Let me just-

Finn bumped into someone. Fortunately, it was not a Quahog Citizen but it wasn't something good either: Nico. And he didn't look happy, the reason they gasped in fear.

UH OH! DEEP SHIT TROUBLE!

Nico: Would you guys like to tell me WHAT THE FUCK IS GOING ON?!

Me: (nervously) Absolutely nothing, Nico.

William: All is quiet, too quiet. One could even say dull.

Nico: Funny. Because I've been hearing a lot of explosions even from here for the last few hours!

Me: Allow me to handle this, guys. (points to William) It's William's fault!

William: Exactly, my… WHAT?!

Me: He got an invitation in the mail from the Quahog Citizens who want payback on us! So he led us into battle but we ended up fleeing! And now, the Quahog Citizens are probably about to invade Gotham Royal York to look for us!

Nico: I don't know what you're talking about J.D. Hell, I don't even know if you got any sleep since yesterday. But if I find out that you tried to go after All for One alone beause of stress…

Little did Nico know that Consuela was behind him with a gun.

Me: (sees this) Um, Nico?

Nico: Let's just say that not even your immortality will save you from the punishment I have planned!

Nico then heard something and saw Consuela there.

Nico: Consuela? What are you doing here?

Consuela: Mr. Quagmire sent me to take you out. (fires gun)

Nico dodged the bullet and fired one of Boomerang's boomerangs at her, knocking her out. Nico then turned to glare at me, William, and the others.

Me: (sheepishly) We did try to tell you.

William: Mm-hmm.

Nico: Well it will have to wait. Lets get her to the interrogation room!

We tied her up.

Me: And for the record Nico no I did NOT go after All For One by myself. How crazy do you think I am to do something like that?

Nico: Yeah.

Living Laser: (to Nico nervously) Nico, I know I probably don't have the right to ask you this. But which Gene Slammer do you think you'll meet on your next rescue?

Nico: (laughs) Relax, Arthur. I'm not mad at you at all.

Living Laser: Good.

Nico: And to answer your question I'll go meet a Zenn-Lavian gene-slammer next.

Me: One of Silver Surfer's species.

Eli: That will be interesting to see.

Nico: Yep.

Laney: Cool!

We had her in a light like in a detective movie.

Wendy Koopa: Alright, Consuela! Talk!

Consuela: No no. I no talk.

Nico: Talk right now or we'll use methods of torture!

Anko: Yeah and we have ways of making you talk.

Ino: That's right!

Consuela: No no.

Nico: All right then. We'll do this the hard way. Ino?

Ino: NINJA ART: MIND WALK!

She went into Consuela's mind and found lots of INCRIMINATING EVIDENCE!

Trap Jaw: What did you find?

Ino: All kinds of terrible things.

Ino told us that Consuela was hired by Quagmire to kill Nico but also Quagmire vowed that he and many of Quahog would come back from the dead and get revenge and declare war on us for killing them.

Nico: Whoa man!

Lord Drakkon: Ino is right and here is what went down.

Nico saw the footage of our fight and he was both amazed and shocked.

Nico: WHOA! This is crazy!

Eli: Wow!

Nico: It's clear that this situation has spiraled out of control. Therefore, I've got no choice but to revive Reverse Flash and get MODOK of out of prison. (to RD Lincoln) RD Lincoln, mobilize our forces and send them keep the Quahog Citizens occupied until we arrive.

RD Lincoln: Right, Nico!

Nico: (to me and William) Your fates, however, however, remain to be seen.

Nico and William look at each other nervously.

Nico: (growls) WHY THE FUCK ARE YOU STILL HERE?! Help the troops keep the Quahog Citizens occupied! At least until the rest of us get there!

Me: Right!

We were off!

Reverse Flash and MODOK appeared.

Nico: Thawne, I can't believe it's come to this. But we need you and MODOK's help.

Reverse Flash: (amused) You need to keep yourselves entertained by humiliating the two of us this time?

Beetle: C'mon! This is very serious!

Nico: Quahog's deceased citizens are back and are here for revenge. I don't even know what happened back then.

Laney: You weren't with us when it happened Nico. It's a really awesome story.

Nico: It is?

Laney: Yep.

Laney told him what happened in chapter 371 and when she was done Nico was amazed.

Nico: Whoa! I had no idea.

Eli: You didn't answer J.D. so they went off to take them on.

Nico: So J.D. did that with a bunch of others because I ignored them? Oops.

Bowser: I know Nico's just doing this to punish us. But how are we the best choice to keep the Quahog Citizens occupied?

William: Dude, you're a fire breathing Koopa. J.D. has alot of powers. And my blaster is strong enough to keep those assholes busy. Is that reason enough?

Me: Yes it is. But lets focus.

INSTIGATOR: (to Reverse Flash and MODOK) So, can we trust you two to help us with this mess? Eli's here to sense if you two are gonna pull a fast one on us.

Reverse Flash: You have our word.

MODOK: Yes.

Nico: Good. I owe J.D. an apology after this. I was wrong to accuse him of going after All For One all by himself. Lets head out!

They were off!

Barricade: (to Eli) So, what did you sense from those two during that entire conversation?

Eli: No ill intentions at all. They are sticking to their word.

Barricade: Good.

Nico: Yeah that is true.

They headed out.

Yamato Man: Let em rip, Overbite!

Overbite: Get em, my abalones!

He fired a bunch of Abalones and they bit the citizens of Quahog all over.

I fired a bunch of fire blasts and burned the citizens all over.

Then Mojo Jojo, Copperhead, Biowulf, Hank Scorpio, Electropede, Salami Swami, Gramma Stuffum, Leap Frog, Turtle, and Puff appeared.

Nico: Mojo Jojo, Copperhead, Biowulf, Hank Scorpio, Electropede, Salami Swami, Gramma Stuffum, Leap Frog, Turtle, and Puff

Peter Griffin: Good! So, the usual battles can begin and we can form a plan to get back at you guys for this.

Copperhead: (chuckles) Oh, we're having the usual battles, all right.

Biowulf: Against all of you!

Quagmire: WHAT?!

Hank Scorpio: There should just be about enough of you to cover all the battles.

Nico: And we're going to pound your faces into oblivion!

Electropede: (to Nico) We heard you went back to Tamaran.

Nico: Yep we sure did.

Salami Swami: How was it?

Nico: It was really awesome. We took down a lynch mob about to attack the castle.

?: That is awesome.

Then a figure came out and it was RING SHADOW From episode 18 of ToQgers!

---

He has a possessive personality. The Headache Rings he creates causes unbearable headaches to the person who wears it whenever his/her name is heard, and can only be removed by Ring Shadow himself. Zaram, who has once again been pulled into the ToQgers' fight, falls victim to this, and was freed from its effects after accepting the human name Akira Nijino from the ToQgers. After the now 6 member ToQger team defeats him in his human size, Ring Shadow grows into a giant where his diamond-hard defenses are too much for ToQ-Oh to handle. ToQ 6gou brings out the Drill Ressha to form ToQ-Oh Drill, which is able to destroy Ring Shadow once and for all.

---

Akira: Ring Shadow!

Nico: I remember you! You were sent to make unbearable headaches with those Rings of yours. Also that was when Akira joined the ToQgers for the first time.

Ring Shadow: That's right. Good memory.

Nico: Yep.

Ring Shadow: After this, you guys can open my safe. It's only fair you recieve the weapons in it as a prize.

Nico: Fair enough. Lets split them up and take it to them!

We got our fights underway.

They fired waves of elements and energy and smashed Darth Stewie and blew him apart!

Nico then teleported and opened Ring Shadow's safe. And in it was a bunch of swords and spell books called the Destroyers of The Wicked Witch of The West, they're large swords with the anti-Wicked Witch of the West symbol etched on the 6'10" massive, wide, double-edged emerald green blades, large emerald green angel wings for the crossguards, large emerald gems embedded in the rainguard, longer emerald green handles, and large emerald gems surrounded by angel wings for the pommels, and large emerald green spellbooks with the symbols of Oz on the cover, and inside the pages of the books are some awesome spells that'll give those who threaten the land of Oz a nasty surprise. Once in hand, they'll get a massive power and energy increase.

Nico teleported back with them.

Lincoln and his harem: MOLLUSK FINAL SMASH: EXPLOSIVE MOLLUSK BARRAGE!

They fired elemental energies which turned into exploding mollusks right at the people of Quahog which then explode on contact!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

All of Quahog minus Peter, Consuella and Jeffery were completely obliterated in the explosion! Their spirits appeared!

Lincoln: I've had it up to hear with you to last an eternity, Quagmire. This time, stay dead and gone for good!

Lincoln transforms into Gravity Lincoln, as the 7'5" tall, handsome, and extremely muscular man's long, white hair that reached the bottom of his neck turned purple, except for the rainbow lightning bolts on the bangs and the rainbow Thunderbird emblazoned on his forehead, his deep sapphire blue eyes and the rainbow eye of his Third Eye turned deep purple, the eight large orange orbs orbiting around his legs turned ocean blue, his large blue pants had turned purple, but the rainbow colored lightning bolts on them remained the same, his massive orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs turned purple, his orange version of He-Man 2002's loincloth and long orange trenchcoat coattails with elemental forces, thunderbirds, buffalo, and angels turned purple, and his massive deep sapphire blue angel wings with stars turned deep purple.

Suddenly, we saw the full moon shine down on Lincoln, as it's infinite energy was fueling him, and he was gaining a massive power boost to his infinite energy and power.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Glenn Quagmire. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song.

Then, Lincoln fired powerful blasts of gravity and lunar energy from his massive deep purple angel wings with stars in the feathers, and once the powerful blasts hit Quagmire, Lincoln began draining the unrepentant rapist of his life force, and we saw that he was shriveling up, and Lincoln's energy aura was flaring up like crazy as he was gaining a massive power and energy boost to his infinite energy and power. Then, after Lincoln was done draining Quagmire of his life force, Quagmire was reduced to a mummified husk, and the gravitational energy beams began pulling his mummified husk apart.

We were stunned by what we witnessed.

Me: Whoa, so that's the Artemis' Lunar Curse in action?! That's brutal!

Nico: It sure is, dude, but it's perfect for someone like Quagmire, since he's nothing but a rapist who abuses women and children, especially Brian after that little incident. But, that curse sure is effective and powerful, awesome job, Lincoln.

Lincoln: Thanks, Nico. Now, let's banish those assholes to The Black Gates for good.

Then, Lincoln changed back, and we banished both Quagmire's spirit and the spirits of most of the people of Quahog to The Black Gates, and they were erased from existence forever.

Lincoln: People of Quahog, you have failed the entire United States, and stay gone forever, you evil pieces of crap!

Nico: Yeah, that's telling 'em, big guy! That'll show those assholes.

Me: Now, we're finally rid of Quahog for good, and now, we won't have any trouble for tomorrow.

Lincoln: That's right, the battle against All For One is tomorrow.

Nico: And those morons from Quahog picked the wrong time to return from the dead to get revenge on us.

Lincoln: But, we had to make sure they won't dare to interfere for tomorrow, and in the process, we're now finally rid of the people of Quahog, and this time, they're staying dead for good, and they are never ever coming back.

Nico: That's true.

Leap Frog: Looks like it's the end of Quahog.

Turtle: Thank goodness.

Eli: Thank goodness. Now Quahog is a forgotten memory.

Nico: Peter and Consuela are both in the Masters of Evil prison. Jeff has agreed to turn himself in. And Mojo? (glares at me) Having just wasted valuable resources on this pointless war, I can't stress enough the importance of the other Zenkaiger gears. See if you can help Double D speed things along, will you?

Mojo: Understood, Nico.

Nico: William, need I remind you that as the leader of the Redemption Squad, you report directly to me, not J.D.

William: (ashamed) Understood, Nico. I'll accept any punishment you want to give me.

Nico: (puts hand on his shoulder) No. I know you wanted to report to me about this. So, you're let off the hook. And we'll go out for ice cream later.

William: Really? Thanks!

Nico: You're welcome. (glares at me) And as for you!

Me: (nervously) Nico, if you just allow me to explain things-

Nico: No! Allow ME to explain things. In a manner which I know you'll understand.

Nico slowly advanced towards me cracking his knuckles, causing me to whimper in dread.

Meg: I'm glad my former hometown is finally gone. But what do you think's gonna happen to J.D.?

Puff: No idea, but one thing is for sure: I don't wanna be him right now.

Gramma Stuffum: Let's not worry about him right now. (to Meg) I'll whip up that meal I promised to give you!

But then…

Nico: You did well J.D.

Everyone: (Confused) HUH?!

Nico: You did well against the people of Quahog here for us while we were busy.

Me: I did?

Nico: Yeah it was a mission before I joined the team a while back and I was told everything. But in all honesty I did not expect the people of Quahog to come back for revenge.

Me: No one did.

Laney: Yeah it was crazy.

Nico: Just don't do what you did today again J.D. And I'll try to listen next time.

Me: Okay.

?: I will have my revenge on you for ruining everything, Tormund Ellis!

Tormund Ellis: I knew there's no mistaking that voice from anywhere. You can come out, Werelupe King.

A large Lupe with red eyes and a bone crown came out, and it was none other than The Werelupe King, and with him are his army of Werelupes.

Tormund Ellis: I should've known you'd return, Werelupe King. You refuse to stay gone for good, but now, we're going to get rid of you once and for all!

Werelupe King: We'll see about that. Werelupes, tear them to shreds!

One group of Werelupes advanced to kill Tormund Ellis, but a blast of fire scared them off. They soon saw where it came from: it was from Yue Ying's invention, the Juggernaut.

Sunset Shimmer: I knew Yue Ying was going to get out her favorite invention, The Juggernaut.

Lisa Loud: Newton's Theory, that's incredible.

Sunset Shimmer: There's no way that the Werelupes will try to attack without getting burned by Yue Ying's prized invention, she's not only skilled in the martial arts and astrology, but she's also a gifted inventor.

Yue Ying: Thank you, Sunset Shimmer. And now, let us put an end to The Werelupe King once and for all.

Suddenly, Yue Ying's brown eyes turned neon brown, and she was surrounded by a green energy aura with green lightning, and dragons, she got out her Lunar Dawn dagger axe, and as she approached The Werelupe King, she left green energy, green lightning, and dragons with every step.

Yue Ying: I will never forgive you for what you've done in causing havoc throughout Neopia, Werelupe King, and now, I will see to it that you and your army will die here and now.

Suddenly, Yue Ying was surrounded by a massive vortex of green energy with green lightning surrounding it, there's a dragon flying around the vortex, and inside the vortex is a green phoenix. Then, as the vortex faded, Yue Ying emerged, but she was changed forever.

Yue Ying grew to 6'5" in height, she had the body of a goddess and she has green highlights in the bangs of her long brown hair, she has neon brown eyes and a green energy aura with green lightning and dragons surrounding her, she has a Chinese dragon holding the Thunder Kanji inside of its claws emblazoned on her forehead, she has on dragon earrings with green gems for eyes and holding the Thunder Kanji in its claws, and she also has a dragon with green gems for the eyes and the Thunder Kanji in its claws alongside the Thunderbird for the second pendant of her Thunderbird Necklace of Eternal Love with green gems on the gold lightning bolts and green crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Yue Ying has on a green and white sleeveless top with a gold phoenix on it, green skirt with the Shu Dragon on it, green pants, white ankle-length combat boots, she has on green weighted bands with silver phoenixes on her biceps and thighs, and she has on a long green sleeveless silk coat with lightning bolts and a dragon on it, and on the back is a dragon surrounded by lightning. Yue Ying felt a sharp pain on her back, and then, massive brown angel wings with green tips on the large brown feathers, sprouted out of her back. Yue Ying has on a Ring of The Phoenix with green gem on her right ring finger.

Suddenly, Yue Ying's Lunar Dawn dagger axe was surrounded by a kaleidoscope of green energy, green lightning, and dragons, and when it emerged, it was transformed into Dragon King's Dagger Axe of Justice, it's a new dagger axe with a 8'11" crimson red pole with a large silver sickle with a gold dragon etched on it and a large spearhead on top of it with a red tassel and on the other end is a gold diamond for the pommel. Yue Ying has on her new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, gold Belt of Elemental Bravery with a gold dragon head with a large green gem in its open mouth for the belt buckle, large green Spellbook of The Gods and The Universe and large green Spellbook of The Elemental Gods on her left hip and her Eater of Sins revolver holstered on her right hip. There are gold

Chinese characters right below the dragon that said, "Yue Ying, Intelligent and Gifted Inventor, Warrior and Defender of Shu, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Master of The Dagger Axe, and Master of Lightning and Dragons."

ユエ・イン、知性と才能のある発明家、シュウの戦士と擁護者、リンカーン・ラウドの愛する未来の妻、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、短剣の斧のマスター、そして稲妻とドラゴンのマスター

Yue Ying has transformed into SUPER ANGEL INFINITY DIVINE THUNDERSTORM DRAGON ANGEL OF ELECTRIC JUSTICE AND DIVINE LOVE!

We were amazed by Yue Ying's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when The Werelupe King saw it, the evil beast rushed in to kill her, but Yue Ying attacked him with her new dagger axe and left a scar on his chest.

Lincoln: Wow, Yue Ying, you look beautiful. How do you feel?

Yue Ying: (Divine Echoing Cosmic Voice of The Lightning Dragon and Divine Love) **I feel incredible, Lincoln. Now, shall we put an end to The Werelupe King and his army once and for all?**

Lincoln: (Smirks) With pleasure, Yue Ying.

Tormund Ellis: You ready, Roberta?

Roberta: Ready when you are, Tor.

Suddenly, Lincoln let out a growl as the 7'5" tall, handsome, and extremely muscular man's black pupils in his deep sapphire blue eyes turned into slits, his canines grew into sharp fangs, his nails then grew into sharp claws, large white pointed werewolf ears grew out of his head, and then, his massive and powerful muscular body was covered in white fur and his chest and abs were also covered in white fur, his face elongated into a sturdy white wolf's snout, and his massive, long, and powerful eleven white werewolf tails with large black wolf heads sprouted out, and he let out a loud howl. Lincoln transformed into Lincoln the Nocturnal, and he unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he also transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope.

Then, Tormund Ellis unholstered his massive Meridell's Knight Sword of Chivalrous Bravery and Strength and large Meridell's Knight Shield of Chivalrous Fortitude from his wider and more muscular back, and he transformed into Super Angel Eternity Infinity Elemental Lupe Knight Angel of Neopia's Justice and Meridell Hope, and Roberta got out her wand, and they joined Yue Ying.

Lincoln: (Divine Echoing Beastly Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's tear The Werelupe King and his hordes of Werelupes to shreds!**

Lincoln, Yue Ying, Tormund Ellis, and Roberta went after The Werelupe King and his hordes, and they fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, Dragons, and Lupes at The Werelupe King and his Werelupe horde, and they exploded with incredible power as they hit the Werelupes. Then, Roberta blasted several of them with her wand, and Lincoln, Yue Ying, and Tormund Ellis tore the Werelupes to shreds and destroyed them. Then, they attacked The Werelupe King with their weapons, and they left painful scars on him, and he was really badly injured.

Yue Ying: **Shall we bring an end to this fight once and for all?**

Lincoln: **Let's do it, Yue Ying.**

Tormund Ellis: (Divine Echoing Cosmic Voice of The Elemental Lupe and Meridell Hope) **This is the last time that we deal with you once and for all, Werelupe King.**

Lincoln, Yue Ying, Tormund Ellis, and Roberta: **NEOPIA ETERNAL**

**JUSTICE KAMEHAMEHA!**

Then, Lincoln, Yue Ying, Tormund Ellis, and Roberta fired two massive Kamehameha waves made of rainbow energy and green energy with elemental forces and the Neopets at The Werelupe King, and as they hit him, they exploded with incredible power and they destroyed him, and The Werelupe King and his Werelupe hordes were Super Hakaied forever. We cheer wildly for Lincoln, Yue Ying, Tormund Ellis, and Roberta as they holster their weapons and power down and Lincoln changes back, and Yue Ying's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Yue Ying: That takes care of another enemy of Neopia. Thank you for helping me with taking care of The Werelupe King, Tormund Ellis and Roberta, and you too, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Yue Ying.

Suddenly, Yue Ying wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Yue Ying's face, they kissed passionately as Yue Ying then wrapped her left arm around Lincoln's wider and muscular back, and she'd placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, Angel, and Dragon flying in the air, along with lightning crashing down behind them, and we also saw a herd of Buffalo and the packs of wolves running across the field, and the display of the elemental forces behind them, and we cheered for them.

TLPS Mr. Wolf: Those Werelupes didn't stand a chance, especially not if they wanted to be burned to a crisp by those Juggernauts.

Me: And in the process, we got rid of another enemy of Neopia for good.

Nico: But, there's bound to be more enemies of Neopia out there, but we'll be ready for them, J.D.

Lincoln: You bet we will, Nico.

Meg: (To the viewers) This was a great adventure and now we're finally free of Quahog.

Nico: Yep we sure are. You all did great! Lets head home. Tomorrow is the big day as we go take down All For One and make his pay for everything he has done.

Me: Yep.

We went home. Quahog was now a forgotten memory. We enjoyed the rest of the day and we all went to sleep.

Meanwhile in the world of MHA, Izuku and friends were all getting ready for the awesome adventure we'll have with them. All For One's final days are coming.

Izuku: I have a feeling we're gonna be in for a big fight.

Bakugo: Yeah it will be awesome.

Ochaco: It will be awesome making All For One Pay for his crimes. And J.D. left his mark on him.

Izuku: He sure did. Now it's time for us to deliver the final blow to All For One!

Everyone: YEAH!

They went at the screen and it turned green from Izuku's green lightning aura!

Another Awesome Fanfiction Done!

This was a chapter that I made up and it was also an illegitimate sequel to chapter 371. It was really awesome! Hope you all liked it. The first part of the chapter was for a visit to Starfire's home planet, Tamaran and that was a cool one. It had the same Lynch Mob from Beauty and The Beast minus Gaston and LeFou in that one and it was awesome facing them. The second part is for the awesome show Johnny Bravo and that was a REALLY funny show! Johnny Bravo may have been a hunk and a dimwitted guy but he was really awesome. Van Partible made an awesome show back then. It was really funny! It aired from July 14, 1997 - August 27, 2004. Seven years of funny fun. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, me, Captain Marvel, Eli, Silver Surfer, Tara, Beast Boy, Robin, Starfire, Raven, Cyborg, Kole and Lincoln head into the world of Marvel's Super Hero Squad, and we're going to destroy Super Hero Squad Dr. Doom! This will be awesome and funny and we're going to meet Nico's friend Vina Lexxington who is now a Zenn-Lanian Gene-Slammer. She is now a gene-slammer for one of Silver Surfer's Kind. So awesome. And she is from Hawaii and is an awesome surfer. Next for Lincoln's rescue we'll go on the biggest clean up spree ever and we're going to pick up all the Kryptonite on the planet that was brought to Earth when Krypton exploded. We're going to pick it all up and hide it in a special place at the estate and we're also going to meet Silvia Excelsior, a Gene-Slammer for Sillva, Warlord of Dark World and she is the 4th member of the Dark World Goth Gene-Slammers. Buckle your seatbelts everyone for a massive and explosive adventure as we go to the world of My Hero Academia and we're going into battle with All For One and we're going to make that monster pay for his crimes and we're going to see to it that his reign of terror ends that very minute. Also we're going to face the Mystic Force Foot Soldiers and we're going to REALLY LET LOOSE ON THEM! We're all going to not only meet Izuku and his friends but ALSO we're going on the most explosive special mission ever. Nanette will transform twice in this one. Once for All For One in phase 1 so I'll need the transformation sequence for that one and for phase 2 against a villain of the Guest Reviewers choice.

See you all tomorrow.

# WAR WITH A SUPERVILLAIN ARMY

Flying over New York City was Nico, me, Captain Marvel, Eli, Silver Surfer, Tara, Beast Boy, Robin, Starfire, Raven, Cyborg, Kole and Lincoln and we were there to go on another awesome and great rescue.

Nico: Thanks for coming with me, Carol.

Captain Marvel: No problem Nico. This is gonna be amazing to see another version of us. We already saw another version of Carnage and that one was a funny one.

Me: He sure was Carol. And believe it or not I know that version too. It's the Super Hero Squad version of him. These versions of the Marvel Heroes and Villains are more funny and awesome.

Eli: I love Marvel Super Hero Squad. Great show.

Tara: That is so awesome. And some of the heroes of that show are ones we haven't met in our world yet.

Silver Surfer: That is true. So we're going after the SHS Dr. Doom here.

Me: He's not really a pure evil baddie. We're going to recruit him into the M.O.E.

Nico: Good call there.

Beast Boy: This will be awesome.

Nico: Carol, in this world and the Yost One, you're called Ms. Marvel.

Captain Marvel: I know and it's awesome that I have 2 Superhero Identities. That is amazing.

Nico: It sure is.

Me: I think it's awesome too.

Eli: It sure is. I wonder who we'll face in the Yost World this time.

Starfire: That will be most curious to see.

Kole: It sure will be awesome though.

Nico: J.D., I hope you realize that what you pulled was a stupid idea.

Me: Well, excuse me if I wanted Quahog to suffer for its' corruption!

Nico: But did you have to go behind my back to do it?!

Me: You were too busy to talk to me man. I'm sorry okay!?

Nico: Oh apology accepted.

Me: Okay. Eli please don't bonk our heads together.

Eli: I won't. But we're watching you.

Nico: Good.

Me: Also Nico today is the big day for Nanette. I'm really excited about this one.

Nico: Me too. It'll be awesome to see Izuku and friends again. We owe them big time for helping us against Hawk on Eric and Sheila's wedding.

Me: Boy no kidding and that was awesome that they helped us.

Robin: It sure was cool.

Nico: In our world, Kamala Khan is called Ms. Marvel.

Me: Wow! She's one of the Inhumans and she has super elasticity. We haven't met her yet though.

Nico: That's true. But that is also really coincidental. Carol Danvers is not only Captain Marvel but also Ms. Marvel too.

Me: And we also have Kamala Khan who is also Ms. Marvel too.

Eli: Wow! That is neat.

Captain Marvel: That is really confusing.

Nico: Okay. To clarify, in our world, Carol is Captain Marvel. Kamala Khan is Ms. Marvel. Comprende?

Me: That's much better.

Nico: Good.

Robin: Yes that makes it much better.

Eli: Don't forget that Carol also goes by the name of Warbird too.

Captain Marvel: It's true. I am also called Warbird.

Me: Wow! 3 Personae for you Carol.

Captain Marvel: Yep.

Starfire: Wow that is amazing.

Nico: The Super Hero Squad should be around here somewhere.

We then heard an explosion and it was coming from DR. DOOM'S LAIR!

Me: Dr. Doom's fortress!

Nico: Whoa! Just like in the Yost World. LETS ROCK AND ROLL!

We flew at the fortress and then we smashed in and saw the Super Hero Squad facing SHS Dr. Doom, MODOK and Abomination and they were fighting for THE INFINITY SWORD!

Eli: WHOA MAN! That sword is the Infinity Sword! It's just as powerful as the Infinity Stones!

I felt the Stones reacting to it!

Eli then grabbed the Infinity Sword and its power was awesome!

Eli: Now we'll give you 2 choices Doom! 1: You can surrender and join our frenemies in the Masters of Evil or 2: We fight and you die.

SHS Iron Man: I would pick option 1 if I were you doom!

?: That would be a wise choice!

Another Zenn-Lanian appeared.

Zenn-Lanian: (in a girls voice) Do that one.

Nico: That voice. Vina Lexington?

The Zenn-Lanian reverted back and she was a girl with blond hair and yellow eyes and blue clothes and sandals.

Vina: Nico? Wow you look awesome!

Nico: Thanks.

SHS Doom: Oh fine! You all win!

Captain Marvel: What's your favorite memory of Nico?

SHS Wolverine: Carol? (sniffs) No. You're a different one.

Me: That's because she is with us in our universe Logan.

SHS Wolverine: What? How did you know my name?

SHS Iron Man: Wait a second. You're the famous Team Loud Phoenix Storm!

Me: That's right. An honor to meet you all in person Tony. We heard so much about you from this worlds version of Carnage.

Eli: It's awesome to meet you all too.

SHS Hulk: Hulk think you guys are great.

SHS Ms. Marvel: You all are awesome to have taken down Doom like that.

Nico: Not one to brag but yeah.

Vina Lexington: Yeah but Carol to answer your question my favorite is when me and Nico both one won the Big Kahuna of Hawaii Surfing Contest and we literally blew the entire contest away.

Me: Get outta here! You guys won that contest too!?

Lincoln: Wow! That is amazing! Nico I won that contest as well on our Global Trip.

Nico: Cool! That is amazing!

Me: It sure is.

Vina and Nico then hugged.

Nico: I really missed you.

Vina Lexington: Me too Nico

SHS Hulk: (cries tears of joy) Hulk want tissue!

I gave him one.

SHS Hulk: Thank you. (Blows nose)

SHS Juggernaut and SHS Crimson Dynamo appeared.

SHS Juggernaut: Don't worry, Doom!

SHS Crimson Dynamo: We're here to save you!

SHS MODOK: You're too late! Beat it!

I punched SHS Juggernaut and Crimson Dynamo down!

Me: Yuri and Cain he is with a new group. You are more than welcome to join too.

Nico: That's right.

Lincoln: Besides we'll find you awesome archenemies.

Me: Yep.

We later went back home.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and Hal Jordan are heading out to space, and not only is Lincoln going to rescue the twelve girls, but we're also going to pick up all the Kryptonite on the planet that was brought to Earth when Krypton exploded.

Lincoln: So, the rescue's here in space, and I know what we're going to do here, not only am I going to rescue the twelve girls, but we're also going to pick up all the Kryptonite on the planet that was brought to Earth when Krypton exploded.

Nico: That's right, big guy, and we're also going to hide all the Kryptonite in a special place at the World Tree Estate.

Lincoln: Oh, you mean, the one Tech E Coyote was working on? That's perfect, and I'll show you all of its features when we get back.

Me: Awesome. Plus, we got word that a Gene-Slammer for Sillva, Warlord of Dark World, is here too.

Lincoln: That's also awesome as well. And thanks for joining us on this rescue/clean-up, Hal.

Hal Jordan: You're welcome, Lincoln. Looks like we're going to make Shadow Clones to clean up all of the Kryptonite, right?

Lincoln: You guessed it, and Lisa, don't try to do any calculations for this one, you'll overload your brain, and we need you ready for when we get after All For One.

Lisa Loud: Noted, elder brother.

Lincoln and all of us had made a ton of Shadow Clones, and we got to work with picking up all of the Kryptonite all over the place, and we went all over the place for this one, and we were sweating for that one. Then, we put all of the Kryptonite into a lead-filled gigantic container, and had the container chained and sealed.

Lincoln: (Wiping the sweat off) Whew, that was a lot of hard work, but we did it.

Nico: Yeah, a little manual labor with picking up all of the Kryptonite, and we also got a good work-out.

Lynn: You said it.

Then, Tech E Coyote appeared.

Tech E Coyote: Nice job, guys. Now, to get this thing locked up in our special place at The World Tree Estate.

Tech E Coyote beamed the lead-laced container with all of the Kryptonite inside into the special place in The World Tree Estate deep in the second underground level of the World Tree Estate, where Tech built a special place lined with lead and armed with a powerful hack-proof security system.

Tech E Coyote: There we go. I beamed the lead-laced container with all of the Kryptonite inside into the special place in The World Tree Estate deep in the second underground level of the World Tree Estate, where I built a special place lined with lead and armed with a powerful hack-proof security system.

Lincoln: Awesome work, Tech.

?: HELP!

Suddenly, Lincoln heard the sound of twelve girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his

Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the twelve girls, but they've been cornered by Derek Powers A.K.A. Blight, who's come back from the dead, and he's going to kill them.

Lincoln: (Gasps) Guys, I found the twelve girls, but they've been cornered by Derek Powers A.K.A. Blight, who's come back from the dead, and he's going to kill them.

Me and Nico: (Gasps) WHAT?! Derek Powers is back?!

Nico: I thought we got rid of that piece of shit long ago!

?: Let's get that radioactive monster!

Suddenly, we saw Sillva, Warlord of Dark World appear before us.

Lincoln: That voice, I knew it was you, Silvia Excelsior.

Lori: Silvia Excelsior's here?!

Nicholette Torrington: Silvia Excelsior's here, awesome. But, we'll have to talk later.

Giselle Harrington: Yeah, we've got to stop Derek Powers.

We rushed on over, and Lincoln made a ring of rainbow energy, and it shielded the twelve girls, and when Derek Powers saw us, he was furious, but even more so when he saw me. But, before he was about to scream in pure rage at me, Lincoln stopped him from doing so.

Lincoln: You don't even deserve to say another word, Derek Powers, I thought we got rid of you for good when you came back from the dead, but you refuse to quit! Well, now you've gone and done it!

Me: You're heading for Oblivion, you piece of crap!

Nico: And this time, take the fucking hint!

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and they unholstered their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Hal Jordan, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at Derek Powers, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit him.

Then, Lincoln grabbed Derek Powers, and he sucked out all of the radiation from Derek Powers, and his rainbow energy aura with Thunderbirds, Phoenixes, Buffalos, Angels, and elemental forces flared up like crazy, as he was gaining a massive power and energy boost to his infinite power and energy. Then, Lincoln condemned Derek Powers to The Black Gates for good as he marked his forehead, and he was erased forever, and this time, for good.

Lincoln: There, now Derek Powers is finally a forgotten memory! (To

Silvia Excelsior) And it's so good to see you again, Silvia Excelsior.

Silvia Excelsior: You too, Lincoln, it's been a long time. And it's good to see you again, Lori, Nicholette, Giselle, and Scarlet.

Lori, Nicholette Torrington, Giselle Harrington, and Scarlet Rosenburg: You too, Silvia.

Lincoln went up to Silvia Excelsior, and they hugged, and Silvia Excelsior's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time that I haven't seen you since you were sixteen, and as you and can see, I really grew a lot since then.

Silvia Excelsior: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Silvia Excelsior, she's not only another of my Guardian Angels, and like Nicholette, she's also another of Lori's friends, and she was born with pitch black angel wings, she has an awesome ability to fly, and also, she's a powerful force of darkness.

Nicholette Torrington: Yeah, no single bully of Lincoln's, and not even Lori, Lynn, Lola, Lisa, Luan, or even Damian and his Church of Necrom cronies could fight her.

We were amazed.

Nico: That's so awesome.

Silvia Excelsior: That's right, and as pointed out, I'm the 4th member of the Dark World Goth Girls.

Me: That's four down.

Lincoln: And fourteen more Dark World Goth Girls to go, and once the Dark World Goth Girls are reunited, I'll issue my declaration of war against Damian Alaister and The Church of Necrom.

Nico: (Snickers) Can't wait to see what you're going to do to them, big guy.

Silvia Excelsior: Same here, and there's no need for you to get me back to normal, Lincoln.

Silvia Excelsior reverted back to normal, and she's a beautiful 17-year-old girl with long flowing plum purple hair, purple eyes, fair skin, she's 6'5" in height, she has the body of a goddess, and she has massive black angel wings, and she also reigned in the power of Sillva, Warlord of Dark World, and she's dressed in a sleeveless purple blouse, sleeveless black midriff top, black skirt, purple pants, purple high-heeled sneakers, and long purple sleeveless trenchcoat with darkness on the coattails and on the back is Sillva, Warlord of Dark World.

Lincoln: Wow, I love your new outfit, Silvia, and I got you a little something.

Lincoln gave Silvia Excelsior a large Sillva, Warlord of Dark World-themed sword with Sillva, Warlord of Dark World etched on the 6'10" massive, wide, double-edged black blade, purple angel wings for the crossguard, large purple gem embedded in the rainguard, longer black handle, and large purple gem with black angel wings surrounding it for the pommel.

Silvia Excelsior: Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Silvia Excelsior's neck with purple gems on the gold lightning bolts and purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Silvia Excelsior: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Silvia.

Silvia Excelsior had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Silvia Excelsior on her lips, and she returned it, and we cheered for them. Then, we went up to the twelve girls, and when Lincoln saw them, he immediately recognized them. The twelve girls are Misora Kasuga, Chachamaru Karakuri, Kū Fei, Sakurako Shiina, Mana Tatsumiya, Chao Lingshen, Kaede Nagase, and Chizuru Naba from Negima, Aoi Aki, Aoi Nami, and Sumiya Kana from Aki Sora, and Weda from Hareguu.

Lincoln: Oh wow, it's Misora Kasuga, Chachamaru Karakuri, Kū Fei, Sakurako Shiina, Mana Tatsumiya, Chao Lingshen, Kaede Nagase, Chizuru Naba, Aoi Aki, Aoi Nami, Sumiya Kana, and Weda.

Nico: From Negima, Aki Sora, and Hareguu, awesome.

Lincoln: Are you girls okay?

Misora Kasuga: Yes, we're okay, thanks to you.

Then, when Misora Kasuga and the other eleven girls saw who it was that saved them from Derek Powers A.K.A. Blight, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of

He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Misora Kasuga: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eleven clones of himself, and he and the eleven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Misora Kasuga: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, twelve Thunderbird Necklaces of Eternal Love appeared on the necks of Misora Kasuga, Chachamaru Karakuri, Kū Fei, Sakurako Shiina, Mana Tatsumiya, Chao Lingshen, Kaede Nagase, Chizuru Naba, Aoi Aki, Aoi Nami, Sumiya Kana, and Weda with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone of our clean up of all the Kryptonite, and they were shocked when they found out the villain we went after was Derek Powers A.K.A. Blight, who's returned from the dead, and he still wanted revenge on us for killing him.

But, when Lincoln showed what he did to that freak, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Silvia Excelsior have a lot of catching up to do, now that she's back, and now, we are finally rid of Derek Powers A.K.A. Blight for good, and he's never ever coming back.

---

After picking up all of the Kryptonite and finally getting rid of Derek Powers A.K.A. Blight, and this time, for good, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Silvia Excelsior saw Lincoln working out like crazy, she had an atomic red blush on her face.

Silvia Excelsior: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Silvia, and now, I can also defend myself.

Silvia Excelsior: That's incredible.

Nico: It sure is, Silvia. So, what memories did you have with Lincoln?

Silvia Excelsior: Ooh, now that's a good question. Oh, here's one: one day, Lincoln and I were going to the park to meet up with Nicholette and the other Dark World Goth Girls for a day of fun, but we had big time trouble: Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel and Douglas Moreau showed up, and they wanted to destroy us again. Those demonic Goth morons were outnumbered nineteen to five, and knowing their history of constantly trying to destroy us, we're still prepared for them. So, we blasted those demon Goth morons with blasts of darkness, and then, Lincoln blasted them with a blast of lightning and electrocuted those five morons. Damian and his goons ran off, but he swore to get his revenge on us. But, I flipped him the bird and told him, "Up yours, asswipe!" and he screamed in rage as they ran off.

We cheered wildly for what they did, and when Silvia Excelsior showed us the video of the fight, and what she did to Damian by flipping him the bird and he screamed in rage, we laughed hysterically at what she did.

Nico: Whoa, now that's what I call badass and hardcore!

Me: You said it, Nico, but wow, you girls sure don't mess around.

Lincoln: Especially when dealing with the eighteen demonic goth teens of Royal Woods High School, and even after all those years, they're still the worst of the worst. Well, when the Dark World Goth Girls are reunited, it's on.

TLPS Mr. Wolf: War Against The Church of Necrom, heh, those monsters won't have a chance. They are going against eighteen true Masters of Darkness and The Dark Arts and the man whom they've protected from bullies, and that also included Lori, Lynn, Lola, Lisa, and Luan.

Nicholette Torrington: Yeah, and we've known Lori had that demonic bitch, Dark Lori, inside her, and she's a really abusive, selfish, cold-hearted, control freak who doesn't give a damn about anyone but herself, and we had to reprimand Lori many times for that.

Scarlet Rosenburg: And I've also had to slug Lynn many times over when she tried to brutally beat her little brother to death in a fit of rage, and I chased her off. She wants to act like a wild animal, I'll treat her like one.

Lynn: And I've had to ice my jaw many times when I got slugged, but I deserved those.

Lori: And ever since Dark Lori's been permanently severed from me and given the Crystal Dragon's Vengeance Curse, I've literally had nightmares from the reprimands of Nicholette and the others. But, when I saw that I was forgiven, I was able to sleep easily.

Lincoln: Whoa, I never knew about that.

Nico: Same here. That Dark Side Eternal Purification technique of yours is powerful enough to relieve those who've had their Dark Sides permanently severed, and that not only got rid of the nightmares, but they also earned forgiveness in the Dream World too.

Lily Loud: That sure is powerful, whoa.

Me: Awesome.

Laney: And it also worked for Lynn, Lola, Lisa, and Luan. Lincoln, that Dark Side Eternal Purification technique should be listed as one of your many original techniques, since you created it.

Lincoln: That's right, and I'll use that technique when someone wants to be permanently severed from their Dark Side for good.

We then got a shower afterwards. Suddenly, a bright light descended on the World Tree Estate, and we covered our eyes to keep the light out. Then, as the bright lights faded, we uncovered our eyes, and to our surprise, the world of Hareguu has merged with ours.

Lincoln: Wow, Weda, your world has merged with ours.

Weda: That's so awesome.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw that Weda's friends got clobbered by red rubbery balls. When Ronnie Anne, Nikki, Casey, Sameer, Laird, and Syd Chang saw it, their blood froze in terror, as they knew who did this.

Lincoln: Ronnie Anne, Nikki, Casey, Sameer, Laird, Syd, you guys know who did this?

Ronnie Anne: We do, Lincoln, there's only one group of kids who could do something as bad as this.

Nikki: The Chavez Academy bullies, Becky Blickensderfer, Dodge, and the Dodgeball Team.

Casey: Becky's a psychotic, crazy, overly aggressive monster with a monobrow on her forehead, and Dodge and the Dodgeball Team are also the worst, they all enjoy seeing us suffer badly.

Eli: I've dealt with them before, and they're the worst. No one's been able to speak out against any of them, for fear of Becky beating them up like crazy.

Laird: Yeah, she's an animal.

Sameer: But now, it looks like they've crossed a serious line.

Weda: You said it, no one does that to my friends and gets away with it! I'll pulverize her for this!

Lincoln: And on the day we're going to battle against All For One, just what were those Chavez Academy bullies thinking?

Ronnie Anne: We'll find out about that once we tie them up and send them to Principal Valenzuela, who's the principal of Chavez Academy, and she's had more than once had to deal with Becky and those Dodgeball creeps.

Lincoln: You're right, Ronnie Anne. Let's go.

We left to help out and meet Weda's friends, and then, we deal with the Chavez Academy bullies, Becky Blickensderfer, Dodge, and the Dodgeball Team, and find out what they were up to.

We arrived to help out Weda's friends, Haré, Guu, Doctor Clive, Ame, Marie, Lazy-Sensei, Village Elder, Toposte, Wiggle, Gupta, The Stupid Couple, Waji, Raveena, Sagin, Raya, Yumi-Sensei, and Dama, and Lincoln healed them by using water to heal their wounds. Then, when they found out that Weda is now a part of Lincoln's harem and one of his many future wives, they offered their congratulations.

Raveena: We're so happy for you getting together with Lincoln, and we got something to tell you all: we saw a little girl with a unibrow on her forehead, along with five other kids with purple jerseys on, and they had dodgeballs in their hands, and they were laughing evilly, and then, they pelted us.

Ronnie Anne: That matches who we're going after: that girl with that unibrow on her forehead is Becky Blickensderfer, and with her were Dodge and the Dodgeball team from Chavez Academy from Great Lakes City.

Lincoln: We're here to stop them before they seriously hurt other innocent people.

Guu: Last I saw them, they've run back to Great Lakes City, and they're hiding at Chavez Academy's gym.

Casey: Then, that's where we'll catch them.

Ronnie Anne: Leave this one to me, Casey. Tio Carlos gave me Principal Valenzuela's number, and now, it's high-time to set the trap and catch those dodgeball creeps off-guard and get them knee-deep in trouble.

Ronnie Anne made the call to Principal Valenzuela of Chavez Academy, and she agreed to help us out in getting Becky

Blickensderfer, Dodge, and the Dodgeball team kicked out of Chavez Academy for good, and she's about had it with Becky Blickensderfer terrorizing the kids at Chavez Academy, and Becky's brother, Ricky, agreed to help out, since he can no longer deal with his sister, and he also got his mother to help out.

Ronnie Anne: Alright, our trap has been set.

Lincoln: Let's go pin those Dodgeball creeps to the wall.

We head to Great Lakes City and Chavez Academy, and then, we met with Principal Valenzuela and Becky's brother, Ricky Blickensderfer, and then, we head for the gym and saw Becky Blickensderfer, Dodge, and the Dodgeball team in the gym laughing evilly at what they just did to Weda's friends.

Becky Blickensderfer: (Laughing Evilly) Excellent work, gang. Soon, we'll target Team Loud Phoenix Storm, and we'll pulverize all of them to death!

Dodge: Then, we'll take over Gotham Royal York, and we'll get our revenge on the Skaters.

We gasped in shock: the Chavez Academy bullies were planning on pulverizing us and also, getting revenge on Ronnie Anne and her friends, and they're also planning on taking over Gotham Royal York, so they can start a reign of terror. We recorded the whole thing, and when Principal Valenzuela and Ricky heard it, it meant those bullies are now in deep water.

Lincoln: Why those evil, little… ! It's one thing to threaten us, but to threaten one of my future wives and her friends, and one of her friends is my best friend's girlfriend, now it's personal.

Clyde: I wonder if they were in cahoots with All For One.

Eli: No, they're not, The Force is telling me they're not in cahoots with All For One. But, still, we got to stop them.

Lincoln: Right, Eli. Let's get 'em by using our entrance!

Suddenly, a massive storm cloud appeared inside the gym, and dodgeballs made of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, and Magic came out and pelted the Chavez Academy bullies. Then, a thunderbird cry was heard as an explosion erupted, and then, we appeared. But, what also shocked the Chavez Academy bullies was that Principal Valenzuela was with us, along with Ricky Blickensderfer, and they were mad.

Principal Valenzuela: (Spanish Accent) Becky Blickensderfer, of all the irresponsible, disgusting, evil things you've ever done in this school and all of Great Lakes City, what I just heard from Team Loud Phoenix Storm was the absolute worst.

Becky Blickensderfer: What?! But, that's impossible!

Ricky Blickensderfer: We already heard everything, thanks to a tape recording. I can't believe what you were planning on doing, and Mom found out about what your plan was thanks to the phone call I made, and she's really disappointed in you, and don't bother trying to get out of it: she's already made plans to send that ungrateful mutt, Malo, to obedience school, and she's already thinking of your punishment.

Dodge: We don't care, if we're going down, we're taking you all down with us!

Lincoln: A bad mistake, Dodgeball Rookie!

Everyone: Uh oh.

Lincoln made the dodgeballs levitate using telekinesis, and then, he threw the dodgeballs, and they hit Becky Blickensderfer, Dodge, and the Dodgeball bullies all over the place, and we were cheering like crazy.

Girl Jordan and Ronnie Anne: Yeah, that's our Dodgeball Angel King of Gotham Royal York!

Then, the dodgeballs ceased, and the Chavez Academy bullies have been knocked down and sent to the office.

Principal Valenzuela: (Spanish Accent) Everyone, I want to thank you all for what you've done.

Lincoln: You're welcome, Principal Valenzuela. But, I've got a better punishment for the Chavez Academy bullies, and if they continue to be bad, then, they will be expelled.

Principal Valenzuela: (Spanish Accent) I'm listening.

Principal Valenzuela gave us medals for freeing everyone from the terror of the Chavez Academy bullies. And as for Becky Blickensderfer, Dodge, and the Dodgeball goons, after a long talk in the office, Becky Blickensderfer and Dodge have gotten a three month suspension, and the Dodgeball goons end up with a month of detention and cafeteria duty, and if they continue to be bad after the suspension is up, they will be expelled. Everyone cheered wildly for us.

Nikki: Finally, we're freed from those monsters.

Lincoln: Now, everyone in Chavez Academy is freed from those bullies' reign of terror.

Nico: And their plans to kill us, take over Gotham Royal York, and get revenge on Ronnie Anne and her friends and family have been scrapped! Nice work, everyone.

Lincoln: Weda, I'm so sorry your friends got pelted by the Chavez Academy bullies.

Weda: It's okay, Lincoln. But, you healed my friends and they're on the road to recovery.

We then return home to prepare for our big fight against All For One.

---

Later it was time for the 2nd Ambassador Mission of Princess Celestia.

Maria: Looks like it's from one Marvel Universe to another.

Me: Yep and this one will be awesome.

Nico: It sure will. I have a feeling this will be a cool one.

Princess Celestia: I'm looking forward to it too.

Twilight Sparkle: We all are princess.

Rainbow Dash: I have a feeling it will be awesome.

Me: It always is. But I hope the Avengers will talk about the Yost Spiderman. I hope he is doing okay.

Eli: We all do bro. Especially since Hay Lin's missions start tomorrow.

Me: Yeah no kidding.

Princess Celestia: Well lets get moving.

We were off.

We arrived at the Yost Avengers Mansion.

Yost Iron Man: Hey guys.

Me: Hey Tony. Everyone.

Yost Captain America: Great to see you all here.

Celestia: Steve, meet my sister and Twilight's friends.

Princess Luna: It's an honor. I'm Princess Luna, The Princess of the Night and the Dark Skylanders.

Applejack: Howdy there. I'm Applejack, Princess of Apples, Honesty and the Earth Skylanders.

Sunset Shimmer: I'm Sunset Shimmer, Princess of Forgiveness and the Fire Skylanders.

Rarity: My name is Rarity and I'm the Princess of Generosity, Fashions and the Water Skylanders.

Fluttershy: I'm Fluttershy and I'm the Princess of Kindness, Animals and the Life Skylanders.

Rainbow Dash: I'm Rainbow Dash, Princess of Loyalty, The Wonderbolts and the Air Skylanders.

Starlight Glimmer: I'm Starlight Glimmer, Princess of Empathy, Redemption and the Undead Skylanders.

Pinkie Pie: And my name is Pinkie Pie, Princess of Laughter, Parties and the Tech Skylanders.

Twilight Sparkle: And as you all know I am the Princess of Friendship and the Magic Skylanders.

Me: And Princess Celestia is the Princess of the Sun and the Light Skylanders. We have all 10 elements covered.

Yost Captain America: An honor to meet you all.

Me: How is my little spell helping you all out?

Yost Black Widow: It's really helping us out in taking down the Skrulls for good.

Me: Awesome.

Princess Celestia: Steve, can we talk to you and the others about something?

Yost Captain America: Is it about the Skrulls? Because every since that spell J.D. cast, we've been having no trouble rounding them up.

Me: Great. I'm glad my spell is working out.

Princess Celestia: No. It's about Spider Man. Your Spider Man. Have you noticed anything wrong about him?

Yost Iron Man: Well, we're not prying into his civilian life too much. But we know it's been hard for him lately.

Me: Yeah it really has.

Rainbow Dash: It's about that Jameson jerk, isn't it?!

Yost Hawkeye: Nah. Jameson's always saying Web Head's a menace. No, what's really got him down is that Harry Osborn kid is accusing him of being a murderer when it was really an accident that Green Goblin got blown up by his own bombs. Not to mention Gwen Stacy leaving him to support Harry when he really needs it right now. Not that I blame him.

Me: I don't blame him one bit either. This is worse than I thought.

Yost Black Panther: I am not so sure that Norman Osborn is really deceased.

Yost Wasp: Can we not talk about him for now?! Poor Peter is lonely in his civilian life!

Me: I agree too Janet. Man that is really messed up. Not that I'm saying that this worlds version of Green Goblin deserved to die like the one we destroyed in our universe but that this worlds version of Spiderman did nothing to be treated like that. He is not a murderer!

Yost Hank: My advice? When your friend Hay Lin meets up with Peter, she should give him the friendship he needs.

Me: Thanks Hank. I'll be sure to tell her and Peter that. But let me see here.

I concentrated for Norman Osborn's energy signal and then I found it!

Me: (Gasp) This world's Spiderman DID NOT kill Norman. He's still alive!

They gasped!

Yost Captain America: Are you sure J.D.?

Me: Yes my energy sensing powers have never proven me wrong.

Yost Hank: That is good news!

Yost Pepper Potts appeared.

Me: Pepper Potts. Pleasure to meet you here.

Yost Pepper Potts: J.D., it really is an honor to meet you. But there's a situation downtown.

Yost Hulk: Please let it be Ross or Zemo. Last time we checked, they're not in their cells.

Yost Pepper Potts: No. It's Wonder Man.

Me: Simon Williams A.K.A. Wonder Man! Oh man! He was your partner from what I remember right Tony?

Yost Iron Man: That's right! Until HYDRA Mutated him and turned him into Wonder Man.

Princess Celestia: That is horrible!

Me: Well we got to try and talk some sense into him and help him out. We have a really amazing way of helping villains redeem themselves and save themselves from what they became.

Yost Captain America: This I got to see.

Sunset Shimmer: So, Simon became like this all because you bought his company?

Yost Iron Man: I did it because I wanted to work with him and to prevent it from going bankrupt.

Me: You tried your best Tony. But there is always still hope for you two. I'm sorry he became like this but if we ever run into any HYDRA goons we'll gladly kill them all.

Yost Iron Man: Thanks J.D. Avengers Assemble!

We were off and we then saw Yost Wonder Man!

Yost Wonder Man: Team Loud Pheonix Storm, right? I heard the songs you guys played on the Ridonculous Race.

Me: We do have a lot of talent in that department Simon. But it's many things that we are really talented at. Not that we like tooting our own horns. Wait a second! Were you watching our concert over on the Islands of Palau?

Yost Wonder Man: Yes I sure was and I must admit you have a lot of talent.

Me: Wow! Nice to know that we had a fan here.

Rainbow Dash: That is awesome.

Twilight Sparkle: Simon, it's not too late to fix things.

Yost Wonder Man: Sorry, Princess. But not everyone is lucky enough to have a group of friends to watch over them. Some of us have to fend for ourselves! (fires ionic blast at Hulk)

All it did was make Hulk growl angrily.

Yost Hulk: Pick a body part, guys. I call dibs on his legs!

Me: Stand down! I got this.

I went over to him.

Me: Simon this is not who you are. HYDRA made you like this but you know that. Simon you and Tony are awesome partners and it's never too late to go through with that deal. You and Tony are great friends and HYDRA ruined it for you. One thing that I learned when I was given my powers from Cosmic Radiation is that With Great Power Comes Great Responsibility and it was thanks to that saying that I was able to use my powers for the right reasons. My powers are so strong that they can obliterate the entire universe in the mere blink of a cosmic eye. But you have a lot of awesome potential to use your newly given powers for good and you can redeem yourself Simon! It's never too late for you to change. You can do the right thing and give up your villain ways and become a great hero for good.

Yost Iron Man: He's right Simon. I'm sorry I was so hurtful to you. I love you like a brother and it's never too late for you to change.

Me: That's right.

Yost Iron Man: Simon, please. All I want to do is talk to you.

Yost Wonder Man: (sighs) You have 5 minutes.

Yost Iron Man: That's all I need. Simon, I was buying up shares of your company to save it. It wasn't going to survive for much longer, and I knew you had brilliant tech in development. So I started to buy shares of your company so that I could work with you to save what you built.

Yost Wonder Man: Really?

We nodded.

Yost Wonder Man: I had no idea. I'm… I'm sorry Tony. I didn't know. But I…

Our voices got through to him and he looked at what he has became.

Yost Wonder Man: But look at me! I'm a freak!

Me: No you aren't Simon. You are still human like me and many people we know.

I then put my hand on his chest.

Me: Underneath this ionic body is the heart of a human being.

He then glowed and suddenly in a blinding flash of light he reverted back to a human! But he was in his underwear!

I put a blanket on him.

He got up and he saw that he was human again!

Simon Williams: I'm back to normal! But how!?

Me: It was you Simon. You now have the power to utilize all your powers as Wonder Man at will now. But you are also something more. A redeemed hero and a true friend.

Yost Iron Man: (ashamed) You had every right to try and kill me all those times, Simon. And this isn't the first time I've screwed up. First, I sold those weapons to all the wrong hands before becoming a hero. Then, I couldn't stop Hank from leaving and making Ultron. And finally, I had the nerve to walk out on my own team in the middle of the Skrull Invasion. When am I ever gonna learn, guys?

Yost Captain America (puts hand on his shoulder and smiles) I think you just did, Tony.

Me: Yeah it's always never too late to start over anew.

Twilight Sparkle: That's right.

Simon Williams: That's right Tony. I forgive you for everything. But you also a great hero too.

Yost Iron Man: Thank you Simon.

Simon Williams: (chuckles) Sorry if I'm ripping off one of your lines, J.D. But I've had enough of being a bad guy to last an eternity. I think it's time I used my powers the right way.

Me: That's the Spirit there. I'm proud of you.

Twilight Sparkle: We all are.

Me: And no you weren't ripping off one of our lines. We are still glad you are now going to use your powers right.

Sunset Shimmer: Yes we are proud of you.

Simon Williams: Thanks.

Yost Captain America put his hand on my shoulder.

Yost Captain America: That was amazing J.D. You really have done this many times before.

Me: Yep. Been with me ever since I formed Team Loud Phoenix Storm. I may not be the leader anymore but I still have 4 things that no one can ever take away and they are love, hope, compassion and friendship.

Yost Captain America: That is true.

Princess Celestia: It is always a good thing to have those.

Simon Williams: And for the record, I don't think Spider Man killed Norman Osborn at all. Even though Norman's a scumbag, Spidey doesn't have what it takes to be a cold blooded murderer.

Me: No he doesn't and we already know that he didn't kill Norman. He is completely innocent of that. Norman is still alive but is in hiding.

Simon Williams: That is good. I'm glad he is innocent.

Me: We are too.

The Yost versions of Chemistro, Crimson Dynamo, Abomination, and Living Laser were waiting in a construction site for someone. Suddenly, a Western Star 4900SF Tow Truck drove by.

Then it transformed after Live Action Ravage came out of it.

Live Action Onslaught: Thanks for meeting us, guys. We heard a lot about the four of you.

Live Action Ravage growled in agreement.

Yost Abomination: Get to the point already.

Live Action Onslaught: Wasn't sure how we got here. I think it has something to do with the Autobots. We're still figuring this place out. But I think a bunch of guys like us should team up. Think of all we can accomplish.

Yost Crimson Dynamo: (chuckles) Sounds like fun.

UH OH!

Later we came back.

Nico: Hey guys. How did it go?

Me: Really well Nico.

I told him everything and he was amazed.

Nico: Wow! That is amazing! You did a good job talking Simon down, J.D. And… I'm sorry for being hard on you for yesterday. It's just that it seems like everyone's going behind my back.

Me: It's all water under the bridge. But good. Also we found out something about Spiderman in the Yost World.

I told him all about that and he was shocked!

Nico: WHAT!? Oh man! So that world's Spiderman is being treated as a murderer when he actually didn't kill Norman Osborn at all!? That is awful!

Me: Yeah it sure is.

Princess Celestia: Yeah we have to help him as best as we can.

Hay Lin: I have a big mission for me in that one.

Eli: Yeah no kidding!

Nico: Who will go next time?

Princess Celestia: I was thinking of having you, Eli and King of Flan go with next.

Nico: Good idea Princess.

Lincoln: Oh, Nico, here.

Lincoln handed Nico an elemental bomb with syringes filled with the powerful poison to disable All For One's powers.

Nico: Perfect, we'll use this for our entrance, and that monster won't know what hit him, big guy.

Lincoln: And I'm also glad we took care of Becky Blickensderfer and her friends, I can't believe they wanted to pulverize us to death, get revenge on Ronnie Anne and her friends, and take over Gotham

Royal York, so they can usher in a reign of terror. It's a good thing they got three months suspension from school.

Me: But, with an ultimatum: if they continue being bad, they'll be expelled for good.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Phantom, an arachnid demon and another of Mundus' minions, and he's come here to destroy us. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Sparda, you're not going to like this one: the energy signal I sensed belonged to Phantom, another one of Mundus' minions, he's here to destroy us.

We gasped in shock.

Sparda: (Through the Large Red Jewel) So, another of Mundus' minions have also shown up? He may be tough, but he's nothing but talk, and he's also a bully.

Lynn: And if there's one thing we hate, it's a bully.

Sherlock Hound: (British Accent) Mundus, he just doesn't even know when to quit? However, this will be for when she transforms into her Super Angel Infinity form after she transforms into her Super Angel 750,000,000,000 form to fight All For One.

Nico: That's right, and you're also going to help Nanette, since this is another of Mundus' minions that's also come out, right?

Sherlock Hound: (British Accent) That's correct, Nico.

Me: If I remember right, Dante was the one who killed Phantom, but he thought it was Sparda, until Dante told him. So, wait until he finds out Sparda's returned.

Nico: (Snickers) He's bound to get the shock of his unnatural life before Nanette kills him.

Lincoln: Or just like what happened with Beowulf showed up.

Nico: The image of Sparda appearing and overshadowing Sherlock Hound's body, and the murderous intent in the air, that enough is bound to send chills down anyone's spine.

---

Later we were getting ready.

Nico: J.D., you can warm up for the upcoming mission. I'll see if I can get more of the Zenkaiger gears completed.

Slinkman: Sounds good. Me? I'll get a drink of water.

Me: Okay. Might as well get some training done.

I went out to the training yards and Slinkman went to get a drink.

In the Training yards I was ready and I went at dummies that looked like the villains of MHA and I fired energy and elemental blasts at them!

KRABBBBBOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBOOOOOOOOOOOOOMMMMMM!
KRABBBBBOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOMMMMMMMMMM!

Massive explosions were felt all over the estate!

Eli: WHOA! Big bro is going at them!

Maria came.

Maria: Are we under attack!?

Slinkman: Oh it's all right Maria. That's just J.D. doing some training for the big mission.

For over 2 hours I was training hard. And I was sweating too.

Me: WHEW! That was a good training.

Maria: Glad you had fun.

Me: Yep. I'm gonna go shower and then we'll get ready.

William: Dude, you still haven't apologized for forcing me to help you against Quahog and stopping me from reporting it to Nico.

Buttercup: He's got a point.

Me: Okay okay. William I'm sorry but I didn't have any other option.

William: Aw it's okay.

Me: Good.

I went to shower up.

Thunderblast: As a bonus, Reverse Flash and MODOK are now in the Masters of Evil.

Slinkman: That is true. And Yost Wonder Man is now in the Redemption Squad too.

Laney: That's true.

I later came out of the shower.

Me: Ahh! (Dries off) Nice and squeaky clean.

I went to get dressed.

Chromedome: I wonder how many Zenkaiger Gears Nico and Double D got done.

Eddy: No idea. But I have a feeling it will be an awesome number.

I then came down and I was ready for action and I had a present in my arms.

Eli: Ready to have some action bro?

Me: Yes I am. Also in case you're wondering what the present is for, it's for Camie.

Rainbow Dash: Her necklace right?

Me: Yep.

Laney: Awesome J.D.

Me: Yep and no I'm not wearing fancy cologne or anything like that.

We laughed.

Nico came out and he had a bunch of Zenkaiger Gears! They were for themes for each ranger team!

Future Maria: Callie, you're about to meet Nanette's little brother.

Callie Allbright: Looking forward to it. I heard a lot about Izuku from Nanette. He is pretty powerful.

Me: This will be awesome. Also yes he is.

Nico: Yep. Are we all set?

We nodded.

Nico: Great. Just got to wait for our frenemies to get here and we'll be good to go.

Me: Okay.

Nico: Ahh I see you got Camie's present ready.

Me: Yep. And no I'm not wearing expensive cologne. I just want to look my best.

Nico: No problem.

Then Salami Swami, Mojo Jojo, Copperhead, Biowulf, Hank Scorpio, Electropede, Gramma Stuffum, Leap Frog, Turtle, and Puff appeared.

Salami Swami: Can me, Mojo Jojo, Copperhead, Biowulf, Hank Scorpio, Electropede, Gramma Stuffum, Leap Frog, Turtle, and Puff go with you guys?

Nico: Yes you sure can. We were just waiting for you all to show up. Also Meg how did you like the meal Gramma Stuffum made?

Meg Griffin: It was really delicious. (BURPS) I'm still full from yesterday.

Me: Boy that must've been great.

Meg Griffin: Yeah.

Leap Frog: I can tell you're all set J.D.

Me: Yep.

Disk Wars Mandarin: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I am hoping to meet a Havanian Gene-Slammer next.

Bleez: One of my kind next. That will be awesome to see.

Eion: It sure will be awesome.

Me: That will be cool to see too. And this will be a great opportunity to see Bleez's home planet Havania if it's possible.

Nico: Yeah it sure will be awesome. So it'll be either Bleez, Eion, Max Ride or Angel of the X-Men that comes with me next.

Me: Yep.

Eli: Yep.

Nico: Anyway are we all set and ready?

We nodded.

Nico: Awesome!

We were off.

---

We arrived at U.A. Academy.

Nico: Here we are.

Hank Scorpio: This is the place, right?

Me: Yep. Welcome to U.A. Academy. This is a school for heroes in training that want to learn how to become pro heroes too.

Iron Man: It'll be an honor to give future heroes some pointers.

Me: It sure will Tony. This is a world where 80% of the human population was gifted with Superpowers called Quirks.

Green Lantern Hal Jordan: This is really amazing though.

Nanette: It sure is.

Me: But unlike many heroes all over the world that got their powers from different sources, these are all people that were actually all BORN with their powers.

Iron Man: Wow! That is a huge difference.

Callie Allbright: It's awesome you came here though sis.

Nanette: It sure is. I can't wait for you to meet Izuku and everyone.

Me: Yep.

We went in and we saw a lot of the students talking.

Roy Koopa: Hey there, UA Academy!

Me: Hello fellow heroes! Team Loud Phoenix Storm is in the house!

Izuku: HEY GUYS! Nanette!

Nanette: Hey bro!

They hugged!

Bakugo: Awesome you all are here.

Ochaco: We missed you guys and Sheila and Eric congratulations on the big wedding.

Eric Loud: Thanks Ochaco.

Camie: J.D.!

Me: Camie!

She and I hugged and then kissed. It was awesome.

Everyone: Aww.

Nico: So awesome.

Me: Got you a present Camie.

She opened it and it was the necklace I got from the jewelry store.

Camie: Oh wow! It's beautiful!

Me: Yeah it sure is.

She put it on and it was beautiful.

Copperhead: Thanks for keeping Hawk occupied.

Bakugo: It was nothing. That dumbass didn't stand a chance.

Me: But he was really cool Bakugo. He reminded me a lot about the James Bond Villain, Jaws.

Nico: He sure did. That was awesome.

Lupin III: It sure was cool.

Laney: Yeah it was.

Lana: Yep. Also today is the big day that we kill All For One.

Tsuya: Awesome! Seeing you blast him with that Final Flash blast was awesome!

Me: That was amazing huh?

Vegeta: It sure was and J.D. really left his mark on that moron.

Bakugo: He sure did. Wow you must be Vegeta. Nico said that I remind him so much about you.

Vegeta: That's right. Vegeta, Prince of all Saiyans.

Izuku: (sees Captain America) Is that THE Captain America?!

Leap Frog: (laughs) It sure is!

Captain America: That's right. Steve Rogers A.K.A. Captain America.

Me: And many more Superheroes where he came from.

Everyone all over the Marvel and DC Comics worlds came forward and it was awesome.

Nico: Looks like we're gonna have a lot of motivational inspiration.

Eli: We sure are.

Poromon then got out 1 beer bottle.

Izuku: What's that?

Poromon: One bottle of beer!

Carly Atlas: (sighs) I knew this was gonna happen.

Eijiro: One bottle of beer isn't enough for all of us!

Me: Yeah there's hundreds of kids here and many of them are too young to drink.

Lupin III: I'll drink that Poromon.

Poromon: Okay.

He took the beer.

Tsuya: Digimon that drink? Is that even possible?

Me: We were shocked ourselves.

Laney: Yeah it's crazy but funny.

Me: Yep.

Camie: J.D. you want to go on a date?

Me: Sure Camie.

Camie and I went to a special spot in the forest.

Nico: We have a lot to talk about now that we're here.

Izuku: So, I heard you guys had quite the day yesterday.

Turtle: Against Quahog? Yeah. But we're over the issues involved now.

Nico: Thank goodness. And at least it wasn't J.D. going after All For One by himself.

Izuku: That is good.

Nico: Yeah.

Turtle: How did you get your awesome powers Izuku?

Nanette: You can tell everyone bro?

Izuku: Sure. I was given my powers through All Might.

All Might: That's right.

Izuku told them his background and it was incredible.

When he was done everyone was amazed.

Nico: Wow! So All Might chose you as his successor and did a cool power called Quirk Transmigration.

Izuku: That's right. It's awesome.

Nico: It sure is.

In the forest me and Camie were having an awesome picnic and it was beautiful.

Me: It sure is awesome out here Camie. Just as beautiful as you are.

Camie: Oh why thank you. And you want to see my quirk?

Me: Sure.

She blew out a mist from her mouth and it formed into a beautiful Aurora Borealis!

Me: Wow! This is beautiful.

Vegeta went over his history and it was powerful and scary.

Bakugo: Wow! That is amazing. Here's my history and it is brutal too.

Bakugo went over his history.

When he was done everyone was amazed.

Nico: Whoa! That is amazing that you and Izuku have known each other since you were younger.

Vegeta: It sure is Bokrua.

Goku: (Laughs) That's true.

Bakugo: Wow.

Back with me and Camie we were talking.

Camie: I heard you resurrected all the heroes that were killed by Tomura and his gang.

Me: Yep and it was all thanks to a snap of my fingers. I have the power to do anything. Watch. (Snaps Fingers)

I snapped my fingers and instantly a field of flowers grew out all around both of us.

Camie: Wow! That is amazing.

Me: Yep. Many more possibilities where that came from.

Mojo Jojo: By the way, thanks to me, Nico and Double D were able to pretty much complete a lot of Zenkaiger Gears.

Nico: Yep.

Tsuya: Wow that is amazing!

Eli: We have a lot of experiences with all sorts of things.

Fiona Hernandez: Yeah we sure do and Ochaco thanks for helping us with Himiko.

Ochaco: You're welcome Fiona. It was awesome showing you what we can do.

Fiona Hernandez: Same here.

Nico: That is awesome that you can control gravity just by touch.

Ochaco: Yeah it sure is. Here's my story.

Nico: They sure are. It's awesome.

Back with me and Camie, we were having an awesome talk.

Camie: So I heard the Hernandez Sisters cured Himiko.

Me: That's right. We also took a sample of her blood and ran some tests on Himiko and we found out that her quirk was unstable. It was destroying her sanity and her atomic DNA Structure. She needed blood to survive or she would have died in a few hours.

Camie: That's horrible.

Me: It was. Thanks to the Hernandez sisters we were able to save her from herself and give her a new Quirk. We call it Elementa. It enables her to use the powers of the Elemental Forces of Nature.

Camie: That is amazing.

Me: It sure is.

Gramma Stuffum: Where's the cafeteria? I want to see if I can make some food for you all.

All Might: The kitchen is right there ma'am.

He pointed to the kitchen.

Gramma Stuffum: Thank you.

She went into the kitchen.

Nico: I'm sorry about all the trouble that All For One has been causing you all lately. But I promise you all that after today, he will be nothing more than a long forgotten memory.

Nico: Lots of awesome heroes and people that want to be like them here too.

Back with me and Camie, we were having an awesome talk still.

Camie: So how did you get your powers J.D.? Were you born with them?

Me: No I didn't get my powers from birth. I was only a few days old when I got them. I was exposed to Cosmic Radiation, Radiation that came from Outer Space and it mutated me and gave me omnipotent powers. My powers made me into a god and I have the power to do anything.

Camie: Wow that is amazing.

Me: Yeah but because my powers were so strong I had to train really hard to learn how to master them and learn how to use them correctly. With Great Power comes great Responsibility.

Camie: That is a really powerful drive.

Me: It sure is Camie. Lots of people out there have helped me out. Not just on Earth but all over the entire universe too. It was a long journey.

RD Lynn: (to Bakugo) FYI, one of our frenemies always says he's gonna kick our asses before his turn in the usual battles. So, if he says that to you, don't take it too personally.

Bakugo: I'll try my hardest but thanks.

Nico: I was going to warn you about that but Royal Defenders Lynn beat me to it. But thank you.

RD Lynn: No problem.

Nico: But it's awesome that so many of you are going to become heroes. Like J.D. said you all have great potential to become awesome members of the team. Also we have so many archenemies in the Masters of Evil for us to find for you.

Izuku: We have all the time in the world for that.

Nico: Would you all like to participate in our usual battles before we go after All For One?

Izuku: It would be an awesome honor.

Tsuya: Yeah count us in!

Back with me and Camie we were cleaning up.

Camie: I had an awesome date with you J.D.

Camie: (GASP) Wow! My own wings!

Me: Yep.

Camie: Wow! They are beautiful!

Me: I'll show you how to fly with them as we head back.

Me: Yep.

We went to the Gym.

Gru: So, J.D. Did you get any new KR stuff?

Izuku: You mean Kamen Riders?

Nico: It's true.

Eli: I remember Kiva too. He was tough too.

Camie: Wow. Also do you know the Kamen Riders too?

Me: Yes we do but not completely. They helped us out during a terrible event that we had to endure called the 20 Days of Darkness.

Izuku: Oh man! I heard about that. That was awful.

Nico: It sure was. From January 23rd to February 11th, 2021 we went through 20 of the most despair-filled days ever.

Me: It's a really wicked story.

We got to the gym and it was huge! It was like a huge obstacle course.

Me: Wow what a gym!

Nico: Wow! Just like the obstacle course we have at home.

Eli: It sure is awesome.

---

**Dabi** (in Japanese: 荼毘, translated as *Cremation* ), also known as **Blueflame** (in Japanese:蒼炎 *Sōen* ), is a major antagonist in the manga/anime series *My Hero Academia* . He is affiliated with the League of Villains and the leader of the organization's Vanguard Action Squad. Like Himiko Toga and Spinner, he was inspired by Stain and his ideology and decided to join the League, which was believed to harbor the Hero Killer's cause.

It is later revealed that Dabi is actually the eldest son of the Todoroki family, **Toya Todoroki** (in Japanese 轟 燈矢), who was long thought to have been deceased. His father, Enji Todoroki, sought out to make him his successor due to his powerful Quirk, but because of his weak constitution, his training was abandoned entirely. He is the archenemy of both his youngest brother, Shoto Todoroki and his father, Enji Todoroki.

He is voiced by Hiro Shimono in the Japanese version, and by Jason Liebrecht in the English dubbed version, who is best known for voicing Zeke Yeager in *Attack on Titan*, and Rob Lucci in *One Piece* .

Toya Todoroki was the first child to be born in the Todoroki household. He inherited his father's Quirk, but to a more powerful degree, as his Quirk allowed him to cast hotter flames. Toya was close to his father and strived to become a hero like his father and hoped he would be able to perfect his father's technique with his Quirk. Due to this, his father, Enji, made it his task to train his son as his successor who would surpass him and All Might. Unfortunately for him, however, Toya inherited his mother's weak constitution and as such, Enji decided to abandon his training. Toya refused to let go of this, however, believing he is destined to surpass All Might and so he would continue on his training on his own time.

Toya slowly began to feel despair for himself when his parents had two more children into the family, as he was being neglected. Despite this, Toya would still interact and play with his siblings when he had time to spare. When Enji learned that Toya was still trying to master his technique, he pleaded for him to stop as he was constantly getting burns on his skin. Toya refused, before lashing out towards Shoto.

Five years later, Toya is seen playing with siblings, but they are prevented from interacting with Shoto, as he was being subjected to their father's constant, harsh training. Toya could only watch as his little brother was being dragged away by their father. Toya later spoke with Natsuo about how he was in the wrong for putting Shoto in harm, but was greatly upset over their father neglecting them. Natsuo was not interested in talking, however, as he tried to go back to sleep, causing Toya to become upset.

Later on, Toya went on to train at Sekoto Hill once more, with the intention of continuing his training once more. Before he could leave however, Rei tried to stop him, as she suggested for him to go play with friends and to stop thinking so much about his father. Toya was frustrated with this and accused his mother of not knowing anything, saying she came from a poor family that sold her, which is why he was born.

Sometime later, Toya eventually under went a growth spurt as he trained on the hill. He discovered his flames turn blue because of his emotional state and felt great accomplishment of handling his Quirk, with tears of joy coming from his eyes. He later went to his father and asked for him to visit him at Sekoto Hill, with the intention of surprising him with his newfound techniques, as he believed he'll compete with Shoto and that he wasn't a mistake. However, this only added more stress and frustration to Enji, when he discovered the recently new burns on Toya's body.

Toya later went back to Sekoto Hill during the holidays, but was greatly upset when his father did not show up to see him. As Toya began to tear up, his quirk acted up and he eventually burned himself and the entire area around him. With the flames of his Quirk exceeding two-thousand degrees, it was presumed that Toya was completely incinerated from this incident, as only remains of his lower left jaw were found. His death alone had a great, negative affect on his family. A small altar was made by his father and placed in his room, who would often go there to pray, expressing his regret for the loss of his son.

In truth, Toya had survived this incident, but presumably suffered with terrible burns. He would hold extreme disgust and disdain to his father who slowly became the No. 2 hero. He would later dye his hair black and take on the alias, Dabi.

Dabi first appears in *The Aftermath of Hero Killer: Stain*, where he is shown to be watching a news broadcast about Stain's capture.

Later on, Dabi and Himiko Toga are recruited by Giran to join the League of Villains. The two then meet Tomura Shigaraki, who Dabi comments on about his gross appearance. Displeased, Tomura immediately demands Kurogiri to get rid of them, but he refuses as he wanted Tomura to at least hear them out. Giran then begins the introductions.

After Himiko's introduction, Giran introduces Dabi as a criminal who hasn't committed any major crimes and that he follows Stain's ideology. Dabi was not on board with the League of Villains, questioning about the league's motivations and was displeased of seeing the possibility of Himiko Toga joining.

Tomura asks for him to introduce himself, in which he does, but refuses to give out his real name. When Dabi brings up Stain's ideology, Tomura becomes extremely frustrated and attempts to kill him and Toga, as they prepare for him but Kurogiri managed to prevent this from happening. Tomura then leaves the building, who Dabi comments about how sickening he is.

Together with the Vanguard Action Squad, Dabi observes the campsite of U.A. While Toga bickers about her mask and Muscularwishing to rush in, Dabi tells everyone to remain silent and wait for everyone to arrive. Once all ten members arrive, Dabi begins to take the lead by burning down the forest. Dabi then takes on Shota Aizawa, catching him off guard. Aizawa was able to evade his attack, however and was able to successfully capture him after a quick battle. He then begins to interrogate him, but Dabi begins to turn into liquid and dissolves away. It is later revealed that was a clone and that the real Dabi was with Twice, who had made a clone of Dabi to keep the heroes occupied for the time being. Dabi then orders him to make two more clones to keep Aizawa busy again.

After Mr. Compress captures Katsuki Bakugo, Dabi waits for everyone to arrive before making their escape. Eventually, everyone arrives, including Toga, bringing back one sample of blood from one person, much to Twice's disappointment. Dabi eventually spots the remaining heroes chasing after them and attempts to hold them off once more while Toga and Twice battle them. Mr. Compress eventually reaches to him, but without the marbles.

Kurogiri then begins to open a portal for the Vanguard Action Squad to make their escape. They ultimately failed at capturing Fumikage Tokoyami, but Dabi was successful in capturing Bakugo. He personally taunted his brother Shoto for failing.

Dabi and the rest of the league are later present in the hideout, where they observe Tomura welcoming Bakugo to the team. The group of villains watch U.A.'s public apology regarding the villain attack on the camp. While Tomura explains to Bakugo that the League of Villains are aiming for a just society, Dabi sends Twice to free Bakugo from his restraints under Tomura's orders.

Once Bakugo is freed, he immediately attacks Tomura, refusing to accept their delusional ideology. Despite this, the villains are not afraid of him, with Dabi even thinking that he's a fool. Eventually, All Might, leading a group of heroes and the police charge into their hideout and restraint the villains.

However, the villains are suddenly saved by All For One, who uses Kurogiri's Quirk to create a warp gate for them to escape.

After All For One's defeat in the hands of All Might, Dabi begins searching for recruits for the League of Villains. He comes across a group of low life thugs that act hostile towards him, only for him to kill them, thinking of them as nothing but trash.

Dabi later accompanies Tomura, Spinner and Mr. Compress in capturing Kai Chisaki. The Pro Hero, Snatch, attempts to fight them off, but is eventually trapped in a marble by Mr. Compress, containing his fire. Mr. Compress asks Dabi if he is going to die. Dabi claims that only his upper half was composed of sand and was unsure whether he'd die or just be heavily injured. After Tomura finishes humiliating Chisaki and taking his Quirk bullets, he takes his leave with the rest of the villains.

Dabi is first seen giving out orders for High-End to accomplish. After High-End was defeated, Dabi eventually confronted Endeavor himself, surprised by the results of the battle. With his vision blurred out, Endeavor can barely recognize him, but from his voice, he can tell that Dabi is the one responsible for killing the Pro Hero, Snatch. Dabi unleashes his flames, trapping him, Endeavor and Hawks in a wall of flames. With the two heroes weakened, Dabi takes the opportunity to kill them, but he is stopped by the No. 5 Pro Hero Miruko. With her being present, Dabi forces himself to flee the area by calling out for Ujiko, but not before he calls out Endeavor's full name, planning to talk with him another time.

Some time later, Hawks meets with Dabi, revealing himself to be associated with the League of Villains (in reality however, Hawks was a spy sent from the heroes to gather info on the villains). Hawks is mad to find out that the Nomu, High-End, attacked today at the city and not tomorrow at a nearby factory. On top of this, he noticed that High-End was much different compared to previous Nomus. Dabi told him he changed his mind and that he wanted to see High-End's capabilities. Dabi tells him that it's not wise for him to place his trust on him and he was testing to see if Hawks was truly on his side. Eventually, the two depart their own way, with Dabi saying that though he won't let Hawks see the boss yet, he plans to contact him again.

Dabi is later seen at a dock nearby and begins to remember who Endeavor was talking about. He rubs his eyes which begins to drip out blood as he recalls when Snatch asked if he ever thought about the families of his victims, stating that he thought about them so much it drove him crazy.

Prior to the events of the Hero Billboard Chart JP, Dabi continued his search for more recruits to join the league, only to kill them back and forth as he struggled to find those that had any value. Making no progress, he eventually returned back to the hideout, in which he questioned why everyone was gathered up here instead of searching for new recruits, only for Toga and Twice to mock his actions at recruiting people. He later participated in battling Gigantomachia with his fellow league, only for them to lose.

Dabi and the rest of the villains were then transported to the doctor's hideout and noticed the amount of Nomus contained and how different they looked. Soon, the doctor revealed himself and introduced himself as Daruma Ujiko. After hearing Tomura's motive, Ujiko agreed to help him, as long as he can tame Gigantomachia. Dabi refused to take part and was more invested on searching for recruits instead, only for Ujiko to request for Dabi to test out the High Ends, though Dabi showed no interest in that either.

Dabi later accompanied the league after Tomura received a call from Rikiya Yotsubashi to challenge the Meta Liberation Army and rescue Giran from their clutches and took part in the battle. During the battle, Dabi engaged in conflict with one of the Meta Liberation Army's warriors, Geten and held his own against him for an extended period of time. Following the events of the battle, however, the Meta Liberation Army submitted themselves to Tomura's command. As a result, this allowed the League of Villains and Meta Liberation Army to unite as one. Dabi became one of Tomura's nine lieutenants.

Following this, Dabi later had a private meeting with Hawks, in which Hawks decided not to share his true thoughts regarding the formation of the Paranormal Battle Front.

Dabi was one of the nine lieutenants present during a meeting with Hawks, who informed them about Endeavor and how he's taken on three students on an intern. Dabi commented on how they haven't changed ever since the Training Camp Incident.

Four months later, Dabi is assigned the role as the leader of **Vanguard Action Guerilla Warfare Regiment: Violet**, alongside Geten. During the raid led by the Pro Heroes, Hawks confronted Twice in a private room. He was about to kill him, until Dabi interrupted the scene by firing his blue flames. Hawks rescues Twice from Dabi's attacks, causing the latter to commend that Heroes are always willing to save lives. When Twice breaks free of Hawks' grip, Dabi joyfully encourages him to go wild and that the others are waiting, yet Hawks kills Twice as he is too much of a threat to keep alive.

Dabi is enraged at Twice's death and burns away Hawks' feathers in retaliation. Hawks asks him if he cares about Twice being killed. Dabi admits that he does care about Twice's death (though only because he needed Twice to make his dream come true), and that he can't cry because his tear glands are all burned up. Hawks asks Dabi who he is, and the latter tells him his real name, though it is censored to the readers. Afterward, Dabi explains his motivations to a surprised Hawks: he claims that there are no "real" Heroes and he is the ultimate manifestation of Stain's will. Before Dabi can finish off Hawks, Fumikage arrives to defend him.

From there on, Dabi reveals to Fumikage that Twice was killed in battle by the hero he's defending, Hawks. Dabi asks why he bothers to show up here, claiming that the Pro Heroes are no better than they are. Fumikage states he's here, simply to protect his mentor, in which Dabi then accuses him that he's stopped thinking for himself.

He then proceeds to attack Fumikage, in which Fumikage manages to avoid, thanks to Dark Shadow. Dabi continues to taunt both him and Hawks, while Fumikage awaits for Hawks's orders, who insists that he must leave the area, now. Fumikage proceeds to do so, resulting in a chase between him and Dabi, who attempts to finish him and Hawks off. He is interrupted by Geten's ice attacks, however, from his battle with the other Pro Heroes.

Dabi later rejoins with Mr. Compress, once Gigantomachia sensed Tomura's calling. Upon arriving, he asks Mr. Compress where the other lieutenants are, in which Mr. Compress tells him that he was suppose to be with them together. He then senses that Twice was killed and explains to them that he tried to calm down Himiko, but failed as she has gone ahead and entered in a state of berserk against the Pro Heroes. The two observed both her and Gigantomachia from that point on, unleashing their wrath upon the Pro Heroes.

Eventually, Dabi and the other lieutenants managed to get together and head off to Tomura's direction with Gigantomachia. Dabi believes that Tomura has finally awaken from his slumber and is currently battling the Pro Heroes on the other side, explaining to the villains why Gigantomachia has suddenly made his move. While Gigantomachia continues to battle against the heroes, Dabi prevents Skeptic from leaving, ensuring his safety. Dabi and the others play their part in creating obstacles for the heroes as means to prevent them from stopping Gigantomachia.

Gigantomachia manages to defeat the Pro Hero, Mount Lady, but he is then stopped by the group of heroes from U.A., who are working together to put him to asleep. Dabi and the other villains then work together once more to prevent them from doing so, in which they managed to defeat the heroes, allowing Gigantomachia to continue his rampage.

The villains eventually arrived to the scene where Tomura is at, in which Gigantomachia manages to rescue him before the Pro Heroes could do any more damage to him. From this point on, Dabi reunites with the Pro Hero, Endeavor and spots that his son is accompanying him, Shoto Todoroki. This allowed Dabi the opportunity to reveal to them on who he truly is. As he proceeds to wash away the black dye from his hair, he reveals to them that he is the long lost eldest child of the Todoroki family, Toya Todoroki.

He was disappointed to see that his own family couldn't recognize him at first, but nonetheless, he explains to them why he's committed the acts he's done as a result of the abuse he's lived under his father's selfish desires and dreams. He also brings up how he was deemed unworthy to carry on his legacy. He then reveals to them that all of this has been pre-recorded and is currently being broadcasted across Japan by Skeptic, with the rest of his family learning of his survival. Dabi then reveals that his plan was to originally kill Shoto some time after he succeeded his father, but changed his approach when he learned that his father managed to actually become the No. 1 Pro Hero instead.

He expresses his frustration over how his father refused to die during his battle with Hood in Kyushu, how Ending and Starservant had failed to kill him while reminding him that he never forgot what he did to him, stating that he intends to bring him down to his demise with him.

In disbelief, Endeavor denies that Dabi could really be Toya due to seeing him die, but the latter says that he really is Toya and taunts his father for being unable to suspect him, despite having so much fire-based heroes in the Endeavor Agency. As his pre-recorded video continues, he shows the audience his DNA test results to prove that he indeed has Endeavor's blood, and talks about Shoto being his final successful creation, but even then Endeavor abused Shoto many times from what Dabi had seen.

He claims that Endeavor doesn't have an empathetic bone in his body and he's obsessed with his self-importance and being in the limelight, which is anything but what a hero should be. Dabi also talks about Hawks and shows how he killed both Twice and Best Jeanist apparently without remorse, which makes sense since his father was a criminal so Hawks' origin had to be kept secret, and Endeavor captured that criminal and it was fate that caused them both to meet. Finally, Dabi gives a speech to the crowd that heroes are dishonest people who only care about their reputation to the public in order to hide their sins, as part of his goal to make the civilians lose their faith in heroes, who would be stupid if they didn't.

Dabi thanks Endeavor for staying strong until now, so he could finish him off. However, his words come back to bite him when Best Jeanist turns out to be alive and restrains the villain, proclaiming his return to hero duty.

Dabi is in disbelief, claiming that he was sure that he saw Best Jeanist dead, but the hero says that Dabi has overreached and he'll come apart like inferior denim. Dabi says that him being alive won't change the Todoroki family's past and addresses Shoto, who is crying in anger. Nejire Hado attempts to strike at Tomura and Spinner, but Dabi blasts her with flames, taunting Endeavor that another child's bright future has been burned by his flames. Shoto attacks him and tells Dabi that he was responsible for Ending nearly killing Natsuo, even though Toya used to come to him for comfort when he was younger. Dabi only reacts that it was shameful since Natsuo's death would've really hurt Endeavor. Shoto calls him insane, and Dabi confirms that he has no feelings anymore and he will kill Shoto too, with a sadistic grin.

Izuku confronts Dabi, saying that he will protect both Shoto and Endeavor because Shoto is his friend and Endeavor was his mentor who made him better, and has the potential to change for the better. Endeavor is encouraged by Izuku's forgiveness and gains the resolve to fight back against Gigantomachia, while Dabi taunts Izuku about how he was only trying to show his truth towards the young hero and even then society is starting to accept it. After the end of the war, Dabi ultimately succeeded in his goals: turning the public against heroes via his video and ruining Endeavor's reputation as the No. 1 Hero. Dabi returns to the escaped villains' new headquarters, where he talks to himself about how Endeavor can't die without making a public statement about the mess he created, while celebrating his victory to himself and wishing for the rest of the Todoroki family to meet him in hell.

After recovering from the hospital, Endeavor realizes that he caused his son to become a mass murderer and he can't fight him, causing him to break down into tears and apologize to his family for everything he'd done to them. Rei comes in to talk to her husband about Toya, recalling how he used to idolize Endeavor and had an obsession with achieving his father's goal of surpassing All Might to the point where he would harm himself physically and emotionally while training. In concern, Enji tried to make Toya live his life normally, but his son says that with Endeavor as his father, he has ignited a flame within him and rushes towards his mother and infant siblings with his fire Quirk so that his father will finally notice.

Dabi: (Shocked) How did you know that?

Me: I can see it in your eyes. You did nothing to deserve all that. You struggled hard to become a hero and your shitass father treated you like garbage.

I then shocked him by hugging him.

Me: I'm sorry Dabi. You did nothing to deserve that. But it's not too late for you to change. You can join the Masters of Evil and you can get a better life than what you have gone through here.

Dabi: Okay you're right. I'll join but only if you beat me.

Me: Fair enough.

**All For One** (in Japanese: オール・フォー・ワン, *Ōru Fō Wan* ), also known as **Sensei** (in Japanese: 先生, *Sensei* ) is the overarching antagonist of the *My Hero Academia* franchise. He is the archenemy of All Might and Izuku Midoriya.

He is a mysterious man with a completely deformed face which he had suffered in battle and was defeated by the hero All Might. He is the founder and benefactor of the League of Villains with his disciple, Tomura Shigaraki, as his successor. After his defeat, All For One was imprisoned, and Tomura took his place as the leader of the League.

Following the war between the heroes and the Paranormal Liberation Front, however, All For One managed to break free from his imprisonment and sets out to fully expand his army of villains once more. He spends the remainder of the series targeting Izuku, hellbent on destroying him to complete his centuries-long plan of stealing One For All.

He is voiced by Akio Ōtsuka in the Japanese version of the anime, and John Swasey in the English dubbed version, who also voiced Crocodile and Hakumen no Mono. In the Korean Dub, he is voiced by Eung-Sik Min, who also voiced Ryuk from *Death Note* and Evolt from *Kamen Rider Build* .

During the time that Quirks began to pop up, a mysterious, sinister man was born with a powerful Quirk that allowed him to steal other Quirks. Going by the name of his Quirk, "All For One", he stole many Quirks from people. His overwhelming power would help him rise in rank, allowing him to become Japan's ruler, submitting its people by force.

His younger brother Yoichi, however, refused to submit to his evil ways. All For One explained to him that he's simply trying to help people by granting them powers for them to accomplish their dreams, especially those that are weak. He believes that he is trying to restore order to the world, but his brother didn't want to hear it. He then demonstrates his power on two people that wanted their dreams fulfilled, a man who wished to have his mutated jaw removed and a man that wanted power. Once he granted them their desires, they genuinely thanked him, hoping to repay him. Despite all of this, Yoichi could see that he was merely submitting them to his will.

Yoichi attempted to stop his brother but was subdued by All For One's bodyguard. While All For One disliked Yoichi for appearing sickly and weak, he still loved him nonetheless, as he was his only family left and had him imprisoned rather than killed. He found out that Yoichi refused to eat anything he gave him, hence his scrawny appearance. All For One then tells him about the successes and dreams that have come true, similar to how it was like in the comics they used to read together, but Yoichi tells him that there was more to those stories and that the villains would ultimately lose to the heroes. All For One reminded him that this was reality and that reality does not work the same as it does in those comics, but Yoichi did not want to hear it. All For One then decided that, out of pity for Yoichi as well as in order to gain his submission, he would give him a Quirk that can stockpile in power. Unknown to the two of them, however, Yoichi had a dormant Quirk that could be passed down to others. The two Quirks fused together, creating the Quirk known as "One For All".

As All For One would fight Yoichi who proved unable to defeat him. All For One would then devote himself to obtaining Yoichi's powers always battling and killing the successor as it passed down through generations. One For All would eventually reach the 7th wielder, Nana Shimura, who fought hard against All For One. Despite her best efforts, she was eventually killed by him, but not before she was able to pass down her power to Toshinori Yagi. Toshinori would later become the Pro Hero known as All Might and eventually beat All For One in a brutal battle, but unknown to him, All For One managed to survive.

Since then, All For One has remained hidden in the shadows, recovering from his injuries. In the meantime, he took in a young boy named Tenko Shimura, who was left alone underneath a bridge. He offered him a room with toys and games, as well as the hands of his deceased family members and two crooks he killed. Naming him "Tomura Shigaraki", All For One began preparing to raise the young boy as his successor, as well as a giant behemoth as a potential candidate. He even blackmailed the Aoyama family to work for him, as he forced their son, Yuga Aoyama, to be the U.A. mole after giving him the Navel Laser Quirk.

After Tomura's failure at attempting to kill All Might at the U.A.'s USJ, Tomura was brought back to the hideout with Kurogiri. Tomura complained to his master, saying that the plan was ultimately a failure. His master, speaking on screen, tells him that nothing went wrong and that this was simply the beginning of Tomura Shigaraki rising to become the greatest fear of society.

While Tomura watched the U.A. Sports Festival going live, his mentor advised him to specifically observe Izuku Midoriya, stating that in time, he may become a problem that he'll eventually have to deal with.

When the Hero Killer, Stain, was brought in by the league, he refused to join their ranks and instead attacked them, paralyzing Tomura and Kurogiri with his Quirk. Kurogiri asks if he should try to interfere, but All For One prevents it, stating that this is a good step for Tomura to learn from his mistakes.

After Stain's capture, All For One was satisfied to see with how things are going to plan. He believes that Tomura will be capable of creating a new band of villains and lead them. His doctor, however, expresses doubt, stating that All For One would be able to get things done faster. All For One then says he should hurry up and fix his injuries then. He then states that he will allow Tomura to continue on acting his successor, saying that All Might should celebrate while he can, for his time is about to come to an end.

When Katsuki Bakugo was kidnapped by the league, he was brought upon by Tomura, who attempted to convince him to join their ranks. Bakugo refused and instead attacked Tomura. With the heroes on their way, Tomura requests his master to lend him his power, in which All For One replies that was a good decision on Tomura's part.

Eventually, All For One decides to take action himself. After the league were raided and pinned by the Pro Heroes and the police, All For One then proceeds to destroy the entire hideout, then begins to send in Nomus to Tomura's aid, after defeating a couple of the Pro Heroes. He is then confronted by Best Jeanist, who managed to reduce the impact of All For One's destruction. All For One was impressed, but nonetheless, he proceeded to beat him down. He refused to take his Quirk and instead leaves him be in his beaten state.

All For One eventually brings Katsuki and the villains to him, apologizing for all of the chaos occurring. He then confronts Tomura, stating that, while he has failed, he is not disappointed nor angry with him. Instead, he believes that Tomura can continue to improve from this as much as he can.

All Might then suddenly appears into the action and begins to clash with his archenemy, ensuing the long waited rematch between the two. All Might ensures him that this time around, he will make sure that All For One is down for good, only for him to be blasted away by the villain. All For One then proceeds to use Kurogiri's Warp Gate and sends the villains off for them to escape, including Tomura.

All For One then proceeds to engage All Might in a battle once more, using Gran Torino as a meat shield to take All Might's attacks. While doing so, he expresses his hatred for the hero that brought him and his comrades down in society and ensures that he will suffer greatly. All Might eventually manages to get Gran Torino out of the way, then proceeds to attack All For One, destroying his mask.

All For One then begins to taunt All Might, in order to psychologically break him down. He mentions his deceased mentor, Nana Shimura and how much of a failure she was, causing All Might to build in rage. After expressing how she died a meaningless death, All Might prepared to attack him once more, only to be blasted away. All For One then expresses that he does not simply just want to kill him, but for him to die slowly in the most painful and gruesome way possible. All For One then sends another blast at him, only for it to be blocked away. However, in the process, All For One was able to reduce him to his true form, revealed to the public eye.

Despite this, All Might continues the fight, believing that he still holds hope inside his frail body. Finally, All For One decides to destroy his morality completely by revealing him the shocking truth; Tomura Shigaraki is Shimura's grandson. This causes All Might to be reduced in a devastated state, in which All For One mocks him at how he suddenly lost his smile, the shining hope he would bring to people. However, All Might was eventually able to recover the trauma from the motivation gained by both the Pro Heroes and the civilians around him. Thus, this encourages All Might to go all out, once and for all. All For One then decides to go all out as well, using a variety of the Quirks he's stolen to give him a tremendous boost in power.

In an intense battle, All Might was eventually able to finish off All For One with his final finishing move; United States of Smash. The impact of the move caused All For One to be knocked out for the time being. As a result of the battle, All Might eventually lost all the remnants of One For All in him.

All For One was later placed in Tartarus, a special security maximum prison for supervillains where even the death penalty is not a good punishment. During his time, All For One expresses joy, stating that he was not upset about his lost against All Might and instead believes that he actually won. Because of the current state he is in, All For One believes that Tomura's hatred for All Might will continue to grow even stronger and in time, he will become strong enough to inherit his power.

During his time in Tartarus, All For One eventually received a visit from his archenemy, All Might, who decided that it was time to settle old scores in a conversation. All For One talks about how tight the security is, in which he believes the prison is modeled in the form of Tartarus. All For One then proceeds to taunt All Might, asking if he's still working as a hero, much to All Might's annoyance. All Might simply demands him for Shigaraki's location, but All For One states he has no clue. All Might wishes to know what he's even trying to accomplish behind all of this.

All For One explains to him that he and him are essentially alike. While All Might aims to be a hero a justice, All For One aims to be a king of evil and that he wishes to continue these ideologies of his own for eternity. Confused, All Might asks why he even bothered with a successor, in which All For One laughs, stating that it's because All Might took everything away he built.

All For One then quickly requests about how society is currently functioning, now that All Might is retired. All Might refuses to exchange any info, but nonetheless, All For One makes a prediction in which society is currently living in fear and is slowly losing trust in their heroes. He believes that those that have been casted aside from society will step up to shape society in their images. All For One then asks how All Might feels, knowing that he can't do anything else at this point.

Despite everything that All For One's stated, All Might is not affected by his words. Instead, he will make sure that his vision of society never happens and that he will still remain alive to see it. All Might then leaves his cell, telling him that he can remain sitting there for the rest of his life. As he leaves, All For One begins to chuckle.

As All For One continues to remain being locked up in Tartarus, he later revealed that he cannot give Quirks back to their original wielders once a certain time has passed up. He expresses joy in how he can't help himself, as it's a bad habit of his. The moment he sees a good Quirk, he takes the opportunity of claiming and using it before time of it being returned runs out.

During the events between the war of heroes and villains, Naomasa and Gran Torino had approached All For One in regards to Kurogiri, after finding out he was made from the corpse of Oboro Shirakumo. When asked how exactly he was making the Nomus, All For One described the process similar to how wine is produced.

Later during the day, a vestige of All For One appears within Tomura's mind, who is currently unconscious inside his container for the time being. It is here that All For One reveals to Tomura that the surgery performed on him gave him access to the original version of his Quirk, as All For One has been using a duplicated version this entire time. As Tomura approaches him, vestiges of his family try to pull him back, but he simply shrugs them off and proceeds to head towards his master.

Eventually, Tomura awakens from his state and gains access to All For One's Quirk. During his battle with the heroes, however, Tomura begins to hear All For One's voice in his head as he utters strange statements such as referring to Izuku as his "little brother." All For One tells him to claim One For All from Izuku Midoriya, but Tomura refuses, as he intends to start his own path of villainy, one that will allow him to become greater than All For One.

Afterwards, Tomura continues to battle the heroes once more. He sustains serious injuries from Endeavor's attacks, but nonetheless, is still able to stand. All For One then takes this opportunity to take control of his body. As a result, using Tomura's body, All For One proceeds to use his Forced Quirk Activation within his original Quirk. In doing so, he manages to stab through Katsuki Bakugo. He then grabs Izuku himself, in which he sends him into a realm where he watches Tomura being restrained by All For One. Nana Shimura then appears alongside with Izuku, much to All For One's surprise, as he mocks her for being pathetic and incompetent. He then explains the situation they are in where he has heard people who change after having organ transplants and he's the strangest of the bunch, in which he experiences dreams where he hears the voices of the people whose Quirks he's stolen from, causing him to feel discouraged and guilt. However, once he let go of that Quirk, those voices were gone from his head. All For One believes that Quirk factors as a whole contain a consciousness of its original wielder and compares it to how organs contain the DNAs of others. He also believed that, with his particular Quirk, he was unique among everyone as he could combine Quirks with others and interact with those voices.

All For One then came to realize that his brother possessed this very same trait with One For All as he passed down the consciousness of his and others to future generations. All For One then notes of Tomura's hatred towards both him and his grandmother, much to his amusement as his anger is causing the will of One For All to crumble away. All For One's brother then appears, and together, he and Nana try to resist Tomura's rage as they wish to stay with Izuku Midoriya. All For One then decides that he and Tomura should combine their powers together so that they can accomplish their goal in stripping One For All away from Izuku. However, the heroes manage to resist against the villains' will, causing Izuku and Tomura to be separated from each other.

Realizing their plan has somewhat backfired, All For One tells Tomura that he must retreat for the time being, in order to let his body regain its full strength, but Tomura refuses. Despite this, Tomura's body ends up falling unconscious. Eventually, Gigantomachia arrives to the battle with the rest of the remaining forces. Spinner manages to take Tomura away from the field while Dabi and Gigantomachia fight off against the heroes. All For One then takes control of Tomura's body once more, as he notes of his loyal allies and his hatred that fuels his power to greater lengths.

Eventually, Dabi, Spinner and Skeptic managed to escape with Tomura's body, as All For One sent out Near High-End Nomus to battle off against the heroes, while the remaining Near High-End Nomus helped them leave the battlefield. Still under the possession of All For One, All For One plots to break into Tartarus with the Near High-End Nomus to free his main body.

Under the possession of All For One, Tomura eventually arrives at the prison by riding on a flying Nomu, where he begins to regain control and tries to fight All For One for control over his body. Tomura says that he won't be All For One's pawn, but the latter assures him that he is more than a pawn to him, that he will become the "next me." All For One then finds his body deep underground underneath sea level, noting that the water pressure will kill him and Tomura's body is weakening, so he requires the other villains. He plans a cooperative operation with a shared awareness between the prisoners and proceeds to break out all of the prisoners from their cell blocks, including himself. All For One succeeds in recovering his own body, and reunites with Tomura, proclaiming that he will become the greatest demon lord of all.

With his newfound allies and his army of Near High-End Nomus, All For One continued to expand his forces by raiding seven more prisons, breaking out many dangerous inmates in doing so. All For One then meets Lady Nagant and offers her the task of capturing Midoriya. Nagant initially refuses until All For One informs her that, so long as Midoriya is around, the society she desires will not come to past. He then sees Kai Chisaki, who rambles about how he wants to see his boss, in which All For One asks if he is a friend of hers. Nagant replies she isn't and that she broke him out, seeing him of use can be use. All For One states Chisaki is "another victim of the evil hero society" and gives Nagant "Air Walk" to help her capture Deku.

In possession of Tomura's body once more, All For One communicates with Dabi, Spinner, and Skeptic, celebrating the success of their groundwork and asks that they guard Tomura's body. When Spinner asks who he really is, All For One assures him to have no fear and that he respects Tomura's will, that he simply needs more time for Tomura's body to be perfected.

During Lady Nagant's confrontation with Izuku, the hero recognizes that she didn't aim straight at Overhaul when threatening to kill him, and she gave him the opportunity to surrender instead of attacking him on sight. He concluded that Nagant wasn't completely with All For One and she still had good in her. Combined with how he saved both her and Overhaul's lives despite what they've done, Lady Nagant began to believe in true heroism again. Unfortunately, All For One knew in advance that Deku would get through to her, so he triggered an explosion within Nagant's body, all the while boasting about how she was nothing more than a tool to him due to her useful Quirk.

When Lady Nagant regained consciousness, she confessed that she was tasked by All For One to send Izuku to a mansion in Haibori Woods, an abandoned base of the Creature Rejection Clan, and All

For One had recruited many more villains to assist his goals. Later, Izuku went to the mansion accompanied by the strongest Pro Heroes to confront All For One, knowing that he couldn't steal One For All from him yet. Upon entering the mansion, he was greeted with a pre-recorded message from All For One, who anticipated that he would show mercy to Lady Nagant. He talks about his philosophy of how hero society labels select people as villains because they had a bad hand in life, and egalitarian values don't matter because social inequality has always been a concept for all social organisms. He taunts Izuku about how he slowly wears down with every battle, and how he's moved on from All Might and focused on him instead, before triggering an explosion to destroy the entire mansion, saying it's his turn.

All For One recuperated with Spinner, telling him to guard Tomura's body while commending Skeptic's campaign to paint the public's perception of the League of Villains in a sympathetic light, and informing him that the American Pro Hero, Star and Stripe, was the strongest threat to his goal and acquiring her Quirk would resolve his problems. Once Tomura's body fully regenerated, he rode on a flying Nomu to face Star and Stripe and her fleet of pilots. Star and Stripe used her Quirk, New Order, to warp reality in an attempt to stop the supervillain, and made an ultimatum to kill "Tomura" by stopping his heart if his body moved. However, as Star and Stripe's understanding of the target's identity must line up with the target's, it failed due to Tomura being unsure of his identity as All For One began to take over. All For One assessed the properties of New Order and expressed his joy towards obtaining her powerful Quirk. He then told Tomura that his plan for him all along was to merge with his body to become a superior being, to Tomura's horror. Star and Stripe unleashed her "State-of-the-Art Hypersonic Intercontinental Cruise Punch" at him, causing a massive explosion with a crater, but it turned out that "Tomura" used Decay to dig into the ground, thinking that any second earlier would've been fatal. Star and Stripe's fellow pilots told her that the only way to stop him would be to sacrifice her own life, but she could not pull herself to, causing "Tomura" to take the opportunity to grab her face and steal New Order.

Unfortunately for him, Star and Stripe placed one last change onto

New Order that would cause it to turn on Shigaraki, resulting in New Order's phantom attacking Shigaraki, tearing him apart from the inside out. Much to his dismay, All For One is only able to give and take Quirks, not outright destroy them. Shigaraki frantically escaped back to land in an attempt to ditch New Order on someone else and come back for it later, but it had self destructed by the time he found someone to leave it with, permanently dashing All For One's hopes of obtaining the godlike Quirk. Defeated, Shigaraki retreated back to their hideout, where All For One comforted Shigaraki and told him to rest and regenerate.

Some time later, All For One continues the process of merging his vestige consciousness with Shigaraki's, while simultaneously mutating Tomura's body to a more stable form capable of handling his Quirks. Dabi asks when they will make their move, with All For One explaining that as someone who has lived for centuries, he plans out every possible outcome and path for his schemes years, even decades in advance, to such an extent he reveals he even has a spy within U.A. Later, All For One appoints Spinner as the public face of the Paranormal Liberation Front. Shortly after, All For One informs his minions that they will make their move now.

Shortly before making his move, he reminisces on a lie-detecting Quirk he stole during the early age of Quirks, and contacts Yuga Aoyama's parents and uses a strange code to confirm Yuga's location. Meanwhile, Yuga meets up with Izuku and explains All For One's true plan: collapse the entire world's economy and cut off access to essential resources such as water and power, leaving him, with Quirks capable of creating such resources, as the only one capable of producing the necessities for everyday life so he may cement himself as the unquestionable ruler of Earth, who everyone must obey and rely on. From behind Yuga, All For One appears and thanks Yuga for his cooperation, and prepares to attack Izuku. Aoyama solemnly apologizes for betraying Deku again, telling him that he has to protect for his family… before turning around and firing a Navel Laser at All For One.

Easily deflecting the beam, All For One stumbles backwards in surprise at the Aoyamas deceiving him in spite of his lie-detecting Quirk, as Izuku praises Yuga for his acting. Angered, All For One declares that it's too late anyway, and seeking to overwhelm Izuku and finally steal One For All, he opens up thousands of Warp Gates and summons the entire Paranormal Liberation Front. Just then, All For One notices another Warp Gate appearing next to Izuku, and assumes Kurogiri must have broken out of jail somehow. However, Neito Momota steps out the gate, revealing to have copied Kurogiri's Quirk, before using the copied Warp Gate to summon a vast multitude of heroes to battle All For One and his forces.

Nico: So he's All For One.

Me: What a disgusting fuckwad. But look.

We saw that his crotch had a huge hole where his manhood was.

Nico: Wow you really left your mark on him J.D. That blast really did the trick.

Laney: It sure did.

Beast Man: Here we go.

Beast Man went up to All For One.

Beast Man: You All For One?

All For One: Beast Man of Eternia. What a surprise.

Beast Man: Nice to know you will never spread seed.

All For One: The age of heroes is about to come to an end, Beast Man. You might as well join me. There's always room for you in the Paranormal Liberation Front. (Beast Man starts laughing) What's so funny?

Beast Man: You really think the age of heroes will end that easily? Sure, you can kill as amny heroes as you want. But there will always be more that protect the innocent!

Suddenly the spirits of the Animals of Elemental Pain came and swirled around him and they roared ferociously and then converged and then massive explosions of the elemental forces of nature blasted out and then a phoenix cry was heard. We then came out!

Me: All For One, your time has come. You're going to pay for everything you have done!

All For One: So you are the famous J.D. Knudson.

Me: That's right! I swore that I would kill you and end your reign of terror once and for all. Like my mark that I gave you?

All For One: YOU DID THIS TO ME!?

Me: That's right! And that was just a small demonstration of my power.

All For One: (to Nanette) Instead of Knudson, I think I'll steal your Quirk first. But you should consider that a blessing. After all, you never asked to be Gene Slammed to begin with.

Nanette: Well actually I changed my mind on that! I like being gene-slammed!

I fired an energy blast and blasted All For One in his chest!

All Might: It's over brother! You will never touch anyone ever again!

Nico: You've poisoned so many people with your lies! It ends right now!

All For One: You motherfuckers! Hidiacs, attack!

An army of Hidiacs appeared.

Me: AWESOME! Now things are getting good!

The Hidiacs fired laser and energy blasts at us and I deflected the blasts back and they hit the ground all over and exploded!

EXTREMELY MASSIVE AND FIERY EXPLOSION!

The Hidiacs were knocked down all over.

Me: You claim to be a god All For One, but you are nothing but a God Wannabe! You are just as pathetic as the other God Wannabes that we killed!

Izuku: Yeah what he said!

Then the Hidiacs jumped Izuku and friends.

Izuku and his friends lay defeated at the hands of Hidiacs.

All For One: (laughs evilly) You know, I was planning to drain you of your Quirks. Especially you, Izuku. But now that my minions have defeated you so easily, I've changed my mind. I'm just going to kill you all here.

Bakugo: (sarcastically) How considerate of you!

Despite being defeated, Bakugo wasn't going down without a fight as he pushed a Hidiac off him, though not defeating it.

KRABOOOOOOOOOOOOOOOOOOMMMMM!

Eddy: Nanette, I think your little bro and his friends need help!

Nanette then got an idea.

Nanette: Everyone in the audience! Lend Izuku and his friends your strength! They get stronger with your support! When I give the signal, share your energy with Izuku and his friends! Okay? Ready… go!

Everyone in the audience began sharing their energy with Izuku and his friends. And soon, Izuku found the strength to get up.

Izuku: I can feel everyone sharing their strength with me. I can't give up! Not when everyone's counting on me!

A Hidiac tried to finish Izuku off but he punched it, knocking it to the ground.

Izuku: Thanks for all the support, guys.

Bakugo: (smirks) I knew I had fans the whole time.

Ochaco: (sarcastically) Sure you did.

Tsuyu: But it's still nice to have people cheering for us.

Shoto: Almost like we're Pro Heroes already.

Sirius: Well, we're not done yet. So, let's get ready to kick ass!

Me: And we will kick his ass. Now he faces my ultimate power!

A massive fiery explosion went off behind them and they were ready!

Nanette: I've had it up to hear with you, All For One.

Suddenly, Nanette Albright's eyes turned neon yellow, and she was surrounded by a blue energy aura with lightning and insects, she unholstered her massive Sword of The DNA Spliceteam from her back, and as she approached All For One, she left blue energy, lightning, and crickets with every step.

Nanette: You really make me sick, All For One. You've caused Izuku and his friends too much trouble for the very last time and you and your fucking followers have killed so many innocent people, and now, I'm going to break your neck and rip your head off of your shoulders.

Suddenly, Nanette was then surrounded by a massive vortex of blue energy with bolts of lightning surrounding it, there's the image of Thunderlegs running around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Nanette emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Nanette Albright grew to 6'5" in height, she had the body of a goddess, she has blue lightning bolt highlights in the bangs of her long brown hair, she has neon blue eyes, and a blue energy aura with lightning and insects surrounding her, she has the image of Thunderlegs holding the Thunder Kanji in its hands emblazoned on her forehead, she has on insect earrings with blue crystals for the eyes and the Thunder Kanji in its hands, and her Crystal Necklace of The Buddha with blue crystal links and a golem with blue crystals for the eyes and the Thunder Kanji in its claws for the pendant. Suddenly, Nanette

Albright felt a sharp pain on her back, and then, massive blue angel wings with yellow tips on the large blue feathers and surging with powerful super lightning sprouted out from her back, and she had on her Blue Lantern ring on her left ring finger and Ring of the Phoenix on her right ring finger.

Suddenly, Nanette Albright's massive Sword of The DNA Spliceteam was suddenly surrounded by a kaleidoscope of blue energy and lightning, and when it emerged, it's transformed into Thunderlegs' Lightning Sword of Electric Justice, it's a new large sword with a 6'7" massive, wide, double-edged, man-sized blue blade with the image of Thunderlegs etched on it, large blue cricket heads with yellow gems for eyes for the sword's crossguard, large yellow gem embedded in the rainguard, longer black handle, and four large cricket heads with yellow gems for the eyes and in their open mouths for the pommel. There's a yellow kanji below Thunderlegs that said, "Nanette Albright, Waitress of Gotham Royal York, Loving Sister of Izuku Midoriya and His Friends, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Destroyer of Ch'Rell, The Ultrom Shredder, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lightning."

Me, Lincoln and our harems: DC COMICS AND MARVEL COMICS HEROES AND VILLAINS ULTIMATE FINAL SMASH: MARVELOUS COMIC HADOUKEN BARRAGE!

We all fired a massive barrage of Hadoukens powered by the heroes and villains of DC Comics and Marvel Comics respectively at All For One!

Mystic Force Rangers: Magi Staff!

Daggeron: Laser Lamp!

Udonna: Frost Staff!

Nico: ZENKAI CANNONS!

Me: **SPIRIT BOMB!**

We fired massive energy and elemental blasts and they all hit All For One and exploded!

EXTREMELY MASSIVE AND DEVASTATING EXPLOSION!

When the smoke cleared he was down but not out.

Nico: It's over for you All For One!

Me: **Prepare to die!**

All For One: This battle isn't over! Not by a long shot!

With that, All For One grew to giant size.

HE WAS HUGE!

Nick Russell: Oh no! Time for the Zords!

We summoned the Megazords!

Mystic Force Rangers: Titan Megazord!

Daggeron: Solar Streak Megazord!

Nico: Manticore Megazord!

All For One: (LAUGHS) You think I'm scared of your toys?

Me: **No but you will be scared of this!**

Out of the sky came a massive and powerful BLACK HYDRA DRAGON ZORD!

Nico: WHOA!

Me: **Meet the Black Hydra Mystic Superzord. Watch this.**

I had it fire massive waves of energy and elements from the heads mouths and they hit All For One all over the place with incredible ferocity.

Nick Russell: WHOA! That is awesome!

Me: Some motherfuckers are always trying to ice skate uphill! Lets see how you like this! MYSTIC FORCE SUPER ULTRAZORD SEQUENCE ACTIVATE!

The zords all combined and they formed into an awesome and powerful new SUPER ULTRAZORD!

Me: **MYSTIC MYTH SUPER ULTRAZORD! ONLINE!**

Nick Russell: Wow! This is awesome!

Nico: How cool is this!

Me: **Now this will be getting good.**

Qin kicked Dabi down and Mike had a gun pointed at his head.

Mike Chilton: Stand down, Dabi! Don't make me kill you!

Dabi: I give up guys. You won.

Qin: Good. You are now in the M.O.E.

Mike: So, what do you wanna do while waiting?

Qin: Lets watch the battle with All For One.

Mike Corbett: Okay.

They got to watching.

Me: **Now for the awesome finale! MYSTIC ULTRA LASER BLAST!**

We had it charge up a powerful laser and it fired and the blasts all hit All For One and then he exploded with incredible power!

EXTREMELY MASSIVE AND DEVASTATING EXPLOSION!

ALL FOR ONE WAS DEFEATED!

Mystic Force Rangers: Checkmate!

Nico: YEAH!

But it was not over yet as All For One was weak and bleeding profusely and I went up to him.

All For One: (Weakly) You think you won? I am a god. I'm immortal. Eternal. Nothing can defeat me.

Me: **Except for me. Now go to hell and stay there you motherfucking bastard!**

I fired a massive energy blast and obliterated him in an instant! Then his Spirit Appeared and I used the Black Gates on him and erased him from existence forever! I powered down.

Bakugo (sees Eijiro's wounded shoulder): Dude, you got shot earlier. You need to have the team's medics take a look at you.

Eijiro: I'm fine. Seriously. All I need is a good nap.

With that, Eijiro passed out on the ground.

Nico: For God's sake! Varie, can you and Ratchet take him to the infirmary?!

Varie and Ratchet did so.

Me: It's over guys. All For One is gone forever.

We cheered wildly!

Nico: And all his little pets are too.

Himiko Toga: The Evil versions of them are gone.

10,000 Volt Ghost: Looks like All For One is finally defeated.

Radioactive Man: Thank goodness for that.

Stonedozer: Now, no one will be attacking UA Academy again.

Iceage: (to the Burners) You guys helped too.

Mike Chilton: Of course we did.

Me: We owe you big time Mike.

Izuku: I hope you can wait 7 more days for us.

Mike Chilton: (smiles) Believe me. We will.

With that, the Burners left. But not before Mike sent Izuku a text on his phone.

Izuku: (reads text) "See you soon, Izuku."

Magma: That's an interesting See You Later greeting.

Me: We will see them soon.

Nico: Yep.

?: (Demonic Voice) I will destroy you for what your son did to me, Sparda.

Sherlock Hound: (British Accent) I should've known there's no mistaking that voice. You can come out now, Phantom.

A giant demonic-looking rock-covered spider with glowing blue eyes and flowing lava came crashing down from the ceiling, and it was none other than Phantom, another of Mundus' minions.

Sparda: (Through The Large Red Jewel) Phantom, I thought I wouldn't have to deal with you again after I betrayed Mundus two millennia ago and sealed you all in The Underworld for good, and when Dante did away with you on Mallet Island. But, it looks like you refuse to stay dead.

Then, Sherlock Hound's blood red eyes glowed even more, as Sparda took over his body.

Sparda: (Through Sherlock Hound's body) Now, it looks like I'll have to use other methods to make sure that you stay dead once and for all.

Nanette: And I've had it up to hear with you to last an eternity.

Suddenly, Nanette Albright's eyes turned neon yellow, and she was surrounded by a blue energy aura with lightning and beetles, she unholstered her massive Sword of The DNA Spliceteam from her back, and as she approached All For One, she left blue energy, lightning, and beetles with every step.

Nanette: Phantom, the crimes that you've committed in Mundus' name can never be forgiven, and now, I will see to it that you will never return from the dead ever again.

Suddenly, Nanette was then surrounded by a massive vortex of blue energy with bolts of lightning surrounding it, there's the image of Thunderlegs running around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Nanette emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Nanette Albright grew to 6'5" in height, she had the body of a goddess, she has blue lightning bolt highlights in the bangs of her long brown hair, she has neon blue eyes, and a blue energy aura with lightning and beetles surrounding her, she has the image of Thunderlegs holding the Thunder Kanji in its hands emblazoned on her forehead, she has on beetle earrings with blue crystals for the eyes and the Thunder Kanji in its hands, and her Crystal Necklace of The Buddha with blue crystal links and a beetle with blue crystals for the eyes and the Thunder Kanji in its claws for the pendant. Nanette Albright has on a short-sleeved blue blouse, blue shirt with a gold phoenix on it, blue skirt with bolts of lightning on it, blue pants, blue high-heel ankle-high boots, and a long blue sleeveless trenchcoat with lightning bolts on the coattails and on the back is Thunderlegs surrounded by lightning bolts. Suddenly, Nanette Albright felt a sharp pain on her back, and then, massive blue angel wings with yellow tips on the large blue feathers and surging with powerful super lightning sprouted out from her back, and she had on her Blue Lantern ring on her left ring finger and Ring of the Phoenix on her right ring finger.

Suddenly, Nanette Albright's massive Sword of The DNA Spliceteam was suddenly surrounded by a kaleidoscope of blue energy and lightning, and when it emerged, it's transformed into Thunderlegs' Lightning Sword of Electric Justice, it's a new large sword with a 6'7" massive, wide, double-edged, man-sized blue blade with the image of Thunderlegs etched on it, large blue cricket heads with yellow gems for eyes for the sword's crossguard, large yellow gem embedded in the rainguard, longer black handle, and four large cricket heads with yellow gems for the eyes and in their open mouths for the pommel. Nanette Albright has on her brand-new large gold cuff Bracelets of the Champions of The Universe with blue gems on her wrists, gold Belt of Elemental Bravery with a gold cricket head with yellow gems for eyes and a large blue gem inside its open mouth for the belt buckle, large blue Spellbook of The Gods and The Universe and large blue Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's a yellow kanji below Thunderlegs that said, "Nanette Albright, Waitress of Gotham Royal York, Partner of Thunderlegs, Loving Sister of Izuku Midoriya and His Friends, Loving Girlfriend of Ed Grant,,Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Destroyer of Ch'Rell, The Ultrom Shredder, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lightning."

ナネット・オルブライト、ゴッサム・ロイヤル・ヨークのウェイトレス、サンダーレッグスのパートナー、緑谷出久の愛する姉妹と彼の友人、エド・グラントの愛するガールフレンド、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、Ch'Rellの破壊者、 Ultromシュレッダー、驚くべき強力な教師の驚くべき強力な学生、そして稲妻のマスター

Nanette Albright has transformed into SUPER ANGEL INFINITY SUPERCELL LIGHTNINGSTORM INSECT ANGEL OF ELECTRIC JUSTICE AND UNDERGROUND HOPE!

We were amazed by Nanette's Super Angel Infinity transformation, and when Ed Grant saw her, he had an atomic red blush on his face and hearts in his eyes, but when Phantom saw it, his blue eyes turned red and he tried to kill her. But, Nanette transformed into her

Thunderlegs form, and it got an awesome transformation: Thunderlegs had blue armor covering its arms, legs, chest, and stomach and it grew massive blue wings with lightning surging through them, and Thunderlegs had dodged Phantom's leg, and fired six blasts of lightning, and really hurt the spider-like demon. Then, Thunderlegs changed back to Nanette Albright.

Nico: Whoa, Nanette's transformed into her Super Angel Infinity form, and Thunderlegs got one awesome transformation as well. That overgrown spider-like demon's going to get squashed.

Ed Grant: Wow, Nanette, you look beautiful. How do you feel?

Nanette: (Divine Echoing Cosmic Voice of The Lightning Beetle and Electric Underground Hope) **I feel incredible, Ed, and now, I'm going to electrocute that overgrown demon.**

Sherlock Hound, who still allowed Sparda control of his body, transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, and he joined Nanette.

Sherlock Hound: (Divine Echoing Cosmic Voice of Demonic Darkness and Dark Compassion) (British Accent and Demonic Voice) **This will be the last time you ever crawl out of The Underworld, Phantom.**

Nanette and Sherlock Hound went after Phantom, who fired fireballs at them, but they dodged them, and they fire powerful blasts of blue energy, blood red and black energy, blood red and black nebulae, stars, darkness, demons, beetles, and lightning at Phantom, and they exploded with incredible power as they hit the evil demon. This made Phantom so mad, he tried to attack them with its tail from its backside, but they dodged it, and Sherlock Hound sliced it off, and Phantom screamed in pain from the attack. Then, Sherlock Hound formed a stake made of pure darkness that sprouted out from the ground.

Sherlock Hound: (Divine Echoing Cosmic Voice of Demonic

Darkness and Dark Compassion) (British Accent and Demonic Voice) **Nanette, force him to fall on that stake by launching him into the air and throwing him down onto the stake.**

Nanette: (Divine Echoing Cosmic Voice of The Lightning Beetle and Electric Underground Hope) Got it.

Nanette transformed into Thunderlegs and punched Phantom's underbelly, and launched him high up into the air. Then, Nanette sent him crashing down, and was impaled on the stake of darkness, and he let out a dying scream of pure pain.

Phantom: (Demonic Voice) Impossible… , beaten again… ! You two, what… are you?

Nanette: (Divine Echoing Cosmic Voice of The Lightning Beetle and Electric Underground Hope) **You're right, I'm no ordinary human, I was Gene-Slammed into Thunderlegs by Ch'Rell, and I was changed forever. And as for the one who helped me… , well, it's best that you see for yourself.**

Suddenly, Sherlock Hound's blood red and black energy aura flared up, and the air turned thick with murderous intent and as Phantom was dying, he saw the shadow of the true demonic form of Sparda appear around Sherlock Hound, looking down at the demon.

Phantom: (Demonic Voice) (Dying) No, The Legendary Sparda, it can't be.

Sherlock Hound: (Divine Echoing Cosmic Voice of Demonic Darkness and Dark Compassion) (British Accent and Demonic Voice) **That's right, I've returned. But, this also means all of you have returned as well, but we're more than ready to take all of you down one at a time.** (Smirks) **Rest in peace, Phantom.**

Phantom said no more, as his body crumbled to ash, and his spirit was Super Hakaied forever. We all cheered wildly as Nanette and Sherlock Hound holster their weapons and power down, and Nanette's new body, clothes, weapons, jewelry, and massive blue angel wings are permanent. But, before Nanette was about to head back, Ed Grant ran up to Nanette, and he hugged her waist, and he kissed her. This took her by surprise, but she returned the hug and the kiss with equally intense passion as we all cheered for them.

Izuku: That was one awesome and epic fight.

Bakugo: You said it, that was really incredible.

Nico: And that makes another of Mundus' goons put down for good.

Me: That's right, but it's too bad that there's no Devil Arm for when you subdue Phantom.

Sherlock Hound: (British Accent) That makes sense though, since Phantom will always be loyal to Mundus, even though Mundus would turn against his own kind, and destroy them.

Nico: Damn.

Lincoln: That's just how evil Mundus really is, turning against his own demonic generals, and even worse, destroying them.

Sherlock Hound: (British Accent) That's exactly correct, Lincoln. Which is why in the future, I will see to it that Mundus will die horribly for everything that he's done two millennia ago, and the last thing Mundus will ever see in his miserable life is the shadow of death looming over him.

TLPS Mr. Wolf: That's exactly what I said with the Lycans, but to say that towards Mundus with pure rage and venom, it was laced with ice cold fury and the fiery rage of a devil.

Nico: When Sparda told Sherlock Hound of what Mundus had done two millennia ago, I think that also caused Sherlock Hound to develop a hatred for Mundus for what he's done, and since Sparda had merged with Sherlock Hound, that rage towards Mundus has amplified greatly, but he's controlled it greatly, and unleashed it only when Mundus' demons show up.

Lincoln: And we saw what happened when they see Sparda's demon form manifest around Sherlock Hound, that's the shadow of death that he mentioned. Even that sends chills down my spine.

Me: Same with all of us, big guy.

Izuku: (To the viewers) We have now seen the last of All For One and this was an awesome and epic adventure!

Nico: Yeah it sure was. Now the world is a much safer place without All For One in the picture.

Nicole Knudson: Boy you said it Nico. This was really awesome. And the best part is that we have many new recruits for the Masters of Evil.

Laney: We sure do and Camie is now in J.D.'s awesome harem.

Camie: I sure am. And maybe many more of my fellow heroes will join his and Lincoln's and Nico's harems too.

Izuku: And Nico, it's gonna be a great honor to join you all.

Nico: We're glad you all can be with us. Great job everyone! You all did a fantastic job. Lets go home.

We went back home and man were WE EXHAUSTED! This battle was really powerful and awesome and we all went right to sleep the minute we got home.

Another AWESOME FANFIC DONE!

WOOHOO! This was awesome! My Hero Academia was a really awesome show and it was really awesome how there is a world where 80% of the population was born with powers. This was one of the most action packed chapters we've done. That series is still going on right now and it has a 6th season coming out soon this fall. The first part was for a show that I loved watching back when I was in high school called Marvel Super Hero Squad and that was both a funny and awesome show. That show aired on September 14, 2009 - October 14, 2011 and it was awesome! Boy kind of coincidental! It aired on my dad's birthday and ended on my birthday! What are the odds of that. Also the second part is for an original part where we clean up all the Kryptonite when Krypton Exploded as well as hide it all to make sure no one uses it again. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. Nico's next rescue is gonna be a really awesome and cool one as Nico, Skyla, Bleez, Eli, me, Maximum Ride and Lori go to Bleez's home planet Havania and we're going to see not only what it's like but we're also going to take down Fagin from War of The Birds, a movie that premiered in Denmark. Also we're going to meet another one of Nico's friends named Eden Severnaya, Eden Severnaya is one of Nico's friends from Latvia and she is a really skilled and powerful flyer. She was gene-slammed with Havanian DNA. Also she is a really skilled and awesome artist and photographer. Also for Lincoln's rescue we're going to battle Tom Riddle before he turned into Voldemort in Harry Potter in The Chamber of Secrets and like in the movie we'll confront him and we'll hear him explain his ways and why he framed Hagrid as well as wanting to go after Harry and continue Salazar Slytherin's So-Called Noble work full of genocide, murder, racism and evil for Pureblood Supremacy. We're also going to meet a Gene-Slammer for Renge, Gatekeeper of Dark World named Renee Ravenclaw who is the descendant of Rowena Ravenclaw and is the 5th member of the Dark World Goths. The next chapter is gonna be a non-combat chapter and we're all going to participate in the awesome Triwizard Tournament. It'll be an awesome event as we meet Wizards from all over the world as well as battle it out for the Triwizard Cup. We're going to win it for Hogwarts. Wish us luck in that one.

See you all tomorrow

# TRIWIZARD TOURNAMENT FUN

Flying over the lands of the planet Havania was Nico, Skyla, Bleez, Eli, me, Maximum Ride and Lori and we were in absolute awe at how beautiful the home planet of Bleez is.

Me: Wow! So this is the planet Havania.

Nico: It's magnificent.

Bleez: It sure is. It's good to see my home planet again.

Skyla: It's beautiful.

Nico: Thanks for coming with me, Skyla.

Skyla: No problem Nico: It's awesome going on one of your rescues. I think it's awesome.

Nico: I'm glad you like it.

Maximum Ride: But Bleez your home planet is amazing. I didn't know it was so beautiful here.

Bleez: It sure is. Man I missed my home ever since I became a Red Lantern.

Eli: It's magnificent.

Lori: Literally would make an amazing vacation spot.

Nico: Skyla, which of your fellow Gym Leaders do you think we'll meet next?

Skyla: Lets see. I'm hoping we meet Viola soon.

Me: She's the Gym Leader of Santalune City and the very first Gym Leader that Ash faced in the Kalos Region.

Skyla: That's right. And you would like her J.D. She specializes in using Bug Pokemon. Specifically Vivillon.

Nico: Now that is cool. Too bad that Misty is still terrified of Bug Pokemon.

Eli: That is a darn shame. But she is not terrified of ALL Bug Pokemon thank goodness.

Lori: That's true.

Eli: Wait I just remembered.

Nico: Yeah! We helped cure that phobia, remember? And we're not holding anything against her sisters for that.

Me: That's right! I forgot about that.

Lori: Oops.

We saw a castle and it was beautiful.

Bleez: Wow! That's one of the kingdoms of Havania. It's also my home. You see I'm a princess of this castle.

Nico: Wow! We didn't know about that Bleez.

Eli: That is amazing.

Skyla: It sure is.

Nico: Seriously, we're not holding anything against Misty's sisters for her phobia.

Me: I'm not either.

Eli: Me neither.

Lori: Same here.

Nico: Good.

We went into the castle and it was breathtaking.

Me: Wow! Bleez your castle is awesome.

Nico: It sure is. Bleez this is amazing.

Bleez: I'm glad to be home.

?: Welcome home princess.

We then saw a figure and it was FAGIN from the Denmark Movie called WAR OF THE BIRDS!

---

Fagin is the main antagonist of the 1990 Danish animated fantasy film War of the Birds.

In the Danish version, he was voiced by the late Claus Ryskjær. In the English version, he was voiced by Paul Dobson, who also voiced Naraku from InuYasha, D-Structs from Dinotrux, and Zarbon from the Ocean Group dub of Dragon Ball Z.

In a forest near a city, a community of birds lives in peace free of predators, with the exception of Fagin, the self-entitled "king of the birds" who every several days invades the forest in search of his next meal. One sparrow attempts to fight off Fagin to protect his nest, but is no match and quickly killed and eaten. His mate shares the same fate, and their nest is pushed down onto a lower branch of the tree, saving only one of the eggs, which Betty the bluebird adopts and names Oliver upon hatching.

During a conversation with Betty's partner, an owl named Walter, he mentions Fagin when Oliver asks if he'll grow up to be an owl and Walter reveals that Fagin killed Oliver's biological parents and that he says he's "king of the birds" (in control of the forest in the original version). Infuriated, Oliver declares that Fagin isn't his king and that when he gets older, he'll get back at him for what he did.

Following Oliver's introduction to another sparrow named Olivia and two mice brothers, Fredrick and Ingolf, all of whom share Oliver's goal to fight Fagin and avenge their parents, Fagin appears and corners Oliver and Olivia into a can, but he is chased off by the dog of a birdwatcher.

The following day, the Dove reveals to Fagin that Oliver and Olivia are trying to gather a following to help them fight against him and about the trap they are building. A displeased Fagin boasts that no matter how many birds they collect, they will not defeat him. The Dove asks him to at least spare killing them because Betty once saved her life, but Fagin tells her that she is only living to be his spy and reminds her that since he's "king of the birds", he'll have to make Oliver go if he's trying to rally up the others against him. The Dove says she wants to resign from the whole scheme, but Fagin says he didn't hear her and cuts her with his talon in the process. He then flies off to kill the children.

As the Dove flies to Betty to warn her of the children being in danger, Fagin finds the children, taunting them for defying his rule as the king of the forest. A vengeful Oliver stands up and declares he will be the next king and calls out Fagin for killing his parents. Fagin dismisses his claims and attacks Olivia and the mice hiding inside the trap. Oliver attempts to protect the others but is quickly slapped aside by Fagin, knocking him unconscious. Before Fagin can kill him, Betty arrives and slashes Fagin's right eye, leaving him half-blind. Fagin then chases Betty into storm clouds and kills her.

As winter arrives, Fagin returns to get revenge on Oliver and friends for his eye. He spots the children and Armstrong in an abandoned area and chases them once again. Oliver attempts to lead Fagin into a burning hut that Ingolf set ablaze using matches. After failing to grab Oliver, Fagin grabs Olivia instead, only for Oliver to peck at Fagin's remaining eye, causing him to drop Olivia and instead grab Oliver. The Dove, who was watching from a distance after trying to warn the two about Fagin's return (and was unable to because they didn't trust her after finding out she was acting as a spy), flies after Fagin and grabs him by the wings, trying to pull him into the fire. Oliver falls out of Fagin's grasp during the struggle and straight into the fire, but he is rescued by Fredrick. Fagin cripples the Dove's wing in an attempt to get her off him, but he realizes too late that his wing is on fire and both birds plummet into the fire and perish, ridding the threat of Fagin for good.

---

Nico: WHOA MAN!

Eli: (Gasp) I know you! You're Fagin from the Denmark movie called War of The Birds!

Fagin: Glad to see that you know me young Eli.

Skyla: I see what this is. All For One knew he wouldn't survive our fight with him so he hired you to take us out.

Fagin: What!? No way! I work alone. I don't even know who All For One is.

Me: Good it's best you don't find out. But now we're going to turn you into a fried chicken!

Bleez: You have a lot of nerve invading my home!

?: And he will pay for it!

A Havanian swooped in.

Havanian: (Latvian Accent) You will pay for your crimes Fagin!

Nico: Eden Severnaya?

Eden slashed him into ribbons and killed him in an instant!

Havanian: That was too easy.

She reverted back and she was a girl with black hair and teal green clothes and she had brown angel wings.

Eden Severnaya: Nico it's awesome to see you again.

Nico: You too Eden.

Me: You're from Latvia. That is awesome.

Eden Severnaya: It sure is.

Bleez: Amazing to meet a Havanian Gene-Slammer.

Eden Severnaya: It sure is.

Skyla: Bleez, she's just like you.

Bleez: Yes and she is a Havanian Gene-Slammer.

Nico: Just like I was hoping to meet next.

Eli: Cool.

Eden Severnaya: It sure is awesome though.

Skyla: What's your favorite memory of Nico?

Eden Severnaya: My favorite memory is when we were in Art Class and we had this REALLY MEAN substitute teacher and Nico and I did some investigating and we found out that he was a really nasty murderer that escaped from prison and he was wanted in 7 states. He was posing as a teacher and we formed this plan and we got everyone out of the school and then called the FBI and they arrested him. Me and Nico smirked as he was arrest and carted off to death row.

Nico: I remember that! That was awesome.

Me: Wow! That was cool!

Eli: It sure was.

Nico and Eden hugged,

Nico: I really missed you.

Eden Severnaya: Me too Nico. Me too.

Me: Aww.

Eli: So awesome.

Bleez: It was good seeing my home planet again. I was starting to feel homesick.

Me: But it's really beautiful Bleez.

Skyla: It sure is.

We later came back home.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Clyde, Squid Girl, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The MHA Heroes, Hare, and Zoe Orimoto are heading to The Simulator, and the location is Hogwarts, and not only is Lincoln going to rescue the fourteen girls, but we're also going to face Tom Riddle before he was turned into Voldemort, and not only are we going to confront and kill him, we'll also hear him explain his ways and why he framed Hagrid, as well as wanting to go after Harry and continue Salazar Slytherin's So-Called Noble work of genocide, murder, racism, and evil for Pureblood Supremacy.

Lincoln: Wow, so we're here in Hogwarts, and I know what we're going to do here, not only am I going to rescue the fourteen girls, but we're also going to face Tom Riddle before he was turned into Voldemort, and not only are we going to confront and kill him, we'll also hear him explain his ways and why he framed Hagrid, as well as wanting to go after Harry and continue Salazar Slytherin's So-Called Noble work of genocide, murder, racism, and evil for Pureblood Supremacy.

Nico: That's right, big guy.

Me: And once we get him to confess his crimes, then we can kill him, and send him to The Black Gates.

Lincoln: And it'll also affect The Death Eaters and Voldemort, the creature Tom Riddle transformed into, and we'll finally be rid of them for good. And I want to thank you, Hare, and The MHA Heroes for joining us on this rescue, Zoe.

Zoe Orimoto: You're welcome, Lincoln. This is going to be one awesome rescue.

Hare: And I wonder how Dad's going to kill him before he sends him to The Black Gates?

Izuku: We were just thinking the same thing.

Lori: Just keep your eyes open, everyone, we've seen the many ways of how Lincoln gets rid of the villains he faces in his rescues and when uninvited villains show up.

We travelled throughout the school and Lincoln used the potion to free everyone from the Basilisk's petrifying gaze, and then, we head for the underground Chamber of Secrets, and it was a really dark place, a place of pure evil.

?: HELP!

Suddenly, Lincoln heard the sound of fourteen girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the fourteen girls, but they've been cornered by Tom Riddle, and he's going to kill them.

Lincoln: Guys, I found the fourteen girls, but they've been cornered by Tom Riddle, and he's going to kill them.

?: (British Accent) That evil monster! Let's get him!

Suddenly, we saw Renge, Gatekeeper of Dark World, appear before us.

Lincoln: That voice, I knew it was you, Renee Ravenclaw. But, we'll have to talk later, we've got a traitorous Dark Wizard to stop.

We rushed on over, and Lincoln made a ring of rainbow energy, and it shielded the fourteen girls, and he fired a powerful barrage of rainbow energy balls and elemental forces at Tom Riddle, which hit him in the back. When Tom Riddle saw us, he was enraged.

Lincoln: Before we get to kill you, answer us this: why are you even doing this, Tom?

Tom Riddle: This was to continue Salazar Slytherin's work. When the Chamber of Secrets was opened back on the 13th of June 1943, The Basilisk petrified many of Hogwarts' students, the last victim was Myrtle Warren. The Hogwarts Board of Governors wanted the school closed because of the incident, and realizing the Chamber needed to be closed and the culprit caught, I framed Hagrid and made the school believe that his pet, Aragog, was the monster responsible. Eventually, the school believed me, and Hagrid was expelled, but that fool, Dumbledore, didn't believe Hagrid was responsible for the killings, and Dumbledore kept an "annoyingly close" watch on me after that. Due to this, I realized that I would not be able to risk opening the Chamber while still a student. As such, I would use the murder of Myrtle Warren to preserve a part of my soul within my own school diary, the very first of the seven Horcruxes, hoping it'd one day lead someone to finish Salazar Slytherin's "noble work".

Me: Fully of Genocide, Murder, Racism, Evil and pain? I don't think so!

Lincoln: In other words, you were the one who opened The Chamber of Secrets and let The Basilisk out over seven decades ago, and you would eventually be transformed into Voldemort, and you would also split your soul even more into the other six Horcruxes, Marvolo Gaunt's Ring, Salazar Slytherin's Locket, Helga Hufflepuff's Cup, Rowena Ravenclaw's Diadem, that pet snake, Nagini, and finally, you made Harry Potter the Sixth Horcrux after you murdered Lily and James Potter.

Tom Riddle: And what you said was true and it fit why I wanted to go after him.

Lincoln: But, we destroyed all seven Horcruxes using The Basilisk's

Venom and J.D. freed Harry from you, and now that we finally heard all of your reasons, it's time for you to die.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and they unholstered their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sima Yi, Sun Quan, Jia Chong, and Jiang Wei got out their weapons, The Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Zoe Orimoto, The MHA Heroes, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at Tom Riddle and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, steel orbs, throwing axes, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit him.

Then, Lincoln sprouted his eleven massive and long white werewolf tails with eleven slobbering black wolf heads with glowing blue eyes on the tips, and he sent them at Tom Riddle, and they bit down on his arms, legs, and sides of his stomach, and we saw the wolf heads slowly draining, siphoning, and sucking out all of Tom Riddle's powers from his body, and we saw green energy visibly flowing down from their heads and necks and right into Lincoln, as his rainbow energy aura with elemental forces, Thunderbirds, Phoenixes, Buffalos, and Angels was flaring up even more, as he gained an immense power and energy boost, and he made Tom Riddle's powers his own, and we also assimilated Tom Riddle's powers.

Izuku: Whoa, Lincoln's sucking out all of Tom Riddle's powers.

Nico: That's right, Izuku, and Lincoln not only uses the eleven massive werewolf tails with large black wolf heads on the tips for that, but he also grabs the villains with his hands and he sucks out their powers and abilities, and he makes them his own, and he and all of us also assimilate their powers, as well.

Bakugo: That's really impressive, and just like J.D., Midnight and Mountain Lady told us that Lincoln has many kinds of powers as well, and I'm also proud they're also Lincoln's future wives.

Izuku: Same here, Bakugo.

Then, after Lincoln was finished sucking out all of Tom Riddle's powers and abilities, then, he cuts him down with his massive sword that he also laced with Basilisk venom, and it destroyed him forever, and Lincoln banished him, along with Voldemort and The Death Eaters to The Black Gates forever. We cheer wildly as we holster our weapons and power down.

Lincoln: Now, the terror of Voldemort has been forever silenced. (To Renee Ravenclaw) And it's so good to see you again, Renee Ravenclaw.

Renee Ravenclaw: (British Accent) You too, Lincoln, it's been a long time. And it's also good to see you again, Nicholette, Giselle, Scarlet, and Silvia.

Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, and Silvia Excelsior: You too, Renee.

Lincoln went up to Renee Ravenclaw, and they hugged, and Renee Ravenclaw's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time that I haven't seen you since you were sixteen, and as you and can see, I really grew a lot since then.

Renee Ravenclaw: (British Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Hare: Wow, Dad, you know her?

Lincoln: Indeed I do, Hare. This is Renee Ravenclaw, she's one of my Guardian Angels and friends from England, and she's the 5th member of The Dark World Goth Girls.

Nico: Awesome. (Suddenly realizes something) Wait, you said her last name is Ravenclaw, does this mean…?

Lincoln: (Smirks) You guess it, Nico, Renee Ravenclaw is the descendant of Rowena Ravenclaw.

This caused our jaws to drop to the floor at the revelation.

Me: Whoa.

Renee Ravenclaw: (British Accent) Looks like you all are shocked at the revelation, but what Lincoln just said was true, I am the descendant of Rowena Ravenclaw, and I hated what Tom Riddle did with turning my ancestor's Diadem into a Horcrux. But, I'm glad you all destroyed it, since it was turned into a vessel of evil, and there's no need for you to get me back to normal, Lincoln.

Renee Ravenclaw reverted back to normal, and she's a beautiful 17-year-old girl with long flowing orange hair, orange eyes, fair skin, she's 6'5" in height, she has the body of a goddess, and she has massive orange angel wings, as she reigned in the power of Renge, Gatekeeper of Dark World, and she's dressed in a sleeveless orange vest, sleeveless orange midriff top with the Ravenclaw House crest on it, orange skirt, orange pants, orange high-heeled sneakers, and long orange sleeveless trenchcoat with darkness on the coattails and on the back is Renge, Gatekeeper of Dark World, and the Ravenclaw House crest.

Lincoln: Wow, I love your outfit, Renee, and your clothes also have the Ravenclaw House crest on it. Plus, I got you a little something for you.

Lincoln gave Renee Ravenclaw a large Renge, Gatekeeper of Dark World-themed sword with Renge, Gatekeeper of Dark World and the Ravenclaw House crest etched on the 6'10" massive, wide, double-edged orange blade, orange angel wings for the crossguard, large orange gem embedded in the rainguard, longer black handle, and large orange gem with black angel wings surrounding it for the pommel.

Renee Ravenclaw: (British Accent) Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Renee Ravenclaw's neck with orange gems on the gold lightning bolts and orange crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Renee Ravenclaw: (British Accent) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Renee.

Renee Ravenclaw had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Renee Ravenclaw on her lips, and she returned it, and we cheered for them. Then, we went up to the fourteen girls, and when Lincoln saw them, he immediately recognized them. The fourteen girls are Ikoma Kitsuno, Saitou Kichou, Atsuta Anna, Biwajima Mayu, Hoshigaoka Yuri, and Oda Ichika from Nobunaga Teachers Young Bride, Narusawa Ryouka, Aikawa Miyuu, Kawabata Chizu, Kisaki Asuna, Kurenaino Aria, Nishizono Ririka, and Sumikaze Touko from Occultic: Nine, and Kuroi Ginko from Planet With.

Lincoln: Oh wow, it's Ikoma Kitsuno, Saitou Kichou, Atsuta Anna, Biwajima Mayu, Hoshigaoka Yuri, Oda Ichika, Narusawa Ryouka, Aikawa Miyuu, Kawabata Chizu, Kisaki Asuna, Kurenaino Aria, Nishizono Ririka, Sumikaze Touko, and Kuroi Ginko.

Nico: From Nobunaga Teachers Young Bride, Occultic: Nine, and Planet With, awesome.

Lincoln: Are you girls okay?

Ikoma Kitsuno: Yes, we're okay, thanks to you for saving us.

Then, when Ikoma Kitsuno and the other thirteen girls saw who it was that saved them from Tom Riddle, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Ikoma Kitsuno: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made thirteen clones of himself, and he and the thirteen clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Ikoma Kitsuno: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, fourteen Thunderbird Necklaces of Eternal Love appeared on the necks of Ikoma Kitsuno, Saitou Kichou, Atsuta

Anna, Biwajima Mayu, Hoshigaoka Yuri, Oda Ichika, Narusawa Ryouka, Aikawa Miyuu, Kawabata Chizu, Kisaki Asuna, Kurenaino Aria, Nishizono Ririka, Sumikaze Touko, and Kuroi Ginko with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone of the rescue in Hogwarts, and they were shocked when they found out the villain we went after was Tom Riddle, the teen wizard who would transform into Voldemort.

But, when Lincoln showed what he did to that that monster, along with hearing him explain his ways, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Renee Ravenclaw have a lot of catching up to do, now that she's back, and now, we're finally rid of Voldemort and The Death Eaters, and now, they're nothing more than a forgotten memory.

* * *

After putting a stop to Tom Riddle and ending the dark legacy of Salazar Slytherin, Voldemort, and The Death Eaters for good, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Renee Ravenclaw saw Lincoln working out like crazy, she had an atomic red blush on her face.

Renee Ravenclaw: (British Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Renee, and now, I can also defend myself.

Renee Ravenclaw: (British Accent) That's incredible.

Nico: It sure is, Renee. So, what memories did you have with Lincoln?

Renee Ravenclaw: (British Accent) Ooh, now that's a good question. Oh, here's one: Lincoln and I were going to the park to meet up with Nicholette and the other Dark World Goth Girls for a day of fun, but we had big time trouble coming: Lynn showed up, and she wants to pulverize Lincoln, and she said "it's for her sparring". We weren't going to have that, so we blasted that walking gym bag with powerful blasts of darkness and trapped her in a sphere of darkness. Then, I kicked the sphere of darkness and when it faded, Lynn found himself surrounded by skunks, and she got sprayed by them.

Everyone: P.U!

Lincoln: Yeah, she stunk even worse than Stank Breath Bolhofner. When we Mom and Dad of what Lynn tried to do to me, Lynn was grounded for eleven months and she had to soak in tomato juice, but it would be outside in the backyard, and Luna put a shock collar on her, if Lynn got out of line and tried to get revenge on me and the Dark World Goths, she would be shocked and Luna would smash her cymbals in her face.

We cheered wildly for what they did, and when Renee Ravenclaw showed us the video of the fight, and what happened to Lynn, we flinched at the scene when she got sprayed by the skunks.

Nico: Oh, P.U.!

Me: Ugh, there's nothing worse than getting sprayed by a field of skunks.

Lori: And it didn't help that she smelled like a gym bag, but combine that with getting sprayed, and that's where we drew the line.

Luna: And after I was freed from that stupid hive mind, I decided to form some punishments for Lori, Lynn, Lola, Lisa, and Luan, in case they tried to hurt my little bro, dude.

Luan: We were subjected to a couple of them, and they were horrible.

Lola: I've never been that scared of Luna before, but the punishments that she created for me, Lori, Lynn, Lisa, and Luan caused us to run to our rooms, and we were basically walking on eggshells around Luna.

Nemuri Kayama: Wow, I never knew you could be that defensive of your brother, Luna.

Luna: I am your future husband's Guardian, Nemuri, after all. But, I can't believe that Lori, Lynn, Lola, Lisa, and Luan bullied me into turning against Lincoln, that was just disgusting.

Yu Takeyama: But, that wasn't your fault, we can guess who's to be blamed for that one.

The TLPS Bad Guys Gang growled in anger for that one.

Izuku: Yeah, The Dark Sides of The Louds. What they tried to do to Lincoln just proves that they've crossed one like too many, and I'm glad you used the Crystal Dragon's Vengeance Curse on them, Lincoln, along with the other Dark Sides of those you've met.

Lincoln: Thanks, Izuku. But, when I checked the Pluto Prison, I saw that Dark Lynn was missing.

We gasped in shock.

Lori: Then, that means that animal escaped yet again?!

TLPS Mr. Wolf: We need to issue an All-Points Bulletin for Dark Lynn, and organize a manhunt for her. I refuse to let that animal run free any longer.

Nico: Good thinking. With Dark Lynn running loose, she's dangerous enough with her strength, but combine that with her dangerous unstable mental state and bad temper, she's a ticking time bomb.

Lincoln: That's putting it mildly.

Me: No matter what, Dark Lynn needs to be stopped and she'll suffer the same fate as the rest of the Dark Sides.

We then got a shower afterwards, and then, Lincoln, his harem, and his kids were getting ready for their beach date at Bubblaine in the world of Mario.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble.

Lincoln's harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble, and his kids were dressed in swimsuits in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble.

Lincoln: Alright, everyone, are we ready?

Nemuri Kayama: We're ready, Linky.

Hare: Yeah, we're ready, Dad.

Lincoln, his harem, and his kids left the World Tree Estate, and they head for Bubblaine in the world of Mario. When Hare and Weda saw it, they were amazed.

Hare: Whoa, what is this place, Dad?

Lincoln: This, Hare, is Bubblaine in the world of Mario. We've been here many times before, and it was awesome.

Lincoln, his harem, and his kids dived right into the waters at Bubblaine, and they all had a lot of fun there, and even played on the sand and got a tan. Then, they went to the picnic area to have lunch that Lincoln packed. Then, as the sun's about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion. Then, they came back home to the Estate, and they were in their original clothes.

Nico: Hey, guys, how was your beach date?

Weda: It was awesome, Nico. Lincoln took us to Bubblaine in the world of Mario.

Nico: That place is always a popular destination for a date.

Hare: And it was so awesome that Mom and Dad also shared a kiss right before we all headed home.

Lori: That's how your Dad ends his dates with his harem: with a kiss and hug in front of a setting sun, Hare.

TLPS Mr. Wolf: And is there going to be any trouble for today, Lincoln?

Lincoln: Nope, not today.

Ronnie Anne: Awesome. Ooh, and speaking of trouble, Syd sent me a message and she also put up a video of the punishments that Becky, Dodge, and those Dodgeball goons have been going through.

Ronnie Anne put up the video that Syd sent, and we saw that Becky, Dodge, and the Dodgeball goons were cleaning up the cafeteria after breakfast, then, they had to clean up the bathrooms throughout the entire school, along with sweeping up the hallways, and they were grumbling and mad as heck.

Me: Whoa, now that's harsh.

Nico: You said it, J.D. Was this part of your punishments for Becky, Dodge, and the Dodgeball goons after their plan was exposed yesterday, Lincoln?

Lincoln: Yep, and it's exactly how I discussed it with Principal

Valenzuela. Plus, everyone at Chavez Academy is enjoying seeing the bullies getting their just desserts, and with the threat of expulsion still hanging on their heads, they'll think twice before they attempt to return to their old ways again.

Me: Awesome.

Nico: And we also put up an All-Points Bulletin on Dark Lynn. Now, everyone is aware that Dark Lynn has escaped and she's running loose like the animal she is.

Lynn: And since Lincoln permanently severed Dark Lynn from me for good, we'll show her no mercy for this one.

Lincoln: I've had just about enough of that superstitious, psychopathic, murderous, arrogant, smug, disgusting pig to last an eternity.

We gasped at the harsh words Lincoln used to describe Dark Lynn.

Nico: Whoa.

TLPS Mr. Wolf: I knew we hated the Dark Sides, but Lincoln really hates them even more.

Lori: Though it's no surprise they were the ones who made him miserable and wanted nothing more than to kill him.

Lynn: But, if they also threaten his harem, his kids, his friends and family, then they're heading right towards the line of no return, and they'll be in for a major butt-kicking.

Dixie Clements: I wouldn't be surprised if Linky hogties Dark Lynn and runs her out of town on a rail.

Applejack: Or make her suffer the same punishment he and Lynn gave Evil Lynn when she broke out of prison and tried to crash our pool party to celebrate the downfall of Team Dark Phoenix Storm and kill our man.

Lincoln: Or what Zoey Mackenzie did in chopping off Evil Lynn's eyesore of a ponytail and breaking every last bone in her body. You know what, I'll do a combo of all three punishments, and make her pay for everything that she's forced Lynn to do so she can kill me. She's a wild animal that needs to be put down.

Thunder Sparkle: Yeah, who does she even think she is?

Me: A sore loser monster with a bad attitude. I think you should give her the Hell's Vengeance Curse, just like what you did to Jo and Eva, big guy.

Bakugo: We also saw on the Ridonculous Race the curses Lincoln put on the Total Drama Sore Losers and on old villains that you guys faced off against long ago, and they were brutal.

Lincoln: Along with the curse I placed on that sore loser, Max, and you're right, they are brutal.

Lincoln showed the MHA heroes the list of curses he'd made, and they were indeed brutal and really powerful.

Izuku: Yikes, now those are some really brutal curses you made, Lincoln.

Lincoln: Thanks, Izuku. Plus, I created a curse for my Blood Lincoln Elemental HERO form, and it's activated by the same song I use with the other curses, and this one is for any evil vampires or werewolves we might encounter.

Lincoln added a new curse for his Elemental HERO form, Blood Lincoln: Blood God's Vengeance Curse - Lincoln fires powerful blasts of blood red energy and blood from his massive angel wings, and once it hits an evil vampire or werewolf, the curse will drain them of every drop of blood, and Lincoln will consume their blood, and he gains a massive power and energy boost, along with gaining their blood memories.

We were stunned at that new curse.

Nico: Holy crap, a curse that's effective on evil vampires or evil werewolves?! Good one, big guy.

Me: Can't wait to see it in action.

Selene (Underworld): And it'll be perfect if Viktor, Kraven, or Marcus Corvinus dare to return from the dead.

TLPS Mr. Wolf: I'm also wanting to see him use it on that upstart vampire, Deacon Frost, his right-hand goon, Quinn, and the rest of his vampire flunkies.

Me: Now, that's also a good idea, TLPS Mr. Wolf.

Nico: More than just a good idea, J.D., it's perfect, because there's no way Deacon Frost, Quinn, and the rest of his vampire flunkies will stay dead for long, they're bound to come back from the dead for revenge yet again, and the second that they do, Lincoln will hit them with the Blood God's Vengeance Curse, and we'll see Lincoln drain them dry of every last drop of blood.

Later it was time for Hay Lin's first ever ambassador mission.

Me: I hope the Yost World's Spiderman is okay.

Hay Lin: Me too J.D. Ben, be honest. How many people hate the Spidey that you know right now?

Yost Thing: Not too many, actually. Only a few, like that Harry Osborn kid.

Me: So it's only him that hates Spiderman even though his father is not really dead.

Hay Lin: Oh man. I hope we talk some sense into him later on.

Nico: Yeah I have a feeling we will.

Me: Anyway lets get moving.

I opened the portal and we went to the Yost World.

We arrived in New York City in the Yost World.

Me: Boy this is coincidental. Stark Tower is right down there and also Spiderman is in the same area here. They live right down the street from each other.

Hay Lin: They sure do. How cool is that?

Me: Yeah. Maybe Princess Celestia and you can join up on these missions since they take place in the same world.

Hay Lin: Yeah no kidding.

It was just Peter's luck. He was walking back home when he bumped into a random girl.

Yost Peter: I'm so sorry! I didn't mean to bump into you. Let me help you up. (Smiles) I'm Peter Parker, by the way.

That girl was Hay Lin.

Hay Lin: Oh no worries. I'm Hay Lin.

Me: And you must be Peter Parker. Sorry I'm J.D. Knudson, 2nd in Command of Team Loud Phoenix Storm.

Yost Peter: Oh wow! It's an honor. Tony and everyone in the Avengers told me all about you.

Me: I had a feeling they did. Peter can we go back to your place so we can talk?

Yost Peter: Sure.

we arrived at his house.

Hay Lin: This is a nice house, Peter. Or do you prefer, Spider Man?

This shocked Peter before he laughed.

Yost Peter: (laughing) Oh, that's really funny! Hey, Aunt May! Get this! My two new friends over here think I'm Spider Man!

Yost Aunt May: (laughs as well) You've really befriended some really funny people. You and I know that you only dressed up as Spider Man during that one Halloween!

We laughed!

Me: Yeah! (Winks at Peter)

We went to his room and talked.

Me: Peter you should know we know all about you being Spiderman. You would be amazed at how we know all about many superheroes and supervillains and their real names. We read a lot of comic books and watched a lot of movies and everything. In our universe Superhero and Supervillain identities are pretty much squat. We know al their real names.

Yost Peter: Wow. Then I guess you heard about..

Me: Yeah. This worlds version of Hawkeye told us all about how Spiderman got blamed for Norman Osborn's death. But Norman is not dead at all. He's alive.

He looked to make sure Aunt May wasn't looking.

As soon as he made sure Aunt May wasn't nearby, he got serious.

Yost Peter: Look, I respect that you two and your team kill your enemies. But right now isn't a good time for me to reveal my identity to anyone.

Hay Lin: Why not? In our world, secret identities don't mean a thing.

Yost Peter: (sarcastically) Didn't you hear? Apparently, I killed Norman Osborn.

Me: No one likes sarcasm, Peter.

Yost Peter: Well, considering that my best friend hates my Spiderman identity and Gwen is in a relationship with him to make sure he doesn't end up drinking Globulin Green again, I've got every reason to be sarcastic. Besides, I use that in my witty banter. (confused) Don't you use that on your world?

Hay Lin: Okay, I admit that J.D. really has to try better at witty banter. But we're not talking about that. We're talking about the fact that it's not fair that some people are thinking you're a murderer when you're really not.

Yost Peter: Of course I'm not. I admit that Harry's dad was a scumbag. But I didn't kill him! He crashed into his own pumpkin bombs by accident.

Me: We know that Peter and you have all the Avengers to back you up on that. What happened to you was a huge act of adding insult to injury and it was horrible. But believe me what I say is true. Norman Osborn is still alive. I sensed it. He's in hiding.

Hay Lin: It's true.

Me: But we already killed our Norman Osborn in our universe. This time we're going to throw him in prison when we come here.

Yost Peter: I get you two are worried about me. But it's not all bad. I've still got M.J. as a friend.

Hay Lin: Just her isn't enough. Haven't you told the Avengers in this world about all this?

Yost Peter: I don't want them involved in my own problems. They've got their own bad guys to deal with.

Me: That's true and we're helping them right now even as we speak. Also Peter we're really sorry about what has been happening to you. But the Avengers are also helping you out even though you don't want them to. That shows that you are their friend too and that shows that you are like a brother to them as well. I will say this clearly Peter. You ARE NOT a murderer. Norman faked his own death to make it look like it was a murder. We know you would never intentionally kill anyone like that even if they were scumbags like those bad guys that we kill from time to time. But you have too much honor for that and that shows that like me and my team that you are still human.

Hay Lin: That's true.

Yost Peter: Look, just face the facts. Me defeating Norman was bittersweet. In the end, he actually won.

Me: No he didn't.

Hay Lin: (puts hand on his shoulder) Then, we'll just have to undo his victory one mission at a time.

Me: That's right. By wallowing in grief like this you are letting him win. Norman is still alive and I can show you where he is through my powers in my mind.

Yost Peter: You have 5 minutes.

Me: That's all I need.

I placed my hand on his head and we concentrated and sensed for Norman's signal and we found him in The Maldives and he was in disguise!

When it was done Peter gasped!

Yost Peter: He really IS Alive.

Me: Yep.

But then Flash Thompson appeared.

Me: Flash Thompson.

Yost Flash Thompson: An honor to meet you J.D.

Me: Same here.

Yost Peter: What do you want, Flash?

Yost Flash: (sighs) Look, Parker… I mean Peter. I know that our entire school life has involved me ganging up on you. But I still remember that we were friends once. And I know that you're pretty much alone now since Brock doesn't seem to be around. So, if you ever need to talk to someone, you can talk to me. But just as long as we keep this from Sally and the other popular kids.

Yost Peter: I appreciate that man.

They shook hands.

We later went off into the city and Hay Lin went Guardian.

Hay Lin: (WIND SWIRLS AROUND) AIR!

We were flying.

Yost Spiderman: (web swinging through the air) Don't you usually need that Heart thing to power up?

Hay Lin: Normally yes but I have the power to transform at will.

Me: Long story and a bunch of really awesome adventures on that.

Yost Spiderman: That is cool. By the way I heard you faced Kasady from here.

Me: We sure did. In Alcatraz. My friend Girl Jordan ABSOLUTELY HATES HIM with every single fiber of her being.

Yost Spiderman: How come?

Me: REALLY UGLY and nasty story on that. Because of Kasady she now harbors and intensely burning and terrible hatred towards Carnage and Cletus Kasady. He ruined her life.

Yost Spiderman: I'll have to hear about that later though.

Later we were facing YOST MYSTERIO AND YOST KRAVEN THE HUNTER!

Yost Mysterio: Kraven, even with how distant Spider Man has been acting, I am positive he will come.

Yost Kraven: (Russian Accent) I hope so. Otherwise, Spider Man might resort to pills sooner or later.

Yost Spiderman; (lands on the ground) Ta da! Say my name and I magically appear!

Me and Hay Lin followed.

Yost Kraven: Spider Man. I was afraid you would never show up.

Yost Mysterio: It seems you've gotten new friends. Though, shouldn't they be in school?

Me: For your information Quentin Beck we still go to school but not in this world.

Yost Mysterio: How did you know my name?

Me: You would be amazed at what we know. J.D. Knudson, 2nd in Command of Team Loud Phoenix Storm.

Hay Lin: Hay Lin, Guardian of Air.

Yost Kraven: The famous former leader of Team Loud Phoenix Storm!

Me: That's right Sergei Kravenov. And our version that we know doesn't look like a hybrid of a cat.

Yost Kraven: Different counterparts.

Mysterio fires a beam of green energy at Hay Lin but she dodges it.

Mysterio: Why don't you tell me what's bothering Spider Man?

Hay Lin: What makes you think anything's wrong?

Mysterio: He's very distant lately. Even though he wears a mask, I can tell he's troubled by something.

Hay Lin: It's a long story.

Mysterio: Why don't you tell me said long story while trying to find which one of me is real?

Mysterio made several illusions of himself.

Me: Nice try Quentin.

I activated my Sharingan and found the real one!

Me: Peek a boo!

I punched him down.

Mysterio: Lucky shot!

Yost Kraven went at me and I held him in place with a gravity force.

Hay Lin blasted them both into a tornado and blew them around and smashed them down.

Me: In case you two are wondering, Spiderman has been feeling down in the dumps because he thinks that he killed Norman Osborn when he actually didn't. Norman is still alive and he is in hiding.

Yost Kraven tried to hit Spiderman with his daggers only to miss.

Yost Kraven: Is something wrong, Spider Man?

Yost Spiderman: No. What makes you think that?

Yost Kraven: I am not fooled so easily. I know the accusations some people throw at you recently.

Yost Spiderman: Are they bigger then the accusations people are saying about you coughing up hairballs?

Yost Kraven: Even your jokes are not enough to mask the pain you're feeling emotionally.

Me: Okay that wasn't even remotely funny.

Yost Spiderman: Sorry. Since when do you care?

Yost Kraven: Is a hunter not allowed to feel concerned about his prey?

Me: Spiderman you can tell him. Like the version of Sergei that we know he has honor too. You can tell him.

Yost Spiderman: Okay.

Yost Mysterio: Not bad. But we all know that magicians have one last trick up their sleeve.

Yost Mysterio summoned a swarm of homunculi.

Homunculi: Finally! It's been 13 years since we last appeared!

Yost Spiderman: I hate these things!

Me: Homunculi! Our version of Mysterio never showed us these.

Hay Lin: Yeah that is true.

Me: But they look a lot like gargoyles.

I fired a wave of energy and blasted all the Homunculi into oblivion.

Me: They weren't much of a challenge.

Yost Spiderman: Okay, we pretty much defeated you two. You wanna know what's troubling me? Follow us to a random rooftop before Picklepuss tries to use this to slander me again!

Me: Picklepuss? You mean J. Jonah Jameson?

Yost Spiderman: Yeah him.

Yost Mysterio: Okay.

We went to a rooftop.

Hay Lin: I notice you're talking normally.

Yost Mysterio: Sorry. I just like getting into character whenever I put my helmet on. And Web Head, you really need to tell us what's bothering you before you accuse my helmet of being a fishbowl again.

Yost Kraven: Or before you start taking pills.

Me: He doesn't take take pills and I like your helmet Quentin.

Yost Mysterio: Thanks.

Yost Spiderman: Okay, you wanna know what's been bothering me?! I'll tell you! My whole life is a fucking mess! It's bad enough that Jameson slanders me every chance he gets! But now, my best friend hates me when I'm wearing this suit, the girl who I had feelings for now has to be in a relationship with him to make sure he doesn't turn into Green Goblin 2.0, and I'm sure Miles Warren had something to do with Dr. Connors and his family moving out of New York. And the cherry on top?! I found out that Norman fucking Osborn is still alive!

Hay Lin: There. Didn't it feel good to get that out in the open.

Me: That's what we were trying to tell you guys.

Yost Kraven: Boche moy! That is awful comrades.

Me: It is Kraven. (Speaking in Russian) С тех пор, как Человека-паука ложно обвинили в хладнокровном убийстве Нормана, хотя на самом деле он этого не делал, он винил в этом себя и впал в депрессию, и мы пытаемся ему помочь. (Ever since Spiderman was falsely accused of killing Norman in cold blood when he really didn't, he blamed himself for that and he went into a state of depression and we're trying to help him out.)

Yost Kraven: That is awful. I'm sorry.

Yost Mysterio: Look, Webhead. Believe it or not, every one of our happy Sinister Six family is concerned about you.

Yost Spiderman: Really now?

Hey Lin: Are they really?

Yost Mysterio: Yeah. The two of us are concerned about you. Ock and Shocker are concerned about you. Electro and Vulture are concerned about you. Even Rhino and Sandman are concerned about you.

Yost Spiderman: Sandy's still alive?! I thought he turned into glass.

Yost Kraven: And yet, he still lives.

Me: That's good that this worlds version of Sandman is still alive.

Yost Kraven: Yes it is. And J.D. we heard in your universe that you saved Sandman's daughter is that true?

Me: It is. She needed a heart transplant and I volunteered for it.

I pulled down my shirt and showed my scar on my chest.

Me: Immortality and Invincibility has its perks.

Yost Spiderman: Wow! That is really selfless.

Hay Lin: If you two want, you both can join the Masters of Evil.

Yost Kraven: Tell Zemo we and the rest of our comrades have not been interested in joining his group. And never will be.

Yost Mysterio: Though if you're talking about another version, how does my counterpart do there?

Hay Lin: He summons Heartless robots.

Yost Mysterio: I really have to start playing Kingdom Hearts more often.

Me: You would love it Quentin and no this is not Baron Zemo's Masters of Evil. This is completely different.

I told them what happened from December 26th, 2019 on up and it was awesome.

Yost Mysterio: Wow! That is amazing. I'll gladly join.

Yost Kraven: Me too.

Yost Spiderman: Also, when the big day for me comes, I'll gladly show you two my secret identity.

Yost Kraven: We will not go after your loved ones. You have our word.

Me: Good.

Yost Mysterio: I really do think certain villains should go after the hero first before the loved ones anyway.

Me: I agree there.

Hay Lin: If you were you, I'd start preparing cupcakes for the Pinkie version of that promise.

Yost Mysterio: (groans) What flavor cupcakes does she want?

Me: Any kind will work.

Yost Mysterio: Okay.

We later came back.

Nico: Hey guys. How did it go?

Me: Hay Lin's first mission was a success.

I told everyone everything and it was incredible.

Nico: Whoa man! This is gonna be more difficult than we thought. But you guys did great!

May: Congrats, Hay Lin. You're the first Guardian to have ambassador missions.

Hay Lin: Thanks May.

Me: Nico, we're gonna be needing a lot of help later on. Peter is going through intense PTSD from his ordeal. Not just with thinking he killed Norman Osborn but many things that happened to him. Jameson is still slandering him, Harry Osborn hates his guts, Gwen Stacy dumped him, many things. It's a nightmare.

Nico: Oh man. Well me, Eli, Maria, William, the Loud Kids, Vanitas, our Spiderman and Mary Jane and Evil Green Ranger can go next time if you want.

Hay Lin: That would be great!

Nico: Good. We'll need all the help we can get to help him out. Princess Celestia, we'll have to enlist the help of the Avengers too if possible.

Princess Celestia: I understand.

---

The Trinity of Violence, Lucy, Lana, and Leni saw the mascots with some kind of spray.

Lola: Do I even want to know what you 4 are up to?

Poromon: We're going to spray ourselves with this spray and make ourselves invisible and scare people.

Lana: What kind of spray is it?

Poromon: Invisible Spray.

Leni: But I can still see it.

Lana: I think Lily told me about this prank before.

Lori: That was literally strange.

Manaphy: Yeah.

Lori: But this will be funny to see.

Poliwag: Okay spray us. But be careful. It stains clothes.

They got sprayed and they were TOTALLY INVISIBLE!

Lana: Whoa it really works!

Lori: Wow! That is really amazing spray.

Lola: That spray is amazing. I didn't know it could do that.

Toru Hagakure: Cool! That spray really is amazing.

Poromon: It sure is. We're invisible now like you Toru.

Toru Hagakure: You sure are.

Lori: Were you guys gonna go spray a park bench with this and then sit on it?

Manaphy: That was originally what we were gonna do. But we learned of this kind of prank from SpongeBob and Patrick.

Lucy: That's awesome.

Lynn: You should scare Lincoln, Laney, Lisa, Lily, Luan, Luna, and Girl Jordan. Scare J.D. last.

Poromon: Yeah!

Mascots: HIGH FIVE!

CLAP!

Poromon: Lets go scare us some buttfaces!

Lucy: Lincoln, I have summoned some spirits from beyond the grave. Ones that haven't been destroyed yet.

Lincoln: WHAT!? Where are they!?

The invisible mascots moaned eerily!

Lincoln: OH MAN! This looks like a job for CADET LINCOLN! GHOST BLASTER OF THE ACADEMY OF REALLY GOOD GHOST HUNTERS OR A.R.R.G.H.!

THUNDERCLAP!

Lucy Loud: Been a long time since you've done that Lincoln.

Lincoln: Yeah it sure has been a while.

In Lisa's lab, Lynn starts laughing as some of Lisa's chemicals float behind her.

Lisa Loud: What in the name of!

DRENCH!

She got drenched in chemicals and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They exploded!

Masacots: (EERIE MOANING)

SMASH!

SHE SMASHED THROUGH HER DOOR!

Lisa Loud: GHOSTS!

She ran out of there frightened!

Lori holds back her laughter as some of Luan's props for pranks float behind her.

They were hitting her all over and she got pelted with pies and shocked by joy buzzers. Then the mascots moaned eerily.

Luan: GHOSTS!

She ran out of her room!

Laney: GHOSTS!

Lisa: (With eyes bugging out) GHOSTS!

Lily: GHOSTS!

Luna: (Holds up a slice of toast) Toast.

Girl Jordan: (On the toilet taking a dump) GHOSTS!

Poromon and the invisible mascots were in Lori's room.

Poromon: This is awesome guys! Now we have J.D. to scare.

Horsea: Yeah! He faced ghosts before. He won't be scared of that.

Manaphy: We'll see about that.

I was in my room reading a book.

Me: Hmm lets see.

Lana then came in.

Lana: J.D., we have to get out of here now!

Me: Why?! What happened?!

Lola: Ghosts are in the house! And they're ones we haven't destroyed yet!

Me: Ghosts? Really? I'm not scared of ghosts!

Mr. Krabs: Ghosts? Ha! I ain't afraid of no ghosts! Every sailor knows a ghost won't come near a fella as long as he's wearing his spotted neckerchief… [grabs a handkerchief] And his dried-up sea leprechaun. [shows ashes of the sea leprechaun] And a bit of gold never hurt. [shows a gold necklace around Mr. Krabs neck that reads, "Foxy"] But to be on the safe side, I'm also wearing me pants in a melvin knot, [his underwear is strung up with rope] got me shivering timber brace, [shows his ankles chained together] and the hairs on the back of me neck are taped down. [a strip of duct tape covers the hair. Mr. Krabs is shown wearing a barrel and a headpiece with lanterns hung on it.] And I'm all wrapped up in a suit of anti-ghost armor.

Me: Wow! You really are prepared Mr. Krabs.

Mr. Krabs: Yes I am. And if none of this stuff works, I've got me secret weapon-the specter deflector! [holds up a paddle ball]

Me: That's just a paddle ball.

Mr. Krabs: Well there are no real specter deflectors.

Lori: J.D., we've tried all the techniques we have to kill the ghosts! But nothing literally works!

Lynn: We have to evacuate the house while we still can!

Me: I'm not afraid of these ghosts. Bring it on you spirits of the underwood!

Lori: (Hears moaning) We have to get out of here right now!

Me: I'm still fighting them Lori.

Then we saw the Mascots wearing bedsheets?

Me: (Laughing) It's just the mascots wearing bedsheets. All right you guys take off the sheets.

I took them off AND I SAW THAT THEY WERE INVISIBLE!

Me: (GASP) THEY ARE GHOSTS! (Realizes something) Wait a second.

I turned on my infrared vision and saw that they were Invisible but still there.

Me: You guys are invisible!? But how?

Horsea: We are not your mascots. We are ghosts and we want to drag you into the afterlife.

Lynn: J.D., I wouldn't be trying to argue with these unknown spirits if I were you. Like we said, nothing worked on them.

Nico: Oh really?

Nico fired a blast of water and drenched the invisible mascots and the paint came off and they were visible.

Me: Well well well. Poromon, Poliwag, Manaphy and Horsea. So THEY were the ghosts.

Nico: Yep. And I found this.

Nico showed me a can of Invisible Spray.

Me: Invisible Spray?

I sprayed my arm and saw part of it disappear.

Me: WHOA! That is really cool! So the mascots used this on themselves to scare us. That is awesome.

Lily: I thought this was familiar!

Nico: I got to admit though that is really genius.

Poromon: It sure is.

Lynn: Okay, confession time. Yes, it was the four of them. And me, Lucy, Lori, Leni, Lola, and Lana were in on it.

Me: Wow! You guys all thought this up?

Lucy Loud: Yes we wanted to scare you guys.

Me: Wow! That was SO AWESOME!

Nico: Yeah you guys are great pranksters! We never expected this from you all.

Lily: It was really well thought out! And SpongeBob and Patrick did a prank like this.

Me: Did they really?

SpongeBob: Yeah we sure did. Me and Patrick bought some invisible spray and we were gonna use it to spray a park bench and make it look like we were floating. But we found out that it stains clothes and we ended up fighting while naked. Then we ended up coming up with this idea of scaring everyone in Bikini Bottom as ghosts.

Nico: That is awesome.

Luan: Yeah that was Outta sight! (Laughs) Get it?

We laughed at that one!

Camie: That was a good one!

Me: Yeah!

Nico: Anyway, today will be usual battle free.

Me: Yep. And I have just the thing to do. We're going to watch the Triwizard Tournament.

I told them that I'm going to enter the tournament and help Hogwarts win the Triwizard Cup. After Voldemort was resurrected the last tournament ended without a winner. Now we have a chance to make it official.

Nico: Awesome! It'll be cool to see you compete in that.

Eli: It sure will.

Varie: What do you have to do in this kind of tournament?

Me: It's not easy. It's 3 tasks. Task one: snatch a golden egg from a nest guarded by a deadly dragon. Task two: retrieve something valuable from the bottom of the Hogwart's lake.

Task three: make way through a trap-laden labyrinth and retrieve the Triwizard Cup.

Nico: WHOA! But with your powers you can do it.

Camie: Absolutely J.D.

Laney: We know you can do it J.D.

Me: Thanks guys.

Rhino: I have a feeling that Hay Lin might meet me and Flint's Yost counterparts. If she can't convince Yost Harry Osborn that Yost Spider Man's not a murderer, then said counterparts are gonna have to scare some sense into him.

Nico: Good idea.

Me: And we'll do just that if necessary.

Varie: Yep.

Dark Spicer: Hey, guys. Hope you don't mind us tagging along.

Nico: Not at all Dark. In fact you're gonna be witnessing the Wizarding World's version of the Olympics in action so to speak. J.D. is gonna be participating in the Triwizard Tournament making him the first ever American to play.

Me: It's true. For over 200 years since 1792, the Triwizard Tournament was discontinued when all the champions got hurt. But it was revived in 1994.

Nico: Until Voldemort made himself known.

Me: Yep. But now I have a chance to make history for the first time in almost 300 years by becoming the first ever American to participate.

Dark Spicer: Wow! Good luck J.D. Not that you'll need it.

Me: Thanks. After our big battle we had with All For One yesterday, we more than earned this.

Laney: I agree.

Camie: Thank goodness.

Himiko Toga: Have there been any other schools other than ones in Europe that have participated?

Me: No. It's just the schools in Europe: Hogwarts School of Witchcraft and Wizardry, Durmstrang Institute, and Beauxbatons Academy of Magic.

Nico: Wow! So it's only a European event.

Me: It took a lot of convincing but I was able to convince the high council of magic to let me participate.

Camie: Wow.

Tala: Now that Voldemort is dead, there will be no interruptions.

Nico: Absolutely. I just wish that Cedric Diggory didn't have to die like that though.

Me: I resurrected him with the Cosmic Cube.

Nico: Right I remember that. Voldemort and his racist views. Thank goodness he is now destroyed forever.

Laney: Yeah.

Nico: Well lets get over there and see.

Poromon: Is there any food?

Me: Plenty.

Nico: Awesome.

We were off to Hogwarts and the competition was going to be amazing!

We arrived and we saw LOTS OF WIZARDS from all over Europe.

Me: Wow! Look at all the wizards here.

We saw that the students of Durmstrang Institute of Scandinavia was there as well as Beauxbatons Academy in France.

Marinette: This is amazing.

Nico: Wow! NO kidding.

We saw the Goblet of Fire.

Eli: Whoa is that the Goblet of Fire?

Me: That's it.

Harry Potter came.

Harry Potter: (British Accent) Glad you all could make it.

Me: Same here Harry. Wouldn't miss this for the world.

Harry Potter: I'm glad.

William: So, when does it start?

Harry Potter: Right now.

Me: Yep. See that line around it? Ever since what happened in 1792, there has been new rules put in place to make sure that no one under the age of 17 participates. Very Strict age requirements. But also after what happened in 1994, the tournament was thought to have been cancelled permanently. I helped restart it after we killed Voldemort forever.

Nico: Wow!

Maria: Are you over 17?

Me: Far above it Maria. I'm over 150,000 years old.

Maria: Right! You're immortal! I forgot. Even though you look like you're 17 you're over 150,000 years old.

Camie: Wow! Are you really that old J.D.?

Me: I sure am. I may not look like it Camie but I have lived longer than anyone all over the world combined.

Camie: That is incredible.

Nico: It sure is.

Me: Yep. But wish me luck guys.

Camie then kissed me.

Camie: For luck J.D.

Me: Thanks Camie.

I went and put my name is the Goblet and I was entered. IT WAS ON!

Nico: Okay, if anyone here is disguised with Polyjuice, feel free to fess up.

Eli: I'll use the Force to flush them out.

Eli concentrated and found no one under a disguise because of Polyjuice Potion.

Eli: Okay everyone is clean.

Nico: Good. That makes things easier.

The first task was to get a Golden Egg from a deadly Dragon!

Spike: Wow! That is a powerful dragon there.

But it wasn't just any dragon! IT WAS A HUNGARIAN HORNTAIL!

Nico: WHOA!

May: I hope J.D. can outrun it.

Nico: Oh don't worry. He can.

I ran fast and dodged its fire blasts!

Me: Come on flame head is that all you got!?

He fired blasts of fire at me and I absorbed his fire and blasted him all over with fire blasts and smashed him all over.

He roared ferociously!

Laney: He's really mad now!

He fired a deadly flamethrower blast!

Nico: Whoa! Don't worry we'll resurrect anyone that dies.

Harry Potter: Good thinking.

I went for the dragon and then I swiped a golden egg and came back first!

Nico: YEAH! J.D. made it easy in this one.

Camie: WOO! YEAH!

Varie: That's our future husband!

Manaphy: What's the next task?

Nico: To retrieve a stolen item from the merpeople in Hogwarts Lake. And the merpeople there are as scary as the dark side of the legend.

Manaphy: Whoa.

Eli: With J.D.'s powers to breathe underwater it'll be no problem for him.

Nico: No it won't.

Me: This will be awesome. The water may be freezing cold but it's no problem for me.

We dove in and then I swam and found the merpeople.

Me: There it is.

I found a Wizard chalice and the merpeople came after me as I grabbed it

Me: Not this time! SOLAR FLARE!

I emitted a blinding flash of light as bright as 100 suns and made a break for it as the Merpeople were blinded and I returned with the chalice!

Nico: WHOA! He did it!

Eli: No problem!

Poliwag: We believed in you, J.D!

Me: YEAH!

I gave the thumbs up.

Nico: The last task is coming.

It was later time for the last task.

Nico: This is the final task.

Camie: What is it?

Nico: The deadliest task of all. The Triwizard Cup is right in the center of a dangerous trap-filled labyrinth.

Eli: Whoa man.

Nico: Whoever gets the cup first wins the tournament.

Camie: Whoa man.

William: This was the task that sparked Voldemot's return.

Nico: Yep. This task was all set up for Harry Potter only. Cedric Diggory was in the wrong place at the wrong time when it happened 28 years ago.

Eli: Thank goodness it will never happen again.

Nico: That is for sure.

The race for the cup was on! I ran through the maze with incredible speed and it was intense! I dodged all the traps and got to the center first.

Me: There it is. But I remember in 1994 it was all a trap.

I went up the cup and touched it and nothing happened. No portal.

Me: Whew.

I took the cup and I WON THE TOURNAMENT! I CAME BACK OUT VICTORIOUS!

Nico: HE DID IT!

Camie: HE GOT THE TROPHY!

FOR THE FIRST TIME IN OVER 200 YEARS, THE TRIWIZARD TOURNAMENT WAS WON!

Horsea: Yay! J.D. did it!

Nico: WOOHOO!

Eli: WAY TO GO BRO!

Laney: YEAH!

This was awesome!

Nico: Congrats, J.D.!

Me: Thanks Nico! History has been made!

Later it was time for the celebration at the estate and we were having a great party. It was really awesome

Professor McGonagall: (British Accent) Congratulations to you J.D.

Me: Thank you Professor. I'm sorry that the Triwizard Tournament had to be cancelled because of you know who.

Professor McGonagall: Oh it's all right J.D. but thank you. You have restored the future of the Triwizard Tournament.

Me: I'm glad and it was really fun. Dangerous, but fun.

We had an awesome party and we earned it after having a big battle with All For One. We later went to sleep after having a huge and fun day.

THE END

Another fanfiction done.

The 4th Harry Potter movie, Harry Potter and the Goblet of Fire is a really awesome movie and that was where Harry Potter got to participate in the Triwizard Tournament. But it was awful seeing

Cedric die like that and also Voldemort coming back to signal the coming of the war. The Triwizard Tournament was really cool though and it's amazing that it has that big of a notorious reputation. Voldemort ended that tournament forever though. But we officially brought it back here though. The first part was for where we see the home planet of Bleez from DC Comics. That was awesome seeing the planet Havania. The second part was for the battle with Tom Riddle in the 2nd Harry Potter movie, Harry Potter and The Chamber of Secrets. That was a great movie. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. Nico's next rescue is gonna be a really awesome and cool one as Nico, Loki Loud, me, Eli, Maximum Ride and Camie go to the planet Thanagar to take down another bad guy and we're going to meet Claire Terrance who is also a Thanagarian Gene-Slammer. We're going to face The Bird of Prey from the 1936 cartoon called The Little Stranger. That was a cartoon from my childhood. The next rescue for Lincoln is gonna be in the world of cheese as we go to a Limburger Cheese Planet and a planet like that would smell like puke! Actually it would smell like rotten socks. We're going to rescue some girls there and we're going to battle Rat Capone from Chip N Dale Rescue Rangers and Camie is going to transform in that one. Rat Capone will be recruited into the M.O.E. Also we're going to meet a Dark World Goth gene-slammer named Helena Hufflepuff and she is a direct descendent of Helga Hufflepuff. She'll be a gene-slammer for Ceruli, Guru of Dark World Also for my next experimental rescue we're going to battle that unibrowed brat Becky and her dodgeball posse and we're going to get her in the worst ever trouble. The next chapter is gonna open up an awesome blast from the past as we go into the world of the 2015 movie Pixels and we're going to battle Video Game characters of 8-Bit Pixels running amuck and stopping them from destroying everything in their path.

See you all tomorrow.

# NIGHT OF THE LIVING VIDEO GAMES

Flying through the skies of the planet Thanagar was Nico, Loki Loud, me, Eli, Maximum Ride and Camie and we were amazed at how beautiful Hawkgirl's home planet is.

Nico: So my next rescue is on the planet Thanagar. How cool.

Me: At least Shayera is not with us this time.

Eli: That's true.

Nico: Thanks for coming with me, Loki.

Loki Loud: No problem Nico and this is literally cool to see Shayera's home planet.

Maximum Ride: It sure is. It's like that they totally have embraced the Egyptian Culture.

Camie: They sure did. It's beautiful.

Nico: It sure is.

Eli: I like it.

Nico: Listen, Loki. About me scolding you last year…

Loki: No worries Nico. I totally had that coming. Like my female self, I didn't know how to control myself and I was too raging to know how to do so.

Me: I totally sympathize with you Loki. Lori was a ticking time bomb of rage before the Loud's had their dark sides removed. But thank goodness we stopped that.

Loki Loud: Yeah that is true. Also I eat bean chips like my female self and after finding out that they give you constipation, which I had no idea, by the way I totally had it coming. But I was really blind to see that it was an accident.

Nico: Oh. Good. That second part with the constipation I didn't need to know about but at least we're on good terms.

Me: Yeah that's good.

Eli: At least you owned up to your mistake.

Nico: That's true.

Me: Yeah.

Nico: But you have to understand. You tried to kill your own brother. You don't do shit like that.

Loki Loud: I know and it was awful.

Me: Yeah think of what would have happened if you did so. We would have to throw you in prison.

Loki Loud: That's right.

Eli: And Starfire called you a zarbnarf.

Camie: A what?

Me: It's Starfire's Tamaranean way of calling people a monster or a tyrant.

Camie: Wow that is interesting.

Me: Yeah. But Loki you need to learn how to control your temper.

Loki Loud: Yeah. You're right.

Nico: Not just you. We ALL have to control our anger. Because sooner or later, we're gonna find out what Scott's been up to and it's probably gonna be something that's gonna piss us off.

Me: He's right on that. Scott has done all kinds of horrible things that make us mad.

Eli: Yeah and who knows what he is gonna do next.

Loki Loud: Yeah.

Camie: Isn't Scott one of the Sore Losers from Total Drama that you all face every year?

Me: That's right Camie. You would not like this freak at all.

I went over his history and he was one badass son of a bitch.

---

Scott is a supporting antagonist in the Canadian animated franchise Total Drama. He served as the main antagonist of Total Drama: Revenge of the Island, but in Total Drama All-Stars, he displays a much softer side, while appearing as one of the main characters and comic relief of the season. He is the archenemy of the mutant shark Fang, whom he stole a tooth from, and starts to creep out every time he sees him.

He was voiced by James Wallis.

Scott is a devious teenager who will do anything to win since he has the ability to get people to do what he want them to do. His favorite music is Kan'Ya East, his favorite colors are blue and green, his favorite movie is Animal Place and he can eat anything as long as Chef Hatchet doesn't cook it. He once dreamed he tried to get rid of his team to win. His best childhood memory was the very first time he got his parents to argue. His most embarrassing moment at school was when he co-operated with someone else. He once had a lemonade stand, where he forced his neighbors to buy some. Scott likes telling people what to do, so in the future he would love to be a CEO.

He never seems interested to be with a girl, since loonies to the floor is just as fun to him. He later reveals the only relationship advice his father gave him was to "go Dutch" if he was in Holland with a girl, which would explain why he is not very indulgent in the romance department and is confused on how to act as a boyfriend. However, despite not being interested in a girl, Scott develops a short-lived romantic relationship with Courtney in Total Drama All-Stars, due to being attracted ton her bossiness (a trait he inherited from his parents' own bossiness). From his suffering at the hands of Fang from Total Drama Revenge of the Island, Scott also developed a phobia of sharks. Despite his evil actions, Scott semi-reforms when he attempts to warn Zoey of Mal's presence on the island, although this is mainly because, like Alejandro, Scott would rather give up his chances of winning by accepting his loss then let Mal win.

---

When I was done she was shocked!

Camie: Whoa man! I hate people like him!

Nico: Me too Camie. Me too.

Maximum Ride: Yeah. But one thing we can use against him is his phobia for sharks and that's where the Street Sharks come in.

Nico: (to Loki) BTW, your constipation? That's why Stinky Butt's your archenemy.

Loki Loud: That's true. (Laughs)

Camie: That is funny.

Eli: Yep.

We flew on and we arrived at the Thanagarian Capital City and we saw a big bird! It was BIRD OF PREY from the 1936 cartoon The Little Stranger!

---

The Bird of Prey is the main antagonist of the short 1936 fleischer cartoon The Little Stranger.

Biography

He first appeared in the near end of the short. He was seen flying and drooling over the mother duck, the little baby ducklings, and the little baby bird. He was about to snatch the little baby ducklings with the ducklings' mother and grabs them with his claws, but the baby bird saves the ducklings by pulling off one of his tail feathers, causing him to scream in pain. He then turned around and saw the baby bird and chases the little bird, until he gets stuck into a hole on a tree. Just then, he was then free from the tree and enters an old windmill house, the one that the baby bird just entered, and chases the little bird, until he got hit by a floorboard. He was then getting up and saw the baby bird in an old wheel, but he finally gets stuck in the wheel, until he landed into the river. He was still stuck in the wheel and four frogs appear on the wheel, spinning the wheel. His fate is unknown.

---

Nico: WHOA!

Me: That is Bird of Prey! I haven't seen him for years! He was a nasty vulture that was after a mother duck and her ducklings and he was stopped by a baby bird.

Nico: That is amazing! I remember seeing that cartoon ages ago. Great memories.

Eli: Yeah. Lets get him!

Me: (Imitating Elmer Fudd) (to the viewers) Shh. Be vewy vewy quiet. We're hunting vultures. Hahahahahahahaha.

We went at him.

BANG BANG!

We fired at him.

Nico: Hey, Bird Brain! It's vulture season!

Bird of Prey screeched.

Me: Vultures. Natures Cruelest Mistake!

Nico: You've been hanging around Jet Vac too much.

We blasted the vulture all over.

?: I got this freak!

Then a girl Thanagarian came and she had black hair.

Nico: Whoa! Claire Terrance!?

Claire Terrance: Awesome to see you again Nico! We'll catch up after I turn this bird into fried chicken!

She took out her sword and slashed the vulture's head off and killed it!

Nico: YEAH! Looks like we're having fried chicken for lunch.

Nico put the vulture in a big bag.

Loki: What's your favorite memory of Nico?

Claire Terrance: I have a lot of them but my favorite was when we went to lunch at an awesome restaurant called the Rib Slab and me and Nico got the biggest thing on their menu: The Whole Cow Meat Feast.

Me: Whoa sounds like my kind of meal.

Eli: Yeah.

Claire Terrance: It was a huge meal! It was a 40 pound steak dinner and it had a huge bowl of mashed potatoes, french fries and a big bowl of banana pudding. Me and Nico ate the whole thing.

Camie: WHOA! But how can you eat a huge meal like that?

Claire Terrance: I was born with a massively huge appetite.

Nico: Yep. We became the first people ever to eat that. It was a meal that cost over $500.00. NO ONE has ever finished it. 792 people ate it and they all failed.

Me: WHOA!

Maximum Ride: That is a massive meal! I bet you guys didn't eat for the rest of the week after that.

Nico: Claire didn't but I did.

Loki Loud: Wow! That is awesome!

Nico: Yep.

Me: Wow!

Nico and Claire then hugged.

Nico: I really missed you.

Claire Terrance: Me too Nico. Me too.

Camie: Wow Nico sure has a lot of awesome friends doesn't he?

Me: Yep he sure does. It's been one awesome rescue and reunion after another.

Eli: Yep and it's awesome.

Nico: Lets go home and have ourselves a vulture lunch.

Me: Good idea.

We went back home to Earth and had an awesome turkey dinner for lunch.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, and Cynder are heading to a Limburger Cheese planet, and not only is Lincoln going to rescue the fifteen girls there, but we're also going to take down Rat Capone, one of Chip and Dale's enemies when they were the Rescue Rangers and recruit him to The Masters of Evil.

We were also in a massive mobile fresh air dome since this planet smells like rotten socks!

FOGHORN SOUND!

Lincoln: P.U., we're on a Limburger Cheese planet, and I know what we're going to do here, not only am I going to rescue the fifteen girls there, but we're also going to take down Rat Capone, one of Chip and Dale's enemies when they were the Rescue Rangers and recruit him to The Masters of Evil.

Nico: That's right, big guy. And nice job forming this massive fresh air dome to protect us, out of all the cheeses in the world, Limburger Cheese is known to be the stinkiest cheese ever.

Me: I remember that all too well. Plus, remember the Limburger Cheese Mines in Switzerland that I turned into a prison for spoiled brats?

Nico: How could I forget?

Lincoln: First, we found a planet made of meat, now we found a Limburger Cheese planet, awesome. And thanks for joining us on this rescue, Lori.

Lori: You're welcome, Linky. Plus, I got word that Chip and Dale are here, along with their Rescue Ranger crew, Monterey Jack, Gadget, and Zipper.

Eli: I think as soon as they found out Rat Capone is here, they came here to stop him. So, we'll also give them a hand.

?: HELP!

Suddenly, Lincoln heard the sound of fifteen girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the fifteen girls, along with Chip, Dale, Monterey Jack, Gadget, and Zipper, but they've been cornered by

Rat Capone, and he's going to kill them.

Lincoln: Guys, I found the fifteen girls, along with Chip, Dale, Monterey Jack, Gadget, and Zipper, but they've been cornered by Rat Capone, and he's going to kill them.

?: That no-good gangster! Let's get him.

Suddenly, we saw Ceruli, Guru of Dark World, appear before us, and she's in a fresh air dome made of magic.

Lincoln: That voice, I knew it was you, Helena Hufflepuff. But, we'll have to talk later, we got a rodent gangster to stop.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces at Rat Capone, which hit him in the back, and that allowed the fifteen girls to get to safety inside our massive fresh air dome, and Chip, Dale, Monterey Jack, Gadget, and Zipper were happy to see us. But, when Rat Capone saw us, he tried to send his goons after us. But, Lincoln caged them inside a rainbow energy cage.

Lincoln: Nice try, Rat Capone.

Rat Capone: So, to what do I owe the intrusion, Team Loud Phoenix Storm?

Lincoln: I'm about to make you an offer that you can't refuse: how about you join the Masters of Evil?

Rat Capone: The one formed by Vypra? Hmm, tempting offer, but you'll have to take me down.

Camie: Then, I hope you're ready for the beatdown of your life.

Suddenly, Camie's dark brown eyes turned neon dark brown, and she was surrounded by a yellow energy aura with illusions, and as she approached Rat Capone, she left yellow energy, phoenixes, and illusions with every step. Then, Camie was surrounded by a massive vortex of yellow energy with illusions surrounding it, there's a phoenix flying around the vortex, and inside it is a dark brown phoenix. Then, as the vortex faded, Camie emerged, but she was

changed forever.

Camie Utushimi has transformed into SUPER ANGEL INFINITY VOLUPTUOUS ILLUSIONARY PHOENIX ANGEL OF ILLUSIONARY JUSTICE AND PHOENIX LOVE!

We were amazed by Camie's Super Angel Infinity transformation, and when I saw her, my face had an atomic red blush on my face, I had hearts in my eyes, and steam came out of my ears as the whistle sounded.

Me: Whoa, Camie, you look beautiful. How do you feel?

Camie: (Divine Echoing Cosmic Voice of The Illusionary Phoenix and Divine Love) **I feel incredible, J.D. Now, shall we take down this gangster?**

Me: (Smirks) With pleasure.

Lincoln: Let's get him.

I transformed into Super Angel Xelnaga Infinite Eternity Friendship God, and I unholstered my Universal Sword of Elemental Harmony and Eternal Hope from my wider and muscular back, Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo

We cheered wildly as we holster our weapons and power down, and Rat Capone got up.

Rat Capone: Okay, it looks like you guys got me. Alright, I'll join Vypra's Masters of Evil.

Lincoln beamed Rat Capone to The Masters of Evil's HQ in Montana, and he's now a new member of The Masters of Evil.

Lincoln: That's another member of The Masters of Evil recruited. (To Helena Hufflepuff) And it's so good to see you again, Helena Hufflepuff.

Helena Hufflepuff: You too, Lincoln, it's been a long time. And it's also good to see you again, Nicholette, Giselle, Scarlet, Silvia, and Renee.

Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior and Renee Ravenclaw: You too, Helena.

Lincoln went up to Helena Hufflepuff, and they hugged, and Helena Hufflepuff's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time that I haven't seen you since you were sixteen, and as you and can see, I really grew a lot since then.

Helena Hufflepuff: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Helena Hufflepuff, she's one of my Guardian Angels and friends, and the sixth member of The Dark World Goth Girls, and get this: she's a direct descendant of Helga Hufflepuff, one of the founders of Hogwarts, she's very skilled in magic and she knows a lot about the history of Hogwarts, and she's really powerful too.

This caused our jaws to drop to the floor at the revelation.

Me: Whoa. Just like with Renee Ravenclaw yesterday, that's so awesome.

Helena Hufflepuff: You guys already found out about Renee Ravenclaw being the direct descendant of Rowena Ravenclaw yesterday when you got rid of Tom Riddle, so you know that the next two Dark World Goth Girls you're going to meet are descendants of Godric Gryffindor and Salazar Slytherin, and there's no need for you to get me back to normal, Lincoln.

Helena Hufflepuff reverted back to normal, and she's a beautiful 17-year-old girl with long flowing light blue hair, light blue eyes, fair skin, she's 6'5" in height, she has the body of a goddess, and she has massive light blue angel wings, as she reigned in the power of Ceruli, Guru of Dark World, and she's dressed in a sleeveless dark blue blouse, sleeveless dark blue top with the Hufflepuff House crest on it and a necklace with a yellow orb, blue skirt, dark blue bellbottom pants with light blue flowers on it, dark blue high-heeled sneakers, and long dark blue sleeveless trenchcoat with darkness on the coattails and on the back is Ceruli, Guru of Dark World, and the Hufflepuff House crest on it.

Lincoln: Wow, I love your outfit, Helena, and your clothes also have the Hufflepuff House crest on it. Plus, I got you a little something for you.

Lincoln gave Helena Hufflepuff a large Ceruli, Guru of Dark World-themed sword with Ceruli, Guru of Dark World and the Huffelpuff House crest etched on the 6'10" massive, wide, double-edged dark blue blade, blue angel wings for the crossguard, large light blue gem embedded in the rainguard, longer black handle, and large blue gem with black angel wings surrounding it for the pommel.

Helena Hufflepuff: Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Helena Hufflepuff's neck with dark blue gems on the gold lightning bolts and blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Helena Hufflepuff: Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Helena.

Helena Hufflepuff had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Helena Hufflepuff on her lips, and she returned it, and we cheered for them. Then, we went up to the fifteen girls, and when Lincoln saw them, he immediately recognized them. The fifteen girls are Sieglinde Baumgard, Machina, and Toa from Dragonaut: The Resonance, Shinonome Chiharu and Harumachi Komoe from Eiken, Aoyama Motoko, Konno Mitsune, Otohime Mutsumi, and Sarah McDougall from Love Hina, Almaria, Elel, Nya Lapucea, Sougetsu Saya, and Ageha Sanagi from Ange Vierge, and Code Omega 77 Stella from Ange Bierge.

Lincoln: Oh wow, it's Sieglinde Baumgard, Machina, Toa, Shinonome Chiharu, Harumachi Komoe, Aoyama Motoko, Konno Mitsune, Otohime Mutsumi, Sarah McDougall, Almaria, Elel, Nya Lapucea, Sougetsu Saya, Ageha Sanagi, and Code Omega 77 Stella.

Me: From Dragonaut: The Resonance, Eiken, Love Hina, Ange Vierga, and Ange Bierge, awesome.

Lincoln: Are you girls okay?

Sieglinde Baumgard: Yes, we're okay, thanks to you.

Then, when Sieglinde Baumgard and the other fourteen girls saw who it was that saved them from Rat Capone, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Sieglinde Baumgard: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made fourteen clones of himself, and he and the fourteen clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Sieglinde Baumgard: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, fifteen Thunderbird Necklaces of Eternal Love appeared on the necks of Sieglinde Baumgard, Machina, Toa, Shinonome Chiharu, Harumachi Komoe, Aoyama Motoko, Konno Mitsune, Otohime Mutsumi, Sarah McDougall, Almaria, Elel, Nya Lapucea, Sougetsu Saya, Ageha Sanagi, and Code Omega 77 Stella with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone of the rescue on the Limburger Cheese planet, and they were shocked when they found out the villain we went after was Rat Capone, one of Chip and Dale's enemies from when they were The Rescue Rangers.

But, when Lincoln showed what we did to that gangster, and had him recruited to The Masters of Evil, along with Camie Utsushimi transforming, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Helena Hufflepuff have a lot of catching up to do, now that she's back, and Rat Capone is now a member of The Masters of Evil.

---

After Lincoln's rescue on the Limburger Cheese Planet, Me, Nico, Lincoln, Girl Jordan, Mollie, Ronnie Anne, Syd Chang, Nikki, Casey, Sameer, Laird, Eli, and Becky's brother, Ricky are heading to Chavez Academy in Great Lakes City, and not only am I going to rescue the eleven girls there, but we got word from Ronnie Anne's friends that unibrowed brat, Becky Blickensderfer and her dodgeball posse have kidnapped the eleven girls and are planning on killing them, so that they can get revenge on us for getting them in trouble. But, Becky is going to be in the worst ever trouble.

Me: So, my rescue's taking place in Great Lakes City, and I know what I'm going to do here, not only am I going to rescue the eleven girls here, but we got word that unibrowed brat, Becky Blickensderfer and her dodgeball posse kidnapped the eleven girls and are planning on killing them, so they can get revenge on us for getting them in trouble.

Nico: That's right, J.D. But, Becky and her dodgeball posse are going to be in the worst ever trouble.

Lincoln: Since they were warned by Principal Valenzuela that if they so much as return back to their old ways by the time the month is up, they're going to get expelled.

Ronnie Anne: She's too stubborn and hardheaded, Linc. Well, it looks like she and her dodgeball goon posse need to be taught another lesson they're never going to forget.

Nikki: I'm so looking forward to ripping that eyesore of an eyebrow off her forehead.

Casey: After all the trouble they've caused for us here in school along with all of Great Lakes City, it's clear to us that they refuse to change their ways.

Sameer: And now, they're about to be expelled.

Ricky: I already called Mom, and when I told her of what happened, she already called the obedience school, and the teachers decided that Malo is going to The Pound for good, and Principal Valenzuela did warn Mom that if Becky and her dodgeball posse causes trouble again, they're getting kicked out of school for good. I should've been the responsible sibling and kept her from trying to cause trouble, but she dragged me into it and I became just as bad as her.

Eli: But, you changed after that little incident at Chavez Academy, and you changed your ways. That's a sign of maturity, and I'm sorry that this is going to happen.

Ricky: This isn't your fault, Eli, nor is it anyone else's. It's Becky's fault, along with Dodge and the rest of the dodgeball posse.

We then met with Principal Valenzuela at Chavez Academy, and we saw all of the students beaten up by Becky and the dodgeball posse, along with the teachers. It was a mess, and this time, Becky has gone too far, along with those dodgeball punks. Varie arrived, and she was healing everyone injured by Becky and the dodgeball posse.

?: HELP!

Suddenly, I heard the sound of fifteen girls calling for help. With my eyes and superhuman sight, along with sensing energy signals, I saw and heard exactly where the call for help was coming from. I saw the fifteen girls, but they've been tied up to posts by Becky and the dodgeball posse, and they're going to pulverize them with dodgeballs and kill them.

Me: Guys, I found the fifteen girls, but they've been tied up to posts by Becky and the dodgeball posse, and they're going to pulverize them with dodgeballs and kill them.

Ronnie Anne: Let's get that unibrowed animal.

We rushed on over to the gym.

Becky: (Laughing Maniacally) And now, YOU DIE!

Becky and the dodgeball posse threw their dodgeballs with incredible force, and were about to kill the fifteen girls, and they were all laughing maniacally. But, they were stopped by Me, Nico, Lincoln, Girl Jordan, Mollie, Ronnie Anne, Nikki, Casey, Sameer, Laird, Eli, and Becky's brother, Ricky, as we arrive just in time to save the fifteen girls from Becky and the dodgeball posse.

Me: You really crossed the line for the last time, Becky.

Lincoln: You and your dodgeball posse were warned that if you dare to return back to causing trouble again, you're going to get expelled for good.

Becky: We don't care! You ruined everything for us!

Me: You all are just as bad as Pablo and Anderson, and you don't care about anyone but yourselves. Well, it looks like we'll have to administer your punishments ourselves.

Ronnie Anne: This is for every last pummeling that you all have given us and for being a big-time jerk to everyone who's crossed your path!

Ronnie Anne, Syd, Nikki, Casey, Sameer, and Laird threw their dodgeballs and it hit Becky and her dodgeball posse.

Lincoln: And this is for pulverizing Weda's son, Hare, and her friends, and for plotting to kill us all and take over Gotham Royal York!

Lincoln, Ronnie Anne, Mollie, Girl Jordan, Me, Eli, and Nico threw our dodgeballs and they also hit Becky and her dodgeball posse.

Ricky: And this… is for forcing me to follow you at every turn!

Ricky then threw the dodgeball at Becky, and it knocked her down, and it ricochets across the gym and it knocked down the rest of the dodgeball posse. But, before they could try to get away to plot another revenge scheme, Principal Valenzuela came into the gym.

Principal Valenzuela: (Spanish Accent) Excellent work, Team Loud Phoenix Storm.

Then, Principal Valenzuela grabbed Becky by her ear, and she glared at the dodgeball posse.

Principal Valenzuela: (Spanish Accent) You lot, my office! NOW!

Principal Valenzuela dragged Becky by her ear, and the dodgeball posse followed suit, and headed for the office.

Me: That's it for those animals. Now, let's get the eleven girls untied from the posts.

We untied the eleven girls from the posts, and when I saw them, I immediately recognized who they were. The eleven girls are Princess Daphne from Dragon's Lair, Kimberly from Space Ace, Q-Bee from Darkstalkers, Karawana from High School DxD, Habaragi Itsuki from Dragonaut: The Resonance, Urashima Haruka from Love Hina, Heles from Dragon Ball Super, Velvet Scarlatina, Coco Adel, and Sienna Khan from RWBY, and Rose from Street Fighter.

Me: Oh wow, it's Princess Daphne, Kimberly, Q-Bee, Karawana, Habaragi Itsuki, Urashima Haruka, Heles, Velvet Scarlatina, Coco Adel, Sienna Khan, and Rose.

Nico: From Dragon's Lair, Space Ace, Darkstalkers, High School DxD, Dragonaut: The Resonance, Love Hina, Dragon Ball Super, RWBY, and Street Fighter, awesome.

Lincoln: (Gasps) Sienna Khan's among the group? J.D., you need to remove Sienna Khan's Dark Side and give her The Crystal Dragon's Vengeance Curse. Ruby, Weiss, Blake, and Yang told me about Sienna Khan, and she was once a member of The White Fang until Adam Taurus killed her.

Me: On it, big guy.

I used Lincoln's Dark Side Eternal Purification technique and completely purified Sienna Khan's Dark Side, and had Dark Sienna Khan inflicted with the Crystal Dragon's Vengeance Curse, and she was imprisoned in a crystal prison, and it was draining her constantly of her negative energy and we were absorbing it and it made us even stronger than ever. Then, I beamed the crystal prison to the Pluto Prison.

Me: There we go. Are you girls okay?

Sienna Khan: (Groans) Despite the slight headache, I'm okay.

Then, when Sienna Khan and the other ten girls saw who it was that saved them from getting brutally pulverized by that unibrowed brat Becky and her dodgeball posse, their faces turned atomic red when they saw me, the 7'5" tall, handsome, and extremely muscular hunk with abnormally massive and powerful upper and lower body muscles and eight-pack abs, long rainbow colored hair, rainbow colored eyes, and massive rainbow angel wings. But, when Sienna Khan saw the crimes that she'd committed in The White Fang's service, she broke down and she hugged me and cried hard into my chest.

Sienna Khan: Thank you, J.D. Knudson of Team Loud Phoenix Storm.

Me: You're welcome, Sienna, and it's a pleasure to meet you all.

Then, I made ten clones of myself, and while I was still holding onto

Sienna Khan, my eight clones went up to the ten other girls girls, and they wrap the girls' waists around our abnormally massive and powerful muscular arms and I did the same to Sienna, and we leaned down to the girls' faces and we kissed the girls on their lips, and the girls returned the kiss, as they wrapped their arms around our necks, and Nico, Lincoln, Girl Jordan, Mollie, Ronnie Anne, Syd, Nikki, Casey, Sameer, Laird, Eli, and Ricky cheered for us.

Princess Daphne: (Seductively and rubs her right hand on my massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Phoenix Necklaces of Eternal Love appeared on the necks of Princess Daphne, Kimberly, Q-Bee, Karawana, Habaragi Itsuki, Urashima Haruka, Heles, Velvet Scarlatina, Coco Adel, Sienna Khan, and Rose with colored gems on the gold flames and crystals links from their merged Crystal Necklaces of The Buddha. We then returned home.

Ruby Rose: Hey, guys. Whoa, what happened?

Me: We went to Chavez Academy in Great Lakes City, and we rescued Princess Daphne, Kimberly, Q-Bee, Karawana, Habaragi Itsuki, Urashima Haruka, Heles, Velvet Scarlatina, Coco Adel, Sienna Khan, and Rose. And I cured Sienna Khan of her dark side and put the Crystal Dragon's Vengeance Curse on her dark side.

Weiss Schnee: That's incredible.

Menat: And you also rescued my master, Rose, that's incredible. So, who was it that kidnapped them?

Lincoln: You're not going to like it, Menat: they got kidnapped and tied up by that unibrowed brat, Becky and her dodgeball posse, who wanted to not only kill the eleven girls, but also get revenge on us for getting them in trouble.

The girls in Lincoln's harem gasped in shock.

Menat: I knew that unibrowed brat was nothing but trouble from the beginning, and she wasn't going to change, and the same went with her dodgeball posse.

Gohan: So, what's going to happen to that little monster?

Just then, Ronnie Anne got a message from Carl and it said that Becky and her dodgeball posse have been expelled from school.

Ronnie Anne: Guys, Carl sent me a text message: Becky and her dodgeball posse have been expelled from school, and her mom is going to send Becky to a boarding school for wild children, and as for Dodge and the rest of the dodgeball posse, they're also going to boarding schools in Michigan, but they are going to be separated for good.

Nico: Alright, that'll show those punks.

Casey: Now, we're finally freed of Becky and her dodgeball posse for good. No more surprise beatings and no more dodgeballs to the face.

Nikki: You said it. This is going to be amazing.

Rose (Street Fighter): And allow me to offer my congratulations to you and Lincoln, Menat. I know that you two will be happy together, along with the many other future wives in his harem.

Lincoln: Thank you, Rose.

I had yet another successful rescue, and not only did I get more members for my harem, but I also freed Sienna Khan from her dark side, and Becky and her dodgeball posse were expelled for what they did today, and they've been sent to separate boarding schools around the state of Michigan and they'll never be free to cause havoc yet again in Great Lakes City ever.

---

After the rescues were done, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Helena Hufflepuff saw Lincoln working out like crazy, she had an atomic red blush on her face.

Helena Hufflepuff: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Helena, and now, I can also defend myself.

Helena Hufflepuff: That's incredible.

Nico: It sure is, Helena. So, what memories did you have with Lincoln?

Helena Hufflepuff: Ooh, now that's a good question. Oh, here's a good one, this took place a day before the whole Lynn Sr. butt-dialing incident in the restaurant: Lincoln and I, along with Nicholette and the other Dark World Goth Girls were heading to a birthday party in the neighborhood to perform a magic show, but we had big time trouble coming: Scoots was heading there to heckle us for a laugh. But, I wasn't going to let that mentally damaged, rule-breaking, grumpy old goat ruin our fun, so we sent a couple of water balloons flying at her, and she rode off.

We cheered wildly for what they did to Scoots.

Me: Sheesh, that Scoots has been nothing but trouble since the day she was born.

Lynn: You said it, and I'm glad that she's now in the Lansing Maximum Security Insane Asylum for the rest of her life.

Lori: Scoots has literally been nothing but a total nuisance to everyone in town, and she's the biggest troublemaker in Michigan.

Lincoln: She and Flip have both caused us nothing but grief for the last time, and now, they're the most hated people in Michigan ever.

We then got a shower afterwards, and then, me and my harem were getting ready for our date, this time, it's at Altamira.

I snapped my fingers, and I was dressed in large multi-colored swim trunks with a phoenix, angel, and elemental forces on it, along with my large weighted rainbow bands with silver phoenixes on my massive biceps and thighs, my jewelry, large red sandals, and eight large planets and stars orbiting around my legs, and I also had my weapons holstered, in case of trouble.

And my harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble.

Me: Alright, ladies, are we ready?

Camie: We're ready, J.D.

We left the World Tree Estate, and we headed for Altamira, and it was still as amazing as ever.

Camie: Wow, what is this place, J.D.

Me: This, Camie, is Altamira. Lincoln and his harem have been here before, and it was awesome. Shall we?

Me and my harem dived right into the waters at Altamira, and we also had fun at the theme park at Altamira, and we even played on the sand and got a tan. Then, we went to the picnic area to have lunch that Lincoln packed for us. Then, as the sun's about to set, I made clones of myself, and me and the clones went up to the girls in my harem, and we picked them up in our abnormally massive and powerful muscular arms, and as the sun turned orange, we passionately kissed and hugged with supercharged and intense passion. Then, we came back home to the Estate, and we were in our original clothes.

Nico: Hey, J.D., how was your date?

Me: It was awesome, Nico, we went to Altamira.

Lincoln: And you guys definitely had tons of fun, right?

Me: You bet, big guy. It was a ton of fun, and thanks for the lunch you made and packed for us, Lincoln.

Lincoln: You're welcome, J.D. Plus, everything has been kept calm at The World Tree Estate, and we made sure of it.

Nico: Yeah, and we also had to keep the Invisible Spray away from our mascots.

Me: That little prank they did yesterday was funny, but that wasn't enough to shake me.

Lincoln: (Snickers) Especially when you used your infrared eyes to rat them out.

Suddenly, we saw Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowing, and he was seeing our heat signature. I knew what that was: Lincoln has unlocked Infrared Vision Mode.

Me: Whoa, Lincoln, did you…?

Lincoln: Yeah, I've unlocked Infrared Vision Mode, that's so awesome!

We were amazed at what just happened.

Nico: Dang, that's so awesome, and anyone who's trying to hide, it'll be pointless since you can not only sense their energy signals, but you can also see their heat signature.

TLPS Mr. Wolf: Whoa, that's awesome.

Eli: You said it.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed an energy signal, and he saw who the figure was in the vision: it was none other than the biggest jerk in Bikini Bottom, Bubble Bass, and he's broken out of prison and he wants revenge on The Neptune Crusaders for throwing him in prison. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Spongebob, you and the rest of The Neptune Crusaders aren't going to like this: the energy signal I sensed belonged to Bikini Bottom's biggest jerk, Bubble Bass, he's broken out of prison and he wants revenge on The Neptune Crusaders for throwing him in prison.

The Neptune Crusaders gasped in shock.

Spongebob Squarepants: Holy Shrimp! Bubble Bass has escaped!

Varie: I can't believe that he's escaped. Ugh, this isn't good.

Lily Loud: It sure isn't, Varie.

Spongebob Squarepants: But, Bubble Bass isn't getting out of this one. In fact, once I've fought and taken him down, I've got an idea: we'll subject him the humiliations and he will be banned from Bikini Bottom for life, since he's been a major league problem and nuisance to Bikini Bottom.

Mr. Krabs: Not to mention, he's run up a pretty long tab at The Krusty Krab. Spongebob kept track of Bubble Bass' tab, even when he became owner of The Krusty Krab when I got sent to prison.

Lincoln: And I'm sure his tab is just like with Lewis Travolta at Dad's restaurant, Lynn's Table. And that's a perfect punishment you chose for Bubble Bass, Spongebob.

Suddenly, Spongebob's massive Sword of The Neptune Crusaders unholstered itself from his back, and it was surrounded by a kaleidoscope of ocean blue energy, mollusks, and ocean waves, and as soon as it emerged, it was transformed into Neptune's Seven Seas Sword of Ocean Justice, it's a brand-new large sword with a 6'10" massive, wide, double-edged gold blade with The God of The Seas, Neptune, and the symbol of The Neptune Crusaders etched on it, large gold shark heads for the crossguard, large ocean blue gem embedded in the rainguard, longer black handle, and four golden large shark heads with turquoise gems in their open mouths and a large ocean blue gem right on the bottom of the gold shark heads for the pommel.

Nico: Holy fish paste, that's one awesome looking sword.

Lincoln 2: Whoa is right, Nico. Spongebob, the brand-new sword you now see before you is known as Neptune's Seven Seas Sword of Ocean Justice, it's a brand-new large sword that's an evolution of your Sword of The Neptune Crusaders.

Spongebob: That's amazing.

Suddenly, the sword called out to Spongebob, and he grabbed the brand-new large blade's longer black handle. Then, we saw something happen: Spongebob's blue eyes glowed, and then, we also saw something else happen to him: Spongebob grew to 7'5" in height, and then, we saw his upper and lower body muscles growing abnormally massive and powerful at a very incredible rate, and it caused his shirt to rip apart, and we saw that Spongebob now has powerful upper and lower body muscles and eight-pack abs. When we saw what happened to Spongebob, we were really stunned, Spongebob Squarepants has turned into a very muscular hunk, and when Sandy saw what happened to him, she had an atomic red blush on her face and hearts in her eyes.

Neptune Crusaders: (Amazed) Great Neptune.

Spongebob: Ugh, what just happened to me? I feel like I got a really big headache.

Patrick: Have a look for yourself, buddy.

Lincoln made a water mirror, and when Spongebob saw just what happened to him, he was really stunned: he saw that his body underwent one serious transformation, and he's now also even more stronger than ever, and he was stunned. Then, he snapped his fingers and he has on a brand-new outfit: a large pair of blue swim shorts, he has on large ankle-high black leather combat boots, and he has on large weighted ocean blue bands with silver phoenixes on his massive biceps and thighs, and he then holstered his massive Neptune's Seven Seas Sword of Ocean Justice on his wider and more muscular back.

Spongebob: Alright, now I'm more than ready when Bubble Bass shows up.

Then, Spongebob absorbs the water mirror, and his aura flared up as he got much stronger.

Lily Loud: (Giggles) And your new transformation's also got Sandy blushing like crazy.

Larry the Lobster: She's right, Spongebob, and now, you really look incredibly ripped.

Spongebob: Whoops, looks like I got to do something about that.

Spongebob wrapped Sandy in his abnormally massive and powerful muscular arms, and that got her back to normal, and she returned the hug.

Spongebob: Sorry about that, Sandy.

Sandy: That's alright, Spongebob. But, whatever you do: don't let that low-down bottom dwelling barnacle head get away with this.

Spongebob: I won't, Sandy.

Squidward: That geek won't stand a chance against Spongebob. He'll turn him into fish paste.

Plankton: I may have been a jerk, but even I couldn't stand Bubble Bass. Yuck!

Later it was time for Princess Celestia's 3rd Ambassador Mission.

Maria: Nico, me and William are going with you guys.

Me: Good idea Maria.

William: It'll be cool to meet the Avengers of the Yost World.

Nico: It sure will. And I hope we kick some more bad guy butt there.

Princess Celestia: Oh we will Nico.

Me: We'll have to relay how Yost Spiderman is doing to them. They have to know what is going on with him.

Nico: That is true.

King of Flan then appeared.

King of Flan: (Spanish Accent) Do you mind if I go with you señora?

Princess Celestia: Oh course King of Flan.

Me: Well we better get going.

We were off to the Yost World.

We arrived at the Yost Avengers Headquarter.

Me: Here we are.

Yost Captain America: Hey guys.

Me: Hello Steve.

Princess Celestia: Steve, this is my archenemy.

King of Flan: Hola amigos. My name is the King of Flan.

Yost Iron Man: Pleasure to meet you.

Me: And meet my successor as leader.

Nico: Awesome to meet you guys. Nicolas Chan, Leader of Team Loud Phoenix Storm.

Me: And these are two more of my teammates.

William: Awesome to meet you all. William Dunbar, leader of the Redemption Squad.

Maria: Maria Rockell, Formerly Aquamaria of the Metabreed and now Second in Command of the Redemption Squad.

Yost Thor: Pleasure to meet thou.

Yost Hulk starts eating a bucket of flan.

Nico: I'm surprised you're not going crazy over that.

Yost Hulk: Probably because of my body's gamma radiation. It could go well with chicken though.

Me: Your wish is my command.

I used my imagination powers and made a big bucket of chicken for him.

Yost Hulk: Thanks.

Me: You're welcome.

Yost Iron Man: That was amazing.

Me: Yep. We have some progress to report on this worlds Spiderman.

I told them what happened with me and Hay Lin in Yost Spiderman's state.

Yost Iron Man: Before you start yelling at us, we DID offer to help him with all his problems. But he said he wanted to solve them by himself.

Me: Don't worry we're not going to yell at you for that.

Nico: Yeah you did your best to help him out. I'm sorry he has to go through all that.

Twilight Sparkle: Yeah he is going through terrible PTSD because of thinking that he killed Norman.

Me: Yeah it's rough. But we found out that this worlds Spiderman lives not too far from here. He's right down the street.

Yost Wasp: Very coincidental.

Nico: It sure is.

Yost Captain America: Not everyone here will be able to go to Midtown High to straighten things out. Only a few.

Yost Hawkeye: (chuckles) Hate to be the poor sap who gets stuck with that job.

All of us then looked at Hawkeye after he said that.

Yost Hawkeye: (in realization) You've gotta be kidding me.

Me: You know Spiderman Clint and he has helped all of S.H.I.E.L.D. out many times in the past.

Nico: That's true.

Rainbow Dash: And that is so awesome.

Maria: I think so too.

Yost Hulk: I'll go as well. (smirks) I wanna see Thompson's buddies pee their pants.

Me: (LAUGHS) That will be most amusing.

Nico: It sure will.

Princess Celestia: Yeah.

?: Count me in true believers.

We turned and saw STAN LEE!

Me: Stan Lee!

Nico: I had a strong feeling you would show up one day.

Me: Awesome.

Jarvis: Sir, there's trouble downtown. It involves Abomination, Chemistro, Living Laser, and Crimson Dynamo.

Me: Looks like going to Midtown High will have to wait until next time.

Yost Wasp: Well, with all your talk about Dark Orbs, I knew it was only a matter of time before a few restored Chemistro and Living Laser.

Nico: Yeah no kidding.

Me: And my radar is showing that there are 2 here.

Stan Lee: Go get them true believers!

Me: With pleasure Stan! EXCELSIOR!

Stan Lee: EXCELSIOR!

We went out. We saw the villains.

Me: So this worlds version of you is Anton Vanko.

Yost Crimson Dynamo: (Russian Accent) That is correct comrade.

Nico: Dude, I just want to say that you're my most favorite alternate version of Crimson Dynamo.

Yost Crimson Dynamo: (chuckles) Glad you think so. Almost sorry that we have to beat your asses with our two new friends.

Yost Ms. Marvel: Two new friends?

Me: This worlds version of Chemistro and Living Laser right?

Yost Crimson Dynamo: That is correct.

Me: You know the funny thing Anton is our version of you is named Yuri Petrovich and he is the archenemy of Akira Akatsuki of the Disk Wars World.

I held up a DISK.

Me: You would not believe what we had to go through to learn about these.

Nico: Yeah. Also Megan has our worlds version of Living Laser as her Archenemy.

Twilight Sparkle: Matau of Metru Nui has our worlds version of Chemistro as his archenemy.

Princess Celestia: And Ripster of the Street Sharks has our worlds version of Abomination as his archenemy.

Yost Abomination: Very interesting.

We saw that there were LIVE ACTION TRANSFORMERS TOO!

Nico: WHOA! Live Action Transformers here!?

Me: WHOA! Onslaught and Ravage!

Live Action Onslaught: Nice of you to know who we are.

Live Action Onslaught back handed Thor into a building and went after him.

Nico: Hang on, Thor!

Nico and me flew after Thor and Live Action Onslaught, Crimson Dynamo fired missiles at Eli, Cap, and Iron Man, Living Laser fired… well, his lasers at Wasp, Yellowjacket, and Celestia, Abomination charged at Hulk, Ms. Marvel, and King of Flan, and Chemistro fired his alchemy gun at Hawkeye, Black Widow, and William. That left Live Action Ravage with Black Panther, Vision, and Maria.

Black Panther: (to Live Action Ravage) Let us see who is the better feline.

Live Action Ravage growled and fired his machine guns at Black Panther.

We dodged them all and smashed the 2 Decepticons down.

Nico: Onslaught and Ravage we have been to your world and it is now in massive turmoil right now.

Nico then showed his Decepticon Leadership Medal.

Live Action Onslaught: A Decepticon Leadership Medal!? How did you get that!?

Nico: Long story.

Me: You were taken here by an Interdimensional Flux after you were destroyed.

Hawkeye, Black Widow, and William dodged blasts from Yost Chemistro's alchemy gun.

Hawkeye: (to Black Widow) Just like old times, huh?

Black Widow: (smirks) You were always a fan of the obvious.

William: This guy would get a thrill out of our version of him.

William blasted Yost Chemistro's blaster out of his hand and Starlight Glimmer caught it.

Starlight Glimmer: Awesome!

Sunset Shimmer kicked Yost Chemistro down.

Yost Iron Man dodged Crimson Dynamo's missiles.

Yost Iron Man: Missed!

Yost Crimson Dynamo: (chuckles) Did I?

Yost Iron Man: (deadpans) They're heat seekers, aren't they?

Yost Crimson Dynamo: Yep. Might want to start running like the Road Runner now!

Eli held the missiles in place with the Force.

Eli: I think it's the other way around Anton!

Yost Crimson Dynamo: How are you doing that kid?

Eli: Many skills in what I have learned.

Eli had the missiles go after Yost Crimson Dynamo and they hit him and exploded and smashed him down!

EXPLOSIONS ALL OVER!

Yost Iron Man: Wow! Thanks Eli.

Eli: No problem.

Princess Celestia fired beams of magic.

Yost Living Laser: (dodges Celestia's blasts) Wait. Was that magic?!

Princess Celestia: Yes it was.

Maria blasted him with water blasts and smashed him down.

Maria: You would get along great with the Living Laser we know.

Yost Living Laser: Really?

Maria: Yep.

Yost Abomination: (grappling with Yost Hulk) For the record, I didn't like that Ross turned into a red version of you either!

Yost Hulk: Hulk didn't either.

I tapped Yost Abomination on his shoulder.

Me: There's only room for one Hulk!

POW!

I punched Yost Abomination down.

Yost Hulk: YEAH!

Me and Yost Hulk high five.

Princess Celestia: The 6 of you would be great Masters of Evil members.

Yost Abomination: Is that so? Well, after all the crap Zemo put us through, you can tell him that he can suck my gammafied dick!

Yost Chemistro put soap into Abomination's mouth.

Yost Chemistro: You suck on that real good, man. There are kids present here!

Me: EW! Okay we need to be more specific about which version of the Masters of Evil we ask to have them join. No this is not Zemo's version of the Masters of Evil. This is Vypra's version. Completely different.

Nico: He's right.

Yost Chemistro: I see.

Yost Abomination was rubbing his tongue and spitting out bubbles.

Yost Iron Man: FYI, Thor said that right now, Enchantress is suffering a fate far worse then death.

Onslaught: What can be worse then death or even the Black Gates?

Yost Thor: (Scowls) Being a slave of Surtur.

Yost Living Laser: That's harsh. I mean, Enchantress might have been the one to swear vengeance on us. But it was Zemo who started all that shit by backstabbing her.

Nico: I agree there.

Me: This worlds version of Enchantress did nothing to deserve that. She sure is a villain but she is still human like many of us. In fact.

I snapped my fingers and beamed her over to us.

Yost Enchantress: What are you doing? I'm Surtur's slave!

Me: Not anymore!

I chanted a powerful incantation and destroyed her contract with Surtur and freed her! She was freed!

Nico: WHOA!

Me: You are free now Amora. I promise you that next time we come here we will kill Zemo.

Yost Enchantress then hugged me and for the first time ever she cried.

Yost Enchantress: (Crying) Thank you J.D. Knudson! Thank you!

Yost Iron Man: Wow!

Me: You're welcome Amora.

We later came back.

May: How did it go guys?

Me: Really well. 6 new recruits for Vypra's M.O.E.

We told them what happened and more.

May: Whoa! That is cool!

Princess Celestia: It sure was.

Nico: I can't believe I got to meet one of my favorite Yost villains!

May: You have others, honey?

Nico: Yep! Yost Electro's one of them.

Me: It'll be awesome to meet the Yost World's version of Electro.

Eli: Yep. And bro freed Yost Enchantress from Surtur.

Nico: Yep.

---

We were having a lot of fun in the arcade and it was a blast.

Me: YEAH Bring it on!

Nicole was playing 10 games all at once!

Naruto: Wow look at sis go.

James (Pokemon): Nothing like being at the arcade.

Me: You said it James. Man it's fun.

Shaggy: Like yeah it sure is. Especially for Nicole. What are the odds of someone beating 10 video games all at once?

Velma: Approximately 462,235,242.2 to 1.

Nicole beat the games and reduced them to nothing but boiling slop.

Nicole: Now that is good playing!

Laney: Nicole beat the odds!

Nicole: The Goddess of Video Gaming knows no game.

Bart: (to Johnny Bravo) Isn't this a better life then at your hometown?

Johnny Bravo: Yep. Although, from what I heard, it was an anonymous source that got those mob of women all rlied up at me in the first place.

Nico: (overhearing this) Hmm.

Me: YEAH!

I was playing Time Crisis.

Eli was playing Laser Tag with Lincoln.

Sixshot: (gets a bad feeling) Guys, why don't we head back home? Nico still has to assign those Zenkaiger Gears to us)

Nico: Good idea.

Me: We got tons of tickets anyway. Want me to get some candy for you girls?

Varie: Sure.

Camie: I'll have some.

We got our tickets totaled up and I got lots of them and we got some good taffy and Eddy and Luan got Jawbreakers together and we got all kinds of awesome prizes.

We later went back to the estate.

Highbrow looked back to see all the arcade games lose power for some reason.

Highbrow: Odd. Everything else still has power.

We didn't pay any attention to it and went back home. We later arrived.

Camie: Thanks for the candy J.D.

Me: Anytime. Been a while since we had fun at the arcade.

Laney: It sure has been a while.

Nico: And Nicole got to demonstrate her skills.

Camie: Wow she sure did.

Nicole: I've been playing video games since I was a little girl. It's really awesome.

Mixmaster: Alright. The first gears to be assigned are the ones based on JAKQ, Abaranger, Gingaman, Goseiger, Lupinranger, Patranger, and Go Onger.

Me: Cool!

Laney: Awesome!

Lana: Cool!

Lola: I wonder who those will be given to.

Nico: I'll have Luan get a gear for JAKQ, Aylene Carter for Abaranger, Nicole you get Gingaman, Sly Cooper you get LupinRanger, Laney you get Goseiger, Inspector Fox you get PatRanger and Yuko Tano you get Go-Onger.

Eli: Good choice Nico.

Nico: Thanks.

Then General Schwarz, Scorpion, Zavok, Felix Faust, 10,000 Volt Ghost, Radioactive Man, Stonedozer, Iceage, Magma, and Dark Spicer appeared.

General Schwarz: Can me, Scorpion, Zavok, Felix Faust, 10,000 Volt Ghost, Radioactive Man, Stonedozer, Iceage, Magma, and Dark Spicer go with you guys this time?

Nico: Yes you can.

King Kai: (Telepathically) Nico! Can you hear me!?

Nico: King Kai, what's wrong?

King Kai: I'm afraid I have bad news! Aliens from another planet have come to Earth and have brought 12 video game worlds to Earth.

Nico: Whoa! What video games were brought to life?

King Kai: You guys will like this. They are Pacman, Wreck It Ralph, Centipede, Tetris, Space Invaders, Mega Man 1 thru 11, Kirby Adventure, Donkey Kong Jr., Rainbow Islands, Godzilla for NES, Nightshade for NES and Donkey Kong for NES.

Nicole: Wow! The old classics!

Me: Wow! I haven't played those games in ages! Except Mega Man 11 is still brand new.

Eli: Those were awesome games back then.

King Kai: Yes they were! You must go through all these games and play them in real life.

Nico: This is gonna be so awesome! It'll be like living the great game classics! We'll do it King Kai! Maria you better call in the usual battles for each one. This will be awesome.

Maria: I think we need to get some help for this one too!

William: What would that be, babe?

Maria: Ever heard of the Arcaders?

Me: I have! They are a squad of gamers hired by the government to beat these aliens at their own game so to speak.

Maria: That's right J.D.

Nico: That is cool!

Miko: So they are like the Glitch Techs.

Maria: In a way yes.

Ridley (Glitch Techs): This is gonna be awesome.

Nico: Yep.

William: Babe, how do you know about the Arcaders?

Maria: Miko told me all about them and how they fight all sorts of alien video games. I met them in person after we helped the Glitch Tech Team a second time. It was awesome.

William: Wow! That is cool.

Maria: It sure is.

We later met the Arcaders.

Me: Sam Brenner it's awesome to meet you!

Sam Brenner: Same to you J.D.

Nicole: Goddess of Video Gaming, Nicole Knudson at your service.

Sam Brenner: Finally, a group of heroes who can help us with this!

William: What other groups of heroes could you have possibly tried to contact?

Will Cooper: There was this team that was fighting some of the aliens. But they left us, saying that they have better things to worry about then video games.

William: That was rude of them.

Me: Yeah.

Sam Brenner: But Kamen Rider Ex Aid helped defeat a squad of them before saying that he had to go back to his world.

William: Ex Aid? Man, it's gonna take a long time for us to meet him. But it'll be worth it.

Me: And we owe the Kamen Riders big time for helping us out during the 20 Days of Darkness

Will Cooper: But enough about what happened a few hours ago. What matters is what's going to happen now.

Me: Believe me I played these video games years ago. They were my favorites growing up when I was younger.

Sam Brenner: Awesome.

Nico: Cool! We'll have to have each usual battle like with the World of Kameo.

Maria called in the usual battles.

Then Iron Lung, El Diablo, Vanitas, Merman, Myotismon, Tala, Robo Blaze, See More, Madame Masque, U Foes, and Evil Star appeared.

Nico: Iron Lung, El Diablo, Vanitas, Merman, Myotismon, Tala, Robo Blaze, See More, Madame Masque, U Foes, and Evil Star.

Iron Lung: Time for the usual battles already.

Maria: (laughs) Not yet. There are aliens using the forms of video game characters rampaging right now.

El Diablo: And you need us to wait by each alien?

Vanitas: Sounds like fun.

Me: Oh it is. And these are video games that I haven't played in a long time but I remember them from my childhood. They are awesome!

Vanitas: Cool!

Merman: (to Nico) We heard you took out another evil bird.

Nico: We sure did. And it was a vulture.

Tala: Tell me it tasted good.

Nico: Awesome turkey dinner.

Maria: Let's get going, guys.

Nico: Okay we'll split up into 12 groups. Liam, you and your group will go to the world of Pacman, Leo you and your group for Wreck It Ralph, Spiderman you and your group Centipede, Harry Potter you and your group for Tetris, Yumi you and your group Space Invaders, Me and my group for the Mega Man games 1 thru 11, Sora you and your group Kirby Adventure, Ash & Pikachu you and your group will take Donkey Kong Jr., Timmy Turner you and your group take Rainbow Islands, Syd you, J.D. and your group will Godzilla for NES and Tommy Oliver you and your group will take Nightshade for NES. Zyuohgers, before we go we'll have your battle with one of your monsters here just to get out of the way. Speaking of which who will we be facing here?

?: Right here.

A figure came out and it was BOWLINGAM from episode 19 of Zyuohgers!

---

Bowlingam was sent to Earth by Azarudo turning people into human pins and hit them like a bowling game but unfortunately, The World interfered and he has been thrown up into the sky by The World.

Later, he appeared again at the construction site to play his blood game again and he was finished off by the Zyuoh Shoot.

Later he was grown into a giant to fight the Zyuohgers and still was unable to win against Wild Zyuoh King with Kuma Axe until the battle was interfered by Tousai Zyuoh. With that, he immediately had a chance to escape before he can be destroyed

---

Yamato: BOWLINGAM!

Bowlingam: Been a while rangers.

Me: I remember you! Your blood game was to turn everyone into bowling pins for a game of bowling.

Bowlingam: That's right J.D. Good memory. I heard you're good at Bowling.

Me: Yes I am.

Camie: I love bowling myself.

Nico: Awesome.

Bowlingam: Doesn't Lynn like bowling as well?

Lynn: I sure do. And man is it fun.

Me: Yep. Camie you want to see how I do at Bowling?

Camie: You bet!

Bowlingam set up some pins.

Me: My dad was good at bowling a long time ago.

Camie: Neat!

Me: Watch. But I don't have a ball.

Bowlingam: Here.

He gave me a ball.

Me: Thanks.

I rolled it and then…

CRASH!

The pins were knocked down!

Nico: STEEEERIKE!

Camie: YEAH! Nice one!

Eli: Way to go bro!

Nico: We'll start with Bowlington first.

---

Zyuohgers, Megaforce Rangers, me, Camie, Nico, Eli, Nunnally, C.C. Laney, Lana, Lola, Lisa and Lily VS Bowlington

---

Bowlington was first.

Nico teleported and opened Bowlington's safe and in it was a bunch of swords and books called the Defenders of The Seas, they're large swords with the symbol of The Seven Seas etched on the 6'10" massive, wide, double-edged ocean blue blades, large ocean blue shark heads with ocean blue gems for eyes for the crossguards, large ocean blue gems embedded in the rainguard, longer sea blue handles with fish-scales, and large ocean blue shark heads with an ocean blue gem at the bottom for the pommels, and large ocean blue spellbooks with the symbols of the Seven Seas on the cover, and inside the pages of the books are some awesome ocean-based spells, and combined with Lincoln's Poseidon's Vengeance Curse, the villains will be swept away by the tides forever and into oblivion. Once in hand, they'll get a massive power and energy increase.

Nico teleported back with the books and swords.

Zyuohgers: WILD INSTINCT! AWAKEN!

AAAHHAAAHHAHAH WOOWOOWOWO!

They transformed!

Yamato: MONARCH OF THE OPEN SKIES! ZYUOH EAGLE!

Sela: MONARCH OF THE OPEN SEAS! ZYUOH SHARK!

Leo: MONARCH OF THE SAVANNA! ZYUOH LION!

Tusk: MONARCH OF THE DEEP FOREST! ZYUOH ELEPHANT!

Amu: MONARCH OF THE SNOW FIELDS! ZYUOH TIGER!

Misao: MONARCH OF THE WORLD! ZYUOH WORLD!

Bud: MONARCH OF THE BLUE SKIES! ZYUOH BIRD!

All: DOUBUTSU SENTAI ZYUOHGER!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Megaforce Rangers: LEGENDARY RANGER MODE! ANIMAL PLATOON!

The Megaforce Rangers turned into the Zyuohgers too!

Yamato: Don't underestimate this planet!

Nico: Lets get him!

I formed a bowling ball made of pure fire.

Zyuohgers: ZYUOH BLAST!

They fired waves of cube Energy and we all fired waves of energy and elements and I rolled the big fire bowling ball and then the blasts all hit him and he exploded!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Nico: YEAH! Bowlington you have failed this city!

Me: Yes he has.

Troy Burrows: Rangers that's a Super Mega Win.

Barrage: Hey! I know you aliens can hear us! Just so you know, if we beat 12 of your squads, you have to stop attacking Earth!

They agreed.

Nico: Wow.

Sixshot: I knew I was getting a bad feeling about something back at the Arcade!

Barrage: Looks like you weren't wrong.

Nico: No you sure weren't Sixshot. Good premonition. Lets head out!

We were off. THE ULTIMATE VIDEO GAME REAL LIFE ARCADE WAS ON!

---

Liam, Rarity, Sweetie Belle, Water Skylanders, Ginger, Rocky, 10,000 Volt Ghost, Mixmaster and Scrapper VS Iron Lung - Pacman (Nico's Rescues for Yesterday and Today)

First was Pacman.

10,000 Volt Ghost: One day, we should meet the real Pac Man.

Liam: One day we will and it'll be great!

Rarity: Oh it most sure will darling.

Sweetie Belle: Pacman was a hard game to play for me. I can never make it passed the first level.

Liam: That's true.

THEY SAW THE ALIEN PACMAN!

The alien Pac Man went at Liam's group.

Pacman: WAKKAWAKKAWAKKAWAKKA!

Liam: FIRE!

They fired waves of lightning and jewels.

It electrocuted him all over.

PACMAN LIFE LOST!

He was dead.

JUST LIKE IN THE GAME.

Iron Lung then appeared.

Iron Lung: (to Liam) Nico really had good rescues yeterday and today. Can you remind me what they were?

Liam: Nico went to the planets Havania and Thanagar. He went to Havania yesterday and Thanagar today.

Rarity: Indeed he did darling and they were beautiful planets to see.

Sweetie Belle: I thought they were too.

Gill Grunt: Yeah they sure were awesome.

Ginger: (British accent) And it was really fun for Nico.

Rocky: Yeah they sure are.

10,000 Volt Ghost: I think so too.

Iron Lung: Nice. Both were awesome too. Lets do it!

They fired waves of lightning, jewels, ice and water and smashed him down.

Liam: YEEHAW! That was great!

Rarity: Rapture darling that was grand!

Alien Ralph: I'M GONNA WRECK IT!

Ralph: HEY! That's my line!

Leo: Lets get him!

HE WAS TRASHING THE PLACE!

They fired waves of fire and blasted him all over the place and then Ralph threw his Alien Self off the Building and smashed him into the ground.

KRASPLAT! RIGHT INTO THE MUD!

Sunset Shimmer: That was so awesome! It's like we're living each game!

Leo Corbett: Yeah it feels like it!

El Diablo then appeared.

El Diablo: (to Leo Corbett) This might sound like a stupid request. But can you remind me of Lincoln's rescues yesterday and today?

Leo Corbett: Lincoln's rescues were awesome. Yesterday's rescue was for destroying Voldemort for good and today's rescue was on a planet made entirely out of Limburger cheese.

Sunset Shimmer: Yeah that one smelled horrible! It smelled like rotten socks!

FOGHORN SOUND!

Pipsqueak: (British Accent) Yeah it was really stinky.

Sunburn: Yeah it was gross.

Kairi Yano: Funny too.

Keiichiro: But we've seen the last of Voldemort now.

Ralph: Thank goodness.

General Schwarz: Thank goodness for that too.

El Diablo: WHOA! A planet made entirely out of Limburger Cheese?! That has to be one stinky planet! Lets do it!

They fired waves of fire and energy and smashed him down.

Spiderman: Now that is awesome. I loved playing Centipede.

Bounce Man: This will be fun.

AND AWAY WE GO!

THEY SAW THE CENTIPEDE!

Scorpion: Hey, Web Head. You think this centipede stands a chance against a spider and a scorpion?

Spidermon: Only one way to find out Mac.

They blasted him with web and acid.

They blasted him until his head was left and destroyed him!

Spiderman: WOOHOO! Not bad for your friendly neighborhood Spiderman!

Vanitas then appeared.

Vanitas: (to Spiderman) Lincoln met really amazing Gene Slammers today and yesterday. What are their names?

Spiderman: Their names are Renee Ravenclaw and she is the direct descendant of Rowena Ravenclaw and she is a gene-slammer for Renge, Gatekeeper of Dark World. And we met Helena Hufflepuff and she is a descendant of Helga Hufflepuff and she is a gene-slammer for Ceruli, Guru of Dark World.

Vanitas: Cool! Descendants of the founders of Hogwarts. How cool is that?

Fluttershy: Oh it's really interesting.

Tornado Bolt: It sure is and I can't wait to see who the descendants of Gryffindor and Slytherin are like. I hope the one for Slytherin is not like her ancestor who was a racist monster.

Stealth Elf: Yeah that would not be good.

M.J.: Voldemort was terrible and Salazar Slytherin was an evil monster.

Black Cat: I agree there.

Scorpion: He sure was.

Vanitas: Wow! That is gonna be awesome to see. Lets do it!

They fired waves of webbing, leaves, grass and flowers and smashed him down.

Spiderman: Another awesome victory for your friendly neighborhood Spiderman!.

Fluttershy: That was fun.

Iceage: Time to get these guys to land!

They fired beams of energy at the shapes and placed them all over like a puzzle and they blasted them down.

Discord: That was great!

Tala then appeared.

Tala: (to Harry) I hope you guys had fun in the arcade. Though, I think it might've signaled the start of this invasion.

Harry Potter: We had a lot of fun. But to be honest we did not expect to see video game aliens coming.

Twilight Sparkle: Yeah that was awful.

Starshine Sparkle: Yeah it was terrible but really cool to face aliens that can bring video games to life.

Sunny Starscout: It sure is neat to see.

Spyro: I think it's awesome myself.

Carter Grayson: It sure is awesome too.

Felix Faust: Yeah I agree too.

Tala: I think it's amazing too. Lets do it!

Yumi: Space Invaders was one of the first ever games made.

Rafael: That's right.

Alister: The Space Invaders aliens should be here somewhere.

Yumi: Up there maybe!

They saw UFOs!

Radioactive Man: Time to shoot these guys down!

They blasted many UFOs!

Rafael: All right!

They fired waves of darkness and energy and blasted the UFO's down!

Princess Luna: This is like blasting balloons out of the sky!

They blasted them down and won. Merman then appeared.

Merman: (to Yumi) How was the Triwizard Tournament? I didn't go because I was patrolling the oceans.

Yumi Ishikawa: It was really awesome! We saw J.D. dominate the whole competition and he really had a lot of fun on that one.

Princess Luna: Yeah he sure did. And for the first time in over 200 years J.D. gave Hogwarts the title of the Triwizard Champions.

Merman: Wow! That is something! I heard that tournament was cancelled permanently because of Voldemort.

Moondust: You heard right. It was all a trap for Harry Potter and the 1994 tournament was a tragic tournament that lead to it being cancelled.

Snowdrop: Yeah Cedric was just in the wrong place at the wrong time.

Blackout: What happened back then was terrible.

Mack Hartford: Yeah it was awful. But now that he was given the Black Gates no one will ever know Voldemort again.

Radioactive Man: Thank goodness too.

Merman: Wow! But tell J.D. that I said Congratulations to him.

Yumi Ishikawa: I'll relay the message.

Merman: Good. Lets do it!

They fired waves of darkness and smashed him down.

Yumi: OH YEAH!

Princess Luna: A true victory of the night!

---

They smashed them down all over. They were all knocked down.

Nico: (Sweating and panting) WHEW! That was awesome! Man we haven't had this much fun since Dr. Wily came after us the first time.

Myotismon came.

Myotismon: All these Robot Masters from Mega Man 1 Thru 9 will be awesome additions to the group.

Nico: They sure will. Now the big question is who will have who as their archenemies. Mega Man has been around since 1987 and that is gonna be a challenge.

Trixie Lulamoon: It sure will be a great challenge though.

Triple Berry: I think so too.

Myotismon: I do too. But we'll find lots of opponents for them in due time. Lets do it! (Echoing) GRISLY WING!

He fired a wave of his bat familiars and the group dodged them and fired waves of lightning and magic and smashed him down.

Nico: OH YEAH!

Trixie Lulamoon: An amazing victory for The Great and Powerful Trixie!

---

Kirby Adventure was next.

Blade Man: I hope those aliens haven't managed to imitate me and my fellow Robot Masters.

Sora: You heard what King Kai said. They summoned Mega Man 1 thru 11 here.

Blade Man: Oh right. Oh man.

Alien Kirby appeared!

Magma: Fighting against any version of Kirby is so wrong.

Sora: I agree on that. It's not right!

Magma: Yeah!

They fired waves of elements and metal and smashed him into pulp.

KIRBY MISS THEME PLAYS

(DONKEY KONG JR. LOST LIFE TONE!)

He was down.

See-More then came.

See More: (to Ash) After this, I hope these aliens leave us alone.

Ash: Me too. That will be awesome for Nicole to see in the future.

Rainbow Dash: I think so too! And you know how much Nicole loves video games.

---

We saw that we were in 8 areas and they were marked with 8 planets from Earth to Planet X.

Me: Whoa is that metal planet there Planet X? I thought that planet was just a fictitious myth.

Syd Chang: That is amazing!

Dark Spicer: Wow! I didn't know that such a planet was real.

Me: Me neither.

Ratbat: Which Gene Slammer do you think Nico will meet next?

Me: I'm hoping he meets a gene-slammer for an Evolved Arburian Pelorota next.

Syd Chang: That would be awesome to see.

Eli: It sure would.

Syd Chang: Yeah. But look at this. We're Kaiju Size.

Me: Cool! I always wondered what it would be like to be Godzilla's size.

Syd Chang: Yeah!

We walked through the areas of the worlds and we saw the first monster and it was GEZORA from the 1970 Kaiju movie called Yog Monster From Space!

Me: That's Gezora from 1970!

Syd Chang: Wow! He looks like a huge Squid.

Eli: He sure does. That is awesome.

Eli fired a blast of Force Lightning and smashed him down!

Then we faced MOGUERA!

Me: WHOA! That's Moguera from 1957!

Eli: Wow!

We fired energy blasts and destroyed it.

Later at the volcanic mountains of Mars we faced Gezora, Moguera and then Varan the Unbelievable from 1958. In the Jupiter Area we faced Hedorah from 1971, Next in Saturn we faced Baragon from 1965, then in Uranus we faced Gigan from 1972, On Neptune we faced Mecha Godzilla from 1974 and then the same monsters on Pluto and then finally on Planet X we faced King Ghidorah from 1964! Then we faced Godzilla and then Mothra from 1961!

Ultimate Mega Large: Here's your warning: Your ass is about to be kicked!

Me: Yeah!

I fired Godzilla's Atomic Breath and blasted Mothra and Godzilla.

Syd Chang: Take that!

We won! Then the U-Foes came.

Vector: (to Syd) I can't believe Nicole beat all those games at once.

Vapor: They don't call her the Goddess of Video Games for nothing.

Syd Chang: No they sure don't. She defied the impossible.

Eli: She is awesome and skilled in every game known.

Camie: Nicole is really awesome that way.

Applejack: Boy howdy she sure is.

In the world of Nightshade: The Claws of Sutekh, Tommy and his group were walking through Metro City and they met Nightshade, a famous detective and hero.

They walked around and smashed and pulverized all of Sutekh's goons and more.

Block Man: YEAH TAKE THAT!

They then faced Sutekh himself! He was a crime lord named after the evil god of chaos in Egyptian Myth and they blasted and smashed him down and arrested him.

Then Evil Star came out.

Evil Star: (to Tommy) These aliens are cool to bring retro games to life. That's one of the reasons we're not killing them.

Tommy Oliver: Thank goodness. These aliens are awesome doing that.

Princess Celestia: It sure is amazing.

Amber Morning: Too bad they only can do it on those retro video games.

Spotlight: Yeah but that is cool though.

Tanya Sloan: It sure is cool.

Varie: I knew there's no mistaking that voice from anywhere. You can come out now, Bubble Bass.

A large figure came out, and it was none other than Bubble Bass, Bikini Bottom's overweight and rude jerk, and he was out for revenge.

Varie: I should've known you'd break out of prison, you overgrown jerk. You shouldn't have broken out to try to get revenge on us.

Spongebob: Because now, you're about to get pulverized into fish paste!

Suddenly, Spongebob's blue eyes turned neon blue, and he was surrounded by an ocean blue energy aura with ocean waves, water, sea creatures, and bubbles, he unholstered his massive Neptune's Seven Seas Sword of Ocean Justice from his wider and more muscular back, and as he approached Bubble Bass, he left ocean waves, sea creatures, and bubbles with every step.

Spongebob: Bubble Bass, you have caused all of Bikini Bottom nothing but trouble for the very last time. In the name of The Neptune Crusaders, I am taking you down once and for all!

Suddenly, Spongebob was surrounded by a massive vortex of ocean blue energy with ocean waves, water, and bubbles surrounding it, there were sea animals swimming around the vortex, and in the vortex is a yellow phoenix. Then, as the vortex faded, Spongebob emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

The 7'5" tall and extremely muscular Spongebob remained the same, along with his brand-new clothes, he has neon blue eyes, and an ocean blue energy aura with water, ocean waves, sea creatures, and bubbles surrounding him, he has a seahorse with the Water and Eternity Kanjis in its flippers emblazoned on his forehead, he has on his Crystal Necklace of The Buddha with ocean blue crystal links and a seahorse with deep turquoise blue crystals for the eyes and the eagle holding the Water and Eternity Kanjis in its flippers for the pendant across his bare chest, and on his wider and more muscular back is a mollusk surrounded by ocean waves and sea creatures, and on his wide and muscular left pec is a tattoo of an anchor on it. Suddenly, Spongebob felt a sharp pain on his wider and more muscular back, and then, massive yellow angel wings with ocean blue tips on the large yellow feathers, sprouted out from his wider and more muscular back.

Spongebob has on his new large gold cuff Bracelets of the Champions of The Universe with ocean blue gems on his wrists, his new large gold Belt of Elemental Bravery with a golden shark head with ocean blue gems for eyes and a large ocean blue gem in its open mouth for the belt buckle on his waist, large ocean blue Spellbook of The Gods and The Universe and large ocean blue Universal Spellbook of The Elemental Forces on his left hip and Eater of Sins revolver holstered on his right hip, a Ring of the Phoenix with large ocean blue gem on his left ring finger and an Indigo Lantern Corps ring on his right ring finger. There's an ocean blue kanji below the mollusk that said, "Spongebob Squarepants, Savior and Defender of Bikini Bottom, Member of the Neptune Crusaders, Best Friend of Patrick Star, Squidward Tentacles, Eugene H. Krabs, Sheldon J. Plankton, Pearl, Mrs. Puff, and Many, Fry Cook and Owner of The Krusty Krab, Longtime Fan of Mermaid Man and Barnacle Boy, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary and Champion of Neptune, and Master of Water, Sea Creatures, and Bubbles."

Spongebob Squarepants has transformed into SUPER ANGEL ETERNITY INFINITY OCEAN MAELSTROM NEPTUNE SEA SPONGE ANGEL OF OCEAN JUSTICE AND SEVEN SEAS COMPASSION!

We were amazed by Spongebob's Super Angel Eternity Infinity transformation, and when Sandy saw what happened to him, she had an even more atomic red blush on her face and hearts in her eyes, but when Bubble Bass saw it, he tried to attack, but Spongebob formed a massive ball of water, and he fired it at Bubble Bass, and it exploded and sent the jerk flying to a wall.

Nico: Whoa, Spongebob's transformed into his new Super Angel Infinity form, and he sent that jerk, Bubble Bass, flying into a wall.

Lily Loud: That's so awesome. Spongebob, how do you feel?

Spongebob: (Divine Echoing Cosmic Voice of The Neptune Sea Sponge and Ocean Compassion) **I feel incredible, Lily, and now, to take care of Bubble Bass for good.**

Spongebob went after Bubble Bass, and he fired powerful blasts of ocean blue energy, ocean waves, water, sea creatures, and bubbles, and they exploded with incredible power as they hit Bubble Bass. Then, Spongebob slashed at Bubble Bass with his massive Neptune's Seven Seas Sword of Ocean Justice and he left tears on

Bubble Bass' tank top, and then, he pulverized him with some powerful punches and kicks, and it ended with Spongebob punching Bubble Bass hard in the face, and knocked the jerk out, and Spongebob tied Bubble Bass up in a neon ocean blue energy straitjacket and ocean blue energy chains so he can't escape. We cheered wildly for Spongebob as he holstered his massive Neptune's Seven Seas Sword of Ocean Justice on his wider and more muscular back and powered down, and Spongebob's new body, clothes, weapons, jewelry, and massive yellow angel wings are permanent.

But, before he was about to head back to us, Sandy ran up and hugged Spongebob's waist, and he wrapped his abnormally massive and powerful muscular arms around Sandy, and then, he leaned down to her face, and they kissed, and we cheered for them.

Mr. Krabs: You did it, boy.

Varie: Yeah, you really pulverized that jerk Bubble Bass, and showed him no quarter.

Spongebob: Thanks, everyone.

Just then, Bubble Bass woke up, and when he saw that he was tied up, this really irked him badly.

Bubble Bass: So, what are you going to do to me? Throw me back in jail, I'll still break out again.

Spongebob: As if, Bubble Bass. If it were up to me, I'd have you run out of town on a rail and have you keep running, but no. So, here's what's going to happen to you: you are going back to prison, and for a little extra punishment for you, you are going to be subjected to the humiliations here in Gotham Royal York, and you are hereby banned from Bikini Bottom for life, since you've been a major league problem and nuisance to Bikini Bottom.

Varie: And since you've run up quite the tab in The Krusty Krab, you're going to also be humiliated by everyone in Bikini Bottom until your tab's been paid, which'll take about fifty years for you.

Lily Loud: (Smirks) How's that for added karma, Bubble Butt?

Nico: (Snickers) Bubble Butt, that's a good one.

Bubble Bass: Oh, how original.

Nico: Like you would even know, Bubble Bass. Spongebob, if you would?

Spongebob beamed Bubble Bass back to the underwater section of The Jupiter Prison, but this time, he was put into a separate isolated water tank cell in Solitary Confinement, and he was chained to the wall with Neutronium chains and ocean blue energy chains, so he can't escape.

Lincoln: That Bubble Bass has caused trouble for Bikini Bottom for the last time. So, next humiliation session, we'll also humiliate Bubble Bass, along with Flip, Lewis Travolta, Billy McLean, Icky Vicky, and Trina Riffins.

Nico: Good idea, Lincoln. And we'll also invite the people of Bikini Bottom to join in, as well.

Lily Loud: And I'll have some ideas on how we'll also humiliate Bubble Bass, as well. Since he's the underwater version of Lewis Travolta, it'll be easy for us to humiliate him.

Varie: Can't wait to see what you'll come up with, Lily.

Sam Brenner: (To the viewers) Hope you all liked this adventure. It was really fun and awesome.

Nico: It sure was. Great job everyone. Lets head home.

We went back home and enjoyed the rest of the day and went to sleep.

THE END

Another awesome fanfic done.

The movie Pixels from 2015 was a great movie! All those games in that movie were an awesome blast from the past! It was awesome facing and reliving the great games of my past in this one. These were some of my favorites from my past. The first part was for visiting the planet Thanagar and the second part was for visiting a planet made of Limburger Cheese. Kolbdog323, NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. Nico's next rescue is gonna be a really awesome and cool one as Nico, Eli, me, Camie, Varie, Samus, Laney and Lincoln head for the planet Bryyo in Metroid Prime 3 Corruption and we're going to face Rundas when he was corrupted by Dark Samus and we're also going to meet an Evolved Arburian Pelorota Gene-Slammer named Tabitha Welkington and she is from Nico's cooking classes. The rescue for Lincoln is gonna be in the 1954 movie Godzilla: King of The Monsters and we're going to save as much of Tokyo from when Godzilla first attacked and we're going to destroy Godzilla. We're also going to meet a gene-slammer for Goldd, Wu-Lord of Dark World. Her name is Elizabeth Gryffindor and she is the direct descendant of Godric Gryffindor and she is the most benevolent and most goldenhearted out of the 4 Descendants of the Founders. She is also the strongest of the Gothic Dark World Gene-Slammers. Get Ready for a really crazy adventure as we go on a crazy battle to take down 6 enemies in Griffin Rock and we're going to regain the trust of the people there.

See you all tomorrow

# BOGUS HEROICS OF TEAM BUKTU

In the beautiful cities and industrial plants of the planet Bryyo was Nico, Eli, Janeen Aran, me, Camie, Varie, Samus, Laney and Lincoln and we were there for another awesome and amazing rescue.

Me: Wow!

Camie: So this is the planet Bryyo. It's amazing.

Samus: Yes it sure is. And this was home to the first battle I went on during the days when I had the Phazon Enhancement Device on.

Eli: Boy that was during the Phazon Crisis.

Janeen Aran: That was crazy.

Samus: It sure was.

Nico: Thanks for coming with me, Samus.

Samus Aran: No problem Nico. This is gonna be awesome going on one of your rescues.

Me: It always is fun.

Laney: It sure is.

Lincoln: Yep. It's really something too.

We then saw the withered and decayed husk of what was once the Bryyo Leviathan Seed.

Me: Whoa is that the Leviathan Seed that was here?

Samus: That's it.

Nico: Are you glad the aliens didn't take the form of you or any of your enemies?

Samus: Yes I sure am.

Me: That would not be a good sight to see.

Janeen Aran: No it sure would not be a good sight.

Camie: Yeah it would not be pretty. Also Janeen you are Samus's daughter right?

Janeen Aran: I'm her adopted daughter. My biological mother Gandrayda was killed by Dark Samus during the Phazon Crisis and I was adopted by Samus and raised like her own daughter. I am half Jovian and I possess all my mother's powers. I have lightning powers and I haven't been able to master my Biomorph Powers like my mother did.

Camie: Wow that is amazing.

Janeen Aran: It sure is. I also have a powerful sword that enables me to use all of Samus's blaster modes.

Camie: Wow! That is incredible.

Janeen Aran: Yep.

Nico: That is a really awesome story too.

Laney: It was awesome.

Me: It was Camie and we met Samus and Janeen back in the old days when I was still getting the team together.

Nico: That is awesome.

Eli: Yeah no kidding.

Me: What has me concerned however is how that Angry Mob was going after Johnny Bravo.

Nico: Johnny said that an anonymous source pissed off that mob of women. And Sam Brenner said that a group of so called heroes left him and the other Arcaders because they found the aliens to be a waste of time. That can't be a coincidence.

Eli: I agree there. It's not just a coincidence.

Me: Hmm. Now that you mention it. I've been getting reports from S.H.I.E.L.D. about a mysterious group stationed in Griffon Rock. They are calling themselves Team Buktu. Director Fury says that they are wannabe heroes and he and all of S.H.I.E.L.D. are looking into it and we'll later find out who they are.

Camie: Weird.

Nico: Regardless of who these so called heroes are, maybe I can infiltrate their ranks.

Me: Good idea.

Nico: J.D. after we get back from Hay Lin's Ambassador Mission, I want to have a talk with you. In Private.

Me: Oh I'm not in trouble am I? If this is about what happened in Quahog…

Nico: No no no it's not that. I just want to talk to you about what I'm gonna do.

Me: Oh.

Eli: Uh oh! We got company!

We then saw a figure surfing on Ice and it was RUNDAS! But it was a red evil version of him!

Me: Oh no! Evil Rundas!

Samus: Let's make this easier on everyone.

Nico: Because we're not leaving without who we're looking for.

Eli: Right!

We fired blasts of fire and smashed him down!

Evil Rundas: NO!

Janeen Aran: Feel the burn of fire!

Janeen unsheathed her sword and it turned into a red plasma fire blade and she fired blasts of fire and it hit Evil Rundas and burned him!

?: TIME FOR ME TO ROLL!

A silver rolling ball appeared and smashed Evil Rundas down into a pulpy pancake and we saw that it was an Evolved Arburian Pelorota!

Nico: WHOA! An Evolved Arburian Pelorota!

It landed in front of us and reverted back. It was a girl in blue clothes and had blue hair.

Nico: Tabitha Welkington!? Whoa!

Tabitha Welkington: Nico wow! Awesome to see you again.

Eli: Wow!

Evil Rundas got up.

Janeen Aran: He sure doesn't quit.

Janeen fired a blast of Phazon Energy from her sword and obliterated him.

Janeen Aran: There.

Samus: Do you gain weight whenever you transform?

Tabitha Welkington: No thank goodness. But it's really cool when I transform like that.

Nico: It sure is.

Camie: Your hair is beautiful.

Tabitha Welkington: Thanks. Oh sorry I don't think we met.

Camie: My name is Camie. Camie Utsushimi. I'm one of J.D.'s future wives.

Tabitha Welkington: Pleasure to meet you.

Nico: Long story on that Tabitha.

Samus: What's your favorite memory with Nico?

Tabitha Welkington: I have a lot of them. But my favorite is when one of our friends at a local restaurant was being harassed by some local bullies and me and Nico told the chef about it and we spiked their shakes with incredibly powerful laxatives and they soiled their pants and it was really humiliating!

Nico: I remember that! I told them that if they messed around with one of our friends that soiling their pants will be the least of their worries. I threatened to smash their faces in with brass knuckles covered in spikes.

Janeen Aran: Whoa that is awesome!

Me: Yeah nice job you two!

Laney: That was awesome!

Tabitha Welkington: Thanks. It was great.

Nico and Tabitha then hugged.

Nico: I really missed you.

Tabitha Welkington: Me too Nico. Me too.

Me: So awesome.

Camie: It sure is.

Nico: This was a really awesome rescue though. Lets head home.

Samus: It sure was awesome.

We went back home.

Back at the estate we were watching TV.

Nico: (to Tabitha) Tabitha listen, if my hunch about certain things going on lately is correct, I might have to go on a risky plan of mine. I don't want you to cry in sadness if something happens to me, alright?

Tabitha Welkington: I understand Nico.

Me: Don't worry Nico I told your girls that you have a plan and they understand.

Nico: Thanks J.D.

Me: Just be careful okay?

Nico: I will.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and Black Widow are heading to the world of the 1954 movie Godzilla: King of The Monsters, and not only is Lincoln going to rescue the eight girls here, but we're going to save as much of Tokyo and destroy Godzilla.

Lincoln: Wow, we're here in the world of the 1954 movie Godzilla: King of The Monsters, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're going to save as much of Tokyo and destroy Godzilla.

Nico: That's right, big guy.

Me: And we've battled against Godzilla so many times, I may have lost count.

Eli: Same here.

Lincoln: But, the end result will be the same, and thanks for coming with us, Black Widow.

Black Widow: You're welcome, Lincoln.

Lincoln: Alright, everyone, let's get to work.

We then got to work by saving much of Tokyo, and Lincoln was healing those who've been injured in the initial rampage by Godzilla, and we had to get them into a shelter for the upcoming battle with the King of The Monsters himself.

?: HELP!

Suddenly, Lincoln heard the sound of eight girls calling for help, along with the very familiar roar. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they're caught in the middle of Godzilla's rampage, and he's going to kill them.

Lincoln: Guys, I found the eight girls, but Godzilla's headed their way, and he's going to kill them.

?: Let's take him down once and for all.

Suddenly, we saw Goldd, Wu-Lord of Dark World appear before us.

Lincoln: That voice, I knew it was you, Elizabeth Gryffindor. But, we'll have to talk later. Right now, we got to stop the King of the Monsters.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces at Godzilla, and that allowed the eight girls to get to safety. When Godzilla saw us, he roared in rage at us.

Lincoln: Your rampage ends here and now, Godzilla. Guys, stand back, this is going to get messy.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he grew to the size of Godzilla, and he also sprouted his eleven massive, long, and powerful white werewolf tails with eleven slobbering black wolf heads with glowing blue eyes on the tips, and he went after Godzilla, and he fired powerful blasts of rainbow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, and rainbow crystals at Godzilla, and they exploded with incredible power as they hit him.

Then, Lincoln sent his eleven massive, long, and powerful white werewolf tails with eleven slobbering black wolf heads with glowing blue eyes on the tips at Godzilla, and they grappled around him, so he couldn't escape, and they bit down hard on his arms, legs, and sides of his stomach, and we saw the wolf heads slowly draining, siphoning, and sucking out all the excess radiation coming from Godzilla, and we saw the orange-colored excess energy flowing down from their heads and necks and right into Lincoln, as his rainbow energy aura with elemental forces, Thunderbirds, Phoenixes, Buffalos, and Angels was flaring up even more, as he gained an immense power and energy boost. Then, after Lincoln was finished sucking out all the excess radiation, he tossed Godzilla into the air, and fired a massive and powerful rainbow energy beam, which obliterated him completely for good, and wiped him out of existence forever. We cheered wildly for Lincoln, as he shrank back down and holstered his massive improved Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds on his wider and muscular back, and powered down.

Me: Whoa, Lincoln, that was so awesome!

Nico: You really showed Godzilla no mercy, not to mention you used those tails of yours and drained the excess radiation coming from him and absorbed it into your body, giving you a massive power and energy boost.

Lincoln: And don't forget that I also made his powers my own, and we also assimilated them when I obliterated him completely.

Eli: That's right.

Lincoln: And that's it for the King of The Monsters. (To Elizabeth Gryffindor) And it's so good to see you again, Elizabeth Gryffindor.

Elizabeth Gryffindor: You too, Lincoln, it's been a long time. And it's also good to see you again, Nicholette, Giselle, Scarlet, Silvia, Renee, and Helena.

Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, and Helena Hufflepuff: You too, Elizabeth.

Lincoln went up to Elizabeth Gryffindor, and they hugged, and Elizabeth Gryffindor's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time that I haven't seen you since you were sixteen, and as you and can see, I really grew a lot since then.

Elizabeth Gryffindor: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Elizabeth Gryffindor, she's one of my Guardian Angels and friends, and she's the seventh member of

The Dark World Goth Girls. Elizabeth's a direct descendant of Godric Gryffindor, and she's a golden hearted girl and she's also the strongest out of all of the Dark World Goth Girls.

This caused our jaws to drop to the floor at the revelation.

Me: Whoa. Just like with Renee Ravenclaw and Helena Hufflepuff, that's so awesome.

Elizabeth Gryffindor: That's right, which means tomorrow, you're going to meet the direct descendent of Salazar Slytherin, but she's nothing like Voldemort or Salazar Slytherin, in fact, she's hated them both since the day she was born, and she also hates The Death Eaters, along with their followers, and it also includes that loathsome little cockroach, Draco Malfoy, along with his friends, Vincent Crabbe and Gregory Goyle.

Nico: Nice.

Elizabeth Gryffindor: And there's no need for you to get me back to normal, Lincoln.

Elizabeth Gryffindor reverted back to normal, and she's a beautiful 17-year-old girl with long flowing red hair, yellow eyes, fair skin, she's 6'5" in height, she has the body of a goddess, and she has massive red angel wings, as she reigned in the power of Goldd, Wu-Lord of Dark World, and she's dressed in a sleeveless red open blouse, sleeveless red midriff top with the Gryffindor House crest on it, red skirt, red pants, red high-heeled sneakers, and long red sleeveless trenchcoat with darkness on the coattails and on the back is Goldd, Wu-Lord of Dark World, and the Gryffindor House crest on it.

Lincoln: Wow, I love your outfit, Elizabeth, and your clothes also have the Gryffindor House crest on it. Plus, I got you a little something for you.

Lincoln gave Elizabeth Gryffindor a large Goldd, Wu-Lord of Dark World-themed sword with Goldd, Wu-Lord of Dark World and the Gryffindor House crest etched on the 6'10" massive, wide, double-edged red blade, red angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and large red gem with black angel wings surrounding it for the pommel.

Elizabeth Gryffindor: Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Elizabeth Gryffindor's neck with red gems on the gold lightning bolts and red crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Elizabeth Gryffindor: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Elizabeth.

Elizabeth Gryffindor had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Elizabeth Gryffindor on her lips, and she returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Kanroji Mitsuri, Tamayo the Demon, and Kamado Nezuko from Kimetsu No Yaiba, Doumoto Kuzuha, Izumi Chikage, Ousawa Miu, Aihara Minami, and Risty Elle Da Sherfied from Aesthetica of a Rogue Hero.

Lincoln: Oh wow, it's Kanroji Mitsuri, Tamayo the Demon, Kamado Nezuko, Doumoto Kuzuha, Izumi Chikage, Ousawa Miu, Aihara Minami, and Risty Elle Da Sherfied.

Nico: From Kimetsu No Yaiba and Aesthetica of a Rogue Hero, awesome. (Gasps) Lincoln, you better cure Tamayo and Kamado Nezuko of the demonic influence of Muzan Kibutsuji.

Lincoln: On it, Nico.

Lincoln fired a blast of purifying light, and it cured Tamayo and Kamado Nezuko of Muzan Kibutsuji's demonic influence, and it turned them into humans with all the powers they had as demons.

Lincoln: There we go, that should do it. Are you girls okay?

Kanroji Mitsuri: Yes, we're okay, thanks to you.

Then, when Kanroji Mitsuri and the other seven girls saw who it was that saved them from Godzilla, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon

Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Kanroji Mitsuri: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Kanroji Mitsuri: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Kanroji Mitsuri, Tamayo the Demon, Kamado Nezuko, Doumoto Kuzuha, Izumi Chikage, Ousawa Miu, Aihara Minami, and Risty Elle Da Sherfied with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone of the rescue, and they were shocked when they found out the villain we went after was Godzilla.

But, when Lincoln showed what he did to him, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Elizabeth Gryffindor have a lot of catching up to do, now that she's back.

After getting rid of Godzilla, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Elizabeth Gryffindor saw Lincoln working out like crazy, she had an atomic red blush on her face.

Elizabeth Gryffindor: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Elizabeth, nd now, I can also defend myself.

Elizabeth Gryffindor: That's incredible.

Nico: It sure is, Elizabeth. So, what memories did you have with Lincoln?

Elizabeth Gryffindor: Ooh, now that's a good question. Oh, here's a good one, Lincoln and I, along with Nicholette and the other Dark World Goth Girls were heading out to have fun at Gus' Games and Grub, but we had some big trouble incoming: Damian Alaister and his Church of Necrom cronies were heading towards us, and they wanted to destroy us yet again. Knowing that we had a nasty history with that psychopath and his gang of fucked-up mongrel black magic users, we had to send them all running again. We fired blasts of darkness at them, and they got hit. Then, Lincoln fired powerful blasts of lightning at them and they got electrocuted again. That caused them to run away in defeat before we were about to call the cops and have the book thrown at them, but Damian swore that he'd have his revenge on us, but Silvia flipped him the bird, and it drove him even more mad with rage and he ran off with the rest of his group.

We cheered wildly for what they did to Damian Alaister and the

Church of Necrom.

Nico: Sheesh, those Church of Necrom assholes really hate you girls, if they've been trying to destroy you all constantly.

Lincoln: But, they've stood no chance against The Dark World Goth Girls, and it's driven Damian and his group down the edges of madness.

Nicholette Torrington: Which is why once all of us have been reunited, then will come your declaration of war on The Church of Necrom, Lincoln.

Lincoln: That's right, Nicholette, they'll regret constantly trying to destroy you and your friends, and trying to destroy mankind.

We then got a shower afterwards. Suddenly, a bright light descended on the World Tree Estate, and we covered our eyes to keep the light out. Then, as the bright lights faded, we uncovered our eyes, and to our surprise, the world of Demon Slayer has merged with our world.

Lincoln: Wow, Shinobu, Kanroji, Tamayo, Kamado, look, your world has merged with ours.

Shinobu Kocho: That's so awesome. But, why do I have the feeling that we're about to face two of our enemies from our world in just a second.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw that Enmu and Doma, two enemies from Shinobu's world, are here and they're causing havoc.

Shinobu Kocho: Oh crap, it's Enmu and Doma.

Lincoln: So, two members of The Twelve Kizuki have shown up. Well, we're going to make sure they are destroyed once and for all. J.D., you and Rose will take down Enmu, while Shinobu and I will take down Doma.

Me: Good idea, big guy.

We then flew out of the World Tree Estate, and Lincoln and I fired a powerful barrage of rainbow energy balls at Enmu and Doma, and they exploded as they hit the two demons. When Enmu and Doma saw us, they were enraged.

Enmu: How dare you get in our way, Team Loud Phoenix Storm?! And you two traitors, you will pay for turning against us.

Lincoln: That's enough out of the both of you. You've caused enough pain and suffering for the last time.

Tamayo: And what Muzan Kibutsuji did in turning us into demons and putting us under his influence, that's crossing one line too many.

Shinobu Kocho: My thoughts exactly.

Suddenly, Rose's violet eyes turned neon violet, and she was surrounded by a violet energy aura with spirits and tarot cards surrounding her, and as she approached Enmu, she left violet energy, spirits, and tarot cards with every step, and Shinobu's purple eyes turned neon purple, and she was surrounded by a purple energy aura with butterflies and spirits, and as she approached Doma, she left purple energy, butterflies, and spirits. Then, they were surrounded by massive vortexes of violet and purple energy with tarot cards and spirits surrounding Rose's violet vortex and spirits and butterflies surrounding Shinobu's vortex, there were two phoenixes flying around their vortexes, and in the vortexes are violet and purple phoenixes. Then, as the vortexes faded, Rose and Shinobu emerged, but they were changed forever.

Shinobu has transformed SUPER ANGEL INFINITY SPIRIT BUTTERFLY ANGEL OF SPIRITUAL JUSTICE AND DIVINE LOVE!

The rest of us were amazed by the Super Angel Infinity transformations of Rose and Shinobu, and when Lincoln and I saw what happened to Rose and Shinobu, we had atomic red blushes on our faces and hearts in our eyes. But, when Doma and Enmu saw them, they fell into a demonic rage and tried to kill them, but Rose and Shinobu fired violet and purple energy blasts, and hit the two demons, and sent them flying into a wall.

Lincoln: Wow, Shinobu, you look beautiful.

Me: Same with you, Rose, how do you both feel?

Shinobu Kocho: (Divine Echoing Cosmic Voice of The Spiritual Butterfly and Divine Love) **I feel incredible, Linky.**

Rose: (Divine Echoing Cosmic Voice of The Soul Phoenix and Divine Love) (Italian Accent) **And so do I, J.D. Now, shall we take care of Enmu, while Lincoln and Shinobu take care of Doma?**

Me: (Smirks) With pleasure.

I unholstered my Universal Sword of Elemental Harmony and Eternal Hope from my wider and muscular back and I transformed into Super Angel Xelnaga Infinite Eternity Friendship God, and I joined Rose, and Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and I transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Shinobu.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's get those two demons.**

Me and Rose went after Enmu, and Lincoln and Shinobu went after Doma, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Butterflies at Enmu and Doma, and they exploded with incredible power as they hit the demons. Then, we both attacked them with our weapons and we left painful scars on the demons, which never healed, and then, we fired massive energy beams at Enmu and Doma, and as they hit the demons, they exploded with incredible power and destroyed them, and Super Hakaied their souls for good. Everyone cheered wildly as we holster our weapons and power down, and Rose and Shinobu's new bodies, clothes, weapons, jewelry, and massive angel wings are permanent.

Then, we shared a kiss with Rose and Shinobu, and everyone cheered wildly for us.

Nico: Alright, that'll teach those two demons.

TLPS Mr. Wolf: But, this means we're now at war with The Twelve Kizuki, and those demons aren't going to give up without a fight.

Nico: True, but we've more than once dealt with our fair share of demons before, TLPS Mr. Wolf, and we've sent them straight to Oblivion.

Lincoln: But, we also know never to underestimate them, because of the powers that they have, and they're also powerful.

We then returned home to The TLPS World Tree Estate, but we're now at war with The Twelve Kizuki, but we're more than ready for them.

---

Later it was time for Hay Lin's second Ambassador Mission and it was gonna be awesome.

Me: Well this is gonna be awesome.

Lily: And I'm Lily.

Yost Peter: Wow! Lincoln you have a lot of siblings.

Lincoln: Yeah and yes our mom and dad thought it would be cute for all of our names to start with the Letter L.

Me: (Whispers to Yost Peter) Lincoln comes from a family that has never heard of condoms before.

Yost Peter snickered. But then he saw a shocking sight! Yost Peter couldn't believe his eyes. In front of him was… Spider Man? So did Yost Aunt May!

Spiderman: Hi. You must be May Parker.

Yost Aunt May: It really is nice to finally meet you in person, Spider Man. I hope you don't mind that Peter likes to take pictures of you.

Spiderman: Not at all. And no, I'm not bothered by Picklepuss slandering me. I can always just web his mouth shut.

Yost Aunt May (laughs): Always funny. Anyway, Peter, I'm off to get some groceries. Have fun at school.

Yost Peter: I will, Aunt May. Thanks.

As soon as Aunt May left. Yost Peter grabbed Spiderman by the collar.

Yost Peter: You're not fooling anyone, Chameleon. Take off the mask.

He removed Spiderman's mask, only to see what seemed to be an older version of him.

Yost Peter: (sighs) Your OTHER mask! (tugs at Spiderman's face)

Me: Uh that's his real face.

Yost Peter: Huh?

Spiderman: Uh you're hurting me. But yes I am you from J.D.'s universe.

Yost Peter: Oops. Sorry!

Spiderman: It's okay.

Vanitas: Oh and I'm his frenemy. Name's Vanitas.

Yost Peter: Pleasure to meet you.

Then Yost Hawkeye and Hulk came.

Me: Hey glad you guys can make it.

Yost Hulk: Nice we could.

Yost Peter: Hawkeye? What are you and Hulk doing here?

Yost Hulk: Simple. We're here to help you through your problems.

Yost Peter: (groans) I told you that I can handle it myself. Was I speaking in another language when I told you guys this?!

Yost Hawkeye: You've made your point, kid. Now, here's ours: We're helping you whether you like it or not. If we don't, you're gonna end up taking pills.

Me: Peter we have a Double Ambassador Mission here in this universe and it's for another one of our teammates and it's located just down the street from you at Stark HQ. The Avengers told us everything that has been happening to you and we decided that we were gonna help you out too. The Avengers are your friends too and you helped S.H.I.E.L.D. out many times before. So they want to help out too.

Yost Peter: Oh all right.

Nico: Guys, we're just going to Midtown to set the record straight. I want you all to keep calm and don't lose your shit. Understand?!

Yost Hulk: Hulk try.

Me: Good.

We were off to Midtown High School. We later arrived.

Me: Been a while since we were in Midtown High.

Then we saw Flash.

Yost Flash: I knew that Spiderman wasn't Puny Parker! (winks at Yost Peter)

We winked at him back.

Sally Avril: Well, if it isn't the geek? Are these more of your uncool friends?

Yost Peter: Sally, for the sake of your health, you probably should watch what you say.

Yost Liz Allen: Petey's right, Sally.

Sally Avril: What gives? Didn't the geek king dump you?!

Yost Liz Allen: I admit that still hurts. But me and Petey can still be friends!

Me: That's good. (To Sally) Oh I don't believe we met.

Sally Avril: Oh sorry. I'm Sally Avril. And it's an honor to meet you J.D.

Me: Pleasure is all mine. (To Yost Liz) And you are?

Yost Liz Allen: My name is Liz Allen. Pleasure to meet you J.D.

Me: Same here.

Yost Peter: Where's Harry?

Yost Flash: He's in the cafeteria.

Nico: Thanks.

Yost Flash: (making sure no one's looking) What are you guys doing here?!

Maria: We're here to settle some things, Flash. Starting with how everyone thinks Spiderman killed Norman Osborn.

Yost Flash: (sighs) Okay, fine. But this isn't a battlefield or another planet. This is fucking school! If you spill blood here, you guys are gonna be in trouble!

Me: I know Flash. I know. We're gonna try to hang on to our sanity.

We saw Harry Osborn.

Me: Excuse me. Are you Harry Osborn?

Yost Harry: That's right.

Me: J.D. Knudson, Former Leader of Team Loud Phoenix Storm.

Yost Harry: Oh wow. I've heard so much about you. You killed Dr. Doom here.

Me: Well I had some unfinished business to take care of with him. In our universe he blew himself up before I had the chance to deliver the final blow. So I killed the one here.

Yost Gwen: Wow that is awesome. I didn't like Doom.

Me: To be honest, no one liked him. Now before you lash out we have someone who wants to talk to you.

Yost Peter and friends came.

Yost Harry: Hey, Pete. Haven't seen you in a while.

Yost Peter: I've been busy.

Yost Harry: (scowls) Busy taking pictures of Spider Man. For God's sake, he's the reason I don't have a Father anymore! Not to mention your boss always yells at you!

Yost Gwen Stacy: Peter, I have to agree with Harry on this one.

That's when Harry noticed Spiderman.

UH OH!

Yost Harry: (growls furiously) And speak of the fucking devil! You've got some nerve showing your face, you killer!

Yost Gwen: Harry, doesn't Spiderman look… off?

Yost Harry: Different costume, same menace. I'm honestly had enough of this murderer to last an eternity!

Me: WHOA WHOA WHOA WHOA WHOA WHOA WHOA! Lets not rip off one of our lines.

William: Ok. First of all, we're not using those words anymore if people are gonna keep throwing them back at us!

Yost Flash: And second, you need to back the fuck off, Osborn! Am I happy that someone died that night? No! But accident or not, if Spiderman didn't stop your dad, he would've continued to hurt more people!

Me: Yeah Harry and your father is a monster. You saw what he did. Hundreds of people would have gotten hurt because of him! He would just keep killing people until the entire city was stained with blood!

Yost Harry: You know what? FUCK ALL OF YOU!

We all gasped at this.

Nico: UH OH!

Me: Harry, we're just explaining it as it is. We're not trying to hurt you!

Yost Harry: Well, my mom and I can't live in good intentions, J.D.! Oh, your team's out of control, killing people but we can't blame you… because you have good intentions!

Me: Wait a second. That saying is really familiar.

Luna: Hey, back off, bra!

Yost Harry: Oh, okay, dude! I wouldn't want you to have a cow, bra! Here's a catchphrase you better learn for your adult years: "Hey, buddy, got a quarter?"

Luna: I am shocked and appalled.

Eli: HEY! Luna didn't do anything to you!

Yost Harry: (sarcastically) Do I hear the sound of butting in? It's gotta be little Eli… your other world's answer to a question no one asked! In fact, here's what I think of your bonking heads method! (bonks Eli and Lincoln's heads together)

BONK!

Eli and Lincoln: OUCH!

Kenny Kong: [Laughing] Look at Osborn freaking out!

Yost Harry: What do we have here? The fatass football team player? I'm surprised you're not a police officer! Because the only case you'd probably get to would be a case of the Mallomars!

Luan: (laughs) Mallomars. Oh, I'm writing that down.

Yost Harry: Oh, yeah, the Loud clown. The only one of you buffoons who doesn't make me laugh. (to Vanitas): And as for you, I don't know you, but I'm sure you're a jerk!

Vanitas: Ok, that's just random!

Harry: (to Yost Hulk) You green skinned, anger filled ogre!

Yost Hulk: Hey, I may be green skinned, anger filled, but I'm no ogre!

Nico: YEAH!

Yost Harry then approached Peter as we all backed away

Yost Harry: (glares at Peter) Peter, you're the worst friend I've ever met.

Yost Peter: (sighs) Tell me something I don't know.

Yost Harry then started to walk away.

Yost Gwen Stacy: Harry, wait!

Yost Harry: Back off, Gwen! I need to be alone! (pushes her to the ground and leaves)

Eli helped her up.

Me: Nico didn't this look very familiar to you?

Nico: Yes it sure did. Ned Flanders told me about this. He lashed out at everyone in Springfield just like what Harry did here. (Season 8 Episode 8)

Laney: Very coincidental!

Luna Loud: Yeah!

Me: That was right after a hurricane destroyed his home.

Later we were flying through the city.

Yost Spiderman: (swinging through the air) No offense to Vanitas.

But I honestly thought you would have an archenemy who also has stick em powers.

Spiderman: None taken though. I'm sorry about what Harry said.

Me: He just needs some space though.

Nico: Yeah. J.D. you're not going to let what he said get to you right?

Me: Absolutely not. Harry is going through some hard times and what he said shows that he has lost his faith in everyone and his friends.

Eli: But he didn't have to hit me and Lincoln too.

Lincoln: Yeah.

Lola: It's not his fault guys.

Yost Rhino: (carrying one bad of money) Glad to have you back, Marko

Yost Sandman: (carrying another bad of money) Same here, buddy.

Yost Rhino: But don't scare me with that glass stunt again, alright? I'd hate to lose you for real.

Yost Sandman: Hey, no promises.

They then saw us.

Yost Sandman: Web Head? How long were you standing there?

Yost Spiderman: Long enough to admire your bromance. And I don't care if it's gay or not.

Yost Rhino: You tell anyone else about this…

Yost Spiderman: My lips are sealed. Or webbed up, in this case.

We landed too.

Me: Alex O Hirn A.K.A. Rhino and Flint Marko A.K.A. the Sandman.

Yost Sandman: Team Loud Phoenix Storm!? You're all with webhead?

Hay Lin: In a way we are.

Nico: That's right. And you two would make great members for Vypra's Masters of Evil.

Me: No this is not Baron Zemo's Masters of Evil. This is totally different.

Lola threw fireballs at Yost Sandman.

Yost Sandman: (avoids one of Lola's fireballs) So, what's your story? You get stuck in a radioactive oven?

Lola: Very funny and no most of us got our powers from the Gods.

Me: She's right on that Flint. Also not to brag but I saved your daughters life in our universe. She needed a heart transplant and I volunteered. I gave her my heart and saved her life.

I showed him the scar on my chest.

Yost Sandman: You really did that!? But you should be dead.

Me: Normally. But Immortality and Invincibility has its perks. But she now has a new life because of it.

Yost Sandman: Wow. That is amazing.

Me: Yeah.

Yost Rhino: You done feeling sorry for yourself, Web Head? (tries to punch Yost Spiderman)

Yost Spiderman: Hey, you'd feel the same way if you were off mostly everyone's Christmas Card list.

Yost Rhino: Everyone's always been that way with me. But that don't bother me.

Nico: You would be feeling a lot of sadness when you are called a murderer. Spiderman blames himself because Harry Osborn thinks that Spiderman killed his father.

Eli: When he really didn't.

Yost Rhino: Oh man! That kid is going through some problems.

Lola threw more fireballs.

Yost Sandman: Hey! Be careful where you aim those fireballs, kid. This here's a hydrant. If you hit it, we'll both be put out.

Lola: Believe me water doesn't work on me. And also you won't be put out you will be turned into mud.

Yost Sandman: That's what I meant.

Me: Marko, Spiderman has been going through hell right now because everyone thinks he killed Norman. But the truth is he didn't. Norman is still alive.

Yost Sandman: Oh man! That is horrible! So Norman is still out there?

Me: Yep and he is our target when we come here. We're going to make him pay for his crimes and throw him in prison.

Nico: So, about you two joining the Masters of Evil… (tries to punch Yost Rhino)

Yost Rhino: (catches Nico fist) Hey, if Marko says yes, then I say yes too!

Yost Spiderman: Long story short, the two of them are partners. Even before I dealt with my first baddie, which was Vulture.

Hay Lin: Vulture is my archenemy in the Masters of Evil.

Me: In our universe he is.

Eli: It's true.

Yost Rhino: Amazing.

Yost Sandman: Alright, we give. But tell me. Where's Osborn right now?

Maria: You two better not-

Yost Rhino: We're not gonna kill him. That's why we never joined Zemo's gang. But you guys tried going easy on him. Now, we do this the hard way!

Me: No you two! Let me talk to him first. I want to set some things straight with him. You'll see what they are in a few minutes.

Nico: Just let J.D. do his thing.

Yost Rhino: He has 10 minutes.

Me: That's all I need.

We went to Central Park and we found Harry.

Me: There he is.

I went up to him.

Me: Harry we need to talk.

Yost Harry: Leave me alone.

I grabbed him by his shirt.

Me: Harry you listen to me! You are not the only one that is going through the pain of losing a family member. I'm sorry that this happened to you and you have my sympathies for this. But there are countless people all over the world that know the pain you are going through. And I know how you feel too.

Yost Harry: How could you know!?

Me: Because 2 and a half years ago me and my team went and killed Thanos the Mad Titan on December 26th, 2019 and we suffered 2 heavy casualties because of it and they were Ra's Al

Ghul and Bowser! They were killed right in front of our very eyes and the pain was absolutely incredible when we saw them die! I blamed myself for not being fast enough to stop them from dying! That pain haunted me for over a year! But I learned that there is still a family that will always be with you here on Earth and always with you in spirit and also there are many things that can help you out too. There's also a very powerful thing that you must never throw away and that is Friendship! Friendship is eternal and so is the power of love! You have so many awesome friends at school and you loved Peter Parker here like a brother and he loved you too. But if you must know, Spiderman did not kill your father! He faked his own death and is now in hiding! Let me show you.

I used my powers and showed him that his father was truly alive and is in hiding right now even as we speak!

Yost Harry: My father is alive!? Oh dear god. What have I done!?

Then Yost Rhino and Sandman came.

Yost Rhino: (smirks) Hello, Osborn.

Yost Harry: (pales) W-What are you two doing here?

Yost Sandman: We wanted to have a talk with you. But J.D. beat us to it.

Yost Rhino: But just so we're clear, if you ever treat your friends like that again, we're gonna send you off to Hell!

Yost Harry: (gulps) Understood, sir.

Yost Sandman: (to everyone else present) And just so you know, Peter Parker's not Spider Man! The Webhead's right next to him!

Maria: (telepathically) Until the big day, Spiderman being in the same place as the one in this world should throw everyone off.

Nico nodded.

Me: So please Harry don't stay mad at Peter forever. You need him as much as he needs you.

Eli: Yeah Harry.

Nico: Was that last part necessary?

Yost Sandman: Hey, sometimes, you gotta be cruel to be kind.

Me: Well maybe not that way.

Yost Rhino: (Spiderman throws rings at his horn) Seriously, Web Head?

Spiderman: Oh, c'mon! You'd make a good ring toss game!

Yost Rhino: Very funny.

Yost Sandman: By the way we heard that Kasady is dead. Is that true?

Me: It sure is.

Nico: Long and ugly story on that.

Vanitas: If you guys need me, I'll be taking a nap.

Nico: Okay.

Me: Harry I believe you owe some of my friends an apology.

Yost Harry: Oh you're right. Guys I'm sorry about what I said. I didn't mean any of that. I was…

Luna Loud: It's all right bra. You were just upset because of the loss of your father.

Nico: Yeah that is a rough feeling.

We later came back.

Vanitas: Okay NOW I'll be taking a nap.

Nico: Okay.

May: How did it go guys?

Me: Really unusual.

We told everyone everything and it was shocking.

May: Oh man. Poor Harry.

Me: Yeah.

Ned Flanders: That is surprising. He really went through a ding-dong diddily rant there.

Nico: No kidding Ned. I feel bad though.

Me: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed an energy signal, and he saw who the figure was in the vision: it was none other than Red Volcano, another villain of the Justice League and main enemy of Red Tornado, and he's here to destroy Red Tornado again, along with The Justice League. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Red Tornado, you and The Justice League aren't going to like it: the energy signal I sensed belonged to Red Volcano. He's here to destroy Red Tornado, along with the Justice League again.

We gasped in shock.

Red Tornado: Even after all these years, Red Volcano refuses to quit.

Me: I remembered you telling me about him, he's a member of your family, and he was created by T.O. Morrow, and I also remembered that he also created you.

Nico: But, you're on the side of good, while Red Volcano is on the side of evil.

Red Tornado: Yes, that's right. He's tried many times to destroy me and the Justice League.

Zoey Mackenzie: Well, this is the last time he tries to do this to you and to anyone. Lincoln and I are going to destroy him.

Lincoln: That's right.

Red Tornado: Okay, but be careful, Zoey and Lincoln.

Zoe Mackenzie: We will, Red Tornado.

Lincoln: We promise. Now, let's get going and teach those phony group of heroes a lesson, and then, we're going to find Scott, and we're going to pulverize that dirtbag into the ground, and I'm going to give him The Chronos' Vengeance Curse. Pull something like that on us, will he? Let's see how he likes being an old man for eternity.

Nico: Yeah, let's teach that pit-stained, good-for-nothing asshole a lesson! Okay J.D. now I can talk to you in private.

Me: Okay.

Me and Nico went to Nico's room.

---

At Griffin Rock in Maine, We were later fighting a A Darkside Heartless but it was made of pure water!

Ground Man: Guys, I know it's made of water. But don't you think it's odd that none of our attacks are working?

Me: It's made of pure water!

Eli: Yeah!

I fired a blast of ice lightning and froze it and shattered it into a million pieces.

Me: There!

?: HALT EVIL DOER!

We looked up and we saw the wannabe heroes and they were TIM BUKTU from 2016's Ben 10, EVIL SASUKE, EVIL JIMMY NEUTRON, SCOTT, ALBEDO AND OBADIAH STANE A.K.A. IRONMONGER!

Ben: Tim Buktu and Albedo!

Jimmy Neutron: Puking Pluto! Evil me!

Nico: Scott!

Me: Obadiah Stane A.K.A. Ironmonger! And Evil Sasuke!

Evil Sasuke looked at me ferociously!

Evil Sasuke: YOU MOTHERFUCKING CUR!

Me: You just don't know when to shut your fucking shiteating mouth up!

Tara: Oh, so those are the wannabe heroes!

Tim Buktu: No need to worry, good people. Your heroes have arrived!

Jimmy Neutron: You guys just stay back! Let me form a plan and-

Evil Jimmy: (shoves Jimmy aside) Step aside, Neutron!

Scott: Yeah! The REAL heroes are handling things now!

Me: OVER MY FUCKING DEAD BODY YOU ARE!

Evil Sasuke fired a blast of fire at me and I absorbed it.

Me: You will never learn!

The Water Darkside roared as Albedo turned into Negative XLR8.

Negative XLR8: You guys keep it busy. I'll get the civilians to safety!

Nico: THAT'S OUR JOB YOU FRAUDS!

Evil Sasuke just finished off the Water Darkside with a large blast of fire.

Tim Buktu: (bows as people applaud) Thank you! Thank you very much!

Energon Scorponok: Who do you punks think you are showing us up like that?!

Evil Sasuke: (smirks) What's the matter, you motherfucking curs? Can't take a little competition?

Me: Hmm. Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in-

Huxley Prescott: Now, hold on. That's no way to treat our new heroes!

Maria: Excuse me?!

Mayor Luskey: While you all were goofing off in the Ridonculous Race, these 6 fine heroes were keeping us and the whole world safe.

Eddy: Who are you gonna believe? These phonies? Or real heroes like us?

Huxley Prescott: Real heroes don't do what J.D. did in this video.

Huxley then showed a video of me threatening Penelope Lang. I then growled as I approached Team Buktu only to get a rotten tomato thrown at my face.

SPLAT!

Me: HEY! (SPITS)

Griffin Rock Citiizen: Hey, leave our heroes alone!

Me: These "Heroes" Are frauds and villains and Evil Sasuke here will kill every single one of you with every chance he gets! I know what he is capable of because he is pure evil incarnate. And Scott you are a monster!

Iron Man: You can't seriously believe these guys over us!

Obadiah Stane: Let me make it clear to you, Tony. You and your team are old news now. Me and MY team? We're the new news.

Fortress Maximus: If you think we're just gonna let you guys get away with-

Albedo: Team Loud Phoenix Storm, please! All of you have done a good job protecting the Earth. But now, it's time to go back to normal lives. Let us protect Earth from now on!

Something was off about Albedo. It's like he was pleading for us to leave this alone.

Me: (In my head) Weird and that was not like Albedo to say that. Usually he would be obsessed with killing Ben.

Lincoln: (growls) You know what? We know when we're not needed. You guys want to be the heroes. FINE BY US! SEE IF WE CARE!

With that, all of leave in disgust. But not before me, Nico, Lori, Lynn, and Lola cast suspicious and worried looks at Team Buktu, who were signing autographs.

We were off to home and I looked at Evil Sasuke and mouthed at him "Motherfucking Asswipe Shitsucking Fuckweed."

Back at the estate everyone was pissed.

Me and Nico were ready with our plan.

Me: Okay Nico we got to make this convincing. (WINKS)

Nico: Right.

Lincoln: I CAN'T BELIEVE THEY HAD THE NERVE TO CALL US OLD NEWS! WE SAVED THE ENTIRE MULTIVERSE 1713 TIMES AND THEY'RE JUST WILLING TO THROW US OUT LIKE YESTERDAY'S GARBAGE?!

Lisa Loud: Lincoln, I'm not happy about this either! None of us are! But we knew that there would be a possibility of us retiring from being heroes and going back to normal lives!

Lily: Doesn't mean we have to like it.

Android 17 realized that the Trinity of Violence aren't getting pissed off as usual and saw that they had troubled looks.

Android 17: Lola, I expected you, Lori, and Lynn to get pissed off at this like you three always do. Something on your minds.

Lola: Guys, I'm getting a very bad feeling about this. The 6 of them claimed to be heroes, and yet, they were still being insulting to us.

Lynn: And don't you find it weird that we couldn't destroy the Water Darkside but Team Buktu was able to?

Lincoln: Well, that's not our problem anymore. You heard them. We're the Old News. Yesterday's Garbage. Ready for the junkyard. We did all the work and they're probably getting all the medals for it.

Lori: No. I literally refuse to believe this is over!

Nico: It's not over. Not by a long shot. You guys can mope if you want. But me? I'm gonna infiltrate their ranks.

Me: Are you crazy Nico!? You're going to get yourself killed!

Nico: No I know what I'm doing and you want to sit here and mope it's fine! But me I'm going!

Me: FINE BY ME!

Nico: DOUBLE FINE!

Nico left.

Vanitas woke up.

Me: Have a nice nap sleeping beauty?

Vanitas: Yeah I did.

Eli: Yep.

Vanitas: Anything happen while I was asleep?

Maria: Apparently, the public will believe 6 so called heroes over us.

Vanitas: Don't worry. I called Iron Lung, El Diablo, Merman, Tala, Robo Blaze, See More, Madame Masque, U Foes, and Evil Star to help us with this.

Me: Awesome. Thanks Vanitas.

Vanitas: Where's Nico?

Me: It's part of a plan he has. We talked it over in private and our plan is for Nico to infiltrate these so-called hero dickchewers lair and figure out their true motives. We faked having an argument.

Shockwave: Speaking of Nico, which Gene Slammer do you think he'll meet next?

Me: He said that he's hoping to meet one that is for Karu-Sil's kind next.

Shanan: A Graxonite Gene-Slammer next. That will be awesome to see.

Laney: It sure will be awesome.

Girl Jordan: Yeah.

Me: Since we're dealing with a Yellow Lantern member here we'll have either Sinestro or one of the Goth's of Darkness go next.

Eli: Yep.

Lincoln: HMPH! YEAH RIGHT!

BONK!

Eli bonked Lincoln on the head.

Eli: Lincoln calm down.

Me: Okay time to put Operation Fraudulent Hero Exposure in place.

Lincoln: Good name J.D.

Me: First I can come up with.

I turned on the computer and the microphone.

Me: And we are on.

Nico got to the HQ of the so-called Griffon Rock heroes.

Nico: Hey, guys.

Evil Sasuke: You just don't know when you're not needed, do you, you cur?

Nico: Relax. I wanna join you guys. I've had enough of J.D. always holding me back. If he wants to throw a tantrum, then that's fine with me.

Scott: I don't buy it. Why don't you show us the proof that you've left Team Loud Phoenix Storm?

Evil Jimmy: Easy, Scott. If he says he left J.D. and his pals, then that's good enough for me.

At the estate…

Vector: So far, they're buying it.

Ironclad: (sighs in relief) Good thing Evil Jimmy decided that Nico's in.

Vapor: So, what do we do now while waiting?

Lincoln: (sighs) I think it's time we answer some questions about ourselves.

X Ray: Are they multiple choice?

Lincoln: This isn't a joke, X-Ray! We have to figure out what being a hero truly means.

Me: Lincoln now is not the good time to play 20 Questions about ourselves.

Camie: Yeah we got bigger fish to fry now.

Lori: J.D. is right Lincoln.

Nico: So, what was up with that Water Darkside?

Obadiah Stane: That was one of the Darksides that appeared during the Ridonculous Race. There's one Darkside for each element. Water. Fire. Earth. And Air.

Tim Buktu: Most likely, they appeared several months after Xehanort's curtain call.

At the Estate…

Me: So that's it.

Ace: If that was really the case, Eli would've sensed it! (sees Lisa working on something) What are you doing, Lisa?

Lisa: I'm applying for a job as a college professor since apparently, being a hero's out of the question.

Me: Lisa you already are a college professor.

Lori grabbed Lisa.

Lori: You stay with us.

Me: Guys will you shut up and don't let what they said get to you.

Nico: No problem. Which ones are left?

Obadiah Stane: Only the fire one's left.

Nico: Well, that's no problem at all. We just need to beat it and Xehanort's acolytes are done. Let's have some wings in the meantime.

Evil Sasuke: Not a chance, cur. We don't have to time goof off. We train if we're still not getting a reading on those Darksides.

Nico: C'mon! J.D. always finds time to unwind even on the job.

Scott: That might be how your former team does it! But not us! If you have a problem, the door's right there!

Nico: (gets serious) Really now? Well, considering that you pretty much put J.D. and the others out of a job, you guys need me more then ever! (sighs) I'll be on the roof.

Nico phased through the roof.

Evil Jimmy: Could you two be anymore ruder?

Scott: You don't know what he and his pals put me through!

Obadiah Stane: I don't like the idea of J.D.'s best friend hanging around us either. But right now, we can't afford to turn him away.

Tim Buktu: (to Albedo) What do you say we cheer Nico up?

Albedo: I'd like that. (to Evil Sasuke and Scott) Don't make me regret joining this team.

At the Estate…

See More: Are Albedo and Tim trying to to act like they care about

Nico or something?

Me: Hmm. It's possible. But for now lets listen and find out. So far everything is going as planned.

Albedo and Tim Buktu joined Nico.

Nico: What are you two doing here?

Albedo: Scott and Evil Sasuke asked us to come up here and see how you were doing. They just- they felt bad about snapping at ya.

Nico: Really?

Tim Buktu: (laughs) That's right. J.D. always says no one likes sarcasm. Well, sarcasm's acceptable as long as you don't use it so often. So, how are you feeling?

Nico: Well, with you guys protecting the world now, I just feel like it's a chance for me to finally have a normal life. I know that makes me sound like such a jerk. But, I just feel like now, I can finally settle in with May and the girls I've rescued so far. Have families.

Tim Buktu: You're not a jerk for wanting a normal life, kid. It's a hard path. You see things. You do things. You make choices. People look up to you and even if you win a battle, sometimes they die. I like you, Nico.

Albedo: Me too. You're a good kid. There's a part of me that wants me to tell you, JUST TURN AROUND and RUN AWAY FROM ALL THIS. And then there's another part of me that knows what we're about to fight, what's at stake, and I'm glad you're here.

Nico: (surprised at Albedo's words) Thanks, Albedo.

At the Estate…

Jungle Fury Camille: I think Tim might be fooling Nico while genuinely caring for him. But Albedo definitely is starting to care about him more.

Me: Yeah I agree. But that is really wise for both of them on their parts.

Eli: It sure is.

Obadiah Stane: We spotted the Fire Darkside. It's at Morocco's old hideout.

Evil Sasuke: Try to keep up, cur.

Nico: Is that seriously all you can say?

Everyone but Albedo and Scott left. As Scott was about to follow them, Albedo grabbed his arm.

Albedo: If Nico gets hurt-

Scott: You'll what? If you bring me down, I'll find a way to make sure you go down with me.

At the Estate…

El Diablo: If it weren't for our plan, I'd go out there and teach that thing a lesson.

Maria: We have to wait until we know more about their plan!

Me: She's right Chato. Right now we wait. As much as I want to go through with that we have to wait and figure out what they are up to.

Eli: I agree.

Iron Monger: Ok! So far, we've got this thing on the ropes!

Nico: Thanks, guys. Now, let me do the honors!

Nico used Hakai on the Fire Darkside, seemingly sending it to the Warp. Unknown to the rest of my "teammates", the Darkside's arm landed on the Estate's backyard.

Leslie Gesneria: What was that?

Lana and Lola saw the Fire Darkside's arm and they brought it in.

Me: WHOA! That is amazing.

Eli: Wow! That is amazing that it landed in the backyard.

Laney: Yeah.

Tim Buktu: Nice job today, Nico.

Scott: I could've done better.

Evil Sasuke: I reserve judgement.

Albedo: If you want to stick around…

Nico: I'll think about it. But right now, I have to check up on my harem and my kids. They must be worried sick.

Albedo: Okay. But we'll keep in touch.

Nico nodded while planting something under one of the tables.

Nico: (Nico goes outside) The device is planted.

Evil Star: Good. Let's hear what they have to say.

Me: Here we go.

I tuned it in.

Lisa Loud: This Fire Heartless arm is a machine.

Laney: Whoa it's a robot.

Eli: It's a total fake.

Tim Buktu: That wasn't so hard, now was it?

All of Team Buktu started laughing.

Team Buktu: Toast! Toast!

Tim Buktu: Alright, settle down. This is a big win, but we still got a lot of work to do.

Team Buktu: Toast! Toast! Toast! [Tim steps on the counter]

The Crew: Yeah!

Tim Buktu: Okay, toast! To the person who got us to come together! To J.D. Knudson! (Team Buktu boos) The so called hero who's not leader anymore. Because he's only losing his shit! Several weeks ago, he an the rest of Team Loud Phoenix Storm left the universe at the mercy of villains. Because they wanted to have fun on the Ridonculous Race. But because of that, we all came together. (to Scott) To Scott! You managed to email every women Johnny Bravo's hit on and get them to form an angry mob! It was genius.

Scott: Of course it is!

Tim Buktu: To Obadiah! The integration of my tech with your weaponized drones was brilliant. Real damage, worked like a charm.

Obadiah Stane: Damn straight!

Tim Buktu: To Albedo! The story you created with your brain of left over Heartless from Xehanort is totally ridiculous and apparently the kind of thing people will believe right now. I mean, everybody bought it!

Albedo: (laughs uneasily) Of course it was.

Tim Buktu: To Evil Jimmy! Staging electromagnetic pulses at each attack site so Fury's own satellites would confirm our lies? Inspired idea.

Evil Jimmy: Thank you!

Tim Buktu: To Evil Sasuke! That jutsu you placed on those drones to make everyone see Darksides. Brilliant!

Evil Sasuke: Thank you!

Tim Buktu: To all of you in general, the age of J.D. Knudson has passed. There is a window of opportunity, and someone will step up. But these days, you can be the smartest guy in the room, the most qualified, and no one cares. Unless you're flying around with awesome powers. Well, I've got laser guns and you guys. Now, those qualify. With your help, Team Buktu will be the greatest heroes on Earth! Then everyone will listen! Not to a so called hero with anger problems! (everyone boos) Not to a monkey with confidence issues! (everyone boos) To us. Team Buktu!

Team Buktu: To Team Buktu!

Tim Buktu: To Nico Chan!

Team Buktu: To Nico Chan!

Tim Buktu: (shakes his head) Poor kid! Alright, let's get to work!

At the Estate…

Itachi Uchiha: Guys, please don't listen to their words! Especially the evil clone of my brother! Think calm thoughts!

Me: I'm not intimidated. But now we know what each of them were doing.

Eli: Yeah!

Tala: Wait. Another conversation is happening.

Tim Buktu: Now, we need another attack. Obadiah, make sure every drone is weapons-hot. We need maximum damage.

Albedo: Wait. That is gonna cause a lot of casualties.

Tim Buktu: Oh, yeah. More casualties, more coverage. I gotta cut through the static. Griffin Rock and it will suffer, but they can rebuild. I mean, if I'm gonna be the next J.D. Knudson, I need to save the world from a Xehanort-level threat. But when its new savior descends, all those casualties will be forgotten.

Evil Jimmy: Nice! Despite that there's one drone missing.

Tim Buktu: Wait. What?

Evil Jimmy: One of the drones that came back was missing a projector. It's fine.

Tim Buktu: Wait, and you're… You're telling me this now?

Obadiah Stane: It's- it's one drone. The image will be perfect, I promise.

Tim Buktu: That projector is evidence. It's going to tell people what we're doing and how we're doing it. I am trying to fool 7 billion people here, including Eli, who happens to be an expert lie detector thanks to the Force. If he catches on before I've killed him, he will send me into oblivion. And nobody wants to be sent to oblivion, right? Right?!

The drones then aimed at the rest of Team Buktu.

Albedo: Can I go out for a walk?

Tim Buktu: (sighs) Fine. But make it quick.

Albedo went outside.

Albedo: (ashamed) What have I done?

Back at the estate we now knew what they were doing!

Me: So that's it!

RD Luna: Dudes, did you notice something off about Albedo?

Me: Yeah like he regrets everything that's going to happen and more.

Eli: Yeah no kidding.

Laney: Those fiends!

Me: If our code didn't allow it we would kill Scott right there and now. But we can't. It's Evil Sasuke we have to kill only and the rest will be sent to prison.

Lincoln: Why the Hell should we save everyone anymore? They were willing to dump us for those frauds! I say let them get what they deserve!

Laney bonked Lincoln on the head for saying that!

Laney: Laney don't you dare say that!

Merman: Guys, all of you are a great team! Despite what Skeletor paid me to say when I first met you guys.

Me: Yeah Lincoln after everything we went through how can you be so gullible in believing all that bullshit they were spouting on!?

Lori: They are right Lincoln. It's all lies they were saying. Besides it's one town. Griffin Rock is not nearly as big as Gotham Royal York.

Negative Ghostfreak phased into the room.

Me: Albedo!? What are you doing here!? Also its been a long time since we last fought when we were in Australia.

Negative Ghostfreak: It has been a while. That was 4 years ago. You guys have every right to be pissed at me. But right now, I need your help.

Luna: (Negative Ghostfreak turned back into Albedo) Why, dude? We're just the old news.

Luan: Your team is the new news these days. Why don't you ask them?

Albedo: My teammates ARE the problem.

Barbossa: Tell us more, lad.

Me: Luan, Luna please. Tell us what has been happening.

Albedo: Okay.

He told us everything and what they are planning and more.

Me: I knew it!

Eli: Whoa man!

Iron Lung: Why the change of heart?

Albedo: (sighs): I didn't want any of this. When Azmuth didn't want to give me an Omnitrix of my own, all I wanted was appreciation. But I genuinely loved being a hero because I got more than appreciation. I was loved. And right now, what my team plans to do puts everyone who loved me as a hero at risk. (to me) It's fine if you've had enough of me to last an eternity. When this is over, you can use the Black Gates on me. But right now, what I'm saying is true. Just ask Eli.

Me: Okay I got to stop using that line.

Eli: He's telling the truth guys. And the team is right I am like a lie detector.

Me: That's true. But Albedo no we are not going to use the Black Gates on you. You telling us all this confirms our suspicions. Team Buktu is playing all of Griffin Rock and all of us for a bunch of fools. And right now we have to stop them. But when we face them we have to get a broadcasted confession.

Luan: Leave that to me.

Me: Great. And Albedo how would you like to instead join our frenemies in the Masters of Evil?

Rika Noralenshikov: (Russian Accent) You can be my archenemy. My name is Rika Noralenshikov. I'm from Russia and I am the gene-slammer for Mavelus.

Albedo: Awesome to meet you. When this is done I could use some chili fries.

Me: You can have as much as you want. Also the red clothes, red eyes and white hair on you makes you look like a true twin for Ben.

Ben Tennyson: That is right.

Riley: I think it's awesome.

Albedo: Thanks. J.D. I'm sorry I attacked you guys all those years ago.

Me: Apology accepted.

Chaor: Just keep pretending to be on their side until the usual battles. Go back to them. We'll be on our way.

Albedo: Thank you.

Me: Just don't let them know we're onto them.

Albedo agreed.

Albedo then turned into Negative Fasttrack.

Negative Fasttrack: Just so you know, you guys are the best team of heroes the Multiverse has ever had.

Me: Coming from you that means a lot and we greatly appreciate it.

He nodded.

ZOOM!

He went back to the team.

Scott: Glad you're back. Because we've got a problem!

Tim Buktu: (sees on the monitors that we found about the drone arm) You know, Evil Jimmy, one day, after we've had to kill Nico Chan because of this, I just want to know that HIS BLOOD IS ON YOUR HANDS!

With us…

Madame Masque: I guess Tim caring about Nico isn't enough for him to stop his plans.

Me: Looks like he caught on to us. I think it's time we sprang into action.

We were off.

Skarr: Time for our entrance.

Me: Lets do it.

We flew at Griffin Rock.

We were flying fast and the Team Buktu was facing an Earth Darkside. But then suddenly the spirits of the Machines of the Elements of Video Games appeared and then swirled around them and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and a blast of fire destroyed the Earth Darkside and a phoenix cry was heard. We came out.

Me: It's over Team Buktu! You will not spread anymore lies!

Tim Buktu: For what it's worth, Nico, I really am sorry.

Nico: You're not sorry. Only that you were caught.

Tim Buktu: Nico, I've been like a father to you during the time we worked together. Be a son to me now.

Nico: I already have a father. His name's Leandro Chan.

Nico came back to us.

Robo Blaze: (telepathically) Albedo, confess after the usual battles. Wait for my signal.

Albedo: Right.

Robo Blaze: Tronics, keep them busy.

He summoned an army of Tronics and they held Team Buktu off.

Nico: That was great!

Me: Well done Nico! Our plan worked perfectly!

Nico: It sure did. One last thing for the icing on the cake after the usual battles.

Then Count Nocturne, Zs'Skayr, Drakkon, Xaldin, Vulture, Brass Knuckles, New Wave, Private HIVE, Fireor, and Dumbbelltron appeared.

Nico: Count Nocturne, Zs'Skayr, Drakkon, Xaldin, Vulture, Brass Knuckles, New Wave, Private HIVE, Fireor, and Dumbbelltron.

Lord Drakkon: Crazy day huh?

Me: You don't know the half of it.

Count Nocturne: Weren't all the drones supposed to be sent to the Warp?

Nico: I guess Hakai techniques only entirely affects living creatures.

Zs'Skayr: So, not drones.

Drakkon: That makes sense.

Xaldin: (to Nico) We heard you faced one of Samus' enemies.

Nico: I sure did.

Vulture: Who was it?

Nico: Rundas when he was under the control of Dark Samus.

Vulture: Awesome!

?: I'll say.

A figure came out and it was SHAIDOS from episode 17 of Kyurangers!

---

Shaidos made his first appearance on Planet Earth when he attacks Lucky while being invisible. He told the team that he's the Daikaan of this sector and after that he'd attack the team while being invisible then once their tired enough he sends Lucky, Raptor283 and

Hammie towards a clothes line and both Balance and Garu towards the dump.

And thanks to Balance hacking the surveillance of this dome it revealed that Shaidos can sneak attack the team from within their own shadows. So with that the team transformed and started making fun of Shaidos. As this goes on Balance realized that the artificial sun is what keeping Shaidos in the shadows for him to attack. So the team kept Shaidos busy while Lucky hurries and retrieve the Shining Kyutama.

Once Lucky got the Kyutama from the stuck commander he used the sunny side prompting Shaidos to reveal himself since the shadow that he was in is gone and not mention it also powered Balance up as Shaidos received a full dose of punches. Once Lucky destroyed the Moraimars the dome that it projected the daytime is destroyed as its now time. After that Lucky used moonlight side as it powered Garu up as Shaidos gets another pounding from Garu's fighting style and then Shaidos was then defeated by an Eclipse like blast.

However thanks to his Inrō (that managed to survive its destruction) he is then enlarged as he battles the freed Ryutei-Oh, after that he was then destroyed by this finisher called Ryutei-Oh Meteor Break.

---

Lucky: Shaidos!

Shaidos: Been a while rangers.

Me: I remember you! You went to Earth and you attacked Lucky while you were invisible and the team made fun of you. Also you made an artificial sun that kept you in the shadows. That was awesome!

Shaidos: It sure was. Thanks.

Me: You're welcome.

Shaidos: I never believed Team Buktu's words for a second.

Stinger: Really?

Shaidos: Why would I believe the words of a group of con artists after everything you guys have done even before joining Team Loud Phoenix Storm?

Me: That's a good call on that one.

Lynn: Me, Lori, Lola, Nico and J.D. didn't buy it one bit either.

Eli: Neither did I.

Me: After this I got the rest of a battle with Evil Sasuke to finish up because my rant with him was rudely interrupted.

Varie: I'll find that guy and have the 3 Stooges slapstick him back to the Great Depression.

Camie: Yeah that rant was cool!

Me: Yeah!

We got the usual battles underway.

---

Marceline, Princess Luna, Moondust, Snowdrop, Children of The Night, Dark Skylanders, Jaden, Alexis, Syrus, Bastion, Chumley, Chazz, Blair, Adrien, Axel, Jim, Jesse, Tyranno, Atticus, Alucard (HELLSING) and Android 17 VS Count Nocturn - Nico's rescue on Bryyo

---

Count Nocturne was first.

Count Nocturne: (to Marceline) How was Nico's rescue on Bryyo? Did he really fight one of Samus' enemies there?

Marceline: He sure did and it was really awesome. It was Rundas that was under the control of Dark Samus.

Princess Luna: That was crazy.

Moondust: Yeah that was nuts!

Snowdrop: The Phazon Crisis really destroyed numerous lives.

Gari: Yeah it sure did. That was awful.

Blackout: Yeah no kidding. That was terrible.

Jaden: It sure was. It was awful that the planet Phaaze was going to spread corruption to all the planets all over the galaxy.

Alexis: That was awful! And it affected so many planets.

Syrus: The planets Bryyo, Elysia, the Pirate Homeworld, Tallon IV and Aether were affected the most.

Bastion: Yeah that was awful.

Chumley: What Dark Samus did at that time was beyond pure evil.

Count Nocturne: Boy no kidding. That was horrible. Lets do it!

They fired waves of darkness and elements and smashed him down.

Marceline: ROCK ON!

Princess Luna: A true victory of the night!

---

---

Zs'Skayr was next.

Zs'Skayr: (to Iron Boy) I heard Lincoln's group involved Godzilla again. How was it?

Edd: It was really interesting.

Twilight Sparkle: It was back when Godzilla appeared for the first time in 1954. You should have seen what happened in that one.

Starshine Sparkle: All of Tokyo was completely destroyed! It was horrible!

Sunny Starscout: In a matter of minutes, Godzilla reduced a city that had 6 million people back then into a graveyard!

Spyro: Yeah thousands of people died, billions of dollars in damages and many people injured.

Huey: It was terrible!

Dewey: It sure was awful.

Louie: Yeah no kidding!

Donald Duck: Yeah!

Scrooge McDuck: (Scottish Accent) Aye lads it was terrible!

Zs'Skayr: Wow that was awful. Lets do it!

They fired waves of magic and energy and smashed him down.

Edd: That was great!

Twilight Sparkle: That was amazing!

---

## J.D. Knudson, Princess Celestia, Amber Morning, Light Skylanders, Red Soldier, Ace and Breach VS Lord Drakkon - Meeting a Goldd, Wu-Lord of Dark World Gene-Slammer

---

Lord Drakkon was next.

Lord Drakkon: (to me) I heard you guys met a Goldd, Wu-Lord of Dark World Gene-Slammer. What's her name?

Me: Her name is Elizabeth Gryffindor and she is the direct descendant of Godric Gryffindor, one of the 4 founders of Hogwarts. She's number 3 of the 4 descendants of the founders.

Lord Drakkon: Wow! That leaves the one that's descended from Salazar Slytherin.

Me: That's what had me worried at first but thankfully we found out from Elizabeth that the descendant of Salazar Slytherin actually hates her ancestor and that she's nothing like Voldemort or Salazar Slytherin, in fact, she's hated them both since the day she was born, and she also hates The Death Eaters, along with their followers, and it also includes that loathsome little cockroach, Draco Malfoy, along with his friends, Vincent Crabbe and Gregory Goyle

Lord Drakkon: WHOA! That is good! The last thing we want is for another Voldemort to happen.

Princess Celestia: That is the last thing we want.

Me: Yeah that is the last thing we want for the entire world.

Amber Morning: Yeah I read the Harry Potter Books and watched the movies and they were awesome but Voldemort was pure evil times 1,000.

Spotlight: Yes he was.

Red Soldier: What they have done was horrible.

Lord Drakkon: That is true. Voldemort was beyond pure evil. I'm glad he got the Black Gates.

Me: So is everyone in the world.

Lord Drakkon: Yeah. Lets do it!

We fired waves of energy and light and smashed him down.

Me: That was a Fiery Victory!

Princess Celestia: That was so awesome!

## Beast Boy, Fluttershy, Tornado Bolt, Life Skylanders, RID Optimus Prime, Jarrod and Camille VS Xaldin - Now we found Scott and it looks ike it's gonna be fun to kick his ugly face

Xaldin was next.

Xaldin: (to Beast Boy) You guys finally found Scott after all this time. It looks like you guys are gonna have fun kicking his ugly face.

Beast Boy: Oh you can count on that. What he had done is asking for a buttkicking!

Fluttershy: I agree. He is a monster that deserves to be destroyed.

Tornado Bolt: I wish our code would allow it but we should kill him! He is pure evil!

Stealth Elf: Yeah he will stop at nothing to win.

RID Optimus Prime: Yes like the devil himself he will do anything to win.

Fluttershy: Yes. Um Xaldin can I borrow one of your spears to slash Scott all over.

Xaldin: Sure Fluttershy.

He gave her one of his spears.

Xaldin: Lets do it!

They fired waves of energy, leaves, flowers and grass and smashed him down.

Beast Boy: OH YEAH!

Fluttershy: That was fun.

# Hay Lin, Rainbow Dash, Scootaloo, Air Skylanders, Nanami Simpson, Agony and Calypso VS Vulture - Harry Osborn yell like Ned Flanders

---

Vulture was next.

Vulture: (to Hay Lin) Did Yost Harry Osborn really yell like Ned Flanders? If so, I'm sorry you had to hear that.

Hay Lin: No we're pretty much used to it by now. But yeah he sure did. And Ned Flanders yelled like that because his home was destroyed in a hurricane and he lost his faith in God and his friends. Poor guy.

Rainbow Dash: Yeah that was awful that happened to him. He lashed out at everyone in Springfield and ended up committing himself to a nuthouse.

Vulture: I remember watching that! I am a huge fan of the Simpsons and that was a crazy episode. Poor Ned.

Scootaloo: Yeah that was crazy. Also is it possible for a hurricane to form that far up north in Oregon?

Rainbow Dash: No it isn't usually.

Whirlwind: Yeah that was awful though.

Nanami Simpson: Yeah it sure is awful though.

Vulture: No kidding. You guys didn't have him committed did you?

Hay Lin: No way! You would have to be one dingbat crazy S.O.B. for that to happen! Harry was just going through some hard pain like how J.D. went through with the pain of losing Ra's Al Ghul and Bowser as well as Sensei Splinter.

Vulture: That's a relief. Lets do it!

They fired waves of wind, rainbows, lightning and energy and

smashed him down.

Hay Lin: YEAH!

Rainbow Dash: That was AWESOME!

---

Jack Atlas, Carly Atlas, Starlight Glimmer, Cozy Glow, Undead Skylanders, Homer, Bart, Lisa, Marge, Maggie, Tempest Shadow and Itachi Uchiha VS Brass Knuckles - Hope Team Buktu likes prison.

---

Brass Knuckles was next.

Brass Knuckles: (to Jack) I hope Team Buktu likes prison. (looks concerned at Albedo) Well, almost all of them.

Jack Atlas: He has been a really big help to all of us. And Rika Noralenshikov agreed to be his archenemy.

Carly Atlas: Yeah Rika Noralenshikov was long overdue to get an archenemy.

Starlight Glimmer: Mavelus VS Rogue Galvin. Has a nice ring to it.

Cozy Glow: I agree there. But that is amazing that Albedo faced everyone in Australia before.

Brass Knuckles: Really? When was this?

Hex: It was during our Worldwide Adventure when we were in Australia. We fought Albedo there.

Homer: That is really amazing.

Bart Simpson: It was awesome from what we heard.

Lisa Simpson: Yeah no kidding.

Marge: I thought it was amazing.

Maggie: Me too mom.

Tempest Shadow: That was a really awesome trip from what I saw in photos.

Brass Knuckles: Wow we'll have to check it out later. Lets do it!

They fired waves of fire, magic, stars, lightning and bones and smashed him down.

Jack Atlas: ALL RIGHT!

Starlight Glimmer: That was amazing!

---

Maria, Rarity, Sweetie Belle, Water Skylanders, Miko, RD Luna, and Catzi VS New Wave - No one makes a cheap knockoff team of Team Loud Phoenix Storm

---

New Wave was next.

New Wave: (to Maria) No one makes a cheap knockoff team of Team Loud Phoenix Storm. Especially after what happened with Mr. Mind's gang.

Maria: THAT'S RIGHT! There can only be ONE Team Loud Phoenix Storm and that is us.

Rarity: You got that right darlings. There is only one Team Loud Phoenix Storm.

Sweetie Belle: That's right. That is a fact!

Gill Grunt: You said it there!

Miko: Yeah no kidding!

New Wave: No one impersonates Team Loud Phoenix Storm! Lets do it!

They fired waves of water, jewels, ice and energy and smashed her down.

Maria: RIGHT ON!

Rarity: Rapture darling that was grand!

---

## Emerald Sustrai, Sunset Shimmer, Pipsqueak, Fire Skylanders, Laurie Strode, Barbossa and Long John Silver (Treasure Planet) VS Private H.I.V.E. - Scott will be cursed after this

---

Private H.I.V.E. was next.

Private H.I.V.E.: (To Emerald) Scott deserves more than a court martial. Scott deserves to be cursed after this!

Emerald Sustrai: You can be sure of that! Lincoln is gonna use the Chronos' Vengeance Curse on Scott.

Sunset Shimmer: Yeah he deserves to be cursed for everything he did.

Pipsqueak: (British Accent) Yeah no kidding.

Sunburn: Scott and Team Buktu deserve this.

Laurie Strode: I agree too.

Private H.I.V.E.: Same here. Permission to start the battle!

Emerald Sustrai: Granted soldier!

They fired waves of fire and energy and smashed him down.

Emerald Sustrai: RIGHT ON!

Sunset Shimmer: That was great!

---

## Wheeler, Pinkie Pie, Featherweight, Tech Skylanders, Captain Underpants, George Beard, Harold Hutchins, Chaor and Takinom VS Fireor - Hope Scott likes getting his butt kicked not just by Fang but by the Street Sharks too

---

Fireor was next.

Fireor: (to Wheeler) I hope Scott likes getting his butt kicked not just by Fang. But by the Street Sharks too!

Wheeler: He does have an incredible phobia of sharks now.

Pinkie Pie: He deserves to be mauled by sharks!

Featherweight: Yeah he sure does.

Sprocket: Yeah what a monster.

Captain Underpants: And we'll fart in his face at point blank range.

George Beard: Yeah we sure will!

Harold Hutchins: Yeah! And I have a secret weapon in store for him.

Fireor: What is it?

He pulled out a box.

Fireor: What's in the box?

Harold Hutchins: You'll see.

Fireor: Ooh this will be good. Lets do it!

They fired waves of metal, energy, lightning and fire and smashed him down.

Wheeler: YEAH BABY!

Pinkie Pie: BEST USUAL BATTLE EVER!

---

Ben 10,000, Applejack, Apple Bloom, Earth Skylanders, Vert Wheeler, Major Dr. Ghastly, and Skarr vs Dumbbeltron - Stane has a lot of nerve returning especially after how he poisoned Tony

---

Dumbbelltron was next.

Dumbbelltron: (to Ben 10,000) Stane has a lot of nerve returning. Especially after how he poisoned Tony.

Ben 10,000: Yeah he poisoned Tony and because of that he had to use that Arc Reactor in his chest.

Applejack: What a monster!

Apple Bloom: Yeah we should kill him too!

Flashwing: We put him in prison ages ago.

Vert Wheeler: Yeah no kidding. I wasn't there when it happened but it was awful.

Dumbbelltron: Wow. Lets do it!

They fired waves of energy, earth, rock, apples, crystal and energy and smashed him down.

Ben 10,000: Just like clockwork!

Applejack: YEEHAW! That was great!

---

Kyurangers, Megaforce Rangers, Nico, Eli, Nunnally, Laney, Lana, Lola, Lily and Lisa VS Shaidos

---

Shaidos was next.

Nico: This will be awesome.

Nico teleported and he opened Shaidos safe and in it was a bunch of books. They were called The Tomes of Eternal Nightmares, they're a massive collection of large black leather-bound spellbooks with a demonic-looking skull on the cover and right on its cranium is the symbol of The Goths of Darkness, and in its pages are the darkest black magic spells so powerful that any villain who gets hit with any of them will be damned forever by the demons of The Netherworld. Once in hand, they'll get a massive power and energy increase.

Nico teleported back with them.

SEIZA CHANGE!

Kyurangers: STAR CHANGE!

They transformed!

Lucky: Super Star! Shishi Red!

Stinger: Poison Star! Sasori Orange!

Garo: Beast Star! Ookami Blue!

Balance: Trick Star! Tenbin Gold!

Champ: Ring Star! Oushi Black!

Naga: Silent Star! Hebitsukai Silver!

Hammie: Shinobi Star! Chameleon Green!

Raptor 283: Speed Star! Washi Pink!

Spada: Food Mei-Star! Kajiki Yellow!

Shou Ronpo: Dragon Ma-Star! Ryu Commander!

Kotara: Big Star! Koguma Skyblue!

Tsurugi: Space Bu-Star! Houou Soldier!

All: THE ULTIMATE SAVIORS! UCHU SENTAI KYURANGERS!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Megaforce Rangers: LEGENDARY RANGER MODE! SPACE FORCE NINE!

The Megaforce Rangers turned into the Kyurangers too!

Lucky: TIME TO TEST YOUR LUCK!

Nico: Lets get him!

GALAXY!

Kyurangers: FINAL BUSTER!

They fired waves of energy and elements and the blasts all hit Shaidos and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Nico: Shaidos you have failed this city!

Lucky: We will reclaim the galaxy!

Troy Burrows: Rangers that's a Super Mega Win.

---

We regrouped and we were facing Team Buktu!

Me: You guys are no heroes!

Maria dodged a blast of fire from Evil Sasuke as it hit Scott instead. She then dodged a bomb from Scott as it exploded in Evil Sasuke's face.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!

Evil Sasuke: Watch it, you cur!

Scott: You watch it! You nearly fried me with that blast!

Maria: (Telepathically) Guys, do what I did just now. Trust me.

We nodded.

Evil Jimmy fired a laser blast at William while Iron Monger fired a missile. William ducked and the attacks hit the other.

Evil Jimmy: Watch it, genius!

Iron Monger: Me?! You watch where you're shooting!

Tim Buktu tried firing a laser gun while Negative Diamondhead fired diamonds at May. She ducked and the two barely avoided the attacks.

Tim Buktu: Albedo, can you please watch where you're aiming?!

Negative Diamondhead: Only if YOU watch where you're shooting!

May regrouped with the rest of us.

Nico: Guys, look. Albedo might be doing his part. But the rest of them aren't a true team.

Lincoln: But we are.

Me: That's for sure.

Lori: That's right, Lincoln. WE are! No matter our differences, we'll always be a better team than Team Buktu!

Maria: Albedo, I think it's time you dropped the act.

Albedo nodded, turned into Negative Jetray, fired a Neuroshock blast at Iron Monger, knocked him to the ground.

Iron Monger: What the Hell?! I thought you were on our side!

Negative Jetray: Not anymore!

Evil Sasuke: YOU MOTHERFUCKING CUR! YOU'LL PAY FOR THIS!

Me: Yes and a "Motherfucking Cur" was-

Negative Jetray: No, J.D. I will do the rant!

Nico: Okay, dude. Go for it.

Negative Jetray: (to his former teammates) You're right. I am a motherfucking cur. I'm a motherfucking cur for ever going along with this in the first place!

Tim Buktu: All we were doing was being the heroes everyone needed while Team Loud Phoenix Storm thought it was ok to ditch everyone.

Negative Jetray: Are we heroes? Really?! Do heroes make robots to attack people only to defeat them?! Do heroes endanger innocent civilians?! Do heroes threaten each other over a small mistake?! No! All we were really doing was feeding our own egos! No! Fucking! More!

Luan: That's another line we're not using now.

Evil Jimmy: You idiot. You're gonna be punished with us as well.

Negative Jetray: If that's what it takes to bring you guys down, then I'm fine with it. (to everyone watching) Did you hear that, folks?! There are no Elemental Darksides! Me and my team created robots of them so we could stop them and destroy them to look like heroes! Team Loud Phoenix Storm are the true heroes, not us!

Everyone watching this gasped.

Luan: Bingo.

Luan pulled out a microphone.

Scott: Do you know what you've just done?!

Negative Jetray: The right thing.

Me: And now the truth is out you phonies!

Nico: There's only room on this planet for ONE Team Loud Phoenix Storm and that is us!

Tim Buktu: When I get my hands on you-

Noah: You're not laying a single hand on him!

Nico: You are not welcome here Tim Buktu!

Me, Eli, Nico, Jared and Zarya pulled out our Zenkai Cannons.

Me: (Turns Dial) EXTREME FIGHTING POWER!

I summoned Battle France of Battle Fever J, The Blue Maskman, Green Dairanger, and Purple Gekiranger!

Eli: (Turns Dial) EXPLODING SCIENCE POWER!

Eli summoned the Blue Denziman, Pink Dynaman, Green Bioman, and Yellow Timeranger!

Megaforce Rangers: LEGENDARY RANGER MODE! SPD!

The Megaforce Rangers turned into the SPD Rangers!

Me: Come on guys!

Nico: IT'S BUTTKICKING TIME!

Maxxor: By the authority of the Tribal Alliance, we're taking you down by force!

Tim Buktu: Wow, Nico, wow. I thought we were close. J.D. always was supposed to to die, but not you.

Evil Star: How could you do this?! Nico trusted you!

Tim Buktu: That was a weakness that I used to my advantage! (to me) I tried to help you walk away. Now you're making me do this. (fires laser blast but I avoid it) You told me, you were just a kid. You told me, you wanted to start families with your harem!

The Air Darkside then appeared.

Nico: I know this isn't real!

Tim Buktu: Do you, though? I don't think you know what's real, Nico. You need to WAKE UP! (the Air Darkside tries to punch me but I avoid it) I mean, look at yourself. You're just a scared little monkey with confidence issues. (the Air Darkside tries to punch me again but I avoid it) I created Team Buktu to give the world someone to believe in. I control the truth. Team Buktu is THE TRUTH! If you were good enough, maybe you wouldn't have been stupid to leave everyone defenseless. (the Air Darkside tries to punch me but I avoid it) Deep down, you know I'm right. (the Air Darkside tries to punch me but I avoid it) You made your choice. And all you had to do was step aside!

He tried to fired another laser blast but Merman grabbed the laser gun.

Merman: (crushes laser gun) By the way, "Team Buktu is the truth"? That doesn't slip off the tongue.

Nico: And another thing…

Nico blasted the Air Darkside and destroyed it.

Nico: Your tricks don't work on me.

Iron Monger: You have to admit those drones were genius!

Iron Lung: They were. I'll give you that. But they can't replicate true elements.

Eli: That's true. But leave the true heartless robots to Mysterio!

El Diablo: You want fire? Here's REAL fire! (shoots fire at Iron Monger)

He melted his Iron Monger suit into nothing and then the group punched and pulverized Stane all over!

Evil Sasuke: You curs think you're better then me?!

Me: Shut your fucking mouth! We've had enough of it to last an eternity!

Vanitas: We're the curs? We're not the ones who endangered innocent people.

Nico: And I call dibs on eating your heart!

Madame Masque: You know J.D. wants to kill him.

Nico: Hey, I'm the one who had to put up with him calling me a cur for hours. I should be the one to wax him!

Me: You can get him Nico.

Nico: Thanks J.D.

Nico then plunged his hand into Evil Sasuke's chest and ripped out his beating heart! Then Nico ate it in front of Evil Sasuke.

His spirit then appeared.

Me: You will never be welcome on this world or the next.

I painted a kanji on him.

Me: UZUMAKI BLACK JUDGEMENT SECRET ART: BLACK GATES!

The spirits of all those he killed appeared and they found him guilty and banished him to oblivion forever.

Johnny Bravo recognized Scott!

Johnny Bravo: You motherfucker! You turned those women against me!

Scott: You did that yourself by flirting with them.

See More: He's right about one thing. You did flirt with them.

Vapor: Give Vapor a kiss. (kisses Scott)

Jaden: Elemental HERO Neos, help her out!

Scott was poisoned!

Johnny Bravo punched and pulverized Scott all over the place!

POW WHAM BIFFWHOMP SMASH KICK BIFF!

CHOMP!

Blitz bit Scott in his butt!

Blitz: (Arnold Schwarzenegger Accent) Somebody get you a better set of underwear.

John Bolton: Lets get him guys!

The Bolton Siblings went Shark and became THE STREET SHARKS!

Ripster: LETS GET HIM!

Me: Hey Scott, say hello to our fishy friends!

Street Sharks: SHARK ATTACK!

The Street Sharks punched and bashed and bit Scott all over the place!

Tala: You dare fool everyone into thinking your team was better then Team Loud Phoenix Storm?!

Evil Jimmy: People need to believe in something. And nowadays, they'll believe anything.

Robo Blaze: You're right on the first part. People do need to believe in something. But that something isn't your team.

Nico: That is true!

Nico grabbed Evil Jimmy and then me and Jimmy put a helmet on his head.

Me: You know what this helmet is?

Jimmy Neutron: It's your downfall.

Jimmy slid a switch on a device to Drool Monkey and the helmet sucked Evil Jimmy's head dry and reduced him to that of a brainless idiot! In other words he now has NO BRAIN!

Evil Jimmy: (Does the Loopy Dance)

Arrthoa, Rothar, Maxxor, and Nom pulverized and blasted and smashed Team Buktu all over.

Ground Man, Energon Scorponok, Tara and Fortress Maximus used the Autobot, Earth and Decepticon Cyber Planet Keys and they enhanced Ground Man and Tara's powers, Energon Sorponok's Stinger and Fortress Maximus's strength and lasers and power 100-fold.

They summoned Elemental HERO Divine Neos to attack Team Buktu! The blasts all hit them and exploded!

(EXTREMELY POWERFUL EXPLOSION!)

They were defeated!

Nico: You wanna know the sad part? I honestly did want to believe you were genuine.

Tim Buktu: (weakly chuckles) I know. That's the most disappointing part. You're a good person, Nico. Such a weakness-

Nico: (tugs on his face) You can't trick me anymore, Tim. And honestly? You never did in the first place.

Me: And now you and your cohorts are all through. Especially you Scott. Also you have a couple of people here that want to say hello.

Scott's mom and dad came and they were not happy with him one bit!

Scott: Mom? Dad?

Scott's Dad: How dare you call us that!? I can't believe you are our son. You have been nothing but an absolute monster and you nothing but a pure evil sociopathic freak. We are disowning you and Team Loud Phoenix Storm is sending you back to prison forever!

Scott: WHAT!? NO! YOU CAN'T DO THIS TO ME!

Scott's Mom: IT'S TOO LATE SCOTT! WE NO LONGER WANT ANYTHING TO DO WITH YOU! WE ARE NOT YOUR PARENTS ANYMORE! GOODBYE FOREVER SCOTT! YOU ARE TEAM LOUD PHOENIX STORM'S PROBLEM NOW YOU ASSWIPE!

They then left and Scott was now the prison systems problem forever.

Scott: YOU WILL PAY FOR THIS!

Lincoln: It's over, Scott, hope you like being an old man for all eternity.

Lincoln transformed into Chrono Lincoln, as the 7'5" tall, handsome, and extremely muscular man's long, white hair that reached the bottom of his neck turned silver except for the rainbow lightning bolts on the bangs, his deep sapphire blue eyes and the rainbow iris of his Third Eye of the Buddha on his forehead turned deep silver, the eight large orange orbs orbiting around his legs turned ocean blue, his large blue pants had turned silver, but the rainbow colored lightning bolts on them remained the same, his massive orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs turned silver, his orange version of He-Man 2002's loincloth and long orange trenchcoat coattails with elemental forces, thunderbirds, buffalo, and angels turned silver, and his massive deep sapphire blue angel wings with stars turned deep silver.

Suddenly, we saw clocks surrounding Lincoln, and then, we heard the sound of a bell tolling in the air, the sound of judgement at hand. Then, we saw Scott getting chained up by silver chains, and he tried to get out, but he can't.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Scott. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song, and we also had further chills going down our spine when we heard the bell tolling in the air.

Then, Lincoln fired powerful blasts of silver energy and time energy from his massive angel wings, and as they hit Scott, the Chronos' Vengeance Curse he created took effect as he was aged rapidly to the point where he looked like a 150 year old man. When he saw what happened, he was horrified.

Scott: (Total Drama) No, what did you do to me?!

Nico: Cursed you.

Lincoln: That was my Chronos' Vengeance Curse, and now that you look like an old man, you can't do anything to us ever again.

Lincoln fired a rainbow energy blast, and it tied Scott up in a rainbow energy straitjacket and rainbow energy chains, so he can't escape, and Lincoln beamed him to The Neptune Prison, where he was put into a separate cell in Solitary Confinement, and was chained to the wall of his cell with Neutronium chains and rainbow energy chains, and with a Curse of Eternal Life Without Eternal Youth on him, he'll never be free ever again to cause havoc and chaos ever.

Lincoln changed back.

Lincoln: That'll teach him.

Nico: What that asshole pulled has proved that there's indeed no forgiving him nor the rest of the Total Drama Sore Losers.

Eli: You got that right.

Lincoln: How dare he try to ruin our reputations, this just proves he doesn't give a damn about anyone but himself.

Lori: That jerk, Alejandro, crossed a big line when he busted the other Total Drama Sore Losers out to get revenge. I'm so glad Lincoln gave him the Marzanna's Ice Heart Vengeance Curse, and he's now frozen for all eternity.

Luna: Yeah, and now, finally, this time, they're nothing but a forgotten memory, dude.

Nico: Except for Max, Luna, we had him put in The Masters of Evil after we stopped him in Jellystone, but with the Hinon's Vengeance Curse on him, if he tries anything, it'll continue to spread until the Thunderbird reaches his heart, and it kills him.

Lincoln: Yep.

Azmuth then appeared.

Azmuth: Looks like you all have had your hands full.

Me: Azmuth good to see you again.

Azmuth: Same to you J.D. Its been a while.

Me: It sure has.

He hopped onto my shoulders.

Albedo: Words can't express how sorry I am about all of this. So, if you want to throw me in jail along with Tim, Stane, Scott, and Evil Jimmy, go ahead. (looks at his Omnitrix disgusted) I don't even deserve this Omnitrix.

Lincoln: No duh!

Luna: (to us) Where's your smiles, dudes? Team Buktu's reputation is down the toilet.

Nico: I'm happy.

Brass Knuckles: Maybe. But are ALL of them truly guilty?

Azmuth: Albedo, from the moment you left Galvan Prime, you've committed many crimes. (smiles) And yet, what you've done today shows that you and Ben Tennyson are truly alike more than you realize.

Albedo: I don't understand.

New Wave: Let me put it simply. What you did today proved that you're truly a hero.

Private HIVE: If it weren't for you, your former teammates never would've been court-martialed.

Albedo: But I still have to be punished.

Fireor: And you will be.

Dumbbelltron: That punishment is you being in the Masters of Evil.

Nico: That is true.

Me: And here.

I pulled out a big bag.

Me: Compliments of Lynn's Table.

In it was a big batch of Chili Fries.

Albedo: Thanks J.D.!

Everyone in Griffin Rock came.

Lincoln: What do you guys want?

Mayor Luskey: (sighs) On behalf of Griffin Rock, we'd like to apologize for believing those lies from that phony group of heroes over all of you.

Me: Are you also sorry for interrupting my rant?

Huxley Prescott: Is that really important right now then our apology?!

Nico: (elbows me)

Me: OOF! Ouch!

Nico: Sorry. No, it isn't!

Lori: Of course we literally forgive all of you. (to us) Right, guys?

Me: We all do. But it was Lori, Lynn, Lola, Nico and me that saw through them.

Nico: Yep.

Lola: It's true.

Lynn: That was some nice acting, Nico.

Nico: (sighs sadly) Not all of it was acting.

Lola: What do you mean?

Nico: I honestly do want to settle in with May and my harem and start families with them.

Lori: Nico, the war between good and evil might literally be eternal. But you can still raise a family. Me and Bobby did. And so did you and May.

Nico: That was only May. I'm talking about the rest of my harem.

Me: (Puts hand on his shoulder) You still have all the time in the world for that Nico. I will live forever myself. But will that stop me from raising an awesome family? No way.

Nico: (Sighs) (Smiles) You're right. Thanks J.D.

Me: Anytime. But our plan worked Nico. It went off without a hitch perfectly.

Nico: It sure did.

?: I will destroy you and The Justice League if it's the last thing I ever do, Red Tornado!

Suddenly, the eight large planets and stars orbing around my legs, the eight large orange orbs orbiting around Lincoln, Linka, TLPS Ms. Tarantula's, and Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the eight large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the eight large crimson red orbs orbiting around Naruto and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lucy, Lars, and Dudley Puppy's legs, the eight large pink orbs orbiting around Lola and Lexx Loud's and Steven Universe's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight emerald green orbs orbiting around Yakko Warner's legs, the eight large sapphire blue orbs orbiting around Wakko Warner's legs, the eight large hot pink orbs orbiting around Dot Warner's legs, the eight large marine blue orbs orbiting around Liam, Lana, and Leif Loud's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr.'s legs, the eight coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the eight large blue orbs orbiting around Lori, TLPS Mr. Shark, Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Leni and Loni Loud's legs, the eight large yellow orbs orbiting around Luan, TLPS Mr. Snake, and Lane Loud's legs, the eight large brown orbs orbiting around Laney and Larry Loud's legs, the eight large light green orbs orbiting around Lisa and Levi Loud's legs, the eight large lavender orbs orbiting around Lily and Leon

Red Tornado: I knew there's no mistaking that voice from anywhere. You can come out now, Red Volcano.

A figure came out, and it's none other than Red Volcano, another villain of the Justice League and main enemy of Red Tornado.

Red Tornado: Red Volcano, I thought I'd never have to deal with you ever again.

Red Volcano: As long as you're still alive, I will never quit until I destroy you and everyone around you!

Zoey Mackenzie fired a powerful blast of orange energy with lava and fire, and it hits Red Volcano, and damaged him, until he repaired the damage.

Zoey Mackenzie: That's it, I've had enough of you to last an eternity.

Suddenly, Zoey Mackenzie's orange eyes turned neon orange, and she was surrounded by a neon orange energy aura with flames, lava, and dragons, and the heat coming off of her was incredibly immense, she unholstered her massive Volcanic Doomfire-themed sword from her back, and as she approached Red Volcano, she left orange energy, flames, lava, and dragons with every step.

Zoey Mackenzie: Red Volcano, the crimes that you've committed in the past, along with your constant attacks against Red Tornado and the Justice League can never be forgiven. I will see to it that you pay the ultimate price for all of your crimes.

Suddenly, Zoey Mackenzie was surrounded by a massive vortex of orange energy with flames and lava surrounding the vortex, there's the Volcanic Doomfire flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Zoey Mackenzie emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Zoey Mackenzie grew to 6'5" in height, she had the body of a goddess, she has black highlights in the bangs of her long flowing orange hair, she has neon orange eyes and an orange and black energy aura with flames, lava, and dragons surrounding her, she has the Volcanic Doomfire holding the Fire and Lava Kanjis in its hands emblazoned on her forehead, she has on dragon earrings with orange gems for eyes and the Fire and Lava Kanjis in its claws and her merged Thunderbird Necklace of Eternal Love with orange crystal links from her merged Crystal Necklace of The Buddha and orange gems on the gold thunderbolt chain links and a Thunderbird and a dragon with orange gems for eyes and the Fire and Lava Kanjis in their claws for the pendant, she has on an orange open blouse with lava on it, a black midriff top with orange phoenix on it, orange skirt with lava and fire on it, black pants, orange leg warmers, black high-heeled sneakers, and a long black sleeveless trenchcoat with fire and lava on the coattails and on the back is the Volcanic Doomfire and it's surrounded by fire and lava, and Zoey Mackenzie has on her Ring of The Phoenix on her left ring finger and Red Lantern Ring on her right ring finger. Suddenly, Zoey Mackenzie felt a sharp pain on her back, and then, massive black angel wings with orange tips on the large black feathers with lava dripping from the tips, sprout out from her back.

Zoey Mackenzie's massive Volcanic Doomfire-themed sword changed in a kaleidoscope of orange energy, fire, and lava, and when it emerged, it was transformed into Volcanic Doomfire's Volcano Sword of Fiery Justice, it's a new large sword with the Volcanic Doomfire etched on the 6'10" massive, wide, double-edged orange blade with hardened lava on it, large dragon heads with orange gems for eyes for the crossguard, large orange gem embedded in the rainguard, longer black handle, and four large black dragon heads with orange gems for eyes and in their open mouths and an orange gem on the bottom of the black dragon heads for the pommel, Zoey Mackenzie has on her new gold Bracelets of The Champions of The Universe with orange gems on her wrists and her new Belt of Elemental Bravery with a gold dragon head with orange gems for eyes and a large orange gem in its mouth for the belt buckle, large orange Spellbook of The Gods and The Universe and large orange Spellbook of the Elemental Gods on her left hip on her waist and Eater of Sins revolver holstered on her right hip. There's an orange kanji below the Volcanic Doomfire that said, "Zoey Mackenzie, Gene-Slammer and Ambassador of The Volcanic Doomfire and Guardian Angel and Loving Future Wife of Lincoln Loud, Thrasher of Bullies and Lynn Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lava, Flames, and Dragons"

ゾーイマッケンジー ジーン・スラマーと火山の終焉の大使と守護天使とリンカーン・ラウドの愛する未来の妻、いじめっ子とリン・ラウドのスラッシャー、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして溶岩、炎、そしてドラゴンのマスター

Zoey Mackenzie has transformed into SUPER ANGEL INFINITY VOLCANIC DOOMFIRE DRAGON ANGEL OF VOLCANIC JUSTICE AND FIERY LOVE!

We were amazed by Zoey Mackenzie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Red Volcano saw it, he fell into an even more fiery rage and fired a blast of fire at her, but Zoey Mackenzie absorbed it, and it made her stronger than ever.

Nico: Holy guacamole, Zoey Mackenzie's transformed.

Me: This is going to be one fiery and volcanic battle, and we got front row seats.

Lori: Same here.

Lincoln: Wow, Zoey, you look beautiful. How do you feel?

Zoey Mackenzie: (Divine Echoing Cosmic Voice of The Volcanic Dragon and Draconic Love) **I feel incredible, Linky. Now, shall we deal with this volcanic hothead once and for all?**

Lincoln: (Smirks) With pleasure.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Zoey Mackenzie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing chaos are over, Red Volcano.**

Lincoln and Zoey Mackenzie went after Red Volcano, who fired blasts of fire at them, but they absorb the blasts of fire and the blasts of fire made them stronger than ever, and they fired powerful blasts of rainbow energy, orange energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Dragons at Red Volcano, and they exploded with incredible power as they hit him. Then, with their massive swords, they slashed at Red Volcano with incredible speed and strength, and damaged him greatly.

Zoey Mackenzie: **You ready to end him once and for all, Linky?**

Lincoln: **Ready, Zoey.**

Zoey Mackenzie and Lincoln: **DRACONIC LAVASTORM KAMEHAMEHA!**

Zoey Mackenzie and Lincoln fired two massive Kamehameha energy waves made of orange energy and flames and lava at Red Volcano, and they not only exploded with incredible power, but the lava and fires melted Red Volcano into nothing, and he was Super

Hakaied forever. We cheered wildly for what Zoey Mackenzie and Lincoln did as they holster their massive swords on their backs and power down, and Zoey Mackenzie's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Zoey Mackenzie: That's it for that evil monster. Thanks for helping me with taking care of Red Volcano, Linky.

Lincoln: (Smiles Warmly) You're welcome, Zoey.

Suddenly, Zoey Mackenzie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Zoey Mackenzie's face, they kissed passionately as Zoey Mackenzie wrapped her left arm around Lincoln's wider and muscular back, and she'd placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, Angel, and Dragon flying in the air, along with a volcano erupting behind them and then, the Volcanic Doomfire appearing from the lava, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Nico: Now, that's awesome.

Me: You said it, Nico.

Lori: Plus, I filmed the fight and it's already literally getting over a trillion hits on the Internet. And everyone was cheering for us for defeating Team Buhku and for exposing Scott for causing this, and they're already damning him greatly.

Me: Wow! It went viral really fast! Scott is a social media and global outcast. Of course he always has been one.

Nico: Ooh, now that's awesome. Plus, no one believed that asshole anyway, since he's also one of the Total Drama Sore Losers.

Lincoln: He'll always be a sore loser to the end, Nico. But, we'll always teach them a lesson in humility, even if it means it's always going to be painful.

Me: You said it.

Nico: Yep. (To the viewers) This was an awesome and fun adventure. Sorry you had to see so many crazy dark times in this one. But we're not going to let that affect us. There will always and forever be ONE Team Loud Phoenix Storm.

Me: You said it Nico.

Nico: And J.D. you and everyone did really well monitoring me.

Me: No problem Nico. I don't know about you guys but I am hungry.

Nico: Me too. Lets go get some grub.

We went to Lynn's Table and got some good food. And enjoyed the rest of the day at the mall and battled a few minor robbers and criminals here and there and later went back home and then we later went to sleep.

THE END

---

Another awesome chapter done!

WHOOWEE! This was a really cool chapter! NicoChan11 had this whole chapter all planned and it was awesome. This was all based on Far Away Home after the events of Marvel Avengers Endgame. It was awesome. The first part of the chapter was for the planet Bryyo of Metroid Prime 3: Corruption and that was a cool place. The second part was for the 1954 movie Godzilla: King of the Monsters. That was a great movie. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. Nico's next rescue is gonna be a really awesome and cool one as Nico, Sinestro, Green Lantern, me, Eli, Varie, Camie, Brittney, Lucy and Haiku go to the world of Sleepy

Hollow and we're going to face THE HEADLESS HORSEMAN! It'll be an awesome and epic Sword Clash. We're also going to meet a Graxonite Gene-Slammer named Francine Florington and she is a goth girl that also likes horror movies. The next rescue for Lincoln will be in Rosario+Vampire and it'll be for recruiting Sumoto the giant 700 ton sumo wrestler from Samurai Jack into the M.O.E. We're going to really have a lot of fun on that one. Also we're going to meet a gene-slammer for Brron, Mad King of Dark World named Selene Slytherin and she is the descendant of Salazar Slytherin. But thankfully she is not like Voldemort and her ancestor as she hates them and the Death Eaters with every single fiber of her being. The next chapter is gonna be for where we go into battle with the xenophobic kid Lou in the world of the 2019 movie UglyDolls and we're going to stop Lou who wants to wipe out the UglyDolls.

See you all tomorrow.

# Ugly VS Perfection

Walking through the eerie and creepy forests of Sleepy Hollow was Nico, Hal Jordan, Sinestro, me, Eli, Camie, Varie, Brittney, Haiku and Lucy and it was really creepy. Camie was holding my arm as she was shaking in fear.

Me: It's all right Camie.

Nico: The next rescue is in Sleepy Hollow. How creepy.

Sinestro: A most great choice for a rescue. Especially because of its reputation.

Brittney: It sure is.

Nico: Thanks for coming with me, Hal.

Hal Jordan: Anytime Nico. This will be amazing to go through Sleep Hollow for a rescue.

Eli: I think it'll be awesome too.

Nico: Yeah no kidding.

Me: I can't wait to get into a clash with the legendary Headless Horseman.

Eli: That will be awesome to see.

Nico: It's fitting that you and Sinistro go on a rescue together.

Hal Jordan: It sure is Nico. Despite the fact that we have been enemies for as long as we can remember.

Sinestro: That is amazing though. And it's good that we're no longer like that too.

Me: That is a good thing.

Brittney: And we've also united the Lantern Corps into an awesome united force.

Lucy Loud: I think that is really neat.

Camie: It sure is. But how does a Lantern Corps work?

Me: It's a really awesome story. Ever since the Beginning of Time, there have been seven entities that govern each of the 7 colors of the rainbow: Red/Rage, Orange/Avarice, Yellow/Fear, Green/Will, Blue/Hope, Indigo/Compassion and Violet/Love. One half of those emotions wants to maintain balance and peace while the other half wants to destroy.

Hal Jordan: It's true. Its been that way for many eons.

Nico: Do you want a Lantern Ring of your own?

Camie: I'm not really sure which one would be best suited for me and my friends.

Brittney: Well it'll come to you when the time comes.

Camie: True.

Then we heard horse whinnies.

UH OH!

Nico: Uh oh!

We then heard horse hoofs clopping and that can only mean one thing!

Nico: Here he comes!

We saw THE HEADLESS HORSEMAN!

Eli: YEAH!

I teleported and kicked him off his horse!

I unsheathed my sword and he unsheathed his.

Hal Jordan: He doesn't have a head. So, cutting his head off is out of the question.

Nico: Nope.

Me and the horseman clashed and sparks were flying all over the place and igniting the forest in a huge and raging inferno!

Camie: WHOA! This whole forest will go up in flames!

But then fire started pouring right into Camie.

Camie: (GASP) WHOA! Why am I suddenly getting more and more powerful!?

Eli: Whoa! Camie you're absorbing fire!

Brittney: It's one of our amazing powers we have Camie. We get stronger by absorbing not only fire but also negative energy.

Camie: Wow!

Hal Jordan: We still have to put out the forest fire!

Eli: I got this!

Eli used the Force on the Clouds and made it rain and it extinguished the fire!

Nico: WHOA! Eli that was awesome! I didn't know the Force lets you control the weather.

Eli: That was awesome though. My first time ever doing that.

I kicked the Headless Horseman.

?: Time for this monster to face fear!

A figure flew in with a yellow aura glowing and it was a Yellow Lantern! It was Karu-Sil?

Sinestro: Karu-Sil?

Graxonian: (In a girl's voice but different) No it's someone else.

Nico: Francine Florington? Wow!

She fired a blast of yellow energy and obliterated the Headless Horseman in an instant!

She then landed and reverted back and she was a girl with black hair and had yellow and black clothes.

Francine Florington: Now that is how you get the job done.

Nico: And this one is the guy who killed Ichabod Crane? Correction. This one WAS the guy who killed Ichabod Crane.

Me: Yeah.

Nico: Great to see you again Francine.

Francine Florington: Same to you Nico. Been a while since we watched horror movies together.

Nico: It sure has been a while. Francine is a goth girl and she and I watched horror movies all the time together when we were younger.

Brittney: That's amazing. Awesome to meet a fellow goth.

Francine Florington: Same to you Brittney.

Hal Jordan: That is awesome and you would make a great member of the Goths of Darkness.

Sinestro: Indeed. What is your most favorite memory of Nico?

Francine Florington: Mine is when me and Nico watched the movie The Thing together and my little brother snuck up behind him wearing a scary Thing mask on and he scared the living crap out of him and he jumped right into my lap.

Nico: HMPH! And he was just only 5 years old.

Me: Whoa Nico.

Nico: Sorry. But that was funny.

Me: As long as Kate Lloyd doesn't see that mask. Especially with all the terror she went through with The Thing.

Camie: What is The Thing?

Me: A really horrifying and gruesome monster. It's a Shapeshifting Alien monster that has the power to imitate lifeforms perfectly.

I told Camie everything about what happened with our encounters with it and how it traumatized Kate Lloyd badly and more and when I was done Camie was shocked!

Camie: Oh man! That is awful!

Nico: Yeah it was.

Francine Florington: That is bad.

Nico and Francine hugged.

Nico: I really missed you.

Francine Florington: Me too Nico. Me too.

Lucy Loud: I think this was a great rescue.

Me: It sure was.

Sinestro: Yes it will be one to remember.

Nico: Lets go home.

Me: Good idea.

Nico: Oh, and your brother can still keep that mask.

Francine Florington: Okay.

We went back home.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and Captain Marvel are heading to the world of RosarioVampire, and not only is Lincoln going to rescue the eleven girls there, but we're also going to fight and recruit Sumoto the Giant 700 Ton Sumo Wrestler from our adventures as The Brave 12 into The Masters of Evil.

Lincoln: Wow, we're in the world of RosarioVampire, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we're also going to fight and recruit Sumoto the Giant 700 Ton Sumo Wrestler from our adventures as The Brave 12 into The Masters of Evil.

Me: That's right, big guy. We haven't seen Sumoto since our adventures as The Brave 12.

Nico: And he'll be an awesome addition to The Masters of Evil, and wait until he sees how much you and J.D. have changed, Lincoln.

Lincoln: You got that right, and thanks for joining us, Captain Marvel.

Captain Marvel: You're welcome, Lincoln, and you guys are also in a good mood today.

Lincoln: Ever since we restored our reputations yesterday and outed Scott and his team as frauds yesterday and we also forgave the people of Griffin Rock, we also got rid of another piece of doubt, not to mention Scott's now a social media and global outcast and cursed to be an old man forever.

Lori: And just this morning, The TLPS Bad Guys Gang humiliated Flip and all the other jerks at Dad's restaurant. (Snickers) And I still can't forget what TLPS Mr. Piranha did in biting Flip's three-cheeked butt.

TLPS Mr. Piranha: And ever since you guys gave him a bath, at least, I was safe.

TLPS Mr. Wolf: He's nothing but a mutated slob and a pig who hasn't heard about a shower. But, I didn't get a chance to humiliate him or the rest of the jerks.

Lincoln: Yeah, he was way too wrapped up in what happened thanks to Scott and his fraudulent team of heroes, and this morning, he roughed up both Tim Buktu and Justin Hammer so badly, and before he left, he had them chained to the walls of their separate cells in Solitary Confinement, and marked them with an inverted pentagram, which'll damn them forever when they die.

Nico: Yikes!

Lori: And we literally couldn't even stop him, he slipped right past us, and told the Mascots to keep it a secret.

?: HELP!

Suddenly, Lincoln heard the sound of eleven girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eleven girls, but they've been cornered by Sumoto.

Lincoln: Guys, I found the eleven girls, but they've been cornered by Sumoto.

?: Let's get that giant 700 ton sumo wrestler!

Suddenly, we saw Brron, Mad King of Dark World appear before us.

Lincoln: That voice, I knew it was you, Selene Slytherin, but we'll have to talk later, we've got a sumo wrestler to take down.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces at Sumoto, and that allowed the eleven girls to get away, and Sumoto was surprised to see Lincoln and I.

Sumoto: So, the two members of The Brave 12 have arrived?

Lincoln: That's right, Sumoto, but we've become Team Loud Phoenix Storm after we defeated Aku and those he sent after us.

Me: And it's indeed been a long time since we last met. But, we're not going to kill you, we're going to take you down and have you recruited into The Masters of Evil.

Lincoln: Let's do it.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and they unholstered their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sima Yi, Sun Quan, Jia Chong, and Jiang Wei got out their weapons, The Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Captain Marvel, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at Sumoto, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, steel orbs, throwing axes, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit him.

Sumoto: Impressive, you and J.D. have grown a lot and changed greatly. Very well, I will join The Masters of Evil.

Lincoln had him beamed to The Masters of Evil's HQ, and we cheered as we holster our weapons and power down.

Lincoln: That's another member recruited into The Masters of Evil. (To Selene Slytherin) And it's so good to see you again, Selene Slytherin.

Selene Slytherin: You too, Lincoln, it's been a long time. And it's also good to see you again, Nicholette, Giselle, Scarlet, Silvia, Renee, Helena, and Elizabeth.

Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, and Elizabeth Gryffindor: You too, Selene.

Lincoln went up to Selene Slytherin, and they hugged, and Selene Slytherin's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time that I haven't seen you since you were sixteen, and as you and can see, I really grew a lot since then.

Selene Slytherin: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Selene Slytherin, she's one of my Guardian Angels and friends, and she's the eighth member of The Dark World Goth Girls, and as expected, Selene is the descendant of Salazar Slytherin, but like Elizabeth told you all yesterday, Selene isn't like her hated ancestor or Voldemort, and she absolutely hates Salazar Slytherin, Voldemort, and The Death Eaters with every fiber of her being.

Selene Slytherin: Plus, I heard about what you all did to Voldemort, The Death Eaters, and Salazar Slytherin, and I'm glad they're all dead and gone for good, and there's no need for you to get me back to normal, Lincoln.

Selene Slytherin reverted back to normal, and she's a beautiful 17-year-old girl with long flowing green hair, green eyes, fair skin, she's 6'5" in height, she has the body of a goddess, and she has massive green angel wings, as she reigned in the power of Brron, Mad King of Dark World, and she's dressed in a sleeveless green open blouse, sleeveless green midriff top with the Slytherin House crest on it, green skirt, green pants, green high-heeled ankle high boots, and long green sleeveless trenchcoat with darkness on the coattails and on the back is Brron, Mad King of Dark World, and the Slytherin House crest on it.

Lincoln: Wow, I love your outfit, Selene, and your clothes also have the Slytherin House crest on it. Plus, I got you a little something for you.

Lincoln gave Selene Slytherin a large Brron, Mad King of Dark World-themed sword with Brron, Mad King of Dark World and the Slytherin House crest etched on the 6'10" massive, wide, double-edged red blade, green angel wings for the crossguard, large green gem embedded in the rainguard, longer black handle, and large green gem with black angel wings surrounding it for the pommel.

Selene Slytherin: Wow, I love the new sword you made for me,

Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Selene Slytherin's neck with green gems on the gold lightning bolts links and green crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Selene Slytherin: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Selene.

Selene Slytherin had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Selene Slytherin on her lips, and she returned it, and we cheered for them. Then, we went up to the eleven girls, and when Lincoln saw them, he immediately recognized them. The eleven girls are Erisyuka and Iva from Karneval, Alicia, Seiten, Snow White, Teena, Zara, Kaguya, Kyuueru, Liliana, and Sigui from Queens Blade: Grimoire.

Lincoln: Oh wow, it's Erisyuka, Iva, Alicia, Seiten, Snow White, Teena, Zara, Kaguya, Kyuueru, Liliana, and Sigui.

Me: From Karneval and Queens Blade: Grimoire, awesome.

Lincoln: Are you girls okay?

Erisyuka: Yes, we're okay, thanks to you.

Then, when Erisyuka and the other ten girls saw who it was that saved them from Sumoto, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Erisyuka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made ten clones of himself, and he and the ten clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Erisyuka: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Thunderbird Necklaces of Eternal Love appeared on the necks of Erisyuka, Iva, Alicia, Seiten, Snow White, Teena, Zara, Kaguya, Kyuueru, Liliana, and Sigui with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone of the rescue, and they were shocked when they found out the villain we went after was Sumoto.

But, when Lincoln showed what we did to him and recruited him into The Masters of Evil, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Selene Slytherin have a lot of catching up to do, now that she's back, and Sumoto is now a member of The Masters of Evil.

---

After defeating Sumoto, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Selene Slytherin saw Lincoln working out like crazy, she had an atomic red blush on her face.

Selene Slytherin: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Selene, and now, I can also defend myself.

Selene Slytherin: That's incredible.

Nico: It sure is, Selene.

Lincoln: And there's something I forgot to mention: Selene was humiliated by her sister, Layla, and a local bully from her school, because they spilled the dark secret that she's the descendant of Salazar Slytherin, and because of it, the girls who humiliated her were expelled, and they swore revenge on her.

We gasped in shock.

Nico: Oh, this I got to hear.

Selene Slytherin: You'll enjoy hearing this one, Nico. You see, I have a couple of sisters who were older than me, they both had long blonde hair, fair skin, and blue eyes, but as for me, before I got Gene-Slammed by those Team Rocket scientists, I had long black hair, pale skin, but I also had green eyes and I also knew about magic. My sisters thought they were prettier than me, and they made absolutely sure I never forgot that. Once when I was in Kindergarten, I came home to show everyone the family tree that I made. My oldest sister, Layla, the meanest girl on Earth snatched the card from me and said.

Layla: Oh, you drew this? I can't deny that it's beautiful, but I think you missed something.

Selene Slytherin: And with that, she colored my face with a black crayon.

Layla: See, now it looks better without you in it, loser! (LAUGHING MALICIOUSLY)

Selene Slytherin: She threw the card at me, and left laughing with my other sister, Selma. I cried, but Mom hugged me tight.

Maya: Oh, Selene, ignore your sisters. They're jealous of your beauty.

Selene Slytherin: Mom always found a way to cheer me up, but I realized she was lying when I was eight and some guests came to visit. One of the women said to my mom.

Woman: Your daughters are pretty, but this youngest one is quite unlucky. I doubt she'll ever get married. Oh well, she can take care of you and your husband in your old age.

Maya: I think Selene is special in her own way.

Selene Slytherin: And then, Selma spoke up.

Selma: Mom, she is ugly, just face it. Stop being so stupid, and shut up already.

Young Selene Slytherin: Don't you talk to Mom like that, you witch!

Selene Slytherin: I pounced down on Selma and bit her arm so hard, it swelled up. She had to put on a bandage for a week. As if my sisters weren't awful enough, Dad was also a jerk too, he didn't love Mom at all, he was only with her because she was rich. He thought I was ugly too and always blamed Mom for giving me her genes. Since I was Mom's favorite, she did her best to make up for the rest of my terrible family. When I was in Seventh Grade, I had a closet full of the fanciest clothes and make-up brands, I liked that, but what I really wanted the most was to join an international school here in Detroit, Michigan. Mom said we'd move, but my sisters threw a huge tantrum when they found out.

Layla: Why would we leave our amazing lives and friends and go live somewhere else?! It's not our fault Selene's ugly and no one likes her here!

Selma: Mom, Selene is useless! She would be more useful if we used her as a broom! Her ugly hair is for that!

Selene Slytherin: The two witches started laughing like maniacs. Just then, Dad walked in and shouted.

Selene's Dad: Listen, woman, if you decide to move out, you can consider yourself divorced and even worse, dead.

Young Selene Slytherin: Mom, that's amazing.

Selene Slytherin: Mom smiled at me and decided to leave, and Dad did divorce Mom. My sisters had no choice but to come with us, and now, they hated me even more. My birthday usually fell on the first day of School, and Mom would always throw a big party. But, this time, I told her that I didn't want to celebrate my birthday anymore.

Young Selene: Why would someone celebrate losing a year of their life? To celebrate getting older, that's just weird.

Maya: Baby, why are you saying this? I see celebrating a birthday as being grateful for living another year. Listen, why don't we just celebrate it at school? I'll give all the kids fancy presents and they'll like you from the first day.

Young Selene: No, Mom. I don't want to buy anyone's love, I just want people to love me for who I am.

Selene Slytherin: Well, the new school wasn't a lot better than at home in New York. On my first day, I met a girl named Nor, she was a redhead and her beauty was unique. When I entered the classroom, she stared at me from head to toe then said.

Nor: Ooh, attention everyone, we have a new baby here. But, we all know our classroom only has pretty girls with fair faces and light hair. What are we going to do with this ugly duckling?

Selene Slytherin: The room fell silent and everyone was staring at me. Suddenly, I just snapped and started screaming. "Shut up, shut up! You and everyone here, just shut up! I hate you, I hate you, I hate you, you shallow people!" Everyone looked shocked and they started whispering. Just then, my sisters showed up from behind me.

Layla: Oh, excuse her, she's our sister, but she has some issues. We are so sorry for her bad manners.

Selene Slytherin: With that, they pushed me aside and introduced themselves to Nor, and started taking selfies with her. Ugh, these horrible creatures, it was obvious that this Nor ruled the school, and I knew after my outburst, she wouldn't leave me alone.

Selene Slytherin: But, to my surprise, she did leave me alone. I was the invisible girl, no one dared to talk to me or sit next to me because they knew Nor would be mad. Things went on like that for weeks, until one day, a couple of boys sat next to me at lunch.

Boy: Hey, listen, I'm speaking on behalf of all the boys in the school, we all think you're very pretty.

Young Selene: What? Are you making fun of me?

Boy: Why would we? Those big green eyes, the long black hair, and your fair flawless skin. I really wished Nor wasn't around, you're so pretty, Selene.

Past Selene: Oh, so you're man enough to confess your feelings, but only when Nor isn't around. You're like scared mice in front of her, just go away and leave me alone.

Boy 2: Told you, not only is she pretty, but she's brave too, and always speaks her mind. Man, I think I'm falling in love.

Selene Slytherin: Just then, Nor passed by and the boys ran off like little baby rabbits. Later that day when I walked past the bathroom, I heard some girls scream, whispering, and cursing, I opened the door and found Nor and Layla pushing another small girl who was screaming in fright, I immediately pushed Nor aside.

Past Selene: What are you doing? Stop this!

Nor: Oh, look who's here, and what are you going to do about it?

Past Selene: You touch her again, and I will hurt you!

Nor: Oh really, Robin Hood? Watch this.

Selene Slytherin: And she pushed the small girl again, I was about to attack her, when Layla jumped in and pinned me against the wall.

Nor: Just leave before you regret coming to this school.

Selene Slytherin: They let me go, and I ran away straight to Principal Rivers' office. If they thought I'd let them get away with being bullies, they were so wrong, and I was so happy when Nor and Layla got suspended for two weeks. Layla and I didn't talk at home, and I didn't tell Mom about anything, one day during lunch, the boy from the other day came to me and announced in front of everyone.

Boy: I think you're right, I can't be scared forever. I like you, Selene, can we be friends?

Selene Slytherin: Just then, Nor came running in like a madwoman and screamed like a banshee.

Nor: Heck no!

Selene Slytherin: Suddenly, she attacked me, and she ripped my t-shirt, so that everyone can see the burn scars on my stomach. I got those scars when I was three and I never told a soul about them.

Nor: Everyone just look at her, she's a freak! Why would you want to be with someone like her, when you could have a perfect girl like me?

Selene Slytherin: The boys stared at my stomach speechless, and so was everyone else. I was shocked, of course, only my sisters could've told Nor about my scars. Angry tears started rolling down my cheeks.

Nor: Oh, look at this crybaby. Not only do you have an ugly face, it's just that everything is so ugly about you. Just stay home and say goodbye to high school.

Past Selene: And you, say goodbye to your shiny smooth red hair!

Selene Slytherin: And with that, I jumped on her and started tearing her hair out, she started screaming and crying until some of the students and teachers pulled me away. Principal Rivers demanded that I come to her office, but I pushed her away and ran out of the school. Mom was furious when she heard the whole thing, she said she wanted to come to the school. I said "no" and tried to convince her to stay home. But, the next day, Mom turned up at school, the moment she saw Nor, she started walking towards her angrily to shout at her, but just then, Layla pushed Mom away, and she fell on the ground.

Layla: Don't you dare touch my friend! Instead of coming to school to embarrass yourself, stay home and discipline your little Selene! She's a monster, not a sister!

Selene Slytherin: I couldn't take it anymore, I jumped on Layla to attack her. Suddenly, Selma came running too, and I knew I was about to get my butt kicked. But, to my shock, Selma slapped Layla in the face and pushed her away from me. Then, she helped Mom up, and I couldn't believe my eyes. Did Selma just defend me and Mom?

Selma: That's enough, Layla. I would never choose a stranger over my family, especially a jerk like Nor, she promised to keep Selene's scars a secret, and look what she did yesterday, and that's why I'm ending my stupid friendship with her and you, Layla!

Selene Slytherin: Layla looked furious, she took Nor's hand and they both stormed off. Later that evening, I barged into Layla and Selma's room to get something off my chest.

Past Selene: I just came here to say, you two have mocked me and bullied me all my life. But, to tell my biggest secret to someone like Nor and let her humiliate me in front of everyone, that's really low, even for you, and I'm done with you guys for good.

Selma: But, Selene, I'm on your side.

Past Selene: I'm not dumb, Selma, I only know you defended me and Mom, because you probably got into some dumb fight with Layla, and wanted to tease her.

Selene Slytherin: Just then, Selma started to cry and got down on her knees.

Selma: I swear, I've changed. Maya, I've been a mean, jealous jerk, I've always envied you for your beauty and even more for your amazing personality, you're confident, brave, smart, funny, and kind.

You're amazing, my little sister, you're amazing.

Selene Slytherin: I couldn't believe what I was hearing. Selma was jealous of my beauty, I helped her get up and hugged her tight, and for the first time, she said.

Selma: I love you, Selene, I truly do. I'm sorry about all the pain I caused you, please forgive me.

Past Selene: (Smiles) It's alright now, I forgive you and I love you too.

Layla: Ew, I think I'm gonna barf. I still think you're ugly, Selene, and I don't regret telling Nor anything, I'd choose my gorgeous BFF over you two losers any day. I can't even share a room with you anymore, Selma! You disgust me!

Selene Slytherin: And with that, she picked up her things and moved to the attic. Some weeks later, Layla had to make a presentation on Earth Day in front of the whole school, including some important guests like The Minister for Education. When it was her turn, she went onto the stage confidentially and turned on the slideshow, but to my horror, I saw pictures of me on the screen with terrible things written about how dark and ugly I was.

Principal Rivers: Layla, what is this nonsense?!

Selene Slytherin: She looked as shocked as I felt.

Layla: I swear, ma'am, I had no idea. This is not the slideshow I made.

Selene Slytherin: Suddenly, I spotted Nor in a corner laughing her head off. Of course, it was her.

Past Selene: Ma'am, I'm her sister, and I know she didn't do that, she wouldn't, it was that girl, Nor.

Layla: Why can't you just shut up, bitch?! Who even asked you to defend me?!

Nor: No, babe, she's right, I just hate her, and you're just so dumb and made it so easy for me to ruin your sister. I'm the queen of this school, and no one, NO ONE can replace me, and imagine if it was a dark ugly girl like her!

Principal Rivers: That's enough, I will not tolerate this awful behavior anymore. Layla, Nor, you're both expelled!

Selene Slytherin: Just then, The Minister for Education rose up from his seat.

Minister for Education: Not only expelled, I'll make sure that you only get enrolled in a strict Catholic School, so you can learn some manners and discipline. You're such a disgrace to this school, bullying people for how they look, everyone is beautiful in their own way.

Selene Slytherin: The whole auditorium started to applaud as the two stormed off. By the time we got home, Mom told us that Layla packed her bags and moved back with Dad. I think Layla and Nor both got what they deserved. I won't let anyone manipulate me like those two did anymore. I'm beautiful and strong just as I am.

When Selene Slytherin was done, we cheered for her, but we were so enraged at what Layla and Nor did to her.

Me: I can't believe that those two would do something as heartless as that.

Nico: Bullying people because of how they look, not to mention spilling a dark secret like that, it's just disgusting.

Lincoln: I know, and Selene told me everything, along with Lori, Leni, and Luna.

Lori: I literally remembered those two all too well, Nor was such a literal Queen Bee bitch, and Layla was just as bad as her. They got away with a lot of stuff, and no one was able to stand up to those two banshees.

Luna: You got that right, dude. But, Selene stood her ground against those two, and in the end, Nor's hatred did her and Layla in, but Selma redeemed herself when she slapped Layla in the face and helped her Mom up and defended them.

Leni: It was totes amazing.

Me: Yeah no kidding. But there should be a law against people that are queen bees. They are just absolute monsters and have no love for anyone and they think that they are so much better than everyone because they come from a high class lifestyle.

Nico: I agree there. We'll have to put a law like that in with the President.

Leni: But, thank goodness, everyone knew that Selene wasn't like Salazar Slytherin, Voldemort, and The Death Eaters, and that she hated them with every single fiber of her being.

Lori: Literally. But, here's the bad news: before Layla and Nor stormed out, they swore that one day, they'll have their revenge on Selene.

Lincoln: If those two banshees so much as hurt one single hair on my future wife's head, they can say goodbye to their good looks when I hit them with the Chronos' Vengeance Curse.

Nico: (Smirks) Now, that's a good idea, and if they see their good looks fade with that, they'll scream like the banshees that they are.

We then got a shower afterwards, but then, the alarm sounded, and when Lincoln checked out the computer, he saw that Kamanue, Rui, Mukago, and Wakuraba, four members of The Twelve Kizuki are here, and they're causing havoc.

Lincoln: Guys, we got trouble: Kamanue, Rui, Mukago, and Wakuraba are here, and they're causing havoc.

Shinobu Kocho: The four lower ranking members of The Twelve Kizuki.

Just then, Lincoln saw more figures there, and they're fighting Kamanue, Rui, Mukago, and Wakuraba in the process, the first figure is Tanjiro Kamado, along with the rest of the Hashira.

Lincoln: Oh man, and it looks like we got ourselves some help, it's Tanjiro Kamado, along with the rest of the Hashira.

Shinobu Kocho: What?! Oh, that's awesome. Linky, we got to help them and when they see us, they'll indeed be honored to meet us.

Lincoln: I was just about to say that, Shinobu. Everyone, let's go, we got a couple of demons to slay!

Everyone cheered as we head out of the World Tree Estate, and then, Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, and they hit Kamanue, Rui, Mukago, and Wakuraba in the back, and when Tanjiro Kamado and the rest of the Hashira saw us, they were honored to meet us, and when Tanjiro saw that his sister, Nezuko, has been cured, he was indeed happy for her, and he also saw that Tamayo was also cured as well. But, when Kamanue, Rui, Mukago, and Wakuraba saw us, they were really pissed off.

Kamanue: So, the famous Team Loud Phoenix Storm's arrived?!

Rui: We will make you all pay for what you did to Doma and Enmu.

Lincoln: As if, you lowlife pieces of crap.

Tamayo: Yeah, you monsters.

Nezuko Kamado: And none of us will ever forgive what your dear master did to us.

Konata Izumi, Kagami Hiiragi, Tsukasa Hiiragi, and Miyuki Takara: And we've had it up to hear with you lot to last an eternity.

Suddenly, the colored eyes of Konata Izumi, Kagami Hiiragi, Tsukasa Hiiragi, and Miyuki Takara turned neon, and they were surrounded by colored energy auras with stars and elemental forces, and as they approach Kamanue, Rui, Mukago, and Wakuraba, they left colored energy, stars, and elemental forces with every step.

Konata Izumi: Kamanue, Rui, Mukago, Wakuraba, you four demons have caused enough trouble for mankind for the last time.

Kagami and Tsukasa Hiiragi: You've brought nothing but chaos and destruction to the world for far too long.

Miyuki Takara: And for that, you four shall be destroyed here and now!

Suddenly, Konata Izumi, Kagami Hiiragi, Tsukasa Hiiragi, and Miyuki Takara were surrounded by four massive vortexes of colored energy with stars and elemental forces surrounding it, there were four colored phoenixes flying around the vortexes, and in the vortexes were colored phoenixes. Miyuki Takara has transformed into SUPER ANGEL INFINITY NATURE STARSTORM PHOENIX ANGEL OF JUNGLE JUSTICE AND CELESTIAL LOVE!

We were amazed by the Super Angel Infinity transformations of Konata Izumi, Kagami Hiiragi, Tsukasa Hiiragi, and Miyuki Takara, and when Lincoln saw them, he had an atomic red blush on his face, hearts in his eyes, and steam coming out of his ears. But, when Kamanue, Rui, Mukago, and Wakuraba saw it, they fell into a demonic rage and tried to kill them, but the Lucky Star girls fired powerful blasts of colored energy with stars and elemental forces at them, and hit the four demons and sent them flying into a wall.

Lincoln: Wow, girls, you look beautiful. How do you feel?

Konata Izumi: (Divine Echoing Cosmic Voice of The Arctic Star Phoenix and Celestial Love) We feel incredible, Linky. Now, shall we take care of those four demons?

Lincoln: (Smirks) With pleasure.

Tanjiro Kamado: Mind if we join in?

Lincoln: Of course, Tanjiro.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined the Lucky Star girls, and Tanjiro Kamado and the rest of the Hashira also joined in.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal

Justice and Elemental Hope) Let's get those four demons.

Lincoln, Konata Izumi, Kagami Hiiragi, Tsukasa Hiiragi, Miyuki Takara, Tanjiro Kamado, and the rest of the Hashira went after Kamanue, Rui, Mukago, and Wakuraba, and fired powerful blasts of rainbow energy, colored energy, spirits, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, and Angels at Kamanue, Rui, Mukago, and Wakuraba, and they exploded with incredible power, as they hit the four demons. Then, they attacked them with their swords, and left painful scars on them, scars that'll never heal. Then, Konata Izumi, Kagami Hiiragi, Tsukasa Hiiragi, and Miyuki Takara tied the four demons up.

Miyuki Takara: (Divine Echoing Cosmic Voice of The Nature Phoenix and Jungle Love) Okay, Linky, you know what to do?

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) You got it, Miyuki.

Lincoln spreads his massive deep sapphire blue angel wings, and red energy was being charged in them, and this horrified Kamanue, Rui, Mukago, and Wakuraba, as they know death's coming for them.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) DEATH WING LIFE DRAIN!

Lincoln fired massive red energy beams from his massive deep sapphire blue angel wings, and as they hit Kamanue, Rui, Mukago, and Wakuraba, Lincoln began sucking out their life forces along with the powers and abilities of Kamanue, Rui, Mukago, and Wakuraba, and his rainbow energy aura with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo flared up extremely, as he gained a massive power boost and made their powers his own. Then, as he was done, Kamanue, Rui, Mukago, and Wakuraba were reduced to mummified withered husks drained of life, and as their spirits appear, the Lucky Star girls Super Hakaied them for good. We cheered wildly as they holster their swords and power down, and the Lucky Star girls' new bodies, clothes, weapons, jewelry, and massive angel wings are permanent.

Then, Lincoln made three clones of himself, and he and the clones went up to the four girls, and they wrapped their abnormally massive and powerful muscular arms around the girls, and then, they lean down to their faces, and they passionately kissed the girls, and the girls returned the kisses, and we cheered for them. Then, we head back to the TLPS World Tree Estate.

TLPS Mr. Wolf: We're glad you and your allies have joined us, Tanjiro.

Tanjiro Kamado: Same here, and I'll soon be calling Lincoln my brother-in-law, and Lincoln, thanks for curing my sister.

Lincoln: You're welcome, Tanjiro, she told me you've been trying to find a cure to save your sister, and you've been fighting a lot of demons to do so.

Tanjiro Kamado: Yeah, and just like you, Lincoln, I also care about my sister a lot, and I'm not going to let her life end like that. But, now that she's part of your harem and one of your many future wives, she can finally have a new life.

Shinobu Kocho: And that's exactly what she's going to have, Tanjiro.

Nico: Along with all of you guys. Consider yourselves new members of Team Loud Phoenix Storm.

Tanjiro Kamado: Alright, and this is going to be a ton of fun dealing with the rest of The Twelve Kizuki.

TLPS Mr. Wolf: Along with the head of their whole organization, Muzan Kibutsuji.

Clyde: We can't underestimate him, he's known as The Demon King, the first of his kind, as well as the progenitor of all other demons in existence in his world.

Lincoln: That's true, Clyde, and we'll decide his fate later on, after we deal with the rest of his whole organization.

TLPS Mr. Wolf: We got six of them destroyed, and now, there's only six more to go, perfect.

Just then, Johnny Bravo came in.

Johnny Bravo: Hey, guys, I'm heading out, I got myself a date.

Nico: Awesome, and who's the lucky lady you're going out with?

?: That would be me.

We then saw who came into the Estate, it was Melpha.

Cattleya: Oh, no way, your date's with Melpha, that's so awesome.

Johnny Bravo: She heard that the one who caused that whole riot at Aron City was that lowlife, Scott, and she saw that I'm a good person and I deserve a chance at love.

Melpha: That's right, and I also got a little payback on Scott as well. Take a look.

We saw a video she made on her phone, as she pulverized Scott badly, and even condemned him to a nightmare of seeing sharks in his dreams for all eternity, and he was so scared, he screamed so loud, peed his pants, and he even crapped his pants 100,000,000,000,000,000,000 times. When the video was done, we busted out laughing our heads off.

Nico: (LAUGHING HYSTERICALLY) OH, OH MAN, THAT WAS TOO MUCH! CALL A DOCTOR, J.D.!

Me: (LAUGHING HYSTERICALLY) I THINK WE ALL NEED A DOCTOR, THIS IS TOO MUCH!

Lincoln: (LAUGHING HYSTERICALLY) THAT… THAT'LL TEACH THAT SMELLY, PIT-STAINED ASSHOLE!

We stopped laughing hysterically.

Me: That is funny! But Johnny we thought you were dating Lana Lockhart.

Johnny Bravo: She told me that she while she is having community service for her crimes she can't see me and I understood.

Me: Oh right. I'm sorry Johnny.

Nico: So, where's the date going to be at?

Johnny Bravo: Ah, ah, ah, I'm not giving out the spoilers. We'll tell you all about it when we get back.

Johnny Bravo did a spin change, and he was in a pair of blue swim shorts and sandals, and Melpha did a spin change and she was in a blue two-piece sexy bikini with sandals. When Johnny Bravo saw her, his eyes bulged out and his tongue hit the floor.

Johnny Bravo: Whoa, Mama! Alright, let's get going, baby.

Melpha: (Seductively) Right behind you.

Johnny Bravo and Melpha left the TLPS World Tree Estate, and they arrived at Aris Beach in Hyrule. Then, they had their fun by diving into the pool and swimming in the oceans, then, they had lunch that Lincoln packed. Then, as the sun was about to set, Johnny Bravo went up to Malpha, and he wrapped his large muscular arms around her and her ample chest pressed against his pecs, and then, as the sun turned orange, they shared a true passionate kiss. Then, they came back home and they were still in their beach clothes.

Nico: Hey, guys, how was your date?

Melpha: It was awesome, Nico.

Johnny Bravo: We went to Aris Beach in Hyrule, and check it out.

We then saw the video of them sharing a passionate and romantic kiss and hug, and we cheered really wildly for them, including Johnny Bravo's friends, and Bunny Bravo.

Bunny Bravo: Ah, my baby now has his first true love!

Lincoln: Yep, and this is the start of a beautiful romantic relationship for them both.

Nico: You said it, big guy.

Lincoln: Plus, with what the bogus heroes have done, that wasn't enough to shake us. We'll always be there to defend the Earth and the universe from evil, and if any lowlife villain doesn't like it, then, they can bite my butt and eat my shorts!

Nico: Yeah, my words exactly, big guy!

Me: And I also get why you had to be careful when saying that, big guy, after all, you don't want your kids hearing that.

Nico: Same with all of our kids as well. But, there's bound to be a time when we have to let that out, but if aimed at the one who's caused this trouble, that'll lead to them being stunned in silence.

---

We were getting ready for Princess Celestia's Final Ambassador Mission.

Me: This will be awesome.

Princess Celestia: It sure will. I can't wait to see who we'll be facing next.

Me: And the Loud Kids are coming too.

Nico: Yep same with me, William and Maria.

Bloom and Brain Freezer came.

Bloom: Guys, me and Brain Freezer are coming with you. I have a feeling this mission will involve an old enemy of ours.

Me: Okay.

Lincoln: This will be awesome.

We were off to the Yost Universe.

In the Yost World we arrived.

Yost Captain America: Hey guys.

Princess Celestia: Steve, meet the Loud Kids. Hawkeye and Hulk already met them.

Lincoln: Awesome to meet you. I'm Lincoln Loud and these are my siblings.

Lori: I'm Lori.

Leni: I'm Leni.

Luna: Sup dudes. Name's Luna.

Luan: I'm Luan.

Lynn: I'm Lynn.

Liberty: I'm Liberty.

Lee: I'm Lee.

Lyra: I'm Lyra.

Linka: I'm Linka.

Lucy: I'm Lucy.

Laney: I'm Laney.

Lana: I'm Lana.

Lola: I'm Lola.

Lisa: Greetings. I'm Lisa.

Lily: And I'm Lily.

Me: Yes their mom and dad thought it would be cute if all their names started with the letter L.

Yost Iron Man: Wow!

Nico: We all thought it was cute too.

Me: (Whispers to Yost Iron Man) They are also a family that has never heard of condoms too.

Yost Iron Man snickered.

Yost Iron Man: We heard about what happened with Team Buktu. Are you sure you guys are ok?

Me: Yes Tony we are. They won't be bothering us anymore anytime soon. Oh I'm sorry these two are with us too.

Bloom: Awesome to meet you all. My name is Bloom and I'm the princess of the planet Domino and Fairy of the Dragon Flame.

Brain Freezer: And I'm Brain Freezer, member of Vypra's Masters of Evil and Bloom's archenemy.

Yost Iron Man: Pleasure to meet you 2.

Nico: They were here on their ambassador missions here for the Fantastic Four.

Me: Yep. It was awesome.

Yost Wasp: That is cool.

Yost Hulk: (pats Lincoln on the back) I feel your pain, Lincoln. Me and Banner know what it's like to have the world against you.

Lincoln: OW!

Yost Hulk: Sorry.

Lincoln: Yeah thanks. That was tough.

Yost Iron Man: How is Harry and Peter?

Me: We were just about to tell you all what went down with this worlds Spiderman and Harry.

Nico: Yeah it was worse than we thought.

We told them everything that happened and it was crazy.

Yost Iron Man: Man that is rough. Hawkeye and Hulk told us all about what happened and that is sad.

Me: Yeah but I told Harry about what happened when we went into battle with Thanos and how it affected me for over a year. It was brutal.

Princess Celestia: Yeah it was.

Yost Hawkeye: Let me get this straight. You guys are still protecting your world even after how they initially chose Team Buktu over you?!

Nico: Yes we sure are.

Me: It's an eternal battle and there can only be ONE Team Loud Phoenix Storm and not some cheap imitation.

Laney: That is right.

Lana: Yeah!

Bloom: No cheap knockoff team can replace us.

Brain Freezer: That is for sure!

Yost Captain America: That is true. Also Lincoln I heard that you have a massive variety of curses and magic with you.

Lincoln: I sure do Steve. It's awesome.

Me: Lincoln knows so much about curses and magic and it's what we have used on many of our enemies.

I showed him the curses that he invented and it was awesome.

Yost Captain America: Wow that is very impressive.

Lincoln: Thanks.

Princess Celestia: Which villain are we going after this time?

Yost Captain America: It's a certain villain that Bloom and Brain

Freezer fought before. And who's also responsible for the deaths of our Blizzard, Whirlwind, and Radioactive Man.

Me: You mean Annihilus!? OH MAN!

Bloom: I knew it was him!

Brain Freezer: Looks like we have some unfinished business to take care of.

Nico: He must've gone into hiding after Bloom and Brain Freezer defeated him the first time.

Me: Yeah!

Yost Iron Man: Also, there's a good chance we can use Prison 42 as one of your prisons. And we can't do that if Annihilus is still out there.

Me: That's what we're here for then. We're going to kill Annihilus.

Bloom: Me and Brain Freezer will deal with him.

We were off and we later arrived at Prison 42.

Yost Yellowjacket: Good old Prison 42. (to Yost Iron Man) Reed really helped us with its' design.

Me: It sure is a cool place. Better than the one that we saw when we were in the Ultimate Alliance Universe.

Nico: Yeah that was a warzone.

Eli: It sure was.

Maria: Hopefully there will be no prisoners escaping in this one.

Yost Iron Man: Why what happened?

Me: Well it was a really ugly story Tony. We went to another universe and it was an absolute cesspool of discrimination.

I went over what happened during Sydney's Ambassador Missions as well as what happened in chapter 1692 and it was horrible.

Yost Thor: That is most awful.

Yost Wasp: No kidding! That was terrible.

Nico: It was. But J.D. lead the team brilliantly throughout that entire mission.

Yost Iron Man: Well, OUR Maria Hill told us personally yesterday that she might have been wrong about us and got the president of this world to pass a law allowing us to use lethal force on certain villains if necessary. She said that replaces the Registration Act that was considered before.

Me: That's good as long as it's only necessary. Also it beats to have the government wanting to use superheroes as weapons.

Nico: Yeah all Superheroes are not tools of war. They are people just like us.

Eli: That is a fact.

Me: Yep.

Yost Iron Man: You guys have a Prison 42 on your world too, right?

Me: Yes but it's located at the bottom of the Mariana Trench.

Nico: Yep. Our Tony Stark showed it to us and it's located right next door to the TLPS Mariana Trench Prison.

Lincoln: It's true.

Me: One day we'll have to check it out. There might be potential candidates there for Vypra's Masters of Evil.

Nico: Good idea.

Yost Thor: Be on your guard. Annihilus is close.

Yost Hawkeye: How close are we talking about here?

?: This close.

We saw ANNIHILUS!

Nico: Annihilus!

Me: This is gonna be good.

Eli: Yeah!

I powered up to my Super Angel Infinity Friendship God form.

Nico went Super Saiyan 3.

Annihilus: (to Bloom and Brain Freezer) I remember you two. No Fantastic Four to save you now!

Brain Freezer: Nope. But they're gonna be jealous they missed out on this!

Bloom: And another thing, I've changed too.

Bloom went Super Angel Infinity!

Annihilus: What the!?

Bloom: (Divine Echoing Voice of Dragonic Fire and Justice) **Now it's time for us to settle some unfinished business.**

Yost Wasp: Whirlwind, Blizzard, and Radioactive Man might have been criminals. But that doesn't mean they deserved to die!

Annihilus: Crying over spilled milk? All I did was remove 3 enemies from your lives. You should be thanking me.

Me: What you did is nothing but cold blooded murder!

Yost Thor: Let us show you how grateful we are, fiend! (throws Mjolnir at him)

It smashed Annihilus down and electrocuted him!

Me: Taste this!

I fired a massive rainbow energy blast and it hit Annilhus and blew part of him off.

Bloom fired a massive dragon flame blast and incinerated him all over.

Yost Hulk: (grabs Annihilus) In the stomach or in the face?

Nico: How about both!?

SMASH WHAM BLAM!

Nico and Yost Hulk pulverized Annihulus all over the place.

Yost Captain America then threw his shield at Annihilus.

CLANG!

It hit him in the face.

Me: Tony lets hit him with some teamwork.

Yost Iron Man: You got it!

Me and Yost Iron Man: MAGNA ENERGY REPULSOR!

Me and Yost Iron Man fired a massive energy blast and it hit Annihilus and blasted him apart all over the place.

Yost Iron Man: So that was a combo attack?

Me: Yep. One of the important fundamentals in our team is to always work together.

Nico: That's right. Divided we are weak but united we are strong.

Yost Iron Man: I like it.

Yost Hawkeye: (firing arrows at Annihilus) WHY? WON'T? YOU? DIE?!

Me: Your arrows are not gonna work Hawkeye!

Nico: I have an idea.

Nico raised his hands into the air.

Nico: SHARE YOUR ENERGY WITH ME!

Me: The Spirit Bomb!

Eli: Yeah this will get him!

Me: Everyone lets hold him off while Nico gathers enough energy.

We fired waves of elements and energy and Nico formed a Spirit Bomb that was powerful enough to destroy Annihilus.

Nico: It's ready guys!

Nico fired the Spirit Bomb and it slammed into Annihilus and it exploded with incredible power and force and completely obliterated him in an instant!

Bloom: YEAH!

Nico: That was awesome!

Yost Hawkeye: There! He's dead!

Me: Thank goodness.

Bloom: Yeah!

We powered down.

Eli: One last thing.

His spirit appeared.

Eli went over to him and drew a kanji on him.

Eli: UZUMAKI BLACK JUDGEMENT SECRET ART: BLACK GATES!

The spirits of all the people Annihilus killed came and he was found guilty and banished to oblivion forever!

Nico: YEAH!

Yost Iron Man: Was that the Black Gates technique?

Me: Yep that was it.

Maria: It's really powerful.

Yost Captain: Princess Celestia, this might sound weird coming from me. But after the past few missions, I've come to see you as a big sister.

Princess Celestia: Oh I am honored you think that Steve.

Nico: That is always awesome to hear.

Eli: It sure is.

Yost Wasp: Oh right we didn't ask this before. When is the big day for all of you to come here?

Me: We're projecting June 21st.

Nico: The first day of Summer.

Laney: That is gonna be awesome.

We later came back.

May: How did it go guys?

Nico: Really well.

Me: It was awesome. We killed Annihilus.

Eli: And he is gone forever.

Hunter: (German Accent) Wunderbar! At least we have seen the last of him ja.

Nico: Yes we have.

Bloom: Thank goodness.

We told everyone about what happened and it was awesome.

May: Wow that was awesome.

Nico: Gali, in two days, your Ambassador missions are next.

Gali: Awesome! I can't wait to see where I'm going. I heard it's one of the Kamen Rider series.

Me: Yep and it's for Hibiki.

Then the Alarm Sounded.

Me: Uh oh! Perfect timing. I got a new Kamen Rider transformation to show you.

Hunter: Mein gott! The attack is at the mall!

Nico: If it's another terrorist attack I'm going to scream! Lets go!

We were off to the mall.

We were flying. Then Albedo came.

Rajan: Albedo, not that I'm complaining but why are you with us today?

Albedo: Azmuth said that to add to my punishment, I have to spend 1 whole day with you guys.

Maria: Sounds fair enough.

Me: That's fair too.

Nico: Awesome.

We arrived at the mall and we saw a bunch of kids all badly hurt and beaten up.

Me: Oh man! These kids have all been thrashed!

We saw Maria Santiago and a bunch of nurses healing them.

Ronnie Anne: Mom what happened!?

Me: Hola Mrs. Santiago. Did terrorists do this?

Maria Santiago: Good news and bad news. The good news is that it's nont another terrorist attack.

William: And the bad news?

Maria Santiago: It's still not good!

We saw our old enemy Francis Grayhane beating up the kids in the mall!

Me: Francis!

Nico: I thought he was in prison!

Laney: That big ugly freak!

Me: Let me show you all this. HALF CENTENNIAL HENSHIN!

I put on a belt and I turned into my NEW KAMEN RIDER HALF CENTENNIAL FORM!

Me: YEAH!

Nico: WHOA! That is cool!

I had my Phoenix Sword ready.

Eli: Wow! But is this Decade?

Me: It's Decade but I call it Half Centennial. The reason for that is because Kamen Rider has been on since 1971.

Tommy Oliver: Wow! So it has been on in Japan much longer than Super Sentai?

Me: Just by 4 years. You would be amazed at how long it was on.

Nico: Wow! But that is a very understandable reason. You have all 50 years of forms at your command. That is cool!

Laney: It sure is.

Me: Yep. Now watch.

I activated KIVA!

Computer: KIVA!

I summoned a copy of Kiva.

Trypticon: Trypticon will thrash Francis!

Nico: You do that big guy! I'll get the Boo Box!

Lincoln: It's at dad's restaurant Nico!

Albedo: I'll help get it!

Albedo turned into NEGATIVE XLR8!

ZOOM ZOOM!

Nico and Negative XLR8 used their speed and ran to get it.

I punched Francis all over!

Timmy Turner bit Francis in his arm and kicked him in the face!

DING!

I kicked Francis in the crotch and he screamed like a little girl!

Phoenix: (From inside my crest) That will show him!

Francis: Knudson? That's you, isn't it? I recognize that annoying fighting style anywhere.

Me: Nice to see you haven't forgotten me Francis. I'm amazed you were able to recognize me after all this time.

Metroplex: (Scottish Accent) Yes, lad, and he's also a monster according to you. (Francis growls at him) Hey, I already have you figured out, don't I?

Me: Yes you do Metroplex. Good insult there.

Metroplex: Thanks laddie.

Nico and Negative XLR8 came back with the Boo Box.

Nico: Got it.

Me: Lets see how he likes this first.

I slashed the kanji for Bastard into Francis's forehead.

子なし

Syd Chang then tied up Francis with vines and then Carol and Lori put him into the Boo Box with him kicking and screaming and we closed the lid and Eli used the Force to give him a nasty nightmare fest.

Lincoln: Let me spice things up a bit.

Lincoln turned into SHADOW LINCOLN!

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Francis Grayhane. Now, the future is a cold nightmare.

Me and Nico had shivers coming down our spines and icicles too as Lincoln fired two massive dark energy blasts from his massive black angel wings, and they hit Francis, and we also knew that the dark energy blasts also had a curse inside them. He was cursed with Eternal Life Without Eternal Youth and Plagued By the Demons of The Past and Eternal Nightmares!

He was screaming like a banshee in fear.

Gulper: Gulper need soda after all that.

Maria then pulled out a cooler and gave Gulper some.

Maria: Here Gulper.

Gulper: Thanks Maria.

He guzzled it down

Nico: That was really awesome though.

Me: It sure was. First time ever doing that.

Eli: It sure was. Wow! Bro you were awesome as a Decade Kamen Rider.

Laney: That was so cool. But I had no idea that Kamen Rider was around for 50 years now.

Me: It sure is neat. And Gali starts the series of Kamen Rider Ambassador Missions soon. Then Nokama after Hay Lin for Kabuto.

Kabuto Yakushi: That will be awful to see.

Me: Yep.

Then New Wave, Count Nocturne, Zs'Skayr, Drakkon, Xaldin, Vulture, Brass Knuckles, Private HIVE, Fireor, and Dumbbelltron appeared.

New Wave: Can me, Count Nocturne, Zs'Skayr, Drakkon, Xaldin, Vulture, Brass Knuckles, Private HIVE, Fireor, and Dumbbelltron go with you guys?

Nico: You all sure can.

Lord Drakkon: Whoa J.D. is that you in there?

My helmet vanished.

Me: Yep it sure is Drakkon. How do I look as a Kamen Rider for Decade?

Lord Drakkon: Wow! You look awesome! It'll be amazing to meet them.

Nico: It sure will and we owe them big for helping us during the 20 Days of Darkness.

Laney: We sure do.

Nico: And I have just the mission for us. We're going to the town of Imperfection.

Eli: You mean that town with Humans and the Uglydolls living together in harmony? Oh wow!

Me: That was a great movie!

Nico: Yep.

Xaldin: That is awesome. (Sees the kids beaten up) Whoa what happened to all the kids there?

Me: Francis Grayhane that's what.

Lana: He's in here. Feel free to take him to your prison.

Lord Drakkon: Thanks.

They beamed him there.

Nico: Before we head out we'll watch the movie for UglyDolls. And I have something to show you all before that.

We went back to the estate.

We arrived back at the estate.

Cheetah: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to meet a gene-slammer for one of Fasttrack's kind

next.

Shanan: A gene-slammer for a Citrakayah next. That will be awesome to see.

Nico: Yep. Be right back.

Nico went to his room and came back out with a box and in it was a bunch of UglyDolls.

Lana: Cool!

Nico: This is my collection of UglyDolls. It's my secret hobby.

Xaldin: That's cool Nico.

Me: Wow. These are awesome.

Eli: They are so cool.

Lola: So adorable! I don't care if they are ugly or not these are awesome.

Nico: Thanks guys. Lets watch the movie.

Nico went and got the movie and we were watching it.

In a hidden universe within a toy factory, deformed dolls, or Uglies/UglyDolls, are dropped into a tunnel leading to the secluded town of Uglyville. Among these dolls is Moxy, who dreams of the 'Big World' and being loved by a child, despite Uglyville's Mayor Ox assuring her this concept is a myth. One day, Moxy enters the tunnel to find her way to the Big World, followed by the town's cynical chef Wage, easy-going Ugly Dog, shy wiseman Lucky Bat, and soft-hearted giant Babo.

The UglyDolls discover the Institute of Perfection, where Perfect Dolls (or "Pretties") are rigorously trained. The vain and superficial leader of the institute, Lou, tells Moxy and her friends that they cannot hope to pass the training for the Gauntlet - an obstacle course based on a human house, which determines if a doll will be allowed to use the portal to the Big World. Faced with Moxy's positivity, Lou relents and lets them train; however, he sends his three Spy Girls to find out where Moxy's group came from.

The Uglydolls's first days of training end in disaster. Mandy, one of the Pretties, sympathizes with them, as she has poor eyesight but can't wear glasses for fear of being labeled 'ugly' and put in the dreaded recycling center. She gives them some pointers, and helps them dress the part of a 'perfect doll'.

The Spy Girls return with a kidnapped Ox, and Lou makes him admit to Moxy he actually knew about the Big World, as he had once trained with Lou for the Gauntlet and nearly passed. However, the Pretties turned on Ox, and Lou sent him down the tunnel, claiming he thought it led to safety. Ox found the recycling center there; seeing other dolls like himself being shredded up, he rerouted the tunnel and founded Uglyville at the other end.

Demoralized by the realization they are factory rejects, the entire town of Uglyville falls into despair, and Moxy resigns herself to her fate. Mandy visits and encourages Moxy to keep her faith, as it has given all the imperfect Pretties hope that they might succeed. Moxy and Mandy try to return to the Gauntlet, but are waylaid by Lou, who has unblocked the recycling center. He leaves Mandy and Moxy to be shredded, but Ox learns what has happened and rallies the Ugly Dolls to rescue the pair.

The entire population of Uglyville arrives at the Institute on the day of the Gauntlet. Moxy, Mandy, and several Uglies demand to be allowed to participate. Lou announces he and several others will run with them, secretly planning to sabotage the Uglies' chances. However, once in the Gauntlet, Lou shows his true colors as a coward, abandoning his comrades and leaving them to be saved by the Uglies.

Lou loses everyone's respect completely when he kicks a robot baby, making it cry. Moxy comforts the baby instead of finishing the course, prompting all but Lou to do the same. The system automatically passes them, since a Doll's true purpose is to make a child happy. Lou, however, is failed despite finishing the course, and is forced to admit he is only a prototype and forbidden to leave the factory. When he saw Ox nearly pass the training, he couldn't bear to see an Ugly go to the human world when he, supposedly perfection itself, could not. He sabotaged Ox so he'd hopefully be killed in the recycling center.

Seeing everyone has turned on him, Lou smashes the portal to the human world out of spite. The Pretties capture and put Lou in a washing machine as punishment, but the portal is irrevocably destroyed. The Uglies and Pretties work together to build a new, permanently-open portal that does not require any training to pass back and forth through. They combine their towns into the City of Imperfection, still led by Mayor Ox. Moxy finally passes through the portal and is placed in the arms of her perfect child, Maizy, who has the same missing tooth as Moxy does.

During the credits, it is shown that several Uglies and Pretties have found their perfect human, while a bedraggled Lou has been demoted to janitorial duty.

---

When it was done we cheered wildly!

Nico: Awesome!

Me: Great movie! So our target must be Lou.

Lord Drakkon: Yeah.

Me: Darn shame this movie was a box office bomb though. Those blockhead critics.

Eli: Yeah.

Nico: Guys, before we go after Lou, I've got 4 more Zenkaiger Gears.

May: What are they, honey?

Nico: Hurricaneger, Dekaranger, Gekiranger, and Shinkenger.

Me: Cool!

Nico: Which ones do you all want?

Fluttershy: Um I'll use Gekiranger.

Sunset Shimmer: I'll use Shinkenger.

Sheila Castille Loud: I'll use Dekaranger.

Naruto: And I'll use Hurricaneger.

Nico: Awesome.

Me: Yeah.

Nico: Lets head out for the city of Imperfection.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed an energy signal, and he saw who the figure was in the vision: it was none other than hated enemy of Michigan, Anthony McCann, he's broken out of prison, and he wants revenge on The Louds and Maggie Albtraum for throwing him in prison, along with Kara Henderson, Cheryl, and Chandler. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and none of us are going to like it one bit, including Maggie Albtraum: the energy signal I sensed belonged to Anthony McCann, hated enemy and public menace of Michigan. He's broken out of prison, and he wants revenge on me and my family and Maggie Albtraum for throwing him in prison, and he's also included Mrs. Henderson, Cheryl, and Chandler.

We gasped in shock.

Nico: What?! How did that asshole break out of prison?!

Lincoln: He broke a prison guard's neck and ripped his head off his shoulders, and then, he unlocked the doors of his cell, and before he escaped, he murdered a couple more prison guards, along with a couple of inmates.

Me: (Horrified) My God.

Kara Henderson: I can't believe it. That monster ex-husband of mine's broken out of prison, and he wants revenge, just how much longer can we even deal with this?!

But, out of all of us, Maggie Albtraum was extremely enraged that Anthony McCann has broken out of prison.

Maggie Albtraum: (German Accent) Why, that dirty, rotten, no-good, murderous, backstabbing, evil, lying, manipulative, conniving, out-of-control, miserable bastard!

Lincoln: Oh no, and I haven't forgotten that Maggie's had a deep hatred for both Flip and Anthony McCann.

Nico: Not good.

Maggie Albtraum: (German Accent) Lincoln, if it's not too much to ask…

Lincoln: Not a problem, Maggie. I'm going to help with taking down Anthony McCann, but this time, he's going to get the Nightmare Demons' Vengeance Curse, and he'll be thrown in a special prison: one for narcissistic assholes who step on others to get what they want.

Nico: Yeah, we call it The Oberon Prison for Narcissistic Assholes, it's a special prison we built on Oberon, one of the moons near the planet, Uranus, and this newly built prison, just like Lincoln said, is for narcissistic assholes who step on others to get what they want, and they're not above resorting to murder and intimidation to also get what they want.

Lincoln: This is something Nico and I were working on, and I knew that one day, Anthony McCann will escape and try to take revenge on me, my family, and you for arresting him and getting him thrown in prison, Maggie. And he'll be the first prisoner that we send there, and he'll rot in that prison for the rest of his life.

Maggie Albtraum: (German Accent) That's perfect.

Lincoln: Break out of prison to take revenge me, my family, and one of my future wives, along with his own family that he left forever broken and left a mark of evil on his own son, will he? He's going to regret the day he was even born.

Maggie Albtraum: (German Accent) Never again will that monster be free to terrorize Michigan and Gotham Royal York ever again!

Nico: You got that right, alright, everyone, let's go.

We were off.

---

We were flying.

Xaldin: It's supposed to be called UglyDolls, not Ugly Movie.

Me: Well it was a Box Office Bomb, Xaldin what did you expect?

Xaldin: True.

We arrived at Imperfection.

Nico: Wow!

Me: So this is the city of Imperfection.

Woody: Wow! My kind of place.

Laney: It sure is awesome.

We landed in the city.

Bruiser Cruiser: They don't look THAT ugly.

Lucy Loud: No they sure don't. Also they look as amazing as Ickis, Krumm, Oblina and friends.

Oblina: Oh thank you Lucy.

Me: They are really awesome.

Moxy then came.

Moxy: Wow! Team Loud Phoenix Storm! It's a true honor!

Nico: Moxy it's awesome to meet you too.

Mandy (UglyDolls): You guys are awesome.

Lola: Thanks Mandy. We all think that Uglies and Pretties are perfect together.

Mandy (UglyDolls): Thanks Lola.

Brass Knuckles: Can we see the others?

Moxy: Sure.

We followed them and we met Ox, Wage, Babbo, Tuesday, Lucky Bat, Kitty and Lydia. They were awesome.

Me: Awesome to meet you all.

Nico: I loved collecting you all ever since I joined the team and it's awesome to meet you all in person.

Babbo: Glad you love us Nico.

Lucky Bat: Yeah you are a truly great friend for us.

Lola: Yeah you guys are awesome.

Moxy: We're glad you all could come. Lou is in hiding.

Me: I had a feeling he would be hiding somewhere.

Babbo: Even though Team Buktu helped defeat that so called Air Darkside here a few weeks ago, I knew Albedo was the only genuine one.

Jindrax: I was wondering where they faced the Air one.

Me: That is amazing.

Eli: It sure is.

Laney: Yeah.

Tuesday: To be honest, I didn't buy anything they said for a second there. I'm glad you all stopped them. Like J.D. said, there is only room on Earth for ONE TRUE Team Loud Phoenix Storm and you guys are it.

Nico: That is a fact!

Aqua: It's true. And Tuesday I love your blue hair. It goes great with mine.

Tuesday: Thanks Aqua.

Count Nocturne: Let me guess. Only Albedo was concerned about the casualties, right?

Moxy: That's right.

Albedo: Yep.

Me: Wow.

Eli: Awesome.

Me: Have you all been watching all of our adventures from day one really really closely?

Moxy: We sure have and to be honest we don't buy anything bad the villains have said about you all over the years. You all are great heroes and have done all sorts of great things out of the very goodness of your hearts.

Nico: That means a lot to us.

Me: It sure is.

Moxy: Yep and about that mission you all have been on in Paris with Hawk Moth that was really tough but you all were tough to go through with that. I'm sorry Lila Rossi did that to you all.

Me: It was something we didn't expect.

Lily: That was true.

Moxy: That's right.

Ashi: I don't think you guys are ugly at all. You know what's ugly?

May: What?

Ashi: Californian condors.

We laughed.

Me: Those birds are very ugly.

Nico: It's true.

Jet Vac: You know what else is ugly? Vultures, Nature's Cruelest Mistake.

We laughed some more.

Moxy: That is awesome.

Troy: The Battle against Hawk Moth wasn't all rough on us. All the Powers Rangers before Beast Morphers, including me, got a chance to shine.

Nico: That's true. That was awesome seeing you all in action.

Me: And that was long before we had recruited some of the Japanese Ranger Teams.

Eli: That's right. That was awesome.

Hay Lin: (to Vulture) No offense, Adrian.

Vulture: None taken. Don't forget that tomorrow, I'm going on your next mission. I hope I get to see my Yost counterpart.

Nico: That is gonna be cool.

Laney: It sure will be awesome.

Me: Yep.

Nico: Before we get our mission underway what can you tell us about Lou?

Me: We know that he is a Xenophobic Egotist but we don't know the full story.

Moxy: He is a bad doll.

Moxy told us about him.

---

Louis, also known as Lou, is the main antagonist of STX Film 2019 animated musical comedy film UglyDolls, which is based on the plush toy line brand of the same name.

He is a perfect doll and the arrogant leader of the town of Perfection who intends to have every doll in the town to be perfect and he wants to get rid of the UglyDolls for falling short of his standards. He is also Ox's former friend and the arch-nemesis of Moxy.

He was voiced by Nick Jonas, who also played Boone Clemens in the first season of Scream Queens and Ian Wright in Hawaii Five-O.

Near the end of the film, Lou reveals that he was created as a prototype doll (meaning that he is not a real doll, which is mentioned by Lydia), meant as a mold for the rest of the Perfection dolls that came after him. His job is to help the other dolls find their human match in the Big World. However, he can never leave Perfection, and over time, he grew bitter as everyone always left him.

When he first arrived at Perfection, he met Ox, the now-mayor of UglyVille and they became good friends. However, when Ox started contributing to the failure of other dolls in classes and challenges, they turned on him. Eventually, Lou brought Ox to the trash compactor chute, and Ox left for what eventually became UglyVille.

Lou began to create his cult of personality, substituting the love he knew he would never receive from a human child for the love of all of the dolls who enter Perfection.

The UglyDolls first meet Lou when they travel to Perfection when he sings "The Ugly Truth" to a crowd of new arrivals. Large crowds of them chant Lou's name while his name flashes on giant screens. Dolls-both male and female-yell that they love him and swoon at the sight of him. He came over and looked at each doll, and calls them "ugly". His Backup Singers sings to Nolan (who was wearing an "UGLY" sign) than Lou froze. he pretends to compliment the UglyDolls but quickly makes it clear that he finds them ugly (thanks to his Backup Singers). He tells them that they do not belong in Perfection and advises them to leave.

The UglyDolls decide to stay in Perfection, which he only allows to keep up appearances of being a benevolent leader where he has Mandy bring them to a storage shed, which is where they'll be staying while they remain in Perfection.

When Lou starts teaching a class on how to be a proper doll, the UglyDolls start playing with glue. He tells them they passed the test and tricks them into jumping into the washing machine. Lou tells them that the goal is to avoid making a mess, because otherwise they get put in the wash, and eventually, their child's parents will throw them out.

During their time at Perfection, the UglyDolls are unable to avoid getting messy and continue to be thrown in the washing machine by Lou.

Lou sends the Spy Girls to UglyVille to kidnap Ox and bring him back to Perfection. He has Ox tell the other UglyDolls the truth about the assembly line. The UglyDolls were supposed to go to the incinerator, but Ox had boarded up the chute. This, Lou says, shows that the UglyDolls aren't meant to exist, and shouldn't even try to graduate from Perfection and go to the Big World. Lou succeeds in demoralizing the UglyDolls, who return home.

Lou meets the Spy Girls in the tunnel after they kidnap Moxy and Mandy. He says that he knows that as long as Moxy is still around, she will not stop trying to get to the Big World and she'll keep trying to inspire other UglyDolls. Lou throws Moxy and Mandy down the incinerator chute, leaving them to die.

When the UglyDolls return to Perfection and enter the Gauntlet, Lou tells them that he'll run it with them; he doesn't need to win, he just needs to make sure that they don't. In the Gauntlet, Lou lets Nolan get taken by one of the mechanical dogs, and pushes Tuesday into a vacuum cleaner to save himself. In the kitchen, Lou pushes a box of detergent to crush the UglyDolls.

Near the end of the Gauntlet, Lou gets caught by a mechanical baby and kicks it in the face. The baby starts crying and the Perfection dolls-who are watching the Gauntlet challenge on the stadium screen-turn against him.

Despite being the only doll to cross the finish line, Lou fails the Gauntlet while the others, UglyDolls included, pass. Lou reveals his backstory to the UglyDolls and takes a knitting needle to destroy the portal to the Big World.

As Lou is about to destroy the portal, he is confronted midway by Ox, and the two engage in a conflict until Lou thrusts his knitting needle to the portal, making a crack and eventually an explosion that blasts away both Lou and Ox. Lou managed to fully destroy the portal, despite Ox's attempts to stop him, but he is stopped by Lucky Bat, who beats him up with the same knitting needle that Lou is holding, Babo and Wage catch Lou and throw him to the robotic dog.

Moxy is now commanding the other dolls and asks the other dolls for suggestions on what to do with him. Among the responses, she gets things like "tear the stuffing out of him", "let the dog have him" and/or "give him back to the baby". Lou asks for a second chance but he is ultimately thrown in the washing machine by Nolan (a doll who was called "Ugly" by Lou in the song "The Ugly Truth"). Later, the UglyDolls and the Perfection dolls fixed the portal by putting the pieces back together, then made peace, and merged their hometowns together to create the town of Imperfection, and Moxy finally goes through the portal, where she is put into the arms of her special kid, a little girl named Maizy who is revealed to have an imperfect mouth like Moxy's, much to her elation.

In the end credits, Lou (who is now messy and no longer perfect) is relegated to working as a janitor, where he is seen cleaning up the mess as he is being watched by a robotic dog.

---

When she was done we were shocked!

Me: Whoa!

Laney: Lou has problems.

Judy Hopps: He also reminds me of former Deputy Mayor Bellwether.

Nico: I was just about to say the exact same thing.

We walked around.

Grinnade made video game noises, amazed by the city of Imperfection.

Moxy: It sure is a cool place.

Me: It's amazing that you both merged the city together into one.

Nico: Yep. You guys are all perfect to live together in harmony like this.

Moxy: Thanks guys.

Eli: I'm sorry that Lou did all that to you though.

Tuesday: It's all right Eli. But thanks for your concern.

Private HIVE: Permission to be shown around this city of yours?

Moxy: Granted.

We all were shown around Imperfection and it was amazing and cool.

Me: Wow.

Laney: This is an awesome city.

Lola: It sure is. It's much better when it's all together instead of just being Uglyville and Perfection.

Moxy: Very eloquently put Lola.

Lola: Thanks.

Vice: In my opinion, both cities are no good seperate.

Me: I agree on that one too Vice. Like what happened back during the Civil Rights times years ago.

Nico: That was awful. But I agree there.

Laney: Yeah. Both cities like this together is much better.

Moxy: That is true.

Fireor: What do you guys eat around here?

Moxy: We don't have very much food here unfortunately.

Me: No sweat. I can make us some grub.

Nico: Me too.

Moxy: Good call. We saw your imagination powers in action and they are cool.

Me: Thanks Moxy.

Me and Nico made a burger buffet for us and it was perfect. Also I made a Chili Fry pile for Ben and Albedo.

Nico: Awesome! Lets eat.

Shaggy: Like oh boy!

Marie Kanker Loud: Lou might seem like a perfect doll. But he's really a prick.

Me: He's worse than that.

Luna: He reminds me of Michelle and Doug.

Me: Yeah.

Lana: Those two jerks and him would get along great.

Nico: They sure would.

Albedo, Ben and Shaggy were eating chili fries all over and they were hungry.

Moxy: Lou is an absolute dirtbag. He destroyed our portal to keep us divided.

Me: Well what a total jerk.

Lord Drakkon: Too bad for him, you guys managed to rebuild the portal.

Me: Yeah thank goodness. All his plans got flushed down the toilet.

Nico: Yep and we're going to make sure those plans stay flushed forever.

Laney: He needs to be locked up forever.

Eli: Lock him up and throw away the key.

Me: Yeah and that's what we're going to do.

Shield Shredder: Where's he at right now?

Eli: (Concentrates) He is 2 kilometers north northwest and coming.

Me: Then we should get ready.

Nico: Good idea. Lets get ready. It's entrance time.

Moxy: Yeah!

Dumbbelltron: Let's make sure he's nowhere near the portal.

Nico: The portal is right behind us. So we're ready.

We got to hiding and then we looked and saw a figure coming and it was LOU!

Nico: There. Lets go.

We went at him.

Lou saw the portal.

Lou: Soon this city will be mine and I will destroy all those uglies!

Then the spirits of the Soldiers of the Elements appeared and swirled around him and then converged and then…

THUNDERCLAP!

A massive blast of lightning blasted out and a Thunderbird cry was heard and we came out.

Me: Lou you are in really big trouble!

Nico: No one divides a city and gets away with it!

Lou: (to the UglyDolls) You know, everything was fine until you Ugly Morons fucked everything up.

Lola: You did that to yourself!

Me: Yeah!

Lou: Oh, what are you so mad about? I didn't even call you the U word!

Starlight Glimmer: She's mad about you trying to divide the two cities!

Me: You are a menace to all dolls everywhere!

Laney: And you are never gonna be welcome here!

Moxy: We didn't mess this world up! YOU DID!

Me: You need to go away forever.

Zs'Skayr: You're just like the rest of Team Buktu. Posing as someone perfect when you're really rotten!

Nico: If there's one thing I despise more than anything else it's Xenophobic Dirtbags like you!

May: Yeah!

Me: It's monsters like you that make me sick!

Laney: Yeah! Your heart if you have one is black as night!

Me: Hey Nico watch this.

I aimed my butt at Lou.

Me: Nico pull my finger!

Nico: Okay.

Nico pulled my finger and then…

FFFFFFAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAARRRRRRRRRRT

I farted out a blast of white hot fire and it hit Lou and burned his face!

Lou: OUCH! What the hell was that!?

Me: I had more of Chief Wiggum's chili before we left.

Then Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Sportsmaster, Mummy, and Diabolico appeared.

Nico: Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Sportsmaster, Mummy, and Diabolico.

Shiva: What smells like burnt plastic here?

Me: Lou because I farted in his face.

Killer Shrike: How's your day with the others doing, Albedo?

Albedo: Actually, very well.

Wolf: That's good.

Captain Boomerang: It'll be even better once Lou's taken down.

Nico: Boy you can bet on that.

Crimson Dynamo: (to Nico) We heard you faced the Headless Horseman.

Nico: Yep we sure did.

Shiva: How did you beat it?

Nico: I didn't. My friend Francine Florington here did it.

Me: It was awesome.

?: Boy that is cool.

A figure came out and it was ANIDARA MAXIMOFF from episode 18 of LupinRangers VS PatRangers!

---

Anidara Maximoff is an alpaca-themed Gangler Monster and is one of the three antagonist the others are his younger named Odordo Maximoff and Togeno Aves, but he's the main antagonist in episode 18 of 2018 TV series called Kaitou Sentai Lupinranger VS Keisatsu Sentai Patranger. Also he was equipped with these two treasures which are a Trigger Machine Crane and a Handheld MTD-like treasure called Le coup de chance.

He is voiced by Kenichiro Matsuda who previously voiced Yokai Mokumokuren from 2015 TV series called Shuriken Sentai Ninninger and later voiced the Music Jamen from 2020 TV series called Mashin Sentai Kiramager.

One of the Smash Brothers, Anidara and his brother Odordo were discussing how they could use their collection pieces to cause more damage than before when they were caught in the battle between Rabroom Jaws and PatKaiser. While his brother managed to get away, Anidara was crushed by PatKaiser and destroyed, leaving Odordo to swear revenge on the Patrangers.

His Gangler safe was recovered from the inside of the Trigger Machine Crane by the Global Special Police Organization Japan Branch.

He was later revived and enlarged by Goche Ru Medou, at the behest of Destra Majjo, who gave Anidara a piece of his Lupin Collection to avenge his brother. Sending a duel challenge to the Patrangers, he waited impatiently for the cops when the Lupinrangers arrived for his collection piece, only to get ambushed by the Patrangers, who arrived earlier to set a trap for the thieves so they could acquire the reluctant GoodStriker, who's power was needed for the duel. Unfortunately for both teams, Anidara barraged them with missiles upon seeing the cops. The Patrangers attempted to formed PatKaiser, but Trigger Machine 1gou was knocked off by the Red Dial Fighter, forcing Lupin Red to deal with two cops and Patren 1gou could only spectate while fighting the remaining thieves. The skirmish in the cockpit proved to make it easier for Anidara to attack, but he lost the upper hand after Lupin Red deployed the Blade Dial Fighter and opened his safe (which his password is 5-1-4). His MTD-like treasure called Le coup de chance (which translate as "A stroke of luck") was reclaimed by Lupins Blue and Yellow, who used his safe as shelter from Patren 1gou's laser blasts. Piece retrieved, he met his end via Lupinkaiser Cyclone Knight.

---

Kairi Yano: Anidara Maximoff!

Anidara Maximoff: Been a while rangers.

Me: I remember you! You were sent to destroy much of the city as possible and you were caught in the battle with Raboom Jaws and the PatKaiser. And you were inadvertently crushed by it. And made giant right off the bat.

Anidara Maximoff: Yep. Good memory.

Me: That was strange though.

Anidara Maximoff: This might be my first time facing you guys normal sized.

Kairi Yano: No kidding.

Keiichiro: Yeah that will be nice.

Lincoln and his harem: UGLY ANIMAL FINAL SMASH: UGLINESS RAMPAGE!

They summoned the ugly animals to attack Lou and they smashed and pulverized him all over the blasts pulverized him into pulp.

Lincoln: It's over for you, Lou. And I've got just the curse for a Xenophobic Egotist like yourself.

Suddenly, Lincoln was surrounded by a massive vortex of magenta, violet and violet-blue, and several other shades of purple energy with sparkles, and when the vortex faded and Lincoln emerged, the 7'5" tall, handsome, and extremely muscular man's long, white hair that reached the bottom of his neck turned magenta except for the rainbow lightning bolts on the bangs, his deep sapphire blue eyes and the rainbow iris of his Third Eye of the Buddha on his forehead turned deep violet, the eight large orange orbs orbiting around his legs turned magenta, his large blue pants had turned purple, but the rainbow colored lightning bolts on them remained the same, his massive orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs turned magenta, his orange version of He-Man 2002's loincloth and long orange trenchcoat coattails with elemental forces, thunderbirds, buffalo, and angels turned magenta, and his massive deep sapphire blue angel wings with stars turned deep magenta. Lincoln has transformed into MYSTIC LINCOLN, The Elemental HERO of Magic.

We were amazed by Lincoln's new Elemental HERO form, along with the Magic Skylanders, and when his harem saw it, they had atomic red blushes on their faces, including Twilight Sparkle.

Twilight Sparkle: Whoa, Linky's transformed into his new Elemental HERO form, that's so amazing!

Spyro: And it's inspired by the Magic Skylanders and you as well, Princess Twilight, and he also has talents in magic as well. That's so awesome!

Suddenly, we saw sparkles and orbs of magic and orbs of elemental forces surrounding Lincoln, and we know what it meant: he's going to use a new curse on a Xenophobic Egotist like Lou.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Lou. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song, and we also had further chills going down our spine when we saw the skies turn magenta with the many constellations in the skies, along with elemental forces. Then, Lincoln fired powerful blasts of magenta energy and magic from his massive angel wings, and as they hit Lou, he was suddenly then imprisoned inside a prison made of magical diamond surrounded by orbs of elemental forces and orbs of magic which'll keep someone from trying to free Lou.

Nico: Holy crap, Lincoln, what was that new curse you put on Lou?

Lincoln: That, Nico, is known as Hecate's Mystic Vengeance Curse, it's a new curse I created when I acquired my new Elemental HERO form, Mystic Lincoln. Here, let me update the list.

Lincoln updated the list, and put in his Mystic Lincoln form, and he put up the new curse that he created: Mystic Lincoln: Hecate's Mystic Vengeance Curse - Lincoln fires powerful blasts of magenta energy and magic from his massive angel wings, and as the blasts hit a Xenophobic Egotist, they're immediately imprisoned inside a prison made of magical diamond surrounded by orbs of elemental forces and orbs of magic which'll keep someone from trying to free the prisoner.

We were amazed by the new curse Lincoln came up with, along with his new Elemental HERO form.

Nico: Wow, that's so awesome, Lincoln.

Lincoln: And that magical diamond prison is also surrounded by orbs of elemental forces and orbs of magic which'll keep someone from trying to free him.

Me: So, it also has a security system surrounding the diamond prison, that's what I call creative imagination in use.

Nico: You said it, J.D., so where are you going to send him to, big guy?

Lincoln: Hmm, we can't keep him here since we'll be pretty annoyed by hearing his voice. So, I'm going to send him to a new prison.

Lincoln beamed him to a new prison: The Naiad Prison for Xenophobic Egotists, it's a newly-built prison on Naiad, one of Neptune's moons, and it's reserved for Xenophobic Egotists. Lincoln put Lou's prison there, and it'll be where he'll spend the rest of his life there, frozen forever in time in magical diamond, and he'll never be free again.

Lincoln: There we go, I sent him to the newly built Naiad Prison for Xenophobic Egotists, it's a newly-built prison on Neptune's moon, Naiad, and it's reserved for Xenophobic Egotists. He'll never be free ever again, Nico.

Me: Good, I hate people who divide people like that.

Nico: Same here, J.D.

Selene Slytherin: That brat, Lou, reminded me of both Nor and Layla, he's been nothing but a total nightmare to the UglyDolls. Ooh, I wonder if he'll do the same thing to Nor and Layla?

Lincoln: If those two show up, then, that's exactly what I'm going to do to them, Selene.

Nico: That's even better, seeing those witches put into those prisons for all eternity and imprisoned for all eternity far from Earth, that'll teach them.

Lincoln changed back.

Billy Numerous: That's it for Lou.

Deker: Better to be locked up then dead.

Sportsmaster: Babo, how would you and your friends like to join the team?

Babo: For real?!

Mummy: The cities of perfection and imperfection can join Gotham Royal York too.

Diabolico: But it's really your choice in the end.

Moxy: What do you guys think?

They thought it over and then they nodded.

Moxy: We'll go with you all.

Me: Awesome!

?: I will destroy you Louds, along with my former family, and all of you if it's the last thing I ever do!

Suddenly, the eight large planets and stars orbiting around my legs, the eight large orange orbs orbiting around Lincoln, Linka, TLPS Ms. Tarantula's, and Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the eight large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the eight large crimson red orbs orbiting around Naruto and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lucy, Lars, and Dudley Puppy's legs, the eight large pink orbs orbiting around Lola and Lexx Loud's and Steven Universe's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight emerald green orbs orbiting around Yakko Warner's legs, the eight large sapphire blue orbs orbiting around Wakko Warner's legs, the eight large hot pink orbs orbiting around Dot Warner's legs, the eight large marine blue orbs orbiting around Liam, Lana, and Leif Loud's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr.'s legs, the eight coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the eight large blue orbs orbiting around Lori, TLPS Mr. Shark, Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Leni and Loni Loud's legs, the eight large yellow orbs orbiting around Luan, TLPS Mr. Snake, and Lane Loud's legs, the eight large brown orbs orbiting around Laney and Larry Loud's legs, the eight large light green orbs orbiting around Lisa and Levi Loud's legs, the eight large lavender orbs orbiting around Lily and Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eight large rainbow orbs orbiting around Rainbow Dash's legs, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eight large white orbs orbiting around Timmy Turner's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our Bracelets of The Champions of the Universe were glowing, and that means we've got big trouble incoming.

Maggie Albtraum: (German Accent) (Growling Ferociously) Damn it, I knew there's no mistaking that voice from anywhere. You can come out now, Anthony McCann.

A middle-aged man came out, he had red hair same as Chandler, dirty mustache, tanned skin, he was dressed in bloodstained orange prison clothes and he had red eyes filled with overwhelming hate and rage. The figure was none other than Anthony McCann, Royal Wood's hated asshole.

Lincoln: Anthony McCann, I was right that you'd one day break out to get revenge on us.

Me: So, that's Anthony McCann?

Nico: Damn, he's exactly what Lincoln, the Louds, and Maggie Albtraum described: a total narcissistic asswipe who doesn't give a damn about anyone but himself.

Kara Henderson: I swore never to see you again after you got arrested, you bastard!

Cheryl Henderson: You were nothing more than a monster who's tormented us constantly!

Chandler: And you turned me into a miniature version of you: you made me bully Lincoln, his friends, and his family, and even worse, try to frame or murder them.

Suddenly, we saw Chandler starting to get angry.

Chandler: (Getting Angry) You've made me turn against Mom and my little sister, and for what, all for your own selfish needs?! (Enraged Screaming) I HATE YOU SO MUCH, AND THAT'S WHY I'M HEREBY DONE WITH YOU FOREVER, ANTHONY MCCANN, SO UP YOURS, ASSHOLE!

We gasped in shock at what Chandler just said to his now former father.

Lincoln: (Stunned) Whoa.

Nico: Aw yeah, you tell 'em, Chandler!

But, this sent Anthony McCann into a rage as he got out a knife, and he had murder in his eyes.

Anthony McCann: You thankless, inconsiderate, little… !

Maggie Albtraum fired a blast of darkness at Anthony McCann, and it hits the narcissistic asshole in the chest.

Maggie Albtraum: (German Accent) I've had it up to hear with you to last an eternity, Anthony McCann!

Suddenly, Maggie Albtraum's dark blue eyes turned neon dark blue, and she was surrounded by a black and pink energy aura with darkness and demons, she unholstered her massive Yubel The Ultimate Nightmare-themed sword from her back, and as she approached Anthony McCann, she left black and pink energy, darkness, and demons with every step.

Maggie Albtraum: (German Accent) You just don't even know when to quit, do you?! You just enjoy pissing people off for your own sick enjoyment! Anthony McCann, I've had it up to hear with you and now, I'll see to it that you get sent back to prison, and you will never be free ever again.

Suddenly, Maggie Albtraum was surrounded by a massive vortex of black and pink energy with darkness and demons surrounding it, we saw Yubel, the Ultimate Nightmare flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Maggie Albtraum emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Maggie Albtraum grew to 6'5" in height, she had the body of a goddess, she has pink highlights in the bangs of her long flowing black hair, she has neon dark blue eyes and a black and pink energy aura with darkness and demons surrounding her, she has Yubel, the Ultimate Nightmare holding the Dark Kanji in its clawed hands emblazoned on her forehead, she has on demon dragon earrings with pink gems for eyes and the Dark Kanji in its claws and her merged Thunderbird Necklace of Eternal Love with pink crystal links from her merged Crystal Necklace of The Buddha and black gems on the gold thunderbolt chain links and a Thunderbird and a demon dragon with pink gems for eyes and the Dark Kanji in their claws for the pendant, she has on a black open vest, pink midriff top with black phoenix on it, black and pink frilly Gothic Lolita skirt, black pants, pink high-heeled sneakers, and a long black sleeveless trenchcoat with demons on the coattails and on the back is Yubel, the Ultimate Nightmare and it's surrounded by darkness and demons, and Maggie Albtraum has on her Ring of The Phoenix on her left ring finger with pink gemstone on the ring and Black Lantern

Ring on her right ring finger. Suddenly, Maggie Albtraum felt a sharp pain on her back, and then, massive black angel wings with pink tips on the large black feathers, sprouted out from her back, along with Yubel the Ultimate Nightmare's dragon wings and the two dragon heads.

Maggie Albtraum's Yubel The Ultimate Nightmare-themed sword changed in a kaleidoscope of black and pink energy and darkness, and when it emerged, it was transformed into Yubel's Nightmare Demon Sword of Dark Justice, it's a new large sword with Yubel, the Ultimate Nightmare etched on the 6'10" massive, wide, double-edged black blade, Yubel's dragon heads with red gems for eyes for the crossguard, large dark blue gem embedded in the rainguard, longer black handle, and four large black dragon heads with red gems for eyes and in their open mouths and a red gem on the bottom of the black dragon heads for the pommel, Maggie Albtraum has on her new gold Bracelets of The Champions of The Universe with pink gems on her wrists and her new Belt of Elemental Bravery with a gold dragon head with red gems for eyes and a large pink gem in its mouth for the belt buckle, large black and pink Spellbook of The Gods and The Universe and large black and pink Spellbook of the Elemental Gods on her left hip on her waist and Eater of Sins revolver holstered on her right hip. There's a pink kanji below Yubel the Ultimate Nightmare that said, "Maggie Albtraum, Goth Girl of Germany, Member of The Goths of Darkness, Gene-Slammer and Ambassador of Yubel the Ultimate Nightmare, Terror of All the Criminal Underworld Organizations In Europe, Guardian Angel and Loving Future Wife of Lincoln Loud, Thrasher of Bullies, Flip, and Anthony McCann, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness and Demons."

マギー・アルブトラウム、ドイツのゴス・ガール、闇のゴスのメンバー、ジーン・スラマー、ユベルの大使、究極の悪夢、ヨーロッパのすべての犯罪的地下組織の恐怖、リンカーン・ラウドの守護天使と愛する未来の妻、いじめっ子のスラッシャー、フリップ、アンソニー・マッキャン、邪悪な、混乱した、殺人的な、冷酷な、そしてサディスティックな野郎の殺し屋、驚くべき強力な教師の驚くべき強力な学生、そして闇と悪魔のマスター

Maggie Albtraum has transformed into SUPER ANGEL INFINITY ULTIMATE NIGHTMARE DEMON DRAGON ANGEL OF NIGHTMARE JUSTICE AND DARK LOVE!

We were amazed by Maggie Albtraum's Super Angel Infinity transformation, along with Yubel, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Anthony McCann saw it, he fell into a homicidal rage and he tried to stab her, but Maggie Albtraum fired a black and pink energy blast, and it hit him and caused him to drop his knife.

Nico: Whoa, Maggie Albtraum's transformed.

Yubel: That's amazing and incredible, this should be one intense fight.

Me: You said it, Yubel, and since Maggie Albtraum hates Anthony McCann intensely, he's not getting out of it alive.

Lincoln: Wow, Maggie, you look beautiful. How do you feel?

Maggie Albtraum: (Divine Echoing Cosmic Demonic Voice of The Ultimate Nightmare Dragon and Dark Love) (German Accent) **I feel incredible, Linky. Now, shall we take care of this narcissistic asshole for good?**

Lincoln: (Smirks) With pleasure.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Maggie Albtraum.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **This will be the last time we ever deal with you, Anthony McCann!**

Lincoln and Maggie Albtraum went after Anthony McCann, and they fired powerful blasts of rainbow energy, black and pink energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, Demons, and Dragons at Anthony McCann, and they exploded with incredible power as they hit the narcissistic asshole. This made Anthony McCann so mad, he tried to attack them with his knife, but the twin dragon heads fired powerful blasts of dark fire at Anthony McCann, and it disarmed him of his knife, and then, they attacked Anthony McCann with their massive swords and marked him with an inverted pentagram on his stomach, and Lincoln tied him up in a rainbow energy straitjacket with rainbow energy chains, so he can't escape.

Lincoln: **You're finished, Anthony McCann, and this time for good.**

Lincoln transformed into Shadow Lincoln, as the 7'5" tall, handsome, and extremely muscular man's long, white hair that reached the bottom of his neck turned black except for the rainbow lightning bolts on the bangs, his deep sapphire blue eyes and the rainbow iris of his Third Eye of the Buddha on his forehead turned deep purple, the eight large orange orbs orbiting around his legs turned ocean blue, his large blue pants had turned black, but the rainbow colored lightning bolts on them remained the same, his massive orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs turned purple, his orange version of He-Man 2002's loincloth and long orange trenchcoat coattails with elemental forces, thunderbirds, buffalo, and angels turned purple, and his massive deep sapphire blue angel wings with stars turned black.

Lincoln: **Shall we perform a duet, Maggie?**

Maggie Albtraum: **Ooh, a duet with you, perfect.**

My eyes and Nico's eyes went wide with shock and horror.

Me: A duet?!

Nico: Oh crap, we always got chills running down our spines whenever Lincoln sang that song, but a duet with Maggie Albtraum? (Gulps) Anthony McCann, you've failed this entire universe, and though they say, May God have mercy on your soul, I don't think you even have a soul worth saving, and you are definitely facing Eternal Damnation forever.

Suddenly, we saw demons and shadows dancing around Lincoln and Maggie Albtraum, and we knew they were going to use the Nightmare Demons' Vengeance Curse on Anthony McCann.

Lincoln and Maggie Albtraum: (Singing Divinely) **I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Anthony McCann. Now, the future is a cold nightmare.**

We all had chills running down our spines when Lincoln and Maggie Albtraum sang that song, and we then saw the skies turn blood red and black with demons flying in the skies.

Then, Lincoln and Maggie Albtraum fired powerful blasts of dark energy and darkness from their massive angel wings, and as they hit Anthony McCann, he was then marked with a demonic dragon on his back and the dark energy blasts would infest his mind with the nightmares and demons of his past created by the curse. Then, Lincoln beamed Anthony McCann to the newly built Oberon Prison for Narcissistic Assholes, where he was put into a separate cell in Solitary Confinement, and he was chained to the wall with rainbow energy chains and Neutronium chains. We cheered wildly for what Lincoln and Maggie Albtraum did as they holster their massive swords on their backs and power down and Lincoln changed back, and Maggie Albtraum's new body, clothes, weapons, jewelry, and massive angel and demon dragon wings are permanent.

Maggie Albtraum: (German Accent) That'll teach that evil narcissistic monster. Thank you for helping me with taking down Anthony McCann, Linky.

Lincoln: (Smiles Warmly) You're welcome, Maggie.

Suddenly, Maggie Albtraum wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Maggie Albtraum's face, they kissed passionately as Maggie Albtraum wrapped her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, Angel, and Demon Dragon flying in the air, along with Yubel the Ultimate Nightmare appearing and flying in the skies, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Nico: Alright, way to go, Lincoln and Maggie.

Lincoln: Thanks, Nico.

Me: And you guys performed one awesome duet, and cursed that asshole.

Suddenly, we heard Anthony McCann scream in pure bloodcurdling fright and unendurable terror as he was confronted by the demons of his past in the form of those he'd stepped on and antagonized throughout his life, and they howled and screamed in his ears, wanting his blood to be spilled.

Lincoln: (Smirks) Pleasant dreams, Anthony McCann.

Nico: (Smirks) More like Pleasant Nightmares.

We laughed.

Lincoln: Yeah, you're right about that one, Nico.

Me: He's not going to survive the night with that curse hanging over him.

Eli: Same went with all those Lincoln cursed with that Nightmare Demons' Vengeance Curse.

Babo: (To the viewers) This was an awesome adventure. Hope you all loved it.

Nico: I know we all did. Great job everyone. Now we have a bunch of bad guys in prison. Lets go home.

We beamed Uglyville and Imperfect to Gotham Royal York and then we went back to the estate and then enjoyed the rest of the day and went to sleep.

THE END

Another fanfiction done.

UglyDolls from 2019 was a great movie and it was really awesome. Lou is now in prison forever. To bad those blockhead critics ruined the movie. They wouldn't know a good movie if it came and hit them in their faces. The first part was for Sleepy Hollow and that was awesome. The second part was for Rosario+Vampire and that was an awesome show. It had a Samurai Jack Villain twist. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. Nico's next rescue is gonna be a really awesome and cool one as Nico, Flash, me, Rainbow Dash, Shanan, Lincoln, Camie, Varie, Laney and Lana go into the world of Bubsy: Claws Encounters of the Furred Kind and we're going to smash the Woolies into pulp and we're going to also meet a Citrakayah Gene-Slammer named Hillary Jennings. Lincoln's next rescue is gonna be in the world of the Scooby Doo Movies episode where Mystery Inc. met Cass Elliot and solve the mystery of the Green Globs. We're also going to meet a gene-slammer for Lucent, Netherlord of Dark World named Zennia Nikolaevna and she is from Russia. Also Selene Slytherin is gonna face Nor who is back for revenge and she is hellbent on trying to kill her for ruining her life. And Selene and Nor are going to really go at each other after Nor explains the kind of hell she went through at the catholic school for her crimes. Zennia is gonna reveal a really strange story during the exercise scene. Tomorrow is a non-combat chapter as we celebrate the 1st anniversary of the Great April 12th War for Equestria and we're going to have an awesome barbecue in Canterlot and commemorate the event and celebrate the fall of the 23 most evil and most dangerous enemies in all of Equestria. Also after the exercise scene will be the transformation of Alexis Nikolai, the Black Rose Dragon Gene-Slammer, as she and Lincoln are going to take down Abraxas from the Marvel Comics, and he's one dangerous villain who's a threat to the Multiverse. I still want that to go on.

See you all tomorrow

# 1st Anniversary of the April 12th War

Zooming through an amazing amusement park was Nico, Flash, me, Rainbow Dash, Shanan, Lincoln, Camie, Varie, Laney and Lana and it was awesome.

Me: Boy look at this amusement park.

Nico: It sure is awesome.

Me: Ooohh!

I stopped at a game.

Me: Watch this.

I threw a ball and it hit a bunch of bottles and I smashed them down!

Me: BULLSEYE!

I won a plush of Rainbow Dash.

Me: Thanks. For you Camie.

Camie: Thanks J.D.

Rainbow Dash: Now that is awesome! Cool plush.

Camie: It sure is.

We continued running.

Nico: Thanks for coming with me, Flash.

Flash: Anytime Nico. This is gonna be so awesome.

Lana: It sure is. I hope we meet Bubsy in this world. I love playing his games with Lincoln.

Lincoln: One of my favorites.

Me: Mine too buddy. Man I haven't played Bubsy in forever.

Varie: Awesome game back then. Shame Eli couldn't be with us on this one.

Me: He said that he wanted to take Nunnally and C.C. out for breakfast.

Nico: Flash, I just want to say that your speed has helped us a lot on missions.

Flash: I'm glad it has. Being fast does have its rewards.

Me: You are not called the Fastest Man Alive for nothing Barry. It's awesome.

Rainbow Dash: Boy it sure is. Just like I am the fastest pony in Equestria and one of the fastest on Earth.

Laney: That's true R.D.

Me: You got that right. Wow! When we run this fast it's not only awesome but a total adrenaline rush.

Shanan: Woo! Yeah feel the burn!

Nico: Awesome!

Then Bubsy came!

Nico: Cool Bubsy!

Bubsy: Hey guys! Awesome to see you all here. I take it you're here to help me stop all the Woolies from stealing all the yarn in the world.

Nico: Yeah that and meet the next one of my friends to rescue.

Bubsy: Cool.

Me: I remember the Woolies. They were awful.

I pulled up their history.

The Woolies are the main antagonists from the Bubsy series, acting as enemies in Bubsy in Claws Encounters of the Furred Kind, Bubsy 3D and Bubsy: The Woolies Strikes Back. They are an alien race hailing from the planet Rayon, ruled by the ever-greedy Twin Empress Poly and Esther.

In the first game, the Woolies have invaded Earth to steal all of Earth's yarnballs (it is not specified what use they have for it). Since Bubsy owns the biggest collection of yarnballs in the world, he decides to fight them to protect his collection. He defeats the Wollies and fights Poly and Esther, who retreats after being defeated.

In Bubsy 3D, Poly and Esther enact a plan to take revenge on Bubsy, sending a UFO to Earth which kidnaps Bubsy and brings him to their home planet. However, Bubsy escapes and starts looking for parts to create a rocket ship to return home. Poly and Esther then gives a long speech to her subjects, rallying them to go after Bubsy and stop him. Bubsy collects the parts and defeats Poly and Esther, escaping the planet on his rocket. However, he puts too much power on it, ending stranded in prehistoric times and thus allowing the Woolies to continue with their plans. This ending was later retconned.

In Woolies Strikes Back, the Woolies once again invade Earth and steal the Golden Fleece, Bubsy's personal treasure, taking it to an asteroid hovering above the planet where they have set up a base. Bubsy goes after them and once again takes on Poly and Esther, returning to Earth with the Golden Fleece while the asteroid blows up.

Me: Whoa man!

Varie: What in the world do all the Woolies want with all that Yarn?

Me: It says that they want to keep it all for themselves. They like collecting yarn.

Nico: Just like those aliens want all that cheese!

Varie: Yeah that was crazy.

Nico: (to Flash): I hope you don't mind Reverse Flash being in the Masters of Evil.

Flash: Not at all Nico. And it'll be awesome to face him again when the time comes.

Rainbow Dash: It sure will be awesome.

Laney: Yeah. By the way Nico, I heard we're getting some new furry friends.

Nico: Oh yeah. You'll see them after Hay Lin's next Ambassador Mission.

Laney: Neat.

Bubsy: We're sure getting a lot of yard though.

Lana: I know! This is a lot of yarn!

I had Camie beside me as she was flying and we all had big basket backpacks on our backs for a the yarn.

Nico: We're gonna be making a lot of clothes with all this yarn.

Me: Leni has been running low on yarn.

Varie: Woolies coming in!

We saw them roll cheese wheels at us!

Nico: In our defense, you probably should've used chum instead of cheese. (Realizes something) UH OH!

I then threw up!

Me: (VOMITS IN A TRASH CAN)

Nico: Oops!

Me: NICO!

Nico: Sorry! I should be careful saying that.

Camie: Why did J.D. throw up like that?

Shanan: Whenever dad hears the word C-H-U-M, he throws up and he can't stand it.

Lana: Yeah he always throws up hearing that word chum. Also J.D. ate some of it and he was hurling all over.

Nico: Also Lynn Sr., and Mr. Krabs ate it too. Mr. Lynn because his school ran out of food and Mr. Krabs was addicted to it. YUCK!

Me: Yeah sorry. I throw up every time I hear that word chum. It's gross.

Nico: I'll have to be careful when I say that.

Me: No worries.

The Woolies fired eggs at us!

Nico: Eggs too!?

We ducked.

Flash grabbed all the eggs heading towards us.

Flash: Man what a waste of good protein!

The Woolies tooted like steam whistles!

Rainbow Dash: I'll eat those.

Rainbow Dash ate them for really awesome protein and she ate them raw.

Nico: You and Lynn without a doubt have so much in common R.D.

Bubsy: Nice! Eating eggs raw is good protein.

The Woolies raspberries us.

Me: Bite my shiny metal ass!

The Woolies were really mad now!

Nico: You need to stop hanging around Bender, J.D.

Me: Sorry.

?: I agree too!

ZOOM!

A figure zoomed past us with incredible speed and we saw that it was a Citrakayah!

Nico: Whoa a Citrakayah!

Me: Cool!

It smashed and pulverized all the Woolies with incredible speed.

Nico: AWESOME!

Citrakayah: (In a girls voice) Now that was fast and fun!

Nico: Hillary Jennings? Whoa!

Hillary reverted back and she was a girl with blue hair and blue clothes.

Hillary Jennings: Nico? Whoa it's awesome to see you here.

Flash: What's your favorite memory of Nico?

Hillary Jennings: I have a lot of them but they are around Gym Class. Me and Nico were racing for the Trenton Triathlon against a rival school and we saw a dirty cheater girl in the race and me and Nico really let her have it by teleporting her into a dairy farm.

Nico: That was funny!

Me: Awesome! Did you and Nico win?

Hillary Jennings: We sure did. We won the race. And the girl was humiliated.

Varie: That is so awesome.

Bubsy: Funny but awesome.

Camie: It sure was.

Nico and Hillary then hugged.

Nico: I really missed you.

Hilary Jennings: Me too Nico. Me too.

Me: This was a silly rescue huh?

Nico: Yeah but it was fun.

Laney: It sure was. And we had fun at this awesome amusement park though.

Bubsy: That is true. And we took down the Woolies.

Camie: Yep. And we got enough yarn for many sweaters and more.

Varie: No kidding.

Nico: Yep. Lets head home.

We went back to the estate.

But, we also got bad news from Selene Slytherin's Mom and her sister, Selma: the Queen Bee bitch, Nor, has escaped from the strict Catholic School she was sent to after she was expelled from Royal Woods High School, and she's back for revenge and she's now hellbent on trying to kill her for ruining her life.

Lincoln: Wow, we're at the Sugar Plum Candy Company, and I know what we're going to do here, not only am I going to rescue the eight girls there, but we're also going to meet Cass Elliot, along with solving the mystery of The Green Globs, and we're also going to meet the Lucent, Netherlord of Dark World Gene-Slammer.

Nico: That's right, big guy.

Me: It's been a long time since we've been here, and this is going to be one awesome mystery we're going to solve.

Selene Slytherin: But, we also got some more trouble heading our way: I got word from Mom and Selma that the Queen Bee bitch, Nor, has escaped from the strict Catholic School she was sent to after she was expelled from Royal Woods High School, and she's back for revenge and she's now hellbent on trying to kill me for ruining her life.

Nico: Oh crap, this is going to be one nasty catfight.

Lincoln: And like I said, if that banshee, Nor, and that other banshee, Layla, dare hurt one hair on Selene's head, they're going to get cursed. And thanks for joining us, Vert.

Vert: You're welcome, Lincoln. This is going to be one awesome rescue.

We then met with Cass Elliot, and she was happy to see me and Mystery Inc. again, and she was also happy to meet the rest of us.

?: ?: HELP!

Suddenly, Lincoln heard the sound of eight girls calling for help, along with sensing another energy signal. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by the Green Globs, and they're going to kill them.

Then, he spotted the other energy signal he sensed: it was Nor, Royal Woods High School's Queen Bee bitch, and she was heading our way to kill Selene Slytherin, and she was royally pissed off big time.

Lincoln: Guys, I found the eight girls, but they've been cornered by the Green Globs, and they're going to kill them, and the other energy signal I sensed: it's Nor, the expelled Queen Bee of Royal Woods High School, and she's heading our way to kill Selene Slytherin, and she's royally pissed off big time.

?: (Russian Accent) Let's get those greedy green monsters and that Queen Bee bitch!

Suddenly, we saw Lucent, Netherlord of Dark World appear before us.

Lincoln: That voice, I knew it was you, Zennia Nikolaevna. But, we'll have to talk later, right now, we got to stop the Green Globs, and then, stop Nor.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces at the Green Globs, and that allowed the eight girls to get away. When the Green Globs saw us, they roared at us.

Lincoln: You Green Globs are through terrorizing this candy factory!

Lincoln unholstered his improved massive Cosmic Storm Sword of

Lincoln: It's over for you Green Globs, or should I say, Mr. Crink and Sterling Smith.

Lincoln unmasked the Green Globs, and they were exposed as Mr. Crink, the greedy former Sugar Plum Candy Company factory foreman, and notorious bank robber Sterling Smith, who robbed the City Bank of $2 million in gold bricks, and they were going to take to Brazil.

Me: Mr. Crink and Sterling Smith, I should've known it was you two terrorizing the Sugar Plum Candy Company again.

Sterling Smith: I hate you so much, J.D., you ruined my plan to move the gold bricks to Brazil!

My aura flared up as I gained a massive power boost from his hatred.

Mr. Crink: And we would've gotten away with it, if it weren't for you Meddling Kids!

Nikiya arrived, along with Sheila Loud-Castille, Eric Loud-Castille, and Tom Lair.

Nikiya: Meddling is sometimes a good thing, Mr. Crink, and now, you and Sterling Smith are looking at spending the rest of your lives in prison. Thanks for apprehending them, guys.

Lincoln: You're welcome, Nikiya.

Nikiya, Sheila Loud-Castille, Eric Loud-Castille, and Tom Lair grabbed Mr. Crink and Sterling Smith and loaded them up into the police wagon and took them away.

We then holstered our weapons on our backs, and we powered down.

Lincoln: That's it for the Green Globs, but we're not through yet. There's still the matter of Nor to deal with.

?: (Enraged Screeching) SELENE SLYTHERIN!

We saw a red-haired teenage girl with red eyes filled with extreme hatred and rage heading our way and a trail of dust behind her, it was Nor, the expelled Queen Bee bitch of Royal Woods High School.

Selene Slytherin: Nor, I literally knew there's no mistaking that chalkboard screech from anywhere, and I knew that if you and Layla dare to come after me, I was going to pulverize you both.

Nor: (Enraged Screaming) WHY DON'T YOU JUST SHUT UP, BITCH! It's all because of you I suffered Hell in that stupid strict Catholic School! I couldn't force anyone to do what I say, I lost all contact with the outside world, and I lost my family after they dumped me in that stupid school and left me there forever! (Enraged Screaming) I WAS DISOWNED AND IT'S ALL YOUR FAULT! I WILL KILL YOU AND ALL OF TEAM LOUD PHOENIX STORM, IF IT'S THE LAST THING I EVER DO!

Selene Slytherin: Don't you even dare blame me for that one, Nor. You have and always been nothing more than a Queen Bee bitch who wants to force everyone to do what you say, and you used intimidation to get what you want. You and Layla were nothing more than a couple of bitches who've caused me too much grief for the last time.

Nor: I'LL KILL YOU!

Nor went after Selene Slytherin, but Selene struck first and punched her in the eye and gave her a black eye. When Nor saw it, she let out another chalkboard screech, and she went after Selene yet again, but Selene began pulverizing Nor all over her body and face, and we also saw Selene tearing out parts of Nor's hair, and she also bit Nor on her arms, and she screamed in pain.

Lori: Yikes, this catfight's literally turning nasty.

Lincoln: Right, time for me to step in before it gets even nastier.

Selene Slytherin was already done, and she was walking away and back to us. But, Nor wasn't done, and she went charging after us again.

Lincoln: Nor, get your claws away from my future wife!

Lincoln fired a powerful blast of rainbow energy, and blasted Nor, and sent her flying into a wall, and it really pissed her off badly.

Lincoln: You've caused Selene nothing but grief for the last time, Nor.

Lincoln turned into Mystic Lincoln, as the 7'5" tall, handsome, and extremely muscular man's long, white hair that reached the bottom of his neck turned magenta except for the rainbow lightning bolts on the bangs, his deep sapphire blue eyes and the rainbow iris of his Third Eye of the Buddha on his forehead turned deep violet, the eight large orange orbs orbiting around his legs turned magenta, his large blue pants had turned purple, but the rainbow colored lightning bolts on them remained the same, his massive orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs turned magenta, his orange version of He-Man 2002's loincloth and long orange trenchcoat coattails with elemental forces, thunderbirds, buffalo, and angels turned magenta, and his massive deep sapphire blue angel wings with stars turned deep magenta.

Suddenly, we saw sparkles and orbs of magic and orbs of elemental forces surrounding Lincoln, and we know what it meant: he's going to use the Hecate's Mystic Vengeance Curse on Nor.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Nor. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song, and we saw the skies turn magenta with the many constellations in the skies, along with elemental forces. Then, Lincoln fired powerful blasts of magenta energy and magic from his massive angel wings, and as they hit Nor, she was imprisoned inside a prison made of magical diamond surrounded by orbs of elemental forces and orbs of magic which'll keep someone from trying to free Nor. Then, he beamed Nor to the Naiad Prison for Xenophobic Egotists, and he put Nor's prison in a separate cell in Solitary Confinement, and it'll be where she'll spend the rest of his life there, frozen forever in time in magical diamond, and she'll never be free again.

Lincoln: That's it for both the greedy Green Globs and the Queen Bee, Nor. (To Zennia Nikolaevna) And it's so good to see you again, Zennia Nikolaevna.

Zennia Nikolaevna: (Russian Accent) You too, Lincoln, it's been a long time. And it's also good to see you again, Nicholette, Giselle, Scarlet, Silvia, Renee, Helena, Elizabeth, and Selene.

Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, and Selene Slytherin: You too, Zennia.

Lincoln went up to Zennia Nikolaevna and they hugged, and Zennia Nikolaevna's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time that I haven't seen you since you were sixteen, and as you and can see, I really grew a lot since then.

Zennia Nikolaevna: (Russian Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Zennia Nikolaevna, she's a Goth Girl and another of my Guardian Angels who moved to Royal Woods from Russia with her Dad. She also knows all about the history of Russia, and she's the direct descendent of Anastasia Nikolaevna the Grand Duchess of Tsar Nikolas II from Russia, and Nico, Nicole, you two are also in for a big surprise: She's also the keeper of her own Book of Vile Darkness, and she's destroyed many powerful bad guys, and like Nico, J.D., and all of us, Zennia has all their powers.

This caused our jaws to drop, and Nico and Nicole's jaws dropped completely to the floor at what he just told us.

Nicole: She's also the keeper of her own Book of Vile Darkness?!

Nico: And just like me, J.D., and all of us, she also has their powers as well?!

Lincoln: That's right.

Zennia Nikolaevna: (Russian Accent) But, I also got a story to tell you all, and it's something that I'd told Lincoln about, but that'll be for later, and there's no need for you to get me back to normal, Lincoln.

Zennia Nikolaevna reverted back to normal, and she's a beautiful 17-year-old girl with long flowing purple hair, purple eyes, fair skin, she's 6'5" in height, she has the body of a goddess, and she has massive purple angel wings, as she reigned in the power of Lucent, Netherlord of Dark World, and she has her Book of Vile Darkness in hand, and she's dressed in a sleeveless closed purple blouse, sleeveless purple top with vertical stripes, purple skirt, purple pants, purple sneakers with lightning bolts on them, and long purple sleeveless trenchcoat with darkness on the coattails and on the back is Lucent, Netherlord of Dark World.

Lincoln: Wow, I love your outfit, Zennia. Plus, I got you a little something for you.

Lincoln gave Zennia Nikolaevna a large of Lucent, Netherlord of Dark World-themed sword with Lucent, Netherlord of Dark World etched on the 6'10" massive, wide, double-edged purple blade, purple angel wings for the crossguard, large purple gem embedded in the rainguard, longer black handle, and large purple gem with black angel wings surrounding it for the pommel.

Zennia Nikolaevna: (Russian Accent) Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Zennia Nikolaevna's neck with purple gems on the gold lightning bolts links and purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Zennia Nikolaevna: (Russian Accent)(Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Zennia.

Zennia Nikolaevna had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Zennia Nikolaevna on her lips, and she returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Yoshii Akira, Himeji Mizuki, Shimada Minami, Shimizu Miharu, and Koyama Yuuka from Baka and Test: Summon the Beasts, Mikage Aki, Yoshino Mayumi, and Fuji Ichiko from Silver Spoon.

Lincoln: Oh wow, it's Yoshii Akira, Himeji Mizuki, Shimada Minami, Shimizu Miharu, Koyama Yuuka, Mikage Aki, Yoshino Mayumi, and Fuji Ichiko.

Nico: From Baka and Test: Summon the Beast and Silver Spoon, awesome.

Lincoln: Are you girls okay?

Yoshii Akira: Yes, we're okay, thanks to you.

Then, when Yoshii Akira and the other seven girls saw who it was that saved them from the Green Globs and the rage-driven vengeance-crazed Queen Bee bitch Nor, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Yoshii Akira: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Yoshii Akira: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and

handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Yoshii Akira, Himeji Mizuki, Shimada Minami, Shimizu Miharu, Koyama Yuuka, Mikage Aki, Yoshino Mayumi, and Fuji Ichiko with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone of the rescue, and they were shocked when they found out the villain we went after was The Green Globs, along with Nor, who broke out and wanted revenge on Selene Slytherin.

But, when Lincoln showed what we did to them and unmasked them, along with Selene Slytherin beating Nor up and Lincoln using his Hecate's Mystic Vengeance Curse on her, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Zennia Nikolaevna have a lot of catching up to do, now that she's back. As for Mr. Crink and Sterling Smith, they now had Life Sentences added to their original sentences, and they'll never be free again.

---

After stopping the Green Globs and putting the kibosh on Nor's desire for revenge, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Zennia Nikolaevna saw Lincoln working out like crazy, she had an atomic red blush on her face.

Zennia Nikolaevna: (Russian Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Zennia, and now, I can also defend myself.

Zennia Nikolaevna: (Russian Accent) That's incredible.

Nico: It sure is, Zennia. So, what's this story you're wanting to tell us?

Zennia Nikolaevna: (Russian Accent) Ah, that's right, and it's definitely like what Selene went through with Layla and Nor, along with her jerk of a Dad. When I lived in Russia, my Aunt Kristina said my parents had an accident when I was a baby, and since then, I've lived with her and my cousin, Vera. But, you'd never guess another kid lived in this house, all the wall frames had pictures of just my Aunt Kristina and my cousin, Vera. Vera had the biggest room bursting with toys and books, Vera had so many clothes, she had another room as a closet, and me, I lived in the attic with her hand-me-downs. But, I didn't care, all I ever wanted was for my Aunt Kristina to love me like she loved Vera. So, I did whatever my aunt asked me, I made her breakfast in bed, polished her shoes, painted her nails, but somehow, she was just never happy. Once, when I was ten, a new neighbor came to visit Aunt Kristina, and she looked awestruck when she saw me.

Neighbor: What a beautiful child. That gorgeous purple hair and those adorable dimples!

Aunt Kristina: (Russian Accent) Adorable?! They're just dents in her face. Stop smiling, Zennia, you look like a moron! Go get us some tea!

Zennia Nikolaevna: (Russian Accent) I went to the kitchen, spat in Aunt Kristina's tea, and I gave her the tea with a very serious face. But, as soon as I turned thirteen, my whole life was transformed. One day at breakfast, Aunt Kristina was going through the mail when she suddenly spat out her cereal. Just then, I saw the letter she was reading had my name on it.

Past Zennia: (Russian Accent) Hey, what's that?

Zennia Nikolaevna: (Russian Accent) But, Aunt Kristina had already jumped off her chair and threw the letter in the fireplace.

Past Zennia: (Russian Accent) Why did you do that? It was mine, I saw my name.

Aunt Kristina: (Russian Accent) And who would write to you?! You didn't see anything!

Zennia Nikolaevna: (Russian Accent) As she stormed off, I couldn't help thinking who would write to me? A few days later, the doorbell rang, and a postman was standing outside.

Postman: Delivery for Ms. Zennia.

Zennia Nikolaevna: (Russian Accent) Suddenly, a flying figure pushed me aside and attacked the mailman.

Past Zennia: (Russian Accent) Oh my God, Aunt Kristina?!

Zennia Nikolaevna: (Russian Accent) I tried snatching the letter from her, but she was off with the letter like a bullet. What the hell?! What was she hiding? I was dying to find out, but the letters stopped coming! But, one evening, the doorbell rang, Aunt Kristina ran to open the door, and standing outside were two bodyguards with a wealthy looking man.

Man: Can you explain what happened to the letters and plane tickets I sent to my daughter?!

Past Zennia: (Russian Accent) Wait, what?

Zennia Nikolaevna: (Russian Accent) Just then, the man spotted me and his eyes welled up.

Man: Oh my God, you must be Zennia. You look exactly like your mother. I'm your father, sweetie.

Past Zennia: (Russian Accent) Dad, you're my Dad? Why did you come for me before?

Zennia Nikolaevna: (Russian Accent) He tearfully explained that he and Mom had gotten divorced before I was born. As she told him never to get in touch, he found out just recently that Mom had an accident long ago, and he tracked me down, As we hugged tight, I turned around to Aunt Kristina.

Past Zennia: (Russian Accent) You made me think he wasn't even alive! And why were you keeping the letters from me?!

Aunt Kristina: (Russian Accent) Because, you don't deserve to go live like a Princess! You should be my maid after everything I've done for you! You've used me all these years!

Past Zennia: (Russian Accent) Used you?! I did everything that you asked, just so you'd love me! Did you ever love me at all, even a little?!

Aunt Kristina: (Russian Accent) No, how could I?! You're like a toothache that just never goes away!

Zennia Nikolaevna: (Russian Accent) (Angered) That's what I was to her?! Dad told me to go pack my things immediately, but before going, I made sure to rub Aunt Kristina's toothbrush inside the toilet. Then, I took Dad's hand, and left without even saying goodbye. We then flew over to Royal Woods, Michigan, and I was shocked at the size of my Dad's mansion, and my room was five times bigger than Vera's, it was so awesome! As Dad was showing me around the house, I suddenly saw a tall woman staring at me coldly from a distance. Dad was married, so that must be my step mom.

Mr. Nikolaevna: Mary, there you are, come meet Zennia.

Zennia Nikolaevna: (Russian Accent) But, Mary just turned away, and slammed the door behind her. Later that night, I walked past their bedroom to hear Dad and Mary talking in loud voices.

Mr. Nikolaevna: It's her first day here, Mary. Think how unwelcome she must have felt?

Mary: What about me? You just expect you'll bring a child home and I'll start loving her like she's my own?

Zennia Nikolaevna: (Russian Accent) I crept away without hearing anymore. Great, another Mom figure who already hated me. When I went down for breakfast the next morning, Dad greeted me with a smile, and so did Mary.

Mary: Sorry, Zennia, I wasn't feeling too well yesterday. I hope you slept well?

Zennia Nikolaevna: (Russian Accent) Yeah, as if she cared. When I asked Dad for the orange juice, Mary quickly got up to pour it for me, and she dropped the whole jug in my lap.

Past Zennia: (Russian Accent) Oh my God, what are you doing?

Mary: I'm so sorry, it just slipped out of my hands.

Past Zennia: (Russian Accent) I know you don't want me here, but you don't have to be so petty.

Zennia Nikolaevna: (Russian Accent) And with that, I stormed off. Her whole innocent act was fake, and she proved me right soon enough. A few days later, I was walking over to the sofa in the living room, when suddenly, I tripped over something. I went flying straight into this weird statue and I looked at the wreck in horror. Mary leapt up angrily.

Mary: Oh my God! How could you be so clumsy?! Do you know what that's worth?!

Zennia Nikolaevna: (Russian Accent) Just then, Dad burst into the room and behind him were some guests?

Mr. Nikolaevna: What happened? We heard a loud crash.

Mary: Oh honey, Zennia broke the statue by accident. But, thankfully, she's not hurt.

Zennia Nikolaevna: (Russian Accent) Dad looked really upset, but stayed silent. I couldn't stop myself though.

Past Zennia: (Russian Accent) You were just shouting at me. But, the minute Dad came in, you became an angel.

Mary: What? No, I was just shocked, I didn't mean to shout.

Past Zennia: (Russian Accent) Stop acting, Mary. You just want me to look bad in front of Dad. I think you trip me up with your leg.

Mary: What? You little brat! How dare you, it was a trip on the carpet.

Mr. Nikolaevna: That's enough. In case you both forget, we have guests. Zennia, please go to your room.

Zennia Nikolaevna: (Russian Accent) I walked off angrily and slammed the door shut, I didn't trust her one bit. Dad got me enrolled in Royal Woods Middle School soon, and I felt nervous walking into the huge building. A few kids were looking at me, and I smiled, and suddenly, a bunch of boys were surrounding me.

Boy: Oh my God, can you do that again?

Past Zennia: (Russian Accent) Uh, do what?

Boy: Smile, please, smile again.

Zennia Nikolaevna: (Russian Accent) I did so, and the boys were staring at me. (Giggles) And that also included Lincoln, Liam, Clyde, Rusty, and Zack, who got caught up.

Past Zennia: (Russian Accent) What was wrong with my smile?

Boy: Those dimples are so cute! I could just look at them all day!

Zennia Nikolaevna: (Russian Accent) Wow, these dents in my face, boys like these? Just then, a girl pushed to the crowd.

Girl: Get away from her, you morons, you're scaring her! Hi, I'm Veronica, and I don't have a redhead in my group. You look nice and rich, so we're friends now, OK?

Zennia Nikolaevna: (Russian Accent) Well, she wasn't giving me much of a choice, I was part of a popular girls gang now. I love my new school, but it started bothering me really soon that Veronica could be rather mean to other kids. I tried to tell her a few times, but she always said she was only joking. But then, one day, I walked up to the cafeteria, and I saw her and her friends making fun of a kid in crutches.

Veronica: Hey, Limpy. What would happen if I took away one of your legs?

Zennia Nikolaevna: (Russian Accent) And with that, she pulled away a crutch and he landed hard on the ground.

Past Zennia: (Russian Accent) Veronica, are you crazy?! He's already hurt, why are you bothering him?

Veronica: Oh come on, we were just joking around.

Past Zennia: (Russian Accent) But, it's not funny. You're just being a jerk bully!

Veronica: Hey, no one talks to me like that, Tomato Girl!

Zennia Nikolaevna: (Russian Accent) She pounced on me and pinned me against the wall. I pushed her back and she went crashing straight into the chemistry teacher walking by, he dropped the vials of chemicals he was holding, and the vile smell of the chemicals had everyone gagging and running out of there, and Veronica and I got suspended for a week.

Zennia Nikolaevna: (Russian Accent) Dad would be so disappointed. When I went down that evening to tell him, he wasn't in the study, but I found freaking Veronica poking her nose around my Dad's things. She just picked up a pen and put it in her pocket.

Past Zennia: (Russian Accent) What are you doing in my house?

Veronica: Your house, you live here? Since when?

Past Zennia: (Russian Accent) You're interrogating me, you thief? Put that pen back right now, or else.

Veronica: Or else, what does that even mean?

Zennia Nikolaevna: (Russian Accent) I leapt at her trying to reach her pocket. She fought back and screamed. Suddenly, we were pulled apart by Mary and another woman.

Veronica: This is what attacked me! She's the one who got me suspended too, Mom!

Mary: Zennia, Veronica is my guest, her Mom and I are friends. What's going on here?

Past Zennia: (Russian Accent) I guess I just have better taste in friends than you!

Zennia Nikolaevna: (Russian Accent) I brushed past her and stormed off. Of course, Mary was friends with awful people like herself. A few days later, Dad was away on a business trip, and someone quietly opened my door at midnight. To my surprise, it was Mary with a hand behind her back.

Past Zennia: (Russian Accent) What? What do you want?

Mary: Your dad told me it's your birthday, and I just came to say, well, Happy Birthday.

Zennia Nikolaevna: (Russian Accent) She stepped forward with the cake with candles on it. I've never had a birthday cake before. I thanked her awkwardly as she sat down on the bed.

Mary: Zennia, I think we got off on the wrong foot, and I'd really like to start over. Maybe we can get to know each other.

Zennia Nikolaevna: (Russian Accent) She looked really sincere, and I wondered if I judge her too quickly.

Past Zennia: (Russian Accent) Yeah, I think I'd like that, Mary.

Zennia Nikolaevna: (Russian Accent) We started hanging out more, and I found myself actually liking her. She took me to lovely cafes, shows, and galleries all over Royal Woods. She had the best tees and clothes, and shopping with her was so much fun. And soon after Dad returned, Mary threw me the most amazing birthday party ever, it was the best day of my life. A couple of months later, there was a school dance, and I even asked out a boy at the school, who had all the girls in school drooling. That evening, I wore a beautiful dress that Mary picked out for me, she'd even done my hair and make-up. I received so many compliments and my date couldn't keep his eyes off me. We were slow dancing to a song, when suddenly, someone pulled the back of my dress really hard, and I heard the fabric rip. Oh my God, I turned around in horror and saw Veronica grinning and holding part of my dress. But, everyone was staring at my back at a long, ugly scar. I had it since I was seven, when I fell down the stairs once.

Veronica: Look, Marcus, look at that disgusting thing on her back, she looks like Frankenstein.

Zennia Nikolaevna: (Russian Accent) Suddenly, I leapt forward and slapped her hard.

Past Zennia: (Russian Accent) The only monster here, Veronica, is you!

Zennia Nikolaevna: (Russian Accent) I ran out in angry tears and got into the car. I didn't care if everyone found out about my stupid scar, but the only person I who could've told Veronica about it was Mary. She'd seen it when she was helping me try on a dress one day. I burst into the living room and started screaming.

Past Zennia: (Russian Accent) How could you be such a witch, Mary?! You almost made me believe you cared about me.

Mary: What? What are you talking about? What happened to your dress?

Past Zennia: (Russian Accent) Veronica ripped my dress, because you told her about this scar, even Dad doesn't know, I only told you. I thought it could be something you tell Veronica to use against me. You're the most horrible person I know, you're even worse than my Aunt Kristina. I hate you!

Zennia Nikolaevna: (Russian Accent) As I cried furiously in my room, Dad came in and hugged me.

Mr. Nikolaevna: Sweetheart, there must be some mistake. Mary wouldn't do this.

Past Zennia: (Russian Accent) She would, she did, no one else could. Don't defend her, Dad, just don't.

Zennia Nikolaevna: (Russian Accent) If Veronica thought I was going to be embarrassed and hide, she was so wrong. I went back to school the next day expecting weird looks and comments, but what happened left me shocked. Principal Ramirez walked in during the first lesson and said.

Principal Ramirez: The entire class came to me this morning to complain about an incident at the dance yesterday, and there is no way that I will tolerate this kind of behavior in my school. Veronica, you are expelled!

Zennia Nikolaevna: (Russian Accent) As Veronica stared at her in horror, the whole class erupted into cheers and applause. This totally made up for everything, and when I got home that afternoon, I heard screams coming from the living room, it was Veronica's mom.

Veronica's Mom: No one has been spying on Zennia, your stupid maid saw the scar one day and told us, and so what! My daughter played a harmless little prank, and now, she deserves to be expelled?! Her entire future's been destroyed, all because of that stupid, disfigured, red-haired witch?!

Mary: Don't you dare talk like that about my daughter!

Zennia Nikolaevna: (Russian Accent) And with that, Mary punched Veronica's Mom.

Mary: Get out of my house! You are not welcome here ever!

Zennia Nikolaevna: (Russian Accent) As the butlers let her out and she went screaming, Mary saw me and I suddenly started to cry.

Past Zennia: (Russian Accent) I'm so sorry, Mary, for thinking it was you. I had a hard time believing you could really care for me. I heard you the first day, you said you couldn't love me like your own, and I guess I've been scared to love you, in case you didn't love me back.

Mary: Oh, darling, I said that, yes, because I couldn't love you right away. It was also new for me too, I've never been anyone's mom, but I've tried so hard to get to know you and love you, and I really do now, Zennia. I love you, you're my daughter as much as your dad's now.

Past Zennia: (Russian Accent) I love you too, Mom.

When Zennia Nikolaevna was done, we all had tears in our eyes and smiles on our faces.

Nico: (Voice Breaking) That was the most beautiful story I've ever heard.

Me: (Voice Breaking) Me too, Nico.

Lincoln: It also got to me as well. But, what really upset me was that how could her Aunt Kristina do that to her, along with Veronica.

Eli: She was supposed to love her niece, not treat her like a maid and abuse her.

Lori: She was cold-hearted, selfish, unloving, and flat out mean.

Lynn: And you guys are also going to be in for a big shock: we found out that Veronica is also related to that rotten little weasel, Betsy Davis.

We gasped in shock.

Nico: What?! That little monster who broke your leg and hated you from the very beginning?!

Lincoln: The very one, Nico. They're cousins, but there's one thing that makes them the same: they're heartless, mean, and cruel, and don't belong in society ever.

Alexis Nikolai: (Russian Accent) And my parents had to deal with Kristina Nikolaevna before we moved to Royal Woods, she was always a monster who hated everything and everyone, and like Lori said, her heart and soul are so full of ice, nothing will ever thaw it out.

The other Russian Gene-Slammers in Lincoln's harem also agreed as well, along with our other friends from Russia.

Exile: (Russian Accent) To do something like that to a little girl, that just proves how cruel people can be at times.

Zennia Nikolaevna: (Russian Accent) Same here, Exile.

We then got a shower afterwards, but then, suddenly, the alarm rang, and when Lincoln checked the computer, he saw who it was that triggered it: it was Abraxas, another enemy of The Avengers who's a threat to the Multiverse, and he's causing havoc.

Lincoln: Oh no, guys, Abraxas is here, and he's causing havoc.

This caused all of us to gasp in shock.

Nico: Oh shit, Abraxas is not only yet another enemy of the Avengers and the other Marvel Comics heroes, but he's a threat to The Multiverse.

Me: We got to stop him.

Alexis Nikolai: (Russian Accent) That's right.

Lincoln: Everyone, let's go.

We head out of the World Tree Estate, and then, Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, and they hit Abraxas in the back. When Abraxas saw us, he was enraged.

Abraxas: So, the legendary Team Loud Phoenix Storm has arrived. Perfect, soon, I will destroy all of you, along with the entire Multiverse!

Lincoln: That is never going to happen, Abraxas.

Alexis Nikolai: (Russian Accent) That's right, your days of causing havoc and chaos are finally over.

Suddenly, Alexis Nikolai's rose red eyes turned neon rose red and she was surrounded by a rose red energy aura with rose petals and rose red fire, she then unholstered her massive Black Rose Dragon-themed sword from her back, and as she approached Abraxas, she left rose red energy, rose petals, and rose red fire with every step.

Alexis Nikolai: (Russian Accent) Abraxas, I will never forgive you for the crimes that you committed against the entire Multiverse, you have lived for far too long, and now, I will see to it that you never hurt or threaten anyone again.

Suddenly, Alexis Nikolai was surrounded by a massive vortex of rose red energy with rose petals and rose red fire surrounding it, there's the Black Rose Dragon flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Alexis Nikolai emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Alexis Nikolai grew to 6'5" in height, she had the body of a goddess, she has black highlights in the bangs of her long flowing rose red hair, she has neon rose red eyes and a rose red energy aura with rose petals, rose red flames and dragons surrounding her, she has the Black Rose Dragon holding the Fire Kanji in its clawed hands emblazoned on her forehead, she has on dragon earrings with rose red gems for eyes and the Fire Kanji in its claws and her merged Thunderbird Necklace of Eternal Love with rose red crystal links from her merged Crystal Necklace of The Buddha and rose red gems on the gold thunderbolt chain links and a Thunderbird and a dragon with rose red gems for eyes and the Fire Kanji in their claws for the pendant, she has on a rose red sleeveless open vest, rose red midriff top with black phoenix on it, red jean shorts with diamonds, red knee-high high heels with butterflies on them for the buckle, and a long rose red sleeveless trenchcoat with rose petals and rose red flames on the coattails and on the back is the Black Rose Dragon surrounded by roses, and Alexis Nikolai has on her Ring of The Phoenix on her left ring finger with rose red gemstone on the ring and Star Sapphire Corps Ring on her right ring finger. Suddenly, Alexis Nikolai felt a sharp pain on her back, and then, massive rose red angel wings with black tips on the large rose red feathers and roses on them, sprouted out from her back, and they gave off the sweet scent of roses.

Alexis Nikolai's massive Black Rose Dragon-themed sword changed in a kaleidoscope of rose petals, rose red energy, and rose red fire, and when it emerged, it was transformed into Black Rose Dragon's Sword of Black Rose Justice, it's a new large sword with the Black Rose Dragon etched on the 6'10" massive, wide, double-edged rose red blade, two Black Rose Dragon heads with rose red gems for eyes for the crossguard, large rose red gem embedded in the rainguard, longer black handle, and four large rose red dragon heads with rose red gems for eyes and in their open mouths and a rose red gem on the bottom of the black dragon heads for the pommel, Alexis Nikolai has on her new gold Bracelets of The Champions of The Universe with rose red gems on her wrists and her new Belt of Elemental Bravery with a gold dragon head with rose red gems for eyes and a large rose red gem in its mouth for the belt buckle, large rose red Spellbook of The Gods and The Universe and large rose red Spellbook of the Elemental Gods on her left hip on her waist and Eater of Sins revolver holstered on her right hip. There's a black kanji below The Black Rose Dragon that said, "Alexis Nikolai, Gene-Slammer of The Black Rose Dragon, Guardian Angel and Loving Future Wife of Lincoln Loud, Thrasher of Bullies, Defender of Russia's History, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Rose Red Fire, Roses, and Dragons."

アレクシスニコライ、ブラックローズドラゴンのジーンスラマー、守護天使、リンカーンラウドの愛する未来の妻、いじめっ子のスラッシャー、ロシアの歴史の擁護者、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な学生驚くべき強力な教師、そしてローズレッドファイア、ローズ、ドラゴンのマスター

Alexis Nikolai has transformed into SUPER ANGEL INFINITY RUSSIAN ROSE RED FIRESTORM BLACK ROSE DRAGON ANGEL OF FIERY JUSTICE AND ROSE RED LOVE!

We were amazed by Alexis Nikolai's Super Angel Infinity transformation, including Akiza, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Abraxas saw it, he fell into a rage and fired a blast of energy to kill her, but Alexis Nikolai fired a powerful rose red energy blast with rose petals, rose red fire, and dragons, which overwhelmed the blast fired by Abraxas, and it hit the cosmic villain, and he hit the wall back first.

Nico: Whoa, Alexis Nikolai's transformed, that's so awesome.

Akiza: You said it, Nico, and her wings are giving off the scent of roses, just like mine and Lincoln's when he transforms into Nature Lincoln.

Exile: (Russian Accent) And Abraxas is about to learn a pretty harsh lesson.

Lincoln: Wow, Alexis, you look beautiful. How do you feel?

Alexis Nikolai: (Divine Echoing Cosmic Voice of The Black Rose Dragon and Draconic Love) (Russian Accent) **I feel incredible, Linky. Now, shall we teach this monster, Abraxas, a lesson?**

Lincoln: (Smirks) With pleasure.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Alexis Nikolai.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of terrorizing the Multiverse are over, Abraxas.**

Lincoln and Alexis Nikolai went after Abraxas, who fired blasts of energy at them, but Lincoln and Alexis absorbed them, and it made them stronger than ever, and they fired powerful blasts of rainbow energy, rose red energy, rose petals, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Dragons at Abraxas, and they exploded with incredible power as they hit him, and then, they attacked him with their massive swords and left very painful scars that not even Abraxas couldn't heal from.

Then, Lincoln sent his eleven massive, long, and powerful white werewolf tails with eleven slobbering black wolf heads with glowing blue eyes on the tips, and Alexis Nikolai suddenly sprouted out eleven massive, long, and powerful rose red werewolf tails with eleven slobbering black wolf heads with glowing rose red eyes on the tips, and they sent them at Abraxas, and they bit down hard on his arms, legs, and sides of his stomach, and we saw the wolf heads slowly draining, siphoning, and sucking out all of Abraxas' vast cosmic powers, immense strength, and universal knowledge, and we saw the green energy flowing down from their heads and necks and right into Lincoln and Alexis Nikolai, as Lincoln's rainbow energy aura with elemental forces, Thunderbirds, Phoenixes, Buffalos, and Angels and Alexis Nikolai's rose red energy aura with rose red flames, rose petals, and dragons were flaring up even more, as they gained an immense power, energy, and intelligence boost, and they made his powers my own, and we also assimilated them.

Then, after they were done draining Abraxas, Lincoln and Alexis Nikolai sent Abraxas into the air, and they fired massive and powerful energy beams, which it the powerless and drained Abraxas, and it obliterated him, and Lincoln used his powers to banish Abraxas to The Black Gates, where he was erased from existence forever. We cheered wildly for Lincoln and Alexis Nikolai, as they holster their massive swords on their backs and power down, and Alexis Nikolai's new body, clothes, weapons, jewelry, and massive angel wings and eleven massive, long, and powerful rose red werewolf tails with eleven slobbering black wolf heads with glowing rose red eyes on the tips are permanent.

Alexis Nikolai: (Russian Accent) And now, the terror of Abraxas is finally over. Thank you for helping me with taking him down, Linky.

Lincoln: (Smiles Warmly) You're welcome, Alexis.

Suddenly, Alexis Nikolai wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Alexis Nikolai's face, they kissed passionately as Alexis Nikolai wrapped her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, Angel, and the Black Rose Dragon flying in the air, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Exile: (Russian Accent) That was truly amazing, and it's true what they say, every rose has its thorns.

Akiza: And in this case, Abraxas made the big mistake trying to kill Alexis Nikolai, and he paid that price with his life, and she wound up sprouting out the same tails as Lincoln's but they match her hair.

Nico: And Lincoln and Alexis Nikolai used their tails and drained and sucked out all of Abraxas' vast cosmic powers, immense strength, and vast universal knowledge, and they destroyed him for good.

Lincoln: And we sent him to The Black Gates for good, and he's been erased from existence. Oh, Juri, Isabella, Kamado, Sieglinde, Aoyama, Cindy, it's time for our date.

Kamado Nezuko: Oh, that's right, we're heading to the Karaoke Club for our date, and we also invited my brother, Tanjiro and he recently got together with Tomoe, and they're an awesome couple, along with Johnny Bravo and Melpha, and Ed Cowart and Cattleya.

Me: Have fun, you guys.

Lincoln: We sure will, J.D., and keep your ears open when we start singing, gang.

Lincoln: This, Tanjiro, is the local Karaoke Club here in Gotham Royal York. I came here with some of my future wives for a couple of our dates, and we sang.

D.J. Dalmatian: And when I heard Lincoln sing, he definitely had the voice of an angel, along with a couple of his future wives. Plus, I also got a partner helping me with the music here.

Lincoln and the gang saw Vinyl Scratch here, and she was handling the music.

Lincoln: Whoa, Vinyl Scratch is working here? That's awesome.

Dimitri 1: Yep. She gets good money here. I'll keep my eyes out for Sancho and the party birds.

Dimitri 1 left. Then, they started to have fun, as Lincoln went up first to sing Stars in The Sky by Kid Cudi, as the background changed into space and it was filled with the endless stars in the universe, and he spreads his massive deep sapphire blue angel wings with rainbow tips and stars on the large deep sapphire blue feathers.

Isabella Valentine: (Signing Divinely) I know there's something in the wake of your smile, I get a notion from the look in your eyes, yeah, You've built a love but that love falls apart, Your little piece of Heaven turns too dark, Listen to your heart when he's calling for you, Listen to your heart, there's nothing else you can do, I don't know where you're going and I don't know why, But listen to your heart before you tell him goodbye, Sometimes you wonder if this fight is worthwhile, The precious moments are all lost in the tide, yeah, They're swept away and nothing is what is seems, The feeling of belonging to your dreams

Listen to your heart when he's calling for you, Listen to your heart, there's nothing else you can do

Then, Sieglinde Baumgard was up next, as she's about to sing Down Under by Men at Work, as she spreads her new massive blonde angel wings that Lincoln gave her, and the background changed to that of The Great Outback in Australia.

Sieglinde Baumgard: (Singing Divinely) Traveling in a fried-out Kombi On a hippie trail, head full of zombie I met a strange lady, she made me nervous She took me in and gave me breakfast And she said Do you come from a land down under? Where women glow and men plunder? Can't you hear, can't you hear the thunder? Aoyama Motoko: (Singing Divinely) Do you remember

The 21st night of September?

Love was changin' the minds of pretenders

While chasin' the clouds away

Our hearts were ringin'

In the key that our souls were singin'

As we danced in the night, remember

How the stars stole the night away, oh, yeah

Hey, hey, hey

Ba-dee-ya, say, do you remember?

Ba-dee-ya, dancin' in September

Ba-dee-ya, never was a cloudy day

Ba-du-da, ba-du-da, ba-du-da, ba-du

Ba-du-da, ba-du, ba-du-da, ba-du

Ba-du-da, ba-du, ba-du-da

My thoughts are with you

Holdin' hands with your heart to see you

Only blue talk and love, remember

How we knew love was here to stay

Now December

Found the love that we shared in September

Only blue talk and love, remember

The true love we share today

Hey, hey, hey

Ba-dee-ya, say, do you remember?

Ba-dee-ya, dancin' in September

Ba-dee-ya, never was a cloudy day

There was a

Ba-dee-ya (dee-ya, dee-ya), say, do you remember?

Ba-dee-ya (dee-ya, dee-ya), dancin' in September

Ba-dee-ya (dee-ya, dee-ya), golden dreams were shiny days

The bell was ringin', oh, oh

Our souls were singin'

Do you remember never a cloudy day? Yow

There was a

Ba-dee-ya (dee-ya, dee-ya), say, do you remember?

Ba-dee-ya (dee-ya, dee-ya), dancin' in September

Ba-dee-ya (dee-ya, dee-ya), never was a cloudy day

And we'll say

Ba-dee-ya (dee-ya, dee-ya), say, do you remember?

Ba-dee-ya (dee-ya, dee-ya), dancin' in September

Ba-dee-ya (dee ya, dee-ya), golden dreams were shiny days

Ba-dee-ya, dee-ya, dee-ya

Ba-dee-ya, dee-ya, dee-ya

Ba-dee-ya, dee-ya, dee-ya, dee-ya!

I'm a man (a man) without conviction

I'm a man (a man) who doesn't know

How to sell (to sell) a contradiction

You come and go, you come and go

Karma, karma, karma, karma, karma chameleon

You come and go, you come and go

Loving would be easy if your colors were like my dreams

Red, gold, and green, red, gold, and green

Didn't hear your wicked words every day

And you used to be so sweet I heard you say

That my love (my love) was an addiction

When we cling (we cling), our love is strong

When you go (you go), you're gone forever

You string along, you string along

Karma, karma, karma, karma, karma chameleon

You come and go, you come and go

Loving would be easy if your colors were like my dreams

Red, gold, and green, red, gold, and green

Every day is like survival (survival)

You're my lover (my lover), not my rival

Every day is like survival (survival)

You're my lover (my lover), not my rival

I'm a man (a man) without conviction

I'm a man (a man) who doesn't know

How to sell (to sell) a contradiction

You come and go, you come and go

Karma, karma, karma, karma, karma chameleon

You come and go, you come and go

Loving would be easy if your colors were like my dreams

Red, gold, and green, red, gold, and green

Karma, karma, karma, karma, karma chameleon

You come and go, you come and go

Loving would be easy if your colors were like my dreams

Red, gold, and green, red, gold, and green

Karma, karma, karma, karma, karma chameleon

Tomoe (Queen's Blade): (Singing Divinely) Rising up, back on the street

Did my time, took my chances

Went the distance, now I'm back on my feet

Just a man and his will to survive

So many times it happens too fast

You change your passion for glory

Don't lose your grip on the dreams of the past

You must fight just to keep them alive

It's the eye of the tiger

It's the thrill of the fight

Rising up to the challenge of our rival

And the last known survivor

Stalks his prey in the night

And he's watching us all with the eye of the tiger

Face to face, out in the heat

Hanging tough, staying hungry

They stack the odds 'til we take to the street

For the kill with the skill to survive

It's the eye of the tiger

It's the thrill of the fight

Rising up to the challenge of our rival

And the last known survivor

Stalks his prey in the night

And he's watching us all with the eye of the tiger

Rising up straight to the top

Had the guts, got the glory

Went the distance, now I'm not going to stop

Just a man and his will to survive

It's the eye of the tiger

It's the thrill of the fight

Rising up to the challenge of our rival

And the last known survivor

Stalks his prey in the night

And he's watching us all with the eye of the tiger

The eye of the tiger

The eye of the tiger

The eye of the tiger

The eye of the tiger

Everyone at the club cheered wildly, and so did we back at the World Tree Estate.

Me: Always a great song for kicking butt.

And next, Johnny Bravo was up next, as he's going to sing Y.M.C.A. by Village People, as he spreads his massive new blonde angel wings, and the background changed to that of the local swimming pool.

Johnny Bravo: (Singing Divinely) Young man, there's no need to feel down

I said, young man, pick yourself off the ground

I said, young man, 'cause you're in a new town

There's no need to be unhappy

Young man, there's a place you can go

I said, young man, when you're short on your dough

You can stay there, and I'm sure you will find

Many ways to have a good time

It's fun to stay at the YMCA

It's fun to stay at the YMCA

They have everything for you men to enjoy

You can hang out with all the boys

It's fun to stay at the YMCA

It's fun to stay at the YMCA

You can get yourself clean, you can have a good meal

You can do what ever you feel

Young man, are you listening to me?

I said, young man, what do you want to be?

I said, young man, you can make real your dreams

But you got to know this one thing

No man does it all by himself

I said, young man, put your pride on the shelf
And just go there, to the YMCA
I'm sure they can help you today
It's fun to stay at the YMCA
It's fun to stay at the YMCA
They have everything for you men to enjoy
You can hang out with all the boys
It's fun to stay at the YMCA
It's fun to stay at the YMCA
You can get yourself clean, you can have a good meal
You can do what ever you feel
Young man, I was once in your shoes
I said, I was down and out with the blues
I felt no man cared if I were alive
I felt the whole world was so tight
That's when someone came up to me
And said, young man, take a walk up the street
There's a place there called the YMCA
They can start you back on your way
It's fun to stay at the YMCA
It's fun to stay at the YMCA
They have everything for you men to enjoy

You can hang out with all the boys

YMCA, it's fun to stay at the YMCA

Young man, young man, there's no need to feel down

Young man, young man, pick yourself off the ground

YMCA, it's fun to stay at the YMCA

Young man, young man, are you listening to me

Young man, young man, what do you wanna be?

YMCA, you'll find it at the YMCA

No man, young man, does it all by himself

Young man, young man, put your pride on the shelf

YMCA, and just go to the YMCA

Young man, young man I was once in your shoes

Young man, young man I was down with the blues, YMCA

Everyone at the club cheered wildly, and so did we back at the World Tree Estate.

Me: Never forget the great songs of the Disco Era of the 70s.

Nico: Nope.

Next, Melpha was up as she was going to sing Out of Touch by Daryl Hall & John Oates, as she spreads her massive blonde angel wings, and the background changed to that of London, England at night.

Melpha: (Singing Divinely) Shake it up is all that we know

Using the bodies up as we go

I'm waking up to fantasy

The shades all around aren't the colors we used to see

Broken ice still melts in the sun

And times that are broken can often be one again

We're soul alone

And soul really matters to me

Take a look around

You're out of touch

I'm out of time

But I'm out of my head when you're not around

You're out of touch

I'm out of time (time)

But I'm out of my head when you're not around

---

Reaching out for something to hold

Looking for a love where the climate is cold

Manic moves and drowsy dreams

Or living in the middle between the two extremes

Smoking guns hot to the touch

Would cool down if we didn't use them so much, yeah

We're soul alone

And soul really matters to me

Too much

You're out of touch

I'm out of time

But I'm out of my head when you're not around

You're out of touch

I'm out of time

But I'm out of my head when you're not around

---

You're out of touch

I'm out of time

But I'm out of my head when you're not around

You're out of touch

I'm out of time

But I'm out of my head when you're not around

You're out of touch

Time

But I'm out of my head when you're not around

You're out of touch

I'm out of time

Not around

You're out of touch

I'm out of time

Everyone at the club cheered wildly for Melpha, including Johnny

Bravo, and so did we in The World Tree Estate. Next, Ed Cowart was up next, and he was going to sing Tarzan Boy by Baltimora, and he spreads his massive dark blue angel wings, and the background changed to that of the Amazon Jungle.

Ed Cowart: (Singing Divinely) Oh-oh-oh-oh-oh-oh-oh-oh-oh-oh-oh

---

Jungle life

I'm far away from nowhere

On my own like Tarzan boy

Hide and seek

I play alone while rushing 'cross the forest

Monkey business on a sunny afternoon

Jungle life

I'm living in the open

Native beat that carries on

Burning bright

A fire blows the signal to the sky

I sit and wonder, does the message get to you?

---

Night to night

Gimme the other, gimme the other

Chance tonight

Gimme the other, gimme the other

Night to night

Gimme the other, gimme the other world

---

Jungle life

You're far away from nothing

It's all right

You won't miss home

Take a chance

Leave everything behind you

Come and join me, won't be sorry

It's easy to survive

Jungle life

We're living in the open

All alone like Tarzans boy

Hide and seek

We play alone while rushing 'cross the forest

Monkey business on a sunny afternoon

Night to night

Gimme the other, gimme the other

Chance tonight, oh yeah

Night to night

Gimme the other, gimme the other

Night to night

You won't play

Night to night

Gimme the other, gimme the other

Chance tonight, oh yeah

Night to night, night to night

Gimme the other, gimme the other

Everyone at the club cheered wildly for Ed Cowart, including Cattleya, and so did we at the World Tree Estate.

Me: Never forget the great songs of the 1980's.

Eli: Always love those songs.

And finally to close out the date, Cattleya was up next, as she's going to sing Girls Just Want To Have Fun by Cyndi Lauper, as she spreads her massive black angel wings, as the background changed to the city of San Antonio, Texas, at night.

Cattleya: (Singing Divinely) I come home, in the mornin' light

My mother says "When you gonna live your life right?"

Oh momma dear, we're not the fortunate ones

And girls, they wanna have fun

Oh girls just wanna have fun…

The phone rings, in the middle of the night

My father yells "What you gonna do with your life?"

Oh daddy dear, you know you're still number one

But girls they wanna have fun

Oh girls just wanna have

That's all they really want

Some fun

When the workin' day is done

Oh girls, they wanna have fun

Ho hoo girls just wanna have (girls) fun (they want)

(Wanna have fun)

(Girls)

(Wanna have)

Some boys take a beautiful girl

And hide her away from the rest o' the world

I wanna be the one to walk in the sun

Oh girls, they wanna have fun

Ho hoo girls just wanna have

That's all they really want

Is some fun

When the workin' day is done

Oh girls, they wanna have fun

Oh girls just wanna have (girls) fun (they want)

(Wanna have fun)

(Girls)

(Wanna have)

They just want, they just wanna (girls)

They just want, they just wanna (girls just wanna have fun)

Oh girls

Girls just wanna have fun

(Just want, they just wanna)

They just wanna, they just wanna (girls)

They just want, they just wanna (girls just wanna have fun)

Girls, girls just wanna have fun

When the workin'

When the workin' day is done

Oh, when the workin' day is done

Oh, girls

Girls just wanna have fun

They just want, they just wanna (girls)

They just want, they just wanna (girls just wanna have fun)

Oh, girls

Girls just wanna have fun

(They just wanna, they just wanna)

When the workin'

When the working day is done (they just want, they just wanna)

Oh, when the working day is done (oh, girls)

(Girls just wanna have fun)

(They just want, they just wanna)

Everyone at the club cheered wildly, including Ed Cowart, and so did we back at the World Tree Estate.

Me: Ah the great Cyndi Lauper. There will never be another one like her.

Nico: Nope.

Then, Lincoln shared a romantic and passionate kiss and hug with Juri Han, Isabella "Ivy" Valentine, Kamado Nezuko, Sieglinde Baumgard, Aoyama Motoko, and Cindy Sakurai, and the same went with Tanjiro Kamado and Tomoe, Johnny Bravo and Melpha, and Ed Cowart and Cattleya. Then, they came back home, where we ran up to them, and we had smiles on our faces.

Nico: Guys, you sang awesomely at the Karaoke Club. That was so amazing, and we were definitely in for a show.

Lincoln: Thanks, Nico.

Ed Cowart: We definitely had fun today at the Karaoke Club, Nico, and we definitely attracted quite a crowd.

Then, the rest of Lincoln's harem came in, and they dogpiled on Lincoln, and then, he was covered all over in kisses on his face and massive and powerful muscular body, and he had an atomic red blush on his face, hearts in his eyes, and a lovestruck look on his face, along with steam coming out of his ears, and we had a laugh.

Nico: (Snickers) And I should've known Lincoln was going to be in for quite a surprise when he came back home.

Lori: Yep, literally getting smooched and kissed all over by the rest of his harem.

---

Later it was time for Hay Lin's 3rd Ambassador Mission.

Hay Lin: It's gonna be awesome going on this mission.

Me: It sure will be. All the Ambassador Missions we have been on are fun.

Hay Lin: I hope we get to see Yost MJ next.

Mary Jane: That will be awesome for you to meet my Yost self.

Nico: It sure will.

Me: Yep. In the comic books MJ got Spiderman's powers by putting on a suit that gave her Spiderman's powers.

Nico: That would be awesome if we saw that in the Yost Universe.

Vulture appeared.

Vulture: I'm ready for some fun.

Nico: Awesome Adrien.

Me: Yeah!

Hay Lin: Lets head out!

We were off to the Yost Universe.

We arrived.

Me: Here we are.

Vulture: Wow it looks like home.

Me: Yep.

We saw Yost Peter.

Yost Peter: Hey, Hay Lin. Hey guys. Aunt May's out for a few hours. But MJ's on the way here.

Nico: Cool!

Yost Peter saw Vulture.

Yost Peter: VULTURE!?

Vulture: Relax. I'm Hay Lin's archenemy.

Hay Lin: He's the Vulture that I told you about for my world.

Yost Peter: Wow! That is amazing.

Me: Yeah it sure is.

Yost Peter: Your armor looks different. My Vulture doesn't have green.

Vulture: At least we'll be able to tell this worlds version apart from me.

Me: That's true. How's Harry doing?

Yost Peter: Well he is getting better bit by bit.

Me: That's good he's getting better. I hope our talk here didn't hurt him too much.

Nico: Yeah and the Avengers here also worry about you as well.

Yost Peter: Yeah Cap visited me in concern and I'm glad he did. So did Wasp and Thor. They worried about me as well.

Nico: I'm glad they check up on you.

Yost M.J. then came in.

Yost M.J.: Hey Peter I'm here.

She saw us.

Yost M.J.: Whoa you're all here. Wow! You're the famous Team Loud Phoenix Storm.

Me: That's us.

Nico: Awesome to meet the M.J. of this universe.

Yost MJ: Hey, tiger. Just wanted to check up on you.

Yost Peter: Thanks M.J.

Yost MJ: You're welcome.

Me: I hope we get to kick villain butts here too.

Nico: Yeah.

Yost MJ: I can't believe you forgave Harry so easily after he yelled at you guys and pushed Gwen to the ground. You know she came to my house crying the other day? You should've let Rhino and Sandman beat him up.

Me: Whoa whoa MJ. Sure we beat up bad guys all the time but letting that happen to Harry is something we can't do. Harry is going through some rough trauma right now and I know how he feels too.

Yost MJ: Really?

Me: Yeah. On December 26th, 2019 we saw two of our friends die before and during the Battle with Thanos and I wasn't fast enough to stop them from dying. That pain haunted me for over a year.

Nico: It's true. It was a tragic day back then.

Eli: That was awful that happened.

Maria: Yeah it was awful.

Lincoln: We know how much pain Harry is in right now.

Me: Yeah. Peter, MJ, we have seen more death and destruction than anyone all over the world can handle. But we don't let it get to us that easily. As long as we hold those that are closest to us in our hearts they will never die in spirit.

Yost Peter: That is true.

Later we were flying.

Yost Spiderman: (swinging through the air) So, besides not having Dracula's colors, how else are you different from the Beaky I know.

Vulture: Well I have to not confuse myself with other counterparts somehow. But I have the ability to suck energy out and make myself youthful again.

Nico: It's true.

Me: That is really awesome too.

Laney: It sure is.

Yost Spiderman: Cool. And J.D. how did Girl Jordan kill Kasady from this universe?

Me: Well if you think you can handle it. Okay. Me and Nico were over in Alcatraz and Girl Jordan saw this worlds Kasady about to kill some girls and she grabbed him and ripped his brain out of his head and (GULPS) Ate it.

Nico: Yeah and J.D. threw up all over me and he couldn't use the toilets in Alcatraz because they stopped working 60 years ago.

Yost Spiderman: YUCK! That is disgusting.

Me: It was. The reason she killed him is because she harbors an intensely burning hatred towards Kasady for ruining her life.

Eli: Yeah.

Vulture: Kasady was a monster.

Yost Spiderman: I agree.

THUNDERCLAP!

We saw lightning coming from the park!

Me: Whoa! Looks like Electro here is causing mayhem!

Yost Electro: Vult, you get the feeling that Osborn might not be dead?

Yost Vulture: I do, actually. With that serum that he put in himself, I find it hard to believe that an explosion would kill him.

Yost Spiderman: (lands on the ground) Guys, I share the sentiment but leave the police work to the professionals. Police uniforms would definitely look bad on you.

Yost Vulture: Spider Man! Why am I not surprised?

We landed.

Yost Electro: (sees us) You're having kids help you now? Are you trying to prove Jameson right?!

Me: For your information Maxwell Dillon A.K.A. Electro we're not trying to prove anything to that hotheaded inconsiderate picklepussed asswipe Jameson. We're here to stop you guys.

Nico: That's right. And we're here to kick your asses to the curb!

Yost Vulture: (flies at Vulture) It truly is an honor to meet another version of myself.

Vulture: At least we're not wearing the same armors. That would be really confusing.

Hay Lin: I agree there.

They dodged him.

Yost Vulture: Who's the girl?

Vulture: This is my archenemy from the universe we came from.

Hay Lin: My name is Hay Lin. Awesome to meet you.

Yost Vulture: Same to you.

Nico: (dodges Electro's Lightning blast) I just want to say that you're one of my favorite alternate versions of Electro.

Yost Electro: Thanks! (Smirks at Yost Spiderman) See, Webhead? Some people like me this way. Still wanna cure me now?

Yost Spiderman: I guess not.

Me: Also what's coincidental Max is that the one we know is also made of pure lightning like you are.

Yost Electro: That is neat!

Lincoln: Yep and he is also my archenemy.

Lincoln and me fired a blast of lightning and overloaded him and smashed him down. He got up.

Yost Electro: Lets see who has the strongest lightning.

Me: Here we go.

Me and Yost Electro fired blasts of lightning and the blasts collided and they were incredibly powerful.

Nico: WHOA!

THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP!

I fired more lightning and the blast hit Yost Electro and smashed him down again.

Yost Vulture: What are your thoughts on Osborn's so called demise? Because even if Spider Man didn't kill him, at least he's out of the way for now.

Hay Lin: That is true but he is up to something. I honestly don't believe that he died one bit. Like J.D. said he is still out there and is bound to show up some day.

Vulture: And we'll be ready for him when the time comes.

Hay Lin: That's right. But this time he will be thrown in jail.

Yost Electro zapped Nico and made his hair an afro.

POOF!

Nico: Well, I didn't expect this.

Me: You look really good with an afro.

Nico: Thanks.

Electro: (laughs) I may not be able to kill you but I can still do that!

Me: Electrifying.

ZAAAAAAAAPPPPPP!

He zapped me and my skeleton showed and then my hair looked like that of Johnny Bravo's hair.

Me: Whoa! I have Johnny Bravo's hair.

Nico: Looking good.

Me: (Imitating Johnny Bravo) Hey there little mamma. Wanna go by my place for some love?

We laughed hysterically.

Nico: (LAUGHS) THAT WAS FUNNY!

Lincoln: (LAUGHS) That was good!

Me: (LAUGHS) That was funny.

I pulled out a comb and put my hair back to what it was.

Me: There.

Nico: Well, since the next mission is no combat, might as well use our Zenkai Cannons now

Me: I agree.

Me, Nico and Eli pulled out the Zenkai Cannons.

Me: (TURNS DIAL) ENDLESS GALAXY POWER!

I summoned the Black Changeman, Green Flashman, Yellow Fiveman, Blue Megaranger, and Orange Kyuranger!

Nico: (Turns Dial) ROARING JURASSIC POWER!

Nico summoned the Blue Zyuranger, Black Abaranger, Yellow Kyoryuger, and Green Ryusoulger!

Eli: (Turns Dial) BARKING BEAST POWER!

Eli summoned the Yellow Sun Vulcan, Blue Liveman, Green Jetman, Pink Gingaman, Black Gaoranger, and World Zyuohger!

Nico: YEAH!

Yost Electro: Wow! You guys know the Power Rangers?

Me: Yep. Many of them. 45+ years of them.

Yost Vulture: (dodges Hay Lin's air blast) I'm impressed how powerful you all are.

Nico: (smirks) That's because we're well trained.

Yost Vulture: Excuse me?

Nico: Sorry! That honestly came out of nowhere!

Me: But you guys are powerful too.

Yost Electro: Thanks.

Yost Electro: I'm honestly glad Kasady's dead now. Fucker wanted to show me some of his scars once.

Me: That's gross. He had his brain ripped out of his head and eaten.

Yost Electro: That is nice.

Laney: It was fitting.

Lana: We're glad that monster is dead.

Nico: Yep.

Yost Electro: Alright, we give. But just one last thing.

Nico: What's that?

Yost Vulture: (smirks) May we pay Jameson a visit?

Yost Spiderman: If you two kill him…

Yost Electro: Relax! We'll just scare him a bit.

Me: Oh that will be a priceless sight to see.

I pulled out my phone.

Me: I'll even post the entire thing on Social Media.

Yost Electro: I even have something I have been wanting to do for a while. Remember the rants Pesto did on Animaniacs?

Me: Boy how can we forget! They always crack us up.

Laney: It sure does.

At the newspaper company that Peter works at, Peter was talking to Yost Jameson.

Yost Peter: 100 dollars for my pictures? Isn't this more then what you pay me?

Yost Jameson: Parker, with what's going on with your life, you need something good.

Yost Peter: Thanks! (Sighs) And I'm sorry.

Yost Jameson: For what?

Yost Peter stepped aside to reveal us.

Yost Vulture: Hello, Jameson. I think it's time we had a talk.

Me: Hello Mr. Grouchypuss,

Nico: I think it's time we put you down for a nap.

Yost Jameson: Who are you guys?

Me: Some people you don't want to fuck around with.

Yost Jameson: Sounds like you guys are more macho than beakface here.

Yost Vulture: What do you mean by that?

Yost Jameson: I said you're macho that's all.

Yost Vulture: Are you saying that I'm one of the village people here to disco for you? Is that what you're saying!?

Yost Jameson: No I'm not saying that!

Yost Vulture: You're saying that I am macho?

Yost Jameson: Yeah yeah that's what I'm saying.

Yost Vulture: That's it! I'LL GIVE YOU MACHO!

He jumped Yost Jameson and smashed him all over the place in a fight cloud!

POW BAM BIFF SMASH WHAM SMACK BAM!

Yost Vulture: I'LL GIVE YOU MACHO OUTSIDE THE HEAD! I'LL TURN YOUR BRAIN INTO MASHED POTATOES AND MAKE GRAVY OUT OF YOUR UGLY BEARDED HEAD YOU BIG SACK OF NACHO CHEESE AND GHOST PEPPER MUSH!

We laughed hysterically!

I was recording the whole thing on my phone and it was funny!

When it was done Jameson was pulverized all over. I stopped recording.

Nico: That was funny.

Yost Jameson: Just leave Parker out of this! I know you followed the kid here but-

Yost Electro: We're not here for him! We're here because you think Spiderman's in cahoots with us!

Yost Jameson: Because it's all a conspiracy! You're all working together!

Me: That is bullshit and you know it!

Yost Electro: So he caused the incident that gave me my powers! Not likely!

Me: Yeah! On his birthday, while fixing a power line, Dillon is electrocuted and falls into a tank of genetically engineered electric eels! It gave him his powers and turned him into pure lightning! It was all an accident.

Nico: Yeah!

Yost Electro: That's right. How did you know that J.D.?

Me: It said so in The Amazing Spiderman Issue #9.

Nico: Yep.

Yost Electro: I'll have to check out some of the comics that have me in them.

Yost Vulture (to Robbie and Betty): You two deserve a better boss!

Betty: It's not like I can look for another job

Robbie: And Jonah does care. In his own way.

Me: Yeah right. Are you gonna put up with him slandering heroes and dragging our good names through the mud?

Robbie: Hmm.

Yost Electro: (to Jameson): Listen here, mustached loudmouth! If I have to come here again, I'll throw your damn ass out the window!

Nico: YEAH!

Eli: We're sick of you slandering Spiderman all over!

DING!

Eli kicked Jameson in his crotch and he screamed like a little girl.

Yost Vulture: (Winces) Ouch! Nice one kid.

Eli: Thanks.

We took the elevator back downstairs.

Nico: Dude-

Yost Electro: Don't. It needed to be said.

Nico: But that was awesome.

Me: Yep. It was.

Eli: That Jameson guy needed to be taught a lesson.

Me: He sure did. Believe me, Team Loud Phoenix Storm really got fed up with all of his hero slandering lies when Carnage ruined Girl Jordan's life when we killed Kasady long ago in the old days and we got the people of the city to turn against him.

Yost Electro: Wow. He had it coming.

We later came back.

May: Hey guys. How did it go?

Nico: Really awesome and well.

Me: I got something funny for you all.

I went to the computer and uploaded the funny Pesto Rant with Yost Vulture and Yost Jameson onto Social Media and it was great. Everyone saw it and it was funny and everyone laughed hysterically! IT WAS AWESOME!

May: (LAUGHS) That is awesome!

Nico: Yeah that was funny.

Eli: Yep.

I told everyone everything and it was awesome.

May: That was cool!

Nico: Yep.

Eli: Whoa look at the views and likes!

We saw that it was already getting 750,000 views and then it got 730 likes.

Me: Wow it went viral really fast!

Nico: It sure did.

Hay Lin: I'll say.

May: Who should come with you next?

Hay Lin: I'm thinking maybe Will and my friends and my fellow Guardians.

Nico: That's not a bad idea.

Me: Good idea.

---

Eddy was buying jawbreakers when he saw some rabbit like creatures.

Eddy: Um… can I help you?

The creatures were really cute. They were awesome too.

Their eyes glowed red and then they screamed.

Creatures: DAAAAAAAAAA!

Eddy: If you want some jawbreakers, you can just ask!

Eddy ran back to the estate and the bunny creatures followed him.

Eddy came back and panted like he had ran a marathon!

Me: WHOA! Eddy are you all right? You look like you saw a bunch of aliens from another planet!

Ed: Aliens!? Where!?

Eddy: They weren't really aliens. They were these crazy bunny creatures.

One of the bunny creatures looked in awe at our elevator and pushed a button.

It came down and opened and they went in and pushed the button to go up.

Nico: What did these bunny creatures look like.

The doorbell rang.

Nico: Come in!

It opened and then we saw the Bunny Creatures!

Me: Whoa are those them?

Eddy: That's them!

One of the bunny creatures saw an electrical socket and was about to lick it.

Shanan: Whoa whoa!

She stopped it.

Shanan: Don't do that. Wait a second. (GASP) You're all a bunch of Rabbids!

Nico: Rabbids?

Rayban: Rabbids!? Oh man! I didn't expect them to be here.

Nicole: The Rabbids? Those funny alien bunnies that come from another world and make funny crazy stuff happen when they burp and scream?

Shanan: Yep.

Me: Oh these guys are funny and cute!

A Rabbid belched.

Me: (BELCHES)

Nico: Whoa!

All of the Rabbids were lined up ready to lick the electrical socket.

Rayman: They are also not very bright.

Laney: Wow. They must be really stupid.

Shanan: Yep.

ZZZZZAAAAAAAAPPPP!

They licked the socket and got electrocuted.

FART!

One of the Rabbids farted.

Nico: They are funny.

One of the Rabbids got out drumsticks and used them to play on Poliwag, thinking he was a drum.

Poliwag: OW OW OW OW OW!

Me: Hey cut that out!

Rabbid: DAAAAAAAAAA!

Nico: They are silly though.

Poliwag: Yeah they sure are. But they are stupid.

Rayman: Rabbids are silly but they are as dumb as Billy.

Billy: (LAUGHS) These are my people.

Another Rabbid saw Bun Bun and was about to eat him.

Lincoln: Bun Bun!

Lincoln grabbed him.

Me: They sure are funny though. But they're as dumb as traffic cones.

Sandy Cheeks: They sure are. They are stupider than Patrick.

Patrick droned in stupidity.

The Rabbids were all over Eddy.

Ed: I think they like you, Eddy.

Eddy: Shut up Ed!

Maria: Ed's right. I think the Rabbids really like you.

Eddy: Really? They are funny. Uhh you guys think you can make Ed move the sofa?

The Rabbids punched Ed and told Ed to move the sofa for Eddy to the left.

Eddy: I think I'm going to like these guys.

Luan: Me too.

Nico: Funny. Now Gru is not the only one with henchmen.

Gru: That's true.

One of the Rabbids saw some of our Dynamite and started playing with it.

Nico: OH NO!

Nico grabbed the stick.

Nico: You can't play with this. It's dangerous.

Me: We need to give them a home in the estate.

William: No harm in bringing them with us in today's event.

Nico: As long as Eddy keeps an eye on them.

Eddy: Yeah. Rabbids you stay with me and don't cause trouble.

They obeyed.

Nico: Nice to know that they listen to you.

Eddy: Yep. Rabbids you stay with me.

Camie: So what is this big event?

Me: Well it's a really huge event. On April 12th, 2021 last year at 1 year ago today we went into battle with the Doomsday 23, they were 23 of the most dangerous enemies in all of Equestria.

I told them all about the Doomsday 23: TIREK THE TERRIBLE, CHRYSALIS THE CRUEL, EVIL COZY GLOW THE MALEFIC, KING SOMBRA THE BLACKHEARTED, GROGAR THE MALEVOLENT, NIGHTMARE MOON THE DARK, DAYBREAKER THE HATEFUL, THE MEAN 6 THE DISHARMONIOUS, THE MANE-IAC THE MANIACAL, EVIL STARLIGHT GLIMMER THE NEFARIOUS, STORM KING THE TREACHEROUS, THE PONY OF SHADOWS THE CORRUPTOR, THE DAZZLINGS THE SONGS OF HATE, RABIA THE BLOODTHIRSTY, THE DIAMOND DOGS THE GREEDY, DEMON SHIMMER THE POWERHUNGRY, MIDNIGHT SPARKLE THE DESTROYER, AND ABACUS CINCH

THE MANIPULATOR.

Eddy: (to Cinch) No offense.

Abacus Cinch: None taken but I can't believe I was like that!

Me: But that was a brutal battle back then. And they are all destroyed forever.

Laney: Thank goodness for that.

Me: Yeah.

Nico: We're having a barbecue over in Canterlot to commemorate this event.

Me: Yep. Lots of food, fun and games and we're also going to TP the statue of the Disharmonius 23.

Eli: Awesome!

Applejack: This will be great!

Maria: Nico, which Gene Slammer do you think you'll meet next?

Nico: Lets see. I'm hoping to meet gene-slammer for the natural predator of Eye Guy.

Shanan: Lets see. That would be a Cubotesla. They look like this.

Shanan pulled up a picture of a Cubotesla and it looked like a yellow octopus with 10 orange tentacles and had a bunch of red eyes that gave it 360˚ Vision and it has extreme luminosity to blind Opticoids.

Nico: Whoa that is freaky.

Me: Yeah it looks like a luminescent octopus.

Nico: Yeah. So I'll be having one of the light masters go with me next.

Me: Sora, Luan, Eddy, Bright Man, Kairi or Roxas.

Nico: Yep.

May: Let's get going.

Nico: Agreed. Lets head out.

Eddy: Okay Rabbids! Follow me! And stay out of trouble!

They agreed.

Vypra and the Masters of Evil all came and they had food for the event.

Vypra: Looks like the anniversary is about to begin.

Dark Spicer: Yep. (Sees the Rabbids) Whoa who are these little guys.

Eddy: These are Rabbids. Like Gru, I now have my own minions.

Dark Spicer: Wow! They are neat.

Eddy: Yep. It's okay guys. Dark here is a friend.

They shook Dark Spicer's hand.

Dark Spicer: Awesome to meet you guys.

We were off to Canterlot.

---

We were flying and then one of the Rabbids started playing with the Antitrix.

Dark Spicer: Hey that's not a toy.

The Rabbid stopped.

Eddy: Down guys. The Antitrix is not a toy.

We arrived.

We got to cooking for the barbecue. I was cooking everything. We had meat and fruit and vegetable trees ready. For the humans we had lots and lots of meat, steaks, chickens, ham, burgers, sloppy joes, pulled pork sandwiches, sausages, little smokey sausages, drumsticks, beans, coleslaw, salads and more for everyone and we even had banana pudding and cake for dessert. We also had cookies and cream cake and even mint chip cake and ice cream. There was a lot of good food and more. And for the ponies we had fruit, vegetables and hayburgers and more.

Maria: None of us will ever forget this day.

Nico: No we sure won't. That day will forever be remembered as one of the greatest battles of our history.

Laney: And it was thanks to a dream that I had that helped get us all prepared for it.

Eddy: I remember that me and Dark were the first ones to charge right into the way.

Dark Spicer: We were hoping to take out as many of them as we could before you guys arrived.

One of the Rabbids then hopped on the grill.

I grabbed the Rabbid before he could burn himself.

Me: Careful there.

I gave him to Eddy.

Eddy: You stay with me. All of you stay with us. But yes I remember that too.

Me: That was crazy.

Nico: Yep. But then we all came like how the Avengers did it in the Battle with Thanos.

Eli: Yeah that was awesome and epic.

Laney: And we had lots of help from the Ronin Warriors, King Stefan and many others.

Tyrone: It was the first time I used the Iron Monger armor. I've done a better job at using it then Stane did.

Nico: You sure did Tyrone.

Eddy: That was awesome bro.

Rabbid 1: (Jabbering)

Eddy: Yes that was awesome of my brother huh?

Laney: It sure was. And the days leading up to the war had us taking down one enemy of Equestria after another.

Lana: That was awesome.

Dark Spicer: Me and Eddy managed to inflict the first casualty.

Nico: You sure did and that was with Cinch.

Me: Blasted her right in her head. That was awesome.

Lana: Yep.

The food was being served and we were talking as we were eating.

Nico: The days leading up to the war were just as eventful.

Cozy Glow: Yeah. First was my redemption.

Mummy: (to Cozy Glow) I was there when you were about to hang yourself.

Yenaldooshi: Same with me. And I helped find you.

Heidi: I had to use my skills to unlock the door to the school.

Nico: You sure did Heidi. That was awesome.

Po Kong: And that was one of the times where I didn't want to think about eating.

Nico: No kidding.

Cozy Glow: But the reason why I was suicidal was because I didn't want anyone to deal with me anymore because of my crimes.

Eli: But we didn't want that to happen because it went against our code.

Aurora Shine: That is good. But J.D. resurrected me and reunited me with Cozy.

Lola: He sure did and that was awesome.

Vypra: That was cool hearing about that.

Me: Lets not forget that we brought back Star Swirl and the Pillars of Equestria and then banished the Pony of Shadows into another dimension before it all began.

Star Swirl: Yes I remember that.

Twilight Sparkle: That was really amazing.

Nico: One of the battles leading up to the war, we fought Deacon Blackfire.

Me: I'll never forget that one. That was an awful one.

Camie: Who is Deacon Blackfire?

Me: You would hate him with a vengeance Camie. He was the leader of a malevolent Satanic Cult called the Order of St. Dumas.

Izuku: Whoa man! I heard of them! They were a very dangerous cult that did it all.

Himiko Toga: That must've been an awful cult.

Misty Tredwell: It was.

Brittney: And I was also facing King Sombra back then too.

Nico: That was something.

Ibara Shiozaki: No kidding and I don't like cults like that.

Me: Thank goodness.

Nico: And on the first Ridonculous Race, we fought Midnight versions of Twilight and her friends.

Me: Yep. Me and Zarya fought who we call The Midnight 13.

Applejack: I just couldn't believe that they were evil versions of us.

Fluttershy: It was really scary.

Nico: The one in Iceland was weird. That one is where you faced Applejack's evil self.

Me: Yeah no kidding.

May: That one was a liar.

Applejack: Totally dishonest to the core!

Apple Bloom: Yeah! But the food in Iceland was really weird.

Me: Yeah it may be strange but it was awesome.

Zarya: To tell you the truth, I really liked it.

Me: Me too. And I am part Icelandic in terms of international heritage.

Nico: That is true. Some of us didn't like it though. No offense to those from Iceland. But it was cool learning all about the countries as we go along.

Me: Yep and Nico did a great job leading the team in mine and Zarya's absence back then.

Nico: I lost my mind a bit back then.

Poromon: It wasn't all that bad. Those sock puppets you made were

awesome.

Me: But you still pulled through.

Nico: That's true.

Vignette Valencia: I thought it was all fun for you all Especially blowing up Billy McLean's mansion.

Me: Now that was really fun. All the Total Drama Contestants liked that.

Gwen: It was really therapeutic to do that.

Courtney: Boy was it ever.

Sammy: It was really awesome.

Stewie: And we managed to kill Bertram. After he tried to travel multiverse to form an army. Again.

Me: Now that was cool. Nico told us all about that and it was really awesome for you all to see those universes.

Camie: What universes were they?

Nico: They were really strange. We saw a universe made only for Fraternity and Sorority clubs like you see on college campuses, a universe for only the Amish, A universe only for the handicapped, One that was evil and everything was turned into a warzone, one that was full of pirates, a universe where Santa makes weapons for the highest bidder and a universe where we saw a space station plagued by alien chickens.

Eli: That was really awesome to see.

Zarya: It sure was.

Me: And I have always had a huge fascination with the Amish. They are really cool.

Hank Scorpio: And I liked the Fraternity and Sorority universe because I was part of a Frat club myself.

Sophie Casterwill: (British Accent) I remember that. That was really amazing.

Ed: I liked the Alien Chicken universe.

Izuku: And you guys didn't fight any of the Amish?

Maria: We did. We gave them the first attack.

Nico: Yep. And we told them the truth about Bertram and how he was the true enemy.

Me: That's good and also that Amish City over there is now part of our city.

I pointed and showed the Amish City from the Amish Universe.

Camie: Wow! That is neat.

Laney: It sure is. The Amish are amazing and Appejack liked that universe the best.

Applejack: Boy howdy I sure did.

Me: I will admit though, those quick-growing trees that Bertram gave the Amish were very genius. Endless lumber for them.

Lisa Loud: Indeed. That was very smart and very brilliant ingenuity.

Dark Raph: I remember when me, my bros, and Hulk smashed Tirek to a pulp during the war.

Nico: Now that was cool!

Optimus Prime: And the strange part is that Tirek actually sounds like Unicron.

Nico: I remember that Optimus! That was really strange that Tirek and Unicron had the same kind of voice.

Laney: That was freaky.

Me: It was like we were fighting Unicron all over again but as a demonic centaur.

Camie: Who is Unicron?

Nico: The Transformer Devil and the most powerful Transformer ever. He was a transformer that was as big as an entire planet. And we destroyed him after our Earth Day Charity Week in 2019.

Nico went over the events of chapter 691 and it was epic!

* * *

It starts with me in the living room watching TV. Suddenly the alarm went off.

Me: Uh oh.

I went to the computer and it showed a massive planet-size transformer heading straight for the planet Cybertron.

Computer: J.D. my space scanners have shown a massive planet-size transformer heading for planet Cybertron. The name of this massive transformer is Unicron.

I gasped in sheer fright when I heard that name.

I pressed a big red button that said "Code Firestorm Alert" and pulled out a microphone and got onto the radio frequency and the intercoms.

Me: ATTENTION ALL MEMBERS OF TEAM LOUD PHOENIX STORM AND THE REDEMPTION SQUAD! THIS IS J.D. KNUDSON CALLING WITH AN EMERGENCY CODE: FIRESTORM! THIS IS NOT A DRILL! I REPEAT! THIS IS NOT A DRILL!

Everyone got back fast.

Vince: What's going on Partner?

Nico: I just got done catching a Magcargo and a Piloswine in the park.

Me: We have a terrible situation brewing guys. Unicron the Transformer Devil is heading right for Cybertron!

Everyone gasped in sheer horror when they heard me say that name.

Optimus Prime: Unicron is attacking Cybertron!?

Hot Rod: I thought Unicron was just a myth.

Lincoln: Who or what is Unicron?

Me: He's the Ultimate Transformer and he's the ultimate transformer of pure ultimate evil. He's called the Transformer Devil. He is a transformer that's the size of a whole planet and he is the brother of the creator of all transformers: Primus himself. This is what he looks like.

I change the image to what Unicron looked like and it showed that he was as big as half of our whole planet in planet mode. But when transformed he is as big as our whole planet!

Lincoln: Whoa! Look at the size of him!

Lori: He's literally huge!

Leni: How can he be so big?

Me: Not only is he so big but he is a Transformer that has been around since the dawn of time itself.

Lori J.: I remember that Unicron was the progenitor of the entire war between the Autobots and the Decepticons. Unicron is the source of all evil in the universe. One of them.

Me: That's right Lori. Nico told me that you Bud and Coby had helped the Autobots in the war against a Black Hole made by Unicron when he was destroyed.

Lori J.: That's right.

Me: That was awful what happened. Nico you've known a lot about the Transformers for a while. What do you know about Unicron?

Nico: Unicron is the ultimate evil of Transformers like you said. But he is far more than that.

---

Before the dawn of time, Order and Chaos existed within an extra-dimensional entity known as The One. To explore the fledgling universe, he created the astral being known as Unicron, and then subdivided him, creating his twin, Primus. Both brothers were multiversal singularities, unique in all realities, but whereas Unicron could only exist in one universe at a time, moving between them at will, Primus existed simultaneously in all realities at once. It is suggested, in fact, that the two brothers embody the basic concepts of reality-good and evil, order and chaos-and that their continued existence is necessary for the stability of the multiverse.

As Unicron and Primus went about their appointed task, venturing through the cosmos, it became apparent to Primus that Unicron was a corrupt being, and he took it upon himself to stop the threat posed to all of existence by his sibling. In combat, Primus was no match for Unicron. In cunning, however, he proved himself to be his brother's superior when he shifted their battle to the astral plane, and then back to the physical world once more, only to have both their essences manifest within metallic planetoids, leaving them both trapped. It was with this act of sacrifice that Primus hoped to contain Unicron's evil forever. Unfortunately for him, over time, Unicron learned to psionically shape his prison into a giant metallic planet, and Primus followed suit, becoming the mechanical world of Cybertron. When Unicron then learned to transform his planetary form even further, into a gigantic robot form, Primus adapted the idea to suit his own ends, creating a group of thirteen robots that possessed the ability to change shape, like Unicron.

The war between Unicron and Primus came to its seeming end during a climactic battle in which one of the Thirteen, who would forever afterwards be known as The Fallen, betrayed Primus and became an acolyte of Unicron. The battle ended when the Fallen and Unicron were sucked into a black hole and disappeared from reality. With Unicron gone for now, Primus entered an eons-long slumber, his self-imposed sleep preventing Unicron from detecting him through the mental link the brothers shared.

Unicron is the eternal arch-enemy of his twin brother Primus. Also known as the Lord of Chaos, the Chaos Bringer, and the Planet Eater, he is dedicated to consuming the multiverse. His massive form is powered by the consumption of planets, moons, stars, and even the very fabric of existence. Unicron will not be sated until his ultimate goal is attained: to bring an end to the annoying creation boasting independence around him, and find peace by becoming the living center of a swirling, infinite torrent of nothingness at the end of all things.

To undertake this seemingly overwhelming task, Unicron is able to travel across realities at will, a meandering plague upon existence itself. Integrated into his systems are incomprehensible quantum computers which calculate probabilities forward and backwards in time, in perpetuity, giving his processors an ever changing, evolving map of the multiverse. With these abilities at his disposal, Unicron has thus far devoured approximately 22.56% of known universes. Seen at a detached distance from the multiverse, this collective "Unicron Phenomenon" acts with the characteristics of a virus or plague seeping through reality, succeeding where it can, retreating when it cannot. Various permutations of Unicron can spawn into existence outside the trappings of the larger entity, hailing from a more mundane origin but possessing the same consumptive traits. For much of multiversal history, the singularity Unicron threatened all of existence, but now, that is no longer the case, versions of Unicron being restricted to their own dimensions.

The only thing that he fears is Primus's essence, contained inside the Matrix. To a being of chaos and uncreation, this font of life is a poison.

Frequently, Unicron will make deals with lesser beings, promising them vast new powers in exchange for their servitude. These minions are sometimes stripped entirely of their free will, but others follow him willingly. Service to Unicron, however, is a double-edged sword, for it causes insanity and loss of self. And in the end, Unicron's plans ultimately call for their consumption as well.

We were flabbergasted and overcome with sheer horror.

Laney: Are you serious Nico!? Unicron is that powerful!?

Nico: He is. Unicron is the Cybertronian version of the Devil himself and he's just as powerful, cunning, evil and manipulative as the Devil here on Earth.

Me: This could very well be the biggest and most powerful battle we have ever faced. This could be the battle to end all battles and it could very well test the ultimate extent of the entirety of our power. The Entire Universe is now in grave danger and Unicron has to be stopped. We have to stop Unicron at all costs or the Universe as we all know as it is will be completely destroyed as we know it.

Carol: How are we gonna stop a massive planet size transformer like Unicron? He has to be the most powerful enemy we had ever gone up against.

Me: This is a fight of epic porportions guys.

Nico: There's only one thing we can do guys. We need to get all the help of every transformer we can find. Also I have another idea and you're not gonna like it J.D.

Me: What is it Nico?

Nico: I know you're gonna think I'm crazy but we don't have any other choice. We need to resurrect Soundwave, Frenzy, Thrust, and Dirge and release Ramjet from Prison and get them to help us.

We were shocked at what Nico had in mind.

Lori J.: Nico are you out of your mind!?

Luna: Yeah dude those 5 Decepticon's have tried to kill us and they worked for Megatron!

Nico: I know it's crazy but the entire universe is now in Grave Danger. And we need all the help we can get. Plus I'm now the new leader of the Decepticons and with Megatron dead, I have assumed command of the Decepticons as their leader.

Sideways (Cybertron): Nico is right. It might seem crazy but we don't have a choice. Unicron poses a tremendous threat to all creatures in the entire universe and we have to work together to destroy him.

Nico: That's right. I agree with Sideways. The war with the Autobots and the Decepticons nearly destroyed the entire universe and we can't let history repeat itself. I have a strong feeling that it was Unicron that was responsible for all the events that have happened over the eons. Now it's time for the Autobots and the Decepticons to put aside all their differences and band together to destroy the Ultimate Evil.

Me: I agree Nico and you raise a good point. When we all killed Megatron we killed Cybertron's greatest enemy. Nico is now the Leader of the Decepticons and he is now leading them on the right path to redemption. And now they have an even bigger enemy looming on the horizon. A Transformer that possesses more power than every single one of them combined together. Nico, (Snaps Fingers) do what you got to do. Soundwave, Thrust, Frenzy and Dirge are resurrected. So do what you got to do.

Nico: Right buddy. Lets go!

May: Be careful Nico.

Nico: I will May.

Nico and the Decepticons were off.

---

On the Planet Velocitron, Nico and the Transformers were there to recruit the Transformers of Velocitron. They found Frenzy and Dirge fighting.

Frenzy (grabs Rumble by the throat): You think I'm just gonna forget that you helped kill me, you sorry excuse for a brother?!

Nico: THAT'S ENOUGH!

Frenzy released Rumble as he, Soundwave, Thrust, and Dirge look at Nico.

Nico: This isn't the time for personal grudges, you 4. The time for Autobots and Decepticons fighting each other is over. This is a new world, where Cybertronians coexist peacefully. If you can't accept that, then kill yourselves now and save time.

Dirge: Nico Chan! Who are you to come here and talk to us like that?

Nico: I'm the new leader of the Decepticons!

Thrust: Say what?!

Nico: And right now, we have a new enemy to destroy.

Soundwave: Question: What enemy is that?

Nico: Unicron is coming.

Dirge: Unicron the Planet Eater!?

Soundwave: How is Unicron coming?

Nico: Unicron is coming to destroy all of Cybertron and when he's done with Cybertron he is coming for Earth. We have to stop him at all costs or the Universe as we know it will be completely destroyed. Unicron poses a threat to all creatures in the universe including us!

Thrust: This is a nightmare!

Dirge: How did you come across this information?

Nico: My boss, leader and best friend J.D. Knudson told me. Right now Unicron is heading right for Cybertron even as we speak and if we don't stop him then all hope is lost! So as new leader of the Decepticons we need to put aside all our differences and band together in this time of crisis. If you all don't stop this pointless fighting, then we have no future. So please. Will you help us?

Soundwave, Thrust, Dirge and Frenzy huddled and they broke.

Soundwave: You do raise a good point Nico. We'll help you out and we want to redeem ourselves!

Nico: Good choice Soundwave. Welcome to the alliance, Team Loud Phoenix Storm and The Redemption Squad.

Dirge: We won't let you down Nico.

Frenzy: Yeah!

Nico: We have one last thing to do before we take the fight to Unicron.

---

Nico and the Transformers went to the Cybertron Prison and they were in front of Ramjet's cell.

Ramjet: What do you want, Nico? Come to rub it in my face?

Nico: No. We need your help.

Ramjet: With what?

Nico: You know about Unicron?

Ramjet: The planet eater? Yeah, I've heard of him.

Nico: He's coming. And we need all the help we can get. Including you. So, will you help us?

Ramjet: All right. I'll help. But, I hope you realize that the rest of your friends won't be happy about this.

Nico: I already explained it to them.

---

Back on Earth, I got all our forces assembled and it was time for us to head to Cybertron. Once we got there it was all Transformers united. Now we were ready for the ultimate fight that will decide the fate of the entire universe.

Me: This is it guys. The battle that will decide the fate of the entire universe is now about to begin.

Lisa: 2nd Elder Brother, something is approaching. Slowly but surely.

We saw something coming.

Lincoln: Is that a small moon?

We saw what looked like a moon space station.

Me: That's no moon.

Lincoln: And it's not a Space Station.

We flew out and we saw that it was an ugly planet with horns and a mouth-like hole in the middle. It transformed into a massive Transformer right in front of our eyes. We saw it become a massive robot as big as an entire planet. The level of evil it had was far more powerful than all the evil villains we have killed over the entirety of the course of the last 3 and a half years combined all together at once. When his transformation was done we saw the Ultimate Transformer standing right in front of our very eyes! The Transformer Devil himself:

**UNICRON - SUPREME HARBINGER OF UNIVERSAL ARMAGEDDON!**

The level of power he had was so unbelievably strong and it was so powerful that it completely defied all levels of mortal and godly comprehension. It was like we were staring right into the face of pure evil itself amplified to the power of infinity.

Me: Whoa!

Varie: So that is Unicron. He's huge!

Aylene C.: He's massive.

Rachel S.D.: And his power is absolutely unbelievable!

Nico: J.D., Me, Hot Rod, Ironhide, Francis, Ratchet, Spiderman, Hulk, Thundercracker, Skywarp, and Shockwave are gonna go inside Unicron and destroy him from the inside. We need to destroy Unicron with the Transformer Matrix from inside him.

Me: Okay Nico. We'll hold him off while you all do that. Be careful man.

Nico: Will do. Lets do this!

Thundercracker: You got it boss!

Optimus: Lets head inside him!

They did so.

Me: All right guys! Time to power up! GUARDIANS UNITE!

Team W.I.T.C.H.J.E.M.M.L went into their guardian forms.

Will: THE HEART!

Irma: WATER!

Taranee: FIRE!

Cornelia: EARTH!

Hay Lin: AIR!

Me: LIGHTNING!

Elyon: TIME!

Megan: SPACE!

Matt turned into Shagon.

Lillian: LIGHT!

Me: Sonar, Runway, Jetstorm, Powerlink!

Sonar, Runway and Jetstorm turned into the Star Saber.

Me: Star Saber! Now it's time for the ultimate battle. Time to merge powers!

Will: Right!

The Guardians channeled the Auramere's into me and I went Super Ebonwu 30,000 Phoenix Angel and I grew to the size of Unicron.

Me: (Echoing Voice) **Unicron, you're gonna pay for all the pain and suffering you've caused to the entire universe!**

Unicron then formed a Dark Saber and we clashed. The power of the clash was equal to that of a supernova explosion. We clashed our blades and it was shaking the very foundation of the entire universe to the core. We then broke off the clash and stood ready.

Me: **I don't understand you Unicron. Why do you want to destroy the entire universe?**

Unicron: **Because I want to remake it in my own image and take my rightful place as supreme overlord of everything.**

Me: **You will never be supreme overlord of anything as long as Team Loud Phoenix Storm and the Transformers have anything to say about it!**

Unicron then fired a massive blast of lightning from his horns on his shoulders and I fired a powerful blast of lightning as well. The blasts collided and they exploded with the power of a supernova!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I emerged from the fiery explosion and we locked hands. It was the battle with an angel with the powers of an ultimate god and the ultimate evil of the Transformers. Everyone else was blasting Unicron all over the place with energy and powerful attacks.

* * *

Inside Unicron, Nico and team were heading to the Heart of Unicron.

Nico: Wow! The inside of Unicron goes on forever!

Optimus Prime: It sure does.

But then they got some unexpected company. Unicron had minions that looked like G1 Galvatron, G1 Cyclonus, G1 Scourge, and the G1 Sweeps.

Nico: Oh no! It's the G1 Galvatron, Cyclonus, Scourge and the Sweeps!

Optimus Prime: I can't believe this is what they looked like all those years ago. I completely forgot.

Nico: Not to mention that the G1 Cyclonus and Scourge were the biggest jerks in all of Cybertron.

?: Let me help you all out as well.

They turned and they saw Nova of the Nova Corps.

Nico: Sam Alexander A.K.A. Nova. It's a pleasure to meet you.

Nova: You too Nico.

Hulk: Hulk happy to see you Sam.

Nova: You too Hulk. Hey, Web Head! Long time no see.

Spiderman: We can catch up later Sam. Lets get these overgrown tin cans.

Galvatron: Optimus Prime! I am Galvatron! I have come to kill you and take the Matrix!

Nico: Not on my watch!

Galvtron: Hand over the Matrix, Prime, and I might spare your life!

Nico: You sound just like Leonard Nimoy from the Star Trek Series. I've known the Transformers for years and I may be a Saiyan but I know the Transformers. But you are just like G1 Megatron and Cybertron Galvatron when we destroyed them. I am now the new leader of the Decepticons and you are now completely obsolete!

Hulk (punches G1 Galvatron): First Galvatron hurt Ed! BUT HULK WILL SMASH SECOND GALVATRON!

Hulk punched the G1 Galvatron with devastating force and punched a huge hole into his chest.

Galvatron fired a powerful laser blast at Thrust, Ramjet, Dirge, Frenzy, and Soundwave and Nico deflected it back and it hit one of the Sweeps and destroyed it.

Ramjet: You saved us? After all the things we tried to do to you and your friends?

Nico: Didn't you hear me before? There's no more conflicts between Autobots and Decepticons. If we can forgive the rest of the Depceticon army except for Starscream and Megatron, we can forgive you guys as well.

Hot Rod: Final Smash time! FIERY ROADBURN!

Hot Rod turned into an awesome Hot Rod car and burned rubber and he went so fast that he set the whole road on fire! He burned G1 Galvatron!

G1 Galvatron then grabbed Hot Rod.

G1 Galvatron (about to strangle Hot Rod to death): First, Starscream. Then, Megatron. And now, you! It's a shame that you Autobots and Decepticons die so easily or else I might actually have a sense of satisfaction now!

Then a bright light enveloped Hot Rod.

Primus (from the Matrix): Arise, Rodimus Prime!

Nico: Primus!

They saw Hot Rod turn into Rodimus Prime!

Nico: Rodimus Prime!

Rodimus Prime kicked G1 Galvatron off of him.

Nico kicked Galvatron in the face and charged up an energy blast.

Nico: This is the end of the road, Galvatron! You and Unicron have failed this universe!

Nico fired a powerful energy blast and completely obliterated the G1 Galvatron in an instant.

Nico: Now it's time to finish off his lackeys. Hulk, Lets use our combo on the G1 Cyclonus, Scourge and the Sweeps.

Hulk: Got it Nico!

Nico used Solomon Grundy's super strength and Hulk used his Super Strength.

Nico and Hulk: SUPER DEATH SMASHPUNCH!

Their powerful death punch smashed the G1 Cyclonus, Scourge and the Sweeps to pieces instantly.

Nico: That one was for you, Grundy.

Nova: These guys are bad news. I can't believe that they are that strong.

Ramjet: They aren't as powerful as they were when Nico and his friends faced all of us.

Nico: Yeah. G1 Cyclonus, Scourge and the Sweeps, you all have failed this universe.

Frenzy: Lets hurry on.

They did.

---

Outside, the battle raged on.

Moonracer: Unicron you will never win!

Iceman (Marvel): You got it Moonracer!

Moonracer fired her Photon Pistol and Iceman fired a powerful blast of ice.

Moonracer and Iceman (Marvel): PHOTON ICESTORM BURST!

The blasts of Photons and Ice combined and they hit Unicron in his neck and exploded. He screamed in pain and I headbutt him and slashed him in the chest and I kicked him in the stomach and face and then I slashed his arm.

Me: **Unicron, I will never forgive you for everything you've done!**

Then I sensed something strange.

Me: **What the? I sense something inside Unicron. Whatever it is it must be the source of all of Unicron's power.**

I punched Unicron in the face and punched him in the stomach again.

---

Inside Unicron, they made it to Unicron's black and gigantic heart.

Nico: Unicron's black and malevolent heart.

Nova: It's huge.

Spiderman: I can't believe that Unicron's heart is this big and it's beyond pure evil.

Francis: Me neither.

?: Help me!

Nico gasped!

Nico: Who's there?

Optimus Prime: That sounded like a little girls voice.

Nico scanned for where she might be by concentrating. He found her inside the heart.

Nico: She's inside Unicron's heart.

?: Help me Lori! Help me!

Nico: How does she know Lori? And how did she get inside Unicron's dark heart?

?: (Malevolent laughter) I'm impressed you all made it this far gentlemen. You should be congratulated.

Nico: I know that voice! Armada Sideways!

Sideways of Transformers Armada appeared out of Unicron's black heart.

Optimus Prime: Sideways!

Nico: The most diabolical traitor of all next to Starscream.

Sideways (Armada): Please. I'm not impressed by your petty labels.

Optimus Prime: You've been with Unicron all along haven't you?

Nico: And if that's the case then you will pay for your crimes.

Unicron: (Speaking Through Armada Sideways) **Actually to be more precise, we are one in the same my dear friends. This shell that you've come to know as Sideways is but a disguise.**

Nico: So you are also Unicron as well!

Unicron: **That's right. For eons I've absorbed energy from your battles all over the universe and with the fights with Optimus and Galvatron. Making me the most formidable adversary in the cosmos. And now that my metamorphosis has come this far it is time to take my rightful place as Supreme Leader.**

Optimus Prime: You only absorbed our negative energy.

Unicron: **Precisely. I must confess, there was more than enough of it to feed off of. And while you were squabbling I surpassed**

**your strength without any of you even noticing.**

Nico: Who is that girl that you've imprisoned inside your heart?

Unicron: **The girl inside my heart is a young human girl named Emma Jimenez and she is the younger sister of the human you call Lori Jimenez.**

They gasped in sheer shock.

Nico: Lori's little sister is inside your heart!?

Optimus Prime: How did you get Lori's sister into your heart!?

Unicron: (Chuckles) **It was very easy. As you were fighting the evil human you all call Dr. Blight, I made my move and kidnapped her to restore me. You see, Emma has a strange and mysterious power that enables her to absorb Negative Energy. She was the catalyst that made me stronger and I'm getting stronger by the second thanks to her. And soon when she has served her purpose I will destroy her like I will destroy all of you.**

Nico: You monster! I won't let you get away with this Unicron!

Nico went Super Saiyan 3.

Optimus Prime: Nico wait!

Nico flew into Unicron's black heart and went deep into the void.

Nico was inside Unicron's malevolent and evil heart. It was as black as evil can get and it was an endless heart of pure darkness.

Nico: (Echoing) Emma? Emma?

Nico followed the dark arteries of the heart and then he saw Emma. She was a girl with black hair and she was in blue pajama clothes torn up and she was no older then Lucy Loud.

Nico: Emma!

Nico flew up to her.

Nico: Emma wake up! Please wake up!

Emma woke up and she was barely alive.

Emma: (Weakly) Who are you?

Nico: I'm Nico Chan and I'm here to get you out of here.

Emma: I tried to get out but I can't.

Nico: I can do it.

Nico ripped the arteries out and undid her bindings. She fell and Nico grabbed her.

Nico: Lets get out of here!

Nico put her on his back and flew out of the black heart. Nico formed an air bubble around Emma and she was getting air in the endless void of space.

Nico and Emma flew out of the Heart.

Optimus Prime (about to open the Matrix): Now, light up our Darkest Hour!

Optimus opened the Matrix and threw it into Unicron's heart.

Nico: Lets get rid of this Unicron buttface! Astroscope, Payload, and Sky Blast, Powerlink!

Astroscope, Payload and Sky Blast turned into The Requiem Blaster.

Francis: I've had it with this freak! Lets combo attack Ramjet!

Ramjet: You got it Francis!

Francis fired a powerful blast of fire and Ramjet fired lasers and missiles.

Francis and Ramjet: FIRESTORM BARRAGESTRIKE!

The fire and missiles and lasers burned and hit Armada Sideways.

Sideways (Armada): You all will pay for everything you've done!

He transformed into a motorcycle and rider and burned rubber and went at them.

Sideways (Armada): YOU'RE MINE!

Nico: Shut your mouth and burn in hell you motherfucker!

Nico fired the Requiem Blaster and blew Armada Sideways to pieces.

Nova: Time to finish him for good with a final smash. NOVA ENERGY STRIKE!

Nova fired a huge blast of blue energy from his hands and it hit Armada Sideways and completely obliterated him.

Nico: Armada Sideways, you have failed this universe. Lets get out of here!

Nova: Nice shot Nico!

Nico: Thanks Sam. Same to you. Come on guys!

They went out of Unicron.

Nico: J.D. do you read me?

Me: **I read you Nico. Did you plant the Matrix into Unicron's heart?**

Nico: We did J.D. But we also made a surprising find. Unicron had a hostage.

Me: **What!? Who was it?**

Nico: It was Lori's little sister Emma Jimenez.

I gasp.

Me: **How can that be?**

Nico: During the fight with Dr. Blight she was kidnapped by Unicron and she has this really unusual power that enables her to absorb negative energy. Unicron was using her like some kind of battery.

Me: **Did you get her out of Unicron's heart?**

Nico: I sure did. She's weak from the removal but she should be okay.

Me: **Great job Nico. Get out of there now guys. I'm going to finish Unicron once and for all.**

Nico: Okay.

---

Unicron then screamed in excruciating pain as he looked like he was having a huge Heart Attack.

When Nico and team got out it was time.

Me: **Now it's time to finish you for good Unicron and end your reign of terror once and for all!**

I raised my hands.

Me: **Everyone, share your energy with me!**

I gathered energy from all over the galaxy. And a Spirit Bomb the size of Cybertron had formed in my hands.

Me: **This Spirit Bomb is not enough. Master Goku, I need you to call King Kai and tell him to help me get more energy for the Spirit Bomb.**

Goku: You got it J.D. (Telepathically) King Kai? King Kai can you hear me?

King Kai: I hear you loud and clear Goku. What's the problem?

Goku: J.D. is using the Spirit Bomb to destroy the evil Transformer Devil Unicron. We need energy from all over the entire universe to destroy him once and for all. It's our only hope!

King Kai: Pep from all over the universe huh? All right I'll get right on it Goku. (Telepathically to the Kais) Kais of the East, South and West, lend me your strength for the Entire Universe depends on it!

The Kais strengthened their telepathic link.

King Kai: (To Goku) Okay Goku it's all ready.

Goku: Okay. J.D. it's all ready.

Me: **Okay Master Goku! Everyone SHARE YOUR ENERGY WITH ME!**

Energy from all over the entirety of the Virgo Supercluster flew into our galaxy and poured into the Spirit Bomb like wildfire and the Spirit Bomb grew to massive size and it was as big as a Hypergiant star.

Me: **Master King Kai, thank you so much and thank everyone all over the universe for their assistance.**

Unicron was still screaming.

Me: **This is it Unicron! Now go to hell and stay there!**

Unicron: **Destiny… you cannot… destroy… my… DESTINY!**

I threw the massive Spirit Bomb at him and it completely consumed him and completely obliterated him in an instant! It went all the way out into the vastness of space and exploded.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When the smoke cleared, Unicron - the Supreme Harbinger of Universal Armageddon, had been silenced forever and the Universe was finally free of his terror. After so many eons of pain, suffering, death, destruction and chaos, the universe was finally rid of his evil once and for all thanks to us and everyone all over the universe! I powered down and I wasn't in the least bit exhausted.

Me: It's over guys! We won! Unicron has been destroyed.

Everyone cheered wildly in a thunderous roar of victory.

Optimus Prime: Everyone, Unicron and his minions have been defeated. And I am happy to announce that Rodimus is my new second in command.

Rodimus Prime: Now, let this mark the end of the Cybertronian Wars as we march forward to a new age of peace and happiness! Till all are one!

All: Till all are one!

Me: Nico, you did really well. Great job buddy.

Nico: It wasn't just me J.D. It was all of us.

Me: It was. We triumphed together.

Thundercracker: It's good to have you guys back.

Frenzy: Good to be back. (sighs) Rumble… I wanted to say I'm sorry.

Rumble: For?

Frenzy: Being dead… well, for a while… it gave me perspective. Let me realize how much I've screwed up letting Megatron lead me down a dark path like I should have. But now that I've gotten a second chance, I'm gonna use it wisely and fight bad guys by your side.

Ramjet: Ditto. What happened was… well, it gave me some perspective too. Made me realize I've been an idiot in following Starscream and Megatron's destructive ways. But I know that I can make it up for it by helping you guys out against the villains on Earth.

Thrust: Same goes for the rest of us.

Soundwave: Megatron and Starscream: Inferior. Nico Chan:

Superior.

Nico (smiles at them): Don't worry. You all proved yourselves by helping us kill Megatron. Now, how about we go the estate for the victory party?

Thrust: We'd like that.

Dirge: You're the boss. And this time… we all mean that.

Ramjet: We all do.

Rodimus Prime: (To the viewers) As long as evil exists in this universe, we will be there to stop it.

Nico: Come on guys. Lets head home.

We did so.

---

In the infirmary, Emma was waking up. She woke up in a bed and she saw Lori sitting on her bed.

Emma: Lori?

Lori J.: Hey sis. I'm glad you are back.

Emma: Sis!

Lori and Emma hugged and Emma cried hard.

Emma: (Crying) I was so scared!

Lori J.: I know sis. But you're back now and that's all that matters.

Emma was crying hard.

---

We were watching TV and some of us had bandages on from the battle. But it was all worth it and we had come out victorious.

Me: This was by far without a doubt the biggest and most powerful battle we've ever had.

Nico: It sure was. And Ben used the power of Alien X to stop another Black Hole from forming.

Me: He sure did. And that was clever.

Mike: Guys I have something to say to Zoey.

Me: Okay Mike.

Mike held Zoey's hand and stood in front of us.

Zoey: So Mike, what is it you want to say.

Mike: (Holds her hands) Zoey, you are the best thing that ever happened in my life and I want to spend the rest of my life with you. Zoey, (he gets down on one knee and reveals a ring with a red ruby and diamonds as everyone gasps excitedly) will you marry me?

Zoey: (Wiping away her tears of joy and give him a hug) Yes!

They shared a kiss and we cheered wildly for them.

Me: Congratulations guys!

Lynn: Way to go you guys!

Lincoln: That was amazing!

Laney: I'm so happy for you both.

Lola: Me too.

Mike: Thanks guys. Zoey is the best person in the world and I want to be with her forever.

Me: I know you two are perfect for each other buddy.

We had a great dinner. And we saw Sammy sad.

Me: What's wrong Sammy?

Sammy: I miss my dad. My father died of cancer and it was because of Amy and my mother that I lost him.

Lori: Oh Sammy. That's awful.

Sammy: I know Lori. But I miss my dad so much. If only there was a way to reunite with him so I can get some closure.

Me: I think I have that answer.

I pulled out a blue crystal.

Me: I found this in the mine we were in when I was on Season 7.

Cameron: (Amazed) That is not just any ordinary crystal, it's a Resurrection Crystal.

Gwen: So it's just like the Resurrection Stone in the Harry Potter books?

Cameron: Kind of, the only difference is that after you let go of it after using it, it will destroy itself.

Shawn: So I could bring back someone that I have lost for a few minutes?

Cameron: Yep! I wish I could see it work myself, but I've got to get back to work. (He leaves)

Me: That's amazing Cameron. I didn't know I had a powerful crystal in my hands.

I gave the crystal to Sammy.

Me: Here Sammy. You need this. I think it's best for you to have some closure.

Sammy: Thanks J.D.

(Sammy takes the crystal, holds it close to her heart, closes her eyes and thinks about her father. She then hears a familiar voice.)

?: Sammy!

(Sammy opens her eyes and is surprised to see her father standing right there as if he never died. Everyone is also surprised to see this.)

Dave: (To Sky, shocked) You're seeing this too right? (Sky nods)

Me: This is incredible. It's all real.

(Sammy walks up closer to her father)

Hank: You've grown up so much. You've made a lot of new friends, you found a new home, and you've helped those that needed it. I am so proud of you! (Sammy smiles at him.) I saw everything you've done and I'm so proud of you.

Sammy: (Touched) Thanks Dad!

Hank: (Turns to Jasmine) Thank you for taking my daughter away from Amy and her mother.

Jasmine: You are welcome!

Hank: (Turns to Sky and Shawn) And thank you for saving her life.

Shawn: Anytime!

Sky: She's very special!

Hank: Yeah she is. (Turns to me) J.D. Thank you so much for helping my daughter. I know she is in good hands and thank you for throwing Amy in jail.

Me: It was our pleasure Hank. And I'm so sorry all this happened to you.

Hank: It's all right J.D. (He looks at Sammy) Remember, even though I am gone, I am always proud of you and I will always love you.

Sky: (Gasps) Just like what Misty said on the Island.

Hank: And I am also glad that she is safe. Misty is so lucky to have a sister like you who is always there for her. (Sky smiles)

Sammy: I'm happy that I got to see you one more time.

Hank: I know sweetie, I know. Just remember, I will always be right here, (points to her heart) right here.

Sammy: (Teary eyed) Thanks daddy, I love you.

Hank: And I love you too Sammy. (The two of them share a hug that feels so real. Sammy then drops the crystal and it smashes to the ground. And just like that, her father was once again gone.)

Me: I'm glad you got closure Sammy.

Sammy: I am too J.D. (Tears flow down her face) I am too.

We had a most amazing battle, Mike and Zoey got engaged and Sammy got closure after everything that had happened to her at the hands of her evil sister and her cruel former mother.

FLASHBACK ENDS

When it was done everyone was amazed.

Live Action Onslaught: Wow! So that's how you all destroyed Unicron.

Live Action Jetfire: That is amazing young one.

Nico: Yep and it's how I was officially elected as the leader of the Decepticons and I began leading them on the road to redemption.

Laney: That was an awesome battle.

Me: It sure was. And the thing is that back then I wasn't nearly as powerful back then as I am now.

Nico: That's true. That was an awesome battle though.

Me: Anyway lets get back to remembering what happened during the April 12th war.

Kairi: Me and Dr. Light took down the Pony of Shadows.

Dr. Light (Teen Titans): We sure did and that was cool.

Nico: Yeah it sure was.

Stygian: (British Medieval Accent) And we most got rid of him.

Me: And can you believe that we defeated the Pony of Shadows twice? The first time was when we found Star Swirl's journal and we banished him to another dimension.

Nico: And can you believe it all happened when J.D. was looking at antiques?

Me: Yep. It all began at an antique shop in Ponyville.

FLASHBACK 2

I was looking at all sorts of amazing Antiques and they were loaded with history. Starlight Glimmer and Sunburst were both with me.

Me: Wow look at all this amazing stuff. Some of it belongs in a museum.

Starlight Glimmer: It sure does.

Sunburst: I love looking at antiques. They are really fascinating.

Me: They sure are. (Sees something) Hmm.

I pulled out a book and it had a swirl with stars on the cover and it was really an old journal. I read it and made a shocking discovery! It was the old journal of the legendary Sorcerer Pony from 1,000 years ago and one of the legendary Pillars of Harmony, STAR SWIRL THE BEARDED!

Me: (Gasp) I don't believe it!

Sunburst: What is it?

Me: Sunburst, Starlight, this is the journal of the Legendary Star Swirl the Bearded!

Sunburst and Starlight gasped in shock.

Me: We got to tell this to Twilight Sparkle and show it to the Princesses. They have to know all about this. I'll gather all the team together.

Starlight Glimmer: Good idea.

I gathered everyone together and at the castle in Canterlot, Sunburst revealed what we found.

**Star Swirl the Bearded** : [narrating] The best elements within us can spread light and virtue, and I know ponies who represent them all - strength, bravery, healing, beauty, hope, and sorcery. Myself and these Pillars of Equestria were gathered together by another to maintain and share the light of these powerful ideals. But we soon came to believe the pony who brought us together only wanted that power for himself. Cast out and alone, this power-mad pony turned to darkness to satisfy his thirst. Transformed into a Pony of Shadows, he returned for revenge - to extinguish the Pillars' light and rob the world of hope. To stop him, the Pillars and I must make a grave sacrifice. But we shall leave behind a seed in hopes that one day it will grow into a force to stand against the darkness for all time. We must now face the fiend with the only plan we have…

**Sunburst** : [reading] "… I only hope it will be enough." That's the last entry. And maybe Star Swirl's final words before he vanished.

Me: Whoa! And that seed is what turned into Twilight's awesome castle.

Nico: Yeah it sure is.

Laney: That's incredible.

**Princess Celestia** : I've always wondered what happened to Star Swirl. This is quite a discovery, Sunburst.

Sunburst: You can thank J.D. for finding Star Swirl's journal.

Me: Well it was a find worth remembering.

**Twilight Sparkle** : So it's genuine? You can verify that this journal really belonged to Star Swirl the Bearded?!

**Princess Luna** : Indeed. From the looks of it, the last thing he wrote before facing the Pony of Shadows.

Lana: What is this Pony of Shadows?

Me: It was a legendary creature of ultimate evil. He is really a unicorn scholar named Stygian and he was a close friend of the Pillars of Harmony.

I pulled up the info on it.

---

**Stygian**, better known as the **Pony of Shadows**, is a major antagonist in *My Little Pony: Friendship is Magic*, appearing as the main antagonist in the Season 7 finale, " *Shadow Play* ".

He is a unicorn scholar and the founder of the Pillars of Equestria, who was also their friend as he brought them together to save his home and Equestria. After a terrible misunderstanding led him to be outcasted by the pillars, he was then transformed into a monstrous pony made entirely of shadows who desired to cover the entirety of Equestria in darkness before he was reverted back to his original form by the pillars as well as the Mane Six.

He was voiced by Bill Newton, who also played Bright Macintosh and Pharynx in the series.

The Pony of Shadows was originally a male unicorn named Stygian, who lived in Equestria 1,000 years prior to the events of the series. One day, Stygian's village was attacked by the Sirens, who used their magic to turn everypony against each other in order to feed off their negativity to become even more powerful. In order to save his home, Stygian traveled across old Equestria in search of the country's greatest heroes, which included Rockhoof, Flash Magnus, Mistmane, Somnambula, Mage Meadowbrook and Star Swirl the Bearded. Together, they formed the Pillars of Equestria and fought the Sirens, banishing them into a different dimension and saving Stygian's home.

After vanquishing the Sirens, the Pillars continued to defend Equestria from future threats. However, while the others were hailed and respected by all, Stygian wasn't recognized in the slightest for his own contributions because he always watched from sidelines while his friends did all the work. Desperate to be noticed and wanting to prove himself a hero as well, Stygian secretly borrowed a treasured belonging from each of the other Pillars and brought them all to Ponehenge in order to perform a spell that will create copies of the artifacts so that he can fight alongside them. However, the others discovered this and believed he was trying to take their power for himself. After taking back their artifacts and stopping Stygian's spell, they then banished Stygian from the team. At the time, Stygian believed that the Pillars were being selfish and didn't want to share their power with him, causing him to despise his former friends.

Shortly afterwards, a heartbroken and embittered Stygian somehow discovered the Well of Shade in the Hollow Shades, where he encountered a mysterious and shadowy entity known as "The Darkness", who promised Stygian the power to take his revenge on those who supposedly betrayed him in return for helping the entity plunge the world into eternal darkness. Enticed by this promise, Stygian agreed to this deal, and the two merged into a single shadowy being; the Pony of Shadows.

The Pony of Shadows then attacked the Pillars of Equestria and began spreading darkness and chaos across the lands, desiring every pony to feel the pain he had. Realizing that they couldn't defeat him, the Pillars then decided to perform a ritual to banish him to the space between dimensions known as Limbo. However, the ritual would require them to banish themselves along with their former friend to accomplish this. Willing to sacrifice themselves to save Equestria, all the Pillars agreed to this plan. But before they did, they each poured their essence into a seed and planted them in a cave underneath the Castle of the Two Sisters, which would eventually grow into the Tree of Harmony that would help future heroes in defending Equestria.

The Pillars gathered around Ponehenge, where they first banished

Stygian. There, Starswirl casted a spell to bring the Pony of Shadows to them. Immediately, the Pony of Shadows attacked them and prepared to plunge the world into complete darkness, but the Pillars then performed the ritual and willingly banished themselves and the Pony of Shadows to Limbo, where they all remained for the next millennium.

---

We gasped in sheer shock!

Apple Bloom: That's terrible!

**Rainbow Dash** : Uh… So, the Pony of Shadows was really real?

**Princess Celestia** : It appears so.

**Princess Luna** : We never met the other Pillars, and we were too young to understand the danger they faced.

**Applejack** : Hold on a second now. All those legendary ponies were real, too? *And* they went off with Star Swirl to face the Pony of Shadows, and then none of them were ever heard from again?

Sunburst nodded.

**Pinkie Pie** : Uh, yeah. Weren't you listening?

**Fluttershy** : But what happened to them all?

Me: That's what I would like to know.

Nico: I think all of us would like to know about that.

**Rarity** : They must have defeated the villain, since Equestria is still full of light and hope.

Me: That's what I think too.

Nico: Yeah.

**Starlight Glimmer** : But how? And where did they go?

**Princess Celestia** : My Olde Ponish is a bit rusty, but I wonder if the answers can be found somewhere within the pages of this book.

Me: It's a longshot but we'll gladly help translate it. I'll call in my friend Shiho of the Hidden Leaf Cryptoanalysis Team to help us out with this one.

Nico: Cool.

**Twilight Sparkle** : Well, I just happen to be an expert in Olde Ponish. I mean, I've practically memorized every ancient text about Star Swirl there is!

Me: Wow!

**Spike** : Seriously. All of them.

**Princess Luna** : We have fond memories of our old teacher. If you could discover what happened to him, we would be most grateful.

Me: We didn't know that Star Swirl was your old teacher. But we'll do everything we can to help.

**Sunburst** : Solving a thousands-year-old mystery could take forever! Think of the research! The re-reading! The re-re-reading!

**Princess Celestia** : You might find you need help.

**Applejack** : Luckily, she's got a whole bushel o' helpers right here.

Me: And all of us with some of the best minds in the universe not to brag.

Lisa Loud: Indeed we do.

May: This is gonna be a mystery like no other.

Lincoln: Yep.

**Rainbow Dash** : Totally! Uh… how long will all this research take, exactly?

Me: No idea. But with all of us together we can get it done faster if we all work together.

Sunset Shimmer: That's right. We'll gladly help out.

**Twilight Sparkle** : Let's get this back to my library. I'm sure we'll figure out what happened in no time.

Me: Right.

**Rest of Mane Six** : [excited chatter]

Back in the Library at Twilight's Castle we were working tirelessly around the clock to figure it all out.

[candlelight fizzles]

**Spike** : [yawns] Figure it out yet, Twilight?

Me: So far nothing but we're not gonna give up.

**Sunburst** : [snoring]

[thud]

Spike threw the candle that burned out away.

Me: We're gonna run out of candles if we keep this up.

Luan: I know. Talk about burning the Candle at both ends! (Laughs) Get it?

I laughed at Luan's joke.

Me: (Laughs) That's a good one Luan.

Eddy: (Laughs) Good one.

[paper rustling]

Sunburst woke.

**Sunburst** : [yelps] What did you figure out?

**Pinkie Pie** : [gasps] You figured something out? [slurps]

**Fluttershy** : What is it?

**Twilight Sparkle** : [sighs] Nothing. I mean, Star Swirl was a genius, obviously. But forget Olde Ponish. There's parts where his hornwriting is like another language! [groans]

Shiho: I agree Twilight. This writing is most amazing but it's like something from another world.

Starfire: It does feel that way.

Blackfire: It sure does.

Me: But we have to keep looking and reading.

**Applejack** : Twilight, we've been studyin' and referencin' and cross-referencin' for three days straight now.

Me: We sure have been going at it for a while.

**Rainbow Dash** : Ugh. I haven't spent this much time reading since the last *Daring Do* book came out.

**Rarity** : Perhaps it is time to take a break. This mystery is over a thousand years old, after all. Another day or two won't make a difference.

**Twilight Sparkle** : Two days?! I don't want to waste two seconds!

Me: I know how you feel Twilight. I'm just as excited to meet the greatest legendary ponies in all of Equestria too.

Twilight Sparkle: I know. Me too. I'm close to an answer. I can feel it.

**Starlight Glimmer** : [reading] " *Hearg sylfum se Ponhenge* ". What's that?

Me: Sounds like ancient Icelandic in Equestria.

**Twilight Sparkle** : The Temple of Ponhenge?! You can read that?!

**Starlight Glimmer** : The hornwriting's pretty sloppy, but it's nowhere near as bad as mine.

Me: Ponhenge? That sounds like Equestria's version of Stonehenge.

Nico: Yeah it sure feels like it.

Shiho: Very interesting.

Varie: What do you think it means?

Starlight Glimmer: [reading] " *Toward dol grimlic of Fola Firgenbeorg* "?

**Sunburst** : "At the base of Foal Mountain"…

Me: Foal Mountain? That's on the North Central side of the continent.

**Starlight Glimmer** : [reading] " *User endemest scield* ".

**Twilight Sparkle** : [gasps] "Our last stand".

Me: That must be the sight where they were last seen before they vanished eons ago.

**Spike** : [yawns] Well, that sure sounds like a clue to me. [blows]

Sunburst got a big book and we saw a picture of Ponhenge and it was an ancient rock monument site. We went there and we saw that it was really ancient.

**Twilight Sparkle** : This is it. Ponhenge. I can't believe it.

Me: This is really ancient.

Nico: I've never seen something like this before.

Sunburst cleared some plants on a rock and saw a bunch of runes looked like those of the ancient Vikings on Earth.

**Sunburst** : I've never seen magical runes like these before! Have

you?

**Twilight Sparkle** : Uh-uh.

Me: They look like runes from the era of Vikings back over 1,000 years ago on Earth.

**Rainbow Dash** : I don't think anypony's seen *any* of this for a *long* time.

Varie: Well its been eons since anyone saw all this.

Vince: Yeah and we're the first ever humans ever to be here.

Nico: We sure are.

Rainbow Dash pulled on a vine.

Rainbow Dash: [straining] Whoa!

She landed in a bush.

**Applejack** : It'd take a whole team of ponies to clear away all this brush.

Me: No kidding.

Sakura Avalon: My dad would love coming here. He is an archaeology professor.

Me: I remember that.

[rock clatters]

**Fluttershy** : Even then, I'm not sure we'd find out what happened here over a thousand years ago.

**Twilight Sparkle** : [sighs] You're right. I suppose it was a long shot.

**Spike** : Cheer up, Twilight. Finding a whole set of ancient ruins is pretty impressive. Maybe you could write a paper on it.

Me: Yeah we found ancient ruins that were supposedly lost to you for over 1,000 years.

**Twilight Sparkle** : That's true. I guess I hoped we'd get here and the mystery would just magically be explained.

She put the book down on a rock and the book started reacting.

[magic shimmering]

**Spike** : Uh… Twilight?

Me: WHOA! Look at that!

**Twilight Sparkle** : [gasps]

[magic humming]

We saw a Hologram done by magic of Star Swirl the Bearded!

Me: Star Swirl the Bearded!

**Twilight Sparkle** : Star Swirl!? I… I've wanted to meet you my whole life! I can't believe you're here!

Me: Wait he's not really here. I think this is a recording of what happened here eons ago.

[low humming]

Sunburst stuck his hoof through the image and saw that I was right.

**Sunburst** : Yeah I agree. I don't think he is here. I don't think any of them are.

[static fizzling]

We saw the legendary Pillars of Harmony at all six points of Ponhenge: Flash Magnus, Mistmane, Somnambula, Mage Meadowbrook and Rockhoof!

Me: Whoa! The Great Pillars of Harmony!

Star Swirl fired a light blast at the center of the monument.

[magic zap]

[boom!] [boom!]

A mass of darkness formed and it was THE PONY OF SHADOWS!

**Pony of Shadows** : [laughing evilly] (British Medieval Accent) You summon me at your peril, Star Swirl!

Me: THE PONY OF SHADOWS!

Eli: It's power is fierce!

Pony of Shadows: Once I defeat all of you, this realm will embrace the darkness as I did so long ago!

[roars]

[vines snapping]

He sent dark vines that ensnared all the pillars.

**Pony of Shadows** : [laughing evilly] Drawing me here will only make me stronger. You will never defeat me!

**Star Swirl the Bearded** : We did not come here to defeat you.

[magic shimmering]

Star Swirl used his magic in his journal, Flash Magnus's shield, Mistmane's flower, Somnambula's blindfold, Mage Meadowbrook's mask and Rockhoof's shovel and did a powerful spell.

**Pony of Shadows** : What are you doing?!

**Star Swirl the Bearded** : We came… to *contain* you.

They floated into the air.

**Pony of Shadows** : [screams]

In a massive flash of light they vanished into thin air!

The artifacts fell to the ground.

[thud, poof] [magic shimmers]

The spell was done.

Me: Whoa!

Nico: Wow! That was intense!

**Pinkie Pie** : [to Twilight] Well, you did ask for a magical explanation.

**Rainbow Dash** : Uh… what just happened?

**Starlight Glimmer** : It looked like Star Swirl cast a spell that banished the Pony of Shadows.

**Sunburst** : Of course! Powerful magic like that would leave an impression on this place. Bringing the book back here let us see what happened.

Me: Yeah! It was a recording of what happened here all those years ago.

**Applejack** : Which was what?

Nico: Yeah what do you think it meant?

**Twilight Sparkle** : Star Swirl and the rest of the Pillars sacrificed themselves to save Equestria.

Me: They are true heroes.

Nico: Brave ponies.

Vince: Heroes of legend.

Eli: And great saviors of Equestria.

**Starlight Glimmer** : It's amazing to think one of the greatest mysteries of Equestria was solved with a musty old book from an antique shop.

Me: A musty book that I found by the way.

We went back to the castle and I was walking with Sunburst and Starlight.

**Sunburst** : But I wouldn't say the mystery's solved. Star Swirl's spell was one of the most powerful feats of magic in all of history. It'll take years of study before we fully understand it.

Me: But with Twilight's expertise she can get it figured out. After all she did complete one of Star Swirl's spells and that is what helped her earn the title of Princess of Friendship.

Starlight Glimmer: That's true.

We opened the door and we saw Twilight.

**Twilight Sparkle** : I think I understand Star Swirl's spell!

Me: Really?

We were gathered at the table map.

**Twilight Sparkle** : I know I've finished one of Star Swirl's spells before, but this one was on a whole different level! Was it an explosion of magical feedback? An evocation? A kind of incantation? It's Star Swirl, so the possibilities are endless!

Me: Star Swirl was a great master of magic and he had a lot of talent.

Twilight Sparkle: That's true. And once Starlight set me on the right track with his crazy hornwriting - [laughs, snorts] I mean, he was a genius, so I guess we can forgive a little messiness - I went through the journal again, and it's amazing!

**Rarity** : Twilight, darling. We understand you're excited, but that's all we understand.

**Rainbow Dash** : What exactly is so amazing?

Nico: Yeah what did you find out?

**Twilight Sparkle** : Only how Star Swirl and the other Pillars sent the Pony of Shadows to limbo!

**Applejack** : They did what now?

**Twilight Sparkle** : They used their magic to open a portal between worlds - to limbo - and pulled the Pony of Shadows inside. [poof!]

The Diorama vanished in a puff of smoke.

**Rarity** : Darling, your diorama!

**Twilight Sparkle** : I made more!

She had many more made just in case.

[clatter]

Me: Good thinking.

**Twilight Sparkle** : Star Swirl thought the only way to trap the Pony of Shadows in limbo was for the Pillars to take him there.

**Applejack** : So they got stuck, too!

Me: They trapped the Pony of Shadows in another dimension and trapped themselves with it as well.

Nico: Wow.

**Fluttershy** : The Pony of Shadows must have been really awful for them to do that.

**Pinkie Pie** : I suppose being trapped for all time with a super-duper bad guy in limbo might be okay if you were *doing* the limbo, but that's still pushing it.

**Twilight Sparkle** : The thing is, I think I can get them out.

Eli: And J.D. can save the Pony that was corrupted by the Pony of Shadows.

Nico: How can you tell that Eli?

Eli: I was told by the Force that the Pony of Shadows is really Stygian.

Me: Yes we know all about that part Eli.

Eli: I know. But the Force told me that he was corrupted by the Pony of Shadows and its darkness when the Pillars of Harmony falsely accused him of taking their artifacts for himself. He didn't want them for power or his own selfish reasons as they once thought. He wanted to become like them and join his friends in battle.

Nico: That's a big admiration towards them.

Me: But if you think I can do it bro then I will do it. And we can help get the Pillars of Harmony out of Limbo too.

Sunset Shimmer: That's a big goal.

Twilight Sparkle: It sure is.

**Sunburst** : Twilight, are you serious? You can save the most legendary ponies of all time?

Laney: That is gonna take a lot of power.

**Starlight Glimmer** : I-I don't know. Opening portals between worlds didn't work out well for me. Are you sure it's safe?

**Twilight Sparkle** : First of all, you opened portals through time. And second of all, Star Swirl wrote the spell you used to do it. If he'd been here, he could have stopped it. Equestria would be safer with him in it. We have to save him.

Me: I agree. And we can learn so much from all the legendary Pillars of Harmony. Just like Princess Celestia and Luna did under Star Swirl's tutelage eons ago.

**Applejack** : But you'd be savin' *all* the Pillars, right? A-And they disappeared ages ago.

**Twilight Sparkle** : That's the thing about limbo. It isn't one place or another. It's in between, so time stands still. If we can pull them out, it'll be like they never left.

Me: So when they trapped themselves with the Pony of Shadows in Limbo, they placed themselves in some kind of Suspended Animation where all time just stops. And Limbo is totally beyond the reach of all time and space and time just stops for them.

Nico: Sounds complicated.

Laney: Yeah.

Lisa: That is very interesting.

Twilight Sparkle: I actually built another model to demonstrate-

**Rainbow Dash** : [groans] [thud]

**Spike** : What can we do to help?

Me: We'll gladly help you out in any way we can Twilight.

**Twilight Sparkle** : Thanks guys. If I'm right, we need to find items that are connected to the Pillars in some way.

**Rainbow Dash** : You mean, like, stuff that belonged to them?

Me: Ancient Artifacts that they used a long time ago during their journeys.

**Fluttershy** : How would we know what to look for? Or where?

**Twilight Sparkle** : Luckily, Star Swirl took a lot of notes. [reading] "My compatriots are as varied as the realm itself and hail from every corner of our land, bringing with them artifacts and talismans of great power."

[magic shimmering]

**Starlight Glimmer** : Um, Twilight? What are you doing?

We looked up and we saw five balls of light that showed the 5 remaining Artifacts of the Pillars of Harmony.

**Twilight Sparkle** : I'm not doing anything!

Me: Looks like it's showing us where the Artifacts of each of the remaining 5 Pillars are Located.

**Applejack** : Rockhoof's shovel!

Nico: It's located at the dig site of his old village.

**Rainbow Dash** : Flash Magnus' shield!

Lynn: It's in the Dragon Lands.

**Rarity** : Mistmane's flower!

Lori: It's at her village of the Old Imperial Empire.

**Fluttershy** : Mage Meadowbrook's mask!

Laney: It's in Hayseed Swamp.

**Pinkie Pie** : And the blindfold Somnambula wore when she faced that nasty sphinx!

Luan: It's in a pyramid near Saddle Arabia.

**Twilight Sparkle** : I guess we don't need to figure out who should get what.

Me: We already have Star Swirl's journal. Looks like we're gonna have to split up and get each artifact in teams of two.

Nico: Me and Applejack will go get Rockhoof's Shovel.

Lori: Me and Rarity will literally get Mistmane's Flower.

Lynn: Me, Spike and Rainbow Dash will get Flash Magnus's Shield.

Luan: Me and Pinkie Pie will get Somnambula's Blindfold.

Laney: And me and Fluttershy will get Mage Meadowbrook's Mask.

Me: Okay. Fan out.

First was Rockhoof's shovel.

It was at the site of his old village and the volcano it was by was extinct.

Petunia dug up a piece of armor.

**Petunia Paleo** : Professor! It's a Mighty Helm headpiece! Maybe it belonged to Rockhoof himself!

**Professor Fossil** : Legends don't wear helmets. This belonged to a *real* pony.

**Applejack** : Oh, I can guarantee Rockhoof was as real as you and me.

Nico: And me too. Nico Chan, 2nd in command of Team Loud Phoenix Storm.

Professor Fossil: It's an honor to meet you. And Applejack it's great to see you again.

Applejack: Same here.

Nico: Hey Petunia. Apple Bloom, Sweetie Belle and Scootaloo did a great job getting you your Cutie Mark.

Petunia Paleo: I know and I'm so happy!

**Professor Fossil** : [chuckling] And I suppose that ravine was dug with his trusty shovel to save the village from an erupting volcano.

**Applejack** : Probably.

**Professor Fossil** : I love old legends as much as anypony. But a pony strong enough to save a village from rushing lava with a shovel is… preposterous.

A rock shattered and a big rock came rolling at them.

[rumbling]

[ponies yelping]

Nico: Uh oh!

Nico and Applejack were pushing a huge rock.

**Applejack** : [straining, grunts]

They threw the rock far.

[loud thud]

[birds chirping]

Nico: Hmm. Nice one.

**Professor Fossil** : I can't believe you just did that. Y-You saved us!

Nico: Ah it was all part of the job.

**Applejack** : I bet if you told somepony else the story, it might sound… [gasps] "preposterous".

Nico laughed.

Nico: (Sees something) Wait look what it unearthed.

They saw a hidden tomb and they went in. Inside it was the story of Rockhoof.

**Professor Fossil** : I suppose some stories might be true…

Nico: There it is. Rockhoof's shovel.

Applejack picked it up.

[magic humming]

It glowed.

**Professor Fossil** : And Rockhoof's appears to be one of them.

Nico: Yep.

Next in Mistmane's garden at the village of the Old Imperial Empire, Lori and Rarity opened a gate and went in.

[gate creaking]

Lori: Whoa. Looks like no one has been taking care of this garden for a while.

Rarity: Indeed.

They then saw Mistmane's Flower.

Lori: There it is. Mistmane's Flower.

They went up to it and just as they were about to take it…

[smack!]

**Rarity** : Ow!

They were hit on their hand and hoof with a trowl.

**"Lotus Petal"** : You keep those hooves to yourself, dearies! This place has been in my family for generations, and I'm not about to let some whippersnapper take the last good piece of it! Time was, ponies came from far and wide to see these gardens. But that flower's the only worthwhile thing left!

Lori: This flower is very important. It literally belonged to Mistmane. But we can help spruce this garden up.

They got to work on the garden.

[hedge trimmers snipping]

[broom sweeping]

[hedge trimmers snipping]

The Garden was brand new again. In fact it looked 10 times better than ever.

**Rarity** : Perhaps it just seemed like your gardens were worthless. But a little pruning can work wonders. Of course you will have to look after more than just one flower now.

Lori: This garden is literally worthy of Eden now.

**"Lotus Petal"** : You've given me back my family's legacy. The flower you wanted seems like a fair trade for that. [magic humming]

Lori: Thank you.

In the Dragon Lands, Lynn, Rainbow Dash and Spike were searching for Flash Magnus's Shield.

**Rainbow Dash** : I can't believe Flash Magnus' shield ended up in the Dragon Lands.

**Spike** : Good thing you brought the official Equestrian friendship ambassador to the dragons to help you navigate our customs. Like our favorite sport - gorge surfing!

**Maar** : Wahoo! [whooping]

The dragons were surfing on rivers of lava.

Maar: Ollie!

[dragons cheering]

**Rainbow Dash** : Okay. That was awesome.

Lynn: So awesome!

**"Billy"** : Dragon Lord Ember commanded us to make peace with ponies, but it doesn't mean you can surf in our spot.

[dragons growling]

**Spike** : Whoa, fellas. As the official Equestrian friendship ambassador to the dragons, I have to say that's not very friendly.

**Garble** : Well, what do you know? The puny pony-dragon's sticking up for his pony pal.

They saw that Garble had Flash Magnus's Shield!

**Rainbow Dash** : Hey! That's an ancient pony artifact!

Lynn: Yeah it belonged to the legendary Flash Magnus!

**Garble** : Hooves off my gorge board! I found it in the desert, and finders keepers.

**Rainbow Dash** : It isn't yours.

**Garble** : Huh. It sure looks like mine. But I might consider racing you for it.

Lynn: Bring it on!

**Rainbow Dash** : No problem.

**Garble** : Um… No. I mean [to Spike] *you* **.**

**Spike** : [nervous chuckling]

[dragons cheering]

**Dragon** : Awesome!

**Garble** : [blows raspberry]

**Spike** : [gulps]

**"Billy"** : On your marks… Get set… Surf!

The race was on!

[lava splashing]

**Spike** : Whoa! Whoa! Whoooooaaaaa! Aaah!

Spike went flying and he rolled.

[grunting]

He crossed the finish line.

Spike: [panting] I won? I won! Woo-hoo! Give up the shield, Garble!

Lynn: YEAH!

**Garble** : [grunts] Lord Ember only commanded us to be nice to ponies. She never said anything about pony-loving dragons.

**Spike** : Uh, s-since Dragon Lord Ember commanded you to make peace with ponies, you can't very well attack one of their friends, can you?

**Garble** : I guess we'll find out! [grunts] Aaah!

Rainbow Dash swooped in and grabbed the rock he threw and threw it back and it landed on Garble's tail!

[thunk]

**Garble** : Ugh. Why is he always hiding behind ponies?

**Spike** : I wasn't hiding when I beat you down the ridge.

**Garble** : You fell.

**Rainbow Dash** : Wow. You must be slow if all Spike had to do to win was fall down.

Lynn: And you must be a sore loser if you can't take winning like a man.

**Garble** : I'm faster than *you* .

**Rainbow Dash** : Doubt it.

Lynn: No one can beat R.D.!

**Garble** : Fine! I'll race you back to the top. If you win, you can have your pony junk. But if *I* win, you'll leave and I get to give it to him!

**Rainbow Dash** : Fine. I'm pretty sure I could beat you anyway. But with that heavy hunk of metal on your back, it'll be a snap.

Lynn: Yeah! Wimp!

**Garble** : Huh? Oh, yeah. Thanks for the tip. [shield clatters]

He flew off.

**Garble** : See ya at the top, loser! Hey! That's mine!

They were flying off with the shield.

**Spike** : Finders keepers, remember?

Lynn: So long suckers!

**"Billy"** : See, because that's what you said to them when they first showed up-

Garble punched him.

[thud]

In Hayseed Swamp, Fluttershy and Laney were helping some animals.

[flash bees buzzing]

**Fluttershy** : Just remember not to turn away from them, Cattail. Flash bees can get pretty aggressive. I guess that's why none of the other bayou animals can get to the water.

Snakes, frogs and alligators were hiding in fear.

[animals whimpering]

Laney: Poor little guys.

**Cattail** : Wouldn't it make more sense for *you* to wear the mask that calms the bees?

Laney: I was just gonna suggest that.

**Fluttershy** : It would… if I didn't have to fly up here to move their hive.

She flew up and moved their hive to another part of the tree.

Fluttershy: There! [flash bees buzzing]

Laney: That's better.

**Fluttershy** : Now the other bayou creatures can get to the water without the bees feeling threatened. [splashing]

**Cattail** : You know, you didn't have to help with this. I would've lent you the mask anyway.

**Fluttershy** : I know. [giggles] But I couldn't leave without helping. [magic humming]

Later at the pyramid of Somnambula, Luan and Pinkie Pie were looking for Somnambula's blindfold.

**"Fahal Alkhayl"** : I don't think anypony can find anything in there.

Luan: We got to keep trying.

**Daring Do** : I wouldn't give up hope just yet.

Daring Do was pumping oxygen.

Luan: We never give up hope for anything.

[slime draining]

The slime pool drained like a bathtub.

**Pinkie Pie** : This old blindfold was stuck in the drain.

**Daring Do** : Weren't you looking for a blindfold?

**Pinkie Pie** : Oh, yeah!

Luan: Yeah that's it!

[magic humming]

We were back at Ponhenge.

**Twilight Sparkle** : I can't believe I'm gonna meet Star Swirl the Bearded! You know, outside of my dreams.

Me: I know Twilight. This is gonna be cool to meet your hero.

Eli: It sure is. But you can help Stygian too bro.

Me: Star Swirl was never fond about friendship from what I was told. But maybe I can send a message to him in Limbo telepathically.

Eli: Good idea.

I sat in a lotus position and concentrated and sent a telepathic message to Star Swirl and told him all about the importance of friendship and how great it can make all things happen. I was telling him about everything that happened over the last 1,000 years and how we can save Stygian from the monster that is the Pony of Shadows. I woke up.

Eli: Did it work?

Me: Yes I got my message through. He said that if I can do it then he trusts me.

**Starlight Glimmer** : *I* can't believe you're actually going through with it.

**Twilight Sparkle** : What do you mean?

**Starlight Glimmer** : I'm all for pushing the envelope, obviously, but this is pretty out there for you, Twilight.

**Sunburst** : What's "out there" about saving the most legendary ponies of all time from a thousands-year-old prison?

Me: These ponies are an important part of Equestria's history and they have so much to teach everyone here even after 1,000 years have passed. We're also in the 21st century now. What is out there for that?

**Starlight Glimmer** : Well… nothing when you say it like that. Unless "the most legendary ponies of all time" knew what they were doing, and we shouldn't mess with it.

Me: I have a feeling I know that they did this for a reason too. But we can help out too.

**Sunburst** : I'm sure Star Swirl and the Pillars did the best they could back then, but magic has come a long way. Mostly because of the work they did.

Me: It's true. Magic has evolved. Just like our powers.

**Starlight Glimmer** : That's true. And you did get your wings from finishing one of Star Swirl's spells Twilight.

**Twilight Sparkle** : Exactly.

**Starlight Glimmer** : But then *I* messed with one and nearly destroyed the universe, so…

**Twilight Sparkle** : Starlight, Star Swirl the Bearded is the greatest wizard who ever lived. The chance to have him back in Equestria is worth the risk.

**Spike** : That's good news.

Me: And it will be worth the risk.

**Rainbow Dash** : Otherwise, we'd have brought this shield for nothing.

**Applejack** : I hope you don't think you're the only one to find her artifact, because this here shovel says otherwise.

**Rarity** : [laughing] Honestly, you two. Not everything is a competition. But Mistmane's flower is by far the most attractive of the artifacts.

**Pinkie Pie** : You're just saying that because *you* didn't have to scuba dive in a pit of green slime to get yours!

**Fluttershy** : Or move a flash bee beehive.

**Twilight Sparkle** : Good work, everyone. Let's do this!

Me: This is it. We free the Pillars.

[magic zap]

Sunburst fired a blast of magic.

**Starlight Glimmer** : [groans] [magic zaps]

Starlight fired a blast of magic.

[magic humming]

Twilight fired a blast of magic and I fired a blast of magic.

The artifacts glowed and formed a Hexagon and it spun around and in a huge flash of light the PILLARS OF EQUESTRIA WERE BACK!

Nico: WHOA! It worked!

Laney: SO AWESOME!

Zarya: OH WOW!

[boom!]

We caught the pillars and moved them as the big rocks crashed on their rock stands.

[thuds, crashes]

**Star Swirl the Bearded** : What… What has happened?

**Twilight Sparkle** : It worked! We brought you back!

**Star Swirl the Bearded** : To where?

**Twilight Sparkle** : You and the others have been trapped in limbo for over a thousand years, but I figured out how to get you home.

Me: A lot of things have happened over the last 1,000 years. But it's an honor to meet you in person. I'm J.D. Knudson, leader of Team Loud Phoenix Storm and this is my team.

Nico: Hello there.

We waved.

Mistmane: It's an honor to meet you all.

Star Swirl the Bearded: Same here. Can you really save Stygian?

Me: I sure can.

Lightning crashed and wind blew and then out of a vortex of darkness laughing malevolently was THE PONY OF SHADOWS!

Nico: The Pony of Shadows!

Me: I got this!

I powered up to Super Angel-Ebonwu-Phoenix 25,000,000 and fired a blast of light at the creature's chest and it was pulling Stygian out.

Me: (Divine Echoing Elemental Voice) **Stygian, we know everything about what you were doing and why you did what you did!**

Star Beard: That's right Stygian! We're very sorry! We had no idea you wanted to be like us and for that we apologize for not seeing that.

Somnabula: (Egyptian Accent) That's right Stygian. Forgive us for that.

Rockhoof: (Scottish Accent) You are a true brother and for that we are forever grateful!

Mistmane: We should've given you the respect you deserved.

Flash Magnus: And we should have given you praise for helping us when you needed it.

Mage Meadowbrook: We're so sorry.

Me: **You don't have to be controlled or corrupted by the darkness anymore. You can redeem yourself for all the things you did. You are now the Pillar of Equestria for Wisdom!**

We pulled him out of the darkness of the Pony of Shadows and Nico and Vince fired a Kamehameha Blast and it hit the Pony and sent him into a portal that sent him into the Dark Dimension!

Stygian was back to normal and he was back with us. He looked at me and I held my hand out to him.

Me: **You will never be alone ever again Stygian. We'll also be your friends.**

Twilight Sparkle: That's right Stygian.

Stygian had his hoof on my hand and I took it and we all put our hands and hooves on his hoof. The light of our friendship was so strong that it purified him.

We later got to having a nice chat at Twilight's castle.

FLASHBACK ENDS

Me: And that's how we met the Pillars of Harmony and freed Stygian from the darkness of the Pony of Shadows.

Camie: That is so awesome!

Nico: It was awesome.

Star Swirl: That was a great adventure.

Electro: Me and Lincoln took down the Mean 6. I just want to say how good it is to have another version of me on the team.

Nico: It sure is and that one is badass.

Me: Yeah that was awesome.

Lincoln: And it was awesome putting the kibosh on those 6 bad versions of the girls.

Starlight Glimmer; It sure was.

Vert: Me and LaGrange ran over Evil Starlight.

LaGrange: Yep and we turned her into roadkill.

Me: That was great.

Laney: Yeah it sure was.

Laniya Momoshiki: (Japanese Accent) Wow that is amazing!

Fiona Hernandez: So many battles went on in that war.

Nico: Yep.

Billy Numerous: Me and Ben overwhelmed the evil Dazzlings with lots of clones!

Ben: We sure did.

Himiko Toga: That is cool! I heard the song they did makes people fight.

Adagio Dazzle: It sure does.

Nico: Yep. Their song makes people fight and they get stronger by absorbing their negative energy. Just like we do when we absorb hatred.

Me: The more people hate us the more powerful we become.

Camie: Wow that is amazing.

Ochaco: It sure is.

Eli: And it's really awesome that the Dazzlings have that same kind of power.

Sonata Dusk: That is awesome.

Technus: I also merged with Cyborg for the first time.

Cyborg: That was really cool.

Me: Yeah just like how Rex and Ben merged.

Ben: That is true.

Po Kong: (laughs) I also flattened Daybreaker!

Nora Valkyrie: Flattened her into a pulpy pancake.

Me: Or in this case a FIERY Pancake!

We laughed at that one and it was funny!

Nico: That was funny!

Eli then squirted milk out his nose!

SQUIRT!

Eli: (Laughs) That was funny!

Nico: Yeah.

Hydro Man: Me and Luna put out Demon Shimmer.

Luna: That was rockin dude!

Nico: Yeah it was. You all extinguished her.

Laney: Yep.

Weather Wizard: Me and Shane put the hurt on the Storm King.

Shane: Now that was awesome.

Me: Yep and we made sure that Tempest Shadow's former master got what he deserved. Oh speaking of which.

I put my hand on Tempest's head and her horn grew back and it was restored!

Me: I grew your horn back Tempest. You did not deserve to have your horn busted off like that

Tempest Shadow: Oh thank you J.D.! Thank you!

Laney: Awesome. A unicorn with no horn is only half a unicorn.

Twilight Sparkle: That is true Laney,

Rice: I went apeshit on Midnight Sparkle.

Killer Shrike: Boy you sure did!

Laney: Yeah that was awesome!

Lana: Yep!

Molten Man: Me and Kaz roasted Nightmare Moon.

Kaz: Burned her butt all the way back to 4.1 billion years ago.

We laughed at that one!

Nico: That was funny!

Poromon: Me, Poliwag, Manaphy, Horsea, Tentacool, and Cheese hopped on King Sombra.

Cheese: I like chocolate milk.

We laughed more at that one.

Laney: That was funny. He hated that.

Camie: I can tell he did.

Me: I call King Sombra the pony version of Sauron from The Lord of The Rings.

Carmen: Finally, me and sis got Chrysalis with our Get Help method.

Maria: I still hate that!

Camie: What is Get Help?

Me: It's a method that Carmen and Maria use to distract villains to lull them into a false sense of security so that they would be easy to attack.

Nico: Yeah.

Camie: Oh I get it.

Carmen: Yeah.

Me: The scariest part was the Doomsday 23 merging into one and forming into a 27-headed dragon. But I used a powerful Spirit Bomb and it was more than enough to destroy them forever.

Nico: Overall, that war was one of our greatest victories.

Me: Yeah it sure was. It was a great battle for all of us.

Vypra: I'll say.

Nico: That was awesome.

Eli: Yep.

Apple Bloom: And we all were given awesome medals for our heroism.

Princess Celestia: You all sure were and we are all forever grateful.

Nico: Also, I've got more Zenkaiger gears.

Nico took out the gears based on Kakuranger, Ohranger, Go Busters, and Ninninger.

Me: Cool!

Nico: They are for Kakuranger, Ohranger, Go Busters, and Ninninger.

Sakura Haruno: I'll use Ninninger.

Arkayna: I'll pick Ohranger.

Emerald: Go Busters for me.

Bubsy: Might as well get in on this too. I'll use Kakuranger.

Vypra: Bubsy? Whoa!

Nico: We reunited on my latest rescue and we stopped the Woolies from stealing all the yarn in the universe.

Me: You wouldn't believe what they were gonna do with that much yarn.

Dark Spicer: What were they collecting that much yarn for?

Me: Well it certainly wasn't going to be for knitting the worlds largest fluffy sweater. They wanted to keep all that yarn for themselves.

Vypra: Oh Lincoln how is your friend Grace doing?

Nico: Yeah is she doing okay after what she went through?

Lincoln: She's doing good thank you. While she is pregnant she lets me help her out around the house.

Nico: Aww. So awesome.

Me: Her belly is getting bigger and bigger.

Laney: Wow.

Lana: Yeah.

We had a great meal and an awesome anniversary. It was awesome.

THE END

---

Another awesome fanfic done.

This was for the 1st anniversary of the April 12th War for Friendship from 2021 and that was a really epic battle back then. It was a great battle back then and I even made a promo for it on deviantart. The first part was for the awesome game Bubsy: Claws Encounters of The Furred Kind and that was a game I played constantly back when I was a kid and it was both fun and challenging and it was cool. Bubsy is funny too. The second part is for The New Scooby Doo Movies episode where they met the famous late Cass Elliot. May she rest in peace. But that was a great episode. That one aired on October 23rd, 1973. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. Nico's next rescue is gonna be a really awesome and cool one as Nico, Eddy, Luan, me, Eli, Camie, Ibara and Sirius will be in Wichita, Kansas and we're going there to meet the iconic Dennis the Menace and we're going there to take down Switchblade Sam who is a town-robbing thug. We're also going to reprimand George Wilson. Sirius is going to transform in that one too so I'll need the Transformation sequence for that please. Also George has no right to yell at Dennis and more like that. Dennis is just a kid for heavens sake! We're also going to meet a Cubotesla Gene-Slammer named Denise Kerrington and she is one of Nico's friends from Science Class. The next rescue for Lincoln is gonna be in the movie Corpse Bride and there we're going to meet 6 Gene-Slammers:

Jackie Wren - Grapha, Dragon Lord of Dark World

Hailey Timaeus - The Eye of Timaeus and The Legendary Knight Timaeus

Joan Critias - The Fang of Critias and The Legendary Knight Critias

Gina Hermos - The Claw of Hermos and The Legendary Knight Hermos

Lola Geh - Divine Serpent Geh

and Emily Shunoros - Orichalcos Shunoros.

Jackie Wren will reveal that she is an awesome and great bounty hunter for Queen Bee Mean Girls and she goes after the most dangerous prey. Also she is one of the members of the Dark World Goths. The others are not unfortunately and I have an awesome challenge for the guest reviewer. He will reveal the revelations of each of the Atlantis Sisters in awesome detail as follows:

Hailey Timaeus is the gene-slammer are the legendary dragon Timaeus who is also the Legendary Knight Timaeus. Like Timaeus she lost her eye somehow and now a scar is right over her right eye. She is also one of Lincoln's awesome guardian angels and she has defended Lincoln from the worst of Lisa Loud's fury. Before she got the scar she was really close to him.

Joan Critias is the gene-slammer of The Legendary Dragon Critias and she is one of Lincoln's Guardian Angels that has dealt with the worst of Lola's fury and she has done so much for him and his sisters.

Gina Hermos is the gene-slammer of the Legendary Dragon Hermos. She has the awesome power to make many kind of weapon with thought from any duel monster she can think of. She also is one of Lincoln's guardian angel that has defended Lincoln from the worst of Lynn's wrath. She is also very gifted at arcade games and likes the same things Lincoln likes and is awesome friends with Lori and Leni and Luna and Sam.

The Strongest and most powerful of all the Atlantis Gene-Slammers, Lola Geh is the most powerful one of them all and she is great friends with Luna Loud and makes awesome songs with her too. She is also one of Lincoln's Guardian Angels and she has defended him from the worst of Chandler Henderson's fury and wrath.

Emily Shunoros is the second strongest of the Atlantis Gene-Slammer girls. She is known for taking on the entirety of a local drug gang and busting them and sending them all to prison. She comes from a long line of people that goes all the way back to the Jomon Period in Japan in 14,000 B.C. and she is one of the people that knows how to harness the powers of the Orichalcos for good. Now she is one of Lincoln's Guardian Angels and she took on all of Lincoln's mean sisters at their worst.

The next chapter is gonna be a cute one as we go to the world of the computer game called Stardew Valley and we're going to take down JojaMart and send all those buttfaces to prison forever.

See you all tomorrow.

# Stardew Valley Battle

In Wichita, Kansas was Nico, Eddy, The Rabbids, Luan, me, Eli, Camie, Ibara and Sirius and we were there to meet one of the most legendary kids in all of our history.

Nico: Thanks for coming with me, Eddy. And thanks for also bringing the Rabbids as well.

Eddy: No problem Nico. This is gonna be so awesome.

Luan: Yeah especially with who we're going to meet here.

Me: You guys are in for an awesome treat. We're going to meet the iconic Dennis the Menace.

Nico: AWESOME! I love Dennis the Menace. Dennis Mitchell is really awesome and it's so funny how he always gets in trouble.

Camie: It's really funny too. Dennis may be a troublemaker but he's just a little kid.

Me: I think it's so funny how he pokes his nose into stuff he's not supposed to do.

Sirius: (Laughs) I never get tired of his antics. They were so awesome.

Nico: Yeah Dennis is one funny kid. But he gets in trouble a lot because he is a kid.

Me: Yeah but he doesn't know any better.

Eli: That is true. But he is awesome.

Nico: Eddy, your blaster really has been a great help on missions.

Eddy: It sure has.

Me: Also it'll be handy with who we're going after here.

I pulled out a wanted poster and it was for Town Robbing Thug, SWITCHBLADE SAM!

---

Switchblade Sam is the town-robbing criminal and the main antagonist of the 1993 John Hughes family film Dennis the Menace, which is based on the American comic strip of the same name. Unlike the other characters, Switchblade Sam was never referred to by his name, neither when spoken to nor when spoken about.

He was portrayed by Christopher Lloyd, who also played other villains, such as Judge Doom in Who Framed Roger Rabbit, Merlock in Disney's DuckTales the Movie: Treasure of the Lost Lamp, Rasputin in Don Bluth's Anastasia, The Hacker in Cyberchase, Lord Imaru in The Secret Treasure of Machu Picchu by Golden Films, Stan Cruge in Santa Buddies and Kruge in Star Trek 3.

Switchblade Sam is first seen travelling clandestinely on a train. At one moment, he decides to jump out from it and it turns out that the train was exactly at Dennis Mitchell's town. Sam arrives in the village and is more than happy because he notices people never lock their doors (probably because the crime rate is non-existent) so he could steal nearly whatever he wants.

Taking advantage of the situation, Switchblade Sam commits a series of robberies in the village and is noticed by the police chief, who asks him to leave if he is going to be just trouble. His robberies include a doll and an apple.

One day, Dennis' neighbor and frequent victim, Georges, is chosen to host his garden club, having spent nearly forty years cultivating a rare orchid that will finally bloom at night. During the party, Dennis opens the garage door, which knocks down the entire refreshment table, and is sent inside as punishment. While Georges, his wife and their guests await the flower's nighttime presentation, Switchblade Sam decides to rob the Wilson's house. Sam searches the house thoroughly, finding nothing of interest at first but he finds Georges's collection of old coins. Fascinated by that, he quickly steals it and runs away before Dennis comes down and notices the theft. Alerting George of the crime, Dennis distracts everyone from the flower's brief bloom. Enraged, George tells Dennis he is a pest and that he does not want to see him and talk him again. Dennis, deeply hurt by Wilson's words, runs away into the woods in sadness and is grabbed by Switchblade Sam.

Switchblade Sam has decided to leave the town before the police monitores him too much. He decides to make Dennis his hostage. However, Dennis quickly annoys Sam who decides to tie him up, but Sam loosely ties Dennis in the good way, as he unties himself without difficulty. Showing Sam the correct way to tie him up, Dennis handcuffs his captor, loses the key, unintentionally bludgeons him, and sets him on fire. These funny acts drives Sam into a murderous rage. Just as Dennis discovers George's stolen coins and realizes Sam is the thief who robbed the Wilsons, Sam attempts to murder Dennis by stabbing him but is trapped in a rope caught by a passing train. The next morning, Dennis returns home with the captured half-conscious Sam. Sam is taken into custody, and Dennis naively returns to him his switchblade. As a final act of revenge, Sam attempts to stab him with it, but the policeman Chief Bennett closes the police car door on Sam's hand so he drops the knife in the sewer and moans in pain before being driven to the post. Although not shown in the movie, Sam will likely be imprisoned for his crimes.

---

Nico: Switchblade Sam. I've heard of him. He's a town robbing thug that is wanted in 12 states for robbing people blind.

Ibara: Why is he called Switchblade Sam?

Me: He's known for always carrying a Switchblade Pocket Knife. You know.

I pulled out one and showed it.

Me: Like these.

Ibara: Oh I get it.

Me: Yep. He's dangerous too. This guy is one dangerous S.O.B.

Sirius: Oh man. You don't think he has…

Me: That's what we're hoping won't happen.

Nico: First we got to find George Wilson and give him a really good talking to.

Sirius: Okay.

Me: That's why we brought you along too Sirius. This guy is so dangerous and is really quiet that he robs people blind when they least expect it.

Sirius: I get it. My quirk will help us find him easier.

Me: Exactly.

Eli: And my Force Sensing powers will help too.

Me: Yep.

Nico: (to Eddy) Not only were you one of the first on the team. But your rivalry with Dark was one of the first in the Masters of Evil.

Eddy: That's true. It's awesome.

We arrived at George Wilson's house and we saw George watering his plants.

Me: Hello there. Are you George Wilson?

George Wilson: That's right.

Nico: We need to have a little chat with you about a certain kid.

George Wilson: You mean that little monster Dennis!

Eli: Uh yeah who else were we talking about?

One of the Rabbids grabbed George's watering can and started drinking from it.

George Wilson: Hey! Stop doing that! That's not a drink!

Eddy: Oh they are just that silly.

Nico: Don't mind the Rabbids they are not the brightest light bulbs in the closet if you know what I mean.

Me: But that's besides the point. We know all about your encounters with Dennis and how much grief he caused you. But we are fearing that Dennis may be in danger. Where is he?

George Wilson: I sent him running away! He deserved it!

Nico: YOU WHAT!?

Nico grabbed George Wilson and put him against the wall of his house!

Nico: DO YOU HAVE ANY IDEA WHAT'S BEEN GOING ON HERE THESE LAST COUPLE OF DAYS!? THERE'S A DANGEROUS CRIMINAL RUNNING AROUND!

Me: This is him!

I showed him the poster.

George Wilson: Switchblade Sam!? You mean that dangerous drifter thief is here!?

Me: That's right! For all we know he could have gotten stuff from you!

One of the Rabbids then saw something. Or someone.

Rabbid: Huh?

Eddy: What is it?

The Rabbid yelled in Gibberish and he saw a shadowy figure go into the woods.

Sirius: Guys I think we saw someone go into the woods!

Sirius used her quirk and heard his voice and it was SWITCHBLADE SAM!

Sirius: It's Switchblade Sam! He went into the woods!

Nico: Oh man! He must've left here just a few minutes ago. And I bet I know what he was after.

George Wilson: My gold!

We went into his house and George saw that his hidden safe was broken into and his gold was gone!

George Wilson: My gold is gone!

Nico: I knew it!

George Wilson: (Guilty) Dennis was right! I shouldn't have yelled at him like that!

Camie: He must be waiting to catch the next train to get out.

Eli: Yeah! He's down by the river under the railroad!

Nico: We better get over there! George get the police over here!

He nodded and we were off!

Eddy: Yo, Dennis! You here?!

Nico: Eddy shhh. Switchblade Sam will hear us if we yell.

Eddy: Sorry.

We walked to the underpass of the bridge and was saw Dennis and he was with Switchblade Sam and he was bloated from eating beans. Dennis fed him too much.

Me: Whoa looks like Sam had too much to eat.

We heard him fart loudly and the fire of his campfire blew ferociously.

Nico: Whoa.

Ibara: Nasty.

Then we saw Dennis put a flaming blanket on Sam and he screamed in pain!

Nico: Now lets go!

We went at them!

Me: Dennis!

Dennis the Menace: Whoa Team Loud Phoenix Storm!

Nico: That's right!

Eli used the Force and put out the fire.

Eddy: Aw, dude! You beat us to him!

Nico: I think Switchblade Sam found him first.

?: You're right on that and I came up with the torture methods for him.

A Cubotesla came out!

Cubotesla: (In a girls voice) Awesome to see you again Nico.

Nico: Denise Kerrington!? Whoa!

Eli: Very cool.

I held him in place with my swords blade at Sam's neck.

Me: Don't even think about it.

Nico and Sirius and Eddy looked through all of Sam's stuff and they saw that he stole millions of dollars in jewelry and gold.

Nico: Whoa look at all this stuff.

Denise reverted back and she was a girl with blond hair and orange clothes.

Denise Kerrington: Whoa he sure has been busy.

Nico: No kidding.

Me: And I've been after Switchblade Sam for a long time.

One of the Rabbids started humping on Denise's leg.

Denise Kerrington: Hey quit that.

Eddy: Get off her man. People are gonna think you're weird.

The Rabbid got off.

Switchblade Sam got up and HE WAS INCREDIBLY PISSED!

Sirius: I've had it with this monster!

Suddenly, Sirius' blue eyes turned neon blue, and she was surrounded by an ocean blue energy aura with ocean waves, fishes, and sea creatures, and as she approached Switchblade Sam, she left ocean blue energy, ocean waves, fishes, and sea creatures with every step. Suddenly, Sirius was surrounded by a massive vortex of ocean blue energy with ocean waves and water surrounding it, there's a school of fish swimming around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Sirius emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sirius grew to 6'5" in height, she had the body of a goddess and she has sea blue highlights in the bangs of her short, shoulder-length lighter blue hair which she wears side swept to the right, she has neon dark blue eyes and an ocean blue energy aura with ocean waves, fishes, and sea creatures surrounding her, she has a sea dragon holding the Water Kanji inside its claws emblazoned on her forehead, she has on sea dragon earrings with light blue gems for eyes and holding the Water Kanji in its claws, and she also has a sea dragon with light blue gems for the eyes and the Water Kanji in its claws for the pendant of her Crystal Necklace of the Buddha with light blue crystal links. Sirius has on a sleeveless white sailor uniform top with a dark blue phoenix on it, dark blue skirt, white heeled knee-high boots, patterned with gray lines, and she has on a long light blue sleeveless trenchcoat with ocean waves and sea creatures on the coattails, and on the back is a sea dragon surrounded by ocean waves. Suddenly, Sirius felt a sharp pain on her back, and then, massive light blue angel wings with sea blue tips on the large light blue feathers, sprouted out of her back. Sirius has on a Ring of The Phoenix with sea blue gem on her right ring finger and a Blue Lantern ring on her left ring finger.

Sirius's massive Defender of U.A. High School sword underwent a powerful change, and it was then transformed into Sea Dragon's Sword of Oceanic Justice, it's a brand-new large sword with a sea dragon and the symbol of U.A. High School etched on the 6'10" massive, wide, double-edged ocean blue blade, sea dragon heads for the crossguards, large sea blue gem embedded in the rainguard, longer black handle, and four large sea dragon heads with a large fawn-colored gem on the bottom for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with sea blue gems on her wrists, gold Belt of Elemental Bravery with a gold sea dragon head with ocean blue gems for eyes and a large ocean blue gem in its open mouth for the belt buckle, large ocean blue Spellbook of The Gods and The Universe and large ocean blue Spellbook of The Elemental Gods on her left hip and her Eater of Sins revolver holstered on her right hip. There's a gold kanji below the sea dragon that said, "Sirius, Pro Hero and Sidekick of Captain Selkie, Member of the Oki Mariner, Destroyer of All For One and The Paranormal Liberation Army, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, and Master of Sea Dragons and Oceans."

シリウス、セルキー大尉のプロヒーローとサイドキック、オキマリナーのメンバー、オールフォーワンと超常現象解放軍の駆逐艦、悪の殺し屋、混乱、殺人、冷酷、そしてサディスティックな野郎、そして海のドラゴンと海のマスター

Sirius has transformed into SUPER ANGEL INFINITY OCEANIC SEA DRAGON ANGEL OF OCEANIC JUSTICE AND MAELSTROM HOPE!

We were amazed by Sirius' Super Angel Infinity transformation, but when Switchblade Sam saw it, he tried to kill her, but Sirius fired a powerful ocean blue energy blast with ocean waves and sea creatures, and it hit the town-robbing thug, and sent him flying into a wall.

Switchblade Sam was defeated and pulverized to within an inch of his life.

Ibara: Lets get this guy to the cops and return everything he stole.

Me: Good idea.

Camie: He's going to jail for a long time.

Ibara used her quirk and tied him up with her hair and we came back and a massive army of cop cars came.

Nico: Whoa! That is a lot of cops.

Sirius: Yeah.

Me: He's all yours officers.

Officer: Thanks guys. We've been after this guy for years.

Me: Tell the Bounty Hunting Corps to give Dennis and his family the bounty.

There was a bounty on Switchblade Sam's head worth over $62,342,564,235,345,000.00

The cops took Switchblade Sam away and then he was taken to prison for life. He was looking at lots of criminal charges in 12 states. We gave all the stuff he stole back to everyone and they were so grateful.

Denise Kerrington: That's that. But the real hero is Dennis. He got a dangerous thug and criminal off the streets.

Nico: He sure did.

Eddy: What's your favorite memory of Nico?

Denise Kerrington: My favorite memory of Nico would have to be where me and him were in Math Class and I was helping Nico with a really ridiculously hard math problem when suddenly we saw someone being picked on by none other than the Queen Bee of the school named Rhonda Rhorke and she was an absolute jerk and a nightmare. Her dad was a very big judge for the federal court system. Even the Principal was terrified of her. So we did a great prank on her. We filled up her locker with ketchup, hot sauce, mustard, mayonnaise and horseradish and when she opened it, it dumped all over her and she screamed as everyone laughed at her. Total Humiliation. She knew it was me and Nico and then when she came at us to kill us I just stepped to the side and she fell face first into a dumpster full of pig droppings! It was hilarious!

We laughed hysterically at that!

Eddy: (LAUGHS HYSTERICALLY) HAHAHAHAHAHAHAHAHAHA! CALL A DOCTOR! THAT WAS FUNNY!

Me: (LAUGHS) SO FUNNY!

Sirius: That was hilarious!

Eli: (laughs) So funny!

Nico: Yep. And we told the principal that enough was enough and we got lots of evidence on her and got her expelled. But then we saw a bunch of strange trucks pull up as she was leaving and they grabbed her and took her away.

Me: Hmm. Strange.

Nico and Denise hugged.

Nico: I really missed you.

Denise Kerrington: Me too Nico.

Luan: But that prank you did Sauced up everything. (Laughs) Get it?

We laughed at her joke.

Eddy: (LAUGHS) Good one!

Me: That was funny!

Dennis the Menace: Thanks for helping me guys.

Me: No problem Dennis. You were awesome dealing with Sam there. You helped us bring down a dangerous criminal that was wanted over most of the country and that makes you a hero.

Eli: That's right Dennis. Instead of doing your stuff to Mr. Wilson maybe you can use your pranks and all that on criminals. It'll drive them nuts.

Dennis the Menace: That's not a bad idea.

Rocket Raccoon: You're welcome, Lincoln, I can't wait to blast that prick.

Suddenly, Lincoln heard the sound of twelve girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the twelve girls, along with Victor, Victoria, and Emily, but they've been cornered by Lord Barkis Bittern, and he's going to kill them.

Lincoln: Guys, I found the twelve girls, along with Victor, Victoria, and Emily, but they've been cornered by Lord Barkis Bittern, and he's going to kill them.

But, we'll have to talk later, we got a murderous con-artist to kill.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces at Lord Barkis Bittern, and that allowed the twelve girls, Victor, Victoria, and Emily to get to safety with us. When Lord Barkis Bittern saw us, he was enraged.

Lincoln: Your days of conning and murdering innocent people are over, Barkis Bittern.

Then, Lincoln engaged him in a sword fight and disarmed him of both his sword and pistol, and then, he sprouted a tail with a needle tip, and he stabbed it into Lord Barkis Bittern, and injected him with the poison that was meant for Victor, and it killed him, and Emily took of the ring, and it allowed not only Victor to marry Victoria, but also, allow Emily to cross over to the afterlife. We cheered wildly as we holster our weapons and power down.

Lincoln: That's it for that black-hearted con artist, now, we got to deal with Victoria's abusive mother, and get her sent to the Gallows.

Jackie Wren: No need, Lincoln, look who we caught.

Jackie Wren dragged someone in chains towards us, it was Victoria's abusive, ugly-chinned, unloving mother, Lady Maudeline Everglot.

Lincoln: Wow, you already captured Lady Maudeline Everglot before coming to help us, nice work. And it's good to see you, Hailey Timaeus, Joan Critias, Gina Hermos, Lola Geh, and Emily Shunoros again, Jackie Wren.

Lincoln: It sure has been a long time that I haven't seen any of you, and as you all can see, I really grew a lot since then.

Hailey Timaeus: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know them?

Lincoln: Indeed I do, Nico. The Grapha, Dragon Lord of Dark World is Jackie Wren, she's the tenth Dark World Goth Girl who's not only one of my Guardian Angels, but she's also friends with Lucy and The Young Morticians Club, she's also an awesome bounty hunter, but she doesn't just go after any kind of criminal however: she goes after Queen Bee Mean Girls, the girls that think they're so much better than anyone because of how they come from high class life styles and they do acts of bullying and more. She's also the leader of an awesome secret underground organization that's affiliated with the FBI, INTERPOL, Scotland Yard, The CIA, and many other top law enforcement agencies called C.L.G.I.Q.B.S.M.G., The Center for the Liberation of Government Institutions from Queen Bee Socialite Mean Girls. Their mission: bring down Queen Bees who are absolute narcissists and send them to the toughest discipline schools ever for immense reeducation.

My jaw and Nico's dropped to the floor at what Lincoln just told us about Jackie Wren.

Nico: Whoa!

Me: That's so awesome!

Nico: That explains those dark vans that we saw that appeared.

Jackie Wren: That's right.

Lincoln: I knew it'd get your attention, now for the Atlantis Sisters, The Legendary Dragon and Knight Timaeus is Hailey Timaeus, and just like Timaeus, she lost her eye somehow, and now, she has a scar right over her right eye. She's also one of my awesome Guardian Angels, and she's defended me from the worst of Lisa's fury. Before she got the scar, she's really close to me. The Legendary Dragon and Knight Critias is Joan Critias, she is one of my Guardian Angels that dealt with the worst of Lola's fury, and she's done so much for me and my sisters, The Legendary Dragon and Knight Hermos is Gina Hermos, She's also one of my Guardian Sngel that's defended me from the worst of Lynn's wrath. She also has an awesome power to make many kind of weapons with a thought from any Duel Monster she can think of. She's also very gifted at arcade games and likes the same things I like and she's also awesome friends with Lori and Leni and Luna and Sam, The Divine Serpent Geh is Lola Geh, she's the strongest and most powerful of the Atlantis Gene-Slammers and she's great friends with Luna and makes awesome songs with her too. She's also one of my Guardian Angels and she's defended me from the worst of Chandler Henderson's fury and wrath, and the Orichalcos Shunoros is Emily Shunoros, she's the second strongest of the Atlantis Gene-Slammers, she's known for taking on the entirety of a local drug gang in Michigan and busting them and sending them all to prison, and she comes from a long line of people that goes all the way back to the Jomon Period in Japan in 14,000 B.C. and she's one of the people that knows how to harness the powers of the Orichalcos for good. She's also one of my Guardian Angels and she took on Lori, Lynn, Lola, Lisa, and Luan at their worst.

We were stunned and amazed at what Lincoln told us about the Atlantis Gene-Slammer Girls.

Me: Holy crap, that's so awesome!

Nico: You said it, and I didn't know that one of your Guardian Angels knows how to harness the power of the Orichalcos for good, Lincoln.

Emily Shunoros: Yes, it's true, I can harness the power of the Orichalcos for good, instead of evil like Dartz long ago, and Hailey, Joan, Gina, Lola, and I got some revelations about Lisa, Lola, Lynn, Lori, Luan, and Chandler, and there's no need for you to get us back to normal.

Jackie Wren, Hailey Timaeus, Joan Critias, Gina Hermos, Lola Geh, and Emily Shunoros reverted back to normal, and they're six beautiful 17-year-old girls with long flowing dark purple, short neck-length light blue, dark blue, purple, short neck-length green, and long sea foam green hair, they're tall at 6'5" in height, they had the bodies of goddesses, Hailey had a scar on her right eye, they had massive colored angel wings as they reigned in the Duel Monsters they were Gene-Slammed into, and they were dressed in sleeveless closed colored blouses and open vests, sleeveless colored tops, colored skirts, colored pants, colored high-heeled sneakers, and long sleeveless trenchcoats in their favorite colors with their respected elemental forces on the coattails and on the back is the Duel Monsters they were Gene-Slammed into.

Me: Oh man! Hailey what happened to your eye?

Hailey Timaeus: It's a really strange story and it involves Lisa.

Lincoln: Wow, girls, you have some awesome outfits, and I got you all a little something.

Lincoln gave Jackie Wren, Hailey Timaeus, Joan Critias, Gina Hermos, Lola Geh, and Emily Shunoros six large swords with the Grapha, Dragon Lord of Dark World, The Legendary Dragon and Knight Timaeus, The Legendary Dragon and Knight Critias, The Legendary Dragon and Knight Hermos, Divine Serpent Geh, and Orichalcos Shunoros etched on the six 6'10" massive, wide, double-edged colored blades, large colored dragon heads for the crossguards, large colored gems embedded in the rainguards, longer black handles, and four large colored dragon heads with colored gems on the bottom for the pommels.

Jackie Wren: Wow, we love the new swords you made for us,

Lincoln.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Jackie Wren, Hailey Timaeus, Joan Critias, Gina Hermos, Lola Geh, and Emily Shunoros with colored gems on the gold lightning bolts links and colored crystal links from her brand-new Crystal Necklace of the Buddha which merged with their Thunderbird Necklaces of Eternal Love.

Hailey Timaeus: (Surprised) Whoa, is this…?

Lincoln: Yep, those are Thunderbird Necklaces of Eternal Love, which means you, Jackie, Joan, Gina, Lola, and Emily are now part of my harem and my many future wives, Hailey.

The girls had smiles on their face and tears coming from their eyes, as Lincoln made five clones of himself, and the girls wrapped their arms around Lincoln and his clones' waists, and Lincoln and his clones wrapped their abnormally massive and powerful muscular arms around their waists, and they leaned down and kissed the girls on their lips, and they returned it, and we cheered for them. Then, we went up to the twelve girls, and when Lincoln saw them, he immediately recognized them. The twelve girls are Kotoura Haruka, Mifune Yuriko, and Moritani Hiyori from The Troubled Life of Miss Kotoura, Tamashiro Tsubaki from Koutetsushin Jeeg, Margaret Burton, Madlax, and Elenore Baker from Madlax, Hojo Hibiki A.K.A Cure Melody, Minamino Kanade A.K.A. Cure Rhythm, Kurokawa Ellen A.K.A. Cure Beat, and Shirabe Ako A.K.A. Cure Muse, and Princess Shokora from Wario Land.

Lincoln: Oh wow, it's Kotoura Haruka, Mifune Yuriko, Moritani Hiyori, Tamashiro Tsubaki, Margaret Burton, Madlax, Elenore Baker, Hojo Hibiki A.K.A. Cure Melody, Minamino Kanade A.K.A. Cure Rhythm, Kurokawa Ellen A.K.A. Cure Beat, Shirabe Ako A.K.A. Cure Muse, and Princess Shokora.

Nico: From The Troubled Life of Miss Kotoura, Koutetsushin Jeeg, Suite Pretty Cure, and Wario Land, awesome.

Lincoln: Are you girls okay?

Kotoura Haruka: Yes, we're okay, thanks to you.

Then, when Kotoura Haruka and the other ten girls saw who it was that saved them from Lord Barkis Bittern, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Kotoura Haruka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made ten clones of himself, and he and the ten clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Kotoura Haruka: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Thunderbird Necklaces of Eternal Love appeared on the necks of Kotoura Haruka, Mifune Yuriko, Moritani Hiyori, Tamashiro Tsubaki, Margaret Burton, Madlax, Elenore Baker, Hojo Hibiki A.K.A. Cure Melody, Minamino Kanade A.K.A. Cure Rhythm, Kurokawa Ellen A.K.A. Cure Beat, Shirabe Ako A.K.A. Cure Muse, and Princess Shokora with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone of the rescue, and they were shocked when they found out the villain we went after was Lord Barkis Bittern.

But, when Lincoln showed what we did to him, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln, Jackie Wren, Hailey Timaeus, Joan Critias, Gina Hermos, Lola Geh, and Emily Shunoros have a lot of catching up to do, now that they're back. Victor and Victoria were eventually married, and Victoria cut her ties with her abusive, ugly-chinned, unloving mother, and as for Lady Maudeline Everglot, Jackie Wren handed her over to Inspector Lestrade, and after being found guilty for her crimes of abuse, she was sentenced to die in The Gallows, she was hanged and she was Super Hakaied forever, and her body was incinerated and her ashes buried in an unmarked grave forever.

* * *

After getting rid of Lord Barkis Bittern, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Jackie Wren, Hailey Timaeus, Joan Critias, Gina Hermos, Lola Geh, and Emily Shunoros saw Lincoln working out like crazy, they had an atomic red blush on their faces.

Hailey Timaeus: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Gina Hermos: That's so awesome.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and now, I can also defend myself.

Jackie Wren: That's incredible.

Nico: It sure is, girls. So, Hailey, Joan, Gina, Lola, Emily, what's the revelations behind how you girls defended Lincoln from the worst of Lisa, Lola, Lori, Lynn, Luan, and Chandler's fury and wrath?

Hailey Timaeus: Allow me to go first. Well, let me tell you of how I got that scar over my right eye, I was walking through Royal Woods and planned to visit Lincoln. Suddenly, I heard a loud scream and it came from The Loud House, and I knew who could make that scream: it was Lincoln, and I ran inside to help him. Then, I saw him and he was chained to the table by Lisa Loud, and she had a knife in her hand and she was going to dissect him. I got so angry, I pushed Lisa off of Lincoln, and I got him out. But, before we were about to get out, that cold-hearted so-called prodigy slashed me on my right eye and I screamed. Everyone came in, and when they saw what Lisa did, Lori grabbed Lisa and tied her up. They took me to the hospital, and my right eye was so damage, it had to be removed, and now, I have that scar over my right eye, and after Mr. and Mrs. Loud heard everything, Lisa got grounded for thirteen weeks for what she did, and her grant money had to be used for my right eye surgery.

Me: OUCH!

Nico: That must've really hurt!

Eli: YIKES!

Lola: Yeah that was awful!

Joan Critias: It was really bad, and now, for Lola. One day, I was at The Loud House helping Lincoln with a project for Art Class, but then, Lola burst into the room and she was extremely furious, and she had the nerve to blame Lincoln for breaking one of her tiaras. But, he said that he wasn't in her room at the time, but she called him a liar and tried to kill him by beating him to death with a pipe she snatched out of Lisa's room. But, I wasn't going to let that pink-wearing little pageant demon do that, so I grabbed the pipe and yanked it out of her hand, and grabbed her by her dress. Then, we went downstairs and after I was done telling Mr. and Mrs. Loud, and we found out that Lana was the one who accidentally stepped on Lola's tiara, Lola got grounded for six weeks with no dessert, and Lana had to sleep in her room alone while Lola got sent to the isolation cube in the basement.

Gina Hermos: Now for Lynn, one day, I was hanging out with Lincoln at the Arcade and we were both having fun, but he got ambushed and he was suddenly being beaten up by Lynn, who was incredibly angry and pissed off. Lincoln told her that he wasn't going be treated like a punching bag and training dummy by her hours earlier, and it got her extremely mad, she wanted to kill him. So, I grabbed that miserable gym bag by her jersey and got her off Lincoln. Then, we tied her up in nylon rope, so she can't escape, and after I treated Lincoln's wounds, we dragged Lynn back home, and we told Mr. and

Mrs. Loud of what Lynn tried to do, and as punishment, she was grounded for ten weeks, and she was sent to the isolation cube in the basement.

Lola Geh: Now, for Chandler, one day, Lincoln and I were coming home from our day at Gus' Games and Grub, but then, Chandler came out and he had a knife in his hand and he decided to kill Lincoln and I, but I wasn't going to let that sleazy, red-haired, miserable sewage brat get away with it, so I punched Chandler hard in the face, and he dropped the knife. Then, I tied him up in nylon rope and instead of dragging him home, I dragged him to the Royal Woods Police Department, and I filed a complaint with the officers. They took him to a holding cell to cool off and after Mrs. Henderson was informed, she told them to let him sit there for five hours, and after he was cooled off, he was then grounded for twelve weeks for trying to kill Lincoln and I.

Emily Shunoros: And now, for Lori, Lynn, Lola, Lisa, and Luan, Lincoln and I were walking right to Gus' Games and Grub for some fun, but then, we had trouble incoming: it was Lori, Lynn, Lola, Lisa, and Luan, and they had murder in their eyes: they decided they've had enough of Lincoln living and they decided to kill him in cold blood, along with Leni, Luna, Lana, Lucy, Lily, Laney, and Mr. and Mrs. Loud. But, I wasn't going to let those five mean sisters get away with this, so I slugged Lori, and I threw her towards Lynn, Lola, Lisa, and Luan, and they weren't able to get Lori off of her, because I eventually dogpiled on them and pulverized them, and then, Lincoln and I tied them up, and dragged them back to The Loud House. We found the evidence of their plan in Lola's diary, and when I showed it to Mr. and Mrs. Loud, they were horrified and furious, along with Leni, Luna, Lana, Lucy, Lily, and Laney. So, as punishment, Lori, Lynn, Lola, Lisa, and Luan were grounded for fifteen weeks, and they were sent to Aunt Ruth's until their punishment was up.

We were stunned and horrified at the revelations that we heard from the Atlantis Sisters.

Nico: Whoa, you girls really defended Lincoln from Lori, Lynn, Lola, Lisa, Luan, and Chandler, and for Hailey, it meant that she lost her right eye thanks to Lisa, that was brutal.

Me: You said it, Nico.

Lincoln: But, no matter what happened, I was still close to Hailey even after she lost her eye thanks to Lisa, and she sacrificed her left eye to save me from Lisa's fury, and the rest of the Atlantis Sisters defended me from Lori, Lynn, Lola, Lisa, Luan, and Chandler.

Eli: Hailey was a true hero and Guardian Angel for what she did to save Lincoln from Lisa, and the rest of The Atlantis Sisters really showed no mercy to Lori, Lynn, Lola, Lisa, Luan, and Chandler.

Lincoln: That's right, Eli. They weren't going to let Lori, Lynn, Lola, Lisa, Luan, and Chandler get away with bullying me, or worse, murder, because the consequences will eventually come back to haunt them.

We then got a shower afterwards, and then, Lincoln, his harem, Iago, Wario, and his girlfriend, Mona, are heading to The Golden Pyramid for a little treasure hunt: they're going to find the treasure there, and take down The Golden Diva for good.

Lincoln: Wow, so this is The Golden Pyramid. This is going to be one awesome treasure hunt.

Princess Shokora: And not only that, but we're also going to take down The Golden Diva for good.

Iago: Nicole's going to be in for a surprise when she sees the treasure.

Lincoln, his harem, Iago, Wario, and Mona travel through the Golden Pyramid, and throughout each room, they defeat the bosses there in the rooms and in the process, they get eleven of the treasure chests in the rooms. Then, they proceed to the final room: where The Golden Diva is at, along with the last treasure chest.

Golden Diva: You would dare harm the Guardians of the Treasure, Team Loud Phoenix Storm?!

Lincoln: We would.

Princess Shokora: And you have caused too much trouble for the last time.

Suddenly, Princess Shokora's blue eyes turned neon blue, and she was surrounded by a white energy aura with cats and light, and as she approached The Golden Diva, she left white energy, cats, and light with every step.

Princess Shokora: Golden Diva, I will never forgive you for cursing me and turning me into a cat, and now, I will see to it that you never come back.

Suddenly, Princess Shokora was surrounded by a massive vortex of white energy with light surrounding it, there's a cat running around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Princess Shokora emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Princess Shokora grew to 6'5" in height, she had the body of a goddess, she has blue highlights in the bangs of her long flowing red-orange hair and she still has on her crown, she has neon blue eyes and a white energy aura with lights and cats surrounding her, she has a cat holding the Lights Kanji in its paws emblazoned on her forehead, she has on cat earrings with blue gems for eyes and the Light Kanji in its paws and her merged Thunderbird Necklace of Eternal Love with orange crystal links from her merged Crystal Necklace of The Buddha and blue gems on the gold thunderbolt chain links and a Thunderbird and a cat with blue gems for eyes and the Light Kanji in the claws for the pendant, she has on a long flowing pink and white dress with a white phoenix on it, pink knee-high high heels with butterflies on them for the buckle, and a long pink sleeveless trenchcoat with lights and cats on the coattails and on the back is a cat and a crown surrounded by lights, and Princess Shokora has on her Ring of The Phoenix on her left ring finger with pink gemstone on the ring and Star Sapphire Corps Ring on her right ring finger. Suddenly, Princess Shokora felt a sharp pain on her back, and then, massive red-orange angel wings with pink tips on the red-orange feathers, sprouted out from her back.

Princess Shokora has a new large sword in her hand called Bastet's Celestial Feline Sword of Celestial Justice, it's a new large sword with the Egyptian Deity, Bastet, etched on the 6'10" massive, wide, double-edged red-orange blade, two cat heads with red gems for eyes for the crossguard, large red gem embedded in the rainguard, longer black handle, and four large cat heads with red gems for eyes and in the open mouths and a red gem on the bottom of the cat heads for the pommel, Princess Shokora has on her new gold Bracelets of The Champions of The Universe with red-orange gems on her wrists and her new Belt of Elemental Bravery with a gold cat head with red-orange gems for eyes and a large red-orange gem in its mouth for the belt buckle, large red-orange Spellbook of The Gods and The Universe and large red-orange Spellbook of the Elemental Gods on her left hip on her waist and Eater of Sins revolver holstered on her right hip. There's a white kanji below the cat that said, "Princess Shokora, Princess of An Ancient Forgotten Kingdom, Friend of Wario, Treasure Hunter of The Golden Kingdom, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Cats and Light."

ショコラ姫、古代の忘れられた王国の王女、ワリオの友、黄金の王国のトレジャーハンター、リンカーン・ラウドの愛する未来の妻、邪悪な殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な学生教師、そして猫と光のマスター

Princess Shokora has transformed into SUPER ANGEL INFINITY CELESTIAL ROYAL FELINE TREASURE HUNTER PRINCESS ANGEL OF CELESTIAL JUSTICE AND DIVINE LOVE!

When Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when The Golden Diva saw it, she fell into a rage, and in the process, she revealed her true hideous face, as the porcelain masks were destroyed.

Princess Shokora: (Divine Echoing Cosmic Voice of The Celestial Feline and Divine Love) **Lincoln, shall we deal with The Golden Diva once and for all?**

Lincoln: (Smirks) With pleasure.

Lincoln unholstered his improved massive Cosmic Storm Sword of

Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Princess Shokora.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of hoarding the treasure are over, Golden Diva.**

Lincoln and Princess Shokora went after the Golden Diva, and they fired powerful blasts of rainbow energy, rose red energy, rose petals, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Cats at The Golden Diva, and they exploded with incredible power as they hit her, and then, they attacked her with their massive swords and left very painful scars that couldn't be healed. Then, they fired powerful energy blasts, which obliterated The Golden Diva, and she was sent to The Black Gates for good. Everyone cheered as Lincoln and Princess Shokora holster their massive swords on their backs and powered down, and Princess Shokora's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Princess Shokora and Lincoln shared a passionate and romantic kiss and hug, and then, they got the treasure, and they came back home to The World Tree Estate.

Nicole: Hey, guys, how was your trip?

Lincoln: It was awesome, Nicole. We went to the Golden Pyramid, and not only did we take down the Golden Diva, but look what we got!

Lincoln showed us the twelve treasure chests they got at the Golden Pyramid, and when Nicole saw the mass fortune of gold and jewels in the twelve treasure chests, her eyes went wide with shock and awe.

Nicole Knudson: Whoa, you found the treasure at the Golden

Pyramid and took down The Golden Diva?! That's so awesome!

Lincoln: Not only that, but Princess Shokora also transformed as well.

We saw the fight, and Princess Shokora transformed, and we were amazed.

Nico: Now, that was so awesome!

Me: You said it, Nico.

Lincoln sent the treasure to the museum, and it was put under extreme security, so no one tries to get their grubby hands on it.

---

Later it was time for Gali's first ever Ambassador Mission and it was gonna be a really dangerous and brutal one as we go and meet the Kamen Riders of Hibiki.

Gali: I'm really excited about all this.

Me: Me too Gali. This will be awesome.

Nico: Yeah but the sad thing is that the Hibiki Kamen Riders didn't help us out during the 20 Days of Darkness. But we still owe all the Kamen Riders big time for helping us out.

Eli: Yeah and that was a big honor to meet them too.

Nico: It sure was.

Nick Russell: Gali, I hope you don't mind me going with you. (gestures to a Rabbid) This little guy over here is just along for the ride.

Gali: I understand Nick. As long as he doesn't do anything troubling.

Nick Russell: Good.

Me: Me, Nico and Eli will be going with on the Kamen Rider Ambassador Missions because they are both awesome and we owe a huge debt to each of them.

Nico: Yep.

Gali: This will be amazing. Lets head out.

We were off to Japan.

In Japan we saw Hitoshi and Iori fighting a bunch of Kaidouji Makamou and they were all over the place!

Hitoshi: There's not end to them!

The Makadou made monkey hoots.

But then red and blue and green energy blasts all hit the Kaidouji Makamou and blasted them all apart into oblivion in fiery explosions!

Gali: Looks like we got here just in time!

Hitoshi: (glares at Gali) Another Makamou, I presume?

Iori: I think we know how to deal with these by now, Hitoshi.

Hitoshi nodded. He pinged his Henshin Onsa Onkaku while Iori pinged his Henshin Onibue Onteki. Hitoshi turned into Kamen Rider Hibiki while Iori turned into Kamen Rider Ibuki.

Me: Looks like I'll help to!

I pinged my Henshin Onsa Onkaku and I transformed into my PHOENIX HIBIKI ONI FORM!

Me: YEAH!

Hitoshi: Wow!

Iori: (to Hitoshi) I'll take on the blue one. You can have the other one!

Hitoshi: Got it!

Hitoshi threw a punch at me while Iori charged at Gali.

I caught Hitoshi's punch!

Me: (Speaking in Japanese) 私たちはマカモウの一員ではありません！私たちは友達で、皆さんに会いに来て手伝ってくれました。(We are not part of the Makamou! We're friends and we came to meet you all and help out.)

Hitoshi: Really?

Me: Yes.

I took off my helmet and he recognized me!

Hitoshi: J.D. Knudson! Wow it's an honor.

Iori: Wait J.D. Knudson as in J.D. Knudson the leader of Team Loud Phoenix Storm!?

Me: Former Leader.

Nico: Now I'm the leader.

Gali: And I'm not with the Makamou either. My name is Gali and I'm the Toa of Water.

Iori: Oh my goodness. Sorry.

Hitoshi: We must be the first Kamen Riders to personally meet you guys.

Nico: Yes you are and we had previous encounters with some of your fellow Riders last year.

Eli: We sure did. It's a big honor. My name is Eli Winston Bullock and I'm J.D.'s Little brother.

Nick Russell: And I'm Nick Russell, leader of the Mystic Force Rangers.

Me: You might know them as the Magirangers.

Hitoshi: Wow it's an honor.

Me: We met your fellow Riders from over the years during one of the darkest times in our team's history.

Iori: You mean the 20 Days of Darkness?

Hitoshi: Yeah we heard so much about what happened from some of our fellow riders and it was awful that you went through all that.

Nico: It sure was. But it was an awesome honor to have your fellow riders help us out.

Me: Darn shame you guys didn't help though.

Iori: Yeah sorry.

Nick Russell: Oh, and this little guy is a Rabbid. We just met them yesterday.

Rabbid: (Gibberish)

Me: They are not the brightest lightbulbs in the closet if you know what I mean.

Hitoshi: I see. J.D. how did you get a Kamen Rider form?

Me: I watched all your adventures on the internet and they are all so awesome. So far I revealed forms for Hibiki, Kabuto, Kiva, Den-O and Decade. It's all really cool.

Nico: Boy it sure is.

Hitoshi: Why don't we show you around our base?

Me: It would be an honor.

We followed them.

Me: It must be hard battling Makamou's for you all.

Hitoshi: It's a good job for us.

Eli: It sure is.

I then sensed something and we saw A GIANT CRAB MAKAMOU!

Me: BAKEGANI! I got this!

I fired an energy blast and blew him into oblivion!

Nico: YEAH!

Iori: Wow! Your power is incredibly powerful!

Gali: Years of training made him like that.

We arrived at the Hibiki Temple.

Iori: Here we are.

Me: The Hibiki Temple. Really nice place.

Nico: It sure is nice and awesome.

Eli: It sure is.

Gali: I think it's an amazing place that fits for a great base of operations out here.

Nico: I agree. Totally secluded and far away from Tokyo.

Hitoshi: Yes it's home.

Nico: Nice place.

Hitoshi: You know, J.D., I'm very well trained too.

Me: That's awesome. It took me years to get to where I'm at in my level of power. Lots of blood, sweat, tears and a drive to protect everyone including everyone I love.

Nico: That is true. Same with me and Eli and everyone on the team.

Nick Russell: It's a big job too.

Gali: That's right and with great power comes great responsibility.

Me: I take it you guys have heard about many of our most powerful and devastating adventures.

Iori: We sure have and they are amazing.

Hitoshi: They are amazing and we heard about what happened with Team Buktu. And we did not by that crap about them being heroes one bit.

Iori: They were fakes ruining your good name.

Me: That means a lot to us greatly.

Hitoshi: Being an Oni Rider isn't easy. There are no shortcuts. To be an Oni Rider, you have to go through a lot of hard work.

Me: That's exactly like what I learned over in the Hidden Leaf Village when I helped my brother Naruto train to get strong. There are No Shortcuts to becoming Hokage, it takes a lot of hard work and skills as well as a great sense of leadership.

Nico: Very coincidental.

Hitoshi: It sure is.

Me: Yeah. I didn't get to becoming the leader by shortcuts. I had to earn my position. It was not easy.

Nico: It also worked with me too. I worked hard to get the position.

Me: Nico displayed incredible leadership skills last year during some of our biggest and major missions. Mostly during the battle with Team Dark Phoenix Storm. But after he had a terrible nightmare, I knew the time came to pass the torch to him.

Nico: Yep.

Eli: And Nico earned the position fair and square.

Hitoshi: That is amazing.

Iori: Tomizo's out for the day. But next time, you guys will meet him.

Me: Awesome.

Gali: I can't wait to meet more of your friends too.

The Rabbid tried to put Hitoshi's Disk Animal in his mouth but Nico stopped him.

Nico: No! That's not food!

Me: Yeah they aren't that bright.

Hitoshi: That's okay.

Nick Russell: (sees something) Guys, I think we might have to head out soon.

Me: What is it?

We then saw OKUBI THE WASP MAKAMOU!

Me: Okubi the Wasp Makamou!

Eli: That is one ugly bug!

Nico: Geez, it can fly too?!

Me: Yeah. This is gonna be awesome.

Nick Russell: It sure will.

Me: Now lets go squish this bug!

Nick Russell: Magical Source, Mystic Force!

GALWIT MYSTO RANGER!

He transformed!

Nick Russell: FEARSOME AS FIRE! RED MYSTIC RANGER!

Nico: It's time to kick some ugly bug butt!

Me: If we ever face Man and Woman, I'll blast the real ones into oblivion for their crimes.

Nico: Yeah they survived for far too long.

Eli: Yep.

Hitoshi: Lets do it!

Hitoshi and Iori pinged their Henshin Onsa Onkaku changers and they transformed!

Nick changed his Magi Staff to Wand mode and shot a blast of flame at Obuki.

Nick: FIRE!

He burned it all over!

Me: Chew on this! KAAAAA MEEEEEE HAAAA MEEEE HAAAAAAAAAAAAAAA!

I fired a powerful red Kamehameha blast and it hit Obuki and exploded!

MASSIVE EXPLOSION!

Nico: YEAH!

Eli: Down to his last legs.

The Rabbid jumped on Obuki, cheering as it tried to get him off.

Nico: (to Hitoshi and Iori) If you two got any finishers, might want to use them now! Gali can join in too!

Hitoshi: You got it!

Iori: Lets do it!

Nico got the Rabbid off.

Gali slashed Obuki all over and blasted it with water and Hitoshi pulverized Obuki with his Drum Mallots and Iori blasted it with music from his trumpet blaster and Obuki exploded!

Nico: YEAH!

Eli: Take that!

Hitoshi: This was awesome for our first team up with you guys.

Me: It sure was!

Nico: Yeah!

Nick Russell: It was really fun too.

Gali: It sure was.

We came back.

May: How did it go?

Me: Really awesome.

We told everyone and they were amazed.

Nico: It was awesome.

Gali: We had a lot of fun on this one.

May: I think Twilight should be one of the people going with you next.

Gali: Good idea.

Twilight Sparkle: That's an awesome idea.

Me: It sure is.

---

We were walking around the mall.

Nico: Nice that to be at the mall.

Ruka: Nice to be at the mall with no terrorists attacking.

Me: It sure is. Thank goodness.

But then we smelled the really familiar stench of gasoline and burning flesh.

Me: Uh oh. I know those smells anywhere.

We saw people dead and they were burned alive!

Flint: Did these people… kill themselves?!

I went over.

Me: Yeah they sure did. Poured gasoline on themselves and lit themselves on fire.

Meg Griffin: Just like what happened with me. Peter Griffin told people about how ugly I looked so whenever they looked at me they would set themselves on fire.

Nico: Stupid moron!

Me: Fucking assholes! That testicle-chinned douchebag really made your life hell. Wanted to make sure you have no friends at all.

We then saw a beautiful girl wearing all blue and yellow clothes and she had beautiful blonde hair and the people were killing themselves over her!

Aligned Megatron: (in disbelief) This is why they were killing themselves?!

Maria: I know, right?!

Me: Wait a second. Natalia? Natalia Shevchenk?

Natalia Shevchenk: (Ukrainian Accent) J.D.!? Wow!

We went over and hugged.

Me: I missed you so much.

Natalia Shevchenk: Me too J.D.

Me: Wow it's awesome to see you here in America.

Natalia Shevchenk: It sure is.

Nico: It's awesome to meet you too.

Natalia Shevchenk: It's an honor to meet you all.

Me: Everyone this is Natalia Shevchenk. She's from the Ukraine and one of my many international friends.

Nico: Awesome to meet you Natalia.

Natalia: Pleasure is all mine.

Eli: I like your hair. It's beautiful.

Natalia Shevchenk: Thank you.

Optimus: This is why you people were killing yourselves?!

Man: You shouldn't be friends with an ugly girl like her!

Nico: (grabs him by the throat) Don't ever call her that! And for that matter, give us all your lighters!

They were scared and did so.

Me: And another thing?

POW!

I punched the man in his face and broke his nose and knocked out his teeth!

Me: Natalia is not ugly at all! She is beautiful! Unlike you!

I then unsheathed my sword and slashed the man in his chest and carved UGLY FUCKER into it.

I did the same with everyone that thought Natalia was ugly.

Natalia Shevchenk: Thank you. You all defended me from those monsters.

Me: Anytime Natalia.

Nico: Serves them right. Bunch of ingrates.

Lola: Yeah they wouldn't know what good beauty is if it came up and kicked them in their balls!

Squidward: YEAH!

We went back to the estate.

RD Lola: What Zenkaiger Gears have you completed today, Nico?

Nico: (apologetically) Sorry, I only managed to complete one for Dairanger.

William: No worries, buddy.

Me: We still have plenty of time till May 21st for you to make the whole set.

Nico: True.

Lucy Loud: I'll use the Dairanger Gear.

Nico: Okay.

Camie: Boy that was a crazy trip to the mall.

Eli: It sure was.

Sirius: Yeah those buttfaces. They don't know the first good thing about beauty.

Then Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Sportsmaster, Mummy, and Diabolico appeared.

Killer Shrike: Can me, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Sportsmaster, Mummy, and Diabolico go with you guys?

Nico: Yes you all can.

Me: And I have just the mission for us. We're going into the world of this game.

I went to the computer and pulled up a really cool game called Stardew Valley.

Me: Stardew Valley.

Shiva: Awesome! 2016 Morbucks plays that game all the time. It's really fun to watch.

Nico: That's cool!

Me: Yep. And our target is this store.

I pulled up the history of JOJAMART!

---

JojaMart is the main antagonistic faction of Eric "ConcernedApe" Barone's indie simulation role-playing game Stardew Valley. A branch of the tyrannical Joja Corporation in Stardew Valley, the JojaMart seeks to rebuild Pelican Town in its own image, overworking employees and running competitors out of business until it can establish full corporate dominance over the town and its inhabitants.

Biography

In the prologue, the player works in an office cubicle run by Joja Corporation and is deeply unsatisfied with their current life. To escape Joja Corporation's grasp, the player quits their job and moves to Stardew Valley, where they can start a new life as a farmer. However, while they have left their previous job behind, the player soon realizes that Joja too has established a foothold in the countryside in the form of the JojaMart, run by the local businessman Morris. As manager and customer service representative, Morris lures the townspeople to his store with the promise of low prices in hopes of putting his competitor, Pierre, out of business.

Depending on the player's choices, they can either fight against the JojaMart's expansion or join them, which can be decided by buying a JojaMart membership for 5000g. If the player buys the membership, Mayor Lewis will sell the town's community center to Morris, which will be converted into a warehouse for Joja products, and the player can give money to the store to repair the town as Morris sees fit, which will reward the player with a soda machine that gives Joja Cola.

If the player refuses the membership, and instead donates goods to repair the community center, JojaMart will remain a constant presence in Pelican Town, overworking employees such as Shane and Sam and polluting the river with trash and Joja Cola. When the community center is finally completed, the JojaMart will be run out of business by Pierre, who defeats Morris in a fistfight. After this, Joja Corporation leaves Stardew Valley for good and the JojaMart is closed for termination.

---

Nico: Whoa! We're going after JojaMart.

Me: Yep. And we're going to put that evil market out of business.

Beelzemon: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to meet an Evolved Vaxasaurian Gene-Slammer next and I know one person that fits for that one: Meridith McHenrickson.

He told us all about her.

From Scotland, Meridith went to Nico's Gym Class and she is a really strong and powerful girl. Not just with Evolved Vaxasaurian power but also she was born with incredibly powerful superhuman strength and can easily lift up a whole house with one hand tied behind her back. Also she is known for lifting up a weight that weighed as much as a whole building and it was awesome! She and Nico were very close back then too.

Me: Whoa! She is amazingly strong!

Eli: Wow! That is awesome!

Natalia Shevchenk: That is awesome.

Camie: I agree. She is strong enough to lift up a whole building? That is amazing.

Me: I have just the archenemy for her. But it'll have to wait till the day after tomorrow.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed an energy signal, and he saw who the figure was in the vision: it was none other than Joan Delenney's deranged and psychotic ex-brother, David Delenney, he's broken out of his prison in Westfinster, and he's out for bloody revenge on Joan Delenney and Lincoln. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Joan, you and I aren't going to like this one bit: the energy signal I sensed belongs to your deranged and psychotic ex-brother, David Delenney, he's broken out of his prison in Westfinster, and he's out for bloody revenge on you and me.

Joan Delenney gasped in shock, along with Heathcliff and the Catillac Cats.

Joan Delenney: I can't believe it, I thought that I'd finally be done with my ex-brother after I got him arrested and sent him to prison for life. How did he break out, Lincoln?

Lincoln: He broke a prison guard's neck and ripped his head off his shoulders, and then, he unlocked the doors of his cell, and before he escaped, he murdered a couple more prison guards, along with a couple of inmates.

Me: (Horrified) My God.

Nico: Damn, this isn't good.

Heathcliff: So, how are you and Joan going to punish him, Lincoln?

Lincoln: As much as he deserves to die, he's going right back to prison, but he'll have the Heaven's Judgement Curse on him, but it'll be reworked, like The Curse of The Cobra, and in one year's time, Jack Delenney will die, and the curse will activate and the demons will drag him to hell for good.

Joan Delenney: Now, that's a good idea, Lincoln.

Nico: You said it, Joan.

Marinette: A battle between the descendant of Joan of Arc and Lincoln Loud against her evil demonic brother, who's now a completely deranged psychopath.

Me: An epic battle between the two Angels of Heavenly, Universal, and Elemental Justice against the deranged and psychotic ex-brother of Joan of Arc's descendant, this is going to be one epic battle.

TLPS Mr. Wolf: The Angels of Heaven Vs. The Demonic Brother From Hell, this is going to be one that will rock the field, and call me crazy, I can't help but get the feeling that me and the crew are about to be introduced to our archenemies in The Masters of Evil later on today.

Nico: I actually have that same feeling too, TLPS Mr. Wolf, and if it's who I think it is. But, we'll find out about that later.

We were off.

* * *

We arrived in the world of Stardew Valley.

Me: Wow! So this is Stardew Valley.

Eli: It sure is beautiful.

Shiva: (looks around) All kinds of crops are here. (sees something) Including Blue Jazz.

Me: It's beautiful and prosperous.

Nico: I'll say.

RD Sam Sharp: Which heroes are we looking for?

Me: Well that's the hard part. You have to make your own hero for the game.

RD Sam Sharp: Wow. That is tough.

Me: That's why we have to use the power of our imaginations.

I then used my imagination powers and I made a girl with brown hair and she had farm clothes on.

Me: Everyone meet Hayley Tomlinson.

Nico: Awesome!

Hayley Tomlinson: Thanks for making me J.D.

Me: You're welcome Hayley. Stardew Valley is amazing. Also this will put our farming skills to the test.

Applejack: YEEHAW! That will be fun.

Crimson Dynamo: I heard those people who killed themselves were from Quahog.

Nico: Yes they were.

Laney: I hope you all give Peter Griffin the biggest paddling ever for enforcing that "If You See Meg Burn Yourselves To Death" rule.

Crimson Dynamo: Oh you can count on that.

Back at the M.O.E. headquarters in Montana, Vypra and Dark were giving Peter Griffin the most brutal spanking ever! He was crying hard as he was strapped to a table naked and was lying on his stomach and he was getting the worst paddling of his life!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Vypra and Dark were whacking his big butt hard!

Vypra: This is what you get for driving people to kill themselves!

WHAP WHAP WHAP!

Dark Spicer: YEAH FATTY!

WHAP!

LONG FART!

Peter Griffin: Oops sorry.

Shadow the Hedgehog: (sees a Rabbid about to eat a crop) No, those are not meant to be eaten yet!

Nico: Yeah we have to grow them first.

Layla Williams: And with our powers it won't be a problem.

Laney: Yep.

Me: First we have to clear away the stuff in the plots and gardens.

Tara: The Earth users can do that.

Applejack: YEEHAW! Lets do it!

They got to work and cleared all the crud.

Then we got to work and made awesome crops and plants.

Captain Boomerang: (smirks) (Australian Accent) Oh, don't worry, mates. Peter's still gonna be in the Masters of Evil. (laughs) Just so Gabriel can keep beating him up!

Nico: That's fine as long as you guys spank him for everything he did to Meg.

We laughed.

Laney: That is true.

Lana: Hey guys remember during the humiliations we did with Peter and when we gave him the strongest beer around?

Poromon: That was awesome!

Nico: Yeah it was!

Gabriel: For all the crimes I did as Hawk Moth, I was NEVER abusive to Adrien.

Borth: You didn't fart in his face either.

Majar: Or tell people to light themselves on fire if they saw him.

Nico: That's for sure or tell bullies to make his life miserable.

Meg: That all happened to me.

Nico: Those people of Quahog were a bunch of morons. No offense to Joe, Cleveland, Jillian, Brian, Stewie or anyone on our side.

Joe Swanson: None taken Nico.

We were really harvesting crops.

Lola: Homer I played this awesome game called The Simpsons Tapped Out and it was awesome.

Homer: That was a cool one.

Nico: FYI, guys, not all the Kamen Rider Ambassador missions will be in the order each series aired in. Some will be out of order.

Mummy: That's fine by us.

Me: Thanks for the heads up Nico.

Laney: That is good.

Lincoln: It sure is.

Kairi Yano: I get what you're saying Nico. Take me and Kei-Chan for example. Our teams came before the ToQgers, Zyuoghers, and Kyurangers. And you guys met us before them.

Octopunch: Exactly Nico's point.

Nico: That is correct. Your team joined us first before they did.

Me: And we discovered really awesome revelations on how Maxxor and Dark based their trademark lines from you guys.

Maxxor: That is true.

Nico: Yep.

One of the Rabbids was playing with one of the lighters that Nico took from the stupid people.

Wolf: No! That's not something you should be playing with!

Nico took the lighters back.

Eddy: Now guys don't play with those. They are dangerous.

Eli: Yeah.

Lady Deathstrike: (Japanese Accent) You have to admit that the Rabbids provide a good laugh.

Nico: They sure do Yuriko. And they are funny as well.

Rayman: Yeah the Rabbids are awesome and funny to get along with.

Me: Yep they sure are.

Diabolico: We just need to stop them from killing themselves.

Nico: Yeah.

Rayman: Don't worry, the Rabbids are not that easy to kill.

Nico: But it's funny though.

We later had made a lot of baskets full of lots of fruit and vegetables.

Me: WHEW! Man nothing like a lot of farm work to put some hair on your chest.

Nico: Yep.

Patrick: Boy you said it.

Patrick showed that he had chest hairs.

Patrick: Doesn't this make me manly?

Coconuts: Can I get back to you on that one?

SpongeBob: Oh that's just Patrick for you.

Grounder: I think it looks awesome.

CLANG!

Grounder: OUCH!

Grounder got hit in the head from Scratch.

Scratch: I think it looks silly you dumbbot!

Pesto: That is still a great gag.

Me: Classic as the Goodfeathers.

Pesto: Classic? What do you mean by that?

Me: Just saying that is was classic like you guys even after all this time. You know.

Pesto: No I don't know. Are you saying that I'm a relic? That I belong in some dusty old museum here to amuse you?

Me: No that's not what I'm saying.

Pesto: I am a classic?

Me: Yeah that's what I'm saying.

Pesto: THAT'S IT! (Jumps at me)

I defended myself and then…

ZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPPPP

Lightning emitted from me and I electrocuted Pesto and knocked him down.

Nico: WHOA!

Me: That was close. Sorry Pesto.

Pesto: (Stupid Talk) Mommy please read me a story.

Rolf: (laughs) You think that makes you a man?!

Ed Edd N Eddy Kevin: Dudes, hit the deck!

Deker: Why?

Rolf: This! (RIPS OFF HIS SHIRT)

We saw that his back was totally covered in hair!

Rolf: Is what it is to be a man!

Me: (SCREAMS) (COVERS EYES) MY EYES! THEY BURN!

Nico: WHOA! That is a lot of back hair!

Patrick: (pouts) Aww. Those are way hairier then mine!

Gantu: THAT'S WHAT YOU'RE CONCERNED ABOUT?!

Nico: All right guys that's enough.

Eli: Yeah lets focus on the mission.

Me: Yeah. (Blubbers) But that was funny.

Eli: Yeah.

Nico: And it looks like our target is here.

We saw JOJAMART!

Sportsmaster: Let's get into positions.

Nico: Everyone, hide!

We hid.

We got ready and we came out and we saw The owner of the store Morris.

Nico: Morris.

Laney: What a jerk.

Me: No way are we going to let that monster take over.

Manterror: Entrance time.

We went at him.

Morris: Soon my store will be king!

But then the spirits of the Horrors of the Elements all swirled around him and then converged and then a massive dragon of stars came out and then roared and fired an energy blast from its mouth and then the blast hit the ground and we came out.

Nico: Morris you are under arrest.

Me: You are not taking over this beautiful and peaceful valley on our watch!

Morris: Team Loud Phoenix Storm!?

Nico: That's right!

Billy Numerous: Let's see you deal with this army!

He formed 310 clones.

Naruto: And this army. MULTI SHADOW CLONE!

Naruto formed 620 clones!

Nico: Get ready for a merciless buttkicking!

Then Mortal Kombat Scorpion, Stratos, Ice Demon, Myotismon, Gator Ghoul, Top, Taskmaster, Dayu, Vulkanus, and Spymaster appeared.

Nico: Mortal Kombat Scorpion, Stratos, Ice Demon, Myotismon, Gator Ghoul, Top, Taskmaster, Dayu, Vulkanus, and Spymaster.

Spymaster: Nice place this valley.

Me: Boy it sure is.

Laney: And it put our farming skills to the test.

Applejack: We all had a good time on this.

Mortal Kombat Scorpion: You guys grew some nice crops.

Maria: Thank you.

Me: It was fun.

Stratos: And there's no way Morris is gonna get to them.

Me: No way.

Ice Demon: Just make sure the Rabbits don't end up accidentally destroying them.

Me: We won't.

Myotismon: (to Nico) I heard you met Dennis the Menace.

Nico: We sure did and he was awesome.

Gator Ghoul: Menace, my scaly ass.

Nico: Yeah he's only a kid. But he is a great and funny one. And we busted Switchblade Sam too.

Spymaster: Oh man! I heard about him. He was dangerous.

Me: Yep. Wanted in 12 states for robbing towns blind.

Laney: But at least he is where he belongs now.

Sirius: In prison where they locked him up and they threw away the key.

Frankenstein then appeared.

Nico: Back for round 2 Frankenstein?

Frankenstein: Yep and it's gonna be awesome.

Laney: Cool.

Frankenstein: Congratulations on your first in person Kamen Rider meeting.

Gali: Thanks. It was awesome.

Me: Yeah.

Vypra: Oh, Nico, brace yourself: we also have some new archenemies for The TLPS Bad Guys Gang.

TLPS Mr. Wolf: I knew it, that feeling I had this morning is true.

TLPS Mr. Shark: Same here, so, who's our archenemies?

?: That would be us.

Suddenly, we saw exactly who it was, it was Captain Ginyu, Burter, Recoome, Guldo, and Bonyu.

Nico: Captain Ginyu, Burter, Recoome, Guldo.

King Vegeta: And Bonyu.

Captain Ginyu: Surprised to see us back from the dead?

Me: You bet we are. But, we've never met before, Bonyu.

Bonyu: I'm afraid not, J.D. You see, I'm a former member of The Ginyu Force, and from what you all can see, I look just like Jeice, and I don't know if any of you know this, but, Jeice is my brother.

This stunned us.

Me: Whoa, I didn't know that Jeice is your brother.

Lincoln: Same with us.

Vegeta: We have, but Bonyu wasn't able to keep up with the rest of the Ginyu Force. She hasn't been heard from since then. So, Vypra recruited you, since you heard your brother was in the Masters of Evil, and brought the rest of the Ginyu Force back.

Burter: That's right. Working for Frieza was nothing but a pain, but working for Vypra, that's a good change for us.

Nico: And you've probably heard that Frieza is now dead and gone for good, and he's never coming back.

Captain Ginyu: Good, to tell the truth, none of us truly like him anyways.

Lori: What he's done, he deserves to die hated by all. So, which of the TLPS Bad Guys gang have you chosen as your archenemies?

Captain Ginyu: Easy, I get TLPS Mr. Wolf.

Burter: I've already gotten TLPS Mr. Shark.

Recoome: I've chosen TLPS Mr. Snake.

Guldo: I've chosen TLPS Mr. Piranha.

Bonyu: Which leaves me with TLPS Ms. Tarantula.

TLPS Mr. Wolf: That's more than perfect for us, and you Ginyus are in for the surprise of a lifetime with us.

Goku: Just watch it when facing them, guys.

TLPS Mr. Wolf: Don't worry, we will, Master Goku. Besides, we have more than a few tricks up our sleeves.

We got the usual battles underway.

## Shanan, Princess Celestia, Amber Morning, Light Skylanders, Helen Lyle, Gantu and Panda King VS Vulkanus - The Atlantis Siblings are awesome

Shanan: You said it there! Especially Hayley Timaeus and she looks cool with a scar like that.

Princess Celestia: Yeah each of their stories is awesome.

Amber Morning: Boy they sure are mom.

---

Hailey Timaeus: Allow me to go first. Well, let me tell you of how I got that scar over my right eye, I was walking through Royal Woods and planned to visit Lincoln. Suddenly, I heard a loud scream and it came from The Loud House, and I knew who could make that scream: it was Lincoln, and I ran inside to help him. Then, I saw him and he was chained to the table by Lisa Loud, and she had a knife in her hand and she was going to dissect him. I got so angry, I pushed Lisa off of Lincoln, and I got him out. But, before we were about to get out, that cold-hearted so-called prodigy slashed me on my right eye and I screamed. Everyone came in, and when they saw what Lisa did, Lori grabbed Lisa and tied her up. They took me to the hospital, and my right eye was so damaged, it had to be removed, and now, I have this scar over my right eye, and after Mr. and Mrs. Loud heard everything, Lisa got grounded for thirteen weeks for what she did, and her grant money had to be used for my right eye surgery.

Me: OUCH!

Nico: That must've really hurt!

Eli: YIKES!

Lola: Yeah that was awful!

Joan Critias: It was really bad, and now, for Lola. One day, I was at The Loud House helping Lincoln with a project for Art Class, but then, Lola burst into the room and she was extremely furious, and she had the nerve to blame Lincoln for breaking one of her tiaras. But, he said that he wasn't in her room at the time, but she called him a liar and tried to kill him by beating him to death with a pipe she snatched out of Lisa's room. But, I wasn't going to let that pink-wearing little pageant demon do that, so I grabbed the pipe and yanked it out of her hand, and grabbed her by her dress. Then, we went downstairs and after I was done telling Mr. and Mrs. Loud, and we found out that Lana was the one who accidentally stepped on Lola's tiara, Lola got grounded for six weeks with no dessert, and Lana had to sleep in her room alone while Lola got sent to the isolation cube in the basement.

Gina Hermos: Now for Lynn, one day, I was hanging out with Lincoln at the Arcade and we were both having fun, but he got ambushed and he was suddenly being beaten up by Lynn, who was incredibly angry and pissed off. Lincoln told her that he wasn't going be treated like a punching bag and training dummy by her hours earlier, and it got her extremely mad, she wanted to kill him. So, I grabbed that miserable gym bag by her jersey and got her off Lincoln. Then, we tied her up in nylon rope, so she can't escape, and after I treated Lincoln's wounds, we dragged Lynn back home, and we told Mr. and Mrs. Loud of what Lynn tried to do, and as punishment, she was grounded for ten weeks, and she was sent to the isolation cube in the basement.

Lola Geh: Now, for Chandler, one day, Lincoln and I were coming home from our day at Gus' Games and Grub, but then, Chandler came out and he had a knife in his hand and he decided to kill Lincoln and I, but I wasn't going to let that sleazy, red-haired, miserable sewage brat get away with it, so I punched Chandler hard in the face, and he dropped the knife. Then, I tied him up in nylon rope and instead of dragging him home, I dragged him to the Royal Woods Police Department, and I filed a complaint with the officers. They took him to a holding cell to cool off and after Mrs. Henderson was informed, she told them to let him sit there for five hours, and after he was cooled off, he was then grounded for twelve weeks for trying to kill Lincoln and I.

Emily Shunoros: And now, for Lori, Lynn, Lola, Lisa, and Luan, Lincoln and I were walking right to Gus' Games and Grub for some fun, but then, we had trouble incoming: it was Lori, Lynn, Lola, Lisa, and Luan, and they had murder in their eyes: they decided they've had enough of Lincoln living and they decided to kill him in cold blood, along with Leni, Luna, Lana, Lucy, Lily, Laney, and Mr. and Mrs. Loud. But, I wasn't going to let those five mean sisters get away with this, so I slugged Lori, and I threw her towards Lynn, Lola, Lisa, and Luan, and they weren't able to get Lori off of her, because I eventually dogpiled on them and pulverized them, and then, Lincoln and I tied them up, and dragged them back to The Loud House. We found the evidence of their plan in Lola's diary, and when I showed it to Mr. and Mrs. Loud, they were horrified and furious, along with Leni, Luna, Lana, Lucy, Lily, and Laney. So, as punishment, Lori, Lynn, Lola, Lisa, and Luan were grounded for fifteen weeks, and they were sent to Aunt Ruth's until their punishment was up.

Joan Delenney: I should've known there's no mistaking that voice from anywhere. You just don't even know when to quit, do you, Jack?

A figure came out, and it's none other than Joan's deranged and psychotic ex-brother, Jack Delenney, and we saw that on the bloodstains on his prison clothes, he did indeed kill before he broke out to get revenge.

Lincoln: Jack Delenney, you just won't quit, will you?

Jack Delenney: NEVER! I WILL NEVER STOP UNTIL I KILL YOU AND MY FORMER SISTER, AND ALL OF YOU BEFORE I DESTROY THE ENTIRE WORLD! (LAUGHING DERANGEDLY)

Nico: My God, he's now gone completely deranged.

Me: His desire for revenge on Lincoln and Joan has completely destroyed his mind, and now, he's a lot worse than Crocker.

Joan Delenney: And I've had it up to hear with you to last an eternity.

Suddenly, Joan Delenney's blue eyes turned neon blue, and she was surrounded by a purple energy aura with light and angels, she unholstered her massive St. Joan-themed sword from her back, along with St. Joan's sword, and as she approached Jack Delenney, she left purple energy, light, and angels with every step.

Joan Delenney: Jack Delenney, as if it wasn't bad enough that you tried to frame Lincoln and get him sent to prison, but to break out of prison and now, you want to kill us both. I was right to disown you, you were nothing but a monster from the very beginning, and now, I'm ending this here and now!

Suddenly, Joan Delenney was surrounded by a massive vortex of purple energy with lights and angels surrounding it, along with lights shining down from Heaven and the choir of angels singing, there was St. Joan flying around the vortex, and in the vortex is a blonde phoenix. Then, as the vortex faded, Joan Delenney emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Joan Delenney grew to 6'5" in height, she had the body of a goddess, she has purple highlights in the bangs of her long flowing blonde hair, she has neon blue eyes and a purple energy aura with lights, crosses, and angels surrounding her, she has St. Joan holding the Light Kanji and the cross in her hands emblazoned on her forehead, she has on angel earrings with blue gems for eyes and the Light Kanji in its hands and her merged Thunderbird Necklace of Eternal Love with purple crystal links from her merged Crystal Necklace of The Buddha and blue gems on the gold thunderbolt chain links and a Thunderbird and an angel with blue gems for eyes and the Light Kanji in the claws and hands for the pendant, she has on a closed short-sleeved purple blouse, sleeveless purple top with blonde phoenix on it, purple skirt, purple pants, purple high-heeled sneakers, and a long purple sleeveless trenchcoat with angels and crosses on the coattails and on the back is St. Joan surrounded by a circle of crosses and Joan of Arc, and Joan Delenney has on her Ring of The Phoenix on her left ring finger with purple gemstone on the ring and Star Sapphire Corps Ring on her right ring finger. Suddenly, Joan Delenney felt a sharp pain on her back, and then, massive blonde angel wings with purple tips on the large blonde feathers sprouted out from her back.

Joan Delenney's massive St. Joan-themed sword and St. Joan's sword began merging together, and the blades were surrounded by a kaleidoscope of purple energy, light, and angels, and when the new sword emerged, it was transformed into St. Joan's Archangel Sword of Heavenly Justice, it's a new large sword with St. Joan etched on the 6'10" massive, wide, double-edged white blade, two angel heads with blue gems for eyes for the crossguard, large purple gem embedded in the rainguard, longer black handle, and four large porcelain angel heads with blue gems for eyes and a rose red gem on the bottom of the angel heads for the pommel, Joan Delenney has on her new gold Bracelets of The Champions of The Universe with purple gems on her wrists and her new Belt of Elemental Bravery with a gold angel with purple gems for eyes and a large purple gem and golden cross in its hands for the belt buckle, large purple Spellbook of The Gods and The Universe and large purple Spellbook of the Elemental Gods on her left hip on her waist and Eater of Sins revolver holstered on her right hip. There's a blonde kanji below St. Joan and Joan of Arc that said, "Joan Delenney, Gene-Slammer of the Duel Monster, St. Joan, Reincarnation and Descendant of Joan of Arc of the Fifteenth Century, Guardian Angel and Loving Future Wife of Lincoln Loud, Thrasher of Bullies, Destroyer of Jack Delenney, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Light, Swords, and Angels."

ジョアン・デレニー、デュエル・モンスターのジーン・スラマー、セント・ジョアン、15世紀のジャンヌ・ダルクの生まれ変わりと子孫、守護天使とリンカーン・ラウドの愛する未来の妻、いじめっ子のスラッシャー、ジャック・デレニーの破壊者、悪の殺し屋、混乱した、殺人的で、冷酷で、サディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして光、剣、天使のマスター

Joan Delenney has transformed into SUPER ANGEL INFINITY FRENCH KNIGHT HEAVENLY ANGEL OF HEAVENLY JUSTICE AND HEAVENLY LOVE!

We were amazed by Joan Delenney's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Jack Delenney saw it, he fell into an even more insane and homicidal rage, and tried to kill her with a knife, but Joan Delenney fired a powerful purple and blonde energy blast with angels and lights, and it hits her deranged and psychotic ex-brother, and it sent him flying into a wall.

Nico: Whoa, Joan's transformed, and she really does look like a True Angel of Heaven. That devil of her ex-brother doesn't stand a chance against her, and he's also in more trouble now that Lincoln's about to join her.

Lincoln: That's right, and Joan, you look beautiful. How do you feel?

Joan Delenney: (Divine Echoing Cosmic Voice of The Heavenly Angel and Divine Love) **I feel incredible, Linky. Now, shall we administer Jack's punishment?**

Lincoln: (Smirks) With pleasure.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Joan Delenney.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Remember these words well, Jack, they'll be the last things you'll ever hear.**

Lincoln and Joan Delenney: **We are Judgement and Heaven is Nigh!**

Lincoln and Joan Delenney went after Jack Delenney, and they fire powerful blasts of rainbow energy, purple energy, lights, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, and Angels at Jack Delenney, and they exploded with incredible power as they hit him, and then, they attacked him with their massive swords and left very painful scars that he can't ever heal from. Then, they landed one powerful punch, and knocked him down, and Lincoln tied him up with a rainbow energy straitjacket with rainbow energy chains, so he can't escape, and Lincoln gave Jack Delenney the Heaven's Judgement curse, which left an inverted pentagram on his forehead, but in a year's time, the inverted pentagram on his forehead will glow, and the demons will drag him to Hell forever, and Lincoln beamed the psychopath to the Saturn Insane Asylum's Maximum Solitary Confinement, and chained to the wall of his separate cell with Neutronium Chains and rainbow energy chains.

We cheered wildly as Lincoln and Joan Delenney holster their massive swords on their backs and power down, and Joan Delenney's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Joan Delenney: That's it for that monster I formerly call my brother. Thank you for helping me with taking him down, Linky.

Lincoln: (Smiles Warmly) You're welcome, Joan.

Suddenly, Joan Delenney wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Joan Delenney's face, they kissed passionately as Joan Delenney wrapped her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, Angel, and St. Joan flying in the air, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, along with lights shining down from Heaven and the choir of angels singing, and we cheered for them.

Nico: That was truly an epic battle between Heaven and Hell.

Me: But, in the end, Joan Delenney and Lincoln won, and Jack Delenney got the Heaven's Judgement Curse, which'll kill him in a year's time.

Lincoln: That's right, but if anyone harms him, namely the inmates and/or us, the curse will speed up and it'll claim his life.

We saw that there's a timer on Jack Delenney, and if it reaches zero, the curse will claim his life, and he'll be sent to Hell for an eternity of torment.

Nico: Whoa, so if he dares to break out and we get into a serious fight with him, the curse will speed up and when the timer reaches zero, it's Game Over for Jack Delenney.

Lincoln: And what'll await him is Eternal Damnation for his crimes.

TLPS Mr. Wolf: He'll try anything to get revenge again, even if it means breaking out of prison again, but with the curse on him, the shadow of death will already be haunting him.

Nico: And I can't wait for him to get what he truly deserves. Try to frame Lincoln and send him to prison, will he? He truly is like The Devil.

Joan Delenney: He betrayed my family, and all for his selfish desires of revenge and hatred, he truly is a monster who doesn't deserve to live a second longer.

Me: Yeah. I'm sorry Joan. What he did shows how pure evil he is.

Nico: Yeah. He deserves to be locked up.

Eli: But we have to get ready for tomorrow.

Qin: That's right. The battle with Abraham Kane is coming.

Me: It sure is. Look out Kane, (Eyes Glow Red) You better be ready for us because you and I, we have a score to settle for good!

Nico: That is for sure!

Hayley Tomlinson: (To the viewers) Farms are very crucial to the economy of a city and its people and give food and love to the people we give it to.

Nico: That is right. Great job today everyone. Lets get ready for tomorrow. We have a big day.

We went back home and got ready for tomorrow with a good night sleep.

Meanwhile in Detroit Deluxe in Motorcity, Mike Chilton and his friends are all getting ready for the day of reckoning when they bring down Abraham Kane for good.

Mike Chilton: Tomorrow is the big day guys.

Chuck: It sure is. And we're going to be ready for him.

Mike Chilton: That is for sure! Team Loud Phoenix Storm is gonna be ready for him like we are. LETS ROLL!

They got into their cars and zoomed off and the screen turned into fire!

Another awesome fanfiction done!

This was a great chapter. I never played the game Stardew Valley before and it looked really awesome. It was Omegahatchiyak12 that gave me the idea for this chapter and it was really awesome. Thanks man. Also the first 1st part was for the iconic Dennis the Menace and that was one of my favorite movies from my childhood. It was the movie from 1993 that was my favorite. Walter Matthau was George Wilson in that one and he was great. Dennis the Menace was also the mascot for the Dairy Queen restaurants. Awesome back then. But Dennis is not a menace in my opinion. He's just a kid and you're only a kid once. The second part was for the 2005 movie Corpse Bride and that was a strange one. I never watched that one but it's for an upcoming chapter we are doing in the future. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. Nico's next rescue is gonna be a really awesome and cool one as Nico, Ed Grant, Hulk, Applejack and Friends, Aylene Carter, Littlefoot and his friends, me, Eli, Camie, Ibara, Himiko Toga, Sirius, Laney, Lincoln and Lola will go to Canterlot Mall in Equestria Girls for this one and we're going to face Juniper Montage when she is under the influence of that mirror and save her from herself. And we're going to free the human versions of the Equestria Girls from the mirror too. We're also going to meet an Evolved Vaxasaurian Gene-Slammer named Meridith McHenrickson and we're going to save Juniper Montage from herself. But her upcoming usual battle is gonna wait until the 15th because I have something awesome planned for that one. Lincoln's rescue is gonna take place in the world of Jetman, the Sentai Series from 1991 and we're going to destroy the Dimensional War Party Vyram. We're also going to meet a gene-slammer for Latinum, Exarch of Dark World named Laniya Guillermo and she is one of Lincoln's awesome goth friends from Lucy's class and the next member of the Dark World Goth Gene-Slammers. Lincoln is going to face Layla, Selene Slytherin's evil queen bee sister and use a new curse on her as a test of it. Also for my next experimental rescue we're going into the world of Best Fiends Forever and we're going to destroy the Slugs and meet the fiends and evolve them to the max. We're also going to meet another one of Lincoln's guardian angels named Bella Huffington. From Australia, Bella is one of Lincoln's Guardian Angels and is the gene-slammer of Rainbow Snake Eingana. She also has gotten Lynn in trouble more times than anyone can even count when she was going to hurt Lincoln. Also as you all have seen, tomorrow is gonna be another awesome chapter as we go to Motorcity under Detroit Deluxe and we're going to bring down Abraham Kane and send him to jail for his crimes. Qin Chen will transform in phase 1 against him and I'll need the transformation sequence for that one please as well as the one for part 2. So guest we'll have to do the transformation for Fyora the Faerie Queen against Groundskeeper Willie on the 15th. Watch out Kane, we're coming for you!

See you all tomorrow!

Nico: Okay.

I went and got my track clothes on and went to the elevator and headed out.

I went into the city and I was sweating up a storm.

Me: (Panting) Yeah! Feel the burn!

Man: Morning J.D.!

Me: Morning sir!

Then I saw a figure up ahead and then he dropped something unknowingly.

Me: Huh?

I stopped in front of the object.

He was too far away for me to find him.

I picked it up and it was a jewelry box and I opened it and inside it was a gorgeous and magnificent Tanzanite and Diamond ring and it was in 18K White Gold and had diamonds and jewels around the ring band.

Me: (Whistles) That is gorgeous. This ring must be worth a fortune! I better turn this over to the police.

I went over to the police station and I went in.

Sheila Loud: Oh hey J.D.

Me: Morning Sheila.

Sheila: Out for a morning jog?

Me: Yep and before Qin's big mission today. I found this on my jog.

I showed her the ring. And she gasped in shock!

Sheila: (GASP) The stolen Kilimanjaro Tanzanite Ring!

Me: Whoa! That is a really amazing ring!

Sheila: How did you find it?

Me: I saw someone drop it. I didn't get his face. He was wearing a dark blue overcoat, blue pants, black shoes and a green fedora hat.

Sheila: Wow! This ring was stole last week. You saved us the trouble of finding it.

Me: Wow!

I later came back and told everyone what happened and they were amazed.

Later we were getting ready and Nico, Ed Grant, Hulk, Applejack and Friends, Aylene Carter, Littlefoot and his friends, me, Eli, Camie, Ibara, Himiko Toga, Sirius, Laney, Lincoln and Lola were getting ready for an awesome rescue.

Nico: Thanks for coming with me, Ed.

Ed Grant: No problem Nico. This will be awesome.

Me: It sure will. And the scans show that it's over in the Canterlot Mall.

Applejack: I have a feeling something is going on there.

Me: Well lets get moving.

I formed my scythe and cut open a portal and we went through it and we were in the Canterlot Mall.

Sunset Shimmer: Always fun to come to the mall.

Aylene Carter: This is a really cool mall.

Nico: It sure is and Leni would love coming here.

Lincoln: I was just about to point that out.

Himiko Toga: Very nice place.

Me: It sure is.

Lincoln: So this is the mall you and the girls came to many times Sunset?

Sunset Shimmer: It sure is Lincoln.

Starlight Glimmer: I will never forget coming here on my trip to the human world. It was so awesome coming here.

Me: Really Starlight you were here before?

Starlight Glimmer: I sure was and I was experiencing what it was like to be a human and it was awesome.

Eli: That's really cool Starlight.

Sirius: It sure is.

Twilight Sparkle: It took a while for her to adjust but it was cool for her.

Me: Neat.

Nico: Ed, there's a good chance you and your team will get to play a big part in today's special mission.

Ed Grant: I have a feeling you're right Nico. This will be fun.

Hulk: Hulk excited to take down Puny Kane.

Me: Me too Hulk. And Qin is gonna smash his bearded bald-headed face in too.

Nico: (Laughs) That will be awesome.

Ed Grant: I'm excited for this too.

Nico: And are you proud of Nanette for how she did in the last special mission?

Ed Grant: You bet I am Nico. She did super well against All For One.

Me: We all did Ed. That was one of the most epic missions we've ever had.

Aylene Carter: It sure was.

Littlefoot: We thought it was so cool battling All For One like that.

Cera: I loved it myself too.

Himiko Toga: We all did. Now the world is a much safer and better place without monsters like All For One ruining it.

Sirius: That is for sure Himiko. Before Team Loud Phoenix Storm came and helped out you were a bad guy that was a bloodsucking monster. Now the Hernandez Sisters saved you from yourself and all that.

Me: And we found out some amazing and incredible things too about you all too. That is awesome.

Camie: It sure is.

Nico: I hope you two get married someday.

Ed Grant: Me too Nico. That is gonna be awesome.

Me: It sure will be. But we have a long way to go before that happened.

Nico: We got all the time in the world.

Me: I just am amazed for Joan Dellaney.

Lincoln: Me too J.D. She transformed and dealt with her deranged brother.

Me: I just can't believe he is that evil! He is more than just insane, he is pure evil incarnate.

Nico: I know. But he got what he deserved.

Laney: He sure did.

We looked around and we saw that it was normal in the mall.

Nico: Hmm. It's normal here for some reason.

Me: Oh yeah? Then WHO IS THAT!?

We saw a huge and tall woman! It was an evil monster version of JUNIPER MONTAGE!

---

Juniper Montage is the main antagonist in the Equestria Girls half-hour specials Movie Magic and Mirror Magic.

She was voiced by Ali Liebert.

Juniper first appears in the second special Movie Magic meeting Twilight Sparkle and Rainbow Dash on the set of the new Daring Do movie. She introduces herself as the niece of the film's director Canter Zoom as well as his personal gofer, often tasked with getting him coffee and preparing film shoots. She is also the keeper of the keys to every area in the movie studio. Being a big fan of the Daring Do series, Juniper wanted her uncle to cast her as Daring in the movie, but he passed her over in favor of star actress Chestnut Magnifico.

When a number of mishaps occur around the studio, such as the sabotage of a volcano set and the theft of several important movie props, Juniper is revealed to be the culprit responsible. She admits that she did these out of bitterness over not being cast as Daring Do and her resentment toward Chestnut Magnifico. While she is forgiven by her uncle, Juniper gets banned from the studio. As she is escorted off the set by studio security, she looks back at Twilight and her friends with malice.

My Little Pony Equestria Girls: Mirror Magic

Sometime after the events of Movie Magic, Juniper has a job at the Canterlot Mall as a movie theater usher. Though her uncle got her the job out of pity, she is very unsatisfied with the menial position and resentful & jealous towards the Mane Seven for ruining her chances of becoming famous. While trying on sunglasses at a mall kiosk, Juniper looks in a hand mirror enchanted with Equestrian magic and sees her idealized self as a famous movie star. She becomes obsessed with this mirror to the point of vanity.

While cleaning up popcorn, Juniper discovers that the mirror can trap things inside it. When the Mane Seven appear before her, she vents her frustrations at them for ruining her life and imprisons them within the mirror. Later on, when confronted by Sunset Shimmer, Juniper imprisons her as well. With the girls trapped together in limbo, the power of their geodes activates more of the mirror's magic and transforms Juniper into a giant, monstrous version of her fantasy self.

Once transformed, Juniper becomes so lost in the fantasy that she believes the people she's terrorizing are adoring fans and paparazzi. Starlight Glimmer attempts to reason with Juniper, but she refuses to listen. When Starlight offers Juniper friendship instead of fame, Juniper undoes all the magic that the mirror created, freeing the Mane Seven from their prison and turning herself back to normal. Juniper apologizes to the girls for her actions, and they forgive and accept her as their new friend.

Me: WHOA MAN!

Nico: She is huge!

Monster Juniper was blowing kisses and everyone was running away!

Me: WHOA!

Ed Grant: Hulk, D Smash!

HE SUMMONED DISK WARS HULK!

Nico: WHOA! How did this version of Juniper Montage get so tall?

Starlight Glimmer: It's because of that mirror in her hands!

I recognized that mirror from somewhere!

Me: Whoa!

I pulled out a book from my book bag and scrolled through the pages.

Eli: What's that book J.D.?

Me: It's a book about Ancient Magical Equestrian Artifacts.

I found the mirror in it!

Me: Here it is! The Wish-Desire Mirror! It has the power to make wishes come true and it also has the power to imprison those that embody the Elements of Harmony in it so that the user can become what they most desire!

We gasped!

Nico: Oh man!

Eli: Whoa! I sense this worlds versions of Twilight and her friends in that mirror!

Evil Juniper Montage: Hold it, Team Loud Phoenix Storm! One more step and I drop the mirror. It'll shatter. And then, Sunset and her friends will be lost forever!

Nico: Juniper, let's talk about this, okay? No one else has to get hurt.

Me: I don't have to take another step to stop you.

Starlight Glimmer then teleported and grabbed the mirror and like she did before she kicked it out of her hands and caught it!

Nico: Way to go Starlight!

Me: Hold on girls!

I swung my scythe and cut open a portal into the dimension of the mirror.

Evil Juniper Montage: NO!

Me: Girls come with us if you want to live!

They came to me and they came out of the dimension.

Human Twilight Sparkle: Thanks guys! You saved us!

Human Applejack: Yeah we owe you.

Me: You're welcome!

Evil Juniper Montage reverted back.

Evil Juniper Montage: No!

?: YES!

An Evolved Vaxasaurian appeared!

Evolved Vaxasaurian: (In a girls voice) (Scottish Accent) Now you will learn some respect for the ways of magic lassie.

Nico: Meridith McHenrickson! I knew it!

Evolved Vaxasaurian: Been many moons since we saw each other Nico! We'll catch up later now.

Disk Wars Hulk: Hey, Meredith. Let's punch Juniper at the same time!

Evolved Vaxasaurian: Just as long as we don't smash her head off now.

Meridith reverted back and she was a girl with aqua blue hair and aqua blue clothes and then Disk Wars Hulk and Meridith punched her in the face!

KRAPOW!

They sent her flying into a vending machine and soda cans hit her all over and knocked her down. But then we saw her disintegrate into darkness and we saw that it was residual remnants of Grogar's essence! It disintegrated into nothing because Grogar was in oblivion!

Nico: WHOA! So that version of Juniper was remnants of Grogar!

Camie: That is awful! And I heard a lot about Grogar.

Twilight Sparkle: He was called the Devil of Equestria.

Eli: He was a goat that was beyond pure evil.

Laney: He was what we called the Ultimate Personification of Pure Evil for Equestria.

Lola: Yeah.

Meridith McHenrickson: But at least this version of Juniper will never hurt anyone again now.

Nico: Thank goodness for that. But it's awesome to see you Meridith.

Meridith McHenrickson: You too Nico. Its been many moons. You sure have grown fast.

Nico: Yeah I sure have.

Me: Yeah.

Nico: Not gonna lie. That was an epic moment!

Me: Boy it sure was! We heard so much about you Meridith. Were you really born with Superhuman Strength?

Meridith McHenrickson: Aye it sure is. I was born with the strength of 50,000 men at birth.

Eli: WHOA! That is powerful!

Applejack: Hoowee! That is amazingly strong!

Lincoln: Like a female version of Hercules!

Meridith McHenrickson: It sure is laddies. That what they called me back then.

Nico: It's true. Also me and Meridith were very powerful powerhouses back then when we showed how we thrash bullies and bad guys.

Sirius: Wow! That is amazing!

Ed Grant: What's your favorite memory of Nico?

Meridith McHenrickson: I have many of them now. But my favorite would have to be where me and Nico went to the beach and we went to a muscle beach competition and I lifted a huge boulder out of the ground and threw it and it landed onto a drug dealers hideout and destroyed it.

Me: WHOA! That is powerful!

Eli: That is awesome!

Laney: I hope you don't crush Nico when you hug him.

Me: Yeah the last thing we want is for Nico to get a badly crushed back.

Meridith McHenrickson: (Laughs) Don't worry now. I'm now in full control of my strength.

Nico: Well that's a relief.

Nico and Meridith hugged.

Nico: I really missed you.

Meridith McHenrickson: Aye me too Nico.

Nico: And you are gonna love being with Lincoln and his family.

Lincoln: We found out that during the battle with Team Dark Phoenix Storm that we are descended from Scottish Royalty.

Laney: Our ancestors were the king and queen of Loch Loud.

Lola: It was amazing.

Me: That was a really awesome discovery. The resemblance with the Loud's and the Loud Family of the 17th Century was completely uncanny.

Camie: Wow! That is amazing!

Sirius: I had no idea that the Loud family all came from royalty.

Nico: It was a big discovery for all of us back then.

Twilight Sparkle: It sure was.

Nico: Yep. As long as we're here we might as well get some shopping done.

Me: Good idea.

Lincoln: Wow, we're here in the world of Jetman, and I know what we're going to do here, not only am I going to rescue the thirteen girls there, but we're also going to destroy the Dimensional War Party Vyram, and we also got word that Layla, Selene Slytherin's evil queen bee ex-sister is coming after us to kill Selene Slytherin as revenge for getting her expelled, but, I'm going to face her and put my newly created curse on her.

Nico: That's right, big guy. This is going to be so awesome, we're going to meet the Jetman team and destroy the Dimensional War Party Vyram.

Me: Not to mention, deal with that evil queen bee ex-sister of Selene's, Layla.

Selene Slytherin: That bitch just doesn't know when to give up, just like Nor. I'm glad that I severed my ties with her for good, and she got expelled. If she thinks she can come back to try and kill me, she's so wrong.

Lincoln: And I'm going to make sure she never comes after you again, Selene. And thanks for joining us, Hulk.

Hulk: Hulk glad to join your rescue, Lincoln.

Nico: And I know you can't wait to smash the Dimensional War Party Vyram, Hulk, and I think we're about to do just that in 3… 2… 1.

?: HELP!

Suddenly, Lincoln heard the sound of thirteen girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his

Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the thirteen girls, but they've been cornered by the Dimensional War Party Vyram, and they're going to kill them, and Lincoln also sensed another energy signal that's fast approaching: it was Selene Slytherin's evil queen bee sister, Layla, and she was pissed big time.

Lincoln: Guys, I found the thirteen girls, but they've been cornered by the Dimensional War Party Vyram, and they're going to kill them, and I also sensed another energy signal fast approaching: it's Selene Slytherin's evil queen bee sister, Layla, and she's pissed big time.

?: Let's destroy those monsters and stop that evil queen bee!

Suddenly, we saw Latinum, Exarch of Dark World appear before us.

Lincoln: That voice, I knew it was you, Laniya Guillermo, but we'll have to talk later. Right now, we got a group of monsters to destroy.

?: Mind if we also join in?

Suddenly, we saw the Jetmen team, Ryu Tendo, Gai Yuki, Raita Ooishi, Kaori Rokumeikan, Ako Hayasaka, and Jeffrey Kensaki.

Lincoln: Alright, the Jetmen team has arrived. Now, then, let's get going.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces at the Dimensional War Party Vyram, and that allowed the thirteen girls to get away. But, when the Dimensional War Party Vyram saw us, they were enraged.

Lincoln: Sorry, but your days of trying to take over the world are over.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr.

Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sima Yi, Sun Quan, Jia Chong, and Jiang Wei got out their weapons, The Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Hulk, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at the Dimensional War Party Vyram, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, steel orbs, throwing axes, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit them.

Then, Lincoln fired powerful rainbow energy blasts, and they hit the Dimensional War Party Vyram, and destroyed all of them for good. We cheered as we holster our weapons and power down.

Lincoln: That's it for the Dimensional War Party Vyram, but we're not done yet, we still got to deal with Selene Slytherin's evil queen bee sister, Layla.

Nico: I hope you have something pretty awesome planned for how you're going to curse her, big guy.

?: (Enraged Screaming) SELENE SLYTHERIN!

We heard a loud chalkboard screech, and we saw something coming: it was none other than Selene Slytherin's evil queen bee sister, Layla, her long blonde hair's now a mess and her eyes are now red with overflowing hatred and rage towards Selene Slytherin.

Lori: Layla, I literally knew there's no mistaking that chalkboard screech coming from her.

Lincoln: I got her, Lori.

Lincoln rushed over and punched Layla hard in the face, and sent her flying to a wall. When Layla got up, she was beyond pissed off when she saw us, but even more when she saw Selene Slytherin.

Selene Slytherin: You just don't even know when to quit, do you, Layla?

Layla: Why don't learn to shut up, bitch?! You have ruined everything for me!

Lincoln: You did that to yourself, Layla, you and Nor are both nothing more than queen bee monsters who think that they're better than everyone. But, you're not: you're a monster who gets your kicks in tormenting your own sisters and even worse, attacking your own mother and turning your backs on your own flesh and blood. If it were up to Jackie, you'd be on your way to a strict school where you'd be put under a strict reformation, but no, I have a special punishment for you: just like Nor, you're going to be cursed for all eternity, and I've got just the curse for a queen bee like you.

Suddenly, Lincoln was surrounded by gold energy, and we knew what it meant: he's going to use his new curse on Layla.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Layla. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song, then, Lincoln fired powerful blasts of gold energy from his massive deep sapphire blue angel wings, and as they hit Layla, she screamed in horror as she was turned into a golden statue.

Nico: Holy crap!

Me: Dang, that's really incredible.

Lincoln: That's my new curse: the King Midas' Golden Touch Curse, I can use this, along with my curses I made for my Elemental HERO forms in my normal form as well. This curse is effective on Queen Bee Mean Girls, and Layla was perfect for this curse. Here's what this curse does.

Lincoln updated the list of curses he came up with and included his new curse, King Midas' Golden Touch Curse - Lincoln fires massive blasts of rainbow energy and gold energy from his massive deep sapphire blue angel wings, and as they hit the Queen Bee Mean Girls, they'll suddenly be turned into solid gold statues for all eternity, and nothing will ever free them.

Lola: Wow, that's incredible, Linky.

Lincoln: Thanks, Lola, I heard about the tale of King Midas' Golden Touch, and I decided to use that for inspiration for my new curse.

Luna: But, that wasn't the only inspiration, dude, you also remembered Lola's Golden Fireball attack she used years ago?

Lincoln: Yep, and this curse, like I said, is perfect for Queen Bees. Since they think of themselves as above everyone else, this curse will see to it that they never continue to cause trouble for anyone ever again. Now, to send Layla away.

Lincoln beamed her to The Naiad Prison for Xenophobic Egotists, and he put her in a separate cell in Solitary Confinement, and it'll be where she'll spend the rest of her life there, and she'll never be free ever again.

Lincoln: That's it for the Dimensional War Party Vyram and Layla. (To Laniya Guillermo) And it's so good to see you again, Laniya.

Laniya Guillermo: You too, Lincoln, it's been a long time. And it's also good to see you again, Nicholette, Giselle, Scarlet, Silvia, Renee, Helena, Elizabeth, Selene, Zennia, and Jackie.

Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, and Jackie Wren: You too, Laniya.

Lincoln went up to Laniya Guillermo and they hugged, and Laniya Guillermo's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she's also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you when you were seventeen, and as you can see, I really grew a lot since then.

Laniya Guillermo: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Laniya Guillermo, she's the eleventh Dark World Goth Girl, she's also known as a really powerful master of dark magic and is one of the most smartest out of all the Dark World Goths, and what made her one of my many Guardian Angels, she defended me from Lisa at her worst.

Laniya Guillermo: And I've seen just how bad Lisa is before she had her Dark Side removed for good, and I've defended Lincoln from that cold-hearted so-called prodigy many times. And there's no need for you to get me back to normal, Lincoln.

Laniya Guillermo reverted back to normal, and she's a beautiful 17-

year-old girl with long flowing dark purple, pink eyes, she's tall at 6'5" in height, she had the body of a goddess, and she was dressed in a purple sleeveless vest, sleeveless purple midriff top, purple plaid skirt, purple pants, purple sneakers, and a long purple sleeveless trenchcoat with darkness on the coattails, and Latinum, Exarch of Dark World on the back.

Lincoln: Wow, I love your outfit, Laniya, and I also got you a little something.

Lincoln gave Laniya Guillermo a large Latinum-themed sword with Latinum, Exarch of Dark World etched on the 6'10" massive, wide, double-edged purple blade, large purple angel wings for the crossguard, large purple gem embedded in the rainguard, longer black handle, and large purple gem with black angel wings surrounding it for the pommel.

Laniya Guillermo: Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Laniya Guillermo's with purple gems on the gold lightning bolts links and purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Laniya Guillermo: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Laniya.

Laniya Guillermo had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Laniya Guillermo on her lips, and she returned it, and we cheered for them. Then, we went up to the eleven girls, and when Lincoln saw them, he immediately recognized them. The thirteen girls are Aida Man A.K.A Cure Heart, Hishikawa Rikka A.K.A Cure Diamond, Yotsuba Alice A.K.A Cure Rosetta, Kenzaki Makoto A.K.A Cure Sword, and

Madoka Aguri A.K.A Cure Ace from Doki Doki! Pretty Cure, Hanasaki Tsubomi A.K.A. Cure Blossom, Kurumi Erika A.K.A. Cure Marine, Myoudouin Itsuki A.K.A. Cure Sunshine, and Tsukikage Yuri A.K.A. Lincoln: Oh wow, it's Aida Man A.K.A Cure Heart, Hishikawa Rikka A.K.A Cure Diamond, Yotsuba Alice A.K.A Cure Rosetta, Kenzaki Makoto A.K.A Cure Sword, Madoka Aguri A.K.A Cure Ace, Hanasaki Tsubomi A.K.A. Me: From Doki Doki! Pretty Cure, Heartcatch Pretty Cure, and Fresh Pretty Cure, awesome.

Lincoln: Are you girls okay?

Aida Man: Yes, we're okay, thanks to you for saving us.

Then, when Aida Man and the other twelve girls saw who it was that saved them from the Dimensional War Party Vyram and the vengeance-crazed evil Queen Bee Layla, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Aida Man: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made twelve clones of himself, and he and the twelve clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Aida Man: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, thirteen Thunderbird Necklaces of Eternal Love appeared on the necks of Aida Man A.K.A Cure Heart, Hishikawa Rikka A.K.A Cure Diamond, Yotsuba Alice A.K.A Cure Rosetta, Kenzaki Makoto A.K.A Cure Sword, Madoka Aguri A.K.A Cure Ace, Hanasaki Tsubomi A.K.A. Cure Blossom, Kurumi Erika A.K.A. Cure Marine, Myoudouin Itsuki A.K.A. Cure Sunshine, Tsukikage Yuri A.K.A. Cure Moonlight, Momozono Love A.K.A. Cure Peach, Aono Miki A.K.A. Cure Berry, Yamabuki Inori A.K.A. Cure Pine, and Higashi Setsuna A.K.A. Cure Passion with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone of the rescue, and they were shocked when they found out the villains we went after were the Dimensional War Party Vyram and Selene Slytherin's evil Queen Bee ex-sister, Layla, who was out for revenge.

But, when Lincoln showed what we did to them, along with us meeting the Jetman team, and Lincoln cursing Layla with the King Midas' Golden Touch curse, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Laniya Guillermo have a lot of catching up to do, now that she's back.

---

After Lincoln's rescue, Me, Lincoln, Nico, and Eli are heading to the world of Best Fiends Forever, and not only am I going to rescue the nine girls there, but we're going to destroy the Slugs and meet the fiends and evolve them to the max, and we also got word that another of Lincoln's Guardian Angels is here as well.

Me: Wow, we're here in the world of Best Fiends Forever, and I know what we're going to do here, not only am I going to rescue the nine girls there, but we're also going to destroy the Slugs and meet the fiends and evolve them to the max, and we also got word that another of Lincoln's Guardian Angels is here as well.

Nico: You said it, J.D. This is going to be awesome.

Lincoln: And the Gene-Slammer for Rainbow Snake Eingana is here as well, and I have an idea on who it might be.

We then travelled throughout the world of Best Fiends Forever, and we were meeting the Fiends there all over the world, and we were evolving them to the max, and they were incredible.

?: HELP!

Suddenly, I heard the sound of nine girls calling for help. With my eyes and superhuman sight, along with sensing energy signals, I saw and heard exactly where the call for help was coming from. I saw the nine girls, but they've been cornered by the Slugs, and they're going to kill them.

Me: Guys, I found the nine girls, but they've been cornered by the Slugs, and they're going to kill them.

?: (Australian Accent) Those slimy rotten blighters, let's get them!

Suddenly, we saw a Rainbow Snake Eingana slither to us.

Me: Wow, a Rainbow Snake Eingana, awesome.

Lincoln: And I know that Australian accent from anywhere, I knew it was you, Bella Huffington, but we'll have to talk later. Let's take those slimy Slugs.

We rushed on over, and we fired powerful rainbow energy balls at the Slugs, and we incinerated the Slugs, and they were Super Hakaied for good. Then, Bella Huffington reverted back, and she was a beautiful 17-year-old girl with long flowing green hair, blue eyes, she's 6'5" in height, she has the body of a goddess, and she's dressed in green clothes. She's one of Lincoln's Guardian Angels from Australia, and she's gotten Lynn in trouble more time than anyone can even count when Lynn was going to hurt Lincoln. Then, Lincoln gave her a massive Rainbow Snake Eingana-themed sword, and then, a Thunderbird Necklace of Eternal Love appeared on Bella Huffington's with green gems on the gold lightning bolts links and green crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, and they share a passionate kiss and hug.

Then, I went up to the nine girls, and when I saw them, I immediately recognized them, the nine girls are Sara from Sonic the Hedgehog OVA, Topaz and Scarlet Garcia from Sonic X, Aludra, Phoena, and Juliana from Chain Chronicle, Ysolda, Mjoll the Lioness, and Lydia from Skyrim.

Me: Oh wow, it's Sara, Topaz, Scarlet Garcia, Aludra, Phoena, Julianna, Ysolda, Mjoll the Lioness, and Lydia.

Nico: From Sonic the Hedgehog OVA, Sonic X, Chain Chronicle, and Skyrim, awesome.

Me: Are you girls okay?

Mjoll the Lioness: We're okay, thanks to you.

Then, when Mjoll the Lioness and the other eight girls saw who saved them from the Slugs, their faces turned atomic red when they saw me, the 7'5" tall, handsome, and extremely muscular hunk with abnormally massive and powerful upper and lower body muscles and eight-pack abs, long rainbow colored hair, rainbow colored eyes, and massive rainbow angel wings.

Mjoll the Lioness: Oh wow, you're J.D. Knudson of Team Loud Phoenix Storm.

Me: That's right, and it's a pleasure to meet you all.

Then, I made eight clones of myself, and me and the eight clones went up to the nine girls, and we wrapped the girls' waists around our abnormally massive and powerful muscular arms, and we leaned down to the girls' faces and we kissed the girls on their lips, and the girls returned the kiss, as they wrapped their arms around our necks, and Nico, Lincoln, and Eli cheered for us.

Mjoll the Lioness: (Seductively and rubs her right hand on my massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Phoenix Necklaces of Eternal Love appeared on the necks of Sara, Topaz, Scarlet Garcia, Aludra, Phoena, Julianna, Ysolda, Mjoll the Lioness, and Lydia with colored gems on the gold flames and crystals links from their merged Crystal Necklaces of The Buddha. We returned home and with the Fiends.

William: Whoa, what happened on your rescue, J.D.?

Me: We went to the world of Best Fiends Forever, and not only did we meet the Fiends and level them up to the max, we also rescued the nine girls located there from the Slugs, and we also met another of Lincoln's Guardian Angels, who was Gene-Slammed into Rainbow Snake Eingana.

Maria: Whoa, so not only did you rescue more girls for your harem, but you also met another one of Lincoln's Guardian Angels, and now, she's part of Lincoln's harem? That was awesome.

Lincoln: It sure is.

---

After our rescues, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Laniya Guillermo and Bella Huffington saw Lincoln working out like crazy, they had an atomic red blush on their faces.

Laniya Guillermo: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Bella Huffington: (Australian Accent) Too right.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Laniya and Bella, and now, I can also defend myself.

Laniya Guillermo: That's incredible.

Nico: It sure is, girls. So, what memories do you each have with Lincoln?

Laniya Guillermo: Let me go first, Bella. This one time, Lincoln and I were working on a school project that Lincoln has for school, and Lucy was at her meeting with the Young Mortician's Club. But, then, as we were working on the project, Lisa bust in and tried to drag Lincoln to her lab with her robots, so she can dissect him alive, but it'll also kill him. But, I wasn't going to let her, so I fired blasts of darkness and wrecked her robots, and I dragged Lisa to her parents and after telling Mr. and Mrs. Loud, she got grounded for fifteen weeks and her lab was confiscated in the process.

Nico: Nice one, Laniya.

Lori: What Lisa did proved to be going way too far, she treated us like experiments, and it's bad yes, but to try and dissect Lincoln alive and kill him, that's going way too far.

Bella Huffington: (Australian Accent) Too right. Now, it's my turn, I still remembered this one time, I was helping Lincoln with cooking something for dessert. But, then, Lynn busted in and tried to harm Lincoln, said it was for her "sparring practice", but I know the bugger was lying from the start, she just wanted to hurt, or even worse, beat Lincoln to death. I was so mad, I pounced on Lynn, and I really pulverized her, all that exercise in the Outback really did wonders for me, and I proved to be even stronger than Lynn. After I roughed up Lynn, I dragged her behind to Mr. and Mrs. Loud, and the parents grounded that walking gym bag for twelve weeks, and they isolated her from Lincoln by having her in the basement. Ever since then, I've gotten Lynn in trouble more times than anyone can even count when she was going to hurt Lincoln.

We were amazed.

Arpeggio: I must say, that's quite impressive, Bella.

Neyla: Indeed, you sure are one tough Guardian Angel.

Inspector Fox: (Spanish Accent) She definitely is, messing with the boy that she's cared for, that's crossing a serious line.

Sly Cooper: (Growls Angrily) Beating up on their own flesh and blood for some sick amusement, I'm so looking forward to ending Dark Lynn for this.

Lincoln: You better get in line, Sly, I owe her for years of pain and suffering that she put me through.

Lori: We all do, Linky, she may have gotten rough with us, but to get that rough with you to the very point of almost killing you, we'll turn her into an inside-out human sausage for what she did together, bro.

Lincoln: (Smiles) Now, that's something I'm looking forward to, Lori.

Sly Cooper: That's right, I almost forgot that Lynn not only roughed up Lincoln, but all of you as well.

We then got a shower afterwards, and then, Lincoln and his harem were going to head to Shangri-Spa for a spa day, but they're not the only ones going: me and my harem are also going to Shangri-Spa as well.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble.

I snapped my fingers, and I was dressed in large multi-colored swim trunks with a phoenix, angel, and elemental forces on it, along with my large weighted rainbow bands with silver phoenixes on my massive biceps and thighs, my jewelry, large red sandals, and eight large planets and stars orbiting around my legs, and I also had my weapons holstered, in case of trouble.

Lincoln's harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble, and my harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble.

Lincoln: Alright, everyone, are we ready?

Me: We're ready, Lincoln.

We left the World Tree Estate, and we arrived at Shangri-Spa in the world of Mario.

Me: Whoa, so this is Shangri-Spa.

Lincoln: That's right, J.D., and this is where we went to during one of my dates, and we also had a relaxing spa day on this one.

We arrived at Shangri-Spa, and immediately, we dived right into the waters at the spa, and we really enjoyed it. Plus, Lincoln and I got a deep tissue massage from the girls in our harems, and we really enjoyed it, and we both gave the girls in our harems a deep tissue massage in return. Then, as the sun was about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion, and I made clones of myself, and me and the clones went up to the girls in my harem, and we picked them up in our abnormally massive and powerful muscular arms, and as the sun turned orange, we passionately kissed and hugged with supercharged and intense passion. Then, we came back home to the Estate, and we were in our original clothes.

Nico: Hey, guys, how was your date?

Me: It was awesome, Nico, we went to Shangri-Spa in the world of Mario.

Lincoln: And we had quite the spa day there, and we also got some deep tissue massages from the girls in our harems, and that really relieved the tension in our muscles.

Girl Jordan: And the boys did the same thing for us as well, and I never knew you were that good with giving a deep tissue massage, Linky.

Varie: Same with J.D.

Me: I was wondering the same thing myself.

---

Later it was time for Hay Lin's Final Ambassador Mission.

Hay Lin: After this mission I won't be seeing the Yost World till June 29th.

Me: Yep that's when we're projecting it.

Lincoln: Can I come with you too, Hay Lin?

Hay Lin: Sure Lincoln. All the Guardians are also coming too.

Halinor: It will be awesome to go to this universe.

Me: You guys will love it.

Nico: I can't wait to kick some butt.

Eli: Me too.

We were off to the Yost Universe.

We arrived.

Me: Here we are.

We saw Yost Peter and with him was Captain George Stacy, Gwen Stacy's father.

Yost Peter: Hey, Hay Lin. I was just about to go out swinging.

Me: (to Yost George Stacy) You must be this world's George Stacy.

Yost George Stacy: That I am. It's alright. I've known that Peter's Spider Man for some time now.

Me: Wow. And you're Gwen Stacy's dad. That must've been quite a shock for you to find out that Peter and Spiderman are both one in the same.

Yost George Stacy: It was.

Me: You aren't upset about it are you?

Yost George Stacy: No and I'm okay with it.

Me: Great. Oh Peter these are Hay Lin's friends and some of our fellow team mates.

Will Vandom: Awesome to meet you. Wilhelmina Vandom. But everyone calls me Will.

Irma Lair: Irma Lair.

Taranee: Taranee Cook.

Cornelia Hale: Cornelia Hale.

Megan McCallister: I'm Megan McCallister, Cornelia's best friend.

Elyon: Elyon Brown.

Matt Olsen: Matt Olsen.

Lillian: I'm Cornelia's little sister Lillian.

Cassidy: And we are Will and her friends predecessor Guardians. I'm Cassidy.

Halinor: I'm Halinor.

Kadma: I'm Kadma.

Yan Lin: I'm Hay Lin's grandmother Yan Lin.

Nerissa: And I'm Nerissa.

Yost Peter: Awesome to meet you all.

Me: Nerissa used to be one of our most dangerous enemies. And the battle we had with her threatened to tear the entire planet apart.

Nico: It's true. That was an awesome and epic battle.

Yost Peter: Wow! Also thank goodness you're here. Venom is in this area.

Hay Lin: So, this world's Venom was spotted near Dr. Connors' old lab?

Yost Spiderman: Yep. And there's something else you need to know as well.

Hay Lin: What's that?

Yost Spiderman: (sighs) Eddie used to be my best friend.

We gasped! But then again it shouldn't be that big of a surprise.

Nico: That is interesting. This worlds version of Mr. Fantastic told us all about that and it was brutal. He really wanted to kill you.

Me: Just like the versions of Venom that we know.

Yost Peter: Wow! How many versions of Venom do you know?

Me: Well lets see. We know 3 of them actually.

Nico: Yeah. And the strange part is that in the Ultimate Alliance Universe, Eddie Brock is not Venom there. Mac Gargen is.

Eli: Yeah big switch.

We then saw Yost Venom.

Yost Venom: So you are Team Loud Phoenix Storm.

Me: That's right. Eddie Brock. Or do you prefer to be called Venom?

Yost Venom: Either one is fine. But it's an honor to meet you.

Me: Same here.

Yost Spiderman: Eddie?

Yost Venom: (sighs) Look, bro. We would love to kill you right now. But unfortunately, we don't have the time to do that.

Yost Spiderman: What are you talking about?

Yost Venom: We're spying on Dr. Miles Warren. We think he has something to do with Dr. Connors moving out of New York.

Me: Dr. Miles Warren A.K.A. The Jackal? Wow!

Nico: He was dangerous from what I heard.

Eli: Yeah. But both of your assumptions might be right. The Force is telling me that we must look into it.

Halinor: If that's the case then he will pay for his crimes.

Yost Venom: Even after Connors fired us, we still know he's a good man. So, just let us do what we came to do and we'll kill you another time, alright?

Me: Fair enough.

Nico: Not that we can die easily anyway.

Yost Spiderman: Eddie, we don't have to fight. But I just want to talk. Just 10 minutes.

Yost Venom: (sighs) Fine. 20 minutes.

Yost Spiderman: Even better.

Me: That's all we need.

Yost Venom: We heard what happened to Harry. Is he all right?

Me: He's getting better. Slow but sure. The supposed death of his father really scarred him. But when we face him on the 29th of June we're going to be in for one helluva battle here. Anyway we'll let you guys talk.

We let them talk.

Yost Peter then took off his mask.

Yost Peter: You were right back then. I should have called the cops instead of taking pictures of the Lizard. I just needed the money so bad that I didn't think of the consequences it would have on Dr. Connors.

Yost Venom: Go on.

Yost Peter: And I didn't realize that I would be hurting him in such a way. It was awful he was going through all that.

Yost Venom: That's good you realized your mistakes.

Yost Peter: But we were friends once. When our parents died, we only had each other for support. And you were there when Flash Thompson bullied me in the past.

Me: I remember hearing about that. That was sad.

Taranee: Though Hay Lin did say that he gave that up.

Nico: That's true.

Spider-Man: And the symbiote isn't the only ones who care about you. There's the Connors family, which is why you're spying on Warren. And Gwen, who's been nothing but kind to you. And then there's me. I may have had my aunt and uncle but you had no family at all. We may not be brothers by blood. But who cares? We helped each other when we needed it the most. I know you might not have any good feelings towards me right now. But no matter what stands in our way, I know nothing will truly destroy our friendship. (smiles) Right, bro?

Me: That's right. You guys have been through lots of things together. Many of them bad but you have 2 things that no one can ever take away from you all and that is love and friendship.

Nico: That's right.

Lori: No one can literally take that away from you.

Yost Eddie revealed his face.

Yost Eddie: (smiles) Bro, I accept your apology. But I can't part with the symbiote. Venom is who I am. Just like Spider Man is who you are.

Me: That's totally understandable.

Hay Lin: We're not saying that you should part with the Symbiote. But you should join the Masters of Evil. Since our Venom is in the Redemption Squad.

Yost Eddie: Why would I join Zemo's group? I'm not joining up with a Nazi.

Cassidy: There's that American spirit.

Me: This is not Baron Zemo's Masters of Evil to be most specific. It's Vypra's Masters of Evil. She formed them after we killed Thanos on December 26th, 2019.

Nico: I'm sure Harry told you about this. That was the most devastating battle we've ever had.

Me: It sure was.

Luan: And Vypra is my archenemy and she is the leader of the team.

Me: Yeah and they are awesome at giving us an amazing challenge.

Yost Eddie: Wow. I'll do it!

Me: Awesome! And I have just the archenemy for you. In a couple of hours we're meeting up with friends from my past and he would make a great archenemy for you.

We then heard an explosion and then we saw Yost Shocker and Yost Doctor Octopus!

Me: This worlds version of Doctor Octopus and Shocker!

Yost Eddie: And just after our moment is over, Shocker and Doc Ock show up to cause trouble.

Yost Peter: And no, this world's Shocker isn't Herman Schultz.

Me: Really?

Yost Peter: Yeah his real name Jackson Brice.

Me: Whoa! In our universe he goes by Montana who is one of Daredevil's enemies.

Nico: Very unusual switch here.

We went and landed in front of them.

Yost Doc Ock: Arachnid. So good that you're back to your normal self.

Me: Dr. Otto Octavius A.K.A. Dr. Octopus and Jackson Brice A.K.A. Shocker. Awesome to meet you all.

Yost Doc Ock: Team Loud Phoenix Storm! It's an honor.

Me: You know you are a lot shorter than the one that we know in our universe. He is twice your height.

Yost Doc Ock: That is true.

Yost Spiderman: You know what also would be good? If you got a pet octopus like your namesake.

Me: Now that would be cool!

Laney: It sure would.

Me: Also Jackson you being Shocker is a big switch. In our universe he's Herman Schultz.

Yost Shocker: That is true. Talk about a big switch.

Eli: Yeah. No kidding.

Yost Shocker: (to Lincoln) You Lincoln Loud?

Lincoln: (nervously) I am. Why?

Yost Shocker: (cracks knuckles) You and I gotta have a talk.

I got in front of him.

Me: You hurt him and I will make sure it's the last thing you ever do!

He fired a sound blast at me and I deflected it away!

Yost Doc Ock: (tries to strike Yost Spiderman with his tentacle) Even if Norman Osborn isn't dead, Spider Man, you still did a service by getting him out of the way for the time being.

Yost Spiderman: (dodges tentacle) Well, glad to know you're one of the people who think that.

Nico: Nice to know that you agree on that. In our universe he really is dead. He ranks as number 43 on our to 100 most hated scumbags list.

Yost Spiderman: Wow that's interesting.

Nico: Yep.

Yost Shocker: (fires sound blast at Lincoln) You think it's funny making fun of Texas?!

Lincoln: (dodges it) What are you talking about?!

I fired a blast of energy at Yost Shocker and smashed him down! He got back up.

Yost Shocker: Last year, you were telling Southern Jokes. And one of them was that Southerns were so dang stupid!

Lynn: We can't let you hurt Lincoln. But you have every right to be mad about that.

Me: First of all, How in the 9 fucking levels of hell did you know that!?

Yost Shocker: You might say that Texas tells me all.

Me: I see.

I fired waves of lightning and electrocuted him all over.

Me: Also Jackson, Lincoln learned his lesson from that day!

Yost Doc Ock: (tries grabbing Yost Spiderman with another tentacle) Arachnid, I know we aren't on the same side at the moment. But I know you are not a cold blooded murderer like the Joker. Or the late Cletus Kasady, who I had the misfortune of being with during my time at Ravencroft.

Yost Spiderman: I'm honored that you don't compare me to them.

Nico: Same here. The Joker will definitely get the Black Gates for everything he did.

Halinor: So will Kasady. Girl Jordan REALLY Wants nothing more than to see Kasady get the Black Gates for everything he did to her.

Yost Doc Ock: Whoa! She must really hate Kasady.

Nico: You have NO IDEA. Girl Jordan's life was ruined because of him and ever since then, she has hated that fucked up motherfucker ever since and wants nothing more than to kill him. She has harbored an immensely burning hatred towards him.

Yost Doc Ock: Wow!

Yost Shocker: Kid, I'm not trying to off you at the moment. Not that I ever could. But I am having this talk with you on my pride as being someone from the South.

Hay Lin: (fires gust of wind) That's actually reasonable.

Yost Shocker: (dodges gust) That being said, when those punk kids were harassing your friend Liam, your buddy J.D. had every right to threaten them like that.

Me: That's right! I did! And I like Texas too because of the food and the Texas State Fair! But also it had it's fair share of disasters as well like when that asteroid smashed into it. You heard about that?

Yost Shocker: Yeah! That was terrible! At least you tried to help people out there.

Me: And that was back in the old days.

Yost Shocker: Yeah. but anyway I'm glad you stood up for Liam J.D.

Me: Thanks Jackson.

Yost Spiderman: (dodges another tentacle) Ock, I'm glad that you don't think of me as a murderer. And as thanks, I'm considering on having you see my true face.

Yost Doc Ock: Why not let Venom over here tell us on that day?

Yost Venom: Because we have to respect that it's his secret to tell. You'll just have to be patient.

Nico: That's right! Only time will tell.

Will Vandom: Just hold on till June 29th.

Yost Shocker: (sighs) Kid, I do appreciate the work that you and your friends do for the world. And what you're doing for this world as well. But you have to understand that those kinds of jokes are very hurtful. Especially to your gal Applejack. How do you think Sandy Cheeks felt when Spongebob told those squirrel jokes?

Yost Venom: At least Liam didn't pretend to be stupid to teach Lincoln a lesson.

Me: And for the record I told Lincoln all about that and they forgave him. Also I told him to use jokes that center around the scumbags we all hate.

Yost Shocker: Now that's more like it.

They surrendered.

Yost Shocker: Alright, we give. But one small favor.

Will: What's that?

Yost Doc Ock: The two of us help you pay Dr. Warren a visit.

Yost Spiderman: The more the merrier. (to us) Did I mention that Dr. Warren in this world was involved in turning Mark Allen into Molten Man?

Me: WHOA! I heard about that. But he's not like the one that we know. The one that we know is made of pure lava. The one here looks like he is a man made of pure fire and glows like a nuclear fuel rod.

Nico: Yeah and I heard he set a whole bar on fire.

Yost Spiderman: That's right.

Me: And with our power to Absorb Fire he will be easy to take down.

Eli: Yeah and he would make a great member of the Masters of Evil.

Luan: And no it's not Baron Zemo's group it's Vypra's group.

Yost Doc Ock: Oh totally different. Okay then.

We later met Dr. Miles Warren!

Me: Dr. Miles Warren. In our universe you are known as The Jackal.

Yost Miles: The famous Team Loud Phoenix Storm. An honor.

Me: We're actually have friends who wish to talk to you.

We stepped away and he saw Doc Ock, Spiderman and Shocker!

Yost Doc Ock: Hello, Miles. We need to have a talk.

Yost Miles: What do you all want from me?!

Yost Spiderman: Like you don't know. We know that you're partly responsible for turning Mark Allen into Molten Man.

Yost Miles: And this is how you get me to confess to that? By teaming up with criminals?!

Yost Shocker: (grabs him by the throat) Look in a mirror lately?

Me: If I were you I would star praying.

Lola: (Yost Miles laughs) What's so funny?

Yost Miles: If you're looking for the remote control of Molten Man's powers, I don't have it on me. But so what if you manage to cure him despite that? I still managed to drive Connors and his family out of New York. And I'm pretty sure he doesn't plan on returning anytime soon. With that being said, I actually win in the end!

Yost Spiderman: You're about to go to jail for the rest of your life. Enjoy your so called victory! And a lot of bad prison food.

Me: Because we're going to make you eat chum in the Neptune Prison. Oh and Molten Man is joining our frenemies when we find him. Also…

I waved my handed and then the remote control appeared in my hand.

Yost Miles: WHAT!?

Me: I have the remote right here. I just used my powers to get it over to us.

Nico: Yeah.

Yost Spidey: Hay Lin, please don't laugh at me for this. But ever since I met you, I've come to see you as the little sister I've always wanted. And believe me. I don't have a lot of family besides my aunt.

Hay Lin: But I'm honored you think that.

They hugged.

Lincoln: So awesome.

Megan McCallister: That was awesome.

Laney: It sure is.

Me: And now Miles is gonna be eating chum forever.

Lana: Lucky. But wait how come when you say C-H-U-M, you don't throw up?

Me: I guess it doesn't work on me when I say it.

Laney: Good.

We came back.

May: Hey guys. How did it go?

Nico: Really well.

We told them what happened and it was amazing.

May: Whoa! What an adventure.

Laney: It sure was cool.

May: Nokama, your missions are in two days. (sees two Rabbids jumping up and down and laughs) Alright, you two can go with her and Mack as well.

Nokama: Looking forward to this.

Me: It'll be awesome. Your Ambassador Missions are for Kabuto of Kamen Rider.

Nico: This will be awesome. I can't wait to kick some worm butt. But the alien worms are mostly dead because J.D. used the Sacred Water on them.

Me: Yeah it's true.

---

Later we were walking over to Ms. Hoover's house.

Kabuto: So, we're going to see Ms. Hoover, right?

Nico: Yes we sure are and we're going to check up on her to see if she is okay.

Me: Yeah what we found out about her was awful that she is so depressed like this.

Lucy Loud: She is more depressed than I am.

Laney: I feel bad for Ms. Hoover. She should have just quit being a teacher and find a better job that gets her more money. But Springfield would let her.

Lisa Simpson: Yeah I agree there Laney.

We arrived at her house and it was a dump.

Me: This must've been the only place she could have afforded.

Mrs. Krabappel: Yeah. She is not the kind that likes big houses. HA!

We went up to the door and I knocked on it. Ms. Hoover answered.

Me: Hello Ms. Hoover.

Hotaru Tsuchigumo: Hello, Ms. Hoover. I hope it's okay if we had a talk.

Ms. Hoover: Certainly. If it's about Albedo's former teammates, I never believed them for a second.

Maria: Well, at least that's a relief.

Ms. Hoover: Heroes my ass. They were more like little kids wanting attention.

Nico: I'm glad you think that.

We went inside to talk.

Mixmaster: Now, unlike most of the revelations we've heard from Lincoln's guardian angels, this one isn't negative about you. It's got us concerned.

William: Which led us to the conclusion that you really weren't happy with your teacher position.

Me: Yeah we're not upset we're just concerned.

Ms. Hoover: Oh you're right. I hate my job as a teacher and it's not getting me enough money and the reason why I'm so depressed is because all the kids make me upset.

Lisa Simpson: But I never made you upset in any way.

Me: Oh wait.

I pulled out my check book and I wrote Ms. Hoover a check for $500,000,000.00.

Me: This will be more than enough to cover the money that Homer and his family owe you for that Christmas. (Season 10 Episode 9)

Ms. Hoover: Oh thank you J.D.!

Me: I have more than enough money. But I don't rub it in peoples faces.

Ms. Hoover: Wow.

Me: But if I may make a suggestion how about quitting your job as a teacher and working somewhere else?

G1 Jazz: For the record, Lisa never made you upset.

Ms. Hoover: I know and she is the best student I've ever had. Many people in Springfield never showed her any appreciation at all.

Meg Griffin: Just like how I was never appreciated over in Quahog.

Ms. Hoover: And I'm sorry about that Meg. You and Lisa are both the smartest girls I've ever seen and that makes you both special. Never tell yourselves anything different.

Meg Griffin: That means a lot.

Lisa Simpson: It sure does Ms. Hoover.

Ms. Hoover and Lisa hugged.

Nico: So awesome.

Ms. Hoover: And I think I have a good job in mind that I would like.

Me: What's that?

Ms. Hoover: I want to be a chef at a restaurant.

Me: Then have we got the perfect job for you.

We gave her a job at Lynn's Table.

Lynn Sr.: It's awesome that you guys want to give Ms. Hoover a shot here.

Me: Thanks Mr. Lynn. I'm sure she will be awesome working here. Besides look how happy she is in the kitchen.

We saw her making an awesome amount of awesome food.

Laney: Wow she is awesome at cooking.

Marge: She sure is.

Nico: Yep. And now it's time to get ready for our mission.

Qin: Awesome.

Agitos: Nico, which Zenkaiger gear have you completed today?

Nico: It's one based on Maskman.

Star Girl: I will use that one. It'll be awesome to use it.

Nico: Awesome Courtney. Now we can get ready to take the fight to Kane.

Me: Yep and we owe Mike big for helping us out against All For One last week.

Ikuzu: We sure do.

Camie: That was a really awesome adventure.

Sirius: It sure was.

Then Taskmaster, Mortal Kombat Scorpion, Stratos, Ice Demon, Myotismon, Gator Ghoul, Top, Dayu, Vulkanus, and Spymaster appeared.

Taskmaster: Can me, Mortal Kombat Scorpion, Stratos, Ice Demon, Myotismon, Gator Ghoul, Top, Dayu, Vulkanus, and Spymaster go with you guys?

Nico: Yes you all can. Our big mission for the 14th of April has come. Qin's special mission is today.

Dayu: Awesome! It'll be cool to see how she does against Kane. I heard from Captain Cold that J.D. has a lot of history with him.

Me: You heard right Dayu. Before I got the team together, I was a massive thorn in Kane's side for a while and me and Mike Chilton and his team are awesome friends. We owe them big time for helping out against Dabi and All For One last week.

Top: This will be awesome to meet them.

Me: And our big mission is to send Kane to prison. He and I have an old score to settle.

BINK!

A bottle hit me on my head!

Me: OW! (Sees the bottle) What the?

I found a message in it and I opened it and pulled it our and read it.

Me: "Knudson, I will not leave town and your threat means nothing to me. If you want me to leave then fight me with everything you have. I'm ready for you. Abraham Kane." Looks like he wants a fight! Then we'll give him one. His time is up anyway.

Nico: Yep.

Captain Cold then appeared.

Captain Cold: May I go with you guys too?

Qin: Sure Leonard.

Mokuba: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: Lets see. I'm hoping to meet a gene-slammer for Nanomech next.

Me: Whoa a gene-slammer for one of Nanomech's kind. That will be cool.

Elena Validus: It sure will.

Me: So it'll be Lisa Loud, Bentley, Elena Validus, Cooper Daniels, Cyborg or someone that knows all about technology or anything like that.

Nico: Yep.

Me: Awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed an energy signal, and he saw who the figure was in the vision: it was none other than Acme Acres' mad scientist, Dr. Gene Splicer, and he wants revenge on Buster Bunny and his gang for ruining his plans. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is

there someone else coming after us?

Lincoln: Afraid so, Nico, and Buster, you and your gang aren't going to like this: the energy signal I sensed belongs to Acme Acres' mad scientist, Dr. Gene Splicer, and he wants revenge on you and your gang for ruining his plans.

When the toons heard the news, they did some extreme wild takes as their eyeballs popped right out of their heads.

Buster Bunny: What?! I thought we'd seen the last of him when we stopped him long ago.

Plucky Duck: And now, he's come back for revenge.

Qin: Great, another mad scientist running loose.

Me: Just what the universe needs, another fucked up asshole running amuck.

Qin: Buster, what can you tell us about Dr. Gene Splicer?

Buster Bunny: You won't like it one bit.

Buster Bunny proceeded to tell us about Dr. Gene Splicer, and we weren't going to like it.

---

Dr. Gene Splicer

Dr. Gene Splicer is a character in Tiny Toon Adventures. He is a villainous mad scientist who is slightly overweight, has black hair, wears a white lab coat, a blue shirt, a pink necktie, brown pants and brown shoes. He was voiced by Jeff Altman.

Appearances

Splicer first appears briefly in the Season 1 premiere, "The Looney Beginning", as one of the villains who escapes from the villains' box.

Splicer would later go on to appear in the Season 1 episode "Hare-

Raising Night". Once a certified bioengineer, he is now classified as a certified loony. He was kicked out of the Acme Hospital for his animal mutation experiments, but now spends his time at his secret hideout, continuing his animal mutations. Bugs Bunny sends Buster Bunny to stop him and rescue the animals, but in order to get his friends to come along, Buster tricks them by telling them they're going to the Emmy awards. Splicer captures Plucky (who throughout the episode remains oblivious) and attempts unsuccessfully to dissect him. Meanwhile, Melvin the Monster, one of his failed creations, chases Buster and Hamton and gains a crush on Babs. Splicer finds Melvin and recaptures him. After Buster and his friends rescue the animals, Babs suggests staying behind to rescue Melvin, much to the others' disapproval. Splicer captures Buster and his friends and attempts to dip them in his gene pool to combine them into one species, with Melvin brainwashed. As he leaves to get his camera, Babs uses Melvin's crush on her to get through to Melvin and rescue her and her friends. Splicer returns and tries to get Melvin back under his control, as Babs Bunny urges Melvin to resist him and help them. Torn between his new friend and his creator, Melvin turns against Splicer and knocks him into the gene pool, turning him into a rooster.

Splicer makes a cameo appearance in the movie theater in the direct-to-video movie, How I Spent My Vacation, cheering during the scenes when Fowlmouth and Johnny Pew are kicked out of the theater.

Splicer makes a cameo appearance in the Season 3 episode, The Return of Batduck as one of the villains who is about to attack Michael Keaton as Batman when he asks the villains to give him their best shot. The director cuts the scene and sends Plucky as the stunt Batman to get beaten up by him and the other villains.

---

When Buster Bunny was done, we were shocked.

Nico: Great, just what we need, another whacko mad scientist running loose, but this one's from Acme Acres.

Me: But, all the same, he's getting thrown in prison for good, after we drive him nuts that is.

Qin: Leave that one to me, J.D. I've seen a lot of the crazy stunts that the Looney Tunes and Tiny Toons have pulled, and I really want to try them out.

Nico: Ooh, this should be good.

Bugs Bunny: I've already got the popcorn and chairs for the fight, doc. But, that'll be for after we throw that rotten good-for-nothing Abraham Kane in prison.

TLPS Mr. Wolf: Right, and we also got news: Layla's dad has been arrested. Apparently, he was the one who aided Layla with getting revenge on Selene Slytherin, along with her Mom and her twin sister, Selma. When the cops raided his house, they found weapons there, weapons meant to kill Selene Slytherin, her mom, and Selma.

We gasped in shock.

Nico: So, it wasn't just Layla who wanted revenge on Selene Slytherin.

Me: But, also her jerk of a dad, as well.

Selene Slytherin: I knew he was a jerk, but this. But, now I remembered his words, if Mom left him, she'd be not only divorced, but also dead. He just threatened to have Mom and I killed, that jerk. Just wait until I get through with him.

Sheila Loud-Castille: No need, Selene, he's been sent to The Jupiter Prison, where he'll spend the rest of his life in Solitary Confinement, and chained to the wall of his cell.

Nico: Nice one, that jerk deserved it.

Lincoln: I knew Selene's dad was a jerk, but to resort to murder, that's going too far. When we get home, I'm going to put the Nightmare Demons' Vengeance Curse on him, let's see how smug he is when he's reduced to being a cowering mess begging for mercy.

Nico: Now, you're talking, big guy.

We were off to Detroit Deluxe.

* * *

We arrived at Detroit Deluxe. We saw that it was an amazing and advanced city and it looked like something out of the distant future.

Ice Demon: Here we are.

Eli: Wow! So this is Detroit Deluxe.

Me: Yep. Looks like something out of the future.

Qin: That was my first reaction when we first saw it.

Laney: Wow! It's incredible! And it's just a short distance away from Gotham Royal York.

Camie: Not far away too.

Sirius: It's awesome seeing it. But where is the city Mike and everyone live in?

Me: It's right underneath the whole thing. Follow me.

We went into the city and went underneath Detroit Deluxe.

We were in Motorcity and it was amazing.

Me: Welcome to Motorcity everyone.

Eli: Wow! And all this is right underneath Detroit Deluxe? How awesome.

Varie: It sure is. Wow it's awesome how there are 2 cities in the same spot.

Me: Yep.

We arrived at Mike Chilton's base.

Mike Chilton: Hey guys! You all made it!

Tyrone: Hey there, Mike!

Me: Looks like we all came in time.

We hugged.

Mike Chilton: It's great you all are here.

Nico: Same here Mike. Thanks for helping us against Dabi last week.

Mike Chilton: No problem.

Qin: That was awesome though.

Mike Chilton: Good thing I didn't kill him, huh?

Vulkanus: He had a bad past.

Me: Yeah no one should EVER have to go through all that stuff.

Himiko Toga: I agree there on that.

Sirius: Yeah that was awful he went through all that. But it was courageous of J.D. to hug him and console him for all that happen to him.

Me: I don't like to brag but thanks.

Mike Chilton: Let me show you all the base.

We followed him.

Poromon got out 2 beer bottles.

Mike Chilton: What are those?

Poromon: 2 bottles of beer!

Flame Man: Wonder what would happen if beer was lit on fire.

Me: Beer is flammable but it usually depends on how strong the alcohol is.

Laney: He's right.

Mike Chilton: Yeah but thanks Poromon but I don't drink.

Poromon: Oh. Okay.

We arrived at the shop.

Julie Kane: Hey guys!

Me: Hey Julie, Chuck, guys.

Chuck: Glad you guys could make it.

Nico: Glad we all could come.

Me: And it looks like we're in for a rough battle. I just got his message.

Julie Kane: So my father is ready for you J.D.

Me: Yeah he sure is. And I'm ready for him.

Stratos: Say what you want about Kane. But we just learned that he has a good throwing arm.

Texas: Yeah but J.D. can out-throw him any day.

Me: No arguments there.

Eli: Yeah my bro can beat him.

Laney: And we're ready for him.

Juniper Montage: Also, J.D., nice job taking out that other version of me.

Me: Well you have Meridith and Hulk to thank for that one Juniper.

Meridith McHenrickson: Aye that sack of haggis was no match for both our strength lass.

Hulk: Hulk and Meridith smashed her good.

Jacob: That was awesome work though.

SpongeBob: It sure was and Jacob you sound just like The Flying Dutchman.

Jacob laughed.

Jacob: Yeah I sure do don't I?

Texas saw a Rabbid go into his car and try to drive it.

Top: Is that really a crime if one of us is doing it?

Texas: Hey, get out of there! That's mine!

Eddy grabbed the Rabbid.

Nico: It's all right guys. The Rabbids are silly and not very bright.

Me: Yeah they aren't the brightest light bulbs in the closet if you know what I mean. But they are awesome to have around. Make us laugh.

Laney: Yeah they sure do.

Sirius: I hope we get to kick Kane where it really hurts.

Me: Oh I have a feeling we will and I have something to say to him: Bite my Fucking Metal Ass!

Bender: HEY! That's my line!

William: You guys aren't the only ones with cars.

Mike Chilton: Really?

Icepick: William, what are you talking about?

William moved to the side to reveal an Acura car.

Nico: That's one of William's cars.

Me: Turns out we all have awesome cars. You remember watching the races we did?

Mike Chilton: Whoa that was you guys racing in those places and awesome planets? That is awesome!

Julie Kane: Wow! That is awesome.

Camie: I didn't you guys were racers.

Me: Yeah we have done it all over the years. But we have done all sorts of awesome races.

Eli: And those were awesome.

Ibara: That is cool.

Myotismon: So, what's been going on since J.D. and Qin's last visit?

Mike Chilton: We destroyed more of Kane's robots. But we also teleported many more of his men to prison too.

Me: Glad to know that secret surprise I gave you all is working well. Before we left I gave Mike and the guys a teleporting pad that beams prisoners to the Neptune Prison.

Blitz: (Arnold Schwarzenegger Accent) That is perfect for them.

Exile: (Russian Accent) I hope we send more of them there too.

Nico: Yeah and smart thinking J.D.

Misty Tredwell: I take it Tooley's still working for Kane?

Mike Chilton: Yeah he is.

Me: He still has what it takes to be part of the Masters of Evil or the Redemption Squad.

Laney: That's true.

Me: Oh have you guys heard from Red lately?

Mike Chilton: Kane put a mind control chip on him and he is waiting for you guys.

We gasped.

Me: Oh man. Looks like Fluttershy and the Chima Warriors will have to hold him off.

Nico: Looks like you're catching on to who is gonna be appearing next J.D.

Me: I've been noticing a pattern.

Mortal Kombat Scorpion: I guess that Kane must've caught onto Red.

Maria: Okay. So, he's not as dumb as we thought he is. That won't change a thing!

Me: Nope. I know Kane inside and out from past experiences. He is going to pay for his crimes big time. By spending eternity in prison.

Lana: I hope he likes eating chum for prison food.

Me: (Stomach churns) UH OH!

Mike Chilton: Trash can is in there!

I went to it and threw up!

Nico, Eli, Lori and Lynn looked at Lana and glared at her.

Lana: Sorry.

Khybon: Poor Tooley deserves better then Kane though.

Eli: Yeah I agree though.

Julie Kane: Same with me Nico. Even though my father has done all kinds of horrible things, I don't want my father to die. I love him.

Nico: We understand Julie.

Me: Yuck. Sorry about that.

Mike Chilton: No problem J.D. We've seen this problem before actually.

Me: Oh. Thank goodness.

Qin: Yeah. But I promise you all that when we're done here, Detroit Deluxe and Motorcity here will be one city.

Lily: I agree here.

Me: Kane has turned this entire city into a dystopian society without free will. And that is something we can't allow.

Nico: Not in a million years.

Gator Ghoul: It's funny how a futuristic city is built on the destroyed homes of others.

Me: Not on it. Over it. The whole of Detroit Deluxe is over the original. It covers it like a giant dome.

Gator Ghoul: Oh that's different.

Me: Yep.

Nico: It's amazing that Kane built it though. That has to give him some form of credit.

Me: True. But it still doesn't pardon him of his crimes. He took away everyone's free will here and that is something we can't let him get away with.

Mr. Boss: I understand how you feel, Julie. Fanny would be dvestated if anything happened to me.

Julie Kane: Thank you Mr. Boss.

Laney: Yeah it would not be good.

Eli: Yeah.

Varie: But we're going to make sure that Kane gets punished accordingly.

Dayu: Before we head out, we're gonna have the usual battles.

Nico: That's right. We're going to give you an awesome demonstration of our power by showing you our usual battles and Mike we have a great archenemy for you.

Mike Chilton: Who is it?

Yost Venom: That would be us.

Mike Chilton: Whoa!

Venom: Wow! Another us.

Nico: This is the Venom from the Yost Universe.

Mike Chilton: Cool! Awesome to meet you.

Julie Kane: I hope I get a great archenemy.

Me: I have just the one for you Julie. And we're still thinking about the others for the rest.

Julie Kane: Who is my archenemy?

?: That would be me.

Out came Wendy Jones A.K.A. WINDFALL!

Nico: Wendy Jones A.K.A. Windfall!

Me: Yep after meeting New Wave, I figured why not have the members of the Masters of Disaster all join too.

Maria: Good reason.

Then Bizarro, Grundy, Manta Bayarsh, Eris, Evil Lyn, Boomerang, Ben Ravencroft, Rowdyruff Boys, Knightbrace, and Gameface

appeared.

Nico: Bizarro, Grundy, Manta Bayarsh, Eris, Evil Lyn, Boomerang, Ben Ravencroft, Rowdyruff Boys, Knightbrace, and Gameface.

Bizarro: Bizarro actually no like Detroit Deluxe.

Mike Chilton: I… don't know if that's the opposite or the truth.

Grundy: Bad beard man still going down.

Manta Bayarsh: Damn right he is!

Nico: And we're going to make sure he is brought down.

Eris: (to Nico) We heard you dealt with an evil Juniper.

Nico: Yep we sure did.

Evil Lyn: Was she really a clone made by Grogar?

Me: She sure was. Remnants of his evil magic to be exact.

Fourhead then appeared.

Fourhead: Looks like I'm Four for round 2!

Luan: (laughs) That's a really good one!

Eddy: (LAUGHS) That was a good one!

Nico: Yeah it was! (LAUGHS)

We got the usual battles underway.

Pinkie Pie: Absolutely tootly on that!

Featherweight: You can bet on that.

Sprocket: I think so as well.

Moe Howard: Yeah lots of bad stuff happened back then in those years.

Curly: Yeah like with Moe when he gets crabby. Nyuk nyuk nyuk nyuk nyuk.

SLAP BOOF BONK WHAP!

Curly got slapped in the face, hit in the stomach, hit on the head and smacked on his head.

Moe Howard: Shut up puddinghead.

Larry Fine: Wait a minute, pick on someone your size!

Moe Howard: You want me to pick on you Chowderhead!?

Larry got bonked on his head.

Nick Russell, Rainbow Dash, Scootaloo, Air Skylanders, Ronin Warriors, Icepick and Scowl VS Frederick Myers A.K.A. Boomerang (Marvel) - Ms. Hoover hating being a teacher

---

Boomerang was next.

Boomerang: (to Nick) (Australian Accent) I don't blame Ms. Hoover hating being a teacher. Teaching isn't for everyone.

Nick Russell: No it isn't. Ms. Hoover deserves much better than being a teacher and working at Lynn's Table is a much better place for her.

Rainbow Dash: It sure is. And J.D. gave her a good amount of money to start a new life.

Scootaloo: He sure did.

Whirlwind: Yeah and it was to make up for what happened in that Christmas fiasco.

Ryo: That was cool though.

Mia: It sure was.

Riley: Did you know that there was a terrible feud that went on for years between the Lenopans of Lenos and the Plumbers of Earth? That was a horrible feud that lasted for years. But it all ended when Joel Tennyson and Camille married.

Lola: Yeah that was awful!

Negative Sludgestorm: That is bad! But I'm glad that feud is over.

Albedo: It was my first time doing that one.

Ben: That was a great one though.

Nico: Maybe after we do a gene-slammer for one of Nanomech's kind that we go find a gene-slammer for a Lenopan.

Laney: Yeah.

Nico: Anyway lets get ready.

Spymaster: I'll hack into the security system so we can get in easily.

Nico: Okay.

I looked over to KaneCo.

Me: Get ready Kane, (EYES GLOW RED) You and I have a lot of catching up to do and it's not going to be for old times.

With that we were off to KaneCo.

In KaneCo tower, Kane was watching the city and in came Captain Cold!

Kane: Leonard Snart welcome.

Captain Cold: I'm not in the mood for pleasantries Kane.

Kane: It really is too bad that you're siding with Team Loud Phoenix Storm, Snart. You would've made a good member of my empire.

Captain Cold: You mean an empire built on lies? No thanks.

Kane: What do you mean?

Then the spirits of the Demonic Animals of the Elements appeared and swirled around the tower and then converged and then the room turned pitch black as night and numerous pairs of glowing red eyes appeared all over and then a scary mouth with scary ugly sharp teeth appeared under a big pair of ferocious red eyes and roared ferociously and then breathed out incredibly hot fire and Kane dodged it and out of that fire came us!

Me: Hello Kane. Nice to see you again.

Nico: You're under arrest Kane! You have tormented the people here long enough!

Eli: And we're not going to let you get away with it any longer!

Mike Chilton: It's over Kane!

Kane: After I get rid of all, my empire's gonna be back in action.

Nico: Well, after you're in jail, Motorcity and Detroit Deluxe will be one in the same. Too bad you won't be a part of it!

Me: That's the only place you're going to Kane!

Varie: Yeah! You're through!

Kane: Oh, Chillers. Entertain our guests, will you?

An army of Chillers appeared.

Me: Chillers! I had a feeling they would be coming!

Nico: This will be awesome and fun.

I fired a blast of fire and melted most of the Chillers into nothing!

POW! BLAM SMASH!

I fired waves of fire and melted some of the Chillers all over! Then the Chillers jumped Mike and the Burners!

Mike and his friends lay defeated at the hands of the Chillers. But rather then laugh evilly, Kane just kept a serious look on his face.

Kane: It really is a shame that it's come to this, Chilton. But you and your friends keep mucking up my plans. So, you've got to go. (to Julie) Don't worry, Julie. I won't kill you. But I WILL send you to your room and figure out a way to make you see things my way. Somehow.

Horsea: (Squirts ink in a Chiller's eyes) Oh no! The Burners are in trouble! What do we do?!

Qin then got an idea.

Qin: Everyone in Motorcity and Detroit deluxe! Lend the Burners your strength! They get stronger with your support! When I give the signal, share your energy with the Burners! Okay? Ready… go!

Everyone in the audience began sharing their energy with the Burners. And soon, Mike found the strength to get up.

Mike: Kane, if you think I'm just gonna quit righr now, you've got another thing coming!

A Chiller tried to finish Mike off but he slammed it into the ground.

Mike Chilton: Thanks for the help, everyone.

Texas: I knew I had fans out there!

Chuck: Keep dreaming, buddy.

Dutch Gordy: We ALL have fans out there.

Julie Kane: I'm not complaining that we have to fight against my Dad.

Jacob: That's good. Because it's not over yet!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Qin: I've had about enough of you to last a lifetime.

Suddenly, Qin's green eyes turned neon green, and she was surrounded by a green energy aura with flames and Komodo dragons, she unholstered her massive of The DNA Spliceteam from her back, and as she approached Abraham Kane, she left green energy, flames, and Komodo dragons with every step.

Qin: You really make me sick, Abraham Kane, you don't even give a damn about anyone but yourself, you've caused enough trouble for Mike, his friends, and Detroit Deluxe for the last time, and now, it's time for you to pay the price.

Suddenly, Qin was surrounded by a massive vortex of green energy with flames surrounding it, there was a Komodo dragon running around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Qin emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Qin grew to 6'5" in height, she had the body of a goddess, she has green highlights in the bangs of her long flowing black hair with flowers in her hair, she has neon green eyes, and a green energy aura with flames and Komodo dragons surrounding her, she has the image of Scalebreath holding the Fire Kanji in its hands emblazoned on her forehead, she has on Komodo dragon earrings with green crystals for the eyes and the Fire Kanji in its hand, and her Crystal Necklace of The Buddha with green crystal links and a komodo dragon with green crystals for the eyes and the Fire Kanji in its hands for the pendant. Buster Bunny: Oh great, I knew there's no mistaking that voice from anywhere. You can come out now, Dr. Gene Splicer.

A figure came out, and it was none other than Dr. Gene Splicer, Acme Acres' mad scientist and another of the toons' enemies.

Buster Bunny: You just don't even know when to quit, do you, you mad lunatic? Even after we put a stop to you long ago, you refuse to give up.

Dr. Gene Splicer: You have ruined my life's work for the last time, and now, I will enjoy destroying you all!

Qin fired a blast of green energy, and it hit Dr. Gene Splicer, and burned him badly.

Qin: That's it, I think it's time I taught you a painful lesson you're never going to forget.

Suddenly, Qin's green eyes turned neon green, and she was surrounded by a green energy aura with flames and Komodo dragons, she unholstered her massive of The DNA Spliceteam from her back, and as she approached Dr. Gene Splicer, she left green energy, flames, and Komodo dragons with every step.

Qin: You really are an insane basket case, Dr. Gene Splicer. You're just like the Paradigm Brothers in every way, but you've experimented on animals, and for that, I'm going to make sure that you pay the price with a very, very painful beatdown.

Suddenly, Qin was surrounded by a massive vortex of green energy with flames surrounding it, there was a Komodo dragon running around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Qin emerged, but she was changed forever.

Qin has transformed into SUPER ANGEL INFINITY EMERALD GREEN FIRESTORM KOMODO DRAGON ANGEL OF DRAGON JUSTICE AND FIERY COMPASSION!

We were amazed by Qin's Super Angel Infinity transformation, and when Chris Taylor saw it, he had an atomic red blush on his face and hearts in his eyes. But, when Dr. Gene Splicer saw it, he tried to attack her, but she transformed into Scalebreath, and it got an awesome transformation: Scalebreath had fire-covered armor on its forearms, chest, legs, and stomach, and it had massive green angel wings, and it attacked Dr. Gene Splicer with a powerful claw swipe and sent the mad scientist flying to a wall.

Then, Scalebreath transformed back into Qin.

Nico: Whoa, Qin's transformed into her Super Angel Infinity form, and Scalebreath's gained quite the awesome transformation.

Me: There's no way Dr. Gene Splicer's getting out of this one alive.

Chris Taylor: Wow, Qin, you look beautiful. How do you feel?

Qin: (Divine Echoing Cosmic Voice of the Firestorm Komodo Dragon and Jungle Compassion) I feel incredible, Chris, and now, if you'll excuse me, I've got a mad scientist to pulverize.

Qin went after Dr. Gene Splicer, and she fired powerful blasts of green energy, green flames, and Komodo Dragons, and they exploded with incredible power as they hit the mad scientist. Then, she attacked him with her massive sword and really left some nasty tears on his clothes, and then, she proceeded to attack him with the tricks of the Looney Tunes: First, she dropped an anvil on Dr. Gene Splicer's head, and he came out dazed, then, she threw a stick of dynamite at him, and it exploded, which sent him flying, and straight into a warehouse full of fireworks, and when she lit a match and lit the fuse outside, it also lit up the fireworks inside, and really caused a show of awesome lights and fireworks, but Dr. Gene Splicer got really burned from that one. Then, she dropped a piano on him, and as he came out, he had piano keys in his mouth.

Nico: Ah, my favorite note: B-Flat.

Then, she proceeded to sneak up behind him, and bashed his head in with a mallet, and we laughed hysterically, as we saw birds flying around his head.

Nico: (LAUGHING HYSTERICALLY) Qin, that was so hilarious!

Buster Bunny: (Laughing Hysterically) Big time, but now, she's about to do her grand finale!

We got front-row seats to her big finale, as she sent him flying into the air with a strong kick, then, she paints a bull's-eye target on the ground, where he'll land, and then, a few seconds later, Dr. Gene Splicer crashed onto the ground flat on his back. But, he wasn't safe for long as a shadow was over him, and he did the Chuck-Outta-Luck Pathetic Eyes routine, as he took out an umbrella, and then, a safe crashed on his head, and when he came out, he was dazed and defeated as he landed on his butt, and was tied up in a neon green energy straitjacket, and beamed to the Saturn Insane Asylum's Deranged Toons Wing, where he was chained to the wall of his cell in Solitary Confinement with Neutronium chains and rainbow energy chains. We cheered wildly for what Qin did as she holstered her massive sword on her back and powered down, and Qin's new body, clothes, weapons, jewelry, and massive angel wings are permanent. But, before Qin could head back, Chris Taylor hugged and kissed her, and she returned it.

Nico: Wow, Qin, you did one awesome job in teaching Dr. Gene Splicer a painful lesson.

Qin: Thanks, Nico. Plus, it was also fun to use the Looney Tunes' tricks against him, and we were laughing so hard at what I pulled on him.

Me: That was so hilarious, and you even got the toons cracking up like crazy fits of laughter.

Bugs Bunny: She sure did, Doc.

Wile E Coyote: And that was a brilliant display of what you just pulled on him, Qin.

Qin: Thanks, Wile.

Lincoln: Ooh, next humiliation session, we should also use the Looney Tunes' gags against the jerks.

Buster Bunny: That'll be fun, and have us join in as well.

Sylvester: Yeah, we're not going to let you all have the fun, we want in too.

Nico: I was just about to suggest that, Sylvester.

Back at Lynn's Table, the jerks gulped in pure shock and horror, as if the mere mention of what's going to come for them next humiliation session has cast a shadow of dread on them.

Lincoln: (Smirks) Ooh, I'd hate to be in Flip's stinky shoes right about now.

Nico: (Smirks) And the same goes with the other jerks as well.

Me: (Smirks) But, they ain't getting out of this one.

Qin: (To the viewers) Kane is now behind bars for life and he will never torment anyone in Detroit Deluxe again.

Nico: Thank goodness. Great job guys! This was awesome.

We fixed up the city and made it better than ever. We even made it part of Gotham Royal York. We then went back home to Gotham Royal York and went to Lynn's Table for some grub. Then we enjoyed the rest of the day and went to sleep.

Abraham Kane was found guilty Attempted Conquest, Attempted Murder, Abuse of Power, Suppressing Freedom, Treason and many crimes. He was sentenced to eternity in the Neptune Prison without possibility of parole. He also had all of his assets seized and his entire empire was given to the city of Gotham Royal York. He was also to be kept under 24/7 watch and guard and if he ever tries to escape he will be shot and killed. In the prison His expression is now one of sullen rage. When he lands in his cell, he does so headfirst. After a moment, once the cell door is slammed shut forever, he tumbles onto his side. The camera slowly zooms in on his face and rotates to frame him right side up. His eyes go red with fury, and after a few seconds, he snaps AND GOES COMPLETELY APESHIT BALLISTIC! His entire face reddens, and he screams at the top of his lungs and screeches like a wild monkey. First, he pounds and stomps on the floor, then he starts to jump crazily back and forth. He pounds on the walls all over the place of his cell on the floor, he batters the walls with his feet for a while. After he jumps off, he runs to the door and pounds on it, still screaming.

Another awesome fanfic done!

Motorcity was a really awesome and cool show! It was a really awesome show about Mike and his friends about how they will make sure Kane pays for his crimes for taking away freedom. Mark Hamill voiced Kane and he did a great job. Darn shame that the show was on for only 20 episodes from 1 season! WHAT A RIPOFF! It was on from April 30, 2012 - January 7, 2013. The first part of the chapter was for episode 3 of Equestria Girls Tales of Canterlot and that was awesome! The second part was for the Japanese Power Rangers series for the Jetman Rangers from 1991. That was awesome. The rescue for me is for the awesome app called Best Fiends Forever and that was a cool one. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. Nico's next rescue is gonna be a really awesome and cool one as Nico, Cyborg, me, Eli, Elena Validus, Camie, Sirius, Ibara, Lincoln, Varie, Celica, Rarity, Lisa Loud and Luna Loud go face Evil Elena Validus and stop her from unleashing the Alien Microchips. It's time to destroy the Queen forever. We're also going to meet the youngest ever gene-slammer ever known and her name is Katie Kirrington. The youngest of Nico's friends, Katie is an absolute genius and she was born with a very powerful IQ of 500 and she has powerful psychic and technokinetic powers and has the power to do anything with her brain at 100%. It's awesome and she went to school when she was 3 and finished when she was only 5. She met Nico in Math class and she helped him take down bad Queen Bee Girls. The next rescue for Lincoln is gonna be in the movie Jawbreaker and we're going to bring that monster Courtney Shayne to justice and curse her. And We're going to meet a gene-slammer for Kahkki, Guerilla of Dark World named Camie Nicholetta and she is from New York. Get ready for an awesome adrenaline rush as we go into the world of the 1993 movie Super Mario Bros. with Bob Hoskins and Dennis Hopper. We're going to bring down the evil President Koopa and we're going to bring down his reign of terror. He will be put into the Masters of Evil Later on. That chapter will be made in honor of both late actors.

See you all tomorrow.

# RETURN OF PRESIDENT KOOPA

In Memory of Bob Hoskins and Dennis Hopper.

Walking through the streets of Bellwood in New York was Nico, Cyborg, me, Eli, Elena Validus, Camie, Sirius, Ibara, Lincoln, Varie, Celica, Rarity, Lisa Loud and Luna Loud and we were seeing what Ben's home town before he joined us was like.

Me: Wow so this is Bellwood. I always wondered what Ben's home town was like before he joined the team.

Celica: Boy it sure is an awesome place.

Lisa Loud: Indeed it is. I think it's a really amazing place to call for human accommodations.

Eli: Me too Lisa.

Nico: Thanks for coming with me, Cyborg.

Cyborg: No problem dude. This will be really interesting to meet and battle one of Ben's enemies here.

Sirius: It sure will be awesome to see.

Varie: It sure will. I have a feeling this will be awesome.

Rarity: I agree there most of all darlings. It will be quite fun to battle one of them.

Lincoln: Yeah it sure will. See that house right there?

We saw Ben's old house.

Lincoln: Ben said that's where he used to live.

Me: Not a bad place.

Luna Loud: Yeah it's nice dudes.

Me: It sure is. But what's amazing about this place is it was the hub of so much extraterrestrial activity over the years. Next to Roswell, New Mexico.

Camie: How freaky.

Nico: Cyborg, I just want to thank you.

Cyborg: For what?

Nico: If you hadn't gone after Krall on your own, we never would've found out that Dark Orbs were in J.D. and the others. So, thanks.

Cyborg: None of us even knew that we even had Dark Orbs inside of us back then.

Eli: You learn something new every day all the time though.

Camie: That is true.

Cyborg: Yeah. But Nico you're welcome man. That was an awesome adventure.

Me: It sure was and it was awesome how you met Sarasim back 5,000 years ago.

Sirius: Wow! That was back during the Bronze Age.

Cyborg: Yeah that's right.

Eli: How did that happen by the way?

Cyborg: I hooked up all of Titans Tower with all kinds of electronic paraphernalia and a lightning strike hit it and I was inadvertently sent back in time.

Me: Like what happened in Back To The Future. Except without a DeLorean car.

Cyborg: Exactly!

Nico: Okay, that kind of thing was probably random.

Me: It might be. But who knows?

Eli: Yeah. But it was awesome going back in time like that though.

Lincoln: No kidding. That was awesome.

Camie: But how did you guys end up going after this Krall guy?

Me: That was simple. The Savage Murder of Lieutenant Mitch Kellaway. We found his office totally splattered in blood and his body was ripped to pieces.

Nico: Yeah it was brutal. Jessie Knudson recognized a symbol on the wall from Krall and his barbarian horde and Cyborg knew it was him that did it.

Camie: Wow!

Nico: We told Cyborg that we would go after Krall as a team. But when our backs were turned, Cyborg used the simulator to go to Sarasim's time period!

Me: We found his note and went after him.

Camie: Whoa. That is a risky mission.

Ibara: But that's good you all found him.

Eli: And we destroyed Krall too.

Me: That's where I also discovered tiny fragments of Dark Orbs inside us. Danny Phantom phased into us and got them out. But we had massively painful headaches from them.

Lincoln: Yeah. It felt like our heads were being crushed in vices.

Nico: Ouch. But yeah. Cyborg was the hero of that mission for finding out that there were Dark Orbs inside us.

Me: Even in death, Xehanort will do anything to win.

Elena Validus: He sure will.

Nico: Cyborg going after Krall alone was understandable since he didn't get to take him out the first time.

Sirius: So he had some unfinished business from 5,000 years ago.

Me: That's right. But it was cool being in that time. We showed Krall what the power of the 21st Century is capable of.

Eli: Boy we sure did. That was awesome!

Celica: Yeah that was awesome.

Me: Huh?

I saw something on the ground and I picked it up and it was one of the Alien Microchips.

Me: It's one of the Alien Microchips.

Nico: Hmm.

Elena Validus: That's not one of mine is it?

Me: I don't think so. This one is red. Yours are blue.

Nico: No one touch it! No telling if it's still alive!

Me: It's not phasing into me because my lightning aura is preventing it from doing so.

Nico: Good.

I put it in a containment jar.

Eli: Lets see here.

Eli concentrated and felt for the source. Then he found a signal.

Eli: There! It's in that garbage can!

I fired an energy blast and blew it apart and in a fiery explosion and out came a cluster of Alien Microchips and it formed into ANOTHER ELENA VALIDUS!

We gasped!

Me: Another Elena!?

Elena Validus: Is that me!? Oh man!

Evil Elena: You don't have Ben to help you now.

Nico: We don't need him to kick your ass!

Me: So start praying bitch!

Evil Elena: We'll make it quick.

We then saw her change and she now had a black and red suit that was like Hela from Marvel Comics!

Nico: Whoa!

Eli: My word!

Me: She looks so much like Hela.

Lincoln: Yep.

?: (Tiny voice) I got this.

Nico: Huh?

We looked around for the source and we saw a tiny bug fly and it was a Nanomech Alien.

Nico: Whoa!

It flew at the Evil Elena and blasted her and she screamed and was instantly disintegrated!

Nico: WHOA! That was awesome!

Cyborg: BOOYAH! Take that!

Then the Nanomech alien changed and it was a girl with green hair and green eyes and she had grey clothes on.

Nico: Katie Kirrington!? Wow!

Katie Kirrington: Felicitations to you after 624.92124232 days Nicolas.

Lisa Louds: Amazing.

Me: Wow! (Sparks) Ow! That hurt. She is a genius like Lisa.

Lisa Loud: Indeed she is and Katie may I say that it is a great pleasure to make your acquaintance.

Katie Kirrington: Pleasure is mine too Lisa.

Cyborg: Okay. With Evil Elena gone, all her Nanochips should be rendered inert.

Katie Kirrington: Most agreeable.

Me: How do you know Katie, Nico?

Nico: She is the smartest girl I know. She was in my math class and she has an IQ of 500.

We gasped!

Eli: Wow that is amazing!

Me: Wow! That is incredible!

Katie Kirrington: Indeed. And I would rather be learning all about the formula and mathematical equations of the 19th Dimensional string equation. As well as figuring out the mass of a neutron is 4.6 times 10 to the Negative 27th power.

Then my eyes formed Red Crash Screens in them.

Eli: Oh boy. I got this.

CLANG!

Eli kicked me in the butt and got me going again.

Me: (BLUBBERS) Thanks Eli. But wow that is really powerful smarts there.

Lisa Loud: Very impressive that you know all about that.

Cyborg: What's your favorite memory of Nico?

Katie Kirrington: My favorite moment of reminiscing would be when the time happened 732.53532 days ago when me and Nico were in Math Class when I helped him with an advanced trigonometry math problem and then me and Nico saw a queen bee savage sociopathic bullying neanderthal girl picking on a weaker girl and me and Nico used a powerful prank where we put bovine fecal matter in her locker and then she opened it and it dumped on her and she was fuming mad. But we reported her malevolent crimes to the principal and she was expelled.

Nico: I remember that.

Me: I was out on a mission with everyone that day. That is awesome!

Luna: It sure was! That was awesome dudes.

Celica: It sure was. Wow.

Eli: Yeah!

Nico gave her a light hug.

Nico: I really missed you.

Katie Kirrington: And I most certainly missed you too Nicolas.

Me: It's amazing that you have a really awesome genius for a friend Nico and she is only 5 years old and already in high school.

Nico: It sure is. Lets pick up the chips and then head home.

We went and did so and went back.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and Sasuke the Android are heading to the world of Jawbreaker, and not only is Lincoln going to rescue the twelve girls there, but we're going to bring that monster, Courtney Shayne, to justice and curse her with the King Midas' Golden Touch Curse.

Lincoln: Whoa, we're here in the movie Jawbreaker, and I know what we're going to do here, not only am I going to rescue the twelve girls there, but we're going to bring that monster, Courtney Shayne, to justice and curse her with the King Midas' Golden Touch Curse.

Nico: That's right, big guy. We're not going to let a Queen Bee monster and murderer like her get away with this, and the same goes with Marcie.

Me: They're both looking at getting cursed for all eternity.

Lincoln: That's right, J.D., and we'll expose Courtney Shayne by showing everyone at the prom the video of what she, Marcie, and Julie did in kidnapping Liz Purr and it led to her death. And thanks for joining us, Sasuke the Android.

Sasuke the Android: You're welcome, Lincoln. This is going to be one awesome rescue, and exposing that Queen Bee monster as a murderer.

Then, Julie, Fern, and Zack arrived, and they had the recordable greeting card with the inadvertent recording Courtney's admission to the killing.

Julie: I got exactly what we need to expose Courtney for what she did. The recordable greeting card inadvertently recorded Courtney's admission to killing Liz.

We head on over to the prom, just in time to see Courtney being crowned Prom Queen. But, her day of joy turned into a nightmare when Zack played the recording of Courtney's admission to killing Liz, and when that was exposed, everyone was so enraged, they threw corsages at her, and Marcie ran for cover, and Courtney ran out of here, but not before Julie took a photo of her humiliation, and we all laughed at what Julie, Fern, and Zack did in exposing her.

Lincoln: Nice one, Julie. You, Fern, and Zack exposed Courtney for killing Liz, that greeting card was definitely the instrument of her downfall.

Julie: You're welcome, Lincoln. But, I also got word that twelve girls were sighted here, and now that Courtney's been humiliated, I think she's going to kill them in a fit of rage and insanity.

?: HELP!

Suddenly, Lincoln heard the sound of twelve girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the twelve girls, but they've been cornered by Courtney Shane, and she's going to kill them.

Lincoln: Guys, I found the twelve girls, but they've been cornered by Courtney Shane, and she's going to kill them. Julie's prediction of what's about to happen just came true.

Julie: That bitch.

?: She's not getting out of this one, not if we have anything to say about it.

Suddenly, we saw Kahkki, Guerrilla of Dark World appear before us.

Lincoln: That voice, I knew it was you, Camie Nicholetta, but we'll have to talk later. Right now, we got a Queen Bee monster to expose.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces at Courtney Shayne and Marcie, and tied them up in rainbow energy straitjackets and rainbow energy chains, and that allowed the twelve girls to get away. When Courtney Shayne and Marcie saw what's happened, they were enraged.

Lincoln: You brought this on yourself, Courtney Shayne. You think that just because you are popular, you can get away with whatever you want? No, there's laws when it came to taking and destroying the lives of others, and you've absolutely shown zero remorse for what you've done. Just for that, you're going to be cursed for all eternity.

Suddenly, Lincoln was surrounded by gold energy, and we knew what it meant: he's going to use his King Midas' Golden Touch Curse on Courtney Shayne and turn her into a golden statue for eternity.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Courtney Shayne. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song, then, Lincoln fired powerful blasts of gold energy from his massive deep sapphire blue angel wings, and as they hit Courtney Shayne, she screamed in horror as she was turned into a golden statue.

Julie: (Smiles) Eat shit.

Marcie came out, and when she saw what happened to Courtney Shayne, she went after us in a fit of rage, but not before Jackie Wren punched Marcie, and threw her in a black van, which'll take her to one of the toughest discipline schools ever for immense reeducation, while Lincoln beamed Courtney Shayne to The Naiad Prison for Xenophobic Egotists, and he put her in a separate cell in

Solitary Confinement, and it'll be where she'll spend the rest of her life there, and she'll never be free ever again.

Lincoln: That's another Queen Bee monster put down. (To Camie Nicholetta) And it's so good to see you again, Camie Nicholetta.

Camie Nicholetta: You too, Lincoln, it's been a long time. And it's also good to see you again, Nicholette, Giselle, Scarlet, Silvia, Renee, Helena, Elizabeth, Selene, Zennia, Jackie, and Laniya.

Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Jackie Wren, and Laniya Guillermo: You too, Camie.

Lincoln went up to Camie Nicholetta and they hugged, and Camie Nicholetta's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she's also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you when you were seventeen, and as you can see, I really grew a lot since then.

Camie Nicholetta: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Camie Nicholetta, she's the twelfth Dark World Goth Girl, she's from New York, and she's a powerful force to be reckoned with, and she's quite a military tactician and has an amazing mind when it comes to battle. She also helped me and the family overpower Luan in her April Fools pranks and more.

Nico: Whoa, now that's quite impressive.

Lincoln: And that's also why she's another of my Guardian Angels, when it came to foiling Luan and her April Fools pranks, she's a master at foiling them.

Lori: Big time. None of us literally forgot how she came up with a plan to foil Luan's pranks, and that, combined with Laney's April Fools contingency plans, and Lincoln's planning, saved our butts from her.

Camie Nicholetta: And I'm also glad Dark Luan's gone, along with the other Dark Sides of the Louds, and there's no need for you to get me back to normal, Lincoln.

Camie Nicholetta reverted back to normal, and she's a beautiful 17-year-old girl with long flowing light brown hair, pink eyes, she's tall at 6'5" in height, she had the body of a goddess, and she was dressed in a green sleeveless closed blouse, sleeveless green top with vertical stripes, green skirt with flowers, green pants, green sneakers, and a long green sleeveless trenchcoat with darkness on the coattails, and Kahkki, Guerrilla of Dark World on the back.

Lincoln: Wow, I love your outfit, Camie, and I also got you a little something.

Lincoln gave Camie Nicholetta a large Kahkki-themed sword with Kahkki, Guerrilla of Dark World etched on the 6'10" massive, wide, double-edged green blade, large green angel wings for the crossguard, large green gem embedded in the rainguard, longer black handle, and large green gem with black angel wings surrounding it for the pommel.

Camie Nicholetta: Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Camie Nicholetta's with green gems on the gold lightning bolts links and green crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Camie Nicholetta: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Camie.

Camie Nicholetta had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Camie Nicholetta on her lips, and she returned it, and we cheered for them. Then, we went up to the twelve girls, and when Lincoln saw them, he immediately recognized them. The twelve girls are Arianne Glenis Maple from Skeleton Knight in Another World, Azusa Aizawa, Beelzebub, and Halkara from I've Been Killing Slimes for 300 Years and Maxed Out My Level, Cayna from In the Land of Leadale, Shenhua and Joy from Shenmue, Amawashi Aoi, Eve, Chris Christina, Helene Robert, and Lily Lipman from Birdie Wing: Golf Girls Story.

Lincoln: Oh wow, it's Arianne Glenis Maple, Azusa Aizawa, Beelzebub, Halkara, Cayna, Shenhua, Joy, Amawashi Aoi, Eve, Chris Christina, Helene Robert, and Lily Lipman.

Nico: From Skeleton Knight in Another World, I've Been Killing Slimes for 300 Years and Maxed Out My Level, In the Land of Leadale, Shenmue.

Lori: And Birdie Wing: Golf Girls Story, literally awesome.

Lincoln: Are you girls okay?

Arianne Glenis Maple: Yes, we're okay, thanks to you.

Then, when Arianne Glenis Maple and the other eleven girls saw who it was that saved them from Courtney Shayne, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of

He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Arianne Glenis Maple: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eleven clones of himself, and he and the eleven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Arianne Glenis Maple: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, twelve Thunderbird Necklaces of Eternal Love appeared on the necks of Arianne Glenis Maple, Azusa Aizawa, Beelzebub, Halkara, Cayna, Shenhua, Joy, Amawashi Aoi, Eve, Chris Christina, Helene Robert, and Lily Lipman with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone of the rescue, and they were shocked when they found out the villain we went after was Courtney Shayne.

But, when Lincoln showed just what Julie, Fern, and Zack did in exposing Courtney Shayne, and him cursing Courtney Shayne with the King Midas' Golden Touch curse, and Jackie Fern throwing Marcie into a black van en route to one of the toughest discipline schools ever for immense reeducation, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Camie Nicholetta have a lot of catching up to do, now that she's back.

Plus, everyone laughed hysterically at the photos that Julie took of Courtney Shayne's humiliation and permanent downfall.

---

After bringing down Courtney Shayne, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Camie Nicholetta saw Lincoln working out like crazy, she had an atomic red blush on her face.

Camie Nicholetta: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-

lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Camie, and now, I can also defend myself, and I've also gotten smarter as well.

Camie Nicholetta: That's incredible.

Nico: It sure is, Camie. Ooh, so what's a memory that you had with Lincoln?

Camie Nicholetta: Oh, I was hoping you'd ask, Nico. Well, it was during one April Fool's Day, and I knew of Luan's reputation for causing havoc on that day, and traumatizing Lincoln and his family with her crazy out-of-control pranks. So, Lincoln decided to call me to help out, and I was glad he did, she booby-trapped the front door, and I got covered in glue and chicken feathers. So, now, it's personal: I formulated a plan on how to disable the traps all over The Loud House, and Lincoln and Laney also provided extra help: Lincoln made the groups and Laney supplied everyone with her Anti-April Fools Day Contingency Plans. Together, we ruined Luan's April Fools' Prankapocalypse, and disabled every last trap in The Loud House, but when Luan found out, she went insane with rage, and tried to jump us and pulverize us, but I threw a strong punch at Luan's stomach and hogtied her. Mr. and Mrs. Loud eventually grounded Luan for thirteen weeks for her Prankapocalypse, and she had to be put inside of a steel cage, and her fingers put into Chinese Finger Traps, so she can't escape.

We were impressed by what Camie Nicholetta did with stopping Luan's April Fools' pranks.

Nico: Whoa, you sure are one awesome military tactician, Camie.

Lincoln: Didn't I tell you, she has an amazing mind when it comes to battle, and she's outsmarted Luan every April Fool's Day more times than anyone can count, and every time, it drove her nuts.

Me: Ouch.

Nico: That's brutal.

We then got a shower afterwards, but suddenly, a bright light descended onto the World Tree Estate, and we had to cover our eyes to prevent being blinded. Then, the bright light faded, and we uncover our eyes, and to our surprise, the world of Dragon's Lair has merged with ours.

Lincoln: Whoa, the world of Dragon's Lair has merged with our world.

Me: Whoa, Princess Daphne, your world's merged with ours.

Princess Daphne: That's so awesome.

Megan Clark: But, this also means, we'll be dealing with Princess Daphne's enemies.

Suddenly, the alarm sounded, and when Lincoln checked, he saw who it was that triggered the alarm: it was Mordroc, the evil wizard and brother to Mordread, and he's causing havoc and planning to kidnap Princess Daphne to force her to marry him.

Lincoln: And you're right, Megan, Mordroc, the evil wizard and brother of Mordread, is here, and not only is he causing havoc, but he's planning on kidnapping Princess Daphne to force her to marry him. That's not going to happen, he's getting turned to dust for this when we rough him up, and I use my Death Wing Life Drain on him.

Megan Clark: And it's my time to transform, let's get him, Linky.

Lincoln: You got it, Megan. Come on, team, we got an evil wizard to destroy.

We flew out of The World Tree Estate, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, and they hit Mordroc. When Mordroc saw us, he was enraged, and when he saw Princess Daphne with me, he was even more pissed off.

Mordroc: How dare you get in my way, Team Loud Phoenix Storm?! I will kill you all and I will force Princess Daphne to marry me, and I will rule this world!

Lincoln: The only thing you're going to get is a one-way trip to being erased forever, Mordroc.

Megan Clark: And I've had it up to hear with you to last an eternity.

Suddenly, Megan Clark's hunter green eyes turned neon hunter green, and she was surrounded by a pink energy aura with pink flames and dragons, and as she approached Mordroc, she left pink energy, pink flames, and dragons with every step.

Megan Clark: Mordroc, you have caused nothing but trouble and chaos for the very last time, and now, we will see to it that you never come back to threaten Princess Daphne ever again.

Suddenly, Megan Clark was surrounded by a massive vortex of pink energy with pink flames surrounding the vortex, there was a dragon flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Megan Clark emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Megan Clark grew to 6'5" in height, she had the body of a goddess and has pink highlights in the bangs of her short black hair, she has neon hunter green eyes and a pink energy aura with pink flames and dragons surrounding her, she has a dragon with the Fire Kanji in its claws emblazoned on her forehead, she has on dragon earrings with pink jewels for the eyes and the Fire Kanji in its claws, and she also has a phoenix with pink gems for the eyes and the Fire Kanji in its claws, along with the Thunderbird for the second pendant of her Thunderbird Necklace of Eternal Love with pink gems on the gold lightning bolts link and pink crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Suddenly, Megan Clark's massive Defender of WHOOP and International Defender of Spy Security swords began merging together, and were surrounded by a kaleidoscope of pink energy, pink flames, and dragons, and when it emerged, it was transformed into Delphyne's Rose Fire Sword of Espionage Justice, it's a new large sword with a 6'10" massive, wide, double-edged pink blade with the Greek Dragon, Delphyne, etched on it, large pink dragon heads with black gems for eyes for the crossguard, large pink gems embedded in the rainguard, longer black handle, and four large pink dragon heads with black gems for the eyes and large black gems in its mouths and a large pink gem on the bottom of the dragon heads for the pommel. ミーガン・クラーク、リー、マーク、トニー・クラークの愛するおてんば娘、カルとカレン・クラークの愛する娘、サム、クローバー、アレックス、ジェリーの親友、WHOOPのエージェント、リンカーン・ラウドの愛する未来の妻、WHOOPの多くの破壊者国際的な敵、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そしてドラゴン、火、そしてスパイの達人

Megan Clark has transformed into SUPER ANGEL INFINITY DIVINE ROSE QUARTZ FIRESTORM DRAGON ANGEL OF FIERY JUSTICE AND DIVINE LOVE!

We were amazed by Megan Clark's Super Angel Infinity transformation, including Lee, Marc, Tony, her parents, Sam, Clover, and Alex, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Mordroc saw it, he fell into a murderous rage and tried to attack her, but Megan Clark fired a powerful pink energy blast with pink flames and dragons, which hits Mordroc, and burned him badly.

Sam Simpson: Whoa, Megan's transformed, that's so awesome.

Clover: Megan's now become a woman, that's amazing.

Alex: And now, Mordroc's in big trouble now.

Lincoln: Wow, Megan, you look beautiful. How do you feel?

Megan Clark: (Divine Echoing Cosmic Voice of The Firestorm Dragon and Espionage Love) **I feel incredible, Linky, and now, shall we put an end to this creep once and for all?**

Lincoln: (Smiles) With pleasure, Megan.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Megan Clark.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's get that evil wizard.**

Me: Show him no mercy, guys!

Lincoln and Megan Clark went after Mordroc, who fired blasts of lightning and magic at them, but Lincoln and Megan Clark absorbed the blasts, and it made them stronger than ever, and they fired powerful blasts of rainbow energy, pink, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Dragons at Mordroc, and they exploded with incredible power, as they hit the evil wizard.

Suddenly, Megan Clark felt a sharp pain on her back, and then, massive black angel wings with pink tips on the large black feathers sprouted out from her back, and then, they attacked him with their swords, and left painful scars on him, scars that'll never heal. Then, Megan Clark tied Mordroc in pink energy ropes, so he can't escape.

Megan Clark: **Okay, Linky, you know what to do?**

Lincoln: **You got it, Megan.**

Lincoln spreads his massive deep sapphire blue angel wings, and red energy was being charged in them, and this horrified Mordroc, as he knows death's coming for him.

Lincoln: **This is the end, Mordroc. DEATH WING LIFE DRAIN!**

Lincoln fired massive red energy beams from his massive deep sapphire blue angel wings, and as they hit Mordroc, Lincoln began sucking out Mordroc's life force, along with his powers and abilities, and Lincoln's rainbow energy aura with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo flared up extremely, as he gained a massive power boost and made their powers his own. Then, as he was done, Mordroc was reduced to a mummified withered husk drained of life, and as his spirit appeared, Megan Clark marked his forehead with a kanji and banished him to the Black Gates forever, and his spirit was erased forever. We cheered wildly for Lincoln and Megan Clark, as they holster their massive swords on their backs and power down, and Megan Clark's new body, clothes, jewelry, weapons, and massive angel wings are permanent.

Megan Clark: That's it for that evil wizard. Thanks for helping me with getting rid of Mordroc, Linky.

Lincoln: (Smiles Warmly) You're welcome, Megan.

Suddenly, Megan Clark wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Megan Clark's face, they kissed passionately as Megan Clark wrapped her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, Angel, and Dragon flying in the air, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Marc Clark: We're so proud of our little sister, not only has she become a young woman, but we saw that she and Lincoln are sharing an awesome kiss.

Lee Clark: We're proud of them both.

Nico: We all are, guys.

Princess Daphne: Megan, Lincoln, thank you both for what you've done. Mordroc is finally dead and gone for good.

Me: Way to go, guys.

Lincoln: Thanks, Princess Daphne, and if Mordread finds out about this, we'll be sure to deal with her as well.

Me: Now, that's what I like to hear, but there's more of the villains from Dragon's Lair out there, but we're more than ready for them.

Nico: Yeah, those monsters will regret crossing swords with us.

We returned home to the TLPS World Tree Estate, and we got rid of Mordroc, who was a big threat to the world of Dragon's Lair, but there's more of Princess Daphne's enemies out there, but we'll be ready for them.

---

Later it was time for Gali's second Ambassador Mission.

Nico: This is gonna be awesome.

Gali: It sure is.

William: Anyone else want to go on Gali's mission? Besides Twilight and 1 Rabbid?

Lincoln: I'll go. It'll be awesome to meet the Hibiki Kamen Riders.

Me: Awesome. You okay with that Nico?

Nico: You bet I am.

Gali: Awesome! Lets head out.

We were off to Japan.

We arrived at Hibiki Temple.

Hitoshi: Hey guys!

Gali: Hitoshi, meet Twilight Sparkle.

Twilight Sparkle: Pleasure to meet you. I'm Twilight Sparkle the Princess of Friendship and the Magic Skylanders.

Hitoshi: It's an honor and this must be Lincoln Loud too.

Lincoln: That's right. It's an honor to meet you.

Hitoshi: Pleasure to meet you too.

Iori: Same here.

Tomizo Todayama then appeared.

Nico: You must be Tomizo.

Tomizo: That's right. Tomizo Todayama. Pleasure to meet you all and it's an honor to meet the famous Team Loud Phoenix Storm.

Me: Pleasure is ours. Sorry we didn't meet you the last time we were here.

Tomizo: It's all right but it's an honor to finally meet you now.

Hitoshi: (to Twilight) J.D. and the others meeting you and your friends must've been the best day of their lives.

Twilight Sparkle: Oh it sure was and it was really awesome too.

Me: Boy it was. We had many awesome adventures in Equestria and Ponyville and beyond.

Nico: We sure did and it was awesome.

Gali: All the adventures we had there were really awesome too.

Hitoshi: Gali, how would you like to be a Kamen Rider for my team?

Nico: Well, if Steel from the Beast Morphers team can become a Ranger, then Gali can become a Kamen Rider.

Gali: I would be honored.

Nico: This will be awesome to see.

Twilight: Gali, I hope I get to see your Kamen Rider form against our target today.

Gali: I have a feeling it will be good.

I then sensed something.

Me: The wait isn't going to be very long!

I fired an energy blast and it hit a training post and out of it came 2 figures and it was The MAN & WOMAN!

---

During most of the series, after blending into human society without any problems at all, The Man were able to carry out experiments to make Makamou stronger in order to not only defeat Oni, but also destroy humanity. When Orochi happened, the Men and Women stopped their actions and asked Oni to help them, walking to the holy land marker to stop Orochi.

This does not match their newest creation, Super Douji and Hime as they start to rebel, even though the Man allows them to escape after showing strength because he knows they are on the verge of death with a Woman expressing pity for their perfection. clone. A year after Orochi was stopped, the Man and Woman reappeared and created Satori to kidnap Hitomi to use in an experiment to create more stable clones. At the end of the series, they are revealed to be clones of "Real Man and Woman", who still need them to continue their work.

---

Nico: The Man and Woman!

The Man: Now we can kill you all.

The Woman: Yeah you will die.

Me: I think not.

I transformed into my Super Angel Infinity Friendship God form.

Me: Your time has come for your crimes.

The Woman: You fools don't know who you're dealing with.

Gali: Funny. I was just about to say the same thing!

Me: And we don't huh?

I teleported and punched my fist into the Man's stomach with devastating force and then kicked him in his face and sent him crashing into the Woman and knocking her down.

They got up and they belched out blue blood.

Nico: Pathetic.

Hitoshi: Wow! Even though J.D. isn't in his Rider form he is really powerful!

Me: Okay I've had my fun.

Tomizo: Gali, what do you say we transform together?

Gali: You read my mind!

They pinged their Henshin Onsa and Gali turned into her new Kamen Rider Form! KAMEN RIDER UZUMAKI! It was like an aqua version of Hibiki.

Nico: WHOA!

Me: Cool!

Meanwhile, Tomizo turned into Kamen Rider Todoroki.

Nico: AWESOME!

Me: Cool!

Twilight Sparkle: Wow! That is amazing!

Lincoln: Boy it sure is!

Nico: No kidding!

Tomizo charged at the Man while Gali charged at the Woman.

Tomizo punched and kicked the Man all over and I kicked The Man in his face and Twilight Sparkle bashed the Woman with a powerful punch and Gali kicked The Woman all over. The Rabbid then drank a huge soda after shaking it and then.

BBBBBBBUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUR

He released a massive belch and it blew The Man back and into a post!

The Man: You pest!

Tomizo: What's wrong? Don't like it when someone small gets the best of you?

Me: Yeah!

I kicked The Man in the face and then I took out my dagger.

Nico: Now it's personal.

I slashed my wrist and coated the dagger in my blood.

Me: Now for this!

I teleported and then stabbed The Man through his black heart and killed him instantly!

The Woman looked on in Horror as I killed him!

The Woman: Laugh now, Kamen Riders. But our Makamou forces are still at large.

Gali: But now, they won't have you and your husband to command them. Tomizo, wanna do a Finisher alongside me?

Tomizo: You got it!

Tomizo had his Guitar ready and Iori had his trumpet and Hitoshi had his sticks. Gali had a bassoon ready!

Nico: FIRE!

They fired waves of fire and energy and I fired a blast of Godzilla's Atomic energy and the blasts all hit The Woman and she exploded in a massive fiery blast! SHE WAS DEAD!

Gali: Hitoshi, I hope to meet more of your friends next time.

Hitoshi: Oh you will and they are awesome.

Me: They sure are awesome. Now The Man and The Woman are both officially dead forever.

Gali: Thank goodness for that.

Nico: Yep and The Makamou are guaranteed to come after us for revenge.

Me: I say Let them Come.

We came back and told everyone everything that happened. They were amazed.

Eli: Wow! That was amazing!

Laney: Yeah! Now the Makamou are leaderless.

Me: Yep.

May: Mal and Man Ray should be among the people that go with you next time.

Nico: Good idea.

Eli: Yeah!

Star Man: So, Mike. How do you like the Estate?

Mike Chilton: It's incredible! It's amazing that you all like in such a ginormous tree now.

Nico: It sure is.

Me: And we're now glad that monster Kane is in prison where he belongs.

Laney: Yeah thank goodness. He's now a in prison, and is broke, penniless and a total loser.

Lana: And Fluttershy and the Chima Warriors saved Red too.

Me: Yeah that's right. Also her special mission is next week and in 2 weeks after that we go to the Live Action Transformer universe.

Nico: That is gonna be an awesome challenge.

Eli: Yeah it sure will be awesome.

Live Action Jetfire: I can't wait to see Optimus again young ones.

Eli: I can tell that many of you can't wait.

Laney: Yeah that will be a harrowing challenge on the 28th.

Starlight Glimmer: I have a feeling I'll see him again in Chima.

Nico: That will be so awesome. I hope we meet more Live Action Transformers in the next 13 days.

Suddenly…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion was heard and felt!

Texas: Are we under attack?!

Misty (Pokemon): No. That was Meredith doing target practice.

Nico: She wants to get ready for when she starts to have her series of usual battles soon.

Meridith McHenrickson was demonstrating her powers and she threw huge boulders at dummies that looked like monsters from the Power Rangers. She was smashing them to dust!

Meridith McHenrickson: (Scottish Accent) These monsters are not a challenge now.

Then she fired glowing red hot boulders from her hands and they hit numerous dummies and exploded with the power of 10 pounds of C4 Explosives!

MASSIVE FIERY EXPLOSIONS!

We came out and she was really turning the training yards into a fiery warzone! We saw her fire red hot explosive boulders at the dummies and blasting them into fiery splinters!

Nico: WHOA!

Me: Wow! That is awesome!

Mike Chilton: Wait. I remember that the real Ultimate Humungousaur can fire missiles from his hands.

Shrapnel: Mike's right. Why is she firing boulders instead?

Nico: Those aren't just any boulders. They are Bomb Boulders. They are red hot boulders that explode on contact. They pack the explosive power of 10 pounds of C4 Explosives.

Me: Wow! That is powerful!

Eli: I remember Megalon using a move like that from 1973. That was awesome!

Laney: Yeah it was awesome.

Carol: That's true! Megalon does have that same kind of power.

Lola: That is awesome!

Shrapnel: But that does make sense. That is really amazing.

G1 Bumblebee: So basically, those are Meredith's projectile attacks instead of missiles.

Nico: Exactly. Ultimate Humongousaur uses Missiles where as Meridith uses Bomb Boulders.

G1 Bumblebee: Very clever.

Nico: Yep and Meridith wants to get in as much training as she can for her upcoming usual battle. J.D. said he has something awesome planned for her.

Me: Yep.

We saw Meridith training like mad and really blasting the area all over to fiery rubble. When she was done she came back.

Meridith McHenrickson: Whew! That was amazing for me laddies.

Colleen: (British Accent) You did a really smashing job Meridith.

Meridith McHenrickson: Thanks Colleen. It was really amazing.

Gravity Man: Nico, which Zenkaiger Gears have you made today?

Nico: Ones based on Flashman, Liveman, Turboranger, Fiveman, Carranger, and Megaranger.

Misty Tredwell: Awesome! I'll use the Megaranger Gear.

Carly Atlas: Fiveman for me.

Lightning McQueen: I'll use the Carranger Gear.

Exile: (Russian Accent) I'll use the Flashman gear comrades.

Blitz: (Arnold Schwarzenegger Accent) And the Liveman for me ja.

Hunter: (German Accent) Und for me I'll use the Turboranger Gear.

Me: Awesome choices for you all.

Nico: Okay now lets get ready for our next mission.

Laney: I'm excited for this one.

Lana: I have a feeling this is gonna be awesome.

Then Ben Ravencroft, Bizarro, Grundy, Manta Bayarsh, Eris, Evil Lyn, Boomerang, Rowdyruff Boys, Knightbrace, and Gameface appeared.

Ben Ravencroft: Can me, Bizarro, Grundy, Manta Bayarsh, Eris, Evil Lyn, Boomerang, Rowdyruff Boys, Knightbrace, and Gameface go with you guys?

Nico: Yes you all can and you all made it just in time too. J.D. has a really awesome mission for us.

Me: Yep. I'll tell you all what it is after we find out what gene-slammer is next.

Chill Bill: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: Like I said, I'm hoping to meet a Lenopan gene-slammer next.

Lucy Mann: Wow! That will be awesome to meet one for my kind.

Nico: Yes it sure will. So it'll be Mystique, Lana or anyone that can shapeshift.

Me: Neat. Anyway here's our mission. I gave Nico this idea. First we're going to watch this.

I pulled out the case for the movie Super Mario Bros. from 1993.

Eli: Cool! Then that must mean that President Koopa is our target.

Laney: Awesome! That was a great movie!

Lana: Yeah I love that movie!

Aylene Carter: Dennis Hopper and Bob Hoskins were awesome in that one.

We then took off our hats and put our hands on our chests and had a moment of silence for both the great actors. They will forever be missed.

Me: May they rest in peace. But lets watch the movie.

We got to watching it.

An animated prologue to the film is given, taking place in Brooklyn, sixty-five million years before the present. The dinosaurs rule over the Earth while tiny mammals scurry about unnoticed. However, when a meteorite crashes into the Earth, the impact carries a force powerful enough to kill off all the dinosaurs; however it also created a parallel dimension. In this dimension, the evolution of dinosaurs continues parallel to our world's mammals, resulting in human beings with reptilian traits and temperaments. The narration asks, "What if they found a way back?"

The film cuts to live-action, twenty years before present day with a young woman hurriedly running down a Brooklyn street to a cathedral, carrying a bundle covered in a blanket. There, she places her bundle down, revealing a metallic oval case. She pounds on the door, but after a while, she locks a blue crystalline-shard into the case's opening and flees through the streets of Brooklyn once more.

A nun eventually discovers the metallic case at their doorstep and takes it inside. Meanwhile, the young lady continues to dash down the Brooklyn streets, narrowly dodging honking cars before climbing down an open manhole. Back at the church, the nuns observe the case as it opens, revealing a large egg.

The woman continues to run down a long sewer tunnel, eventually reaching the end, frequently looking back in fear. As she backs into another tunnel, a tall, sinister man emerges from the dark and demands the location of "the rock". She jumps away from him in surprise, exclaiming, "Koopa!" He grabs her, accidentally knocking a support beam which causes the tunnel to collapse around them. Koopa blocks the exit, leaving her to be crushed as she screams.

Back at the cathedral, the nuns watch as the egg cracks and a baby is heard crying. The egg then fully hatches, revealing a baby human girl. The nuns then look at the rock shard that came with the metallic case they found.

In the present day, Mario Mario and Luigi Mario are at their home and business, Mario Brothers Plumbing Services. Luigi lies on the couch, watching a television program in which the host introduces the concept of other dimensions as Mario receives a call in the other room for a job. As the brothers hastily prepare to leave, Mario complains that Luigi has spent money on the New York Post despite their lack of money. Luigi protests that it has the article on the missing Brooklyn girls, which doesn't satisfy Mario.

The two set off in their van, still arguing over their lack of money. Luigi takes a "shortcut" through an alleyway instead of Mario's directions, much to the latter's chargin. The Mario brothers arrive at the Café only to see that Scapelli Construction, their corporate rivals, have beaten them to it.

Meanwhile, a newscaster discusses the closing of one of New York's largest construction projects to allow New York University students to continue excavation in the advent of the discovery of dinosaur bones in the area. Head construction contractor Anthony Scapelli arrives to persuade excavation to cease so contruction can continue. Noticing his arrival, a blonde, female student named Daisy approaches him and holds her ground, refusing to quit until work is finished. Scapelli threatens Daisy, forcing her to find a phone to call the university for increased security.

Elsewhere, Spike gets into a car, where Iggy is sitting in the passenger seat. As they notice Daisy walking into town, they begin discussing their previous failures, and that if they make another, Koopa is going to "kill them". They begin their persuit of the oblivious Daisy. At that moment, Mario and Luigi are driving down the street when their van stalls. They pull over and open the hood, which causes steam to flow in their faces. Mario tells Luigi to check their messages for work while he attempts to fix the radiator. Daisy continues to walk down the street, unaware of the following Spike. Before Spike can get closer, he slams against a glass pane carried between him and Daisy. Defeated, he returns to their car.

Mario enters a nearby store for bottles of water to cool the radiator down, just as Daisy approaches the pay phone. She paces about, waiting for Luigi to finish checking their messages. Enamored, he wordlessly hands her the phone. Mario emerges and questions Luigi for an jobs. Luigi comes up empty-handed, and his brother walks toward the van. Luigi eventually follows and asks Mario if he thought Daisy was attractive. Mario pressures his younger brother to talk to her, and upon finishing her call, she approaches Luigi to thank him. He awkwardly offers her a ride, leaving Mario to "translate" his message for him. She looks about and sees Iggy and Spike in their car, and, thinking them thugs of Scappelli's, accepts their offer and goes back to the dig site. Once there, Luigi asks her out for dinner later that evening, which she agrees to.

That night, Luigi with Daisy, and Mario with his girlfriend, Daniella, have a double-date at an Italian restaurant together. Here, the two girls discuss the dig and how it began: Scapelli's dig-team found iridium, suggesting that a meteorite had struck there at one time. Findings suggest that the meteorite could have been the same one that caused extinction of the dinosaurs. The conversation then shifts to the rock shard Daisy wears around her neck. She reveals that she never takes it off because it is the one connection with the life she never had when she was abandoned. On hearing this, Luigi excitedly tells that he also doesn't know his parents due to their death in his childhood. Because of this, his brother Mario brought him up as a parent as well as a brother. Daisy and Luigi look into each other's eyes before in shy connection before awkwardly looking away. At this point, Daniella suggests that she and Mario take the van back themselves to allow Luigi to walk Daisy home.

As Mario and Daniella leave the restaurant and enter their van, Iggy wakes Spike, who was sleeping in their car. Iggy, upon seeing Daniella, believes her to be Daisy in disguise in an attempt to trick them, and gets out of the car to try and capture her, but Spike pulls him back in. Spike notices that she is not Daisy, but Iggy tells him that she is, but she is wearing a disguise. They then decide to follow Daniella to where she lives and kidnap her there.

Down the street, Luigi and Daisy start talking, eventually leading to a discussion about what Daisy is working on. They then decide to go to the excavation site so Daisy can show Luigi more about her work. Meanwhile, Mario is saying goodbye to Daniella near her apartment. Iggy and Spike then arrive at their location on foot, waiting for Mario to drive off before grabbing her. Her screams for help go unnoticed.

At the excavation site, Daisy and Luigi finally arrive, and she tells him about how Scapelli himself showed up earlier, and that she was calling her university for extra money that they wouldn't give. Daisy then leads Luigi into an underground sewer-like area, and shows him various dinosaur fossils lined on the floor, one of which has opposable thumbs and looks to her as if "… it was a monster, trying to be a human being," unaware that it was her mother. The two move in to kiss, but are interrupted by the sound of water spraying and the sight of two of Scapelli plumbers fleeing, after having broken a set of pipes in an effort to flood the site. Luigi and Daisy run back to Mario's apartment to get help in repairing the damage. Mario and Luigi then set to work.

Iggy and Spike then show up, arguing over how they have failed in capturing Daisy five times. Hearing a noise nearby, Iggy senses the presence of Daisy. They then find the Mario brothers, having fixed the pipes and stopping the flooding, and knock both of them out and capture Daisy.

The brothers soon regain consciousness and frantically follow the sound of Daisy's voice, utilizing Mario's knowledge of pipe echoes to guide them through the cave. They finally come to a ledge over a steep drop, a river having formed from the flooding, across from which Daisy's voice seems to come though the solid rock wall. As they stand there, Daisy's face appears through the rock and Luigi tries to jump for her, but is held back by Mario. Daisy leans herself though the rock again and Luigi attempts to grab her, but only succeeds in taking her necklace. With her necklace in his hand, Luigi looks back at the rock; Mario commenting that it was impossible. With a feeling, Luigi kisses Mario's forehead in goodbye and leaps straight through the solid rock. Mario then slips and falls through himself, transporting through a psychedelic landscape before disintegrating and reassembling on the other side in a large chamber.

Circling around a giant meteorite embedded into the floor, Luigi and Mario chase after Daisy and her kidnappers, who claim to be taking her back to where she belongs. The brothers burst out of the tunnel, through a metallic door, and emerge into a crowded, noisy, fungus-covered street in the city of Dinohattan. Pushing through the crowds, they stop dead in their tracks and look around, taking in their surroundings. Suddenly, they see Iggy, Spike, and Daisy on the street below. The kidnappers pull a screaming Daisy into a cab. A cop then arrives and pulls the brothers away for creating an "incident." They fall through a railing, and fall onto the streets below. They then decide to take in their surroundings before taking the next step. As they are walking away from an area in the city, a hidden Goomba peers from the shadows.

In Koopa's Tower, Koopa and his lover, Lena, discuss how pathetic and disgusting their world is. Koopa notes the situation is worsening by the day, while in the parallel world the mammal-evolved humans have plenty of resources, such as food and clean air and water. He continues to bemoan the germs and fungus that fill their world, which he claims were "exiled" too by the meteorite strike sixty-five million years ago. However, he also claims that the mammals may roam free in the other dimension now, but not for much longer. With ecstatic pleasure, Koopa claims that with the rock and Princess Daisy, he is finally able to merge their world with that of the mammals, as well as destroy them. As he sits at his desk, Iggy and Spike enter, greeting him as their cousin and reporting that the princess has been captured. Excited, Koopa asks where the rock is. The two admit that "the plumbers took it", referring to Mario and Luigi. Instantly, Koopa demands Lena to put up an alert for their capture.

Outside, Mario and Luigi are trying to figure out where they are, and are eventually confronted by an old lady who asks if they are "new in town", citing that the city is dangerous to be in without a weapon. When Luigi admits they are unarmed, the old lady pulls out a large taser and demands "Koopa coins". Noticing Daisy's necklace around Luigi's neck, she pulls it off just as a large black woman in red, Big Bertha, approaches from behind. Seeing the necklace, Bertha grabs the old lady and throws her down into the street, causing much confusion below, and taking the necklace for herself. Mario asks for the rock back, but she then activates a pair of Thwomp Stompers and escapes to the other side of the street. Having noticed their dismay, a friendly street-musician named Toad begins to play an anti-Koopa song on his guitar, detailing the far-worse things in his world. Two police officers then drive up and arrest him, then arrest the brothers after noticing they have plumber's gear.

Meanwhile, two Goombas drag Daisy to a prison room in Koopa's Tower. Daniella and four other women are also inside. The two share a joyful reunion, with Daniella explaining that Koopa is looking for a princess, but took the wrong girls. Elsewhere, Mario, Luigi, and Toad arrive at the police station. The two brothers are "de-fungused", then placed in a prison resembling a chicken coop. Toad is placed above Mario and Luigi, who are sharing a cell. Playing his harmonica, Toad sings about the brothers being from another dimension. Luigi then asks what he meant by that. The musician clarifies by explaining that, according to history, the impact of a meteorite divided their universes into two parallel dimensions. He goes on to explain that he believes that the fungus infesting the city was their old king, who was de-evolved by Koopa and is now seeking revenge.

The police chief calls for the Mario Bros. to be brought before their lawyer. The lawyer is actually Koopa, claiming to be a "Larry Lazard of Lazard Lazard Conda Dactyl" in an attempt to trick them into giving him the necklace. His attempts fail, however, because Mario and Luigi don't understand what he's talking about. After his patience fails, Koopa drops the facade and attacks Luigi before ordering them to be taken to the de-evolution chamber.

Koopa casually walks into a large chamber with an elaborate throne-machine, in which Toad is strapped into. He insults Koopa while saying the King has returned and is all around them. Unfazed, Koopa orders the machine to be activated and Toad de-evolved. Toad transforms into a Goomba, and Koopa explains that evolution is an upward process, while de-evolution is the opposite. Using this process, he can create a strong, loyal, and, most importantly, stupid subject. In anger, Luigi tries to attack Koopa but is held back by Mario. Mario asks him what he evolved from, to which Koopa replies that his ancestor was the Tyrannosaurus rex. He then threatens to de-evolve them if they don't tell him where the meteorite shard is. Instead, the brothers shove Koopa into the de-evolution chair and take out his men. Luigi then sets the machine to the Jurassic period and the pair push the chair into the de-evolution device before running off. However, their speeding up of the process causes it to end prematurely. Koopa's eye briefly fluctuates to a reptilian-slit before returning to normal.

Pursued by Goombas, Mario and Luigi flee. They hide behind a support and Luigi notices that the fungus appears to be offering them a Bob-omb. Mario pulls him away before he can take it, though, and the two escape using a zipline-like contraption. Two Goombas attempt to blast them with their fireball guns, but fail to hit them. The brothers then enter the police garage, where they steal a police car. Although Mario struggles to turn it on, Luigi successfully operates the computer as a result of playing video games, and they drive off with two other police cars in pursuit. After a short chase, Mario tricks the officers into crashing into each other, killing the police officers. The two brothers celebrate their victory and enter a tunnel leading to the Koopahari Desert. The computer warns them that the tunnel is unfinished, but the car leaves the city's power grid and powers down before they can brake. The car propels out of the tunnel and nearly crashes into the rocks below but is caught by the fungus, allowing them to climb out and escape into the desert.

Back at his tower, Koopa and Lena are enjoying a mud bath together when Iggy and Spike hurry into the room. Apologizing for interrupting, they report on the location of Mario and Luigi, and Koopa tells them to go capture them. He then orders Lena to have Daisy cleaned and brought to him. She does so, bursting into the prison cell where the women are being held. She identifies Daisy as, "Princess Daisy," prompting surprised looks from the other women, and leads her away.

Meanwhile, Iggy bids farewell to a nervous Spike, who is locked into the de-evolution machine. On Koopa's signal, the machine is flipped from "de-evolve" to "evolve," resulting in a more intelligent Spike. Two nearby workers pull Spike from the chair and force in Iggy, who is unaware he is also going to be evolved. The two cousins, now intelligent, are ordered by Koopa to retrieve Mario and Luigi and the meteorite shard from the desert, or be personally killed.

Daisy prepares to meet Koopa, now wearing a purple dress that belonged to her mother. Lena then enters the room and tells Daisy more about her mother, telling her that she took Daisy to the other dimension before she was "born," then died. Daisy asks if her father is alive, but she doesn't reveal anything. Lena then states that Koopa thinks she is the only one with the ability to merge the dimensions, and that she isn't ready to let her efforts go to waste.

Meanwhile, Mario and Luigi wander in the desert lost, arguing over who is to blame for their situation. At his tower, Koopa discusses the Goomba's Devolution Gun training with the police chief until Lena enters, announcing Daisy is ready. Daisy waits nervously in another room lit with candles and a fire, where she meets Yoshi, a dinosaur resembling a velociraptor walking about the room, chained by its neck. He curiously observes Daisy, who is initially frightened, then fascinated. Koopa, who had walked in seconds earlier, then surprises her by speaking and confirming that Yoshi truly is a dinosaur. He remains calm, introducing himself as ruler of this dimension. He ignores Daisy's demands about the whereabouts of her father, instead flirting while confirming that Daisy also descended from the dinosaurs. Koopa's face then begins to show lizard-like features again, which scares Daisy. She runs from Koopa and into Toad, whom Koopa instructs to take her away, before kicking Yoshi in the face for licking his leg.

Back in the desert, Iggy and Spike locate Mario and Luigi, driving a small, six-wheeled vehicle towards them. They accidentally drive off a cliff, attracting the attention of the Mario Bros. Quickly, the brothers tie them up, demanding information. They reveal the purpose of Daisy's necklace and Koopa's plan with it. Luigi offers a trade: the meteorite shard in exchange for Daisy. Iggy and Spike agree and, based off of Luigi's description of Big Bertha, head to the Boom Boom Bar.

At Koopa's Tower, Daisy is looking out the window, but turns her attention to Yoshi when she sees him trying to bite his chain in two, and offers the dinosaur sympathy. Back in the desert, the Marios, along with Iggy and Spike, notice a garbage truck, which is unloading the trash in the middle of the desert. They knock out the garbage men, hijack the truck, and drive back into the city.

At the Boom Boom Bar, Mario and Luigi don Spike's ex-wife's dance clothes to fit into the dance club. Once inside, Mario and Luigi attempt to locate Big Bertha. Iggy and Spike head to the bar, ordering drinks as a toast to Koopa's downfall. Mario finds and confronts Big Bertha, attempting to seduce her, but resulting with a punch in the face. Mario then walks over to her again, trying reverse psychology this time, and Big Bertha demands he dance with her, during which he attempts to snatch Daisy's necklace back. He finally does so, just as the song ends, but Lena and a squad of Goombas arrive after having been tipped off by the coat check. Mario and Luigi attempt escape, but lose the necklace, saved from falling into a floor vent by Lena, in the process before being aided by Big Bertha. She lends them each a pair of Thwomp Stompers, instructing them on their use. They then escape through the roof, and, while they are moving, Luigi notices that the fungus is once again trying to give them a Bob-omb. The brothers then continue running from Goombas, only to be cornered on a catwalk by cops, but escape by jumping into the back of a moving garbage truck. Mario complains that it is impossible for them to enter the tower, but Luigi insists that nothing is impossible, only improbable.

Back at Koopa's tower, the president enters a chamber filled with a type of fungus, a portion of which retreats into a larger section when Koopa enters. He then engages in small-talk with the fungus, eventually leading to him stating that, once the dimensions are merged, all of its rebellion is going to have been in vain.

The garbage truck then dumps its load, Mario and Luigi included, outside Koopa's tower. Entering, they observe the badly-maintained heating pipes that serve the tower. Under Mario's instruction, Luigi begins blocking off all of the valves. An alarm is set off, forcing them to leave quickly. As they head for the elevator, Mario stops at a locker, opens it, and pulls out two mechanics' uniforms (which look like the clothes worn by their counterparts from the games). As the two celebrate in the elevator, the door opens and two Goombas enter. They manage to hide behind the oblivious Goombas, and as the elevator continues upwards, more and more Goombas enter, all unaware of the Marios.

Meanwhile, Lena, secretly in possession of the meteorite shard, has returned to the tower with Iggy and Spike as her prisoners. She reports to Koopa that they were preaching his overthrow, to which Koopa orders them killed. He walks off, followed by Lena. She attempts to tell him she has the necklace, as well as tell him to not use Daisy, feeling he only cares for her, but he ignores her out of anger, and mentions that the only thing he truly cares about is the future of their species. Lena then privately decides to work on her own.

Back in the elevator, Luigi gets an idea from the elevator music. Gently rocking each of the Goombas individually, he begins making the Goombas dance, distracting them. At the top of the tower, Toad enters the chamber Daisy is held in, offering her some dinner, though she replies that she is a vegetarian, and requests some steamed vegetables. Lena then enters the chamber. Daisy asks her if she would help her escape, though Lena replies by pulling a knife in an attempt to kill her, her reason being that, "everyone deserves what they've earned." Yoshi uses his long tongue to pull Lena over, allowing Daisy to escape through the open door. However, Lena then stabs Yoshi and chases after her.

Meanwhile, as the Goombas continue to dance in the elevator, Mario and Luigi escape through a vent on top of it. Eventually, the elevator door opens again, and standing in front is another Goomba. Seeing the others dancing in the elevator, the Goomba shouts at them to stop and get out, which they do.

In the hall, Daisy runs into Toad, carrying her plate of steamed vegetables, and runs away from him before encountering two Goombas escorting Iggy and Spike for execution. They beg for her help as the Goombas pull out their fireball guns and ignite Toad. Iggy, Spike, and Daisy escape, though she takes the fire extinguisher off the wall and puts out Toad. As the trio continue their escape, Iggy and Spike claim that they were her most loyal supporters, having been with her father since his de-evolution. They take her to Devo 4, the chamber in which her father, as a fungal mass, is kept and leave her alone to take it all in.

As Mario and Luigi make their way to Daisy, they encounter a seemingly bottomless pit. Luigi tries to jump across, and both brothers are surprised when he finds he is suspended in midair. Eventually, he is able to convince Mario to jump as well; however, Luigi finds out that his belt was caught by a hook attached to a rope, and tries to tell Mario, but it is too late. Mario begins the plummet to his doom, only to be saved by the fungus below, which creates a trampoline for him. Luigi then fails to grab Mario's hands, due to being caught off guard. Mario then falls back down and gets tramped up again, this time being caught by Luigi and the two escape the room.

As Daisy is taking in the sight of her father, Yoshi enters the room. Daisy runs over to him, notices the knife in his neck, and pulls it out. The dinosaur then directs her attention to a communication device, which she uses to activate a speaker. Mario and Luigi, having heard Daisy over the speakers, then find a grate. Daisy then tells the brothers her location, Devo 4, before they knock the grate in, unaware that Koopa is watching. Walking through the air ducts, Luigi notices that the fungus is trying to communicate, and picks the mushroom, but Mario is still unconvinced.

The police chief then contacts Koopa to alert him that, per instructions, the troops were in place for the invasion of Earth. Koopa, surprised, then questions who supplied the order, to which the chief explains that he did, according to Lena. Realizing Lena possesses the meteorite piece, he demands her arrest. In Devo 4, Daisy meets up with Mario and Luigi and introduces them to her father. Luigi then realizes and tells Mario that he was the fungus that has been helping them the entire time. Daisy then reminds Mario of Daniella and tells him that she is being held prisoner in the Goomba barracks. Mario quickly dashes away to save her. However, Luigi and Daisy run straight into Koopa and an entourage of Goombas and are immediately captured.

Immediately after capturing Luigi and Daisy, Koopa orders preparations for the invasion of Earth. Meanwhile, Lena attempts her escape, but is ambushed and caught by the police chief, who takes the meteorite shard from her. In the tower, Mario locates the Goomba barracks and defeats the Goomba guard inside, saving Daniella and the rest of the missing Brooklyn girls. He hastily barricades the door just as more Goombas attempt to enter, then sets to work on the ventilation shaft.

The police chief presents the meteorite shard to Koopa, who orders Lena's release and begins rallying the Goombas. At the barracks, several Goombas blow the door open with their fireball guns, but are greeted by an empty room. They realize that the women had escaped with Mario by riding on a mattress down the frozen pipe, and they do the same in pursuit. Mario and the girls then duck under some icicles, which one of the Goombas hits, knocking him off the mattress. The chase continues until Mario leaves a wrench in a hole, causing the Goombas's mattress to flip over and its passengers to fly off. Mario and the girls then notice the exit of the air vent, with the two Goombas still following them, one on top of the other. The remaining mattress and its passengers fly out of the shaft, while the Goombas stop short. Their crash landing distracts Koopa and allows Luigi and Daisy to join Mario's side.

Koopa approaches them wielding a fireball gun, declaring that he has won and Earth's humans are soon about to de-evolve. Several announcements then come through his communicator, distracting him. This allows Luigi to grab a Thwomp Stomper's fuel cartridge from a broken shop display and hand it to Mario. Mario inserts it into a Stomper from the shop, then activates the device. It flies into Koopa and knocks him into an empty vat located over the street. However, Koopa quickly recovers and starts to fire his fireball gun. Using some fungus, Mario swings onto the vat, climbs up it, and begins fighting Koopa, hitting him from above and causing Koopa to drop the meteorite shard, which he held in his mouth, to the ground below. Lena catches it, but falls off the ledge and onto some electrical wiring. However, Mario tricks Koopa into believing he has the shard, and he is attacked. Lena then runs off to the meteorite chamber to merge the dimensions. Luigi, Daisy, and the other girls run after her, hoping to stop her while Mario and Koopa continue to fight, Koopa being unaware that Lena has the shard.

Luigi and Daisy enter the chamber, just in time to see Lena about to insert the shard into the meteor. Daisy begs her to stop, but she continues with her progress anyway. Koopa and Mario continue their fight on a catwalk. Looking into his belt, Mario pulls out the Bob-omb, prompting mass panic on the surrounding streets and walkways. Realizing the power the object possesses, Mario winds the Bob-omb's key and places it onto the ground, where it begins walking towards a panicking Koopa. However, it falls through a crack. Unaware of its continuing progress, Mario gives up on the Bob-omb and the two enemies approach each other menacingly. As the girls escape through the rock wall, Lena inserts the shard completely. The resulting energy burst kills her, leaving behind her skeleton. Daisy then realizes that Koopa was correct; only she could merge the dimensions, because only she could withstand the energies the meteorite would create. Back on the street, Mario and Koopa start to disappear as the dimensions merge and Koopa begins to laugh maniacally. Luigi and Daisy begin to work together to pull out the shard, using an assortment of Mario's tools.

In Brooklyn, Daniella and the other women warn those at the dig site about the coming invasion. Daniella then notes that the World Trade Center has merged with Koopa's tower. Scapelli is there, yet believes the whole thing is a hoax for publicity. Mario, Koopa, and his legion of Goombas appear next as Koopa attempts unsuccessfully to hit Mario with his fireball gun, which is broken again. Casting it aside, Koopa takes a devolution gun from a Goomba and fires it at Mario, who dodges, allowing the beam to instead hit Scapelli, de-evolving him into an ape. Koopa then turns to de-evolve Mario, but the latter pulls out the mushroom Luigi grabbed and uses it to absorb the beam. The mushroom becomes larger and larger, eventually to the point where Mario uses it to knock the ray gun out of Koopa's hands. Meanwhile, Luigi and Daisy manage to remove the shard from the meteor, causing the two dimensions to separate once more.

Meanwhile, the Bob-omb Mario dropped earlier is walking around the lower section of the city. A citizen driving a car notices it and stops the car, trying and succeeding in not hitting the Bob-omb. Up on the catwalk, Toad gives Luigi and Daisy each a de-evolution gun. Koopa orders his Goombas to de-evolve Mario, but Toad distracts them with his harmonica. They begin dancing as they did in the elevator. As Luigi and Daisy pass, Big Bertha throws Luigi a pair of Thwomp Stompers. Koopa, enraged at both the failure of his plans and the Goombas' failure to comply to his orders, angrily calls them "stupid" and punches them down dominoes-style. As the Bob-omb continues its trek, Koopa turns his attention to Luigi, who flies on over by using the Thwomp Stompers. Koopa fires at him using his fireball gun, but misses, allowing Luigi to land next to his brother and hand him a devolution gun. As the Bob-omb walks below Koopa, the brothers begin de-evolving him into a fierce, dinosaur-like form. The Bob-omb then finally reaches Koopa, exploding from beneath him, causing him to shoot into the air and land in the empty vat. Mario, Luigi, and the city's inhabitants watch the container in silence. Suddenly, Koopa, having been de-evolved into a Tyrannosaurus rex, emerges with a roar. After initially panicking, the brothers aim the guns and fire once more, further de-evolving Koopa into a glob of primeval slime. Immediately, all of Dinohattan cheers at the defeat of their dictator.

Stepping onto Luigi's stompers, the brothers wave and flash a victory sign to the crowd as they jump over to Daisy, who embraces them. Meanwhile in Devo 4, Daisy's father is restored to his former self.

The three of them enter the meteorite chamber, prepared to leave for home. Unfortunately, the wall is now sealed, prompting Daisy to re-open it by reusing the power of the shard. Luigi then beckons her to join them, but she sadly tells him she must stay to help restore Dinohattan and get to know her father. With an intimate kiss, they part ways.

Three weeks later, Daniella has now moved into the brothers' apartment and is preparing dinner for them. Just as Luigi stands up to join them, Our Miraculous World comes on with the host discussing the Mario brothers, whom he calls the "Super Mario Brothers.", having saved both Earth and Dinohattan. Someone knocks on the door, Mario stating that it is open, and it bursts open to reveal Daisy, wearing torn military clothes and wielding a fireball gun, asking Mario and Luigi for help. The two strap on their tool belts, prepared to leave.

In a post-credits scene, two Japanese businessmen comment to someone that they have a proposal: to make a video game based on their many adventures; they are then asked for the game's name. The camera pans to reveal Iggy and Spike, who suggest "Iggy's World" and "The Indomitable Spike," respectively, but then agree upon "The Super Koopa Cousins."

When the movie was done we were cheering wildly! It was awesome!

Nico: Yeah! That is awesome!

Lola: So funny too!

Lana: Yeah! I never get tired of that!

Me: Yep. And you'll like this. This is what I have planned for Meridith. We're going to have her archenemy be President Koopa.

Meridith McHenrickson: Wow! I'm honored lad! This will be fun now.

Laney: It sure will.

Bowser: You mean that human version of me?

Brick: Exactly!

Boomer: Though he's not REALLY human.

Me: He's right. President Koopa is a dinosaur that evolved into a human. In a way.

Nico: That's true. But this will be really awesome.

Eli: It sure will.

Laney: Yeah!

Meridith McHenrickson: Aye this will be fun.

Nico: Anyway lets get ready.

Lola: But how will we get to Dinohattan?

Nico: We follow where the movie will take us. We're going to Brooklyn, New York.

Numbuh 274: Brooklyn. Pretty fitting considering Mario's from there.

Nico: Yep. Even though the one from the video games have Italian ties.

Me: This is very confusing isn't it?

Nico: Yeah but I thought it was cool.

Camie: Same with me.

Sirius: Yeah same here.

Nico: Anyway. Lets get a move on guys.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed an energy signal, and he saw who the figure was in the vision: it was none other than Groundskeeper Willie, the only Springfield Scumbag who hadn't been resurrected by Vypra, and he's returned from the dead to seek revenge on us for destroying Springfield, but he also wants revenge on Principal Skinner. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Homer, you, your kids, Becky, Marge, and everyone who wasn't in on Springfield's corruption aren't going to like this: the energy signal I sensed belongs to Groundskeeper Willie, the only Springfield Scumbag who hadn't been resurrected by Vypra, and he's returned from the dead to seek revenge on us for destroying Springfield, and he also wants revenge on Principal Skinner.

We gasped in pure shock and horror.

Nico: Oh crap.

Me: Bart told us all about Groundskeeper Willie and I've seen what he's done, and he's the only one of the Springfield Scumbags Vypra hasn't brought back.

Queen Fyora: But, we can't let him get away with whatever he's planning, J.D.

Me: You're right, Queen Fyora, and Groundskeeper Willie's going to be a tough one to fight. He's done a ton of labor work over the years, and he's physically strong.

Bart: But, you and Queen Fyora will show him no mercy, right, J.D.?

Me: You got that right, Bart. If he wants a fight, we'll give him one.

Homer: And I just noticed now, if this news reaches Principal Skinner and the others in The Masters of Evil, won't that mean…?

Just then, The Springfield Scumbags in the Masters of Evil have shown up, and they were horrified of the news of Groundskeeper Willie's return from the dead.

Principal Skinner: Guys, did Lincoln just say that Groundskeeper Willie has returned from the dead?!

Nico: Yep, you heard right, Principal Skinner.

Snake Jailbird: Dude, that guy needs to be put down for good.

Me: That's what Queen Fyora and I are going to do to him, Snake, he's getting sent to Oblivion for good, and he'll never come back.

Duke Lincoln: (Scottish Accent) He may be from Scotland, but what he's done in America proves he has no shame.

Lucille: (Scottish Accent) Indeed, brother. He needs to be put down, lads.

Nico: My words exactly, Duke Lincoln and Lucille.

With that we were off to Brooklyn, New York.

## BROOKLYN, NEW YORK

We arrived in Brooklyn.

Me: Ahh Brooklyn, New York. One of the Five Boroughs. I can't wait to eat Brooklyn Style Pizza.

Butch: Let's pay a visit to that douchebag Scapelli first.

Nico: Funny thing is that he was turned into a chimp.

Fluttershy: Oh I thought he looked really adorable as a chimpanzee.

Laney: Only Fluttershy would think that a guy like Scapelli would look cute as a chimpanzee.

Lincoln: Yeah that's Fluttershy for you Laney.

Nico: Yeah.

We were off to the construction site.

Rhino: Hey! You Scapelli?!

We saw a man holding Scapelli as a chimp.

Rhino: Oh he really IS a chimp.

Nico: Wow. Those Devolving guns really worked.

Eli: Too well.

Rhino: Wow.

Bizarro: Scapelli so ugly as chimp!

Manta Bayarsh: I really do wish that wasn't opposite speak!

Me: I can fix this so we can reprimand him.

Nico: Okay.

I snapped my fingers and then POOF!

Scapelli was back to normal!

Me: There we go.

Nico: Much better.

Nico then grabbed Scapelli and braced him against a wall!

Scapelli; WHOA WHOA WHOA WHOA! I don't want any trouble! Who are you anyway?

Nico: Nicolas Chan, leader of Team Loud Phoenix Storm. But you've lost 6 million years to know who we are!

Mario and Luigi and Daisy then came!

Me: Whoa! Mario, Luigi, Daisy!

Guts Man: Hey there, Mario!

Mario Mario (1993): Wow Team Loud Phoenix Storm!

Luigi (1993): Awesome honor to meet you guys!

Daisy (1993): It's amazing that you are all here. I see you're reprimanding my former boss Scapelli.

Nico: Yeah we are. J.D. got him back to normal. Let us take care of this and then we'll join you all.

Grundy: Grundy smash bad boss now?

Maria: Yes. Grundy smash bad boss now.

Nico: He's all yours.

Me: And then I know a better place for this dirtbag.

Grundy punched and smashed Scapelli into pulp.

Nico: Nice! Okay that's enough.

He stopped.

Nico: Now it's time for him to have a nice long stay in our prisons.

Me: Just remember this you dirtbag, no one shuts down Daisy's dig site on our watch.

I snapped my fingers and beamed him to the Uranus Prison.

Me: Sorry about that guys.

Nico: Yeah but it's awesome to meet you all.

Phage: (to the Mario Bros) Now, you don't have to worry about going out of business.

Mario Mario (1993): We greatly appreciate that.

Luigi (1993): I'm glad you all are here.

Daisy (1993): Yeah we could use your help.

Me: Don't tell me. Is President Koopa back?

Daisy (1993): Yeah he is.

Me: I had a strong feeling he would one day return.

Nico: We'll gladly take him down for all of you.

Mario Mario (1993): First, how about we show you around?

Eris: Sounds good to us.

Me: Yeah we should know the lay of the land first.

Nico: Good idea.

We walked around the area before heading off to Dinohattan.

Rumble: So, you guys don't have a Peach, huh?

Mario Mario (1993): No this is not like the video games you all have known for years.

Daisy (1993): I'm actually the damsel in distress.

Princess Peach: That is amazing.

Laney: Boy it sure is.

Me: What I really find amazing is that the world President Koopa came from was actually made when the asteroid that destroyed the dinosaurs split the world into 2 dimensional counterparts.

Laney: Yeah that is freaky.

Me: Our world and President Koopa's world.

Lana: That is awesome.

Evil Lyn: Where are Iggy and Spike right now?

Daisy (1993): They should be…

Eli: Behind us!

I turn and fired a gravity blast and pulled them to us and we caught them and we tied them up.

Me: Caught you in our world dino brains.

Nico: Look what the cat dragged in.

Iggy (1993): You weren't supposed to catch us right away!

Spike (1993): Yeah!

Me: Well that's not your call. Now what were you doing here!? TALK!

Iggy (1993): We were sent by Koopa to kidnap Daisy again!

Spike (1993): It's part of his big plan to get himself reinstated into power!

Burner Man: Wait. What happened to your brains? Weren't you two supposed to be smart at the end?

Me: Yeah you were as dumb as rocks before.

Maria: If you want, we can give you your brains back.

Iggy (1993): We would like that.

Spike (1993): Better than working with Koopa. But as long as we can redeem ourselves.

Nico: Fair enough.

Me: (Snaps fingers)

They had their brains back.

Me: Done.

We then saw big brawny people with small dinosaur heads!

Boomerang: Wait. Are those… Goombas?

Nico: They sure are. Whoa!

Eli: It's only beginning! Look!

We looked and we saw THE KOOPA TOWERS! They looked like the old World Trade Center from when it was destroyed back on September 11th, 2001.

Nico: WHOA! Is that the old World Trade Center!?

Me: Whoa! That is weird seeing it where it once was after almost 21 years.

Nico: Yeah! Hard to imagine.

Daisy (1993): The merging is complete!

One of the Rabbids hopped on one of the Goomba's head like it was a trampoline.

Luigi 1993: Hey! Stop doing that before you get yourself killed!

Iggy 1993: (laughs) I like this guy already!

Sandman: Actually, it's not just that one.

Many of the Rabbids did the same thing and we laughed!

Mario Mario 1993: (Laughs) That is funny!

Me: It sure is.

Iggy 1993: Before we show you to where Koopa is, we'll have to take care of his wife first.

Gameface: Sounds good to me.

Me: His wife is already dead isn't she?

Nico: Yeah she is.

Daisy (1993): Yes she was destroyed by the meteor.

Skull Man: In that case, there's nothing stopping us from doing our entrance on Koopa right now.

Me: I agree.

Nico: Yep and I know just what to do.

We flew at Koopa Tower!

President Koopa was REALLY PISSED!

President Koopa: I WILL KILL THOSE PLUMBERS! THEY RUINED EVERYTHING FOR ME!

Suddenly the spirits of the Gods and Goddesses of the Elements Swirled Around him and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and a phoenix cry was heard as fireballs rained down and blasted all of President Koopa's posters into ashes and then we came out.

Nico: President Koopa. So we meet at last.

President Koopa: And who are you?

Nico: Obviously these last 65 million years weren't too kind for you. We are Team Loud Phoenix Storm and we're your worst nightmare.

Me: Yeah and we're going to send you back to the Primordial Slime Pit that you came from!

Nico: (smirks) My Grandmother said this: Men must be cool. Boiling water is but vapor.

Nico's eyes then widen at what he just said.

President Koopa: (scoffs) I highly doubt your grandmother EVER said that.

Nico:: Um… please forget I just said that. It just came out of my mouth.

President Koopa: Is this part of a plan to mess with me?!

Knightbrace: Nico's being serious! I think this might be the start of a running gag!

Me: I agree. And if you want the Mario Brothers and Daisy, you'll have to go through us lizard lips!

I fired blasts of fire and they hit him all over and burned him. But his skin and clothes were tough.

President Koopa fired blasts of fire at us from a gun and I dodged the blasts and he fired more and more at me.

Me: You play with fire and you will get burned!

I fired big fireballs at him and blasted him all over.

Nico: Yeah!

Me: You learned that from Kamen Rider Kabuto didn't you Nico?

Nico: It just came out J.D.

Me: That's very philosophical though. Soji Tendou would be proud of you for saying his lines.

Nico: Thanks.

Meridith McHenrickson: Now it's my turn to give this monster what for.

Meridith went up to Koopa.

President Koopa: And you are my dear?

Meridith McHenrickson: My name is Meridith McHenrickson and I am your archenemy in the Masters of Evil now. You better watch yourself because I have an explosive power.

Meridith fired a Boulder bomb and it hit President Koopa and exploded.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blown back from the blast and sent into a bench.

Meridith McHenrickson: You guys get the usual battles going. And me and My group will face him to get acquainted now.

Dr. Light, Beast Man, Six Gum Gang, Bane, Number 7, Devack, Avalanche, Pyros, Shiv, and Ranamon then appeared.

Nico: Dr. Light, Beast Man, Six Gum Gang, Bane, Number 7, Devack, Avalanche, Pyros, Shiv, and Ranamon.

Dr. Light: Hard to believe that these are an alternate version of the Mario Bros.

Beast Man: Well, they share their clothes.

Runt: Wanna know something, Mario? You're still a good and heroic guy like the one we know.

Lunk: That's right. And so is Luigi.

Mario 1993: That means a lot.

Dixie: It doesn't matter if Peach doesn't exist here.

Me: It's awesome though.

Bane: (to Nico) (Spanish Accent) We heard you faced an evil version of Elena.

Nico: We sure did.

Number 7: It's a good thing you did. Otherwise, she would've started another Nanite Chip invasion.

Nico: Yeah no kidding. That's the last thing we want.

Laney: Yeah no kidding.

?: Boy that is cool though.

A figure came out and it was MARVO THE MEANIE from Episode 10 of season 3 of Mighty Morphin!

---

Rito Revolto planned to turn the Ninja Rangers into monsters, but since he had Lord Zedd's staff pointed the wrong way, its energy turned Mr. Wilton, a teacher that switched places with Rocky DeSantos, into a monster instead. Marvo turned all the Rangers except Rocky into containers of liquid, who managed to escape back to the Command Center with them. Zordon assured Rocky that defeating Marvo would return Mr. Wilton to normal, but it was necessary to return the other Rangers to normal first, as they would remain in containers permanently if Marvo was defeated as they were. After hours of work, Rocky and Alpha succeeded in restoring the Rangers, with the six of them going back to face Marvo. When Rito made his monster grow, the Rangers briefly did battle with him in the Ninja Megazord, with Rocky requesting to deliver the finishing blow. Upon being finished off by the Red Ape Ninjazord, Marvo turned back to Mr. Wilton as Zordon said.

---

Rocky DeSantos: Marvo the Meanie!

Marvo: Been a while rangers!

Me: I remember you! You were made when Rocky's teacher Mr. Wilton got turned into you and you turned all the rangers except Rocky into liquids.

Marvo the Meanie: That's right J.D. Good memory.

Me: Never missed an episode.

Rocky: Mr. Wilton? Is that you?

Marvo the Meanie: No, Red Ranger. I'm seperate from him.

Me: At least he's not Mr. Wilton this time.

Nico: Yeah.

Number 7: We also have 5 archenemies for the Atlantis Sisters too. But you all may not like who they are.

5 figures came out and they were THE BIG 5 AS DUEL MONSTERS! Gansley was a Deepsea Warrior, Johnson was The Judge Man, Crump was a Nightmare Penguin, Leichter was a Jinzo and Nezbitt was a Robotic Knight!

Mokuba: The Big 5!

Me: And they are Duel Monsters! Wow!

Nico: This is awesome!

Hailey Timaeus: This will be interesting.

We got the usual battles underway.

---

Kairi: That would have been an absolute catastrophe.

Princess Celestia: Yeah no kidding! That's the last thing anyone would ever face.

Amber Morning: Thank goodness it was stopped before it happened.

Spotlight: Yeah no kidding. That would have been a catastrophe.

Yusuke: It sure would be awful.

Keiko: It sure would Yusuke.

Dr. Light: That would not be a good thing. But Nico's friend Katie is the smartest I've ever seen. I've never seen anyone as smart as her.

They saw Katie doing a really awesome and highly advanced quantum physics equation to many amazing professors for them that was nearly impossible to figure out.

Kairi: That is amazing that Nico knows someone like that. She was able to make J.D.'s brain fry from her smarts.

They laughed.

Dr. Light: Wow! That is amazing that she is that gifted for someone so young. Lets do it!

They fired waves of light and energy and smashed him down.

Kairi: ALL RIGHT!

Right Suzuki, Rainbow Dash, Scootaloo, Air Skylanders, CatDog, Akira Nijino and Numbuh 274 VS The Six Gum Gang - Meeting a gene-slammer for Kahkki, Guerilla of Dark World

Rainbow Dash: Yeah and she is an awesome military tactician.

Scootaloo: She sure is.

She told them all about what she did on April Fools.

---

Nico: It sure is, Camie. Ooh, so what's a memory that you had with Lincoln?

Camie Nicholetta: Oh, I was hoping you'd ask, Nico. Well, it was during one April Fool's Day, and I knew of Luan's reputation for causing havoc on that day, and traumatizing Lincoln and his family with her crazy out-of-control pranks. So, Lincoln decided to call me to help out, and I was glad he did, she booby-trapped the front door, and I got covered in glue and chicken feathers. So, now, it's personal: I formulated a plan on how to disable the traps all over

The Loud House, and Lincoln and Laney also provided extra help: Lincoln made the groups and Laney supplied everyone with her Anti-April Fools Day Contingency Plans. Together, we ruined Luan's April Fools' Prankapocalypse, and disabled every last trap in The Loud House, but when Luan found out, she went insane with rage, and tried to jump us and pulverize us, but I threw a strong punch at Luan's stomach and hogtied her. Mr. and Mrs. Loud eventually grounded Luan for thirteen weeks for her Prankapocalypse, and she had to be put inside of a steel cage, and her fingers put into Chinese Finger Traps, so she can't escape.

We were impressed by what Camie Nicholetta did with stopping Luan's April Fools' pranks.

Nico: Whoa, you sure are one awesome military tactician, Camie.

Lincoln: Didn't I tell you, she has an amazing mind when it comes to battle, and she's outsmarted Luan every April Fool's Day more times than anyone can count, and every time, it drove her nuts.

Me: Ouch.

Nico: That's brutal.

FLASHBACK ENDS
